MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, AUGUST 11, 1966 PRICE SEVEN CENTS

WINNING FLOAT entered by the Roaring Springs Lions Club, depicts the famous springs. From left: Queen candidate Michelle Smith, Susan Payne and Cheryl Moore "bathing beauties."

ANNIVERSARY QUEEN crowned Saturday at midnight, was Miss Olivia Campbell, daughter of Mr. and Mrs. L. B. (Bundy) Campbell. She was sponsored by the Motley County VFW Post. Above photo was made during the afternoon Parade Friday, by Tanner Laine of the Lubbock Avalanche. A later picture was made of the Queen after receiving the crown. After the votes were counted, it was announced that Mrs. L. M. Cox was winner of the colored television set, and that L. M. Wingerd had won the black and white set.

Tribune Receives 1st Place Plaque

An engraved 1st place plaque was awarded the Matador Tribune at the Awards Breakfast of the West Texas Press Association meeting in San Angelo, Saturday morning.

Because of the county's 75th Anniversary Celebration, the Tribune was not represented at the convention, but the plaque was received by neighbor Wendell Tooley, editor of the Floyd County Hesperian.

Word on the plaque is as follows: "Awarded The Matador Tribune for outstanding achievement in the field of journalism, 1st Place, West Texas Press Association Better Newspaper Contest, Column Writing, 1966. This plaque presented by Peris - Goodwin Co., Inc."

Tours Attract Many Visitors

The tours of Matador Ranch headquarters and the Medallion home of the late Dr. and Mrs. A. C. Traweck Sr., attracted a large number of visitors Friday and Saturday during the county's anniversary celebration.

A registration of over 400 visitors at both places was reported.

Mr. and Mrs. Vincent Potter of Houston were here for the occasion. Mrs. Potter, the former Mary Traweck assisted as a hostess at the Traweck home.

Others serving as hostesses, and all wearing pioneer costumes, were Mrs. Howard Traweck, Mrs. Albert Traweck, Mrs. Bill McCaghen and Mrs. Bennie Keltz.

Mrs. Jim Cross, whose husband is present ranch manager, directed the visitors through the home once occupied by superintendents of the vast ranch empire, and their families.

She was assisted by Mrs. James Taylor and Mrs. Q. Cannon.

Youth Exchange Ideas With WTCC

Larry Elliott and Karol King were among 84 high school and college students meeting with John Ben Shepperd, president of the West Texas Chamber of Commerce, to discuss ways of promoting West Texas education, industry and culture. The all day meeting was held in the Ramada Inn in Big Spring, Tuesday.

The opening session convened at 10 a.m. when R. W. Whipkey, publisher of the Big Spring Herald welcomed the group, who then heard Mr. Shepperd.

He spoke to the group about the potential of West Texas cultural and industrial resources, and explained the role that young citizens can play in helping promote this area.

Miss King and Elliott, both high school seniors, were accompanied by Big Spring by Mr. and Mrs. R. M. Stanley. Mr. Stanley is a WTCC director and only towns in which a director lived or those that had exceeded membership quotas were invited to send delegates to the youth meeting.

Monday Is Set For Matadors Workout

FIRST workout for the 1966 Matador Matadors is scheduled Monday on Burleson Field, according to Coach Willie Myers. The boys will practice each evening next week without pads before contact equipment is issued August 22. Workouts will include drills, exercises and running. Approximately 25 boys reported to the field house Wednesday to receive shoes.

Any boy desiring to play who has not already been contacted by Coach Myers should report to him before Monday.

Coach Myers and assistant coach Earl Byerley attended Texas Coaches School in Houston, July 31-August 5.

Jail Tour Cancelled

A tour of Motley County jail was cancelled by the law enforcement department, and many visitors were turned away during the two days. Mrs. R. S. Webb was in charge due to the illness of her husband, who was in Methodist Hospital, Lubbock.

HAS SURGERY

Mrs. F. E. Edi Smith is convalescing at M. D. Anderson Hospital in Houston, where she had surgery Friday. Mr. Smith returned home Monday night after being with his wife, and will return to Houston this week end. Mrs. Smith is in room 409 West Wing.

To Show Film in Revival Services

A movie film of scenes in the Holy Land will be shown tonight (Thursday) at the First Baptist Church in Roaring Springs, as a feature of revival services in progress this week.

