# Town Closing To Help Team

**TRAIL DUST**  
By DOUGLAS MEADOR

The old billboard was swaying in the wind and stuttering. Pieces of paper were fluttering from its face and the long-ago message was distorted. It was like an old man attempting to tell an incident from broken pieces of memory.

Recently a friend told of a tragedy to an early romance. He had worked long hours for little pay to earn the admission to the motion picture show for himself and a girl friend. It was during the depression days when money was hard to come by, and it was his first date with the girl. The theatre seats were comfortable and the youth was tired. He went to sleep during the performance and when he awoke the audience had gone, including the girl. It is probable the epic was of the same type we see on late television shows, that have a tendency to put us to sleep in the chairs at home.

There is a kind of cleansing action about admitting a mistake. We admit that we are human and that we are not going to defend an apparently hopeless position, and we also give the world its reward of perhaps, being a little closer. Perfection is admirable but a little less than sociable.

Time on television is declared very expensive, yet screen time before or following many features and special events often consumes a great amount of the allotted period in credits to those who have had a part in production. Recently, I witnessed a show in which the dog trainer was given credit. The dog was not very good and had only a small part. It may be that acceptable material is in such short supply that screen credits are considered entertainment.

My brother is not enthusiastic in support of my activities. He has said frequently, however, that I know a great deal if I could just think of it.

The paper shortage is of grave concern to newspapermen from the smallest weekly to the great metropolitan daily. To date the public has expressed little if any concern in the crisis that might even result in a shortage of toilet paper.

**Legion Auxiliary To Sell Poppies**  
The American Legion Auxiliary has announced a Poppy Sale to be held November 10 (Homecoming week end). The poppies are made entirely by disabled veterans, and through the sale of the flowers, the veterans may realize a little extra spending money. The annual Poppy Program is a "living" tribute in honor of America's War dead, and public response is greatly appreciated by the sponsoring organization.

## Singing Sunday

REGULAR autumn meeting of the Motley County Singing Convention will be held Sunday (Oct. 21) starting at 10 a.m. and continuing until 4 p.m. in the American Legion Building. Many attend the conventions from distant areas and outstanding singing groups and individuals are always in attendance. The public is always cordially invited. The group will dismiss for a lunch period at noon. In pioneer days the singers frequently met under brush arbors and spread their prepared lunches together. It is generally known that the Motley County Singing Convention is the oldest continuous organization in Motley County.

## Furman Vinson Is Cited In Masonry

Furman Vinson, lifetime resident of Motley County has been named with four other area men, to the ranks of 33rd degree Masons, the highest honor accorded in the Scottish Rite. The announcement came from Washington, where honors were posted Monday afternoon at Southern jurisdictional headquarters of the Scottish Rite of ancient, free and accepted Masonry and included the names of two Lubbock men. To be coroneted in a Dallas ritual are Parker F. Prouty, retired Lubbock-Avalanche executive, named as a recipient of the 33rd Degree, Honorary Inspector General; J. Q. Warnick, Lubbock attorney, as a Knight Commander of the court of Honour; and Alvin M. Muldrow Sr., of Brownfield, Bob G. Andis, Pampa, W. Raby Hampton, Wichita Falls and Vinson, for 33rd degrees. Muldrow currently heads the Scottish Rite bodies within the Lubbock Consistory.

## FLOYDADA SETS YOUTH CONCERT

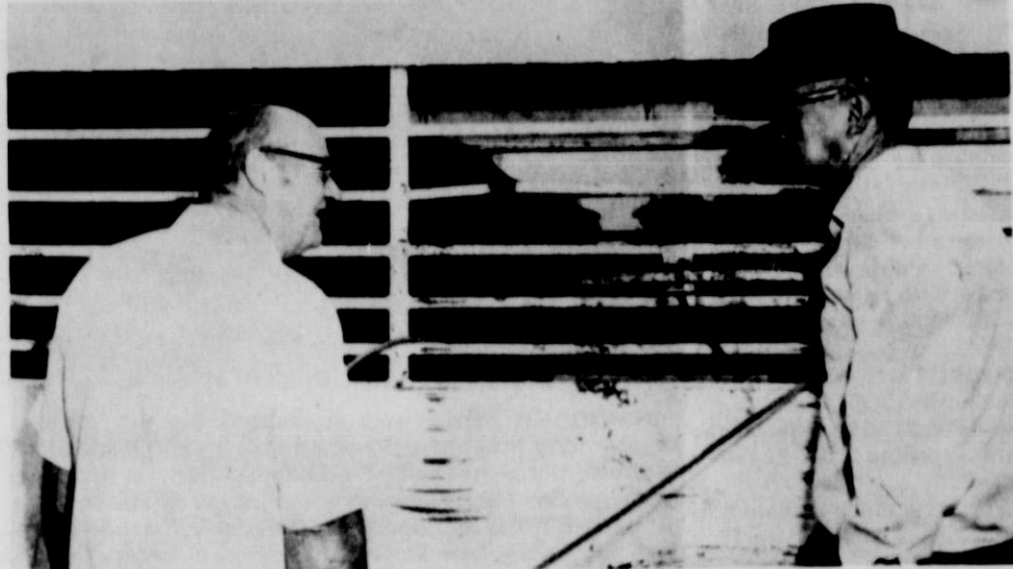

The Renaissance (formerly the New Californians) will appear at Floydada High School Auditorium Monday night, Oct. 22 at 7:30 p.m. for a concert sponsored by the Caprock Baptist Association. The group of young people began four years ago as a select group from the youth choir of the First Baptist Church of Lemon Grove, California. Now the Renaissance is touring coast to coast for ten months each year.

