Saturday our library was aglow with lovely floral arrangements displayed by the Garden Club Members on the day of the dedication of the Constitution Tree. I have heard many nice complements on the well planned program. The beautiful flowers caused many a passerby to slow-down or come in for a closer look at the many beautiful flowers.

We have a new summer worker, Dina Patel, who will be helping you at Motley County Library three days a week. She was already busy straightening the books in the Children's Section when I arrived this morning. We plan to use her to show films and filmstrips, too, and to help with our Summer Reading Club. We always hope that with one more worker, we will get "caught-up" here, but new jobs seem to appear before the old ones are finished, so if you are bored and wanting something to do, consider volunteering an hour or two at your library.

We have received so many nice gifts lately! Ray Minkley brought a beautiful book before he left, *The American Heritage Century Collection of Civil War Art*. If you are a Civil War history buff, you will want to see this. Joan Green Lawrence brought us a beautiful copy of *Recollections*, by John Duff Green, edited by Joan. She included a Surname Index, so that you can easily find a particular person whose story you are interested in. Some of these stories appeared in the Motley County Tribune. We were so impressed with its value for research and history, that we decided to put our autographed gift copy in the Genealogy Section and purchase another copy for our Texas Collection which will be available for circulation. Mrs. Lawrence also brought bound copies of the Genealogical Helper for the years of 1982 through 1985. They look so neat on the shelves and will be so handy for researchers. We had unbound copies of "The Helper" for these years and will be glad to share them with any genealogist who does not have their own copies.

Francis Morris sent two beautiful books, *A DICTIONARY OF THE OLD WEST*, by Peter Watts who dedicates his book "with respect to the memory of J. Frank Dobie whose love and knowledge of brassada words first made me want to write it;" and *THE GEORGE CATLIN BOOK OF AMERICAN INDIANS*, by Royal B. Hassrick.

THE LADIES OF MISSALONGHI, by Colleen McCullough was donated by Francis Ellis of Paris, Texas. She is an aunt of Barbara Jameson.

Don't forget registration for the Texas Summer Reading Club this afternoon at 3:30 at the library! We are making plans for a great summer of reading, field trips,

WATER ADJUSTMENT IMPORTANT FOR TODDLERS

Swimming programs for toddlers and even infants have grown in popularity as parents want to "downproof" their children. Not only is "downproofing" a myth - children still must always be supervised by adults when in or near water - it has also led to some unfortunate excesses.

The American Academy of Pediatrics, the Red Cross and the YMCA all agree that forcing infants and toddlers under water for even a few seconds is

extremely dangerous. The baby may swallow excessive amounts of water.

In its guidelines for infant swim programs, the YMCA states: "Forced submersion or dropping a child into the water from a height is strictly prohibited in this program." Their guidelines recommend that programs for very young children focus not on swimming, but on water adjustment.

Water adjustment and happy play are most important because that's how children of this age learn. Children must get used to how their bodies feel and work in water so they're comfortable.

Young children often believe their bodies disappear when they go underwater. Some are afraid that if they go under they won't be able to come back.

It's most important for your child to feel safe and comfortable in the water. If your child looks forward to going, the program is probably accomplishing this goal.

Nine players Thursday morning: Marion, Louise, Olivia, Loys, Dorothy C., Brenda, Leona, LaVoc and Hazel.

There was a 4-way tie for low putts (17) with Brenda, LaVoc, Leona and Dorothy. Leona was lucky on the draw and won the ball.

After play, Loys and Dorothy set out some flowers around the club house.

AFTER 5-ers PLAY

There were also nine players in this group: Laverna, Mary, Judy R., Vida, Nell B., Marihelen, Dorothy, Nell C., and Judy C.

Nell C. was the winner of low putts (13) and won the ball.

TWO GUYS AND A GAL TOURNAMENT

Last weekend Paducah hosted this tournament. Entered from our local group were Geneva, Jake G. and Louise, Alfred and Vann. Loys was a spectator.

Saturday evening supper was enjoyed and reported good - as it always is.

Louise, Alfred and Vann were in a play-off for 3rd place in championship flight, and won on the first play-off hole.