Rev. Joe Motesbacker, evangelist and pastor of the Trinity Baptist Church of Tucumcari, N. M. will show the film which will include scenes made in Egypt and Jerusalem.

The service will begin at 8 p.m. and everyone is cordially invited, by the pastor, Rev. C. A. Butler.

Ticket Refund Money On Hand

A large number of people had purchased tickets for the Saturday night performance of "The Pageant of the Pioneers," which could not be produced because of the storm. The refund money is available, but there is a single stipulation.

A written request must be mailed to Glenn Woodruff, secretary of the 75th Anniversary Celebration Association. The one and only reason for this request, is:

It will be evidence to an auditing committee that the money has been paid out, when complete records of the celebration are published.

Chairmen Will Hold 2nd Meet

A meeting Monday of the five County Democratic Precinct Chairmen, failed to decide on a name to be placed on the general election ballot in November for the office of County Judge and Ex-Officio County Superintendent.

The chairmen are responsible for selecting a nominee to replace the office of County Judge and Ex-Officio County Superintendent.

Furman Vinson, County Democratic Chairman said the precinct chairmen would meet again Friday morning, in another attempt to reach a decision.

REVIVAL ANNOUNCED BY NORTHFIELD CHURCH

A revival meeting will be in progress at the Northfield Baptist Church, beginning Sunday, August 14, and continuing through the next Sunday.

Rev. Jack Tutor will do the preaching and services will be held twice daily, at 10:00 a.m. and 8:00 p.m. Everyone is cordially invited.

Empty Saddle is Tribute to Maker

An empty saddle on a horse led by Bert Schweitzer of Lubbock, in the Anniversary parade Friday, paid special tribute to his father, the late H. H. (Houston) Schweitzer.

The saddle had been designed and made by the famed saddle maker, who worked in a modest shop on the highway until his death. Schweitzer was recognized as a master craftsman and his saddles among the finest in the country.

Also riding in the parade was a grandson, Ricky Moss, whose parents, Mr. and Mrs. James Moss (Frances Schweitzer) rode in a horse-drawn buggy, bearing the sign, "E. E. Moss Red Lake Ranch."

HOME FROM HOSPITAL

Mr. and Mrs. Carl Bird returned home Saturday from Fort Worth, where they had been staying while Mr. Bird was receiving treatments in Dallas. He was a recent patient in Baylor Hospital there.

Also home from the hospital is R. S. Webb, who underwent surgery Monday of last week in Methodist Hospital, Lubbock.

NATURE, apparently peeved at being denied a role in Motley County's 75 year history, the "Pageant of the Pioneers", Friday night, wrote her own part and acted it with dramatic fervor Saturday night. As the stands started to fill for the performance, light rain began falling and lightning played in the threatening sky. Then the near tornadic winds struck with fury. In an instant the scenery was scattered across Burleson Field. Horses hitched to wagons tried to run away, and scantlings were dangling where the large stage had stood. A group of women choral singers covered themselves with a large piece of plastic and began to sing.

Members of the cast sought shelter and those in the stands soon fled. It was over. The scenery was beyond repair and the wind continued. It was announced over a still-working public address system that the naming of the Anniversary Queen and the giving away of the two television sets would take place at the VFW building at midnight. (A dance was then in progress at the building.) The weather was triumphant. It had been a part of the pageant depicting the history of the pioneers.

Friday Added Brilliant Chapter To Motley County's Colorful History

AN ENTIRE and brilliant chapter was written into Motley County's history in one day and night, Friday, August 5th. The weather was warm but not excessive as tours of historic places began at 10 a.m. Largest crowd in Matador's history thronged the streets by 2 p.m. when the parade started at Main Street Bridge.

Anniversary Parade Winners Announced

Winners in the Motley County 75th Anniversary Parade were announced by Bundy Campbell Friday, following an address by Lt. Gov. Preston Smith on the courthouse square.

Winners in the Queen floats contest were Roaring Springs Lions Club's "Water Fall", first; Matador Young Homemakers' "Spinning Wheel", second; and Eternas Study Club's "Honey Bee", third. Blue ribbons were awarded each of the winners.

First place float without a queen candidate was the Oil Field float by Roy Hankins and Banty Brandon and second place in this division went to Hedley Lions Club.

Stirring martial music of the Amarillo Air Force Base "Golden Spread" band brought the cheering crowds to their feet. The parade was two miles in length and contained many colorful floats, riding clubs, authentic wagon and team rigs, as well as antique automobiles. It is estimated that between 350 and 400 horses were used.

