## Matador Remains Dry After Liquor Election

The City of Matador will remain a dry territory it was decreed Saturday in a local option election called for by a recent petition to legalize the sale of all alcoholic beverages for off-premise consumption only.

Those opposing the issue voted almost two to one to defeat the proposition, with 161 voting for and 275 against the option. The 436 votes polled was

declared a record for a Matador election, since the potential number of qualified Voters is estimated at between 450 and 460.

City officials pointed out that this was not a municipal election, as nothing concerning city government was involved.

Legalized sale of alcoholic beverages has surfaced previously on a county-wide

basis. Historically, one of the first three enterprises here after the town was organized in 1891, was the Dew Drop Saloon, a one room structure on the corner where the First State Bank is now located. It was closed as a result of a local option election held Dec. 5, 1893.

According to Matador Tribune files in July 1952, "since that time Motley County has remained dry theoretically, apparently and politically, except for a brief period following the repeal of prohibition, when beer was sold in two or three cafes."

Pastors and ministers in the county banded together to form the Ministerial Brotherhood of Motley County in an effort to once and for all ban the sale of liquor by means of the local option election. This later resulted in the organization of the United Motley County Dries during a mass meeting at the courthouse, in a concentrated effort to stem the threat of the county's return to a wet status following the local option election which had been called for July 5 (1952).

It was pointed out that names on the petition for last Saturday's election did not necessarily mean that they were in favor of the sale of alcoholic beverages, but were willing to see it brought to an election. A telephone campaign on the part of those opposed to the issue was believed partially responsible for the large turn out of voters.

**WHOO-WEE! WHAT A LEMON**-Pauline Smith brought ...is 3 1/2 pound, 12 inch round lemon from California recently. It was grown in the back yard of her nephew, Wilbur Richardson in LA. Mrs. Smith was there to visit her son, Henry Jones. She was accompanied on the trip by her three daughters, Linda Daniel of Dallas, Thresa Riley of Amarillo and Sharlene Smith Britian of San Angelo. The ladies caught a plane out of Amarillo on August 19th to make the trip.

## PCA Officials Attend Conference

The chief executive officer and directors of the Rolling Plains Production Credit Association joined approximately 200 other Farm Credit officials attending the 1984 PCA Directors and Presidents Conference held September 6-7 in Austin.

Representing the association were R.C. Cobb, president, and directors W.J. Boykin of Northfield, Dan Henard of Wellington and Garon Tidwell of Munday.

The purpose of the conference, held annually, was to provide a forum for Production Credit Association CEOs and boards of directors to discuss present and future matters concerning Farm Credit.

Featured speaker for the occasion was Gary Schwendiman, dean of the College of Business Administration at the University of Nebraska. Schendiman's topic was "The Roll of Financial Institutions in a Changing Environment."

Other sessions included discussion of Project 1995 and reports of various operating groups and committees.

Project 1995 is a nationwide study conducted by the Farm Credit System to assess its operating environment in the 1990s. Results will provide a basis for strategic planning in

each of the 12 Farm Credit districts.

Larry D. Shepard, chief operating officer of the Federal Intermediate Credit Bank of Texas, concluded the program by reviewing conditions in Texas, the Tenth Farm Credit District.

Rolling Plains PCA is a member-owned, agricultural finance cooperative which serves the credit needs of 1,032 farmers and ranchers in 17 counties.

Rolling Plains PCA is one of 28 PCAs in Texas. Collectively they serve more than 15,000 agricultural producers and aquatic harvesters. Last year more than \$2 billion was loaned through PCAs in Texas.

PCAs have been a source of agricultural credit since 1933. Nationally they serve the credit needs of almost 341,000 farmers, ranchers and commercial fishermen, with more than \$19 billion in loans outstanding.

#### SUPPORT OUR KIDS

Everyone is invited to support the Motley Mavericks in their first game this Thursday, Sept. 13, at 6:30 p.m. at Valley. The Motley Co. Matadors will travel to Kress Friday night to play the Kangaroos at 8:00 p.m.

## 4-H Awards Banquet Set For Oct. 9th

The annual 4-H Awards Banquet is coming up October 9th. An Adult Leaders meeting has been set up to plan the banquet. It will be held September 18, in the Summit Savings building at 7:30 p.m. All 4-H parents and leaders are urged to attend.

