PROTECTION OF WILD LIFE PLEDGED AT MEETING

Tribune Purchases R. Springs Reporter

Circulation Is Combined Into One County Paper

Contracts were completed Tuesday when the Tribune Publishing Company purchased the Roaring Springs Reporter, published for the past four years by B. M. Nelson at Roaring Springs and the two newspapers combined into one publication under the Matador Tribune name.

The printing equipment was not included in the transaction and will be moved to Amherst, Texas, where Mr. Nelson will engage in the publication business.

The entire circulation of the Roaring Springs Reporter will be added to the subscription list of the Tribune, and all advertising contracts will be completed by the purchasing paper. Douglas Meador, publisher of the Tribune declared yesterday that plans had been entertained to continue the publication of a separate newspaper in the Matador plant but after estimation of extra costs and comparison with possible revenue, it had been decided to combine the subscription list with the Tribune.

Full Coverage At Roaring Springs

A paid correspondent and representative of the Tribune living at Roaring Springs will furnish news from the community and all religious and civic organizations are solicited to aid in sending news in each week.

Mr. Nelson declared that he would probably leave for Amherst Saturday and start moving his printing equipment to the new location.

PASTORS CONDUCT MEETING SERIES

Methodist pastors of this vicinity are conducting a series of services at the First Methodist Church at Afton, at the invitation of the Afton pastor, Rev. E. L. Naugle, who is also pastor of the Methodist Church at Roaring Springs, where he makes his home.

According to the schedule, the first meeting of the series was held last night by Rev. A. E. Butterfield, former Missionary in the Indian reservation in Oklahoma. Rev. Butterfield is the father of Mrs. Tom Tilson of Whitewall and has conducted a number of lecture-sermons throughout this section, on his work among the Indians.

Rev. D. D. Denison, pastor of the First Methodist Church here will be in charge of the service on Friday evening and Rev. R. H. G. Albright, pastor of the Whiteflat Methodist church will fill the pulpit Saturday evening. Rev. C. D. Pipkin, retired minister of this place, will be in charge of the services on Sunday morning.

OFFICIALS OF LEGION WILL MEET TONIGHT

Floyd L. Sloan, Field Representative of the Veterans State Service Office, with headquarters at Amarillo, will be in Matador tonight, to meet with the local American Legion Fleming Post for service work.

In a communication to J. R. Whitworth, Service Officer of the local post, Mr. Sloan stated, "I would like to personally contact as many Gold Star mothers in your community as I can. It is advisable for veterans and dependents desiring assistance with claims to bring all papers in their possession pertaining to the claim."

Anyone desiring additional information concerning assistance claims, might get in touch with Mr. Whitworth.

BOSS OF LIONS

BOSS LION W. F. JACOBS

Above is Boss Lion W. F. (Fay) Jacobs whose active administration as president of the Matador Lions Club has won laudable comments of this community and neighboring Lions Clubs. The city beautification program and the construction of a Boy Scout hut are most recent projects of the local club.

Lions Warned To Paducah Group Meet

Four Clubs To Vie For Goat Privilege Friday Night

The memberships of four Lions clubs will meet at the Cottle Hotel, Paducah, Friday evening to vie for the privilege of not keeping one yellow goat for three months, according to an invitation and warning received by officials of the local club Saturday. The occasion is the quarterly meeting of group 7 and the privilege of keeping the goat is rewarded the city having the lowest attendance. The clubs of Paducah, Matador, Childress and Turkey are included in the group.

Expect April 1 Pranks

Much stress of importance is being placed here in order to secure a large attendance and thus keep the high rating which Matador has earned in the past. Since the date was changed from Thursday evening to Friday evening it is expected that pranks associated with the date, April first, will be included in the program. A game of "Memory Baseball" will be a part of the program according to Lion C. C. Pate, president of the Paducah club. He declares that it will not be necessary for the players to know much about the great national game but that they be of "average intelligence."

TO CALIFORNIA

Robert Birchfield, son of Mr. and Mrs. Jerry Birchfield of the Teepee Flat community left Tuesday for Phoenix, Arizona where he will visit his grandfather, R. E. Meador before continuing on to California.

W. R. Hardy Leaves For Brownwood

W. R. Hardy left Tuesday for Brownwood where he will enter business for himself, after having been employed here for the past two and half years with Campbell Cash Grocery.

Hardy, who is an efficient meat market operator, has purchased a market operated in connection with a Brownfield grocery store.