Outstanding at the microphone on the judge's stand was the voice of Crawford Taylor of Brownfield announcing the various entries as they approached. He also made a great contribution to the success of the pageant where he served as announcer Friday night.

Riding horses in the parade were Lt. Gov. Preston Smith of Lubbock and Rep. Bill Healy of Paducah.

Float winners were, Roaring Springs Lions Club, first; Young Homemakers of Matador, second and Eternas Study Club of Matador, third.

Preston Smith Speaks

Lt. Gov. Preston Smith made an outstanding address from the flag and bunting-decked review platform on the courthouse square at the conclusion of the parade. He was introduced by Rep. Bill Healy who had previously been introduced by County Judge Elbert Reeves.

Lt. Gov. Smith paid high tribute to the courage and vision of the pioneers who had selected Motley County as an ideal section of Western Texas. He also paid tribute to the "Mighty Matadors" for their efficient operation of the once more than one million acres of ranchland, branding as many as 25,000 calves in a single season.

Announcement was made that free barbecue was available at the VFW building and City Park at 5:30. More than 2,000 received plates of food. Free barbecue was also served again Saturday evening.

Horseback Wedding

Preceding the "Pageant of the Pioneers" at Burleson Field Friday night Miss Linda Jane Briscoe and Maurice Clifton rode horseback to an altar on the stage, where they were married.

There were no vacant seats in the grandstand when the lights were dimmed and the pageant began. Many stood on the sidelines. The vast audience was responsive from the beginning as the 75-year history was unfolded in the "Pageant of the Pioneers."

The pageant was directed by Mrs. Glenn Woodruff, whose mother, Mrs. L. M. Wingerd of Brownfield, wrote the script.

That the audience was impressed was evident by the applause following every act. In some instances those in the stands were

Colts Notch Turks 7-6 In Dist. Play

Floydada Colts nicked Turkey 7-6, in semi-final action Saturday night, July 30 in the Dist. 7 Freshman League baseball tournament in Floydada. The Colts, coached by former resident, Donald Green, went on to take second behind the champion Floydada Giants by a 7-1 score Monday night, Aug. 1.

Catching for the Turkey all-stars was Ricky Lawrence. David Crockett Lee, another all-star selection from Matador, pitched the opening four innings and absorbed the loss. Mike Berryman relieved Lee in the fifth and was replaced in the sixth by Turkey's Curtis Polly.

The lead vacillated between the two combatants and it was anyone's game all the way. Each team got one run in the first and Floydada pulled ahead 3-2 after the second inning. Three runs in the fourth by the Giants were matched in the fifth by Turkey but the final inning netted the Turks only one run and the Colts had managed one additional score in the fifth to stay ahead.

Since it was a single elimination tournament and Turkey drew a bye this was their only game in the tourney.

Floydada's winning Giants will participate in the state tournament in San Angelo Aug. 8-13.

Owls Succumb To Stamford Cowboys

Don Cox proved to be an omniscient stumbling block for Stamford as they wrestled a 12-9 victory and the right to advance to the semi-finals from Silverton's Owls Thursday night, August 4, in the Junior League district tournament in Lockney.

Cox, one of three Matador boys chosen to play with the Owls in district competition, started behind the plate but when the Owls got in trouble in the sixth, he was sent to replace Roy Dale Woods on the mound. During the sixth Silverton converted a 5-3 deficit into a 12-5 lead.

In the face of a seven point scoring chasm with the bases loaded and only one gone, Cox rescued his team from an impasse by braking a nine run avalanche.

With his team trailing 12-5 in the seventh and final inning, Cox completed the game and the season with a brilliant contribution at the plate. He doubled,

driving in two runs, stole third, and scored by fielders choice. On four trips to plate Cox got two hits, walked, and flied out to center field.

The Owls bowled out of the tournament with this loss.

Hosts In Tonight's Semi-Final Action

Host Matador Outsiders opened play in their tournament Monday night by walloping McAdoo, 21-2, and as a result advanced to semi-finals of the double elimination tournament tonight (Thursday).

In tonight's 8 p.m. contest they tangle with the winner of Tuesday night's Hedley - Paducah game and the victor of this game plays in the championship decision Saturday night at 8 o'clock. Wednesday night, McAdoo played the loser of Tuesday night's clash. Tomorrow night's (Friday) entertainment features the loser of Thursday's game pitted against the Wednesday night winner.

