Local Youth Killed In Motorcycle Wreck

A Second Glance

By Leon Watson

Last week's Second Glance about unusual laws was so popular I decided to give you a few more.

The following are actual laws. Though most are ludicrous, all are currently on the books.

There is a law in Wyoming requiring women to stand five feet away from bars when drinking in public.

Anyone bathing in public in Rochester, Michigan must first have his suit inspected by a police officer.

Coatees are taxed in the State of Massachusetts. It is against New Jersey state law to slurp your soup.

All Pennsylvania restaurants are required by law to be equipped with stretchers and wheelchairs.

Missouri state police are prohibited by law from chewing tobacco while on duty.

In the village of Watkins Glen, New York, it is illegal to roll hoops.

A San Francisco law states that it is illegal for any person to beat, sweep or clean any carpet or rug upon any sidewalk or street except between the hours of twelve o'clock midnight and eight o'clock in the morning.

The Morrisville, Vermont Board of Selectmen must issue a permit to anyone desiring to take a bath.

In Knoxville, Tennessee, it is against the law to lasso a fish.

Under penalty of law, no horse shall be fed on any street in Norfolk, Virginia.

Because hip pockets provide a convenient place for stashing pint bottles of alcoholic beverages, they are prohibited by South Carolina law.

A Dyersburg, Tennessee law prohibits a girl from telephoning a man to ask him for a date.

No ball team shall hit the ball over the fence or out of the ball park in Muskogee, Oklahoma.

In Oklahoma, a dead juror cannot serve on a jury. It is against the law in Roanoke, Virginia to advertise on tombstones.

No more than eight rabbits may reside on the same block in Tusculum, Alabama.

A Dayton, Ohio law prohibits women bellhops.

Houston, Texas dogcatchers are required by law to be psychoanalyzed to determine whether they are qualified to chase stray dogs.

In Virginia, it is illegal for any person to permit any unaltered horse of the age of one year or more to go at large or to take such horse to any place of public worship.

A red ribbon was presented to Ma'anna Zarate for her entry Cinnamon Candy Salad in the Junior Side Dish division and a blue ribbon to Shannon Campbell in the Junior Breads and Desserts division serving Hummingbird Cake. Nancy Cooper earned a blue ribbon in the Senior Side Dish division

Motley County 4-H'ers displayed outstanding character and strong leadership at the District competition.

with her entry of Vegetable Deluxe. Senior participants receiving red ribbons were Deanna Durham in the Senior Snacks and Beverages division with Chicken Yum Sticks, Dixie Nimmo with Golden Bubble Ring in the Breads and Desserts division, and Barbara Durham in the Main Dish division with Chicken Tivoli.

Judging at the twenty-one county contest was based on nutritional knowledge, principles of cooking, ability to plan a well balanced daily menu, appearance an effectiveness of communication, 4-H leadership experience and their food entry.

A 16-year-old Roaring Springs youth died Saturday at Lubbock General Hospital from injuries he received in a car-motorcycle accident earlier that afternoon.

Victor Hull, a sophomore at Motley County High School, received head and neck injuries when the 1976 Honda he was riding collided with the back end of an automobile at 4:30 p.m.

Saturday. He was taken to Crosbyton and later transferred to Lubbock. He died at 6:20 p.m.

Investigating Trooper Neal Haralson of the Department of Public Safety said the accident occurred on 3rd Street in Roaring Springs, and marked the first traffic fatality in the county since August 1976.

Funeral services were conducted on Tuesday,

December 2, at 2:30 p.m. in the First Baptist Church in Matador. The Rev. Jim Ritter, a Baptist minister and Rev. Edna Dillard, pastor of the Roaring Springs Assembly of God Church, officiated. Burial was in the Roaring Springs Cemetery under the direction of Seigler Funeral Home of Matador.

A native of Houston, Victor moved to Roaring Springs with his parents in 1972. He attended Motley County High School and was a Sophomore. He was active in Future Farmers of America and was on the football team, playing a tackle position, and was a member of the basketball team, playing at the post position.

Lions Club Program Given By Visitors

Miss Barbara Durham, a guest of Matador Lions Club at its semi-monthly luncheon meeting Tuesday, presented the program and told of her trip to Washington, D.C. the past summer. She was among 56 Texas delegates taking the 4-H Heritage tour to attend 4-H Congress, and showed slides she made on the trip.

