The altar area for the candle-light ceremony was centered with an archway accented with pink carnations, multicolored daisies and greenery, with wedding bells at the top, and a white dove on each side. Completing the setting were cathedral candelabra in the background, and baskets of white princess gladiolas, multicolored daisies and hot pink carnations and greenery at each side of the arch.

Bridal aisles were marked with nosegay bouquets, complimented with white gladioli and hot pink carnations, caught with two-toned pink satin bows. Pews for the parents were designated by pink candles.

Mrs. Stanley Degam, pianist offered wedding selections and accompanied Mrs. O. R. Stark Jr., of Quitaque, who sang, "Twelfth of Never," and "The Wedding Prayer," as benediction.

At the conclusion of their exchange of vows, the couple extinguished two lighted tapers, symbolic of their separate lives, which flanked a memory candle on a wrought iron stand, and which they lighted together as symbolic of their wedded state. The memory candle will be a moment to be lighted on the couple's future wedding anniversaries.

The chapel length train, edged with scalloped lace and seed pearls, was attached at the waistline. The bride's veil of English illusion was also chapel length and was attached to a Cleopatra headpiece of peau de soie roses sprinkled with seed pearls.

She carried a victorian bouquet of pink sweetheart roses, multicolored daisies and hot pink carnations combined with pink wedding lace leaves and tied with gown-length satin streamers of hot pink. Candlelighters were Misses Sharon Hurst of Pampa and Margie Jackson of Greenville.

The little carefree car. Pinto is sized small, like the economy import, but it's bigger on value. And price is only the beginning. Pinto calls for only half as many oil changes as VW. One-sixth the chassis lufes. So easy to service that you can do most routine maintenance yourself. And Pinto is bigger on performance. It has a 75-hp engine that has averaged over 25 mpg in simulated city/suburban driving. Sports-car type rack-and-pinion steering. Wider stance and lower silhouette.

The Simple Machine. Maverick's price makes it simpler to own than Nova. But that's not the only reason we call it the Simple Machine. Maverick's simple to drive and park because of its shorter wheelbase and smaller turning circle. Simple to service because it's been designed that way. Maverick offers a 4-door sedan for a low price of \$2235\* (\$145\*\* less than Nova 4 door). Or choose the sporty Grabber model. A choice of an economical V-8 and three thrifty Sixes.

It's easy. If an agent represents many companies and handles all types of insurance, you know he is fiercely independent. He isn't tied to any one company and by representing many, he can place your business where it's best for you. Working on a commission basis he represents only your interests.

And if he lives in the community, he's local. A local, independent agent is hard to beat.