While the group was still called the New Californians, they were chosen from over 2000 professional acts auditioned by CBS to appear on the CBS Newcomers Show, a summer replacement for the Carol Burnett Show in 1971. In 1972 the group made many television appearances in several cities throughout the United States.

The group has performed over 1500 concerts, logging more than 250,000 miles across the United States and Europe. One of the unique features of the Renaissance concerts is their puppet show. The puppets present humorous musical numbers and Bible truths. Children from ages 1 to 100 enjoy the puppets.

Planning to attend the concert is a group of young people and sponsors from Matador, who will meet at the First Baptist Church at 6:30 p.m. Monday, and leave in cars from there. Anyone interested in attending the concert with this group is cordially invited to join them at the church.

Ronnie Price of the U.S. Marines, based at San Diego, Calif., visited here last week with Mr. and Mrs. Joe Smith.

OLD MAT loaded to make the journey to his new home west of Plainview. He was reluctant to enter the trailer but seemed to enjoy the trip. Shown above, left to right is Freddie Welling, who was instrumental in securing the buffalo, and John Stotts who transported him to Matador and later to his new home last week.

## Plainview Is New Range For Buffalo

"OLD MAT" the lonely Matador buffalo has gone to a new range. He was moved last week to the Lynch Manufacturing Company at Halfway, 10 miles west of Plainview. The owner of the firm has a collection of animals which is augmented by the presence of "Old Mat." The buffalo has a good home, according to John Stotts, who made the delivery. Mr. Stotts also brought the buffalo to Matador from Chidress in 1967. At the time the animal weighed 630 pounds. Weighed again Friday he tilted the scales at 1180 pounds. The buffalo had become a problem to the city during the rainy weather because of odors. One member of the council said interest in the buffalo had run its course, and that it was seldom anyone came to see him. Many people have expressed approval of the transfer. "I felt sorry for him because he was always so lonesome," several persons declared. Loading "Old Mat" in a cattle trailer, was no easy matter. Many real cowboys and an equal number that were not cowboys, aided and provided advice in the problem. Mr. Stotts said the buffalo was reluctant to leave the trailer upon arrival at his new home. The buffalo was delivered here October 12, 1967. During the same month Halloween pranksters cut the lock and allowed the animal's escape. He was recaptured and returned to his pen. The Tribune conducted a contest to name the buffalo, and the name "Old Mat," suggested by David Crider of Odessa was selected November 23, 1967.

TOM EDWARDS

## Tom Edwards To Address Legal Group

Tom Edwards of Houston will be one of the speakers at the Lubbock Legal Secretaries Association Seminar for the Attorney and the Legal Secretary, Saturday, Oct. 20. The seminar will be from 8:30 a.m. to 3:30 p.m. at Texas Tech University Law School Courtroom. Edwards, an attorney from Houston will speak on "Comparative Negligence." The son of Mr. and Mrs. J. E. Edwards, Tom was born in Lubbock and grew up in Matador, graduating from high school here. He received both his undergraduate and graduate degrees from Texas Tech. Topics for other addresses at the seminar include "New Rules of Civil Procedures" by George McCleskey of Lubbock; "Products Liability" by Orville Smith of Lubbock, and "Consumer Protection" by Mrs. Elizabeth Levatine, Austin.

## 4H AWARDS BANQUET DATE SET

Annual Motley County 4-H Awards Banquet will be held Monday night, Oct. 29, starting at 7:00 p.m. according to W. C. Pallmeyer, Extension Agent for Motley County. Principal address will be made by Mrs. James Karr of Whitney, Texas. Mrs. Karr, the former Cherri Barton is a former Gold Star girl from Motley County. She is the daughter of Mr. and Mrs. C. M. Barton. The annual achievement banquet is the year's highlight for work done by 4-H club members. Guests will include parents of the members, adult leaders and sponsors of the youth organization.

**HOME FROM TRIP**  
W. T. Ross returned home Saturday from a trip to Oregon, where he visited relatives in Portland, Salem and Eugene. He was gone about three weeks, leaving Lubbock by plane for a visit in Dallas with his son, Jim, before going on to Oregon.

## Senator Declares Recharging Needed

SPIRITUAL recharging of our country is needed according to Senator Jack Hightower of Vernon who spoke Sunday at the First United Methodist Church at the 10:55 worship service. It was the church's annual Layman's Day. Senator Hightower (30th Senatorial District) is a well-known Baptist layman. He was introduced by long-time friend Furman Vinson. "We are at the watershed of history," the Senator declared... "with changing social standards... we have gone too far from the brush arbor church meetings and the circuit riding preachers. We talk about recharging the sands of our water supply... we need a recharging of our spiritual supply... we worry about an energy crisis with a decline of oil... but we need to worry about spiritual depletion... too many people are skeptical and we close our eyes to a declining morality... there is not enough spiritual recycling. Remember what God has done for us and that we are here to serve Him..."

