Matador Church of Christ has new Minister

The Matador Church of Christ has a new minister. Michael G. Crowley has been hired as full-time minister of the Matador Church of Christ.

Crowley has done mission work in the interior of Alaska and has conducted a "circuit rider" type mission effort in the rural Arco, Idaho area, while operating a dairy farm.

Preaching since 1971, Crowley graduated from the Sunset School of Preaching, Lubbock, Texas, in 1973. Preaching assignments include 6 years at Seneca, Mo. and a year at Little Rock, Ark. His teaching experience includes teaching Old Testament Bible History for 3 years, while filling the High School Bible Chair at

Arco, Idaho. He also taught at the Midwest School of Biblical Studies at Baxter Springs, and was involved in Evangelistic Outreach at Midwest.

His areas of expertise include "crisis counseling," and he holds two diplomas from Law Enforcement Academies. Crowley is also a former Marine and a Vietnam War Veteran.

Crowley and his wife, Judy Ann, and youngest daughter, Denise Michelle, will make their home in the church parsonage. The couple has one son, Mike Jr., who is a student at LCC in Lubbock and another daughter, Ann Buxton of Albuquerque, N.M. Denise will be a Senior at Motley County High School.

Matador Postmaster Retires After 24 years of Service

RETIRING POSTMASTER Nell Clem receives Service Certificate for 24 years to the U.S. Postal Department from Don Jones, U.S. Postal Service Director of Field Operations of Lubbock.

Nell Clem has worked for the U.S. Postal service for over 24 years. On June 29, she turned in her stamp drawer for retirement.

Emma Nell Clem has been Postmaster in Matador since November of 1981. She was Postmaster at Dougherty for 6 years. Clem had been a postal clerk in Roaring Springs the six previous years.

Nell has a daughter, Cathey Weaks and her family of Silverton and her mother of Portales, N.M. to spend time with as well as make a few trips while she enjoys retirement.

Ed Byrd of Crosbyton will be the officer-in-charge in the Matador Office while a new postmaster is being processed, which will be 90 days or more.

Olton Students Collecting Coke Tabs to Benefit Former Matador Resident

One million aluminum soda pop can tabs are being collected by the Elementary Students in the Olton School System to benefit Nan Smith. The Matador Methodist Church ladies are helping in this drive.

If these students can fill 100 large grocery sacks full of tabs they can be sold for \$500.00, which will be given to Nan Smith.

Nan is the wife of Glyndell Smith, who were both former teachers in the

Motley County School system and she is the daughter-in-law of Mrs. Paul Smith.

Nan had a liver transplant earlier this year and is home now after a long recuperation period in Dallas. Nan was also a teacher in the Olton School System and the students wanted to do something to help her and her family.

If anyone would like to join in this worthy cause, start saving your pop tops and then give them to Opal Johnson.

Billy Wayne Denison Named to Outstanding Young Men of America List

The Board of Advisors for the Outstanding Young Men of America awards program announced recently that Billy Wayne Denison has been selected for inclusion in the 1989 edition of OUTSTANDING YOUNG MEN OF AMERICA.

Now in its 27th year, the OYMA program

is designed to honor and encourage exceptional young men between the ages of 21 and 40 who have distinguished themselves in many fields of endeavor, such as service to community, professional leadership, academic achievement, business advancement, cultural accomplishments, and civic and political participation.

Achievements in these areas are the result of dedication, responsibility, and a drive for excellence - qualities which deserve to be recognized and remembered.

The men listed, along with fellow Outstanding Young Men throughout North America, were selected after 150,000 nominations were received from political leaders, University and College officials, clergymen, business leaders, as

well as from various civic groups and community organizations. Each young man will be represented by his biographical entry in this prestigious annual awards publication.

Our Board of Advisors and Editors salute all those honored as Outstanding Young Men of America. We take great pride in bringing their accomplishments to the attention of the American public.

Jury Says State Highway Department Not Negligent

Proceedings began on Tuesday, July 26 and ended on July 27 for Bill D. Washington and Sandra Barclay, Plaintiff vs. Texas State Department of Highways and Public Transportation, Defendant.

On October 3, 1986, at approximately 8:00 a.m., Motley County Commissioner, Bill D. Washington, was headed north across Q-Creek Bridge, about 4 miles north of Flomot. Due to heavy rains and water erosion during the night, the South end of the bridge had begun to collapse. Washington's pickup hung the rear axle as he crossed the gap causing damage to Washington and his pickup. After calling his wife on the CB, his daughter, Sandra Barclay came to help her dad, failing to stop as her car fell rear first into the gap causing bodily injury to herself. Washington and Barclay had filed damages against the State.

After selection of the jury, they heard

the opening statements of Richard D. Bird, Attorney for Plaintiff and Richard D. Naylor, Assistant Attorney General, attorney for Defendant. The final statements were made after the testimonies concluded on July 27 and the verdict was reached.

The jury found that the State Highway Department was not negligent.

Eastside Community Center to hold 9th Annual Celebration

The East Side Community Center will hold their celebration July 7 and 8 at the Community Center. A barbecue meal will be served at 1:30 p.m. A baseball game will be held at Forrest Park, south of the Motley County School at 5:00 p.m.

The center will be open after the game for dominoes, etc. A dance will begin at 9:00 p.m.

On Sunday morning a memorial service will be held at the Macedonia Baptist Church.

The recent visitors to the Library have been few and far between since the last report. However, we would like to thank those that signed the register: Kayann Heinly of Manhattan, KS and Bea and Nathaniel, grandchildren of Skeet and Earlyne Jameson. We welcome all visitors at all times, so encourage all of your visitors to come to the Library and view the mural and our wonderful facility.

Our summer reading program attendance was down last week due to Vacation Bible School and we hope everyone came back this week, because there are still three weeks left for the children to fill their treasure chests and pots of gold at the end of the rainbow with many gold "coins." The Read-to-Me Club (age 2 - kindergarten) meets on Tuesday at 10:00 a.m. and the older group (first - sixth grade) meet on Thursday at 10:00 a.m.