An outstanding 4-H member and 1980 Gold Star Girl, Miss Durham was introduced by her father, Lion Bill Durham, who was promptly fined by Tail Twister Larry Hoyle for "advertising" his daughter's achievements.

Highlights of the trip en route to Washington, as well as scenes made in the nation's capital and surrounding area were colorful and provided an interesting program. Miss Durham thanked the Lions Club for its support and contribution toward making the trip possible.

Miss Virginia DeWitt, Social Security representative from Plainview was a visitor, and also introduced were four visitors from out-of-town, two of whom have gained widespread publicity in the South Plains area as a running team to raise money for the Society for the Prevention of Blindness.

The runners, 1st Lt. Rod Propst and CW2 Rick Moore were accompanied here by two support team members, 2nd Lt. Phyllis Kimbrough and Sp. 4 Benny

Otero. All are from Ft. Sill, Okla., and making the run from Smyer, Tex., to Ft. Sill, collecting donations for their project. Donations or pledges here may be turned in to Billie Dean's Drive In.

Lion Alan Bingham presided at the meeting in the absence of Boss Lion Ronnie Vandiver. Lion Billy Wason was program chairman. Travis Jameson, sponsored by Lion Kirby Campbell, was presented his credentials as a new member of the club.

Announcement was made that the Lions Christmas party for the Motley County School will be at 1:30 p.m. December 15, and that the Patton Springs Band will provide entertainment, as in past years.

The susal sumptuous meal was prepared and served by Lion Walter Jones, at the United Methodist Church.

An informational meeting to discuss changes in Income Tax Laws has been scheduled for Thursday, December 4, at 7:30 p.m. in the District Courtroom of the Motley County Courthouse, reports Jerry Cummins, County Extension Agent.

The program will be conducted by Norman Britts, Economist-Management Specialist with the Texas Agricultural Extension Service. All interested persons are invited to attend.

RUNNING FOR THE BLIND - Two Ft. Sill men are making a 283-mile-run to collect funds for the Society for the Prevention of Blindness. They are (l to r) Sp.4 Benny Otero, CW2 Rick Moore, 1st Lt. Rod Propst and 2nd Lt. Phyllis Kimbrough. The two men running, Propst and Moore began their run at Smyer and will finish at Ft. Sill. They average 40 miles per day. Anyone wishing to make a donation may do so at Billie Dean's Drive In.

Runners For Blind Are Matador Visitors

Two professional runners were Matador visitors this week, while on a mercy trip which started Nov. 29 at Smyer, Texas and will terminate Dec. 5, at Fort Sill, Oklahoma, where they are based.

Running to raise money for the Society for the Prevention of Blindness are Lt. Rod Propst and CW2 Rick

Moore. Both are experienced long-distance runners. Accompanying them as a support team are 2nd Lt. Phyllis Kimbrough and Sp. 4 Benny Otero, driving the vehicle containing supplies.

Their route on the 283 mile run took them through Lorenzo and Dougherty, to Matador where they spent Monday night.

here they continued to Crowell, Oklahoma, Manitou, Okla., and Ft. Sill. Before reaching Crowell, however, they drove back to Matador Tuesday to attend a meeting of the Lions Club and explain their mission. With a goal of 40 miles daily, they were about ten miles ahead of their schedule.

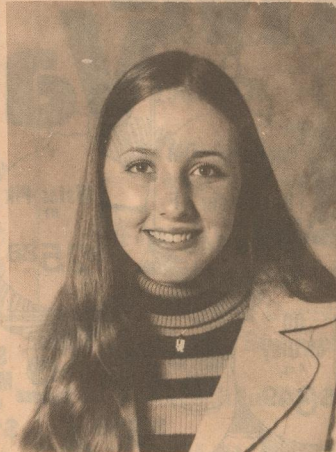

"We feel that this is a worthwhile cause," said Moore. "Both Rod and I have relatives afflicted with blindness, and the Society for the Prevention of Blindness is doing a superb job assisting people with this handicap." He explained that the society has a program of free distribution of audio books or cassettes which enable a blind person to listen to a story as it is being shown on television.