## Firemen Are Hosts For Barbecue Here

MEMBERS of the Matador Volunteer Fire Department were hosts Saturday for their annual barbecue. The excellent barbecue was prepared and served at the VFW building, to approximately 85 persons. Guests included wives and members of the families of firemen. Special guests included Mr. and Mrs. Royce McClaurry of the Lazy S Ranch. Mr. McClaurry is foreman of the ranch and provided the beef for the barbecue. The firemen had brought grass fires under control on the ranch property. There was no formal program. Councilman Pat Seigler made a few remarks and welcomed the visitors. Douglas Meador expressed the thanks of visitors who were invited by the firemen. The informal barbecue has been an annual event conducted by the firemen for some time, as an expression to the community and area for gifts they have received during the past year. Fire Chief Alton Marshall said he was happy that so many friends of the fire department attended. Many of the people who attended the barbecue remained and visited with friends and relatives after the meal had been completed. Member John Stotts passed around the table with a platter of barbecue after everyone had been served, until everyone had all they could eat. Ice cream dessert was courtesy of Spur Milk & Ice Cream represented by Clayton Thomas. Use of the building and barbecue pit was provided by the V.F.W.

### Proclamation

WHEREAS the Matador Matadors, coached by Stan Irvine, V. V. Scott and Kirby Hatley, won their first football game of the 1973-74 season against a Class AA team; and

WHEREAS the latest win brought the Matadors' record to 5-0, 4-0 in District play and makes them the only undefeated team in District 2-B; and

WHEREAS they have earned the support of the area communities represented by the members of this team, by this outstanding record, and will travel to Amherst, Friday October 19, to meet the Bulldogs there;

NOW, THEREFORE, I Kirby Campbell, Mayor of Matador do call upon the citizens of this community to observe the week of October 15-20, 1973 as "BEAT AMHERST" WEEK and to support the Matadors by attending said football game Friday night at Amherst.

IN WITNESS WHEREOF, I have hereunto set my hand, on this 16th day of October, 1973

*Kirby Campbell*  
Kirby Campbell, Mayor  
City of Matador, Texas

## Caravan Leaving At 5:15 Friday

MUCH of the population of this West Texas cattle country town will saddle up and ride into the sunset Friday afternoon. A caravan will meet at the courthouse at 5 o'clock and leave about 5:15 to support the Matador Matadors when they meet the Amherst Bulldogs in Amherst at 7:30. Football fans and school officials have declared it the most crucial game of the season schedule. In support of the drive to "Beat Amherst" stores and other places of business will close one hour earlier (at 5 o'clock) to make it possible for everyone in the community to "follow the Matadors." As an incentive to the movement, Mayor Kirby Campbell has issued a proclamation, designating October 15 - 20 as "Beat Amherst Week."

The 1973 Matadors have a perfect record of winning five straight games in the season. Four have been conference games. Much enthusiasm has been generated since the movement to "beat Amherst" was started. Many believe the largest contingent of fans in recent years will follow Coach Stan Irvine and the Matadors to Amherst. To further increase interest in the season, a number of business firms have purchased time on the Floydada radio station K-FLP (900) in which Coach Irvine will comment on the Matadors. He will speak on Mondays at 4:45.

The Matadors rested last week, but continued strenuous workouts to be in condition for the crucial Amherst game Friday night. Again, as a reminder, the game starts at 7:30 p.m. in Amherst.

## Ex-Students Ass'n. To Honor Secretary

Matador Ex-Students Association will observe its 20th anniversary at Homecoming on November 9-10, and will honor its secretary, Mrs. R. E. Donovan, the former Hazel Walton. The organization was formed November 13, 1953, and the following year Mrs. Donovan was elected Secretary - Treasurer. She has served in this capacity continuously since that time.

The executive board of the association met Monday night at the home of the president and his wife, Mr. and Mrs. J. M. (Sonny) Russell, to work out final plans for Homecoming. Letters to ex students and teachers were placed in the mail this week, with the schedule of events.

It was agreed at the meeting to obtain the same band for the dance on Saturday night of Homecoming, which will be held at the VFW Building. Admission will be \$2.50 per person and \$5.00 per couple and it was stressed that the dance is for Matador ex-students, teachers, families, and parents of ex-students.

The customary barbecue supper will be served at the American Legion Building from 5 to 7 p.m. at \$2.00 per person, and \$1.00 for children 8 years and under. Several classes are planning special reunions for their classmates, specifically the class of 1963, for its 10th anniversary, and the class of

## Lions Hear Drill At Tuesday Meet

In keeping with the spirit of football that is in the air, Matador Lions Club, Tuesday heard a Pep Squad drill at the regular luncheon meeting held in the First United Methodist Church basement. Four pep leaders, Diedra Cruse, Penny Marshall, Glenda Stockton and Lions Queen Naomi Simpson, accompanied by the pretty, diminutive mascot Koree Campbell, provided the club with a sample yell drill.

