#### Ward Store Anniversary Is Observed

Montgomery Ward & Company, with a successful year in Big Spring to its credit, today observed its first anniversary in the city. Manager L. A. Hirsch Saturday declared the company had repeatedly expressed surprised satisfaction at the showing made by its store.

It is the only one of the Montgomery Ward & Company retail stores in the United States that has won two cash prizes this year in sales competition, and has been outstanding in sales perfection and appearance.

Mr. Hirsch has been in charge since January 1, succeeding V. J. Higgins. The store consistently has been one of the leaders in the district, which includes the northern half of Texas and parts of New Mexico and Oklahoma.

"Our policy has always been to employ local people in every position possible," said Mr. Hirsch. "A large majority of our employees are local people, who reside in local homes."

This is the 35th year of the Montgomery Ward & Company's history, and the fourth year in the retail chain store field. The first retail store was opened in Maryville, Kansas.

C. L. Etzelon, district manager, visited this store Thursday. His district includes 21 stores, with headquarters in Fort Worth.

"You are running a real department store here," Mr. Etzelon told Manager Hirsch. "I am particularly impressed with the high type of personnel and splendid appearance of it."

The seasonal decline in sales that is always expected during July and August failed to develop here to the degree expected, said Mr. Hirsch. Although these months were not marked by a heavy volume as May and June, the difference lacked considerable of being as great as had been planned for.

There are 28 regular employees in the store, including the manager and his staff. Of these eleven have been in his service here since the store was opened a year ago today. They are J. S. Sewell, acting assistant manager; Hayden F. Griffin, second floor manager; Joe S. Carpenter; Lowell White; Mamie Padgett, mezzanine floor manager; Pattle Burns, Vera Valdez, Elvira LaVelle, Josephine Tripp, Isaac Banks, A. W. Hickler.

Other employees are Archie Clayton, J. E. Armstrong, W. H. Cook, Ralph Weed, W. N. Sullivan, Frances Crawford, Dorothy Strupp, C. R. Russell, first floor manager; Velma Murphy, E. R. Howell, Vera Mae Graham, M. E. Moody, display and advertising manager.

Myrtle Sterling, who has leased the hotel shop in the Settles hotel, announced Saturday that she would install the only Modern Craft equipped shop in West Texas in a shop will be on the mezzanine floor in commodious quarters and will be done in oak, green and ivory. All furnishings will be in strictly modernistic design.

Three graduate operators will be retained and will be prepared to do any kind of work known to beauty culture. Facials and scalp treatments will be specialties. Exfoliations will be had to treat effectively all types of skin and scalp diseases and the proprietress.

Equipment is expected to arrive here today or Monday and will be installed within the week. Furniture has been purchased of the Fix Furniture & Hardware company.

Durham; Utson, Judge Chas. E. Utson, C. P. Coulter. Metcalf was instructed to open state campaign headquarters at San Antonio.

All we want is simply justice, declared Ewing Thompson, former member of the "house of representatives, and Democratic nominee for congress.

Col. Tom Perkins, of Alpine, eighth district chairman of the West Texas Chamber of Commerce, announced that he had been advised by officials of that organization to offer the commission on the disposal and to help conduct the campaign until the 31st of October. This statement was greeted by so he levied would be paid out of the general revenues of the state, which appraised.

Metcalf pointed out that the amount paid would be fixed by the state tax board and money paid to the 17 counties in which 200,000 acres of university lands are located.

These counties and the university land acreage are as follows: Andrews, 25,400 acres; Comanche, 100,000 acres; Crockett, 150,000 acres; Garza, 100,000 acres; Goliad, 100,000 acres; Kinney, 100,000 acres; Mitchell, 100,000 acres; Pecos, 100,000 acres; Terrell, 100,000 acres; Upton, 100,000 acres; Ward, 100,000 acres; Winkler, 100,000 acres.

### Completion

(Continued From Page 1)

Completion of every thing for the dentists' conclude Friday and Saturday. The main ballroom had been finished Saturday, including the stairs and final touches to the floor. It is due to start the principal "knock out" men, arena and dancers at the dental meeting on the formal opening.

Mr. Crow said last night organization of a non-denominational men's Bible class to meet at the hotel Sunday mornings was nearly completed.

# Constance Bennett Heads "Common Clay" Cast

## Love Story Of Girl Stirring Topic Of Play

With the talented Constance Bennett in what many acclaim as her greatest role, "Common Clay" comes to the Ritz Theatre today, Monday and Tuesday, a gripping story of a pleasure-loving girl whose mistakes and subsequent attempts to redeem herself bring about poignant drama.

Manager Robb of the local film palace expects this Fox movie production to create something of a sensation here, since the original Harvard prize play by Cleves Kinkead has been one of the most popular and significant stage offerings of the last twenty years, and the screen version retains all the intensity of the footlight drama.

The opening sequence shows Miss Bennett as a "hoiuse", at a speakeasy, not because she is inherently vicious, but because of her love for gaiety and dancing. When the place is raided by the police and she is arraigned in court, the dangers of her career become clear, and she decides to abandon it for something less exciting and more respectable.

This she seeks as a maid in a fashionable home but her beauty and her past reputation serve to make her the prey of the young heir of the house home from college for the summer. After vainly trying to convince him of her intentions she falls in love with him, "not wassily but too well." When her baby is born she appeals to him, but is ignored, both the boy and his father believing she is only a "gold digger."

Forced to seek legal assistance in obtaining justice, she is offered a large sum but refuses, telling them that she wants a name for her child rather than money. This results in the boy's attorney bringing out her police-court record, much to the dismay of her own lawyer. He, however, turns the tables and "tosses" them that since she is under \$20,000, their witnesses, including the boy's own father, had known her during her speakeasy days, will be prosecuted on criminal charges.

At the trial the girl's mother is compelled to admit that she is not her real mother after all, but that the girl is the child of a friend who committed suicide rather than being strangled by the man she loved. Since there is no record of the girl's existence, the entire case is thrown out of court.

Summoned to the attorney's home the next day however, the girl, wearing of the apparently hopeless fight for justice receives some startling revelations which culminate in a climax of unusual power and feeling as well as bringing her some measure of the happiness she has craved.

Miss Bennett's remarkable emotional ability has plenty of room for expression in this picture and her able work is brilliantly depicted in "Last of the Duanees," the chief male role of the box office smash—the attorney with David Menest as the mother and Mattie Kemp, Hal Hamilton, Paul B. Pratt, Charles McGowan, Ada Williams and Genevieve Blinn all do excellent work.

Victor Fleming, the maker of such hits as "The Way of All Flesh," "The Virginian," "Mantrap" and "Soft Song" directed the production, with Jules Furthman writing the screen play and dialog from the Kinkead drama.

Commencing on Friday inclusive, two sub-machine guns, which will be used by specially trained men in substituting any possible gangster outfits that may occur in the future.

## John Boles And Laura La Plante Returning Here

"Captain of the Guard," the biggest all-sound production so far attempted in the motion picture industry, which will play the Ritz Theatre Wednesday and Thursday, is a dramatic musical spectacle of the French Revolution, co-starring John Boles, singing star of "The Desert Song," "Son of the West," "Rio Rita" and others, and Laura La Plante.

It brings Charles Wakefield Cadman, America's foremost composer, to the singing screen for the first time with specially written songs which will become immensely popular because of their haunting melodies.

And The Marseillaise itself, the dramatic national hymn of the French nation, is dramatized both in pictures and music to a height of intensity that sweeps every emotion before it. The song is the theme behind the picture, the immortal music that carries forward both the beautiful love story between Boles as Rouget de Lisle and Miss La Plante as Marie Marnay who becomes the flaming leader of the early revolutionists, known to them and to the whole of France as "The Torch."

It is "La Marseillaise," also, which carries forward the tremendous drama of the revolution itself, pictured in the film by huge battle scenes between the revolutionary mobs and the King's trained guards, in which as many as 7,000 players, all in peasant costumes or brilliant picture-queue uniforms, were used at one time.

And it is to the newly-created, inspiring tune of La Marseillaise that the heroic men of Marseilles, marching night and day as they sing it, reach their revolutionary brethren just as they are being driven back by the King's soldiers, carry them on with their invincible song to victory.

All of this has been caught for the screen by John S. Robertson, the famous motion picture director, who has succeeded in picturing not only the immortal march and the terrific battles themselves, but the spirit behind them which made them possible. And he has caught, too, the tremendous pathos behind the love of Rouget, a captain in the King's Hussars, for Marie, "The Torch."

Interspersed throughout the picture are gorgeous spectacle scenes in music of the old peasant folk, dances by torchlight, of the quaint customs and dress of the rustics, and beautiful, romantic love scenes between Boles and Miss La Plante. His magnificent voice is heard to its greatest possible advantage in the varying moods of the picture; in the tender love songs of Cadman's and singing La Marseillaise itself as he composes it.

Many huge sets were used in making the picture, an entire French village, the enormous banquet hall where Rouget joins his regiment magnificent settings in the King's palace, the garrison and the dungeons below, all of which were constructed authentically for the period, and which add materially to the appeal of the film. Every costume, every uniform, every prop in the picture even down to the muskets and cannon, are exact reproductions and there are literally thousands of them.

Besides Boles and Miss La Plante, such celebrities as Sara de Grassie, Lionel Belmore, Stuart Holmes, Evelyn Hall, Murdoch McQuarrie, Claude Fleming, George Hackathorne, Richard Cramer, Harry Burkhardt, DeWitt Jennings, and many others appear in important roles. "Captain of the Guard" is an original screen story by Houston Branch, noted playwright.

## Stage Star Cast Leader

It is far more difficult to act in talking pictures than on the stage. Such is the opinion of Belle Bennett, stage and screen star, who portrays the role of Marie in "Recaptured Love," the Warner Brothers and Vitaphone production which will be at the Queen Theatre Wednesday and Thursday.

"On the stage," declares Miss Bennett, "the artist, in order to give the best performance, actually lives the part. There are no interruptions and it is possible, I have found, to keep in character during the whole play. Between acts you may relax and rest."

"But in pictures it is different. A scene is rehearsed several times and the players are able to perfect their lines and action. When they are keyed up to the proper nervous pitch the director orders the 'take.' The cameras start grinding and the recording apparatus is put into operation. Everyone is in the correct frame of mind and the scene proceeds splendidly until—a fuse blows out—someone drops a hammer—a camera jams—or some other incident which necessitates the ending of a scene and results in excitement and confusion.

"It is like a dash of cold water in your face and it is quite difficult to start the scene all over again. It doesn't take long, however, until you become fit to the interruptions and can give as good a performance as on the stage."

FAME IS INSTANT Six months ago Lew Ayres was almost unknown on the screen. His instant success in "All Quiet on the Western Front," has made him one of the most sought-for juveniles in Hollywood. He plays the masculine lead opposite Constance Bennett in "Common Clay," directed by Victor Fleming for Fox movie production with the Ritz Theatre.

## Miss Compton Is Introduced

With few exceptions, every motion picture actor and actress in Hollywood confesses to a love of animals, but Joyce Compton, beautiful and talented young woman who portrays a role in "Wild Company," Fox Movietone romantic and emotional drama, is one of the few who gives concrete evidence of the fact.

