1984 Cotton Program Provisions Should Have Two Objectives

Provisions of the 1984 cotton program, according to Plains Cotton Growers, Inc., Lubbock, should be aimed at two major objectives—a year-end balance of supply and demand plus reasonable protection for producer income.

To reach these goals the PCG Executive Committee August 31 developed eight specific program recommendations. The U.S. Department of Agriculture asked for comments on the 1984 cotton program in the August 5 Federal Register, giving interested parties until October 4 to respond. An announcement of final decisions is expected no later than November 1.

Although USDA's options with regard to the loan level, target price and acreage control are severely limited, says PCG President Tommy Fondren of Lorenzo, "we believe our recommendations will help to prevent a buildup of cotton stocks and at the same time give producers reason to hope for a profitable year in 1984."

PCG's comments will call for USDA to take the following actions.

1. Set the loan rate for 1984 at the maximum level permitted by law. (It now appears that loan-setting formulas in the Food and Agriculture Act of 1981 will mandate a loan at the statutory minimum of 55 cents per pound).

2. Abandon its proposal to freeze the target price for 1984 and 1985 at the 76-cent level in effect for 1983, allowing a target price increase to 81 cents in 1984 as scheduled in current law.

3. Make advance target price deficiency payments available to producers in 1984, as was done in 1983, to aid with production financing and encourage program participation.

4. Announce a 30-percent acreage reduction program, in which producers will be paid for one-half the reduction at a rate sufficient to secure a high level of participation.

5. Hold open the option to announce a payment-in-kind program for 1984 similar to the 1983 program, recognizing that a substantial reduction in planted acreage, if needed, can only be assured with an attractive PIK program that overrides the payment limitation that exists under the current law.

6. Continue the upland seed cotton loan program to facilitate the use of cotton modules.

7. Make no change in 1983 regulations as they pertain to offsetting compliance.

8. Maximize the use of credit guarantees, blended credit programs, the export credit revolving fund and all other means available to encourage U.S. exports of raw cotton.

Motley Co. Matadors Defeated By Paducah

With several key players out with illness and injury, the Motley County Matadors were defeated here Friday night, losing to a powerful Paducah Dragon team 58-12.

Paducah tailback Thad Irons scored five touchdowns for the Dragons, three in the first half.

Darrell Moore scored once in the first half for the Matadors, and at halftime Paducah led 19-6.

Paducah scored 27 points in the third quarter and 12 in the fourth.

Moore scored once more in the second half to make the final 58-12 before a stunned

hometown crowd.

The Matadors' next game will be at Valley as the Matadors take on the long time rival Patriots, beginning at 8 p.m.

Motley County fans are urged to turn out to support the Motley County football team.

Other scores of interest in class 1A last Friday night were Amherst 12 -- Springlake 0; Anton 25 -- Hart 6; Lazbuddie 23 -- Smyer 12; Meadow 19 -- Sudan 6; Nazareth 14 -- Lubbock Christian 8; Whitharral 50 -- Silverton 12; Albany 19 -- Knox City 14; Bovina 20 -- Happy 14; Crosbyton 3 -- Valley 0; and Spur 6 -- Jayton 6.

Red Cross Seeking Donations

The American Red Cross has launched an emergency appeal for funds to assist the victims of Hurricane Alicia in the Gulf Coast area, and the Motley County Chapter is appealing directly to our county residents for funds to help in this emergency. Due to the size of the relief efforts, a Texas disaster campaign goal of \$2 million has been established.

According to reports received from Red Cross Disaster Headquarters in Houston, damage is extensive with 12,524 dwellings affected. Red Cross has had as many as 109 shelters opened since the hurricane hit the coast, and 22,650 persons have been given temporary shelter. Latest Red Cross survey figures place the number of dead at 17 with 3,904 injured and 23 still hospitalized. 2,800 Red Cross

volunteers are serving with 194 Red Cross staff to supply the needs of victims. Presently 37,000 meals are still being served daily as compared to 201,733 daily at the peak of the emergency. Over 62,500 victims and emergency workers have received mass care from Red Cross in the form of food, shelter, clothing and medical care.

Motley County chapter chairmen said that all contributions will be used to help our fellow Texans who are in need due to this hurricane. He urges all county residents to come to the aid of the many desperate families there.

Make checks payable to "American Red Cross Disaster Relief" and mail to Billy Wason, Drawer F, Matador, Texas 79244 or Rachel Patton, Box 116, Matador, Texas 79244.

Postal Service Notice

The U.S. Postal Service is seeking a suitable site upon which to build a new post office building at Matador, Texas.

The preferred area for the site consideration is: Bound on the north by Newlin, on the south by Lariat, on the east by Campbell, and on the west by Bundy.