High school age 4-H'ers that would like to be eligible for the

4-H Gold Star award must have your complete Record Books turned in by September 27.

To be eligible for county awards in each project area, a 4-H Project Record form must be turned in by October 2nd.

If you need any of these forms or help with them, please call the County Extension Office.

### Matadors

#### Loose 38-0

#### But Have Bright Spots

Although the Motley County Matadors were defeated 38-0 last Friday in Paducah, the score was not a true picture of the game.

When coach Moe Eddleman was asked how he felt about the game he said "We had several good individual plays." But the bright spots never took the Matadors across the goal line.

The coaching staff voted Chad Stephens defensive player of the game. He intercepted one pass and made several key tackles. Rodney Doran was the offensive player of the game, leading MC in yards rushing with 45 yards. Doran had one kickoff return for

35 yards.

Freshman Les Woosley also had an outstanding game on defense and playing good games on offense were Richard Potts, John Meador and Mickey Zarate.

The Matadors are still a young team, growing in experience and football knowledge. The fans are urged to support these young men as they play Kress next week there, starting at 8:00 P.M.

The next two games for the Matadors are on the road, so an extra effort must be made by fans to back the home team.

**POST OFFICE OPENING**-Roaring Springs Postmaster Lula Swim has announced the opening of the new post office and says patrons need to come by the new location on Friday, Sept. 14, from 9 am to 1 pm.

## Homecoming Plans Underway

Plans for Ex-students and Teachers Association's annual Homecoming are underway for Matador High School and Motley County Schools, it was announced following a meeting of the executive board last week.

Dates for the event, October 19-20, were set last spring prior to the May 1, tornado that destroyed the school plant.

Letters to the exes living outside Motley County will be mailed this week, outlining the activities which will begin with registration on Friday the 19th, at 1 p.m. at the grade school building, and continue until 5 o'clock.

The homecoming football game will be between the Crowell Wildcats and Motley County Matadors, starting at 7:30 p.m. on Burselson Field.

A pre-game chili and stew supper will be served at the Fire Department by the Matador

Volunteer Firemen. The Homecoming supper on Saturday evening also will be at the Fire Department.

Saturday's schedule starts with registration at 9 a.m. at the Fire Department, where the former students and teachers will assemble for fellowship and the afternoon program and business meeting which will start at 3 p.m. A dance Saturday night will close out the activities.

Mrs. H.R. Jameson (Earlyne Laughlin) will be in charge of the program, with John M. Russell serving as master of ceremonies.

In addition to these, other officers and directors attending the planning meeting were Sybil Scaff Barton, Josephine Moore Hamilton, Joy Martin Archer, Pat Briscoe Warren, Dixie Nimmo Johnson and the secretary, Hazel Walton Danovan.

## Boosters Hold Meeting, Discuss Facilities

The Motley Co. Athletic Booster Club held its first meeting Monday, Sept. 10, in the school's agricultural room.

Charlie Johnson reported on the progress of the repairs to the Athletic facilities. The electrical work to Burselson Field will be completed by the first home game, Sept. 28. Also, the tennis court lights will be repaired. To help protect players from sliding into parked cars, a 4 ft. cyclone fence will replace the destroyed cable fence surrounding the field.

School officials are hoping the donations received by the athletic fund will cover these repairs and future donations can

be used to replace the destroyed track equipment and repair to the old gym. Repairs to the Baseball Field are being planned by several local organizations.

Officers elected for the coming year are: Dell Bearden, President; Ron Richards, Vice-Pres.; Barbara Christian, Sec-Tres; and Dorothy Webb, reporter.

The coaching staff reviewed the Friday night game with Paducah. Charlie Johnson gave a scouting report on the Kress Kangaroos.

The weekly Booster Club meetings are scheduled for Tuesday nights at 7:30 p.m.

## Boosters Thank Donors

The Motley Co. Athletic Booster Club would like to publicly acknowledge and thank the following donors for funds received this week by the M.C.I.S.D. General Fund to aid the rebuilding of the school, Mr. & Mrs. Duke Lipscomb, Mrs. Alvin Stearns, and the South Plains School Board Assn.

In a letter received with the South Plains School Board Assn. donation, Tom Hardy, treasurer

said, "Mr. Bobby Poyner of Roosevelt Co. I.S.D. made a motion to give Motley Co. I.S.D. a check for \$5,000.00 to help with the costs incurred by the second tornado." The motion was recorded and passed by the majority of the school districts.

