#### CARD OF THANKS

Our burden of sorrow at the passing of our loved one was made lighter by the kindness and thoughtfulness of friends and relatives, and we wish to take this method to thank each of you who did so much for us. The cards, visits, flowers, food provided, and numerous other thoughtful deeds were all deeply appreciated. Our gratitude also extends to those who visited Chris and sent him cards and get-well messages during his illness. A cowboy never forgets his friends, and he cherished the memory of each of his.
