Chasing Ghosts from **Abandoned Mine**

The cobwebs and ghosts of the past are being evicted from an old nickel mine abandoned in 1923. International Nickel is pumping some 100 million gallons of water from the Victoria mine in the Sudbury District of Ontario so that it can investigate the possibility of reopening it. Although abandoned because of the low grade of its ore, Victoria may be worth mining again because of today's improved ore recovery and processing tech-

In traditional spirit,
the real meaning of Christmas
brings to the minds and hearts of
everyone the feeling of peace
and happiness, of togetherness,

a season of rejoicing.

With deep appreciation and great pleasure, we set aside the routine of everyday business, to greet and thank our friends whose good will we treasure.

Jo all, a merry Christmas.

MATADOR, TEXAS

Middle Pease River (between Matador and Whiteflat) December 2, 1971

In quiet serenity, let us reflect on the true message of Christmas. May your home and family be blessed with the spiritual joy and happiness that His birth taught us to cherish.

With our greetings goes our sincere appreciation,