It was announced that the pep leaders spend approximately 20 hours each week in practicing, while the football boys spend only about 15 hours each week in practice. It was also announced that the arranged program had failed to materialize. In lieu of the program, Lion Supt. Charles Johnson made a brief address in which he urged support of the football team and said that during the

years he was coach, the support of fans was a great factor in winning games. Boss Lion Ervin Willard announced that the club would conduct a chili supper on the evening of November 9, preceding the homecoming game. He appointed Tail Twister Glen Brotherton chairman of the supper. Lion Tony Dean reported that the Boy Scouts earned between \$75 and \$80 as a result of the car wash held Saturday.

It was also announced that those wishing car decorations and banners before leaving for the Amherst game Friday, should apply at the high school at 4 o'clock tomorrow afternoon.

Mrs. Algie Groves visited in Plainview, Monday with her sister, Mrs. Madge Renfro, who had been hospitalized during the week end.

GIANT PECAN TREE in the back yard of the home of Mr. and Mrs. Bob Stanley, promises a bountiful crop. The tree is over 40-feet tall and was set out by the late J. S. Stanley in 1935. It was run over as a small sprig and propped up with a stick. One of the small limbs took roots and became the trunk. In 1971 the tree produced 230 pounds of pecans. Because of weather conditions last year it was unfruitful. Many have estimated it will produce approximately 200 pounds this year. Mr. Stanley is shown pulling away the leaves to show the fruit.

## Church and Society

MRS. AARON TIMMONS

### Timmons-Cammack Vows Are Pledged

Marriage vows were pledged by Miss Linda Carol Cammack and Aaron Timmons, in a double ring ceremony performed at 8:00 p.m. Friday, September 28, in the First Baptist Church.

The Rev. Mrs. Agnes Aaron, grandmother of the bridegroom, officiated.

The bride is the daughter of the late Bryan Cammack. She is the granddaughter of Mrs. T. E. Cammack and niece of Mrs. Grace McDowell. Parents of the bridegroom are Mr. and Mrs. J. Reece Timmons.

Tapers in branched candelabra at each side of an arrangement of white gladioli and greenery formed background decorations for the wedding service.

Miss Beverly Barton of Lubbock, organist, cousin of the bride, presented wedding selections and accompanied Jimmy Bennett of Afton as he sang, "Twelfth of Never."

At the conclusion of the ceremony, he sang "The Lord's Prayer," with Miss Barton at the piano.

Miss Ann Timmons, sister of the bridegroom, was maid of honor.

Bryan Timmons attended his brother as best man. Usher was Charles Ed Cammack, young brother of the bride.

Tommy Cammack of Lubbock presented his sister in marriage.

The bride wore a formal gown of white organza and lace over satin. The bodice featured a high neck, and lace trimmed yoke, and the long sleeves were banded with lace over organza, at the wrists. Her shoulder-length veil extended from a tiara of pearlized orange blossoms, and she carried a bouquet of white roses and baby's breath, centered with red rosebuds.

Miss Timmons wore a floorlength, Empire fashioned gown of red crepe knit. Her headpiece was of matching color net, topped with a flower in the same shade, and she carried a long-stemmed red rose.

A RECEPTION following the ceremony was held in the basement Fellowship Hall of the church.

The refreshment table was covered with a cloth of white double knit, and centered with a candelabra arrangement of white candles and red carnations, to feature the bride's chosen colors. The three-tiered wedding cake, made by Mrs. W. C. Pallmeyer, was decorated with red confection roses. Pedestals divided the tiers, and a miniature bridal couple was placed atop the

second layer. Confection roses topped the cake, which was served by Miss Charla Wason. Miss Toni Thomas presided at the crystal punch service.

Also assisting with hospitality were Mrs. W. N. Pipkin and Mrs. Raymond Davis.

Miss Paula Pallmeyer presided at the guest register. Attending from out of town were the bride's aunt, Mrs. Jack Barton, and a great-uncle, Web Cammack of Lubbock, and a great-aunt and her husband, Mr. and Mrs. J. W. Kleinschmidt of Canyon. Relatives of the bridegroom present, were his grandparents, Mr. and Mrs. Pete Timmons, also Mr. and Mrs. J. D. Elliott and Mr. and Mrs. Franklin Jameson, all of Northfield; an aunt and uncle, Mr. and Mrs. Clinton Norman of Dodson, and a great aunt, Mrs. Eula Metts of Matador.

The couple left for a week end honeymoon in Lubbock, and for going away, the bride wore a black and white double knit dress and tunic. They are at home in the R. E. Campbell apartment on South Main Street.

### Shower Honors Couple

A shower held Saturday afternoon from 2 to 4 o'clock, in the home of Mrs. John V. Stevens was a courtesy for Mrs. Aaron Timmons. The recent bride is the former Linda Cammack.

Hostesses with Mrs. Stevens were Mesdames Vernon Higginbotham, Dean Turner, J. E. Edwards, Harold Campbell, E. A. Day, Billy Wason, Stan Irvine, Edgar Lee, Bennie Keltz, John Barnhill, Dortha Carson, Billie R. Slover, Douglas Meador, and Vance Gilbreath.