NEW BAPTIST EDIFICE UNDER CONSTRUCTION

Above is the architect's conception of the new \$15,000 Baptist church building now under construction on south Main Street, adjacent to the parsonage. The

foundation and basement of reinforced concrete has already been completed and the plate for the second story was placed in position yesterday. R. E. Campbell, chairman of the building committee declared that actual framing work would be started today. The building fund was raised by public subscription.

Hand Craft Shop Changes Management

The Hand Craft Shop, operated here for a number of years by Ed Williams, changed management last week when A. A. Tipton purchased the establishment. Mr. Tipton, who is representative for the Spur Creamery and handles a popular price stock of shoes, moved his cream station and stock into the Crews building on the south side of the square and assumed management last week.

The front of the building is being modernized and redecorated while the furniture repair and mattress factory is being confined to the back section. The mattress work is being done by W. E. Barns, an experienced mattress maker and the shop is fully equipped to construct and renovate all styles of mattresses.

Mr. Tipton extends a cordial invitation to everyone to visit him in the new quarters and to examine the type of furniture work and mattress-making being done. Moderate prices prevail in the Hand Craft Shop, while highest market prices are paid for butterfat in the cream station department.

GIRL HURT IN CAR ACCIDENT

Elois Jackson received a broken leg late Saturday night when a car in which she was riding was struck by the Mission Gas and Oil Company light delivery truck. The accident occurred on a down town street opposite the court house. The car in which Miss Jackson was riding, was turned over and damaged to some extent. The accident was believed to have been caused by the poor vision resulting from rain, fog and vapor on the windshield of the delivery truck which was driven by Hart Harris, manager of the Mission station.

Miss Jackson was accompanied by two brothers, Jim and Mope Jackson and three other persons at the time of the accident.

Woman Is Injured

Mrs. Joe McGee of Quanah received a fractured collar bone Sunday afternoon when the car in which she was riding, skidded after striking a mud-hole with one wheel off the pavement and wrecked about 4 miles south of Roaring Springs. Mrs. McGee was treated at the Traweck Hospital here and then removed to a Quanah hospital. She was accompanied by her daughter and son-in-law at the time of the accident.

County Meet Program To Start Friday

County Schools To Vie For Honors In Annual Contests

The Motley County Interscholastic League meet will begin promptly at nine o'clock tomorrow at the Matador School for the literary events, according to C. W. Giesecke, Jr., of Roaring Springs, director general.

Each director is asked to report not later than 8:45 in order to receive materials necessary for contests. Each division of public speaking is requested to be ready to speak as soon as the judges have rendered their decision on previous events. Mr. Giesecke declared that time might vary eighty but that the sequence would be in the following listed order:

9:00—Music Memory, Room 14; Picture Memory, Room 13; Typing Room 12; Declamation, Rural Sr. Girls, Auditorium; Art, Room to be determined later.

9:20—Declamation, Sr. Girls, High Schools, Auditorium; Spelling, Grades IV and V, Room 11; Spelling, Grades VI and VII, Room 13.

10:00—Story Telling, Auditorium.

10:15—Declamation, Rural, Sr. Boys, Auditorium; Spelling, High School, Room 14; Number Sense, Room 11.

10:40—Declamation, High School Sr. Boys, Auditorium, Three-R Contest, Room 13.

11:30—Declamation, Rural, Jr. Girls, Auditorium.

12:00—1:00 Intermission for Lunch

(Continued on Back Page)

THIEVES BREAK INTO STATIONS

Thieves broke into two Matador filling stations Thursday and obtained merchandise from the Phillips Service Station, operated by Thurman Sain, to an amount estimated at \$40. The Shorty's Service Station, operated by C. C. Swearingen, located across the street, was also broken into but nothing was taken.

Entrance to the Phillips' station was gained by breaking a back window. Oil greases and other merchandise was removed.

Prominent Texans Here As 500 Attend Friday Evening

Prominent Texans were numbered with 500 guests attending the meeting of the Motley County Game Management Association at the high school auditorium Friday evening. Declared by Will J. Tucker, executive secretary of the State Game, Fish and Oyster Commission, to be one of the largest and most enthusiastic meetings held in the interest of protection and propagation of wild game, he had never attended, the brilliant speaker lauded the work being done here.

