## Robbie Dean Smith Succumbs to Burns

Robbie Dean Smith, 6, son of Mr. and Mrs. J. R. Smith of Matador, died at 7:55 p.m. Friday at Methodist Hospital in Lubbock, the victim of burns received in an accident on October 12. Funeral services were held at 4 p.m. Sunday at the First Baptist Church, with the pastor, the Rev. James Hancock, officiating. Burial was in East Mound Cemetery with Seigler Funeral Home in charge. Serving as pallbearers were James Earl Jackson and Darrell Marshall.

The child was burned over a large portion of his body when his clothing caught fire. He was waiting in a pickup truck for his mother, who had gone into the home of her mother-in-law, Mrs. Jake Smith to deliver her mail, when the accident occurred. A 3-year-old brother, Mark, was also in the pickup, but was not injured. Their mother was un- aware that matches, which the children apparently found and ignited, were in the pickup.

Robbie Dean was born on July 22, 1960 and died October 21, 1966 at the age of 6 years, 2 months and 29 days.

Besides the parents, he is sur- vived by his grandmothers, Mrs. J. C. Johnson of Paducah and Mrs. Jake Smith, Matador; four brothers: Ronnie Smith of Miner- al Wells; Joe Don, Johnny Glenn and Mark, all of the home; five sisters: Mrs. W. A. Shields (Nita) of Greenville; Mrs. Lonnie Doran (Darnell) of Matador; Mrs. Bob Baxter (Linda) of Ralls; Mrs. B. C. Hickman (Joy Gail) of Afon; C. Hickman (Joy Gail) of Afon; and Teresa Smith of the home; a half-sister, Mrs. Dale Jackson of Amarillo, and a half-brother, Jackie R. Smith of Tulsa.

## Afton Residents Suffer Accidents

Unrelated accidents last week sent two Afton residents to hos- pital's suffering severe injuries. Mrs. Floy Cox, mother of Mrs. T. A. Martin, fell in the yard of her home, breaking her hip. She was alone at the time of the ac- cident late Thursday, and lay help- less for about two hours. She is in St. Mary's Hospital, Lubbock. Clark Forbis is hospitalized at Crosbyton following an ac- dent, also on Thursday, when a horse which he was riding while working at the Moss ranch, fell on him. He suffered broken ribs, broken right arm, and back inju- ries. He will be transferred to a Lubbock hospital for further treatment, in a few days. An Afton boy, Leland Brendle, son of Mr. and Mrs. Wilburn Brendle is another patient in St. Mary's Hospital. It was reported that he is being treated for rheu- matic fever.

Mrs. Fred Simpson visited in Hereford from Thursday through the week end, with her daughter, Mrs. Don Martin who is conva- lesing from recent surgery.

## Matadors Lose by Two Point Margin

by Gary Markham

Matador Matadors had to stom- ach a two point defeat by the Chillicothe Eagles, Friday night, at Burleson Field, with a score of 22-20.

With the score 22-6 against them, the red team came out at half time with a back-walled defense to hold the Eagles to only 45 yards rushing and no points for the remainder of the game.

A pile driving Matador offense slammed through a tough and consistent Eagle defense during the second half for two touch downs and two extra points.

With only eight seconds to play and with a score of 22-20, the Matadors lined up for a try for the two points that would win the game for them. They were ahead on penetrations and if the score were tied, the Mata- dors would be declared the win- ners.

Luck was not with them, how- ever, as halfback Luis Moore took the ball and tried a wide sweep around the right end. He could not get around the Eagles half- back Eddie Hunter, top boy of the Chillicothe backfield.

Even in the face of bitter disap- pointment, the Matador Matadors rallied. With less than four sec- (Continued on back page)

## LIONS WILL HEAR HEART SPECIALIST

One of West Texas' most out- standing heart specialists, Mal- colm J. Thomas Jr., M. D., tho- racic and cardiovascular surgeon of Lubbock, will make the prin- cipal address at the regular luncheon meeting of the Matador Lions Club, Tuesday, Novem- ber 1. He will bring a program on the heart and will show slides of the latest research develop- ments.