Miss Compton not only loves animals but is so enthusiastic over kennels at her Hollywood estate of both dogs and cats, Belgian griffons and Persian cats. In "Wild Company," a coming attraction at the Queen Theatre Monday and Tuesday, Miss Compton portrays the role of Henry Grayson's daughter and Frank Robertson enacts the role of the son who, as the result of a flirtation with an intriguing cabaret singer, becomes involved in a robbery and murder.

H. B. Warner appears as the father and Claire McDowell plays the mother. Sharon Lynn lends herself to the role of the mendacious cabaret singer and others of prominence in the cast are Frances McCoy, Bela Lugosi, Kenneth Thomson, Richard Keene, Mildred Van Dorn and Bobby Callahan.

The picture was directed by Leo McCarey, with Albert Rockett, associate producer, in general charge of the production.

From Salads to Roasts—You'll enjoy the Herald Cooking School this week. Starts Tuesday afternoon—adv.

## Queen Offers Sweet Mama

The attraction at the Queen Theatre Friday and Saturday will be "Sweet Mama," a First National picture presenting Alice White in the principal feminine role.

A new leading man, David Manners, plays opposite at the head of a fine supporting cast. Among others in the picture are Kenneth Thomson, Lee Moran, Rita Flynn, Richard Cramer and Ralph Elliott. "Sweet Mama" presents an entirely new slant, it is said, on the always interesting dramatic possibilities of gangsters and their chorus girl friends in modern big town life. It has been treated with the utmost truth and realism by both its author, Earl Baldwin, and its director, Edward Clive.

The combination of a gangster melodrama and the spicy, realistic peek into the lives of chorus girls and cafe entertainers gives "Sweet Mama" a role that is said to be one of the most effective in her sparkling career as "America's blonde flapper girl friend."

DIRECTOR CONFESSES Eddie Clive, noted cinema director who megaphoned Alice White's latest First National and Vitaphone feature, "Sweet Mama," a coming attraction at the Queen Theatre, has at last divulged his real name. He's Edward Clive, of County Cork, Ireland. He entered films as a Sennett comedy star.

Five British grocery chains plan a merger which will include about 6,000 retail stores.

FORT WORTH, Tex., Sept. 13.—Crews today were clearing away the wreckage of two E. Island freight engines which crashed head on at the north limits of the city last night.

Three other trainmen were injured. Thomas E. Christopher, engineer, suffered minor bruises leaping from his cab. F. E. Milbraken, suffered body cuts.

Asheville, N. C. and the novels of Captain Marryat. The captain is a rollicking realist whose praises do not have to be sung afresh for older lovers of the sea.

Why do you not emphasize in your answers the relationship between religion and bodily health? Has not the Church neglected this all-important matter?

Nevertheless there is a special need for the reverent study of the relation of religious ministrations to the maintenance of physical and mental health.

Worn out and erogenous ideas about God and human life are a prolific cause of severe mental depression. As I see it wise and patient pastors are obliged to deal with the miseries such misdirections create.

What did St. Paul mean when he wrote the 1st Epistle to Timothy, 5th Chapter, 24th Verse: "Some men's sins are open beforehand, going before to judgment, and some men they follow after?"

Will C. Hogg, Son Of Famed Governor, Dies In German Hospital

HOUSTON, Tex., Sept. 13. (AP)—Will C. Hogg, 55, son of the late former Governor Stephen S. Hogg and millionaire Houston oil man, died yesterday at Baden Baden, Germany, according to a cablegram sent to business associates here by his sister, Mrs. Irma Hogg.

Mr. Hogg, a brother, was unable to reach Baden today, to prepare for burying the body to automobile collision to which he had been injured.

Will C. Hogg was a native of Querman, Wood County, Texas. He was a member of the American Legion and a member of the United States Golf Association. He was a member of the family household at West Columbia, Texas, known for his civic and philanthropic activities and was a member of the board of directors of the Hogg Foundation for a trip planned to take him through many of the countries of Europe. He represented an operation in the Hogg Foundation.

RUSSIA SUDS UP AVENUE SKYSCRAPER

LENINGRAD, U.S.S.R.—The second skyscraper in Soviet Russia is planned for Leningrad, now one of the most distinguished cities in the country. It will be a 15-story modern building with a theatre and motion picture palace on the lower floors. Plans will be 1,000,000 square feet.

The building will tower like a giant in the center of a ring of lesser shops and office structures on the famous Nevsky Prospekt, now called the Avenue of the 25th of October.

Galveston Undertaker Killed When Struck By Rival's Ambulance

GALVESTON, Tex., Sept. 13. (AP)—Sam J. Levy, 59, Galveston undertaker, made his last ambulance call last night. As he stepped from his own ambulance, in answering an accident, an ambulance of a rival company struck him. He died in a hospital. A woman hurt in the collision, a collision to which he had been called, suffered only minor injuries.

TO IMPROVE TELEGRAPH LINES

CANTON (AP)—China is spending nearly \$4,000,000 to improve all government telegraph lines throughout the country. The work is to require six years.

KINDERGARTEN

Mrs. Roy Pearce will open her Kindergarten and Primary school on Sept. 2nd. Four years experience in Big Spring. Phone 383 209 Johnson.

# Students Leave Daily For Schools Both In and Out of State

## Twenty-three of the 1930 Graduates of the B. S. H. S. Who Will Attend College This Fall

### Mrs. B. Reagan To Introduce C.S. Speaker

#### Leona R. Ihrig To Conduct Cooking School Here September 16

Mrs. B. Reagan, well known club woman and homemaker, will introduce Mrs. Leona Rusk Ihrig, nationally famous expert on home economics and domestic science, at the opening of the Herald Cooking School Tuesday afternoon at the Big Spring High School auditorium at two-thirty o'clock.

Mrs. Ihrig will conduct the school throughout its course of four afternoons. She is being brought here to assist the housewives of Big Spring and Howard County with their cooking problems, by the Herald and several other local firms.

Last year the school drew 1,617 women to its meetings. It was the first community wide cooking school in Big Spring and was most popular.

This year, as last year, a prize of \$10 will be given the Women's Sunday School class securing the most registrations during the lectures. Several of the classes have already signified their intention of working for the prize.

The following local firms with the Herald are sponsoring the school: Big Spring Hardware Co., Cole's Gas Range and Vellath Aluminum Ware, Texas Electric Service Co., General Electric Refrigerator, Allen Grocery produce and meats, Big Spring Laundry, laundry service, Montgomery Ward & Co., kitchen cabinet and porcelain table; Big Spring Public Service Co., use of gas as fuel, United Dry Goods Store, Inc., Brownie May House Dresses, King Chevrolet Co., use of Chevrolet for lecturer; Big Spring Creamery Co. milk and cream.

National accounts: Crisco, Schilling's Coffee, Tea and Spices, Cadillac Flour, K. C. Baking Powder.

### Majority Are Going Away For First Time

#### Nearly Every Texas School Included in The List Of Those Chosen

Some fifty boys and girls have left and will leave during the next week for their respective colleges both in and out of the state.

Nearly every school in Texas, S. M. U. in Dallas, N. T. S. T. C. in Denton, Tech in Lubbock, State University in Austin, T. C. U. in Fort Worth, Baylor in Waco, and A & M at College Station, among others, have called their quota of students from Big Spring.

An widely separated as from New York to Colorado will be former High School class mates, Miss Clara Brenner will attend New York University in New York City and Charles Koeburg and Stanley Lester have already departed for Colorado A & M.

Miss Anna Pauline Jacobs will attend Washington University in St. Louis, Missouri. Buren Edwards will go to Kansas State, where he will pursue, with his studies, the science of basket ball. Harold Olive of Fossan will return to Oklahoma University to do graduate work.

A number of these students are returning for their second, third or fourth years at the institution of their choice. John Lewis Biles will return to A & M at College Station. Howard Smith will return to State University at Austin. Miss Dorothy Osbourn will return for her second year at Texas Tech at Lubbock.

Miss Nell Brown will return to Baylor University for her fourth year.

The majority of the students, however, will face their first year at any university.

Among those who are attending college this year are:

A & M at College Station—E. J. Smith, John Lewis Biles.

Baylor at Waco—Joe Pickle, Mrs. Nell Brown, Alfred Agnell.

Colorado A & M—Charles Koeburg and Stanley Lester.

T. C. U. at Denton—Miss Nell Pickett, Maxine Thomas and Emma Louise Freeman.

Big Spring Business College—Miss Winnie Kavanaugh.

S. M. U.—Miss Corn Ashley.

State University at Austin—Misses Reta Debenport, Janice Meltinger, and C. A. Johnson, Buren Edwards and Howard Smith.

W. T. S. T. C. at Canyon—Miss Opal Creighton.

Simmons—Miss Emma Sue Reed.

Texas Technological Institute at Lubbock—Miss Mildred Pittman, Miss Marie Vick, Lane Hudson, James Ripps, Miss Dorothy Osbourn, Miss Noval Lynn Graves, Miss Lucille Haley, Miss Lillian Wright, and Misses Josephine and Beadle Winston.

McMurry College at Abilene—Will Bell, Paul Smith and Carl Neal.

Oklahoma University—Harold Olive of Fossan.

Galveston Medical School—Frank Swell.

T. C. U.—Maris Gray.

Washington University at St. Louis—Miss Anna Pauline Jacobs.

University of New York—Miss Clara Brenner.

### Mrs. Weathers Entertains S.P.C.

#### Gives "Lemon" Party For Group Of Ten Saturday

With all members present the S. P. C. Club held one of its most interesting meetings of the year at the home of Mrs. Lee Weathers yesterday afternoon.

Mrs. Weathers gave a "Lemon party," which consisted of a group of games based on the various members' prowess with lemons in races, in word contests and guessing games.

The first contest, which was to make as many words as possible out of the sentence "A Lemon Party" in three minutes, was won by Ruth Horn. She was awarded a pearl-handled fingernail file as a prize.

The second contest, which was to guess the number of lemon seeds in a glass, was won by Mary Louise Inksman. Miss Inksman guessed 150 and there were 151 seeds in the glass. She was awarded a novelty dog pin cushion.

The third contest was completing the feat of walking around the room with a lemon on a knife. Mozelle Glaser won this contest and was presented with a jewelry case.

Several other games were played by the group.

Refreshments of lemonade and lemon cookies were served to the following members: Mozelle Glaser, Ruth Horn, Camille Koeburg, Anna Katherine Ringler, Virginia Hilliard, Mary Louise Inksman, Nancy Belle Phillips, Devia Cunningham, Winifred Piner and Edith Ray Lee.

Miss Gene Handley assisted Mrs. Weathers with the serving.

The next meeting will be with Ruth Horn.

A. A. Kemnitz of Hubbs, New Mexico, arrived Saturday on a week-end business mission for the Noble-Olsen Lumber Company.

#### North Ward P. T. A. Will Meet Thursday

The first regular meeting of the North Ward P. T. A. will be Thursday, September 18, at three-thirty o'clock. An interesting program has been arranged by Mrs. W. T. Bell, and Mrs. Ben Carpenter. An informal social hour will follow the program with Mrs. Bell and Mrs. Herbert Lees acting as hostesses.