With a unanimous vote of adoption to support the Universal License law for Texas in order to better finance the state game commission, landowners, sportsmen and interested citizens representing a vast area of western Texas, accepted the resolutions here last week. (A full text of the resolutions adopted Friday night will be found elsewhere in this issue of the Tribune.)

Frank A. Buckley Is Chairman

County Agent, Frank A. Buckley was chairman of the meeting and introduced the various speakers and prominent visitors. Mr. Tucker made the principal address after three Texas Legislators, Bob Alexander of Lubbock and C. L. Harris of Spur, had expressed willingness of the Texas Legislature to support the Universal License bill if desired by enough people.

The resolutions read by E. A. Carlock of Paducah, included a provision which would permit hunting only three days per week instead of seven, a law to govern dove hunting on the same basis as quail, a change in Texas school

(Continued On Back Page)

Duster After General Rain

A sandstorm reaching "west Texas proportions" yesterday followed general rains of the Panhandle Saturday and Sunday when the rain gauge maintained by J. H. Sample registered a total of .65 inch.

The sandstorm started Wednesday morning and by ten o'clock had reached a strong force which not only moved sand but small gravel, and kept west Texans holding to their hats.

The rain was of great benefit to farmers and ranchmen and fell gently so that very little was lost. The rainfall in Motley county was reported to be much lighter than other sections of the Panhandle, while Paducah reported over an inch early Saturday. Especially benefited was the wheat in this section which is growing rapidly and bids fair to a good yield, growers declare.

Local Women At Plainview Meet

Women of the Matador Baptist Women's Missionary Union, who drove to Plainview Thursday to attend the W. M. U. Golden Jubilee meeting held as part of the program of the District Nine Sunday School, B. T. U. and W. M. U. convention, included Mrs. L. A. Carlisle, Mrs. Ed Cammack, Mrs. R. E. Campbell, Mrs. Jack Edwards, Mrs. Tom Newman, Mrs. J. L. Woodruff and Mrs. A. D. Burleson.

Mrs. Burleson continued to Tulsa, following the convention session, where she spent the remainder of the week visiting her daughter, Mrs. W. A. Graham and family.

BACK TO DENVER

John MacKenzie general manager of the Matador Land and Cattle Company, accompanied by his son, John Jr., left for Denver, Colorado, Monday after a few days visit to the ranch here.

John MacKenzie Jr., is a student at Yale University and is spending his Easter holiday with his parents in Denver.

Women Of M.E. Church Hold Meet Tuesday

On Tuesday evening, March 29, at 7:30, a group of over 70 women of the Methodist Church met in the basement to enjoy a banquet given by the Women's Missionary Society.

The tables were beautifully decorated with gold and white, which are the colors of the Missionary Society. Large bouquets of lilacs were in the center of the tables with tiny Easter rabbits and chickens as favors.

After a very enjoyable repast, an interesting program with Mrs. H. H. Schweitzer as toastmistress, was given. The welcome address was given by Mrs. F. G. Simpson with the response by Mrs. John Russell. Two very impressive readings "Get Somebody Else" and "Stumbling Blocks or Stepping Stones" were given by Mrs. J. R. Whitworth. A duet "Zeal our Watchword" was rendered by Mrs. R. P. Terrell and Miss Lorene Fryar. One of the most unusual features of the program was a talk given by Mrs. W. W. Moore, who is the only charter member of this Missionary Society living in Matador. There are only two other charter members living. It was interesting to hear "Aunt Patsy" tell of how they carried on their work as a small organization in 1901. A gift from the present Missionary Society was presented to Aunt Patsy as a token of appreciation for what she and other pioneer women have meant to our society.

Mrs. Harry Willett gave a very interesting history of the organization and development of the Irene Eldredge Circle. Mrs. Henry Solomon told of how the Young Women's Circle was organized in 1931 and of its development.

An inspirational message was brought by Mrs. S. S. Sloker of Plainview, who was once the district Secretary of this Plainview District.

The program was closed by the group singing "Bless Be The Tie", and all departed feeling grateful that our hearts could be bound in Christian love and fellowship.

WHITEFLAT IS CHORAL WINNER

A large crowd gathered in the High School auditorium last Thursday to hear the county contest in choral singing. Five schools were represented. In the rural division Northfield took first place and Fairview took second place.

In the class A division Whiteflat took first, Matador second, and Roaring Springs, third.