Miss Ann Timmons registered the guests.

An arrangement of white chrysanthemums and greenery centered the dining table, which was laid with a white drawn-work cloth. Mrs. Edwards presided at the crystal punch service. Cookies, mints and nuts were served.

Guests from out of town included Mrs. Jack Barton of Lubbock, aunt of the bride, and the bridegroom's grandmother and aunt, Mrs. Pete Timmons and Mrs. N. L. Cook of Northfield.

### Book Review Given For Club Program

El Progreso Club met Oct. 11 in the home of Mrs. Furman Vinson for the regular business meeting and program, a book review by Mrs. Frank Pohl. Mrs. W. F. McCaghren, 1st Vice President, presided until the arrival of Mrs. R. E. Campbell Jr., President.

Members were reminded of the District Board meeting and workshop in Vernon on Oct. 19, in Wilberger Auditorium. New yearbooks were distributed and heartily approved.

Mrs. Algie Groves was leader for the afternoon and read a quotation by Anne Morrow Lindbergh, heading the program: "To be a woman is to have interests and duties raying out in all directions from the central Mother-core like spokes from the hub of a wheel."

A guest, Mrs. A. B. Simpson, accompanied herself on the accordion as she sang, "Let Me Touch Him."

Mrs. Pohl, in her personable manner reviewed the book, "The Woman at the Well," by Dale Evans Rogers, as told in the first person, making the audience live with the author, and showing an account of her personal experience before and after Christ came into her life. The story has a double purpose; first, to be her autobiography and second, to be her Christian witness.

The book reveals that Dale Evans was born in Uvalde, Tex., of a farm family. She was an extremely sensitive extrovert and inherited a love of music from the many people surrounding her. Both sets of grandparents were religious, and Dale enjoyed church until her early teens. After two marriages which failed, she met Roy Rogers at Republic Studios and they were married on New Years, 1947. Roy had three motherless children and Dale had one son, Tom, who had a great deal to do with his mother's Christian growth.

A daughter, Robin Elizabeth, was born to Dale and Roy. The child, a mongoloid, was written about in Dale's book, "Angel Unaware," published in 1963. Since that time Dale Evans has been witnessing to the saving grace and power of Jesus Christ. Robin was buried on her second birthday.

In Texas to visit Dale's ill father, they visited Hope Cottage in Dallas, where Roy and his wife had found Cheryl. Here they acquired Mary, whom they called Doddie, a one-month-old Choctaw Indian girl of Scotch-Irish descent. When they arrived to pick her up, they found a tow-headed boy, Harry, whom they called Sandy and adopted him. They got a little Scottish girl, Marion, from Edinburgh, and a shy little Korean girl, Debbie. She was the one killed in a bus accident near San Diego, and written about in the book, "Dearest Debbie," with royalties going to World Vision, Inc., through which Debbie came to them. Sandy

joined the service, died while in service and was buried by Robin and Debbie.

Dale was chosen Church Woman of the Year by the Religious Heritage. Roy and Dale wanted to go to Viet Nam because of Sandy, and to help other servicemen. Dale wrote the book, "Salute to Sandy," and gave the royalties to Campus Crusade for Christ.

Dale and Roy Rogers have retired to Apple Valley where they have a museum. They have had time to evaluate their lives. "Like the woman at the well, we were happy when we let our buckets into Living water of God and Christ... when we did not, we were not happy."

Mrs. Pohl closed her review with a poem, "Living is Giving," by Gail Cook.

For the Inspirational Thought, Mrs. Ben Keltz admonished all to read Proverbs 31, and concluded with a reading from Leaves of Gold.

The next meeting will be Oct. 25 in the home of Mrs. W. F. McCaghren.

Coffee and cake were served to the above mentioned, and the following: Mesdames Grace McDowell, Raymond Davis, J. M. Russell, Harold Campbell, J. M. Hill, Carl King, D. E. Pitts, A. J. Daffern, W. D. Lipscomb, Ralph Stapleton, Randall Whitworth, Douglas Gossett, Fred Simpson and Douglas Meador, and Miss Mary Keith.

### IN THE ROUGH by hazel

Our GUEST DAY Invitational tournament Thursday, Oct. 11 was a fun-filled day, with 20 players. From Paducah were Ruth Richards, Tish Orr, Fern Tippen, Tommy Anderson and Sally Hight; From Spur: Marie Ratliff, Maxine Galloway and Sandy Duboise; Snyder: Finnie Seale and her sister, Ethel Patterson; Ralls: Neva Abell and Jan Browning; and locals were La Voe, Nell, Geneva, Louise, Nancy, Dorothy and Tommy.

Catherine Bird's brother, "Cotton" Arnold and his wife, Helga are visiting here and Helga joined the players. "Cotton" is a recently retired Colonel in the U.S. Army... they plan to establish their home near Denver about the first of the year.