A very special "Thank You" is extended to Vaden Hayes for repairing the students Victory Bell.

### The City Is Safe!!?

Once more the city is safe, no liquor, nor beer, no new businesses, no anything. Just the same dying old town.

We can all go crouch back into our shell, we have saved the town.

That's what we think! Truth is

all that voted against the legal sale of liquor and beer voted for bootlegging, drugs, and drinking all hours of the nite. That's at nite, and no one sees this, so that's okay, I guess. Yours truly,

## FREE OFFER OF HISTORIC STAMPS

Few things are more highly prized by stamp collectors than finding a rare and historical stamp. When five historical Olympic stamps are offered free, that is a rare treat. Happily, that offer has been made and it is causing mounting anticipation among stamp collectors.

Interestingly, the first commemorative postage stamps to depict sporting events of any kind were issued by Greece on April 6, 1896 to honor This series of twelve stamps bearing eight different designs is now a rare collectors' item. The designs, drawn and printed in France, showed contests from the Ancient Games.

In 1906, Greece issued a second set of 14 stamps for the unofficial Interim games. The next nation to issue Olympic stamps was Belgium in 1920. Since then, the host country of each Olympics has issued stamps, along with those of many other nations wishing to honor great athletes and the Olympic spirit.

Such stamps are prized by philatelists—stamp collectors—and sports lovers alike, but have often been difficult to find. Now, for the first time, stamp collectors and Olympic fans have an opportunity to acquire 50 historic Olympic stamps, as part of a beautiful package that includes an album featuring an authoritative text that tells the history of the Olympic Games. The stamps are all out-of-issue and can be very difficult to obtain otherwise. They are as much as ten, 20, even 50 years old and are all in

## Leased Hunting Land Can Provide Income

by Joel Holt

The Soil Conservation Service in Matador receives many calls each year about hunting opportunities in Motley county. Leasing land for hunting is another way to receive additional income from your land, with very little effort. You can make your land more appealing to hunters with some type of wildlife habitat management.

Habitat management can be as simple as leaving brush along fence rows, to as complicated as spraying whole pastures in a planned pattern. The main objective is to have food and cover for the desired animal. It just depends on how intense you wish to become, but the end

result can mean more income from your land.

The Soil Conservation Service in cooperation with the Upper Pease Soil and Water Conservation District is now making a list of hunting leases in Motley county, for distribution to potential lessors.

If you would like to lease your land contact our office in the Matador court house. As calls are recieved we will provide the list of available leases, and the hunters can contact you. If you would like more information on leases, or if you would like some tips on wildlife management for your own enjoyment, call or come by the Matador Soil Conservation Service office.

## French Peach Of A Dessert

At one time the dessert course was always awaited with sparkling anticipation. Yet, nowadays, more and more people have misgivings about indulging in sweets. A thoughtful hostess tries to select a light, refreshing dessert that will blend with her menu. Here is one we'd like to recommend—Pêches Mont Blanc, fresh peach halves filled with a fluffy, tangy French cheese and Armagnac mixture.

French triple crème cheeses—Brillat-Savarin, Explorateur, Saint-André, Boursault or plain Boursin—are delicately mild cheeses with a tart aftertaste that make a perfect flavor fillip. And Armagnac, the oldest of the French brandies, adds its spirited, distinctive accent.

For an extra-special touch, serve the famous French dessert wine, Sauternes from the Bordeaux region... a perfect companion for peaches!

### PECHES MONT BLANC (Makes about 6 servings)

- 1/4 lb. triple crème cheese
- 2 T. Armagnac
- 2 T. confectioner's sugar
- 6 fresh (or canned), peeled peach halves
- Fresh lemon juice
- 1/2 cup finely chopped pistachio nuts

Combine cheese, Armagnac and sugar. Mix until cheese is very fluffy. Use mixture to fill peach hollows. If using fresh peaches, brush all surfaces with lemon juice. Chill until ready to serve. Sprinkle with chopped nuts before serving.

# Everyone Invited To Floyd County Fair

Residents of Floyd County and the surrounding counties, Motley, are invited to enter the various departments of the 31st annual Floyd and Surrounding Counties Fair which starts a three-day run Thursday (Sept. 13) at the fairgrounds in southeastern Lockney.