Admission to the park is 50c for adults and 25c for students. A concession stand is being maintained by several ladies.

HIGHLIGHTS and SIDELIGHTS

By Vern Sanford, Texas Press Association

AUSTIN, TEX. - How you drive that automobile during the next 12 months will determine what you pay for car insurance a year from now.

Traffic violations, as well as accidents, will appear on your experience record and will count against you.

New plan designed by the State Board of Insurance will hit where it hurts the most... the purse.

Or conversely, if you care to look at it the other way, it will lighten the load on those who are penalized by higher rates because of the carelessness of others. And that's the way it

really is, since some kind of increase is necessary.

Penalty points now are being assessed motorists for accidents and major violations... including speeding.

One penalty point will mean a 15 per cent hike, two points 35 per cent, three points 60 per cent and four or more points 90 per cent.

Major violations - like driving while intoxicated, negligent homicide, hit and run or felony driving offenses - will cost drivers three points.

Two points will be assessed for driving while a license is suspended or for violations resulting in suspension.

One point will be charged for accidents where there is injury or death - or property damage over \$50 - and for speeding. Speeding points are not counted until after one or two "free convictions" in the preceding year or three years.

After 1969, penalties will be based on driving records over a 36-month period.

Twelve exceptions to the "point" rule are listed, however, and one of them includes accidents in which the driver is not at fault.

Unlike the old retroactive, statewide plan of 1960-62 which created so much controversy, the current plan is based on experience in 26 separate rating territories and considers no offenses prior to August 1.

Appointments Announced...

Gov. John Connally has named former Atty. Gen. John Ben Shepperd of Odessa as chairman of the new State Fine Arts Commission. He selected as additional members Tom Lea of El Paso, Ralph McCullough of Houston, Paul N. Howell of San Antonio, Edward L. Melin of Amarillo and Dewey C. Bradford of Austin.

Connally picked Tom McCrummen Jr. of Austin to succeed Maurice R. Bullock of Fort Stockton on the State Securities Board.

Robert A. Westbrook of Elgin was named to the Governor's Committee on Aging and Robert W. Olson of Dallas to the State Board of Registration for Professional Engineers.

Vernon McDaniel of Austin, Henry H. Dewar of San Antonio, and State Sen. Bill Moore of Bryan were appointed to the Southern Regional Education Board of Control.

Stanley Banks Sr. of San Antonio and Walter Long of Austin were re-appointed to the State Library and Historical Commission.

Gilbert L. Herrera of Corpus Christi is the new director of Operation SER, a project to help Latin American citizens find and train for jobs.

COURTS SPEAK - State Supreme Court upheld the attorney general in refusing to approve \$4,700,000 in the Brazos River Authority revenue bond issue.

Supreme Court justices, holding in favor of a Hopkins County widow's contest of an insurance policy cancellation on her late husband, disagreed over seriousness of agina pectoris heart disease. Majority concluded one who has it can still be considered in reasonably good health.

City of Dallas was entitled to a temporary injunction to block showing of the movie "Viva Maria", the high court said.

Amendments In Brief

Amendment No. 1 - Provides that all land owned by natural persons and designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

Amendment No. 2 - Would authorize creation of airport authorities composed of one or more counties.

Amendment No. 3 - Would withdraw Arlington State College from participating in the Permanent University Fund.

Amendment No. 4 - Increases the permissible term of office for directors of conservation and reclamation districts from two to six years and validating present statutory terms of office for such officials.

Amendment No. 5 - Would authorize the legislature to provide for a system of retirement, disability and death benefits for county officials and employees and others.

Amendment No. 6 - Provides for payment of assistance to survivors of law enforcement officers, custodial personnel of the Texas Department of Corrections and full-paid firemen.

Amendment No. 7 - Would repeal the Constitutional provision requiring a poll tax as a prerequisite to voting and requiring the Legislature to provide for annual registration of all voters.

Amendment No. 8 - Would authorize the Legislature to enact laws permitting persons to vote for state officers and for president and vice president of the United States without having fulfilled residence requirements to vote for other officers, as well as laws permitting former residents of the state, for a certain period, to vote absentee for president and vice president.

Amendment No. 9 - Increases to five the number of judges on the Texas Court of Criminal Appeals and lengthens the term of that court.

year, compared with 52 billion vehicle miles rolled up in the state in 1965.