Dr. Thomas will also bring a program at the Matador High School, 2 p.m. on the same date. Dr. Thomas was born in Baton Rouge, La. and attended Tulane University in New Orleans for his B.S. degree. He then attend- ed Tulane University Medical School. He took rotating inter- nship at Jefferson Davis Hospital, Houston (1956-57). He studied at Baylor University College of Medicine, Houston, as resident in general surgery. He went to Char- lotte Memorial Hospital (Char- lotte, N.C.) as resident in tho- racic and cardiovascular surgery (1962-64), and to the University of Texas M. D. Anderson Hos- pital and Tumor Institute, Hous- ton, as fellow in surgery for a year. He practices thoracic and cardiovascular surgery in Lub- bock.

He is a consultant at Reese Air Force Base, Lubbock, and Veter- ans Administration Hospital, Big Spring.

## Accident Victim has Praise for Sweetwater Residents, Hospital

by Libby Wetzel, Sweetwater Reporter

Joe Meador of Lubbock, hos- pitalized at Simmons Memorial since Thursday, Oct. 13, follow- ing a bus accident two miles north of Wastella (near Lorraine) has only praise for the efficien- cy of the hospital and the friendly hospitality of the people of Sweet- water. When interviewed in his hos- pital bed Friday, suffering from a chest fracture and back in- juries, Meador stated, "Your friendliness started at the scene of the accident when John Schattel stopped and picked up three of us and took us to the hospital."

"Nor did his hospitality stop there," Meador continued. "He notified police, helped us check in the hospital and picked up our luggage. His sister-in-law, Mrs. Eugene Schattel, offered her home to my wife and two chil- dren as long as I am in the hos- pital here."

Meador and six other persons were brought to Simmons follow- ing the accident. Only Meador was admitted. The accident oc- curred when the driver, Lloyd Harold Holt of Lubbock, appar- ently lost control and went across the median. There were 32 pas- sengers on the bus who were picked up by a relief bus from Tyler.

He will be in the States until August, 1967, when he and his family return to Japan for their third time as missionaries, be- ginning in Yoyoqi, a new area of Northern Japan.

## IN GROOM HOSPITAL

Roy Hankins is convalescing in the Groom Hospital following surgery, Saturday Mrs. Hankins and daughter, Patsy, who attends Texas Tech, visited him Sunday. He expects to return home this week.

## HAS HEART ATTACK

A. G. Russell of Waco, former Matador resident and brother of John and Eddie Russell, suffered a heart attack Tuesday of last week, and has been a patient in Hillcrest Hospital. Word has been received by his relatives here however, that he has been trans- ferred to Houston, for heart sur- gery.

## HOME FROM HOSPITAL

Mrs. H. Blevins returned home on Oct. 13, after having spent 67 days in Crosbyton and Plainview hospitals, and having undergone surgery three times. Her hus- band and children, Lewis of Matador, Ray Blevins and family of Hugoton, Kansas; Mrs. Walter Ray and family of Pilot Point and Mrs. Jimmy Rainbolt and fam- ily of Spur, all spent the time alternating at the bedside Mrs. Blevins is convalescing at her home and is reported in good condition.

## MRS. STUBBLEFIELD RETURNS FROM VISIT

Mrs. Myrtle Stubblefield re- turned home Oct. 15 from a six weeks visit in California with a relative. She was the guest of Mrs. Bertha Hickox of Woodland Hills, Calif., and visit- ed in North Hollywood with another cousin, actor Harry Hickox and his wife. Mr. Hickox is one of the stars in the pro- duction, "The Music Man."

## J. W. Dewbre is visiting his son, Jim Dewbre in Grant, Okla.

Mrs. Minnie Smart and Mrs. Jennie Connor of Floydada visit- ed their sister, Mrs. Green Bos- tick, Sunday.

A PICTURE through the painter's eyes is being held by Lonnie Meason, art instructor from Lubbock, beside the sub- jects. Meason is conducting art classes here. The still life pic- ture had been finished minutes before during a lesson at the V.F.W. Building last week.