As the guests arrived they were presented novel golf towels and kiltie tee holders (made by Geneva and Nell), coffee and cinnamon rolls (made by Nell) were most welcome. The Layered look was "in" for the beginning of a rather cool

MARRIAGE VOWS were exchanged Tuesday evening, October 9, by Miss Shane Stevens and Jerry Ralph Jones, in a ceremony performed at the First Baptist Church of New Deal, by the pastor. The couple was accompanied by Mr. and Mrs. Clarence Woosley of Lubbock, and Bill Barnhill and Miss Toni Thomas, Texas Tech students, all from Matador. For her wedding, the bride was attired in a white knit suit. Both Mr. and Mrs. Jones are graduates of Matador High School. The bride is the daughter of Mr. and Mrs. John V. Stevens. Mr. and Mrs. Ralph Jones are parents of the bridegroom. The new Mrs. Jones attended Texas Western College in Snyder, following her high school graduation in 1971. The bridegroom is engaged in farming with his father.

and damp morning, but as weather warmed up, the gals began shedding the layers!

A special thanks to Marvin, Birnie and Clyde for assisting with carts and helping in any way needed - they were MOST handy - and also thanks to all who furnished carts for players.

Cotton Arnold, Marvin and Hazel made the gallery... following some of the players. Punch was refreshing after play.

LUNCHEON was at The Depot, festive with Halloween and some golf decorations. On one wall was a very large pumpkin with an owl figure saying, "Hello-o-o-There... Well... come." Glittered plastic plaques of cats and pumpkins and a golf mural sketched and painted by June Keltz decorated other walls. The serving table was

centered by a cake decorated in a golf theme (made by Nell and served for dessert) surrounded by a most delicious turkey luncheon and all the goodies. The table for dining featured a broken golf club centerpiece.

While we were eating, a long, Burlington freight train, with three engines, roared past The Depot... providing the thrill of seeing a train!

AS TOURNAMENT CHAIRMAN, Nell presided and named the winners and presented the prizes: Championship flight - La Voe winner (82); Neva and Finnie tied for runner-up (89) and Finnie won the toss.

FIRST FLIGHT - Ehtel was winner (93) and runner-up was Nell (96). SECOND flight, Dorothy won (106) and Jan Browning with 108, was runner-up.

LONG drive winner on No. 5 was Sandy Duboise and Short drive on No. 5 was Dorothy; Low Putts, 24, Geneva was winner and Nancy made high score. Many door prizes were given... including a unique golf accessory bag of denim, made by Geneva, and cleverly decorated with golf motifs. Finnie was the proud winner. Lillian, Faye, Winifred and Hazel joined the group for luncheon.

A most enjoyable day, and ideal weather... course newly mowed, in good condition - and beautiful. The Air Port CC had a very real meaning to its name, with the spraying planes flying in and out many times - causing players some concern and scurrying off the landing strip. Mr. and Mrs. Algie Groves visited relatives in Aspermont and Peacock, Sunday.

### STUDIES ABOUT THE BIBLE

We have given three summaries of Darwin's theory of evolution. Now let us look at the Bible account of the beginning of life - New American Translation.

In the beginning God created the heavens and the earth. And the earth was formless and void, and darkness was over the surface of the deep; and the Spirit of God was moving over the surface of the waters. Then God said, "Let there be light"; and there was light. And God saw that the light was good; and God separated the light from the darkness. And God called the light day, and the darkness He called night. And there was evening and there was morning, one day.

And God said, "Let there be an expanse in the midst of the waters," And God made the expanse, and separated the waters which were below the expanse from the waters which were above expanse; and it was so. And God called the expanse heaven. And there was evening and there was morning, a second day.

Then God said, "Let the waters below the heavens be gathered into one place, and let the dry land appear"; and it was so. And God called the dry land earth, and the gathering of the waters He called seas; and God saw that it was good. Then God said, "Let the earth sprout vegetation, plants yielding seed, and fruit trees bearing fruit after their kind, with seed in them, on the earth"; and it was so. And the earth brought forth vegetation, plants yielding seed after their kind, and trees bearing fruit, with seed in them, after their kind; and God saw that it was good. And there was evening and there was morning, a third day.

Then God said, "Let there be lights in the expanse of the heavens to separate the day from the night, and let them be for signs, and for seasons, and for days and years; and let them be for lights in the expanse of the heavens to give light on the earth"; and it was so. And God made the two great lights; the greater light to govern the day, and the lesser light to govern the night; He made the stars also. And God placed them in the expanse of the heavens to give light on the earth, and to govern the day and the night, and to separate the light from the darkness; and God saw that it was good. And there was evening and there was morning, a fourth day.