STED WHEAT SS TO BE NTED HERE

Need For y, Drought- stant Grass

ers and ranchmen of this
have long felt the need
ennial pasture and hay
avoid the necessity of re-
each year with the at-
annual expense for seed
ivation. It is hoped that
rop will be found in the
of crested wheat grass,
re to be made this spring
al local farmers.

nd wheat grass is hardy,
resisting perennial bunch
which not only lives an in-
number of years but
its stand from its own
according to information
from the Department of
ure by Frank A. Buckley,
gent. It is easily killed by
wing, since it produces no
either above or below

the ground. Crested wheat grass
was introduced only a few years
ago by the Department of Agri-
culture and has been grown suc-
cessfully in the great plains states
where conditions exist similar to
those prevailing here.

A shipment of a hundred pounds
of the crested wheat grass seed
was received from North Dakota
by Mr. Buckley early this week.
Most of the seed has already been
spoken for, but a small supply is
still available through the county
agent's office. Local producers
plan to seed the grass in April or
May, placing it in rows so that
it may be cultivated for the maxi-
mum production of seed. A great
demand for the seed is expected
this fall if the first trials are suc-
cessful, and fall plantings are
recommended, and fall plantings are
recommended as well as spring
plantings.

Among those who are to try
this new grass variety are Sample
and Springer, Elbert Reeves, and
W. I. Rushing, Matador, and Joe
Meador, Paducah.

Matador Rank 210 In Sales Of U.S. Bond

The local post office ranks 210
in the sale of United States Saving
bonds with third class offices in
the state of Texas according to
information received by post-
master E. F. Springer last week.
The ranking is by per capita
sale. Bonds in the total amount
of \$2,268.75 were purchased locally
while mail orders amounted to
\$225.00 making a total of
\$2,493.75 credited to Matador.
These figures represent sales
made between September 1, 1936
and August 31, 1937. The average
per capita sales for the nation
was \$3.81. The average per capita
sale for Texas was \$3.09.

Ten Million Sold In One Day
Secretary of the Treasury Morn-
genhau has announced that the
total maturity value of United
States Savings Bonds sold thru
the close of business March 7,
1938, amounted to \$1,584,462,875.
This total was purchased by more
than 1,260,000 investors, and rep-
resents an average sale for each

business day since March 1, 1935,
when these bonds were first sold,
of \$1,720,375.

A record for one day's sale of
Savings Bonds was set on Monday
January 10, of this year, when
\$10,029,775, maturity value, of
these bonds were sold on this
single day. Sales by post offices
throughout the country on that
day represented \$9,025,350, matu-
rity value of bonds, and direct-
by-mail orders were received in
Washington for Savings Bonds of
maturity value of \$1,004,425.

Stamps Quartette To Sing In Memphis

The Virgil O. Stamps Quartette,
nationally famous singers, will
appear in a paid concert at the
High School auditorium, on the
night of April 9, according to A.
B. Willis, president of the Hall
County Singers Association.
The county convention will be
held in Memphis on Sunday,
April 10, and Saturday night be-
fore and the Stamps Quartette
has been secured as an added at-
traction.

Other prominent singers will
be in attendance at the conven-
tion, including the Dodson Quartet
and Rev. E. F. Cook's Quartet of
Amarillo.

Junior Club Has Meeting Wednesday

The Junior El Progreso Study
Club met Wednesday afternoon in
the home of Mrs. George Springer,
one of the senior sponsors of the
group. The house was called to
order by the president, and the
minutes read by the secretary.
Each member gave a personal
roll call.

Iletta Bird acted as leader of
an interesting program on Mexico
which included the following
parts: 1. An interesting City, Ala
Jean Pritchett; 2. Language and
People, Marion Clements.

Following adjournment, re-
freshment of ice cream and cake
were served to: Iletta Bird, Evelyn
Lea, Marion Clements, Aileen
Russell, Myrnavae Barkley, Lela
an Frances Carpenter, Mary Ola
Tipton, Zona Ruth Scaff, Ruth
Rushing, Marie Hunsucker, Ala
Jean Pritchett, and Mrs. W. W.
Clements, also a senior sponsor,
who assisted Mrs. Springer.

Matador Winner Of Tennis Tournament

The county interscholastic ten-
nis tournament was held at the
Matador High School Friday,
March 25 and Tuesday March 29,
1938. Matador took first place
with 40 points; Roaring Springs
took second with 21 points; and
Flomot took third with 11 points.

Summary:
Senior Boys Singles: First: Rat-
tan, Matador; Second: Brown,
Flomot.