#### MISS TAITZ TO FORT WORTH

Miss Elsie Taitz left Friday morning for Fort Worth, where she will spend the week-end with friends and relatives.

#### TO ATTEND C. I. A.

Miss Nellie Puckett will leave today for Denton, where she will attend C. I. A.

#### TO ATTEND TEAM

Misses Josephine and Beadle Winslow will leave next Sunday for Lubbock to attend Texas Tech.

#### Miss Frances Melton To Speak At E. S. A. Club

Miss Frances Melton will tell of her trip to Europe to the meeting of the Epitlon Sigma Alpha Sorority at its regular meeting Thursday evening at the home of Miss Valilia True at 8 o'clock.

#### JOHN LITTLE HERE

John Little is visiting his parents, Mr. and Mrs. Sam Little.

#### HERE FROM LOS ANGELES

Mrs. George Clausen and little son, and Mrs. M. I. Langford of Los Angeles are visiting Mr. and Mrs. Frank Pool, Miss Clara Pool and Mr. and Mrs. Fred Keating this week-end.

#### RETURNS TO HOBBS

Miss Dell Carruth has returned to her home in Hobbs, N. M., after two weeks' visit with Miss Nova Lynn Graves.

#### First Baptist Musical Program Interesting

The musical program of the First Baptist church today will be under the direction of Mrs. Bruce Frazier.

At the morning service the prayer response will be "For the Beauty of The Earth." The anthem will be "Prince of Nations." Mrs. Roy Lay, Miss Keller and Mrs. Bob Pycott will be the soloists.

At the evening service the choir will sing "Beneath The Cross of Jesus." C. R. Scrogin, baritone, will sing "The Wolf Has Never Been Told," with the choir assisting. Mrs. Frazier will accompany.

Mrs. J. M. Harrison, housekeeper at the Crawford Hotel, is a week-end guest in Abilene.

E. T. Egan returned Friday afternoon from a business trip to Annelito.

#### Jr. High P. T. A. Will Meet Tuesday

The Junior High School P. T. A. will meet Tuesday afternoon at three-thirty at the Junior High School.

All mothers of fourth, fifth, sixth and seventh grade pupils should attend.

Mrs. M. R. Showalter will give a health talk to the group. All business will be disposed of. Mothers are urged to attend the meeting.

#### LEAVE FOR DALLAS

Mrs. and Mrs. E. O. Price, Mrs. J. E. Lockhart and James Lockhart Jr., left yesterday for Dallas.

Mrs. Lockhart has been visiting her mother and brother, Mrs. A. M. Evans and R. L. Price.

#### Junior Epworth League Studies Cain and Abel

The Junior Epworth League, which met Friday afternoon at the church, studied Cain and Abel.

Mrs. T. E. Paylor and Mrs. Simpson were the leaders.

Those present were: Lois Thompson, Billie Bass Shive, Joyce Glenn Croft, Jean Hardy Flewelen, Duncan Williams, Martha Hardesty, Elizabeth Short, Katherine Barrett, Elizabeth Graves.

#### HERE FROM NEW MEXICO

Mr. and Mrs. Finis Haley and children from Hurley, N. M., have been visiting Mr. and Mrs. Leonard Smith of the South community.

#### RETURNS TO SAN MARCOS

Miss Clara Lann, who has been spending her vacation in the home their mother and father, Mr. and Mrs. E. J. Thomas of Hixway, has returned to her home in San Marcos.

#### Dr. Talbot To Give Lecture Here Friday

Dr. W. O. Talbot will lecture to the public at the Baptist church Friday evening at 8 o'clock on the subject of oral hygiene.

His lecture will be both interesting and instructive and he will illustrate his talk with lantern slides.

The doctor is chairman of the State Dental Society. He has been very active in the same work with the American Dental Association.

#### HERE FROM DALLAS

Mrs. Lee Rogers and Mrs. Leighton Wetzel, both of Dallas, will arrive here today to visit.

They will arrive here today to visit with their mother and father, Mr. and Mrs. E. J. Thomas of Hixway. Mrs. E. H. Hallock, Mr. Rogers and Dr. Wetzel will arrive on Thursday to spend the week-end.

# South Ward P.-T.A. To Open School Cafeteria Tomorrow

## Mrs. H. S. Faw, Child Study Club Prexy, Praises Book On Childrens Problems

Dr. D. A. Thom's Is A Commonsense, Everyday Discussion Of Every Phase Of Juvenile Woe and Parental Perplexity," Says This Mother

By ONA REAGAN PARSONS  
"EVERYDAY PROBLEMS OF THE EVERYDAY CHILD" (Appleton and Co.)

"This book," says Mrs. H. S. Faw, president of the Big Spring Child Study club, "is the best on its subject that I have read. It covers almost every phase of juvenile woe and parental perplexity. It abounds in commonsense."

Such tributes make a mere reviewer blush. When a parent becomes so enthusiastic, a book must be more than commonly worth while. This book of Dr. Thom's has been adopted by the Big Spring Child Study club because it gives them in one year a brief but comprehensive view of the problems they must settle.

"It is," continues Mrs. Faw, "easy to study as well as to read, because each chapter presents a different problem. It is exceptionally well balanced so far as the physical and the mental goes. Not every book on child-training and social welfare so thoroughly. This author understands equally well physical health, mental hygiene, child education and the social welfare of the child.

Examples  
"Take such examples as inferiority complex. He explains that this complex is at the base of anger, jealousy and destructiveness. He points out the fact that obedience is like respect; any one can put in a claim for it but only a leader can get it and maintain it. He shows the danger of a mother's tendency to submerge the child's personality in her own.

"In short, every mother has some of these problems before her and needs help in their solution."

Who the Author Is  
Dr. Thom, the author, is one of the leading authorities in his field. The "Habit Clinics" which Dr. Thom organized in Boston, have become internationally known and have served to give him a wealth of practical experience with children of all types.

This book is, as its title implies, a book for the guidance of parents, teachers, nurses, doctors and others engaged in training children and in handling the problems of management met with in the average child. During the formative years a child, otherwise healthy, is very likely to acquire some undesirable habits and personality traits. Such traits as cruelty, lying, anger are to be expected in some phase of every child's development. These tendencies do not in any way stem from abnormality but it is necessary to deal with them with understanding.

Dr. Thom's attitude toward these problems is one of complete sympathy with the child and encouragement for the bewildered parent. His book presents, in a practical manner, his experience with the various troublesome phases of child conduct.

The director of the United States Child Bureau has written an introduction to the book and voiced her high esteem for the work of Dr. Thom in Clinic and for his writings on child management.

### THE TEXAS WEEKLY

This week's edition of this popular magazine reflects the general satisfaction through Texas and the nation on the outcome of the recent gubernatorial election.

It is interesting to learn what such papers as "The New York Times" have to say about the defeat of Fergusonism. It gives a Texan a glow around the heart and a swelling in the region of his self-esteem to know that in a crisis he can depend nobly and get the applause of his outside friends for what he has accomplished.

And yet, the "Texas Weekly" goes on to say, the record vote of Texas in this election was small compared with other states. Why? Read the weekly for yourself.

As for the "Texas Monthly," the State Convention's Big Opportunity" is alone worth the ten cents which it costs.

"The Texas Weekly" is published by the same publishers as "The Texas Monthly." Every week it has some article which make a dime a dividend-paying investment in information and profit. A lot of you will enjoy it and will be glad to make its acquaintance.

### SWEDISH LIGHTNING BOLT AMPUTATE'S CAT'S TAIL

STOCKHOLM. (AP)—How lightning snipped off the tail of a cat is told on a farm in Uppsala county, in the province of Smaland.

The animal was scurrying across the farm-yard in a heavy thunder storm when the bolt severed its tail with surgical precision.

The farmer and his wife saw the strange occurrence and rushed out to help the frantic cat, but it fled into a forest and did not come back.

### HOOVER'S KING'S MOUNTAIN ADDRESS TO BE BROADCAST

CHARLOTTE, N. C. (AP)—President Hoover has agreed to allow his speech to be broadcast, in the event he is able to attend the celebration at King's Mountain battle ground in October.

## Mrs. Beard Has Child Study Club

Subject, 'The Teacher And Pupil,' Discussed By Members

Mrs. George Beard was hostess to the members of the Child Study Club at the home of Mrs. Granville Glenn Friday afternoon.

The business meeting was presided over by the president, Mrs. H. S. Faw. Mrs. L. I. Stewart had charge of the program, the subject of which was "The Teacher and the Pupil." She gave a short discussion of the subject.

Mrs. R. E. Blount gave a paper on "The Modern School Needs the Cooperative Parent."

Mrs. Robert Henry gave a paper on "What Parents Should Ask of a School."

Mrs. H. S. Faw gave a short talk on "A Challenge to Parent-Teacher's Associations."

Mrs. Earl Glaser gave a talk on "Co-operation with the School."

The year books were distributed to the members.

Mrs. Emory Duff was made a new member and Mrs. Lee Wright was a guest of the club.

The program next week will be: "Rearing the young is the most intellectual occupation in the world."

Refreshments were served to the following: Mesdames R. E. Blount, M. A. Cook, H. E. Glaser, H. S. Faw, Granville Glenn, R. W. Henry, J. C. Moore, L. I. Stewart, George Beard and E. D. Norman.

## Mrs. Johnson Entertains

Mesdames Bob Parks and James Little Win Prizes

Mrs. Monroe Johnson entertained the members and guests of the Triangle Bridge Club at her home in Washington Place Friday afternoon.

She used a green and white color scheme and decorated with zinnias and dahlias.

Mrs. Robert Parks won high score and was presented with a make-up box decorated with a Godey print.

Mrs. James Little won second high and was presented with a pair of hose.

Refreshments were served to the following: Mesdames Robert Parks, Omar Pittman, E. E. Fahrnkamp, James Little, Wofford Harry, E. M. Cline and Misses Alice Dawes and Ada Lingo.

## Miss Nellie Puckett Is Given Shower

Miss Nellie Puckett, who is leaving today for C. I. A. at Denton was honored with a shower by the members of the Epworth League of the Methodist church at the home of Mr. and Mrs. T. B. Reeves.

Refreshments of punch and cake were served to the following: Misses Jimmie Reeves, Mary Burns, Mabel McNea, Elizabeth Crane, Sadye Puckett, Alvis Lovelace, and Harold Green, Roy Cook, Russell Crance and Mr. and Mrs. Laudmore.

The latter home before Christmas also!

Later you can send for pillows, pictures, book-ends and other things to fix your room up without wait until you know just what it will be like. Your windows will want curtains, but as sure as you take dainty pink ones, you will find awaiting you a room that cries aloud for green ones.

## MODIST MAIDENS

Later you can send for pillows, pictures, book-ends and other things to fix your room up without wait until you know just what it will be like. Your windows will want curtains, but as sure as you take dainty pink ones, you will find awaiting you a room that cries aloud for green ones.