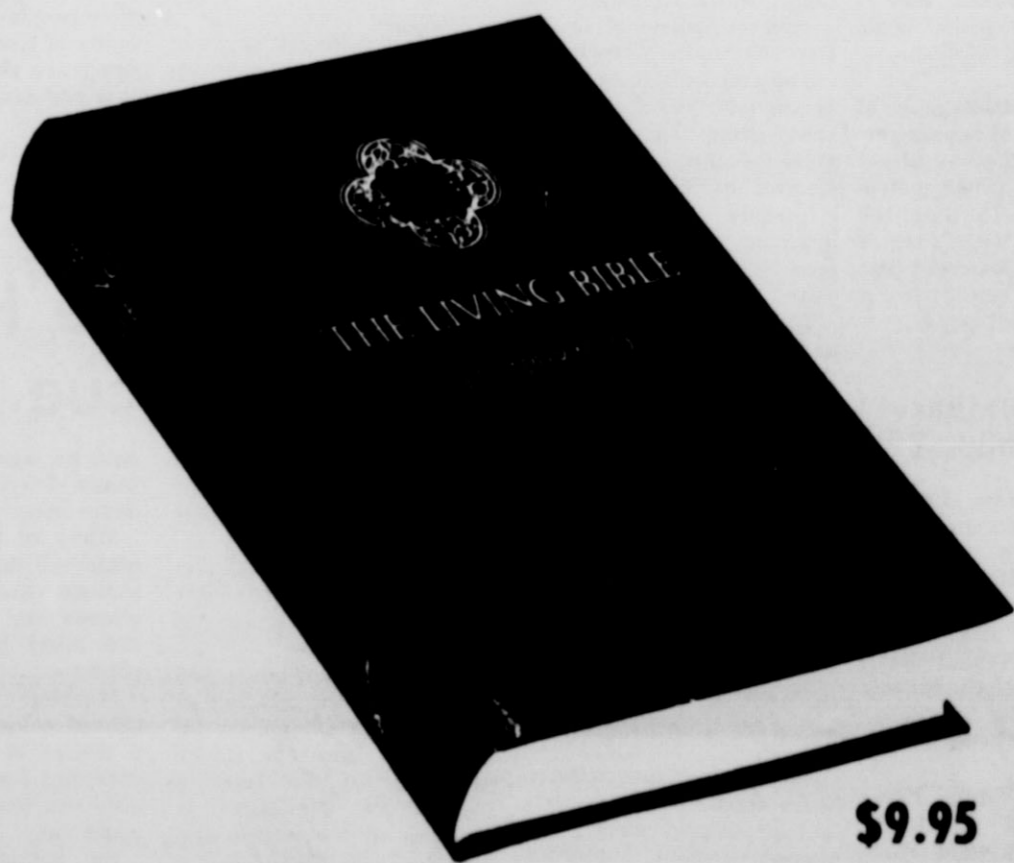

Then God said, "Let the waters teem with swarms of living creatures, and let birds fly above the earth in the open expanse of the heavens." And God created the great sea monsters, and every living creature that moves, with which the waters swarmed after their kind, and every winged bird after its kind; and God saw that it was good. And God blessed them saying, "Be fruitful and multiply, and fill the waters of the seas, and let birds multiply on the earth." And there was evening and there was morning, a fifth day.

## NOW IN STOCK! THE LIVING BIBLE

PARAPHRASED IN ONE VOLUME

The entire Bible paraphrased in the clear and direct style of today's language. This skillful and scholarly contemporary version by Kenneth N. Taylor gives new understanding to every page of Scripture.

\$9.95

In comparison to King James version, we quote one passage from Heb. 11:1:

King James - "Now faith is the substance of things hoped for, the evidence of things not seen."

The Living Bible - "What is faith? It is the confident assurance that something we want is going to happen. It is the certainty that what we hope for is waiting for us, even though we cannot see it up ahead."

### Discipleship:

§The local church [The body of Christ] is not one member but many.

§Let us hold fast to the confession of our faith without wavering -- because He who promised is faithful.

§And we should consider one another, encouraging to love and good works, not forsaking the assembling of ourselves together as the manner of some is, but encouraging one another -- and so much the more as you see the Day approaching.

Heb. 10:23-25

## Teacher Predicts Good Year Ahead

Mrs. Georgia Perkins, Special Education teacher of Roaring Springs Elementary, predicts little or no difficulty in the year ahead. She says she feels the school year will go fine.  
 She teaches grades one through four in reading and math. According to Mrs. Perkins the children seem very interested and enthusiastic, and therefore she feels they will learn a great deal.

## Miss Patsy Rymer Pleased With Job

The new Home Economics teacher in the Motley school system this year is Miss Patsy Rymer.  
 She was reared in Monahans and received her degree at Texas Womens University in Denton. She graduated just a couple of days before school started so this is her first teaching job.  
 She chose Matador because it was close to home, but she says she has really been surprised how well she has been accepted here.  
 She enjoys working with small children and uses this for an inspiration for working toward her Masters degree. She is looking forward to another year of teaching here.

## OFFICERS ELECTED FOR BOYS IN CLUB

The officers for the boys 4-H group this year are as follows: President, Will Pallmeyer; Vice-President, Steve Stevens; Secretary, Bobby Whitaker; Reporter, Frank Welling. These officers were elected at the October meeting.

**HALLOWEEN CARNIVAL ANNOUNCED**

Patton Springs Young Homemakers are sponsoring a Halloween Carnival to be held Saturday, October 27, in the Patton Springs School gymnasium, and a concession stand which will open at 7:00 p.m.

The program will include coronation ceremonies at 8:00 o'clock, when three queens will be crowned. These will be a Queen from Kindergarten through the 5th grade, a candidate from the 6th, 7th, and 8th grades, and a High School Queen.