We welcome all children to come and join the fun led by Mrs. Kathy Gillespie.

Obituaries

Harold Brantley

Services for Harold Brantley, 68, of Roaring Springs were held at 11:00 a.m. Saturday in the First Baptist Church with Charlie Long officiating.

Burial was in McAdoo Cemetery under direction of Adams Funeral Home of Crosbyton.

He died at 12:46 p.m. Thursday at St. Mary's hospital in Lubbock after a brief illness.

Brantley was born in McAdoo and moved to Roaring Springs in 1969 from Ruidoso, N.M. In 1948, he married Pat

Taylor in Abilene. He served in World War II in the Army Air Corps.

Brantley was a carpenter and a former city secretary of Roaring Springs. He was a member of Spur Masonic Lodge.

Survivors include his wife; a daughter, Camille Brantley of Laguna Beach, Calif.; and a sister, Sybil Gardner of McAdoo.

Pallbearers were Mack Gardner, Ross Culbert, Dutch Hines, C.L. Brownlow, Jimmy Rankin and Neil Allen.

Roy O. Reeves

Roy O. Reeves, died on June 30, 1990 at the age of 81. Born December 10, 1908 in Matador, Texas, Roy was the youngest of the Reeves Clan. He attended Ballard School until 12 years of age, then entered Matador Schools where he graduated in 1926. In the fall of 1926 he attended Wayland Baptist College and transferred to Hardin Simmons University of Abilene in 1927.

At Hardin-Simmons he majored in music and was a member of the famed Cowboy Band. He played several instruments and toured with the band to Europe in the Summer of 1930. After graduating in 1930, Roy formed an orchestra and played for two or three years.

Following the death of his Father in 1933, Roy returned to Matador and took over the management of the farm and ranch. While there he taught violin and directed the choir at the Baptist Church. He also did some substitute teaching in a rural school near town.

In 1934 he moved to Coleman, Texas where he operated a grocery store until 1936.

He met and married Linnie Pickering of Oklahoma City in 1935.

He returned to Matador again in 1942 to engage in farming and ranching until 1947 when he sold out and moved to Birmingham, Alabama to enter the finance business. In 1950 he transferred to Houston, Texas and then to Dallas in 1951 where he owned and operated a

chain of collection offices. Following an illness in 1969, he sold the business and retired.

He is survived by his loving and devoted wife, Linnie; a daughter, Patricia; three granddaughters, Devon, Doran, and Bronwyn; a Sister-in-law, Jewel, two nephews, Donald and Pat; two nieces, Betsy and Judy; a cousin, Mabel; a son-in-law, John.

A memorial service will be held in Dallas on Friday, July 6 at 10:30 a.m. in the Abbey Chapel at Restland of Dallas, Greenville Avenue at Restland Road.

Letter To The Editor

Dear Editor,

I understand that there has been criticism of Ann Richards for making a political speech during the Floyd County Centennial celebration.

The idea that a gubernatorial candidate would be invited to appear in the heat of a political campaign at any event and not be expected to discuss political issues seems ludicrous.

In an era when candidates are roundly criticized for their failure to address substantive issues, to then criticize a candidate who does address issues is both hypocritical and incredibly confusing, not only to the media and the public, but I assure to the candidates as well. Our elections should not be reduced to simple minded popularity contests. We should demand serious dialogue between the candidates and an informed elector rather than engage in the silliness that has become the norm in political campaigns.

I can only surmise that those being critical of Ann Richards are in fact supporters of Clayton Williams. At least Ann is capable of addressing the issues confronting our state from a basis of knowledge and experience. Sadly, Texas has suffered from nearly eight years of a governor whose primary background was also in "the awl business" and who promised to bring his skills as a CEO to the governor's mansion. During this time we

have seen our prisons, mental health institutions, welfare programs and now our schools come under judicial supervision. I once thought running government like a business meant becoming more efficient and cost effective in administration, but apparently it means seeking protection from creditors under the bankruptcy code.

With all due respect to Mr. Williams, Texas cannot stand another term by a Bill Clements clone, even one with a better sense of humor. We should be electing a governor with a proven ability to provide the political leadership so badly needed by this State as it approaches the 21st century.

If we truly want a governor with absolutely no experience in government, but who is apparently friendly, funny and able to ride a horse with one or both of his feet in his mouth, then we should surely elect Claytie Williams.

But, if we really care about our schools, prisons, mental and physical health institutions, highways and transportation infrastructure, the environment and a whole host of other problems facing Texas, we must elect Ann Richards as our next governor. The stakes are simply too high to turn our government over to another novice.

Sincerely,
 Bob Bass

Dear Friends,

As part of the Floyd County Centennial Celebration, the South Plains Baptist Church of South Plains, Texas invites all former pastors, members and friends of the community to our "Coming Home Day" Sunday, July 8, 1990. The church basement has recently been remodeled, all ready for the festivities. We are anxious for everyone to see the improvement.

Worship began in homes and in the old Sunset School in the 1890's and first became the Bethel Missionary Baptist Church in 1906 and in 1929, the membership changed her name to the present South Plains Baptist Church. Being established in the 1890's makes this church a vital part of the Floyd County Centennial history.

We would like for you to bring or send any pictures or newspaper clippings related to the South Plains Church or community. These will be printed in book-form and placed in the church library and

a short resume of any fond memories you have of the church or what the church has meant to you. If you are unable to attend you may send your story to the address at the bottom of the page. Those of you who would like to remember friends or a loved one with flowers to be used as decorations for the church and dinner tables contact Gleyann Earle Cummings, Box 93, South Plains, Texas 79258, phone 652-3771.

Morning Service will be at 10:30 a.m. with dinner on the grounds to follow. At 2:30 p.m. a time of reflection of what this church has meant to you and others will be held in the auditorium.