As for miscellaneous things—if you intend to ride or hike, you should take a pair of breeches. Put a little more money into them than you can afford, for they will last you all four years if you do. Take a couple of shirts. They always come in handy.

And for your room—take at least four simple dresses—scarves. If your school furnishes your linen you will not need it of course, but anyway take a nice looking bedspread, so that you can dress up your little quarters on Mother's and Father's Day which is bound to come.

And don't take photographs of all your high school friends. If you do, we predict that you'll send 'em all back before Christmas time. A nice picture of mother and one of dad is always permissible—and of course, one of the "boy friend," but no more. (And being a natural cynic, we predict you'll send

"Aren't children a bother?"

## Married Here Recently

MR. AND MRS. J. CARLTON DAVIS

Mr. and Mrs. J. Carlton Davis, who were married here during the past week, the bride was Miss Edith Shive, daughter of Mr. and Mrs. A. L. Shive. She was a member of the 1930 graduating class of the Big Spring High School.

The groom is the son of Mrs. W. M. Davis of this city.

## Philathea Class Has Monthly Social

The Elma Hardy Philathea Class of the Methodist Church held its social and a shower for Mrs. Tom Slaughter Friday evening at the church.

The Cadillac Group acted as hostesses to the class.

After a social hour refreshments were served to the following: Mesdames Harold Parks, V. W. Latson, C. W. Shehane, C. T. Watson, T. E. Jolly, J. E. Fridge, Jimmie Mason, M. A. Cook, T. E. Johnson, Ward Remele, Hugh Duncan, Alfred Moody, Chester Holmes, Hayes Stripling, I. H. Hamlett, Tom Slaughter, R. L. Baber, Ernestine Glenn, Miller Harris, W. J. Goodson, W. G. Morelock, Joe Barbee, J. H. Crocker, L. B. Bell, Jake Bishop, J. C. Moore, A. Knickerbocker, J. A. Adams, J. L. Rush, Noisy Martin, J. E. Kuykendall, Hal Hart, R. D. Millan, Calvin Boylston, Wallace Ford, Leo Smith, Zeina Chadd, W. T. Strange, Jr., A. Schnitzer, W. S. Satterwhite, R. L. Bull, Bernie Alexander, Pearl Dolins, A. A. Edens, Max W. Howard, V. R. Smitham and C. S. Diltz.

## Susannah Wesley's Enjoy Evening Social Friday

The Susannah Wesley class of the Methodist church had a social at the church Friday evening.

Mesdames A. D. Franklin, E. P. Stemm, G. S. Chad, J. C. Rogers, W. Clifton and L. A. Eubanks were hostesses.

The meeting opened with a song, "More About Jesus." Mrs. J. M. Manue led the group in prayer and Mrs. Charles Morris led the devotion.

After the business session a social hour was enjoyed.

Refreshments were served to the following: Mesdames J. T. Bell, William Dehlinger, J. A. Myers, J. W. Riggs, R. E. Morris, J. T. Higgins, A. C. Yeager, H. F. Williamson, G. E. Fleeman, W. G. Bailey, C. M. Watson, J. M. Manuel, Charles Morris, W. A. Miller, W. O. Thompson, Herbert Fox, Clyde Thomas, V. H. Flewelling, L. W. Croft, C. E. Shive, J. L. Lusk, F. D. Wilson and M. W. Paulson.

## Mrs. J. D. Hall Given Shower

Mrs. J. D. Hall and Mrs. J. B. Collins entertained their husbands with a birthday party Friday evening at Mrs. Hall's home.

Tables of forty-two and bridge made up the evening's entertainment.

The house was decorated with cut flowers and an ice course was served. Two birthday cakes with candles were cut for the honorees.

The guests were: Mr. and Mrs. L. L. Miltstead, Mr. and Mrs. E. L. Crawford, Mr. and Mrs. Yale Crawford, Mr. and Mrs. J. B. Collins, Mr. and Mrs. Frank Etter, Mr. and Mrs. Robert Winn, Mr. and Mrs. J. C. Rogers, Mr. and Mrs. Blasingame and Mrs. Dennis Elliot.

## SOVIET TREBLE OIL EXPERTS

MOSCOW (AP)—The Soviet Oil Trust announces an increase of 300 per cent in the export of oil in 1928-29 as compared with pre-war years. Pipe lines and other transportation improvements were a big factor in the result.

## GENEVA DODGES TALK OF PAN-EUROPE PLAN

GENEVA. (AP)—While officials of the League of Nations' secretariat have exonerated the utmost discretion in refraining from comment upon Aristide Briand's proposed federation of European states, Sir Eric Drummond, the secretary general, has found in league records something which he regards as pertinent to discussion of the scheme.

In receiving a delegation of the Federation of National Committees for European Federation, which interested itself in M. Briand's idea, Sir Eric said it was not possible for him to express any opinion upon the French statesman's proposal. He recalled, however, that the league assembly in 1921 adopted a report which contained this passage:

"Agreements between members of the league, tending to define or complete the engagements contained in the covenant for the maintenance of peace or the promotion of international cooperation, may be regarded as of a nature likely to contribute to the progress of the league in the path of practical realization."

The secretary general in commenting diplomatically on this passage said discreetly that he regarded it as "worth very close attention."

## WANTS HAWAIIANS TO HAVE WOMEN JURIES

CINCINNATI (18)—Judge Thom as Dauby of Cincinnati, who is vacationing in Honolulu with Mrs. Darby, recently wrote a letter to a friend here in which he declared that he was "educating" Hawaiians on the idea of having women serve on juries.

## Grady Acuff Married To Miss Davis

Ceremony Performed At Bride's Home In Stanton; To Live Here

On Wednesday, August 27th, Grady Acuff and Miss Mae Davis were united in marriage at the home of the bride's parents in Stanton, Texas.

The ceremony took place at 8 o'clock in the morning before an altar of palms and greenery in the greenhouse of the bride's father. Rev. W. H. Mullins read the double ring ceremony.

The bride carried a bouquet of pink rose buds tied with orchid tulle and wore a violet flat crepe.

Following the ceremony and the wedding breakfast, the newly wedded pair left immediately for a short honeymoon trip to Pike's Peak and Colorado Springs, Colorado, Santa Fe, New Mexico, El Paso and other western points.

The bride is the daughter of Mr. and Mrs. W. L. Davis of Stanton and is a graduate of Howard Payne College, having taken both her B. O. and A. B. degrees from that institution last June. She has also conducted a private studio of expression in her home town since the sister of Mrs. E. B. Ribbick of Big Spring.

The groom is the son of Mrs. J. B. Acuff, who has lived in Big Spring. He was graduated from the local high school with the class of '28 and later attended Thorpe Springs, Christian College where he met Mrs. Acuff.

Mr. and Mrs. Acuff live at 1108 Main street and will make their permanent home in Big Spring.

## Mrs. F. Primm Has Luncheon

Pink And Orchid Used As Color Scheme At Party

Mrs. Fred Primm entertained the members of the Thursday Luncheon Club at her home. She used a pink and orchid color scheme which she carried out in bridge accessories, refreshments and decorations.

The house was decorated with pink and orchid dahlias.

Mrs. Grover Porter won high score for club members and Mrs. L. D. Davenport won high score for visitors.

The guests were: Mesdames Garland Woodward, Carl Blomshield, J. L. Webb, V. R. Smitham, Newt Jennings, Grover Porter, L. D. Davenport and C. D. Baxley.

Mrs. S. Milwee of Colorado is visiting with her husband, Judge Milwee over the week-end. Judge Milwee is attending court here this week.

## Over 400 Children Will Now Be Able To Get A Wholesome Meal For 20 Cents Or Less

Mothers Are Asked To Send Plate, Bowl, Knife, Fork And Spoon By Child Tomorrow; All Meals To Be Supervised By Teachers

With the installation of a cafeteria at the South Ward school by the Parent-Teacher's Association, over 400 children will be able to get a full, wholesome meal for the small cost of 20 cents or less, according to Mrs. Bernard Fisher, president of the organization.

Mothers are asked to send with their children tomorrow morning a bowl, a plate, a knife, fork and spoon, to be left at the school house. This will be in the form of a shower to the school.

Miss Mabel McNea, who is quite experienced in this kind of work, will direct the cafeteria.

Miss McNea specialized in such work at McMurry College in Abilene and carried on a school cafeteria at Tahoka.

Each mother, said Mrs. Fisher, to direct the child to tell his teacher whether or not he will eat at the cafeteria that day. This is in order that proper arrangements may be made for him.

To Sell Tickets  
To eliminate the handling of small change by the children, tickets will be sold for \$1. These will be punched twenty times. Each time they are punched the child will be entitled to the entire meal.

If, however, the child prefers to bring the change, he may buy all or a part of the meal as he desires. Each dish in the meal will be five cents and no meal will be over twenty cents. If, however, he wishes to buy more than the four dishes offered, he may do so.

The meals will be eaten in the first grade room on the table-tennis tables. They will be covered with white oil cloth. The teachers will be there for lunch every day and supervise the meals. Tomorrow the committee with Mrs. Bernard Fisher will assist with the first meal.

The committee is composed of Mrs. C. C. Carter, chairman, Mrs. T. E. Taylor and Mrs. L. C. Dahms.

Menus to be Published  
The entire menu for the week will be published in advance so that each mother may see what will be offered.

The menus for this week are as follows:

Monday  
Creamed Chipped Beef on Toast  
Sliced Tomato and lettuce 5c  
Gingerbread 5c  
Milk or milkshake 5c

Tuesday  
Potato salad 5c  
Sandwiches 5c  
Cup custard 5c  
Milk or milkshake 5c

Wednesday  
Spinach with hardboiled eggs 5c  
Rolls and butter 5c  
Eskimo pie 5c  
Milk or milkshake 5c

Thursday  
Baked potato with rolls and butter 5c  
Milk or milkshake 5c

# Panthers Take Third Tilt From Spuds

## CARDINALS PASS INTO NATIONAL LEAGUE LEAD

### Cubs Defeated As Robins And St. Louis Rate

### Lowly Phillies Send Cubs Down Torrid Loop

**Ladder**  
BOSTON, Sept. 13. (AP)—St. Louis pulled itself over the caves onto the roof of the National League here today by battering out an 8 to 2 win over Boston's Braves. The Cardinals garnered 12 hits with every member except Bottomley getting at least one safety.

Chick Hafey and George Watkins helped matters with home runs. Hafey's was the 20th of the season, while Watkins also added a triple with the bases full in the ninth to his day's work.

Jess Haines pitched wisely and well and kept the eight hits made by the tribe well scattered. Frankie Frisch contributed the only two errors in the game yet he played brilliantly in the field. One of Frisch's errors was a bad throw which bounded and struck Umpire Jorda on the left eye. He received a serious cut and was forced to leave the game.

St. Louis—012 000 023 8 12 2  
Boston—010 010 000 2 8 0  
Batteries—Haines and Marquess; Smith, Cunningham and Spahr.

### ROBINS 4, REDS 3

BROOKLYN, Sept. 13. (AP)—The Robins kept pace with St. Louis and passed the Chicago Cubs in the hot fight for the pennant today when they won a hard fought struggle from the Cincinnati Reds 4 to 3. It was Brooklyn's ninth straight victory and left the Robins in a virtual tie for the lead with the defeated Cubs a half game behind.