## Chest Drive is Set to Open Next Month

Meeting of Directors Sets Goal Of \$3,000; Lions Again Sponsor

FIRST DRIVE IN 2 YEARS of the Matador Community Chest will be launched November 15 and continue for 15 days. Pres- ident Billy Wason called a meet- ing of directors (the first since July 21, 1965) and plans were laid for the fund-raising cam- paign. Tuesday afternoon, Direc- tors attending were Raby Webb, J. R. Whitworth, Glenn Wood- ruff, Freddie Welling, Forrest Campbell, Wason, secretary El- bert Reeves and Douglas Meador. Director Bob Stanley was out of town.

The drive will be started at a kick-off breakfast with Matador Lions Club directors, Monday morning, October 31. President Billy Wason said he would pay for the breakfast.

Each of the eight directors will be given approximately 50 cards of contribution prospects. He will select Lions members in teams to help him.

A progress "thermometer" will be erected on the courthouse square, which will show the progress of the campaign. The busi- ness section of Matador will be solicited before the actual cam- paign begins.

The Matador Community Chest area comprises the area of the Matador Independent School Dis- trict. One gift for a year will aid in support of Boy Scouts, Red Cross, Salvation Army, Teen Canteen, local and outside in- digent case needs, and two addi- tional cases. USO and Matador Summer Baseball Program in the past year only \$12.21 has been paid to "outside cases." In the past week more than \$250 has been paid out on local needy cases. Since no drive was made last year, the Community Chest is almost without funds to further aid the needy.

## Every Case Screened

Every case, in which a request for aid is made to the Community Chest, is carefully screened. Not a dime is paid out unless a definite need is established. Not a single dime is paid out in admin- istration of the funds. Every member of the committee works without pay, and also aids in the drive to raise enough funds to operate the following year.

The Community Chest prevents the operation of regular "pan- handlers" who go from door to door soliciting funds throughout the year. They avoid towns that have an active Community Chest.

## Floyd Henderson in Critical Condition

Floyd Henderson is in a criti- cal condition in Quannah Mem- orial Hospital, where he was con- veyed Monday night by Seigler ambulance. He is suffering com- plications from internal injuries received, it is believed, in a fall from a horse on Oct. 14. Mr. Henderson became acutely ill Monday, after again riding horse- back, and upon examination by Dr. Albert Traweek, was taken to Quannah.

Numerous friends have joined the family. Mrs. Henderson and daughter and her husband, Mr. and Mrs. E. A. Day, at the hospital bedside.

## HERE FROM ARIZONA

Mr. and Mrs. Ambrose Meador of Camp Verde, Arizona visited here from Thursday until Sat- ursday with his relatives, including Mr. and Mrs. J. M. Birchfield and several other cousins.

War and Peace is memorable for its characters. There are more than 550 characters in the novel and all of them are highly individualized, animated by their own emotions and inner strivings. The physical and personal details of these people are shown by certain bodily characteristics. For example Tolstoy writes repeatedly in War and Peace about Pierre's clumsiness, the little princess's short upper lip, and Blabin's mobile wrinkles.

Each character is also shown under different conditions, and from various sides so that the reader receives an intimate impression of each.

MEXIA, EARLY 1920'S — For a number of years oil had been produced in the Mexia region of Central Texas, but by 1921 it was the scene of thriving production, hitting some 176,000 barrels a day by 1922.

### Problems Of Small Towns Slated For Study by Special WTCC Panel

ABILENE — C. L. Cooke, president of Community Public Service Company, Fort Worth, has been named to head a West Texas Chamber of Commerce Special Task Force to study the problems of West Texas small towns. John Ben Shepperd of Odessa, president of the organization has announced.

A "blue ribbon" panel of 25 West Texans, to be named shortly, will conduct an in-depth study and evaluation of the problems, resources and potentialities of towns under 12,000 population. Seventy-one towns in this category have lost population during the past 10 years.

"Too many people", Shepperd said, "are willing to write-off small towns but we cannot do this if we want West Texas to grow and prosper."