Looking forward to seeing you on July 8, 1990

A friend was asked to sing for a charity concert, and the chairman said, "Since you're not getting paid, you're not expected to do your best."
 "Sir," he said, "as a Christian, I always do my best."

Yes, excellence without effort is as futile as progress without preparation. And if you're fervent in your spiritual life, you'll be diligent in your business life.

The Christian should commend his Christianity by always doing things better than others. His aim will be his best, not his bit.

Wonderful things will happen to you if you believe confidently, pray expectantly and work enthusiastically.

Teague - Garth Spring Wedding announced here by Relatives

Mr. and Mrs. Dennis James Garth

The First Baptist Church of Dublin, Texas was the setting for the wedding ceremony uniting in Holy Matrimony Miss Julie Elizabeth Teague and Dennis James Garth, Ensign United States Navy. The double ring ceremony at three o'clock in the afternoon, Saturday, April 14 was performed by Rev. Stanley Griffith of Arlington, Texas, cousin of the bride, and Rev. Joel McCoy of Dublin.

The bride is the daughter of Dr. and Mrs. James Edward Teague of Dublin and the granddaughter of Harold R. Teague Sr., of Pine Bluff, Arkansas. The bridegroom is the son of Raymond Herbert Garth of London, England, and grandson of Mrs. Fay Dirickson of Matador.

Music was furnished by Kevin Lunsford of College Station, pianist, and Garth Morgan of Houston and Ms. Jaqui Lester of College Station, vocalists. Matching heart-shaped vine wreaths featuring arrangements of rubrum lillies, roses, twedia and gypsophila, suspended on fabric bows of floral polished cotton decorated the double doors of the church. In the sanctuary, a formal garden setting featured topiary trees set on either side of the altar and fashioned of tall bouquets of gladiola, lilies, French tulips, gerbert daisies, stock, alstroemeria and calla lilies in the bride's chosen colors of mauve, pink and ecru.

Centering the altar was a double wedding ring brass candelabra with crystal votive lights. The candelabra also held a massed bouquet of flowers matching the topiary trees. Baskets of Roosevelt and saber ferns were placed on pedestals at varied heights and on the baultrade. A garland of springerli fern fronds, silk illusion and material ribbon outlined and highlighted the altar and chorister area.

Exaggerated bows of the same fabric designated the family seating section.

Given in marriage by her father, the bride wore an ivory taffeta gown by Jena, designed with pouf sleeves with a taffeta ruffle and accented with re-embroidered alencon lace. The bodice, with a sabrina neckline and basque waistline, was covered with beaded alencon lace which extended into the skirt, with a pyramid of beaded of re-embroidered alencon lace. Her matching ivory headpiece was accented with pearls and crystals with a side cascade of pearls and silk flowers that framed the left side of her face. Her fingertip veil of imported English tulle was accented with a simple pencil edging. The bridal bouquet was a cascade of white roses, white freesia, japhet orchids, mauve wax flowers and tropical foliage with accents of pearls and pearl sprays.

Maid of honor was Stephanie Hensell of Dallas. Bridesmaids and matron were Kimberly Spessard of Dallas, Amy Moore of Granbury and Mrs. Leah Robertson of Houston. Flower girl was Andrea Gage of Stephenville.

Best man was Lt. Michael John of Denver, Colorado. Groomsmen were Ensign Lenardo Santiago, of San Diego, California, Clint Herbst of Dallas, and Lt. Jonathan Snowden of Houston. Ringbearer was Kyle Mauro of Bryan. Ushers were Wesley Wills of College Station and Ensign Roger Martin of San Diego.

The bride's attendants were dressed in floral pink taffeta floor-length dresses with pouf sleeves, rounded necklines, deep V-back, large bows at waist, and straight skirts. Each carried a clutch bouquet of pink tulips, alstroemeria lilies, sterling silver roses, nerine lilies, astilbe,

beargrass and gypsophila arranged with ivy, tree fern and springerli fern. The flower girl wore a matching pink floral dress and carried a basket of miniature dianthus and alstroemeria.

The reception following the ceremony was held beneath a large tent which covered the backyard of the bride's family home. Supports of the tent held a decorated hanging basket of Roosevelt ferns. Formal seating was provided at round tables draped in pink linen. Centerpieces were of pink dogwood and starlight baby's breath with pink pillar candles and hurricane shades.

The bride's table featured a tiered confection, topped and cascaded with stephanotis, white orchids and gardenias. Flanking the cake, the bride's bouquet was contained in a tall crystal vase. The attendants' clutch bouquets were similarly used on the food tables.

The bridegroom's table was decorated with an electric assemblage of Texas A&M paraphernalia which included his senior boots, drum major's baton, etc. Music was furnished for dancing by the

Dukes of Aggieldand, of which the groom is a former member.

The bride attended Baylor University in Waco for two years and Texas A&M University, where she received her Bachelor's Degree in Education. She also began working on her MBA at Texas A&M. She is a member of Alpha Phi Sorority and past president of the Epsilon Omega Deuteron Chapter and Texas A&M. She is currently employed by Merrill Lynch in LaJolla, California.

The bridegroom attended Texas A&M University on a Naval scholarship and received his Bachelor's Degree in History in 1988. He was very active in the "Fightin' Texas Aggie Band" for four years and during his senior year he served as the Artillery Band Drum Major. He is stationed in San Diego, California with the USS Lake Champlain.

After a short trip to Dallas the couple are at home in San Diego. For travel, the bride wore a royal blue silk two-piece suit with matching accessories and an orchid corsage.

HIGH HEELS CAN BE DANGEROUS

Any shoe with a heel higher than one inch is detrimental to the health of your feet, ankles, calves, knees and back, with more harm occurring with increased heel height. Problems begin when there is a lack of space in the toe area which squeezes the foot and many lead to corns, bunions, and ingrown toenails. Secondly, high heels shift your body's weight to the forefoot, which places undue stress on the metatarsal heads (where the toes and foot connect). This leaves a small surface of approximately 1 to 3 inches to support the entire weight of the body.