But in victory the Robins lost the services of Johnny Frederick, centerfielder, perhaps for several days. The young outfielder made a spectacular catch when he dove for Durocher's long liner to left center in the third inning and left center in the third inning and left center in the third inning.

### PHILLIES 7, CUBS 5

PHILADELPHIA, Sept. 13. (AP)—The tail-end Phillies today knocked the fighting Chicago Cubs out of first place in the National League pennant race by defeating them 7 to 5 in the first game of a double header. The second game was called off in the third inning on account of rain and will be played on Monday as a part of a double header. Neither side had scored.

### Memphis Club Boasts Of Dangerous Squad

MEMPHIS, Tenn., Sept. 13. (AP)—Memphis will send into the Dixie series next Wednesday in quest of the South's highest baseball honor, a team which will include nine players with batting averages of .300 or better and a crew of seven pitchers, all with marks of .500 or better and three holding places among the "Big Five" of the league hurlers.

The week-end has come, and gone, as week-ends are prone to do. In the wake has been left a hand-full of Class A-Class B football meeces. As a way of summary, look 'em over, peruse them as you like:

Big Spring 0, Roby 0.  
Sweetwater 55, Roby 0.  
Mantoloking 27, Stephenville 0.  
Brownwood 19, Santa Anna 0.  
Cisco 19, Gorman 0.  
San Angelo 37, Big Lake 0.  
Mineral Wells 9, Graham 0.  
Ablene 18, Colorado 13.

In other words, eight clubs in District Two amassed a total of 187 points, while opponents were gleaming 13. It might be corrected, to read thusly: Seven clubs amassed 187 points, and one opponent failed. Big Spring didn't contribute to the melting pot of points, and Colorado scored the only markers against a Class A club. The Bobcats—those game little ones that thrive down in the vicinity of the Concho—took Big Lake with much gusto. Could it be possible we have erred regarding the Kittens? We still hardly think so.

The Mineral Wells game with Graham—which Bill Stevens contemplated seeing Saturday, but didn't on account of it being played Friday, is interesting. The head man of the show was a lad named Thornton Thornton hails from the Methodist orphanage. In a talk Friday night with Coach Stovall he informed just three of his old team at the Waco home were with the Miners. It is interesting further to note the battle was rough and two of the laddies were ejected from the game for fighting. No telling what will happen when Big Spring invades the Mountain climbers' encampment. Several of the Steers also have the habit of doing the same.

### Ten Matches Played In Golf Tourney Here

On account of our neglect and habit of procrastination, we cannot help but feel the powers that be of this organization have had their feelings mauled at our expense. We feel that they bear us ill will because we did not notice until today that we have a new look. It became so littered with the trinkets and other odd things from the department of the society editor and the classified girl that it was covered before we had a chance to look at it. We assure we have always preferred placing these worn brogans of ours on a shiny surface. It kinda gives the doggies a little glow of self-satisfaction, or at least a glow.

Along with others we witnessed the Steer-Roby confab Friday afternoon. We enjoyed it very much, thanks, until it came our time to purchase Doc Wofford Hardy a sody, and George Gentry and one Mr. Reed, selected the press box as a place to count the nickels. Counting money around us always makes us nervous. We expect any minute to hear someone shout, "hard luck, filled a filly-willy with two cards." The Steers beat McManey 6-8. They played Roby to a 4-0 tally. They meet Mineral Wells Friday afternoon on the Mountaineers' grid.

We have it from a most dependable source that a local sportman became so enthused over stopping a dove's flight in midair that he jumped right into the tank and regarded it like he was a bird dog or a shark or something. That is the disadvantage of clipping the dovelets on the wing. Who ever heard of one dropping in the water if he was sitting on a telephone wire beforehand. We ask you, just for the sake of repeating, who ever heard of it?

This afternoon Bill Tate will drag his Merrick and Bristow against

### FERRELL MAY GET CHANCE AT LAST TO BEAT GROVE FOR MOUND CROWN

Wes Ferrell, 23-year-old right handed hurler, this season again has proved a sensation with the Cleveland Indians, and fan hope he will get a chance to further a claim as the best pitcher in the American League by meeting Lefty Grove, the Athletics' great left hander.

CLEVELAND, Sept. 13. (AP)—Wesley "Pink Cheek" Ferrell, 23-year-old right hander, may get a big chance to move upwards toward the American league pitching throne. On September 13 the world champion Athletics, bearing their jewel, Lefty Grove, barge into town for a two game series with the Indians. Grove and Ferrell have staged a race all season for hurling honors in the junior circuit—but they have not met each other.

Around the middle of the season Ferrell fell into the full stride of a winning streak which carried him to the 13 consecutive victory mark. He was the first pitcher in the majors to win 24 games, but shortly afterwards, Grove breezed past him with 25 victories.

### Johnny Doeg Tennis Champ

Senators Cop, Tribe Routed By Athletics

Lefty Grove Mars Scheduled Duel With Ferrell

Four Seek Angelo Tournament Crown

San Angelo, Tex., Sept. 13. (AP)—Four invaders won their way late today in the semi-final round in the championship fight at the San Angelo Country Club's invitation golf tournament.

Joe Lesage of San Antonio will tee off tomorrow with John Ballard of Fort Worth as his opponent and Tod Menefee of San Antonio will follow, matched against Bob Scott of Colorado, Texas.

In the last championship flight match of the afternoon, Dick Harrison of San Angelo and Scott were tied at the end of 18 holes at dusk, with the score squared one stroke above par. T. Both drove from No. 1 tee into a trap. Harrison slicked the ball in the rough to lose.

Menefee defeated C. C. McBurnett of San Angelo one up. Ballard beat Jimmie McConagall of Dallas five and four; Lesage beat P. Bonhannon of Abilene 3 and 2.

Batteries: Russell, Smith and (Continued On Page 11)

### FUTURITY WON BY JAMESTOWN BEFORE CROWD

BY ORLO ROBERTSON  
Associated Press Sports Writer  
NEW YORK, Sept. 13. (AP)—Turning back the pages of history, George D. Widener's Jamestown today proved himself a champion worthy of his sire, St. James, by winning the 41st running of the Futurity and \$90,500 to crown the 1930 two-year-old filly before a crowd of 30,000 that jammed its way into picturesque Belmont Park.

Packing the same crushing weight of 130 pounds carried by St. James in his 1923 futurity triumph, Jamestown dashed down the seven furlongs of the Widener course in 1:20.5-5. Responding to the urging of Linus (Fony) McAtee in the final strides he gained a nose victory over Equipose, his arch rival which carried the silks of Harry Payne Whitney, who was seeking his second consecutive Futurity victory which won for Whitney last year.

Thirteen other colts and fillies started in the Blue Ribbon class for juveniles, but from the final sixth pole on to the finish it was strictly a Jamestown-Equipose duel, with the result in doubt until McAtee had let loose with his final lash of the whip and Jamestown plunged over the line, the winner by narrowest of margins. Three lengths back in third place trailed A. C. Bostwick's Mate, ridden by Laverne Foster, who claimed a foul against the winner but was turned down by the stewards.

Fourth money went to W. R. Coe's Polydorus, which was another three lengths back of mate. Jamestown went to the post the well-backed favorite at 11 to 5 while Equipose under the same weight, was held at 5 to 2. Gifford A. Cochrane's Epitaph, third of the high weights and conqueror of Jamestown in the hopeful at Saratoga, was never a factor, however, finishing sixth after running seventh for the greater part of the distance.

McCLANAHAN SOLD  
SHEVEPORT, La., Sept. 13. (AP)—Sale of outfielder Pete McClanahan to the Pittsburgh National League club was announced today by the Sheveport team of the Texas League. He will report next Spring.

### Armour Wins Pro Laurels With Putter

FLUSHING, N. Y., Sept. 13. (AP)—Tommy Armour, stylish Scotch golf professional, today won the professional golf association championship from Gene Sarazen, one up, and in winning showed again that he is a great putter in a pinch.

For years the Scot had been dubbed a poor putter, and a great iron player. This afternoon, with the match all square on the 36th green he holed a 14-foot putt for a four and when Sarazen missed his bid from a few inches under 14 feet, Armour was the P. G. A. champion for the first time. Sarazen has held the title twice before, in 1922 and 1923.

### Fourteen Foot Drop Wins Match From Gene Sarazen

The fortunes of the golf battle ebbed and flowed throughout the day. After 27 holes the match was all even and on the 36th and final hole, Armour won when one hole was needed.

Armour's putting was shaky at the start. He missed some that he might have made, but after the eleventh hole, where he missed a three-footer, he was putting like a Juggernaut.

On the other hand Tommy's best work today was not done inside him on the green. Both were wild from the tee at intervals and a bad tee shot at the close played a big part in the clever Sarazen's defeat.

### Pansy Walker Easily Wins Steger Handicap

CHICAGO, Sept. 13. (AP)—Pansy Walker, 3-year-old daughter of St. Gallahad III, sire of the great Gallahad Fox, carried the colors of the Three D's stable to victory in the \$5,000 Steger Handicap at Lincoln Fields today, running a mile in 1:33.45 to equal the track record held by Brown Wilson.

Pansy Walker, which two weeks ago won the Crete Handicap, was fast to get started and soon rushed alongside of My Dandy, the favorite which was showing the way to the field of ten starters. Going around the far turn, Jockey Tom May, astride Pansy Walker, sent the filly to the lead and she never was in danger thereafter, leading by two and one-half lengths.

The winner paid \$10.70 to win, each \$2 mutual ticket, \$5.92 in place and \$2.32 to show.

Italy has banned the opening of new foodstuffs shops for the next five years in an effort to curb the economic multiplicity of enterprises.

Slender, dark brown worms live in countless millions in the surface of glaciers.

# Enterprise Runs Away From Lipton Entry

By ALAN GOULD  
Associated Press Sports Editor  
NEWPORT, R. I., Sept. 13. (AP)—Enterprise, sliding through the mist like a big white ghost, ran away from Shamrock V today in a moderate breeze and Sir Thomas Lipton's quest for the America's Cup again took on the aspect of a fruitless chase after another will-o'-the-wisp.

The first race of the series, sailed over a 30-mile leeward and windward course in the open sea south-east of Newport, was won decisively by the American defender, who now needs three more victories to keep the classic trophy safely at home.

Enterprise, skippered by Harold S. Vanderbilt, led from start to finish, though it was close enough at several stages of the race to make the American boat was no more than 50 yards in front. The slim, trim, yankee-built sloop had a margin of two minutes and seven seconds at the 15-mile mark. On the beat home she increased to a final margin of two minutes and 52 seconds.

The gap between defender and challenger might have been much wider had not Skipper Vanderbilt, either by choice or necessity, lost at least a minute's advantage in taking an extra hitch to get across the finish line.

Enterprise's elapsed time was 4 hours, 3 minutes and 48 seconds and Shamrock's 4:06:40. For the 30-mile course.