Senior Girls Singles: First: F.
Godfrey, Roaring Springs; Second
L. Clements, Flomot.

Senior Girls Doubles: First: E.
Lea and D. J. Harp, Matador; Sec-
ond, F. Brown and D. Dunlap,
Roaring Springs.

Senior Boys Doubles: First, Tun-
nell and Willett, Matador; Second,
Sherwood and Bridges, Roaring
Springs.

Junior High Boys Singles: First,
W. T. Marshall, Matador; Second,
R. Morris, Flomot.

Junior High Boys Doubles: First,
E. A. Day and J. D. Payne, Mata-
dor; Second: Martin and L. Cloyd,
Flomot.

Junior High Girls Singles: First,
C. King, Roaring Springs; Second,
M. Hunsucker, Matador.

Junior High Girls Doubles: First
L. Carpenter and F. Carpenter,
Matador; Second, V. Ford and M.
Campbell, Roaring Springs.

Grade School Junior Boys: First,
J. Lawrence, Fairview; Flomot,
J. Washington, Second in Singles.

Grade School Junior Girls
Singles: L. Barnett, Roaring

Springs. First; Fulfer, Fairview,
Second.

Grade School Junior Boys
Doubles: First, Q. Martin and
L. Bynum, Flomot; Second, S. A.
Swim and W. Ford, Roaring
Springs.

Grade School Junior Girls
Doubles: First, M. Ballard and H.
Strandfield, Fairview; J. Jones
and J. Ellis, Flomot, Second.

Farmers Receive Blight-Proof Milo

Extensive damage from Milo
blight has not been detected in this
county, but this dread maize
disease is expected to spread from
counties south and east where it
has caused heavy losses in maize
yields. Several farmers in this
county have received small quan-
tities of seed from a new strain
of maize which is not susceptible
to the disease. These allotments
of the rare seed were obtained
through county agent Frank A.
Buckley from the Texas Experi-
ment Station which developed the
variety at Chillicothe Sub-Station.

In trial plantings on badly in-
fected land at the Chillicothe sta-
tion, ordinary maize was com-
pletely destroyed by the disease
in 1937, while adjoining rows of
the resistant strain produced a
bountiful yield. The disease lives
indefinitely in the soil after it is
once started, and may become
more destructive each year. It
often causes appreciable loss in
fields where it is not detected, as

the reduced yield may be mis-
takenly attributed to drought, hot
winds, or alkali soil.

The four producers in this
county who were furnished some
of the seed for 1938 planting are
U. L. Willie, W. I. Rushing, and
Fred C. Bourland, Matador, and
Will A. Campbell, Roaring Springs.
These men may have a small sur-
plus for distribution to others in
this county for next year's plant-
ing if a normal seed crop is pro-
duced this season.

PORK IN OIL IS APPROVED

"I didn't care much for bacon
until we started putting it down
in cottonseed oil," said L. B.
Archer, farmer of the Fairview
community in discussing this new
method of keeping cured pork
with Frank A. Buckley, County
Agent. Mrs. Archer especially
likes the method because she can
slice off a serving of ham and re-
turn the piece to the oil where it
will keep indefinitely after being
cut without attaining the familiar
dark "outside" appearance and
flavor. Cuts from other parts,
such as bacon, shoulder or loin,
can then be alternated on succeed-
ing days. "I'm glad the county
agent told us about this better
way of keeping pork," Mrs.
Archer said.

"Of course the meat must be
well cured before it is put into the
oil, Mrs. Archer warns. "Hams,
especially take longer to cure and
must be checked to see that the
cure has gone clear through. Now
is a good time to put the meat in
the oil so that it will keep through
the summer. We have hams now
that are over a year old. Skippers
or mold can't get to the meat in
the oil, and a covered container
keeps out all sand and dust."

Ralph Stapleton and Leonard
Crowell of the Flomot Community
are also well pleased with the cot-
tonseed oil method of keeping
cured pork.

VISIT IN OKLAHOMA

Mr. and Mrs. A. L. Fryar visit-
ed in Shawnee, Oklahoma, the
latter part of last week, in the
home of Mr. and Mrs. Sam Den-
son, former residents of Matador.

GUEST OF TEXAS TECH

B. F. Tunnell, Jr., left for Lub-
bock Monday where he is the
guest for two days of the athletic
department of the Texas Tech Col-
lege due to outstanding perform-
ance as a member of the Matador
Matadors football squad. Two
other boys, members of the Mata-
dors squad, Truett Rattan and
Hulon Phillips, were also honored
by invitations which they will
accept within the near future.