Other problems include an increased impact at heel strike which may lead to various foot, ankle, knee and back injuries. Also, high heels decrease walking stability and thereby, increase the risk of an ankle sprain as well. High heeled shoes also force the calf muscles and Achilles tendons to shorten. Shortened muscles and tendons predispose women to such serious injuries as tendinitis or even Achilles tendon tears. This shortening is difficult to reverse.

However, if high heels are a wardrobe must, the following tips may reduce the risk of damage:

- * Buy shoes with a wider heel platform that will distribute weight more evenly and make balancing easier.
- * Try using an over-the-counter insole

to reduce some of the forces of impact on the metatarsal heads.

* Stretch before and after every brisk walk and at least twice during the rest of the day to reduce muscle and tendon shortening.

* Remove shoes while sitting at desk.

* Try a heel lift in athletic and low-heeled shoes if tightness persists after stretching.

TOP CLEANERS

When clothes come back from the dry cleaners they sometimes have a strong chemical smell or odor. The three most common sources of this type of odor are: High nonvolatile residue in the dry-cleaning solvent, a dirty base tank, or boil over during distillation during the cleaning process. The clothes should be odor-free after dry cleaning. If they are not, complain to the owner or manager of the dry-cleaning facility. If the problem is not corrected, change to another dry cleaner.

Educational programs conducted by the Texas Agricultural Extension Service are for people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

Thought for the Day:

God made you as you are in order to use you as he planned.

Rays of Hope

by Lola Eason

Half the year of 1990 is behind us. This can still be a year of Spiritual fulfillment for you and I.

This could be the year Revelation 3:11 is fulfilled, "Behold I come quickly; hold fast which thou hast, that no man take thy crown." May we be faithful, ready and waiting for the Lord's return.

We have asked ourselves, "What kind of a year will 1990 be?"

The story is told of a practical joker walking along the streets of London. He met a friend, held out his hand and asked, "What do you think I have in my hand?" The friend guessed several times, each time wrong. The practical joker then said, "I have a bird. Is it dead or alive?" the friend considering the question, thought to himself, "If I say it's dead, he will open his hand, release it and it will fly away. If I say it's alive, he will crush it in his hand." The practical joker was becoming impatient for a reply to his question and repeated, "Is it dead or alive?" To which the friend thoughtfully replied, "that my friend is up to you."

What kind of year will 1990 be? That depends upon you and I. Let us make it worthwhile. Let us make it count for Christ for eternity. Let us not limit God. Our blessings are in proportion to our request, ask largely. Matthew 18:19, "Again I say unto you, that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven."

There is nothing to hard for Him. It is better to aim for the stars and miss everything, than to aim for nothing and hit everything.

Let us be a witness not only by telling others what we believe, but in day-by-day, genuine Christian living.

I'm not what I used to be - Memory
I'm not what I ought to be - Conscience
I'm not what I hope to be - Aspiration
By the grace of God, I am what I am - Reality!

A Chinese proverb.
Deal with the faults of others as gently as with your own.

It would have been impossible to have the baseball program without the volunteers who served as Base Umpires, Announcers, Scorekeepers, Spotters, and Concession Stand Workers as well as those who helped with the baseball field clean up and maintenance. THANK YOU ALL!

The MCYO provides the youth of the county an opportunity to learn the basics of T-Ball and Softball and to have fun while doing so. All of the people involved in the program are volunteers who do their very best. All are greatly appreciated by the MCYO Officers and, most importantly, by the youth of the county!

Thank you,
Kathy, Ellen and Kate

School Finance Package Finally Signed Into Law

AUSTIN -- After three months of special sessions and two vetoes, Texas Governor Bill Clements suddenly reversed his field and decided to sign into law a school finance bill very similar to one of last session's legislative proposals.

"The bill could have done more for our schools and could have been less costly

to our taxpayers," said 30th District State Senator Steve Carriker (D-Roby). "But I guess that we're lucky to have any kind of school finance plan at all considering the

mixed signals, flipflops, and political chicanery coming out of the governor's office for three solid months."

Senate Bill 1, which is virtually identical to the bill twice vetoed by the governor, represents a compromise that moves toward financial equalization. While bolstering state funds to poorer districts, most of them will still be short of the state revenues that full equalization would provide. Wealthier districts will be protected from tax shock by phasing in re-

ductions to their state aid.

Locally, SB 1 impacts local school districts as follows in terms of state aid increases for the coming school year: Motley + \$101,180.

Senator Carriker went on to say, "It's a shame that this bill, which could have been adopted in a single week with the cooperation of the governor, took us four special sessions to enact and still leaves Texas school children at the mercy of the courts. We've simply got to do better for our public schools."

Skin Cancer Risks Increase With Exposure

About 400,000 new cases of skin cancer, the most common form of human cancer, will be diagnosed in the U.S. this year. According to health officials, most of them will result from repeated overexposure to the sun's rays.

If scientists are correct, because air pollution has begun to destroy the planet's ozone layer, skin cancer may be even more common in the future. Therefore, the Texas Department of Health (TDH) urges Texans to take special precautions.

Dr. Patti Patterson, TDH Acting Associate Commissioner for Personal Health Services, said, "Texans are used to the outdoors, and they sometimes accept sunburn as no more than temporary discomfort. But each sunburn contributes to permanent radiation damage that may go unnoticed, sometime for years."

Dr. Patterson stressed that repeated ill effects from the sun are cumulative. "Every individual has his own tolerance for how much of the sun's ultraviolet light he can stand in a lifetime." She explained that children and older people, especially those with light skin, generally have a lower tolerance to overexposure than people with dark skin. She added, though, that even dark-skinned people have their limits.