At such times as the sun succeeded in breaking through the fog, it was a gorgeous and record-breaking spectacle of the sea as the two tripart glided along between a naval pageant spread out for miles, but the contest itself was almost completely lacking in competitive thrills.

# ROBY CONTINGENT HOLDS STEERS TO 0-0 TALLY

## Fisher Lads Threaten To Score Twice

### Work Of Neal And Line Improvement Big Spring Features

BY BOBBY CAMPBELL

The Big Spring Steers, heavy and hefty, who will open the 1930 Class A season in District Two next Friday afternoon, ran coach of Coach Forrester's Roby aggregation on the local athletic track Friday afternoon, and came away with the Fisher county representatives having scored a moral victory, if nothing else. The score at the termination of four hot and dusty quarters, was 0-0.

Coaches Stevens and Brown, sent their power house against the invading boys, and found it wanting. Had the Roby aggregation boasted of a backfield man or an end that could hold a pass when a pass was loosed into outstretched arms, there might be a different story to tell of his 40 yards. That ball slinging Beene, Roby halfback, was brilliant in his airplane attack. He slung them far, and accurate to where the waiting gallopers were but the receivers were much better at waiting than galloping, and time after time the balls flopped aimlessly to the clouded sod.

Twice Hambricht had a clean field ahead when Roby had the ball down on Big Spring's 15 yard line. Twice Beene shot the skin to the fullback, only to see him drop it after having it. Each time Hambricht was only five yards at a minimum from the Steer goal. In the fourth quarter, Roby took the ball down to scoring distance when a 25 yard penalty was assessed Big Spring for roughing on the part of Johnson. The penalty was half the distance to the goal markers.

Hanshaw, the behemoth lineman, was tossed out of the fray for slugging. Big Spring managed to get across seven first downs during the tilt while Roby was gleaming four. A marked improvement in the line this past week end over last week's performance, was noted. Roby picked up few—precious few yards—through the Steer line.

But despite their futile efforts to crush the forward wall, despite their inability to complete perfectly hurled passes, despite their four first downs during the four quarters, Roby managed things so that their goal was never threatened by the Steers.

The work of Neal at half stood out best and shoulders above with Steer aggregation. The youth seemed to be the only one, with the exception of Flowers, who could pick up yards when yards were needed most.

The work of Hopper, the shaver head and who is new at this football business, also brought comment from the fans. Hopper bids fair to develop into an end that the mentors probably think about. A little more experience, and little more under fire, and the winner should develop into a first class defensive star.

Fancy's encounter was played on the new gridiron, which, beneath a blazing sun, was a furnace. Show, naturally, the field was even slower as a heavy film of dust formed over it.

**Try Field Goal**  
Roby threatened to put over the winning tally in the third quarter when they attempted a drop kick from the 25 yard line. The attempt was blocked. In the same period after Neal intercepted Beene's ball and made a beautiful run, Riggs took the ball and fumbled it, Beene recovering on Big Spring's 15 yard line.

There is very little to relate of the game, outside Beene's twirling of the oblong, Neal's offensive game, Flowers' flashes at times, and the work of the Steer line. It was the final class B encounter before the Steers run smack into the Mineral Wells Mountaineers at Mineral Wells Friday afternoon to officially open the Class A season in this tough section generally known as the Oilbelt District.

**Starting lineups:**  
Big Spring: Pos. Roby; Quarterback, E. L. E.; Fullback, Hanshaw; Halfback, Eyer; Fullback, H. L. G.; Fullback, Webb; Parole; C. Kiser; N. Orr; RG. Lovett; Johnson; RT. Hughes; Phillips; RE. Purdie; Rogers; QB. Purley; Kings; FB. Beene; T. Stevens; LH. Neal; NE. Hambricht; Substitutions—Roby, Stewart for Lovett; Purley for Webb; Davis for Stewart; Waddell for Purley; Stenledge for Kral; Lovett for Purdie; Stewart for Lovett.

Big Spring—F. Orr for N. Orr; a swell for Hanshaw; Johnson for Johnson; Kildwell for Kings; Hanshaw for Maxwell; Mins for Kildwell; Johnson for Hanshaw; Co. for Johnson; Kildwell for Mins. Officials—Spikes (Texas) referee; Moore (A. & M.) umpire; Sledge (Simmons) headlinesman.

## SAN ANGELO BOBCATS DEFEAT BIG LAKE, FOUNTAINEERS DOWN GRAHAM IN HECTIC CONFLICT

SAN ANGELO, Texas, Sept. 13.—Using about 35 players, including two distinct teams, San Angelo high school, old bell member of the Inter-scholastic League, opened the football season here today by defeating the Big Lake, Ows, claimants to the 1929 championship of the Permian Basin. The score was 37 to 0.

The heavier Bobcats employed only three plays. Scored in every period and registered 21 first downs to the visitors 3. The latter came in the final period against a San Angelo mixed second and third string. R. Brown and Haines starred offensively for the visitors. Haines made three touchdowns and bucked over for extra point after one. Brown Cobb and Haines scored one touchdown.

Mineral Wells 9, Graham 9  
MINERAL WELLS, Texas, Sept. 12.—The Mineral Wells Mountaineers, in a rough affair, took the long end of a 9 and 0 tally in a tilt with the Graham high school aggregation Friday afternoon. The game was played beneath a torrid sun, and was full of penalties for each team. The Resorters called a safety in the third quarter and ran across a touchdown, and added the extra point in the final frame.

Graham put over a touchdown in the third quarter, only to be called back for an offside penalty. Each of the teams made 10 first downs. Thornton, Mountaineer halfback, was outstanding for the day. He toted the ball 10 yards for the only touchdown of the game.

A fight in the second quarter took a letter man from each of the sides. Ramsey was the Graham light, getting away on several occasions for long gains. The Mountaineers seemed to lack aggressiveness in the opening encounter.

Ablene 15, Colorado 13  
ABILENE, Texas, Sept. 12.—The Abilene Eagles probably heaved a big sigh of relief late Friday night, when they were sure the Colorado Wolves had departed, not to return until 1931.

The Wolves carried Dewey Mayhew's Eagles when the catching was good and the Mitchell county aggregation showed put the skills under the Abilene crew. At the quarter stood when the final whistle ended the melee. Abilene had 18, Colorado, 15, and Abilene had four quarters of scores.

Loading 13 to 14 at the beginning of the fourth frame, Colorado had Abilene heading imaginary circles. The Eagles put a mauler across in five minutes, and the slung the winning tally across the slab.

Brownwood 19, Santa Anna 0  
BROWNWOOD, Sept. 12.—Scoring two touchdowns in the first quarter and another in the third, Brownwood high had little trouble in defeating Santa Anna, Friday 19 to 0.

Whitehead, Peterson and Ester carried the ball for Brownwood and Chester Thorne made good on one of three tries for extra point. The game was slow throughout and marred by fumbles. The Lions showed just the power in driving for 15 first downs, but the play lacked punch.

Captain Carl Thomas at guard played a great game and did beautiful punting. Santa Anna never threatened.

Cisco 13, Gorman 0  
CISCO, Sept. 12.—The Cisco Lobbers inaugurated their season here today with a 13 to 0 victory over Gorman. The Lobbers were slow in starting and fumbled frequently, making one touchdown and kicking goal in the first half and playing without further scoring until a string backfield and line opened the second half with a 61 yard run to a touchdown on the first play after kickoff. Yeager made the run.

**Little Counters Twice**  
Joe Little stepped 10 yards for the third touchdown in the fourth quarter. Little returned a punt 25 yards for the first touchdown and Jeter kicked goal.

The lineup:  
Gorman—Jones and Reynolds, ends; Stevens and Perry, tackles; Bryant and Scott, guards; Bennett, center; Simmons, quarter back and Morris, halves Hudson, full.  
Cisco—Bennell and Blackburn, ends; Cole and Norval, tackles; Steen and Black, guards; Ray, center; Turknett, quarter; Jeter and Little, halves; Connel, full.  
Touchdowns—Cisco—Little 2, Yeager; points after touchdown, Cisco, Jeter.

Ranger 27, Stephenville 0  
RANGER, Sept. 12.—Ranger defeated Stephenville, 27 to 0, in a game featured by McCarty's long runs and Bird's plunges. Wolf, defensive end and offensive fullback, shone in both capacities for the losers. McCarty scored in the first quarter after a 28-yard run. Bird plowed through to score in second quarter. Ferguson of Stephenville, returned a kickoff 50 yards. Bird, in two lunges, made 12 yards for touchdowns near the end of the half.

## St. Louis Tournament Set For This Week

ST. LOUIS, Sept. 13 (AP)—With a field of more than 225 professional and amateur golfers issued, the \$10,000 St. Louis open golf tournament will be held next Friday, Saturday and Sunday at Sunset Hill Country Club.

The competition will be 72 holes of medal play, 18 Friday, 18 Saturday and 36 Sunday. Only those with the 64 low scores and ties will play the 36-hole final Sunday.

In size of money prize, the tournament will equal the Los Angeles open tournament, the third largest held during the year. The Agua Caliente open, with \$25,000 prize fund, is the largest and the La Gorge Open, with \$15,000, is second.

This will be the fourth St. Louis open. During the last three years the entrants have been restricted largely to local players. Among the entrants this year are virtually all of the leading professionals of the country.

Walter Hagen, Johnny Farrell, Horton Smith, Gene Sarazen, Harry Cooper, Tommy Armour and Leo Diegel are scheduled to compete.

Some of the leading amateurs are expected for the reason that the National Amateur tournament opens at Philadelphia Sept. 22, the day after the St. Louis open is completed.

## Hotzy Totsy Winner Of Speedboat Race

ANNAPOLIS, Md., Sept. 13 (AP)—Hotzy Totsy, gold cup and national sweepstakes speedboat winner was piloted to victory in the fifth annual President's Cup race here today by Victor W. Kildrath, of Port Washington, L. I., winning the last two of the three 15-mile heats and averaging 54.859 miles an hour.

The defender of the \$5,000 cup won last year on the Potomac of Washington, Imp II, driven by Richard F. Hoyt, of Port Washington, was second.

The regatta, held on the Severn river at the Naval Academy for the first time, was featured by several flights. The Californian, gold cup contender entered by Richard Loynes of Long Beach, Calif., won the first heat, but sank in the running of the third and was unable to finish.

**FORFEITS STANDING**  
NEW YORK, Sept. 13 (AP)—Fritz Mercer, of Bethlehem, Pa., No. 6 in the national tennis ranking, has forfeited his amateur standing and has been declared ineligible to compete in tournaments and matches held under the auspices of the United States Lawn Tennis Association. It was announced today by President Louis B. Dailley of the U. S. L. T. A.

Other Southwest Conference matches: The present weekend finds all seven members of the Big conference well strung out on the teaming routine. Although the first sessions were held only Wednesday several squads already had been back through hard schedules, notably the Southern Methodist Mustangs. So far so good, serious injuries had cropped up and there was a note of optimism in the room.

**SENATORS**  
(Continued From Page 10)  
Connolly, Stiles and Friel.

**SENS 6, WHITE SOX 4**  
CHICAGO, Sept. 12.—Concentrating their attack in two innings today, the Washington Senators defeated the White Sox, 6 to 4, to make it two straight in the series. Four hits and a walk off Pat Caraway in the first inning gave the Senators four runs, and Sam Rice's double combined with wildness on the part of Caraway and young Ed Walsh in the sixth, accounted for the other pair of tallies.