Game booths will be open as soon as the coronation program is finished. The public is cordially invited to attend.

**COUNTY AGENT PALLMEYER SAYS:**

Don't be in too big a hurry to defoliate your cotton. You have taken over 4 months to produce the crop and by defoliating too early, the grade reduction will cost you more than the time saved in getting the crop out.

On dryland, when 60 percent or more of the bolls are open, it is safe for most defoliants to be applied, but for desiccants to be used, 75 percent or more of the bolls should be open.

Under irrigated conditions, apply desiccants when more than 80 percent of the bolls are open. (Plants are considered suitably mature if the youngest bolls cannot be dented by pressure between the thumb and forefinger or cannot be cut through easily with a sharp knife.)

Applying defoliants or desiccants too early results in reduced yields, lower mike and weaker fiber.

Desiccants approved are Arsenic Acid and Paraquat. Defoliants approved are Sodium Chlorate and Tributyl Phosphorotrithioate. (Guides are available in my office.)

Due to earliness of the District 4-H Gold Star Awards program we had to move the County Awards Program up. This year the date will be Monday Oct. 29th.

This also required moving up the deadline for 4-H lamp entries. They now will be due Monday Oct. 22nd in place of November 1st.

The 1974 wheat program is designed to encourage all-out production and thus there will be no set-aside requirements. There will also be no conserving base requirement for the four-year life of the Agricultural and Consumer Protection Act of 1973.

New in the wheat program is the target price feature. If the average price for wheat is at or above the \$2.05 per bushel target price, the producer will receive no payment. If the price is below the target, the producer will receive the difference between the target price and the five-month average price received by all farmers.

There will be no preliminary payment. Any payment due will be paid after Dec. 1, 1974. If the average price received by all producers is under \$2.05 per bushel for the July-November, 1974 period, a producer would be paid on an amount of bushels determined by multiplying the farm allotment by the projected yield established for the farm. The projected yield represents the potential production for the farm as determined by the ASCS county committee.

The total amount of payments a person may receive under one or more of the 1974 wheat, feed grains and upland cotton programs may not exceed \$20,000. Loans will be available to producers on their 1974 wheat crop at a national average of \$1.37 per bushel, an increase of 12c over 1973 loans.

The national allotment is set at 55 million acres, thus, on the average, each producer's allotment in 1974 will be about three times that of the 1973 allotment. This allotment is not a constraint on the amount of wheat that can be planted, and its sole purpose is for making payment to producers in event the five-month average price received by farmers is less than the target price.

**CARD OF THANKS**

During the time of sorrow we learn how much our friends really mean to us. Your expression of sympathy, cards and flowers will always be treasured.

May God bless each of you. Hulen P. Cargile Family (2)

**IN APPRECIATION**

We wish to express our gratitude to everyone who remembered us in any way during Bill's stay in the hospital. We deeply appreciated your cards, messages and visits. May God bless each of you for your kindnesses.

Mr. and Mrs. William Raetz (2) 33-p2t

Mr. and Mrs. Antone Freeman of Dallas visited here Friday with Mr. and Mrs. Melvin Meason and other relatives.

Mr. and Mrs. Dale Markham of Plainview visited his parents, Mr. and Mrs. E. E. Markham, and family, Sunday.

**REV. H. T. HARRIS AT VALLEY VIEW**

Rev. H. T. Harris, 77, a resident of Childress for the past 13 years, and former pastor of the Whiteflat Baptist Church, has accepted the pastorate of Valley View Baptist Church in Cottle County. He has been preaching since he was 13 years old.

Rev. Harris, who retired two years ago to care for his critically ill wife, was pastor at Southside Baptist Church at the time of his retirement. His wife died August 21, 1971.

Born and raised in Tennessee, Rev. Harris started preaching and was ordained at a small country church near Etowah, Tenn. That church celebrated its 100th anniversary last year.

Coming to Texas in 1929, he was pastor at Whiteflat for 19 years, living first in Dickens County, then in Motley. Many of the Rolling Plains area churches have been pastored by Rev. Harris.

In his 63 years of pastoring churches, he has performed over 4600 marriages, preached over 6,000 funerals and baptized more than 5,600 persons. —Paducah Post.

A learned fool is more foolish than an ignorant fool. MOLIÈRE

Producers may substitute any non-conserving crop or any conserving crop used for hay or for grazing in order to preserve their wheat allotments and to make them eligible for any payments under the target price feature. Crops for which a marketing quota is in effect are excluded.

**She forgot to read the label**  
-- and automatic washers and dryers can't read  
Your electric laundry pair has a cycle for every fabric, but YOU must push the right button. Wash and wear garments come from the electric dryer wrinkle free and ready to wear, IF you read the label.  
**REDDY TIP:** Remove permanent press garments from your washer the minute the machine completes its cycle. Dry immediately and hang on a hanger. Prevents wrinkles from setting.  
Ask WTU for REDDY TIPS on how to conserve and save when using electric appliances.  
Live the carefree way with Famous Frigidaire Electric Appliances. See them at WTU