Dr. Patterson said that the likelihood of skin cancer increases with age. Warning signs include sores that do not heal or any unusual skin condition, such as a change in size or color of a mole or birthmark.

The American Cancer Society recommends a monthly skin self-examination for symptoms. Teens and adults should use a full-length mirror and hand mirror to study the whole skin carefully for overall condition and tiny changes, including the skin of the scalp and between the toes. Parents also should thoroughly examine their young children. Any noticeable change warrants a medical opinion.

To reduce the risk of overexposure to the sun, Texans are advised to:

- * Wear protective clothing, including hats, long sleeves, even gloves.

- * Choose - and use - sunscreens which are best suited to skin sensitivity. Apply a waterproof sunscreen (rated 15 or higher) at least an hour before going into the sun, and reapply after swimming or heavy perspiration.

- * Avoid sun exposure between 10 a.m. and 3 p.m., when the sun's ultraviolet rays are most intense.

- * Do not use sunlamps, booths or tanning pills.

"These precautions and plain common sense can help most people avoid skin cancer. And when people do develop skin cancer, they will find it early, if they routinely examine themselves," Dr. Patterson said.

She added that with early detection most cases of skin cancer can be cured.

Sarpalius Supports Constitutional Amendment Banning Flag Burning

Washington, D.C. -- Congressman Bill Sarpalius (D-Amarillo) announced today he will continue his staunch support of a constitutional amendment banning the burning or mutilation of the U.S. flag.

"The flag is a symbol of our country, a symbol of our freedom and people should not be allowed to burn it," the Congressman said.

"I support and will fight in Congress for a constitutional amendment that makes it illegal to burn the American flag as an act of vandalism," Sarpalius said on Flag Day.

The Congressman supported the original law banning flag burning passed by Congress last year. The U.S. Supreme Court overturned the law Monday saying it violated the right to free speech.

"I don't think the law is a violation of anyone's First Amendment rights," the Congressman said. "Everyone in this country is free to say what they want - they have the right to protest - just don't burn the flag while you're doing it."

Sarpalius, the 13th Congressional District Representative, said he will work to guarantee a flag-burning amendment passes in Congress.

Social Security Tips

by Mary Jane Shanes

If you work in social security covered employment, and almost everyone does, you should keep your records up to date. This means reporting circumstances that could affect your eligibility for, or the amount of, social security payments. Among the changes that should be reported is a change in name.

Newly married women may continue to use their maiden names at their places of employment. If you intend to use your married name, however you should report the change to social security and apply for a new social security card. Your new card, showing your old number but with your new name, will usually be issued within 2 weeks after we receive the information we need. This same advice applies if you've been divorced.

You can use your original or certified copy of your marriage certificate that shows both your old and new names for

social security purposes. If you are foreign born, you will also need evidence of United States citizenship or lawful alien status. Social Security makes no charge for a name to be changed in its records. Some firms advertise that they will provide this service for a fee; however, Social Security offers this service - as it does all other services - free of charge.

The process can be started simply by calling Social Security's toll-free telephone number - 1-800-235-SSA (1800-234-5772). The best times to call are 7-9 a.m. and 5-7 p.m. weekdays. Social Security treats each call confidentially. We also want to ensure that you receive courteous and accurate service. This is why we have a second social security representative listen to some telephone calls.

For more information or to file a claim call 1-800-2345-SSA.

Dickens Lions Club Rodeo Results

The Dickens Lions Club Rodeo, held in conjunction with the Dickens Homecoming, Friday and Saturday night, June 22 and 23, had a very good attendance.

There were over 160 contestants entered in the Rodeo. The results are as follows:

Bareback Bronc Riding: Greg Cook, Australia.

Saddle Bronc Riding: Phil Fox, Quanah.

Bull Riding: Mike Keith, Dickens.

Calf Roping: Shay Good, Lovington, N.M.

Steer Wrestling: Steve Fryar, Big Spring.

Team Roping: Billy Stevens and Twister Cain.

Girls Breakaway Roping: Lari Dee Guy, Abilene.

Girls Barrel Race: Kellie Nelson, Wellington.

Jr. Girls Barrel Race: Danelle Hartman, Abilene.

Open Ranch Bronc Riding: (Tie) Kelly Butler, Tongue River and Bryan Keith, Dickens.

County Ribbon Roping: Bruce Slover, Tongue River.

Handmade Silver Belt Buckles were given to the winners of the Open Ranch Bronc Riding and the County Team Roping. The donors of these nice Buckles were Spur Security Bank, Star Feed & Seed of Spur and First State Bank of Matador.

The Trail Ride went on as scheduled despite the extreme heat. Cookouts and dancing were part of the evenings entertainment. A good time was had by all and we hope to have a big and better trail ride again.

Also the Dickens Exes dance held at the new covered slab was well attended both nights.

The 10-year conservation reserve program since 1986 has idled 1.84 million highly erodible acres, 20.2 percent, of the 9.1 million cropland acres in the 25 High Plains counties represented by Plains Cotton Growers, Inc., Lubbock.

These figures from USDA's Soil Conservation Service (SCS) were evaluated recently by PCG along with CRP reductions in program crop bases supplied by the Agricultural Stabilization and Conservation Service (ASCS). Farmers who signed land into the reserve program have agreed to devote the idled acreage to conservation uses such as permanent grasses for a period of 10 years. In return USDA pays a share of the cost of establishing grasses or other cover crops and will pay yearly rental of up to \$40 per acre.

CRP crop base reductions reported by ASCS total only about 1.5 million acres. Although land bid into the program had to be used for program crop production from 1981 to 1985, SCS figures reflect total cropland area while ASCS numbers represent only crop base acres assigned to the same area. Thus a 100-acre cotton farm planted two-in, one-out would appear as 100 acres in SCS records but only 66.6 acres at the ASCS office.