**TIGERS 11-9, YANKS 10-4**  
DETROIT, Sept. 13 (AP)—The Tigers slugged out two victories over the New York Yankees in today's double-header, winning the six inning second game 9 to 4 after scoring five runs in the ninth inning to win the first, 11 to 10. The second game was halted by darkness with none out in the home half of the sixth.

**First Game**  
New York . . . 000 004 042—10 14 0  
Detroit . . . 122 100 005—11 16 3  
Batteries: Wells, Holloway and Dickey; Uhl, Sullivan, Cantrell and Desautels, Hayworth.

**Second Game**  
New York . . . 121 000—4 4 3  
Detroit . . . 301 122—9 11 0  
Batteries: Piggars and Dickey; Bridges and Desautels.  
(Called end sixth, darkness).

**FROGS**  
(Continued From Page 10)  
serves and sophomores for a bout with the East Texas Teachers the next day at Fort Worth. By shifting his player about, he will be able to send a full team of lettermen against the Eagles, who are understood to have one of their strongest units.

A second Southwest Conference hopeful, Rice Institute, will be seen in action before the week is out. The Owls who have been flattered with more attention than has been their pleasure for many a year, open against Southwest Saturday at Houston. Coach Jack Meagher will learn just what he can expect from his mammoth squad of sophomores, and what he learns possibly will be disquieting to six

## CONNIE MACK His 50 Years In Baseball

By Alan Gould Starts September 15

Connie Mack (left), whose life-story by Alan Gould (right), noted sports writer, will appear in The Herald beginning Monday, September 15.

Connie Mack, His 50 Years in Baseball, the life-story of the long with the days when he was veteran Philadelphia manager, will appear in The Herald beginning Monday, September 15. The story of the man who guided the most colorful figures of American baseball to the top of the game will be told in a series of articles which will be published in the Herald beginning Monday, September 15.

of the

# New Ford DeLuxe Bodies

We will have on display this week several of the new DeLuxe Bodies that have been especially designed for the Ford car.

The Ford Motor Company has made available to the public a complete line of DeLuxe Bodies that have been designed for those who desire something different in appearance—appointments and colors—and yet who want the outstanding performance, reliability and economy of the Ford car. The DeLuxe types are in addition to the Standard line and consist of Town Sedan, DeLuxe Sedan, DeLuxe Coupe, Cabriolet, DeLuxe Phaeton and DeLuxe Roadster.

These cars, while luxuriously appointed, are still kept low in price in accordance with the usual Ford policy.

Visit our showrooms any time this week between 9 A. M. and 9 P. M. and see the beautiful new DeLuxe bodies on display.

All Right, Big Spring,  
here's where you get  
**Goodyear**  
**Tires**  
from now on

*Now is the  
time to get*  
**YOURS**

Goodyear's erstwhile dealers in Big Spring have, for reasons of their own, given up Goodyears, the world's greatest tires, and taken on another line.

Goodyear is sorry about that—the deal breaks up a combination of good tire values and good service that has succeeded in pleasing Big Spring motorists over a long time.

Liking these former dealers of ours as much as we do, knowing how well they deserve their personal popularity, we wish them every possible success in their new venture.

At the same time, we feel we owe an obligation to the great army of loyal Goodyear users here, to make it easy for them to get the same dependable tires they are used to, and if possible, even better service.

In Big Spring, as in other cities and towns throughout the whole United States, Goodyear is unmistakably the leading tire.

The Goodyear Tire is one of the best sellers in Big Spring, and as a company Goodyear makes nearly twice as many tires each year as any competitor.

Goodyear Tires are now sold in Big Spring exclusively

by

**Williams Auto  
Supply, Inc.**

3rd and Gregg Sts.

Phone 1197

Having the advantage of this matchless production, and the greatest experience of any tire maker in the world, Goodyear is able to build into its tires a quality and value not to be found anywhere else.

Because Goodyear superiority is real, because Goodyear Tires do give more for every dollar you put into them, is the only reason Goodyears outsell all others.

We aim to hold our position in Big Spring, to continue as a permanent and constructive factor in Big Spring's commercial life, and to that end are establishing new and competent representation here without delay.

We feel we shall succeed in this aim because Goodyear Tires have nobly EARNED the loyalty of Goodyear users, and that such loyalty is not commonly for sale.

In the future, therefore, we bespeak your continued patronage on Goodyear Tires through our Big Spring dealer: WILLIAMS AUTO SUPPLY, Inc., 3rd and Gregg Streets.

We pledge you through this dealer the finest tire values money can buy, and an undeviating adherence to that outstanding quality which for 16 years has made "More people ride on Goodyear Tires than on any other kind."

# Provisions Of Milk Ordinance Outlined

## No Producer Barred From Selling Here

### Grade Specifications Are Listed For Information Of Public

In an effort to fully acquaint the public, both producers and consumers of milk and milk products with the true terms and provisions of the city milk ordinance, which will be enforced after January 1 or thereafter, Jimmy Williams, city sanitation officer, in charge of enforcing it, last night outlined for publication the most important parts of the statute.

Bases for grading milk are outlined. However, it is entirely optional with the dairyman or dairy farmer as to whether his milk is graded.

Mr. Williams pointed out that the ordinance prohibits no one from selling milk. All milk producers or distributors must secure from the health officer a permit to engage in such business, which is issued free of charge on application.

The ordinance contains provisions for classifying fluid milk into three grades, "A," "B," and "C," and also for the sale of ungraded milk and provides for its sale under a grade label only. The sale of no milk is restricted so long as it is properly labeled with the grade awarded by the health department.

It is left entirely up to the dairyman or dairy farmer, as to whether he has his milk graded. If he does not want any grade, his dairy farm will not be inspected regularly and his milk will be sold as ungraded milk.

The ordinance also provides for the sale of milk under a grade label which is restricted so long as it is properly labeled with the grade awarded by the health department.

The ordinance also provides for the sale of milk under a grade label which is restricted so long as it is properly labeled with the grade awarded by the health department.

The ordinance also provides for the sale of milk under a grade label which is restricted so long as it is properly labeled with the grade awarded by the health department.

**Basis for Grading**

Twenty-five items of sanitation control the grading of dairies and this group is the standard for grade "A" raw milk. All of these items must be met before grade "A" can be awarded. The milk is then tested in the laboratory for confirmation of the grade. The grades to be considered are:

**GRADE "A" RAW MILK** Is milk produced on dairy farms conforming with the twenty-five items of sanitation and the average bacterial count does not exceed one million per cubic centimeter, and which is immediately cooled after milking to a temperature of 45 degrees Fahrenheit and maintained at that temperature until last delivery.

**GRADE "B" RAW MILK** Is milk the average bacterial count of which at no time prior to delivery exceeds one million per cubic centimeter and is produced on dairy farms conforming with all the items of sanitation except seven, and the milk is not cooled to a temperature of 50 degrees or lower.

**CERTIFIED MILK** Is milk which conforms with the current requirements of the American Association of Medical Milk Commissioners, and produced under the supervision of the Medical Milk Commission of the Medical Society of Howard County, Texas.

**UNGRADED MILK** Is milk produced on dairy farms which are not inspected and graded according to the provisions of the ordinance.

**GRADE "A" PASTEURIZED MILK** Is grade "A" or Grade "B" raw milk which has been properly pasteurized in a plant conforming with all the twenty-four sanitary items governing pasteurized milk plants, and in which the average bacterial count does not exceed 5,000 per cubic centimeter, and the milk is immediately cooled after pasteurization to a temperature of 39 degrees or lower and maintained thereat until final delivery.

**GRADE "B" PASTEURIZED MILK** Is grade "A" or "B" raw milk which has been pasteurized, cooled, and bottled in a milk plant conforming with all of the items

of sanitation required for Grade "A" pasteurized milk except three items relating to inside painting, lighting and ventilation, and personal cleanliness of employees, and in which the average bacterial count does not exceed 100,000 per cubic centimeter.

**GRADE "C" PASTEURIZED MILK** Is milk which does not meet the requirements for either Grade "A" or "B" pasteurized milk, and the average bacterial count of which at no time after pasteurization and prior to delivery exceeds 300,000.

Pasteurization, briefly defined, is the heating of every particle of milk to a temperature of 142 degrees Fahrenheit and holding at such temperature for a period of thirty minutes or longer, and cooling immediately to a low temperature.

When the ordinance is enforced each bottle of graded milk will have plainly printed on the cap the grade as given by the health officer, the permit number or name of the producer or distributor, and whether the milk is "raw" or "pasteurized" such as "Grade 'A' Raw Milk" or "Grade 'A' Pasteurized Milk."

Ungraded raw milk will have the plain cap only showing the permit number under which the producer is operating.

All the grades of milk are based on the sanitary precautions taken on the dairy farm and the average bacterial count. At least four samples of milk taken on separate days will be used to determine the average bacterial content. These samples will be taken from the dairy wagon while the dairyman is making deliveries, some will be taken on the early morning delivery and some on the afternoon delivery and at an intermediate time. After the grade has been awarded samples of milk will be taken periodically to see that the average bacterial count is maintained.

The temperature of the milk will also be taken at the time of collecting samples to determine if the milk has been properly cooled. No person will be permitted to label his milk until he has received written authority from the health officer, and then he will only be allowed to place the grade so awarded by the health officer. Any other grade will constitute misbranding.

All dairies that conform with the grading provisions of the ordinance and with the bacterial count within the prescribed limits will be permitted to label his milk on November 1. This is just in case he desires to comply immediately and label his milk. No effort will be made to enforce the provisions until January 1, when the grades of all dairies will be announced through the press and every container of milk must be properly labeled.

Every grocery store, cafe, restaurant, soda fountain or similar place selling milk will be required to display in a conspicuous place a card furnished by the health department showing the grade of milk sold, if the milk is graded, and if the milk is not graded, then a card showing the permit number of the producer or distributor.

Only milk and cream to be sold to the consumer as whole milk and as sweet cream, must be graded. Buttermilk is not graded.

The provisions of this ordinance does not apply to what is generally known as family cows' milk, where no milk is sold or shipped.

Since this meeting, I have talked with other members of the Commission during my time and they advise that my recollection of the circumstances is correct and in accord with theirs.

The representatives of the farmers stated they had no objection to:

1. Tubercular tests of their cows
2. Health certificates for all milk handlers
3. Registration of all sellers of milk in order that their products might be examined from time to time by the City Health Officers, and if found unsafe for use, its sale prohibited until the products would pass satisfactory tests.

In view of this attitude it would seem an ordinance could be worked out that would give the consuming

public adequate protection, and at the same time permit the farmers who are now selling a good grade of milk to continue doing so.

I feel sure the present commission will be disposed to attempt this if such a result is not accomplished by the Ordinance just passed.

ed, which I have not had time to study.

Yours very truly,  
ROBERT T. PINER.