The study to be made will include exhaustive research, sur-

veys, conferences in Austin and Washington and town hall type meetings and hearings in small towns of West Texas. The hearings will develop ways and means of utilizing existing assets and methods of accenting the cultural, educational, recreational and industrial opportunities of the smaller towns.

The Special Task Force is a group for planned action and not an academic study, according to Shepperd. The group will seek to determine what the small town has and what it is possible for them to have; what assistance is needed, if any, from the State and Federal governments; what the metropolitan areas may do to assist small towns within their spheres of influence; growth patterns of small towns and the reasons for losses of gains; the development of criteria as to

what an aggressive small town, with proper leadership, can expect in the way of industrial development, tourism, cultural development and retention of young people in their community. The study will also evaluate available Federal programs and services as well as those possible aids from the State agencies that will be helpful in attaining the goals set by the individual city.

In the formation of this important Task Force President Shepperd said "Small towns are our last citadels of graciousness and true hospitality. They have been and will continue, with help, to be an important element in West Texas' economy, characteristic of the democratic way of life in which a man is free to make choices and achieve security through his own efforts."

The results of this study, which will be completed by March 31st, will be summarized in a "White Paper" published by WTCC. This publication will be distributed to leaders in small towns for guidance in their action programs and to enable them to utilize their assets.

Shepperd expressed hope that this study will also serve as a model for the whole country and could be a basis for possible state and federal legislation.

"West Texas is fortunate to

### OLD STONE FORT Nacogdoches

The Old Stone Fort standing on the campus of the Stephen F. Austin State Teachers College at Nacogdoches is generally believed to have been built during 1779 or 1780.

It has been held and garrisoned at various times by Spain, Mexico, the Republic of Texas, the Confederacy and the United States.

It was truly an outpost in the wilderness!

Nacogdoches itself, one of the four oldest civilized settlements in Texas, was named for the Nacogdoches Indians. Here in 1716 the Spaniards established Mission Nuestra Señora de Guadalupe around whose deserted buildings Nacogdoches was permanently established in 1779.

secure the services of an outstanding leader like C. L. Cooke to head up this important study", Shepperd said. "His background as an industrialist and civic leader will enable him to do an outstanding job."

The West Texas Chamber of Commerce just completed its 13th Annual Industrial Development Conference which was devoted to the industrial growth potentials of small towns and will sponsor a similar meeting in January designed to point up the possibilities of small towns at attracting more tourists.

### COUNTY AGENT PALLMEYER SAYS:

Special entertainment and demonstrations will add a new dimension to Texas A&M's annual Horse Short Course Nov. 6-8. Tentative plans call for a Shetland show, polo game, and performance demonstrations with a wide variety of horse types.

Probable areas to be covered are: relationships between stud manager and mare owner, buyer and seller, owner and veterinarian, owner and insurance company, owner and trainer. Other topics include nutrition, genetics, reproduction; settling mares, including pasture breeding; hand breeding and artificial insemination.

Also included will be information on immunization, internal and external parasites, cystitis and lameness.

Additional information is available for the asking.

The name of Lucy Reed, Flomot, who received a white award in the District Junior Record judging was omitted from the previous list of winners from Motley County.

Save planting seed from afternoon harvested cotton if you want seed with a lower moisture content that will keep better until planting time. Seed cotton harvested early in the morning with a high moisture content cannot usually be stored successfully.

Storing cotton seed with above

12% moisture often results in heating, spotting and other quality destruction when planted. Lower germination when planted. Cotton gins best at a lint moisture content of about 7 1/2%, so machines should stay out of the fields until relative humidity is below 60% and heavy dews are gone.

As a rule of thumb, harvest cotton only between 8 a.m. and 7 p.m., saving planting seed only from afternoon harvested cotton. Holding high moisture cotton on trailers for long periods of time under crowded conditions lowers the grade, price and profit, for another reason to delay harvest when conditions are not favorable.

Research is continuously proving ways for the farmer to increase his income. If cotton seed saved have not germinated properly, or if your grades are below what you think they should have been, why not go along with research findings on moisture content as a way to increase profits?