The CRP has reduced base cotton

acreage in PCG territory by 774,720 acres, 16.7 percent of the area's 4.64 million acre total base. The remaining 724,634 acres of base reductions cover corn, grain sorghum, wheat, barley and oats. Bases are not lost, however. They will be restored to individual farms at the conclusion of their respective CRP contracts, beginning in 1995.

Most High Plains cotton acreage in the CRP is found on whole-farm CRP entries, PCG notes, citing ASCS figures showing less than 122,000 CRP acres on farms participating in the 1990 farm program.

With certain exceptions, the farm law limits acreage accepted into the CRP in any county to 25 percent of the county's total cropland. Eleven PCG counties have reached or slightly exceed the limit, including Bailey, Briscoe, Cochran, Deaf Smith, Dickens, Gaines, Martin, Motley, Swisher, Terry and Yoakum Counties.

Nationwide about 24 million acres have gone the CRP route through the nine sign-up periods from 1986 through 1989, and USDA has no plans to accept additional acreage unless the program is extended in the pending 1990 farm bill.

The accompanying chart shows total cropland, cropland in CRP, total base cotton acres and base cotton acres in CRP for each of the PCG counties.

Low-Income Households may be eligible for Energy Assistance

AUSTIN -- Some low-income Texans may be eligible for help in paying cooling bills this summer through the Home Energy Assistance Program, according to Texas Department of Human Services Commissioner Ron Lindsey.

Lindsey said the one-time payment is available to many low-income households. Applications for energy assistance were mailed to households that received food stamps, Aid to Families with Dependent Children, or Supplemental Security Income in May. If those households have at least one member with a medical condition that is aggravated by heat, they may qualify for assistance. Other low-income individuals may request an application by calling the toll-free number 1-800-252-8060 during the enrollment period of June 25 through July 31.

Eligibility is limited by gross income and resources. Aid is available for one-person household having less than \$598.49 gross income per month. The gross income limits are \$802.49 for households of two persons, \$1,006.49 for three, \$1,210.49 for four, \$1,414.49 for five, and \$1,618.49 for six.

Households are eligible if the cost for cooling is included in the rent payment or if the household pays a portion of its home energy costs.

Energy assistance checks are sent directly to the people who are eligible for assistance. However, the checks are made payable to the energy company.

Persons receiving one of these energy assistance checks should mail it or take it in person to the energy company business office with their regular energy bill. The check can be cashed only by the energy company. If the HEAP check is more than the energy bill, the additional amount will be credited to the person's account for the next month's bill. If the energy bill is higher than the check, the person is responsible for paying the difference.

Jesus said repent!

I tell you, Nay: but, except ye repent, ye shall all likewise perish.

Four Generations of Families Attend Flomot Churches

by Earlyne Jameson

EDITOR'S NOTE: This article was placed wrong in the paper last week, so we are running it again in its entirety. We are sorry for this mistake.

In a land of freeways, microchips and booming real estate development, a small community way of life will appeal to ex-residents of Flomot attending the Tri-Annual Flomot Homecoming, July 7-8, 1990. The population is expected to triple in this rural community during the festivities and class reunions.

In this sparsely populated community, two thriving gins and a Post Office are the only business establishments. However, Flomot has continued through the years to be a spiritual group with three active churches within the city limits. The Methodist, Church of Christ and Baptist churches have religious services each Sunday. They have special events including wedding ceremonies, music recitals, funeral services and programs. Tradition, limited financial needs and identification as families of believers have enabled these churches to keep their doors open.

Those not comfortable around skyscrapers would feel at ease in Flomot,

because the tallest building here is the Methodist Church built in 1917.

The Rev. W.A. Rodgers organized the first Methodist membership on the third Sunday in August 1893 under the branches of a huge cottonwood tree along the banks of the river north of present day Flomot. The first building of worship in Flomot was the Methodist Church, erected in 1906, located inside the Flomot Cemetery. Regardless of one's denomination, everyone was welcomed to attend the church services and the residents took advantage of this courtesy.

The first Methodist elders ordained were W.M. Martin and W.A. Martin. Other charter members were Lizzie Martin, E.B. Creach, Mandi Martin, Mollie M. Martin, Bettie, Callie and Ruth Karnes, Baron Martin. In 1893, The Rev. Bauchman, a Methodist minister received Mr. and Mrs. E.S. Martin and H.M. Martin into the church. About the year 1903, the church joined the Northwest Conference of the Methodist Church and has been a continuous member. Trustees of the Flomot Methodist Church today are Wilburn Martin, Bill Washington and Ronald Clay.

Through the years, the Flomot Methodist Church has shared a pastor with the Whiteflat, Quitaque and now the Lock-

ney Methodist Church. The religious services are held each Sunday at 9:00 a.m. The Rev. Tommie T. Beck of Stanton replaced the Rev. Robert M. Kirk, who served the church the past four years, June 1990. They have approximately 32 members attending today including great-grandchildren of the original founders.

The Church of Christ in Flomot was established in 1925. The present building was erected in 1928. Early day members were L.M. Gunn, Don Calvert, W.D. "Dud" Graves, Guy Waters, Barney Martin, Billy Isbell, Jess Browning, Smith Purdy, Lee Stegall, Neal Smith, James Kimbell, Harry Folly, Sam and Ben Jones and Houston Gunn. Serving on the administrative board of the church, today are Ray, Donnie and Darrell Cruse, E.J. Browning, Tom Ross, Eldon Martin, Larry Clifton and Brand Cruse as the youth delegate.

Families today have four generations attending the weekly services at the Flomot Church of Christ. They have an attendance of around 30 or more each Sunday. Out of town ministers conduct the religious services on a designated Sunday of each month.

Members of the Flomot Baptist Church organized on August 27, 1914. They worshiped in the upstairs room of the new

school building until the fall of 1916 when they moved into a new building not yet completed. Mr. and Mrs. A.L. Clements donated the land for this church site and dedication services for the church were held March 10, 1917. The first church services attended in the present day Baptist Church were held September 1, 1957.