Entries will be taken Wednesday from 4 to 7 p.m. and Thursday from 9 a.m. to noon in the various departments, including crafts, top of the crop agriculture, art (adults, teachers, youth and children), youth (textiles, canned goods, culinary and crafts) and women's (culinary, canned goods, and textiles). Ribbons and small cash prizes are given winners. Judging in those departments will begin at 1 p.m. Thursday. All exhibits are to remain in place until 9 p.m. Saturday.

A new event this year will be a flower and plant show, which is being sponsored by the Floyd County Arts Association. Divisions include horticulture, arrangements and Juniors (12 years and under).

Gate admission is \$2 for adults and \$1 for children. Three-day passes are available for \$5 for adults and \$2 for children. Senior citizens receive free admission Friday.

The Pride of Texas Show and Carnival will be at the fair for the fifth year, and will open Wednesday night. A \$7 pass allows gate admission and unlimited rides for one day. The Passes will be available from fair board members and at several businesses, including First National Bank, and at the elementary school through Tuesday, Sept. 11. The carnival will be open from 6 to 10 each night and also on Saturday from 1 to 4 p.m.

A children's petting zoo will be open throughout the fair.

Thursday's schedule includes a 4:30 p.m. Pet Show for children

12 years old and under with such unusual divisions as smallest pet, curliest tail etc. Pets must be on leash, in a cage or similarly confined, and children must be able to handle their pets. El Presero Junior Study Club members initiated the show and continues it sponsorship. A cheerleading squad contest is the 6 p.m. entertainment, followed by a variety show at 7:30.

Friday is Ladies Day and will begin at 9:00 a.m. Babysitting is available at the Lockney High School homemaker cottage for a small fee. Ladies' Day Programs in the fair entertainment building will be 9 to 10, Ruth Draper of Plainview, travelogue; 11 to noon, Vicki Hoffman of Baby World and Louella Bourland of Collections, both of Lubbock, style show with local ladies and children to model current fashions; 1 to 2 p.m., Mrs. Christa E. Smith, assistant professor of modern languages at Wayland Baptist University, to speak on importance of being an American; and 2 to 3, Lanny Voss, Plainview attorney, to discuss legal things every woman should know.

Two door prizes will be awarded during each program. Entertainment Friday night will be a program of gospel singing that will begin at 7 o'clock. At least four gospel-singing groups are expected to appear.

Saturday's agenda begins with an open breeding sheep show at 9 a.m. Participants in the chili cook-off may register from 9 to 10 at the east end of the fair building. Entry fee is \$15, and each contestant is expected to cook at least 10 lbs. of meat. Judging will be at 5 p.m. and everyone is invited to pay \$2.50 to sample all the chili. In the chili cook-off area, such contests as tobacco spitting, cowchip tossing and watermelon seed spitting will be conducted

during the day.

The Parade will begin in downtown Lockney at 10:30. Cash prizes will be awarded for three places of float winners in the community, commercial school and youth groups divisions. Ribbons will be given for three places for best decorated bicycles and for best clown costume. Trophies will be awarded for three places in antique cars and for riding clubs.

Also at 10:30, but at the livestock building, is the Junior showmanship contest for children eight years old and under. Lambs or beef cattle will be shown.

Beginning at 11 will be steer show, with the lamb show at 1 p.m. The animals will be shown by 4-H and FFA club members. Presentation of awards is scheduled at 5 p.m.

Scheduled at 2 o'clock in the

rodeo arena on the far east end of the fairgrounds is the children's rodeo and play day. Boys and girls, ages 6-10, will pay \$1 to enter each of these contests: barrel race, pole bending, goat ribbon race and baseball throw. Children ages two and three in one division, and ages four and five in division, will pay 50 cents to enter each of these contests: boot race, sack race, stick horse race, baseball throw goat ribbon race and stick horse barrel race.

Final event of the Floyd and Surrounding Counties Fair is the queen contest at 7:00 Saturday night in the entertainment building. Young ladies of high school age will compete for the queen's title; girls ages 7-13 will vie for the Junior Miss title; and girls 3-6 will try to win the Little Miss title.

# Roping Under The Hill History Repeats Itself

By Marisue Burleson Potts

Area Team ropers, novices and amateurs alike, are making plans to be in Flomot, on Sept. 29 and 30 to compete in Team Roping at the Burleson Arena, located on Farm Road 2009 between Whiteflat and Flomot. Activities will begin on Saturday at 9 am.