Moore was a member of the U.S. Army TRADOC Champion Marathon team, is actively involved in Junior Olympics, and is a member of the Redleg Racing team. Propst, a graduate of Lubbock High School, began seriously running while in Junior high school. He is an ultramarathoner with several 50-mile runs for charity, was also a member of the Marathon team at one time, and also competes for the Redleggers.

The run is being financed by the runners themselves and their support team, with the assistance of two sponsors - a Lawton, Okla., radio station and Athletics Attic of Lubbock.

People wishing to make contributions toward the runners' cause can donate either a set sum or pledge an amount for each mile completed. Donations will be accepted in every town where the runners stop.

In Matador, contributions or pledge cards may be received from Joe Smith at Billie Dean's Drive In.

MC Varsity Teams Win Here Tuesday

The Motley County girls and boys varsity basketball teams were both victorious Tuesday night over the Hedley Owls teams.

The girls won a close, see-saw battle 48-45 and the boys won easily 71-55.

The girls began slow, missing many of their field shots and free

throws. They found themselves behind at the end of the first quarter 11-5. Early in the second quarter they trailed 15-5 but began to fight back later and were behind 19-17 at the half.

The Lady Matadors were shooting cold early in the third quarter also but stayed with the Owlettes to trail 35-33 as

the final period started. The teams were tied most of the third quarter and the lead changed most at the second half.

Motley County pulled ahead late in the fourth quarter and the score stood at 43-41 for almost three minutes. The Lady Matadors were ahead 45-43 when Hedley scored again to tie

the game 45-45 in the final minute of play.

Then with eight seconds left in the game Deanna Durham was fouled and went to the free throw line. She sank a shot to put MC ahead 46-45. Hedley tried desperately to move down court but fouled Kim Campbell at the final buzzer.

With no time remaining on the clock Kim sank two free shots to give MC two more points, and they won 48-45.

The boys' game lacked the nailbiting excitement of the girls' game but was full of excellent ball handling by the Matadors.

Motley County jumped out to an early lead and

never looked back. They led 16-10 at the end of the first quarter and 33-20 at the half.

Hedley closed the gap for a while in the third quarter with good shots and rebounds and had the MC boys down to a lead of 47-40. But the Matadors were too much for the Owls and won easily 71-55 when the

last buzzer sounded.

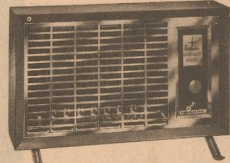

Leading scorer for the girls was Bunni Zabielski with 23 points. She was followed by Cindy Johnson with 10, Shelley Jackson with 9, Jeanette Moore with 6, and Kim Campbell and Deanna Durham each with 4.

Harvey Lee was the leader in the boys contest with 21 points. Charlie

Campbell was a close second with 19, Glen Calvert had 11, Dwight Campbell scored 10, Wesley Stafford and Jerry Long each had 4 and Steve Long had 2.

United Methodist Women Thanksgiving Program

Count Your Blessings was the theme of the Thanksgiving program presented by Mrs. Earlyne Jameson and guest, Miss Traci Green, at the meeting of the United Methodist Women, Wednesday afternoon, November 12 in the church parlor.

Mrs. Josephine Hamilton, president, opened the program with prayer. Mrs. Jameson introduced the program with "Thanksgiving, Why Only Once A Year?" and brought out the fact we should be thankful for our many blessings throughout the year. Special blessings we share were presented in scripture and music.

The first blessing was Freedom of Religion and Worship, "I was glad when they said unto me, let us go into the house of the Lord." When a person can join others in Christian fellowship in the house of the Lord, profess his belief in God without fear of persecution and worship at the church of his choice, it is always a time of Thanksgiving.

The blessing of children is mentioned in the Bible in very many ways. The scripture teaches, "A child is a gift from God, the richest of all blessings." After Miss Green, student at MCHS, sang "When You're Young", Mrs. Jameson read heart warming and delightful papers written by the third grade pupils of Mrs. Morris Stephens telling of things for which they were thankful.

"Of all the blessings God has bestowed upon us, His son, Jesus Christ, dying on the cross for our sins is the special blessing now, tomorrow and forever", said Mrs. Jameson. Miss Green brought out the entire theme singing, "Oh Friend, Have You Thanked Him?" The program was closed with everyone reciting God's given blessing of love, John 3:16.