Vehicle registration will more than double - from 6.2 million to about 14 million in the next two decades. To keep pace, the State-maintained highway system is expected to grow to a total of 79 thousand miles. Presently, 66.5 thousand miles of highways are under State maintenance. More significant, Highway Department planners said more miles of high-type highways will be needed to carry ever-increasing burdens of traffic. In the next two decades, 7 thousand construction miles of new freeways should be built, including traffic arteries on new locations and conversion of older, conventional roads to freeways. In general, all existing highways will require one reconstruction and two resurfacings before 1985. All bridges built prior to World War II will require replacement.

The report notes the role of the highway system in the unprecedented growth and development of the state during recent years.

The Texas Highway Commission presented the report to Governor John B. Connally as an aid to consideration of future highway needs of Texas.

State to Need More Funds for New Highways

AUSTIN - Texas will need to invest more than one-half billion dollars a year in new highway construction by 1985 to keep pace with the growth of the state, a new study released today by the Texas Highway Department predicted.

The forecast was contained in a 24-page brochure entitled, "The Great Challenge - Texas Highway Needs." The report is based on projections made by planners in the Department.

By comparison construction expenditures in Texas in 1965 were \$348 million. A highway system to meet the challenge of the future requires active, alert public support, the brochure said. It also requires sound, adequate financing.

"The public should be alert to any attempts to divert or disperse any current highway revenues," the report warned. It added: "The failure - even by one day - to build better, safer highways will be costly in human life and suffering. The economic loss is irrecoverable."

The report pointed out: "A vibrant economy produces its own problems. Population growth, the increasing number of motor vehicles and the complexities of modern society compel a constant vigilance."

By 1985, the brochure noted, Texas will drive a total of more than 77 billion vehicle miles each

laughing at the comedy episodes from the actual history of the county. And again there were tears in many eyes following the inspiring singing and musical numbers. Following a tribute to the pioneers, a brilliant fireworks display concluded the performance.

A street dance was soon in progress on two sides of the courthouse square and some time early Saturday morning the music ceased, and Motley County had finished writing another brilliant chapter in its history.

Willingness Everywhere
It was the most impressive single event in the county's history. Every person in every community wanted to do all possible to make the celebration a success. They worked side by side accomplishing almost impossible feats. If there had been any skeptics, they were submerged in a tide of enthusiasm.

MY PERSONAL THANKS

I wish to take this means to personally thank my parade committee, a n n o u n c e r and promoters, judges, area leaders, helpers, flag bearers, fire-boys assisting traffic, and each and every participant including those assisting materially toward the parade and the Motley County 75th Anniversary Celebration. Sincerely,
L. B. (Bundy) Campbell

THANKS EVERYONE!

I would like to take this opportunity to express my appreciation to all the many people who made the "Pageant of the Pioneers" possible. I had my speech ready for Saturday night's performance when Mother Nature took a hand.

There were several people in the cast who took parts when we needed them the most, after natural events prevented others from fulfilling their places. These changes came about after the information had been sent to the printers, so unfortunately, their names will not be in the programs. And to all the cast who took their parts and were prepared. To those people I wish to say thank you from the bottom of my heart. You were there when help was needed.

A special recognition should go to the technical crews, some of whose names were omitted from the program because of the early printing date. No one realizes the work they have put out to make the pageant go smoothly. They are the unsung heroes of a pageant for it moves only as well as the technicians function.

I wish it were possible to enumerate all the people who deserve credit in this large operation but the Tribune has only so much space and a great deal to put in it, so again I will say **THANK YOU!** one and all! Sincerely,
Marion Woodruff

TO OUR FRIENDS

We are deeply grateful to each of you who came to us with expressions of sympathy in our time of sorrow. The cards and other messages, lovely flowers and dishes of food were all appreciated more than you can know. May each of you be richly blessed for your kindnesses.

The Family of Mrs. W. T. Patton.
* Attending the celebration and visiting Mr. and Mrs. J. L. Woodruff, Miss Amy Glenn and Miss Sue Glenn, were their sister and husband, Mr. and Mrs. T. P. Metcalfe, of Franklin.

The cards, flowers, visits and other kindnesses extended me during my recent hospitalization and since my return home are appreciated very much, and I wish to take this method of expressing my sincere thanks to each of you, who remembered me in any way.
R. S. (Ray) Webb.