Students are expected from Texas Tech, Tarrlton, West Texas, South Plains and Clarendon Junior Colleges to rope against their peers. Local 4-H groups will participate in Flag Races, Western Pleasure and Horsemanship, while younger children will compete at their own level.

The Team Roping proceeds will go to the Clarendon Jr. College Ranch Management Program, where Dusty Burleson was a student. Sixteen local artists have been invited to exhibit their western art in the house known as Headquarters.

S.C. "Teen" Burleson, who is sponsoring this event, wanted to create a place for novices, as his son Dusty was, to practice and compete with their peers, gaining experience and poise in the rodeo arena. These events take place on land that has been in the family since Burleson's great-grandfather, I.E. Martin homesteaded here in a dugout in 1891. Later J.C. and Onie Martin Burleson began their ranching enterprise from Headquarters.

Rodeoing at Flomot is a long standing tradition with the Burleson family. In 1940, W.E. Burleson and Norman Martin sponsored the Annual Flomot Rodeo a few miles down the road.

The Downtown Flomot Daredevils, as the group of working cowboys (and one cowgirl) were dubbed by Douglas Meador of the Matador Tribune, were making a name for themselves at all the local

rodeos. Known for their toughness and competitiveness were Dude Barton, later to be inducted into the Cow Girl Hall of Fame, John Bourland, Rooster Gilbert, France and Clayton Barton, Bob Echols Jr., Buster Durham, Pete Keeling, Martin and Burleson.

Many Sunday afternoons were spent roping, often in sandstorms, which the cowboys claimed improved their times since they were used to such conditions, while their opponents were not. Among those winning at Flomot in the early forties were John Stotts, Motley County Sheriff; Houston Schweitzer, famed saddlemaker; John Hamilton, district attorney.

Leland Timmons, winner of the Turkey-Memphis Poney Express race; Nig Reid, Horse Warren, Nash Blasingame, Ollie Nall,

Walter Russell, Marvin Green, Tutt Garnet, Bob Martin, Norman Martin, J.C. and W.E. Burleson.

Youngsters winning in steer riding and calf roping were Billy Joe Stevens, Herb Martin, Sonny Russell, Lane Decker, and Morris Stevens.

As true today as it was in 1940 when Meador wrote: "Where Flomot riders appear, there is action without let up. Broken bones, dislocated joints, burns, 'skint' places don't keep these punchers from competition. ...the saddest but toughest of all is the forelorn cowboy who rides and ropes with the rest of the crowd - in spite of a broken heart."

For more information on the up and coming event, Team Roping at the Burleson Arena, call S.C. Burleson at 806-983-2977 or Dickie Garrison at 806-469-5327.

Open Pasture Roping will again be the order of the day at the Burleson Arena near Flomot on Sept. 30, as part of the scheduled events. This 40's picture shows W.E. Burleson dragging a calf in open pasture and Clayton Barton flanking a calf.

## Obituaries

### Services Held For Charlie Meador

Services for Charlie Lee Meador, 71, were held on Wednesday, August 22 at the First Methodist Church of Matador, with the Rev. Eddie

Markum pastor officiating. Masonic graveside rites were held at the East Mound Cemetery of Matador. Burial

was under the direction of Seigler Funeral Home.

Mr. Meador passed away on August 20, after suffering an apparent heart attack.

Mr. Meador was born on November 10, 1912, at Flomot, Texas to the late Mr. and Mrs. Douglas Meador. He has lived in the Matador area for most of his life. He married the former Dena Couch on October 10, 1955 at Portales, N.M. He was a member of the First United Methodist Church of Matador and was a Mason.

He is survived by his wife, four sons: Charles Douglas Meador of Ozona, Capt. Danny Lee Meador of Germany, James Berry Meador and John Allan Meador, both of Matador. One brother, James Meador of Waco, two step brothers, John Briscoe of Matador and William Earl Briscoe of Plainview, three sisters: Minnie Markham and Betty June Beardon, both of Matador, and Bessie LeBow of Clovis, N.M. He is also survived by one grandson, four stepgrandchildren, and a host of other relatives and friends.

### Services Held Sunday For Thurston Winegar

Services were held Tuesday, September 4, at the First Assembly of God of Roaring Springs. Rev. Edna Dillard, pastor, officiated with Rev. Phillip Sams, pastor of the First Baptist Church assisting. Burial was in the Afton Cemetery under the direction of Seigler Funeral Home.