**PAYS LODGE BROTHERS TO VISIT HIS GRAVE**

CHICAGO, (INS)—There is little danger that the late Louis A. Thiel will ever forget that he was once one of them.

Thiel left a provision in his will that his lodge brothers would get \$20 each if they spend an hour at his grave on the anniversary of his birth.

Oh, yes, they all collected.

**POULTRYMAN HAS FOUR LEGGED CHICKEN**

RED BLUFF, Cal. (INS)—Edward Patrick O'Brien, Tehama County's poultryman, had a four-legged chicken on exhibit at his ranch.

The chicken is three weeks old and despite the handicap of two additional legs, is the liveliest of the flock and enjoys perfect health.

When the chick was first hatched the extra legs dragged on the ground and were a great hindrance to the owner, but as the chicken

increased in size, the extra legs stood out straight behind.

The legs are attached to an extra pair of hips which grow out of the chicken's back.

Several years ago O'Brien had a chicken with two bodies and one head, whichever you prefer. It did not live long.

O'Brien is a familiar figure in Red Bluff. He has written a book of verse, which he peddles on the streets, and he is also a close student of insect life, and issues monthly weather forecasts on the actions of bees and ants and worms.

## Milk Requirements In Brief

Requirements which the city milk ordinance set up for those selling milk and butter in Big Spring were outlined in brief form Saturday by Jimmy Williams, city sanitation inspector. He pointed out that the ordinance will not be fully enforced until January 1.

The requirements governing sale of milk are:

A permit must be obtained. This will be issued by the health officer without charge.

Physical examination must be undergone and health certificates obtained by handlers of milk.

Cows must be tested for tuberculosis.

The dairyman or dairy farmer then is required only to label milk containers with the permit number under which he is operating.

It is optional with the dairyman whether he has his milk graded. He will not be compelled to comply with any other provisions than those stated above.

Requirements for sale of butter in the city are:

A permit must be obtained from the health officer. This is free.

Milk and butter handlers must have health certificates.

Cows must undergo a test for tuberculosis and a physical examination by a veterinarian.

The name or permit number of the producer must be plainly stamped or printed on the wrapper or package for identification.

"Butter" must be labeled on the package or wrapper.

The weight of the contents of the package must be shown.

Since this meeting, I have talked with other members of the Commission during my time and they advise that my recollection of the circumstances is correct and in accord with theirs.

The representatives of the farmers stated they had no objection to:

1. Tubercular tests of their cows
2. Health certificates for all milk handlers
3. Registration of all sellers of

## JUST LISTEN TO THE BALLYHOO!

**THEY'RE shouting at us and we know it! Trying to drown out the values we're offering in tires! But "tall talk" can't phase us... we're going right ahead, keeping our values up and our prices down.**

The whole reason is that "long distance salesmanship" has begun to get some of the other fellows worried. But not us. No, sir! Goodrich has a tire in Cavalier that knocks "imported" casings for a row when it comes to performance. And we're selling them at prices you can't beat no matter where you buy, here at home or out of town.

So we say, let 'em shout! Let 'em talk all they want about special features and meaningless records and growing popularity! We're selling tires, not ballyhoo... and a look at the prices we've put on Cavaliers proves it. Look 'em over... then come in. Sure—we've got your size!

Consumption Of Cotton On Down Grade

WASHINGTON, Sept. 13 (AP)—Cotton consumed during August was announced today by the census bureau to have aggregated 352,335 bales of lint and 37,019 bales of linters, compared with 378,835 of lint and 38,781 of linters in July this year, and 387,734 of lint and 38,643 of linters in August last year.

Commissions Spend Money Needed For Relief To Learn Whether Farmers Need Help

The farmers can hunt rabbits.

BY WILL ROGERS  
Well all I know is just what I read in the papers. Here about a week or ten days ago we had quite a mess of news happening. But here lately its pretty well bogged down. When those Frenchmen was diving the Ocean and Lindy was receiving 'em, you know that must have been quite a Novelty. Think of Lindy meeting somebody instead of being met. But he did a mighty gracious thing, as he always does.

Flasher Of Life  
The Associated Press... LIVERPOOL—The radio is singing the star song of demagogues. Adolphus Daves said at a banquet given by the Lord Mayor: "For some unexplainable reason when persons listen by radio to the speeches of demagogues their basinsts are not aroused in the same way as when they are in a crowd."

YALE GIVES OUT TREASURY CHEST DATA  
NEW HAVEN Conn. (AP)—The treasurer chief of Yale University...  
FRENCH MAYOR URGES CLEANLINESS  
MARSEILLES, (INS)—The mayor of this city has instituted a campaign of hygienic improvements following the recent convention of hygienic specialists held here. He has ordered a renewed and severe enforcement of the laws of cleanliness in the city, and has nominated committees to work out plans for making Marseilles one of the healthiest and cleanest water front cities in the world.

Sailor's Companion Charged With Murder

HOUSTON, Tex., Sept. 13 (AP)—Charged with murder, Clinton Kinney of New Orleans, sailor, was held in jail here today while officers endeavored to communicate with relatives of H. H. Myhrs, also a sailor, whose body was found near here yesterday in a roadside ditch. Myhrs had been beaten over the head and shot through the chest.

JAPAN BEGINS FOUR NEW RAILWAYS IN MANCHURIA

MUKDEN, Manchuria, (AP)—That Japan is pushing economic development in South Manchuria is revealed by the starting of four new branch lines of the South Manchurian railway.

stituting a new Order for Merit in Arts and Sciences

The Austrian Ministry of Education will confirm the Order, which is to rank among the highest of this country, upon twelve leading Austrian personalities, who will constitute the preliminary "Chapter" of the Order.

GREAT BRITAIN TO WAGE ON 'MIDDLEMAN'

LONDON (INS)—The Labor Government is introducing the Agricultural Produce Marketing Bill into the House of Commons in order to stop profiteering in food prices.

775 FOR BALE OF COTTON

Mr. Farmer, in order that I may assist you in getting a fair price for at least one bale of your cotton I am hereby offering to purchase...

Torturer Of Girl Sought By Beaumont Police

BEAUMONT, Tex., Sept. 13 (AP)—Tortured and assaulted in a hotel room here, Miss Edith Ozeman, 20, recuperated at her home today while officers sought her attacker.

Yessir Friends Here's Where We Join the Big Parade  
This advertisement brings to a close the proposition-est week we ever spent in our young lives. If there are any tire companies that haven't propositioned us to take on their line in Big Spring we don't know who they are. But we've been in this tire business long enough not to be stampeded. We knew exactly what tire we wanted to handle when we started out and we knew why we wanted to handle it. The tire we were after was the same tire you people want — the tire you buy in preference to any other make. The tire we were after was the same TIRE. We know how good Goodyear Tires are, because we've been trying to sell against their outstanding quality for years. It hasn't been an easy job, and while we've built up a good business, we did it under handicap all the time. Now we fessl we're all set to go, and to make new records, because we've got the tools to do it with. We've got the first real super-service station in Big Spring and the best friends that any company ever was lucky enough to have, and the best tire that ever went on an automobile wheel. You know how good that Goodyear Tire is — it is one of the best selling tires in Big Spring. More than that, Goodyears are so widely recognized as being better that they outsell any other tires in the world. It seemed clear to us that Goodyear is able to make the most tires because Goodyear makes the best tires. It seemed clear also that we better step right up while we had a chance to march in the Big Parade. That's the story, friends, and the rest of it is up to you. Come right in, whenever you need tires or service, and we'll deliver you the best we have in the shop. We have a full range of sizes in Goodyears and all fresh new long-mileage merchandise, ready for you at right prices. Even if you don't need a tire now, wheel right in and pass us your congratulations, because we're so pepped up about this Goodyear hook-up that we feel congratulations are coming to us.

**Negro Murder Trial Slated**

Albert Darby, 22-year-old Athens, Ga., negro will go to trial Monday morning before Judge Fritz R. Smith in district court, for the murder of Francisco Martinez, aged Mexican store owner.

The negro was indicted by the September term grand jury and has been in jail since the night of the slaying.

Martinez was shot and almost instantly killed by a robber who attempted to hold up his store. A negro was said to have been seen leaving the store after shots were fired.

Darby was arrested at a shack soon after the shooting. A gun alleged to have been used in the hold-up was found under a house.

H. C. Hoover and Cecil C. Collins were appointed by Judge Smith to represent the defendant when he was arraigned. He entered a plea of not guilty at the time.

A special venire of 60 men has been summoned for the trial.

**Bar President**

Josiah Marvel of Wilmington, Del., is the new president of the American Bar Association. He was elected unanimously at Chicago convention.

**Pioneer Baptist Preacher Dies At Age Of Ninety**

AUSTIN, Sept. 13. (AP)—Rev. W. J. Cothran, 90, who had been a Baptist preacher in Texas for the past 45 years, died here last night at the home of a daughter, Rev. Cothran was a native of England and came to the United States in 1857, and settled in Texas. He previously had held pastorates in England, Scotland, Wales, Australia and the island of St. Helena.

**36,600 May Die in Year's Motor Accidents**

WASHINGTON, Sept. 13. (AP)—Based on reports for the first six months of the year the American Motorists Association today estimated deaths from automobile accidents this year would reach or surpass the 36,600 mark.

The first six months showed the association said, an increase of nine per cent in such deaths over the corresponding period of 1929. The total last year was 32,990. The association indicated an even higher rate of increase might be expected because of an expectation that the last three months will yield a higher proportion than the first of the year. This happened in 1929, the report said. The greatest number of accidents was said to occur between five and six o'clock in the evening and Sunday was listed as the most dangerous day.

**Buckeye Pipe Lines Raise Penn Price**

PITTSBURGH, Sept. 13. (AP)—An increase of 15 cents a barrel in the price of Pennsylvania grade oil in Buckeye pipe lines was announced by leading purchasing agencies here today. The new price \$1.90 a barrel.

ROTHMOOR COATS
Women love to talk about their Rothmoors

Time and again women tell us their friends talk of nothing but their new Rothmoors - and that these Rothmoor discussions have interrupted many a peaceful bridge party, many a serious committee meeting. We apologize for the interruptions - of course - but we'll continue just the same to have our Rothmoors just as charming, just as smart as always.

No matter what type coat you prefer - there's a Rothmoor for you. Dress coats, sports, travel, business and street coats.

Fall Style Exhibit and Custom Tailoring Demonstration TOMORROW... Monday

It's an event of interest to every man who would be well dressed this Fall. For a representative of the Society Brand establishment will present their complete line of new Fall styles and custom-tailoring woolsens. Society Brand, you know, is one of the oldest, largest and most reliable makers of fine clothes for men.

Visitors will have the privilege of being fitted by this Society Brand tailoring expert for either ready-to-wear or made-to-measure clothes. You are invited to attend this interesting exhibit.

Come and See.

Elmo Wasson SOCIETY BRAND

Stanton, will preach at the county court room at 3 p. m. today.

Constitution Week Program Being Urged

WILMINGTON, Del., Sept. 13 (AP).—Foster Maxwell, president of the American Bar association, today issued a call to all churches, schools, societies and associations throughout the United States for proper observance of constitution week, centered around Sept. 17.