THE MOST IMPORTANT 21 WORDS IN PEST CONTROL. Read entire label. Use strictly in accordance with label cautions, warnings and directions, and in conformity with federal and state regulations.

From time to time you hear of a person failing to control bollworms. In most of the cases a check will show that the individual waited too long to start controls. It is just human nature to wait until the worms are of good size before starting, but if this is the case, you had just as well forget about applying controls.

Bollworm larvae feed about 3 weeks, starting on the young tender forms. As they grow in size and age, they attack larger fruit, and as a method of proving this, when you find a large worm in a grown boll, look on the stalk where the worm was found and see if he hasn't already ruined most of the squares, blooms and young bolls above the place where you found him.

If you want controls, don't wait until this stage to start applying insecticides. When you can find 5 or more small worms about the size of a pin, and about 1.8 in. long per 100 plants, it's time to start.

The 4-H Club Wildlife group

will meet in the courthouse at 7:00 p.m. Monday night Oct. 31st. Game Warden Ronnie Vandiver will be in charge and plans to show a wildlife film.

Six 4-H members exhibited lamps in the Floyd County fair, with Loretta Thompson of Matador placing first in the Senior Study Lamp Division; Paula Pallmeyer, Matador, 1st in the Junior Study Lamp Division; and Kay Cooper, Matador, 1st in the Junior Decorative Lamp Division.

Danny Jones, Flomot, received a blue award in the Junior Decorative Lamp Division, and James Irwin, Roaring Springs, received a red award in this division. Jackie Irwin, Roaring Springs, received a red award in the Junior Study Lamp Division. The contest was sponsored by the Lighthouse Electric Co-op, Floydada.

All entries from Motley County were exhibited in the West Texas Utilities show window 4-H Club Week.

### Jehovah's Witnesses At Training Program

"Mankind's greatest need is a new system of things completely denuded of all the old paganism of a three-day training program of Jehovah's Witnesses held recently in Fair Park, Lubbock.

The purpose of the training circuit assembly was to give the goal to "Becoming Spirit Men with Everlasting Life View."

V. D. Tiffin, supervising pastor of the Quittaque Congregation, said, "We look forward to sharing the spiritual gifts received at the Lubbock assembly with one another and our men."

 Mrs. L. B. Turner, Flomot

**CARD OF THANKS**

We wish to thank our friends  
 and neighbors for the lovely  
 cards, telephone calls, flowers,  
 fresh vegetables and other food,  
 and all your concern for us and  
 Mrs. Minnie Springer during her  
 long illness and at her death.  
 May your deeds of kindness to  
 us bring each of you many re-  
 wards.  
 Marian and Burnis Burt, Afton

**IN APPRECIATION**

We are taking this means to  
 thank each and everyone who  
 were so wonderful to us during  
 my 67 days in Crosbyton and  
 Plainview hospitals. Your visits,  
 phone calls, cards and letters,  
 flowers, prayers, food for our  
 deep freeze and also food you  
 prepared for Harvey and Lewis,  
 and since my return home, have  
 all been appreciated so much by  
 each of us. Please accept our  
 sincerest thanks.  
 Mrs. H. Blevins, Harvey and  
 Lewis

**CARD OF THANKS**

Your many gestures of sym-  
 pathy and friendship during the  
 extended illness and at the death  
 of our loved one were appreci-  
 ated more than we can ever tell  
 you. We do want you to know  
 of our heartfelt gratitude for the  
 many cards, lovely flowers, food  
 prepared and donations of mon-  
 ey; and for your visits to the ho-  
 spital during Mona's stay there.  
 For these, and all other kindnes-  
 ses, we sincerely say thank you,  
 and may God bless you.  
 The Terry and Clifton Families

**CARD OF THANKS**

The cards, memorials, flowers,  
 food, telegrams and other expres-  
 sions of sympathy from church  
 groups, Future Homemakers and  
 Young Homemakers, the High  
 School faculty and individuals,  
 at the death of our loved one,  
 were deeply appreciated. We  
 wish to take this means of thank-  
 ing each of you who remember-  
 ed us in any way.  
 Mr. and Mrs. A. L. Fair (2)
