## Preserving Birds and Wildlife In Area is Subject of Program

Matador Garden Club met with Mrs. W. F. Jacobs for the March 20 meeting, with Mrs. Freeman Thacker as leader. Subject for the program on conservation was, "Preserving the Birds and Wildlife in Our Area." Ronald Vandiver, Game Management Officer, showed slides and gave facts and information concerning the birds and other wildlife in this area. These included slides of bobwhites, turkeys, turkey eggs in the native nest, woodpeckers, antelopes, Aoudad sheep, prairie dogs, and mule deer.

He mentioned the small herd of antelope on a game preserve west of Matador, and stated that there are between 600 and 800 Aoudad sheep in nine counties in this area. "They live in places that are hard for deer to traverse," he explained, adding, "Mule deer were introduced between 1963 and 1968 and their number is increasing."

The first slide was taken at sunrise, which Mr. Vandiver said, is the best time of the day for seeing wildlife. There are probably more than 60 roosts of wild turkeys in the county, he said. He also informed the club that there are more turkeys in Motley County than in any adjoining county, and that his department is in the process of counting these birds. The slides showing turkeys going to roost at sunset were quite outstanding, and pretty.

Excerpts from the program presented by Mrs. Traweck were from her forthcoming book, "Of Such As These," a history of Motley County and its families, which abounds in these legends and in the history pertinent to this area. Many families of Floyd County are also mentioned in her book.

Mrs. Traweck said when the Texas Republic was being established, this section of Texas was only a part of a vast expanse of Comanche territory - yet no spot is more typical of the early day cowboy or of pioneer spirit.

The colored women are engaged in a series of projects, under the direction of other women of the community, and the supervision of Mrs. Mable Barrett, head of the Community Action Center.

Currently, Mrs. Carl King is demonstrating bread making as a project of the Arts and Crafts Club, and meets with the women each Friday at 2 p.m.

Starting with basic white bread, the demonstrations have included the use of sweet dough, and tomorrow, she will bake French bread and start yeast for sour-dough bread for next week.

"She is a wonderful person and instructor, and we are greatly helped in learning to make such an assortment of breads," declared Mrs. Barrett.

Among those who have assisted the women of the colored neighborhood, in various crafts and studies, are Miss Verlin Reeves, Mrs. Bernice Knight, Mrs. Algie Groves, Mrs. Ward Rattan and Mrs. Jerlene Pitts.

All women of the neighborhood are invited and urged to attend these meetings each Friday afternoon.

**IN APPRECIATION**  
We appreciated your cards and other get-well messages, flowers, cards, visits and calls during my stay in Methodist Hospital, following my recent surgery. Your thoughtfulness in remembering us in so many ways will always be remembered with gratitude.  
Alvin Stearns (2)

**CARD OF THANKS**  
We want to express our sincere gratitude for the food, the flowers, the cards and visits, the memorial contributions, and the love expressed in many ways by Mary's friends at the time of her illness and death.  
The Family of Dr. Mary Traweek Potter (2)

**CARD OF THANKS**  
We want to express our many thanks for everyone's concern, your flowers, letters, cards and phone calls, and especially for your prayers during the time of Malcolm's and Dean's illnesses in Groom Hospital. May God bless you all.  
Malcolm, Lola and Johnny Turner, Flomot, Texas (1)

**CARD OF THANKS**  
The thoughtfulness of friends and especially your prayers during Sue's long illness, and the food prepared for us, the lovely floral offerings and cards and messages of consolation at her passing were deeply appreciated. May we take this means to express our gratitude to those who remembered us in any way, and may God bless each of you.  
The Family and Relatives of Sue Kathryn Glenn (2)

**THANKS TO FRIENDS**  
To my old friends in Matador, who have been so loyal many times during my illnesses, who have sent me get-well wishes and letters of hope, I say "Thank You from the bottom of my heart!"  
I've many friends over West Texas and many new friends in South Texas, but I consider my old friends who have been in the making for 47 years in Matador, my truest and best.  
My home and all that God has blessed me with, are in Matador, and Matador is going to be my home all the rest of my life. Health reasons keep me away from Matador most of the time, but my longings are there. My prayer is that my health ailments will soon improve when I can stay in Matador most of the time. Helen and I enjoy Matador very much.  
I am now in Nichols Hospital Plainview, only 60 miles away, but doctors orders are that I must not go there now on account of dust and allergies that I cannot bear. So, this time, Dr. Nichols is flying me back to Zapata, Friday, where we expect to stay until June 1st, and then return to Matador, where all my roots for 47 years have been.  
If there is a blessing in being ill, it is hearing from old friends, who have gone separate ways for many years, as I did, and had never forgotten me. God bless you and keep you always.  
Claude Harp (1)

**NOTE OF THANKS**  
I wish to thank everybody for their cards, phone calls, visits and for the many nice things

done for me during, and following my hospitalization.  
Mae C. Fletcher (1)

**THANK-YOU NOTE**  
I wish to say "Thank you" to friends for remembering me with cards, flowers and calls, and for making my birthday a happy occasion. I appreciate very much, these expressions of your friendship and love.  
Mrs. Claud Jeffers (1)