Charter members of the Flomot Baptist Church were Mr. and Mrs. F.S. Bourland, Mr. and Mrs. A.L. Clements, Mr. and Mrs. W.E. Clements, I.E. Clements, Price Kirkland, Mrs. Lou G. Kirkland, Mrs. Ada Purdy, Mrs. Lola Hays, Lela Kirkland, Mr. and Mrs. W.A. Kirkland, Mrs. Tommy Smith, Violet Stegall, Mrs. Ada Simmons and Ella Simmons. Deacons of the Flomot Baptist Church, today are Wayne Hunter, L.E. Shorter and Herb Martin. The Rev. Nathan Mulder of South Plains is the pastor.

Only one time in the history of the church have they shared a preacher with another church. This was with the Whiteflat Baptist Church from 1926 until 1934. The first pastor to live in the new parsonage was the Rev. J.E. Eldridge.

The Baptist Church as both Sunday morning and evening church services. They have 45 resident members. Members present religious services the second and fourth Fridays of each month at the Care Center in Lockney. Bible School for the youth of the community and church revivals are held during the year. The church observed their 75th anniversary, August 6, 1989 with special services.

When other rural churches are closing their doors, Flomot is to be commended for having three churches with faithful attendance in this small community. They tend to identify as family-like groups.

The 1990 Flomot Tri-Annual Homecoming church services, arranged by Wilburn Martin, will be held at 11:00 a.m., Sunday, July 8 in the Flomot Community Center building. Everyone is extended a cordial invitation to attend the services.

DAVIS FAMILY HOLDS REUNION

The Annual J. J. (Pappy) Davis Family Reunion was held Saturday and Sunday, June 23 and 24, 1990 in Roaring Springs at the Old Settlers Pavilion. Due to a death in the family recently, there were only 20 attending the weiner roast, where homemade ice cream and cake was served on Saturday night.

A covered dish lunch and worship service was held Sunday. A business meeting was held after lunch. President James Smith and Secretary-Treasurer, Lester Mullins were in charge. They were elected to serve another year.

Those attending were Jimmy McCleskey and daughter-in-law, Linda; Mr. and Mrs. James Ray Smith of Johnson, Kansas; Sandra Miller and daughters, Tonie and Amy of Garland; Mr. and Mrs. Robert Goodnight of Floydada; Mr. and Mrs. Lester Mullins of Hereford; Mr. and Mrs. Leslie Mullins, Brandy, Michael and Christopher of Lubbock; Daisey Smith of Matador; and local residents, Mr. and Mrs. Wylie Lee and Odessa Mullins. Of the eleven children of Pappy Davis, only 3 families were represented.

Mrs. Max Heinley left for her Manhattan, Kansas home Monday after visiting her aunt, Miss Freda Keahey for the past week.

Visiting Mr. and Mrs. Harry Patten last week were her daughter and family, Mr. and Mrs. Arnold Wayne (Linda) Parker, Tara and Erica of O'Donnell, also Harry's brother, Henry Patten of Grand Lake, OK and his daughters, Donna Tipton and Mr. and Mrs. Ronnie Washington of Venita, OK

Visiting Mr. and Mrs. Ted Sedgwick the past week were their daughter and two daughters, Mrs. Gordon McGee, Brandy and Katie; also visiting were their son, Jerry Don Sedgwick and son, T.C. of Amarillo.

LONGTIME RESIDENT DIES

This community lost another highly valued citizen last week with the death of Harold Brantley; former city secretary and water superintendent. Sympathy goes out to his family from his many friends.

Mr. and Mrs. Sam Bannister of Plainview visited her sister and her husband, Mr. and Mrs. John Green at their home here Wednesday of last week. Among the people the ladies called on Wednesday were their brother and his wife, Mr. and Mrs. Buck Marshall and their longtime friend, Mrs. Roxie Lewis. IN HOSPITAL

A.D. Moseley is a patient in the Central Plains Hospital in Plainview where he was admitted with heart failure, Wednesday, June 27.

His wife, Velma, daughter and family, Mr. and Mrs. James (Wanda) Davis of Lamesa and Mr. and Mrs. Coy Dunn of Dimmitt have been with him during his hospitalization.

ATTENDS 50TH CLASS REUNION

Mr. and Mrs. Tom Ross and Aleda Elaine attended his 50th High School graduation class reunion, Friday and Saturday, June 22-23 held at the American Legion Hall in Willow, Oklahoma. All members of the class are living and attended, except one who lives in Florida. Their class sponsor, Harvey Heffel and wife also attended the celebration.

The Ross family visited in Oklahoma City, Sunday with Mr. and Mrs. Elmer Tyson, Mr. and Mrs. Calvin Rees and Mrs. Ruby Petty. They toured the state

capital, Cowboy Hall of Fame and Western Heritage Center. En route home, they enjoyed the tourist attractions in Indian City USA near Anadarko, Fort Cobb and Chickasha. They returned home Tuesday night.

Mr. and Mrs. Tommy Morris of Breckenridge visited last weekend with his family, Mr. and Mrs. Wendell Morris, Mr. and Mrs. Billy Morris and daughters and Mrs. Doris Morris. They, also visited in Lockney with Mrs. Hattie Snow. Other visitors were Ms. Tim Lane and daughter of Plainview and Mr. and Mrs. Billy Green and children of Roaring Springs.

Mr. and Mrs. Eldon Martin and Lori of Quitaque visited the weekend with Mr. and Mrs. Alfred Martin.

Tom Ross was in Margaret, Friday and Saturday for a family Work Week to help clean the grounds at his family estate park located on the historical Pease River Battle ground. The Baker family will hold their 56th annual reunion, Sept. 1990.

Mr. and Mrs. Herb Martin and granddaughter, Keri Shorter visited in Tulia, Sunday with Mrs. Lillie Tanner.