Others attending besides those mentioned were Mesdames Olive Russell, Mattie Brotherton, Beulah Jameson, Lucy Ford, Vivian Jacobs and Viola Keith.

Baptist Women Meet For Week Of Prayer

The Woman's Missionary Union of the First Baptist Church Monday began observance of Week of Prayer for Foreign Missions with a meeting at 10 a.m. in the church parlor.

Mrs. Edgar Lee led the program, which included a film describing the work of Southern Baptist missionaries in Brazil, through the Lottie Moon Christmas offering.

Dorcas Group of the W.M.U. met Tuesday afternoon at the home of Mrs. C. D. Garrison, continuing the theme, "My World; My Life; My Witness" as outlined in Royal Service magazine. Mrs. Garrison led the program and others participating were Mesdames Stuart Dixon, Edgar Lee, Douglas Meador and Cecil Shelton.

Wednesday's program was presented at the evening prayer meeting hour, by Mission Friends, Girls in Action and Acteens, Auxiliary organizations of the W.M.U.

Thursday afternoon, the Dorcas Group will meet at the home of Mrs. Bill Dunning for further study of the missionaries' work in foreign countries, and the Baptist Young Women will meet Friday at 10 a.m. at the church for their study

with Mrs. Larry Hoyle in charge.

The Week of Prayer for Foreign Missions, Nov. 30 through Dec. 7 will culminate in the ingathering of the Lottie Moon Christmas Offering. This offering is the single largest source of financial support for more than 3,000 Southern Baptist foreign missionaries in 94 countries. All of the offering is spent on overseas missions causes.

The offering, which dates from 1888, had its beginnings when pioneer China missionary Lottie Moon urged Southern Baptist women to set aside a week in December for prayer and self-denial for foreign missions.

Miss Moon died of starvation on Dec. 24, 1913. Following her death, WMU women chose to honor the concept of sacrificial giving by naming the offering after her.

This year, an additional offering called "Lottie Moon Plus" will include a special offering by Texas Baptists for Mission to Brazil in an effort to help them reach a goal of 6,000 churches with a million members by 1982 - the centennial of Baptist work in Brazil.

MOTLEY COUNTY FAMS -- A large crowd turned out Tuesday night at the Motley County school to watch the varsity boys and girls basketball teams win two games over the Hedley Owls. The girls won 48-45 and the boys won 77-51.

'Come Clean' With Your Cleaner

Lipstick on your collar? Applying water to remove it will set the stain permanent. White wine all over your wool skirt? Even though it may dry clear and not be noticeable, allowing it to remain in the fabric will harm the filaments and cause yellowing.

According to fabric care experts at PPG Industries, a major manufacturer of dry-cleaning solvents, local professional dry cleaners can do the most good for clothing when customers point out where a stain occurred, what caused it and whether or not they already had tried to remove it.

People who attempt to remove stains at home often rub the fabric together, or rub another cloth over, or chafe in delicate fabrics. And if a person applies hot water to some stains, or tries to steam out a stain with an iron, the heat often will set the stain for good.

Wine, fruit juices and other sugared drinks sometimes dry clear. However, the liquid is still in the fabric, and when "heated" by the closeness of other clothes in a closet or drawer, it will "carmelize" or yellow.

PPG experts advise taking garments to the dry cleaner as soon as possible after a stain has occurred. Dry cleaners are professional

fabric care specialists who can remove most stains. They also can add new life to garments by restoring sizing for special finishes, minimizing shrinkage, main-

taining true color and preserving tailoring details. With the price of good clothing rising continually—the cost of a man's suit has gone up 500 percent since 1941—taking the best care of your wardrobe is important. The PPG specialists note that the cost of dry cleaning an average suit or dress has risen only 133 percent in 39 years. When compared to a 900 percent increase in the price of a loaf of bread and 650 percent growth in postage rates since 1941, dry cleaning is a genuine bargain.

Maintaining an attractive wardrobe involves removing spots and stains quickly and professionally. And telling your dry cleaner how and where stains occurred can not only save your clothes but also save you money in the long run. Remember—confession is good for your clothes.