HOSTESSES AT A TEA FOR PARENTS

Hostesses at a tea for parents were these girls, officers of the Ninth Grade Homemakers Club of the Junior High School at Clovis, N. M. Left to right, standing, the girls are Miss Anna Marie Carrington, reporter; Miss Lois Jackson, president; Miss Doris Patton, reporter; left to right, sitting, they are Miss Pat Rhoades, Miss Almada Kimbrough, secre-

tary and treasurer; Miss Juandell Davis vice president, (formerly of Matador) who acted as chairman of the tea; Miss Dorothy Dean Worley, secretary and Miss Aweida Sorrows, vice-president. The tea was served recently at an evening reception to ninety members and guests. Miss Juandell Davis, chairman of the affair will be remembered by her many

friends here, having been reared in Matador. She occupied a popular position with her classmates and teachers. Juandell moved with her mother, Mrs. L. F. Davis and sister, Miss Lena Mae Davis, to Clovis last spring, to join her brother, Donald, and to make that their home. (Photo courtesy Clovis N. M. Evening News-Journal)

Wild Life Meeting ...

(Continued From Page One)

text books which would teach the value of protecting wild life, and to provide a penalty for anyone to turn cats loose on the highway, which would cause them to prey on wild game.

Other speakers included Virgil Parr, manager of the Pitchfork Land and Cattle Company and reports from the secretaries of the game management association of Motley, Floyd, Dickens Cottle,

King and Briscoe counties. Mr. Tucker arrived in Matador late Thursday from Oklahoma City and spent the day Friday with Game Warden, Jim Cannon, inspecting the territory which Mr. Cannon has in charge.

Those who registered for the meeting Friday night were as follows:

Crosby County: Mrs. R. B. Smith, H. L. Smith and M. E. Long.

Flomot: J. B. Barton, W. J. Whitworth, Bud Barton, C. D. Tanner, J. H. Hines, C. L. Franks.

Whiteflat: J. C. Burleson, T. M. Dixon, Stewart Dixon, W. L. McWilliams.

RESOLUTIONS

We, your Resolutions Committee representing the Game Management Association of Cottle, King, Dickens, Motley and Floyd counties, beg to submit the following:

BE IT RESOLVED: That we ask the Legislature of our State to regulate the days of hunting during the open season from seven days per week to three days per week, no two days to be consecutive.

BE IT RESOLVED: That we ask the State Game Commission to allow game birds to be moved from one property to another, whether off of a State Game Preserve or any other lands, to some other section of the county but only after it has been conclusively shown that said State Game Preserve or other lands is overstocked, and then only on the recommendation of the District Deputy Game Warden and the permission of the people who own the land.

BE IT RESOLVED: That we ask the State Game Commission to make every effort possible to furnish more birds to counties, county agents, deputy state game wardens, and societies interested in wild game life, when requested to do so for the purpose of restocking territories; said birds to be furnished such organizations at actual cost.

BE IT RESOLVED: That we ask the State Game Department and the Legislature to make every effort possible to get the Federal Law so arranged that the open season on doves will conform to the open season on quail and other game birds of the state.

BE IT RESOLVED: That we ask the Legislature to grant the State Game Department the power to regulate bag limits and the open

season on all game birds and game animals.

BE IT RESOLVED: That we ask the State Legislature to pass a law making it unlawful for anyone to hunt without a license, whether within or without their own county excepting on lands that they own or operate.

BE IT RESOLVED: That we ask the Legislature to pass a law making it a penalty for anyone to deposit cats on highways or any other property than their own; and that this Association use every effort possible to discourage anyone from turning cats loose where they can depredate on game birds. Also that people be encouraged to destroy predatory animals and birds.

BE IT RESOLVED: That people be encouraged to supply more adequate cover and food for wild life.

BE IT RESOLVED: That we recognize and encourage the wonderful work our State Game Department is doing, coupled with that of our District Deputies, in trying to conserve wild life of our state, increasing it in numbers and making condition for all who wish to enjoy the great sport that will eventually come from such conservation.

BE IT RESOLVED: That we

recognize and compliment the Extension Work that is being done through our A. & M. College in helping to conserve and increase the Wild Life of our state.

Respectfully Submitted, Harry H. Campbell, Chairman J. A. Taylor E. A. Carlock.