Mr. Winegar was born on April 16, 1922 at Desdemona, Texas to the late Mr. and Mrs. Anbrose Winegar. He served in

the Navy during W.W.II and married the former Callie Sedgwick on September 10, 1946. He moved to Roaring Springs in 1950 where he farmed since that time. He was preceded in death by a son, Clarence Winegar, in 1973. He was a member of the Assembly of God Church.

He is survived by his wife, two daughters, Nona Long of Roaring Springs and Sharon Martin of Dalhart, three brothers: Kelton Winegar of Crosbyton, A.L. Winegar of Long Branch, and M.A. Winegar of Irving, one sister, Obenetta Newsome of Henderson, Texas and seven grandchildren.

### Rites For Roy Lipham Held Tuesday

Roy Lee Lipham, 82, of Matador, passed away late Tuesday September 4, in his home. Justice of the Peace Roy Smith ruled the death due to

natural causes.

Services were held at the First Baptist Church of Matador on Thursday, September 6, with the Rev. Greer Willis Officiating. Interment was in the East Mound

Cemetery under the direction of Seigler Funeral Home.

Mr. Lipham was born on October 7, 1901 to the Late Mr. and Mrs. John Lipham at Newell, Alabama. He married the former Nellie Morrison in 1926 at LaGrange, Georgia. He moved to Matador 52 years ago and was an auto mechanic for many years. He was an active member of the First Baptist Church.

He is survived by his wife, six sons Fred Lipham of Floydada, Julian Lipham of Dangerfield, Norman Glen Lipham of Alamogordo, N.M., Lee Roy Lipham of Asperment, Wayne Lipham of Ozona. He is also survived by three daughters: Nelda Wagoner of Ozona, Wanda Willard of Uvalde, and Ida Bell Ewing of Pasedena.

He is survived by three brothers: Jimmy Lipham of Ft. Worth, and Frank and Cleo Lipham of Newell, Alabama.

He also has two sisters who survive him: Larry Wilkerson of Ft. Worth and Valera Reeves also of Ft. Worth.

Twenty-two grandchildren, 9 step grandchildren, and 14 great-grandchildren survive him.

### Final Rites Held For Mrs. Roy Stevens

Funeral services for Mrs. Roy Stevens, 99, mother of Matador resident, John V. Stevens, were held August 31 at the Seymour Funeral Home Memorial Chapel in Seymour. Burial was in the Seymour Cemetery.

She died Wednesday, August 29 in a nursing home in Irving, where she was recovering from a broken hip. She had been making her home with a daughter and son-in-law, Mr. & Mrs. Roy Moore of Irving, for several years.

The former Edna Holmes, Mrs. Stevens was born March 1, 1885 in Bowie, Texas. As a girl she attended a college in Tharp Springs that was the forerunner of T.C.U. She taught school in

New Mexico before that territory became a state. She married Roy Stevens March 13, 1913 in Baylor County and they made their home on a family ranch near Seymour, and later on the Hash Knife ranch in the same area. After her husband's death, Mrs. Stevens continued to live in Irving, where they had moved several years ago, after he had retired from ranching.

Survivors include two sons, John V. Stevens of Matador and Glen Stevens of Dallas; two daughters, Mrs. Roy (Etta Mae) Moore of Irving and Mrs. Naoma Martin of Cedar Ridge, Colo; one brother, Guy Holmes of Azle; 10 grandchildren and 13 great-grandchildren.

**PUBLIC NOTICE**

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 6, 1984

**PROPOSITION NO. 1 ON THE BALLOT**

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

**PROPOSITION NO. 2 ON THE BALLOT**

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (¼ for The University of Texas System and ¼ for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin. House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects. Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

**PROPOSITION NO. 3 ON THE BALLOT**

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

such officers, employees, and agents are already authorized by the Constitution. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

**PROPOSITION NO. 4 ON THE BALLOT**

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of those counties would be transferred to the county clerk. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

**PROPOSITION NO. 5 ON THE BALLOT**

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

**PROPOSITION NO. 6 ON THE BALLOT**

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

**PROPOSITION NO. 7 ON THE BALLOT**

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate. The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence. The provision that will appear on the ballot as follows: "The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

**PROPOSITION NO. 8 ON THE BALLOT**

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."