Scientists believe half of all cancer victims could be saved if the disease were detected early enough.

LETTERS TO THE EDITOR

A toast to the Matador Tribune for what it has stood for.

There is a Christian revolution going on. The "Born-again block" of voters (Moral Majority) have awakened by looking at the last election, purposing to restore God in the American government's White House, Congress, courts, schools, state and local governments and the American homes.

The recent election also shows evidence God is answering many prayers to restore our country through abidance of HIS rules and thus saving us from self-Satanic destruction.

Many can now see the Satanic-Communists, Illuminati, Bildebergers, Tri-laterals and their still present hold of power, purposing to destroy family, prayer and such, but promote gay, ERA and other movements including abortion.

Key religious leaders such as James Robinson, Billy James Hargis, The Christian Crusade, the Armstrongs, Anita Bryant and Mrs. Mamou of Amarillo have done much to push the religious revolution.

There is still much to pray for and for us to do, but praise God for this new turn! As I Tim 2:1-2 states: "I exhort, therefore, that... prayer... be made for all men, for kings and for all that are in authority."

Prayer has been all important part in America's strong beginning applicable to the Mayflower Compact (1620); the fundamental Orders of Connecticut (1639); Declaration of Independence (1776);

Articles of Confederation (1781); Constitution (1787); Washington's First Inaugural Address (1789); "... my fervent supplications to that Almighty Being, who rules over the Universe..."; Washington's Farewell Address (1797) "... of all the dispositions and habits, which lead to political posterity, Religion and morality are indispensable supports."

June 20 will be a big move. We hopefully will have four years of the moral majority doing and praying a lot (majority being a big force) to rebuild what Satan has destroyed of our economy, government, schools, families and homes.

Doing what? Write any or all Republican U.S. Senators not to appoint Baker as Senate Majority Leader, but instead: Dole, Lazzari, Helms, Tower or Goldwater as Baker is a Trilateralist, voted to give the Panama Canal to the Kremlin, solicited for funds to strengthen national defense while voting anti-Canal in exact opposite of what his constituents wanted in the matter.

Doing what? Write your political leaders to break up monopolies and reorganize the Federal Reserve, taking it from a few men and giving it back to the people in the form of a federal bureau, which would exact a reduced national debt and a balanced budget as we have to pay it \$90 billion a year now, for example to start.

GEORGE HUMPHREYS, Cowboy and Lawman

By Peggy Walker

George Humphreys is a true son of the old west. He grew up in the big ranch country of northwest Texas and became the foreman of the famed 666 Ranch of Burk Burnett and sheriff of King County. Born in 1899 in a half dugout, he seemed destined from youth to spend his years in the cattle industry. He graduated from "bronc stomper" to foreman of the 6666 Ranch in 1932. His ability as a horseman and trainer became nationwide and his riding and training of the famed cutting horse Hollywood Gold brought crowds to their feet at major championship shows. The author has told the story of this cowboy and lawman who became a legend in his own time.

THE BIG RANCH COUNTRY J. W. Williams 003-6

The Big Ranch Country reaches deep down into the stories of the folks who made ranching in the Southwest. Colorful stories of the finest cutting horse, the meanest cow thief, the most princely cowman of them all—even the hair raising details of gunplay with a bad man whose name cannot be revealed are told in bare knuckle fashion that leaves no cushion of falsehood to soften the truth. This is the Big Ranch Country of the Waggoners, the Pitchfork, the Matador, the Four Sixes, the Swensons, Callaghans, King and Klebergs, told in a homespun, yet extremely accurate fashion.

INDIAN EXODUS Dr. Kenneth F. Neighbors 025-7

The "Indian Problem" as the white man was wont to label it, was inherited by the Texans from the Mexicans who in turn were heirs of this legacy from the Spaniards. The author sees drama of the exodus of the Indians from Texas through the white man's eyes for the Indian left little to record. "Indian Exodus" traces the events from 1835 to 1859 when Indian tribes who were living within close proximity to the emigrant white man were removed beyond the frontier to make room for another civilization.

The proposed project will consist of grading, drainage structures, base and surfacing of the present narrow gravel-topped dirt road to provide two 10-foot wide travel lanes.