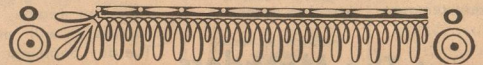

Minimum size is 17,250 square feet or a lot with dimensions of 115'x150'.

Copies of the advertisement for sites may be obtained from the postmaster at Matador, Texas.

Property owners are asked to submit their site offerings no later than October 6, 1983, to: Harold Robbins, Realty Management and Acquisition Analyst, Field Real Estate and Buildings Office, U.S. Postal Service, P.O. Box 239, Dallas, TX 75221-0239.

Roadside Parks, Rest Areas Not To Be Used For Camping

Signs informing travelers and tourists that it is now against the law to camp in state-maintained roadside parks and rest areas soon will be appearing at these locations.

House Bill 675, spawned as a result of flagrant abuse of rest areas and parks over the past few years, has made it illegal to erect tents or other structures without a permit, or to remain in roadside parks, rest areas, comfort stations or picnic areas for more than 24 hours. Fines ranging up to \$200 can be assessed violators. Permits will be granted only in the instance of rest area "travelers' breaks" sponsored by

approved civic or community service organizations.

State Department of Highways and Public Transportation maintenance forces have begun erecting signs apprising the public of the new law which went into effect August 29. Signs are expected to be in place by the last of September.

Mark Goode, engineer-director for the department, said the use of roadside parks "is intended to provide a welcome respite from the rigors of driving." He said the facilities are "not designed for long term use by motorists, but primarily are designed as a safety measure and as a

convenience to the traveling public."

The new signs will enable law enforcement personnel to warn travelers that the new law prohibits camping and that penalties will be enforced. Prior to 1983, Texas law made

no provision for prohibition of unauthorized use of these roadside facilities.

Several instances of abuse have been cited as precedents for getting the legislation in force.

News Of Local Interest

Mrs. Joe Meador and daughter, Mrs. Freida Maxey of Paducah, visited here Saturday with their sister-in-law and aunt, Mrs. Douglas Meador.

Cindy Johnson

Cindy Johnson Receives Scholarship

Cindy Lee Johnson, daughter of Mr. and Mrs. Charles N. Johnson, has received the Don and Sybil Harrington Honor Scholarship at West Texas State University, Canyon for the third straight year. Cindy is a graduate of Motley County High School.

More than 400 beginning freshman students at West Texas State University from seven states have been awarded a \$200 Don and Sybil Harrington Scholarship for the 1983-84 academic year.

Scholarships are awarded each year to students who will attend WTSU as freshmen and who were members of high school National Honor Society chapters or similar organizations.

Don and Sybil Harrington Honor Scholarships were begun in 1979 with an endowment from the

Don and Sybil Harrington Foundation of Amarillo. Additional grants have grown to a total endowment of \$1.2 million and students are eligible to retain the scholarship for four years at WTSU.

The scholarships are renewable each year if the student maintains a 3.0 grade point average on a 4.0 scale.

Don and Sybil Harrington honor scholars may receive an additional President's Honor Scholarship if they score 28 or more of a possible 36 on the American College Test or 1,220 points of a possible 1,600 on the Scholastic Aptitude Test college entrance examinations. They receive an additional \$100.

A competitive scholarship of \$200 or more at WTSU waives out-of-state tuition which often is 10 times greater than in-state costs.

Mulshoe Rites Held For T. B. "Biddy" Hicks

Services were held for T. B. "Biddy" Hicks, 76, at 4:00 p.m. Saturday, August 27 at the First Baptist Church in Mulshoe. Hicks died August 26 at West Plains Medical Center in Mulshoe.

Officiating at the services were the Rev. E. K. Shepard, assistant pastor at First Baptist Church, Brownfield and the Rev. B. C. Stonecipher, pastor of Longview Baptist Church of Mulshoe.

Burial was in Bailey County Memorial Park in Mulshoe under the direction of Ellis Funeral Home.

Mr. Hicks moved to Mulshoe in 1954 from Afton in Dickens County. He was born

September 4, 1906 in Afton.

Hicks was a retired farmer and car salesman. He married Martha Patterson on July 10, 1932 in Jayton. She preceded him in death in April of 1981.

Hicks was a member of the First Baptist Church of Mulshoe and was a deacon of that church. He was also a member of the Mulshoe Masonic Lodge.

Survivors include two sons, Tommy Hicks of Grand Prairie and Jerry Hicks of Mulshoe; two daughters, Mrs. Rosemary Smith and Mrs. Coralynn Jarman, both of Lazbuddie; eleven grandchildren and one great-grandchild.