Mrs. C.W. Starkey, Mrs. Jack Starkey and Mrs. Marvin Starkey were in Amarillo, Friday attending to business and visited in Canyon with Mr. and Mrs. Michael Starkey and children before returning home.

Art Green visited in Silverton, Saturday with son and family, Mr. and Mrs. Steve Green and daughters and enjoyed attending the Silverton Stampede.

Russell Rhodes of Amarillo visited from Friday until Tuesday with his grandparents, Mr. and Mrs. L.E. Shorter. He, also visited Mr. and Mrs. Clois Shorter, Cindy, Christi and Keri.

Dinner guests of Mr. and Mrs. Wayne Hunter, Sunday night were Susan Hunter and fiance, Steve Smith of Austin, Anita Hunter of Lubbock, Mr. and Mrs. John Spear of Floydada and H.G. Hunter of Quitaque. Susan and Steve continued to Colorado, Monday.

REMINDER OF CLEAN UP DAY

Area residents are reminded to be at the Community Center building, Thursday, July 5 (today) for Clean Up Day in preparation for the Flomot Homecoming, July 7-8. Your help will be appreciated with this community project!

HOME FROM EXTENDED TOUR

Mr. and Mrs. Wilburn Martin returned home Friday, June 29 from a seventeen day Golden West Tour that included tourist attractions in California, New Mexico, Utah, Arizona and Nevada.

Along the southwest route, they enjoyed the Painted Desert and Petrified Forest before arriving in Holbrook, Arizona. They continued to Flagstaff into the depths of Oak Creek Canyon, known as "Grand Canyon With A Road" and viewed a dramatic sunrise at Grand Canyon National Park and the Colorado River.

The five hour Rainbow Bridge Boat Tour on Lake Powell was exciting and the natural wonders of pretty formations along the banks were beautiful. Ten to 15 pound fish leaped for the cracker bits the tourists threw into the water.

The chief attraction in Utah was the Zion National Park which they entered through a 1.5 mile tunnel. They were impressed by the various formations, resembling temples, cathedrals and thrones discovered by the Mormons. Their guide here was a retired teacher from Monahans, Texas.

After leaving Las Vegas where they saw the show Jubilee at Bally's, they traveled into California through Barstow across scenic mountain range to Bakersfield, up the valley to Fresno and toured King's Canyon National Park and Se-

quois National Park. The seals at Carmel were a delight to see.

The rustic accommodations at Yosemite National Park were wonders of wonders. They were entertained by the amusing antics of an uninvited raccoon at their lodgings.

Highlight of the trip in California was touring the fantastic Hearst Castle, visiting the Danish community, Solvang near Santa Barbara and viewing the colorful Fire Works Display at Disneyland in Anaheim. The disastrous fire at Santa Barbara ignited the day they left and they should still see the billows of smoke when in Arizona.

Mr. and Mrs. Martin said the natural springs and lakes and the soft colors blending in the canyons were quite a contrast to the arid and harsh land on the Indian Reservations where they raise sheep and goats. They experienced high temperatures of 123 degrees in Phoenix and 112 degrees in Los Angeles. Food was costly in California due to a four year drought. The lack of moisture was noted all along the tourist route.

En route home, they had a Farewell Banquet in Las Cruces, N.M. They returned home adding names of new found friends in their address book and mementos and pictures in albums with their previous tours.

THE VISITED PLANET

Our planet was visited by the Almighty One, in person of Jesus of Nazareth when he was born in Bethlehem almost 2,000 years ago. The babe was God the Son, the person called, The Word. "In the beginning was the word, and the Word was with God, and the Word was God...and the word became flesh and dwelt among us. (John 1:1, 14)

He came here because the whole world was in a perishing condition caused by sin, and God cared. "For God so loved the world, that he gave his only begotten son, that whosoever believeth in him should not perish, but have everlasting life". (John 3:16)

No other person in heaven or on earth could have purchased salvation for man. That's how deadly powerful sin is. "Neither is there salvation in any other..." (Acts 4:12). "And the Lord had laid on him the iniquity of us all...For the transgression of my people was he stricken." (Isaiah 53: 6-8)

We present your Savior, Jesus Christ. The Savior stands at your heart's door and knocks. He will not force his way in. You must respond by "the obedience of faith" (Romans 16: 26; 5:1; 6:3, 4, 17, 18).

Learn about Jesus and his plan for you. Be with us Sunday at the Matador Church of Christ. Study God's word with us in class beginning at 10:00 a.m. and in the sermons at 11:00 a.m. and 6:00 p.m. You are always welcome at the Church of Christ.

NOTICE OF RATE CHANGE REQUEST

Cap Rock Telephone Company, Inc. hereby gives notice that on May 15, 1990, the company filed with the Public Utility Commission of Texas a request to reduce rates for certain optional services. These changes may become effective as early as June 19, 1990. Rates for local service will not change as a result of this filing.

The proposed changes include reductions to both the recurring and the non-recurring rate for Tone Dialing service and Custom Calling services. The Company also proposes to reduce the nonrecurring rate for Nonpublished Telephone Number service. In addition, the Company proposes to waive the Service Connection Charges associated with Custom Calling services for 90 days from the date the new services become available in the remaining exchanges that do not currently offer Custom Calling Services.

It is estimated that the proposed changes will result in an annual revenue decrease of approximately \$3096.00 or a decrease of .001% of Cap Rock's annual revenues. Existing tone dialing and custom calling service customers may experience a rate reduction as a result of the proposed filing. Persons with questions or who desire more information about the proposed filing are encouraged to contact the company by telephone at (806) 271-3336 or in person at 121 E. Third St., Spur, TX 79370. A complete copy of the filing will be available for review.

The Public Utility Commission of Texas has assigned this matter to Docket 9555. Persons who wish to intervene or otherwise participate in these proceedings should notify this Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.