Roaring Springs Senior Citizens News

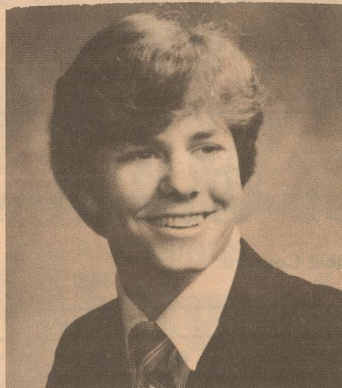

Roaring Springs Senior Citizens met Thursday at the center for the regular monthly covered dish lunch, and as always, we had a table full of delicious food.

Business meeting was called before lunch by the President, Beth Hinson. Sec-Treas. Eva Mitchell read the minutes from the last meeting, then gave the financial report. After that we sang "The More We Get Together."

Birthdays were recognized and the honorees were sang to.

After lunch our guest, County Agent Ray Minkley, brought the program on trees, shrubs and grass. Kinds for this county to set out and how to care for them. He also told us about a three day trip in October to the 4-H camp at Brownwood for Senior Citizens 55 and up. If interested, call him or your outreach worker for information.

We would like for any senior citizen to join us the first Thursday in Nov. for a fun day at Roaring Springs Center.

Jon Mayo

Jon Mayo Named Outstanding Ag Student

Jon Mayo, son of Mr. & Mrs. William Mayo of Afton was recently named winner of the 1983 DeKalb Agricultural Accomplishment Award.

The award, sponsored nationwide by DeKalb Ag Research, Inc., is presented to the senior agriculture student attaining the highest degree of proficiency in scholarship, leadership and a supervised agricultural program.

Jon attended Patton Springs High School where he was past president of local FFA Chapter. His agricultural program consisted of sheep, Cornish Rock

chickens, and pigs. He was awarded a pin as this year's DeKalb Accomplishment Award winner as outstanding senior agriculture student in the local chapter.

This year Jon plans to attend Asbury College in Wilmore, Kentucky where he will major in computer science.

DeKalb is a leading supplier of hybrid seed, poultry and swine breeding stock, irrigation equipment and grain and livestock marketing services. The company maintains the largest commercial genetic research program in the world.

completed the seven. This was the first time for all to be together in eleven years.

The Old Settlers was enjoyed by all, as well as the Springs Ranch swimming pool, the river, and the golf course. Lamar was the first to leave, Friday evening, as he had another family reunion to attend Saturday in Colorado. The visit was concluded on Sat. night with the whole family eating out at the Steak House on the golf course. Raworth compli-

mented Mrs. G. Ashley on the food, especially the salad bar, stating it is equal to the best in Chicago.

With the exception of Steve, everyone left at various times Sunday, including Bunni and Julian packing up and going to college--Bunni to Texas Tech and Julian to West Texas.

Steve stayed until Wednesday, because he had to finish his promise -- to wash every window in the house. And he did--all 43 of them.

Lubbock Homes Tour Set For Sept. 18th

The eighth annual LUBBOCK HOMES ON TOUR will be sponsored by the Lubbock alumnae chapter of Zeta Tau Alpha on Sunday, September 18th from 2:00 to 5:00 p.m. You may walk through five of Lubbock's most attractive homes and offices. Two of the homes built in the early 1900's have been restored to help preserve Lubbock's heritage. Also shown will be some of the newest designs and interior decorating skills in homes which have been built or remodeled within the last year.

Included on the tour are the homes and offices of: Episcopal Diocese of N.W. Texas (The Bacon House) at 1802 Broadway, Allen Henry Insurance at 3415 19th Street, Mr. and Mrs. Bob Johnson at 4814 Whisperwood Blvd., Mr. and Mrs. William Pasewark at 4403 11th Street, and Mr. and Mrs. Michael Abbott at 4701 16th Street.

The Bacon House,

built in 1916, is the first Lubbock building to be designated as an historical landmark by the city, state, and national Heritage Society. It represents the dedication to neoclassical architecture typical of southern "gentry" during the early 1900's.

Another outstanding feature shown on the tour this year, is a passive solar energy kitchen in the Pasewark home.

Tickets may be purchased for \$2.50 in advance or for \$3.00 at the door of any home. All proceeds benefit the Lubbock State School and the Zeta Tau Alpha Scholarship Fund. Tickets, which are tax deductible may be purchased through Hemphill Wells at the South Plains Mall or Dunlaps in the Caprock Shopping Center. For further information or to purchase advance tickets, please call Gayle Sandig at 806-745-1337 or Carol Barton at 806-794-4165.

Instant Household Hints

By Catherine Henderson

1. To make curtains last longer put curtains or panels into a pillow case. Tie string around the pillowcase before tossing into the washer.

2. If you are severely burned, you will run a temperature. Be sure and eat salty peanuts. This makes you consume more water. Water will help prevent tempera-

3. If muffins brown too quickly around the edge, the next time omit the muffin mix from one cup section and fill it partly with water.

4. If a person removes limbs from a tree, be sure and paint where the limb was removed with nursery paint, or the tree will bleed to death.

Smiley Family Reunion Held In Friona

Mr. & Mrs. Buch Marshall attended the Walter and Mattie Smiley family reunion at the Senior Citizens Center in Friona, Sunday. There were twenty families represented. Mrs. Bud (Artie) Smiley of Friona,

formerly of Roaring Springs, was the only living of the elder Smileys' children and in-laws.

The Smileys lived in the Duncan Flat and Roaring Springs communities.

Social Security In Motley County

By Terry J. Clements

Many people are asking about a 1983 change in the Social Security law that gradually increases the age for all retirement benefits from 65 to 67 in the next century. They wonder why this was done and how they may be affected. This change is part of legislation designed to restore financial stability to the program and will be phased in over the next two decades. People born in 1938 will be the first to feel the impact by having to wait 2 extra months for full benefits. The age 67 standard will be fully implemented when those born in 1960 reach retirement age.

The question of whether this change is fair to younger workers can be answered largely by looking at longevity tables. When the first Social Security checks were paid in 1940, the "normal" retirement age was 65; and it will remain so the rest of this century. In 1940, the average male

retiree could expect to live and draw benefits about 12 years past 65; the average woman could expect to do so for about 14 years past 65.

Today a man can expect to live about 14.5 years and a woman over 19 years past 65. When the new Social Security retirement age is phased in, longevity will have increased over 2 more years for men and well over 3 additional years for women. Thus, the average future retiree will draw full payments longer than today, even though they start later.

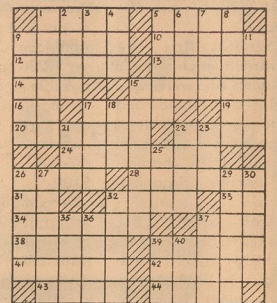

A person can still receive reduced benefits as early as 62 once the retirement age for full payments increases to 67. However, the benefit will decrease from the current 80 percent of the full benefit at age 62 to 70 percent. There has been some concern about the fairness of the increase in retirement age for people that have done hard physical work most of their lives who find it difficult to continue.

Sunday School Convention Set

A State Sunday School Convention will be conducted at First Baptist Church in Lubbock, Sept. 22-23.

Sponsored by the Texas Baptist Sunday School Division, the convention is designed for all Sunday School workers, adult Sunday School class members, pastors, ministers of education, age-group specialists and other church staff members.

More than 40 age-group conferences and more than 45 special-interest conferences will be offered. Several of the special-interest conference topics will deal with program areas other than Sunday School and include the Christian Life Commission, Church Building and Support, Church Extension, Church Training, Evangelism and Stewardship.

This two-day convention will provide more in-depth learning experiences than have been possible with the

regional conventions conducted in the past. The convention was planned so those involved in Sunday School work could spend more time studying and learning about his/her particular needs.

The state convention also was planned to give emphasis to Sunday School work among ethnic groups. At the Lubbock convention, conferences for Hispanic, Korean and Black church leaders will be offered. Featured speakers at the convention will be William M. Pinson, Jr., executive director, Baptist General Convention of Texas, Dallas, and Kenneth L. Chafin, pastor, South Main Baptist Church, Houston.

There is no registration fee for the convention which begins at 1:30 p.m. on Thursday, Sept. 22. The convention will conclude at 2:45 p.m. on Friday, Sept. 23.

THANK YOU

We would like to thank everyone personally for all the help we received during Bryan's accident, but there have been so many wonderful people that I'm afraid I would miss some.

We would like to extend a very special "Thank you" by Roy Tippin. We feel he played a very important part in Bryan's recovery.

This has been such a long drawn out stay that I don't think we could have endured it without all the prayers, calls, cards, visits and donations. We cannot put into words how much we appreciate everyone's help.

I would also like to thank my family for all their love and support through this.

Bryan was released from the hospital Aug. 30. He is limited in physical activity for the next month, but otherwise doing real well.

Thanks a lot,

Presenting Champion's affordable housing dream.

Manufactured homes by Champion aren't only affordable, but a wise housing investment—especially compared to renting.

At Champion, we manufacture well-insulated, high-quality homes with name-brand materials, but without the high price tag. That means a low down payment and low monthly payments for you.

A large selection of floor plans offer up to 1,500 sq. ft. of living space. Plus, standard features like carpeting, drapes and a name-brand range and refrigerator help make your affordable housing dream come true.

Let us put you in touch with your closest retailer. We have over 1,500 coast-to-coast.

Our home brands are: Atlantic, Champion, Concord, Huntington,

Manatee, Metamora, New Haven, Piedmont, Sequoia, Sunview, Tamarack, Titan, Wolverine and Woodlake.