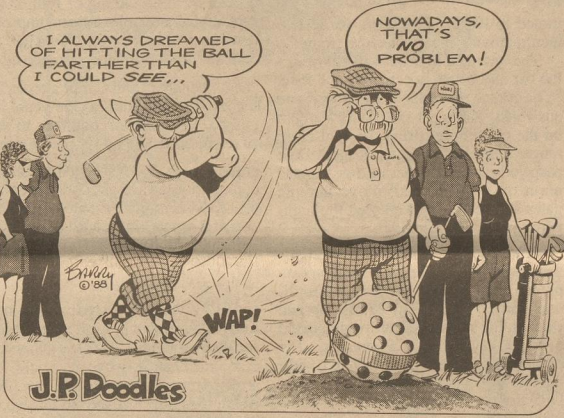

LADIES FOOTHILLS GOLF ASSOCIATION

First play of the season was at Spur, Monday. Dorothy D., Louise, LaVoc, Geneva, Loys and Olivia played.

LaVoc won a crystal glass - always given for winners - some ladies will soon have a set of these glasses collected.

LaVoc had low gross (86) in championship flight.

Players enjoyed sack lunches. Coffee, orange juice, muffins and cake were provided by the Spur ladies.

Texas Farm Bureau Files Suit Against Agricultural Secretary

WACO - The Texas Farm Bureau and five of its members have filed suit against Secretary of Agriculture Richard Lyng and the U.S. Department of Agriculture, seeking inclusion of hay as a perishable crop under the Immigration Reform and Control Act of 1986.

In a letter to Lyng, TFB President S.M. True of Plainview explained that hay is "perishable, labor intensive, and has critical and unpredictable labor demands." True said hay's inclusion as a perishable crop will alleviate serious labor problems experienced by hay producers.

"Making hay a perishable crop will make it eligible for the Special Agricultural Worker (SAW) program. This is a chance to help livestock producers who have been shut out of this important source of labor," True said.

A similar suit was filed in Lubbock last year seeking inclusion of cotton in the Act. That suit resulted in cotton being classified as a fruit, making it eligible for the SAW program.

The five plaintiffs joining Texas Farm Bureau in the suit are Don Smith, dairyman, Sulphur Springs; Russ Arnold, cattleman, Trinity; James Wood, rancher, Gilmer; and Warren and Anna Madson, ranchers from McLennan County.

As Christ was raised by the glory of the Father, we too might walk in the newness of life.

At 3500 ft. they got a 'good gas bump' they thought, but tests proved to be salt-water. When they brought up the joints of pipe the salt water smelled just like fishy sea water, again from 3500 feet deep.

I got the opportunity, two calm afternoons, to put on the tower harness and climb the tower to the 'board'. What a beautiful sight to look over the countryside from a bird's eye view. I did such a good job at that, the 'crew' thought I would make a good 'ruffneck', so they let me help make a connection by throwing the chain.

I must say the 'ruffneck' reputation is way off base as far as I saw. I've never met a nicer group of men as the men that worked on Rig 12 from Wes-Tex Drilling Co. of Abilene.

One of the crew turned out to be Jim Grey of Lubbock and formerly of Matador, (He is L.J. Barkley Jr's son-in-law and lived here during the tornado) Small world.

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Senior Citizens Report

by Iris Blevins

We didn't have very many things happening at the center last week. Monday being a holiday, the mini bus didn't go anywhere. Thursday the bus went to Plainview with eleven people riding. It was a beautiful day and everyone was feeling good and was ready to have fun. Everyone enjoyed the trip.

Our president, Ruth Baker opened the doors to the center at 2:00 p.m., Friday afternoon for everyone to play games. We only had one table of 84 players. Nora Belle and Bill were in Irving, Texas for a grandson's graduation.

Daisy was in Dallas for a granddaughter's graduation. Congratulations to all of you graduates. We are proud of you.

Don't forget June 14 is our next luncheon day.

GIVE YOUR ELECTRIC METER A TURN FOR THE BETTER.

You can slow down the wheels on your Electric Meter and lower Summer Cooling Bills when you follow these helpful tips:

- Set your thermostat on 78° or higher and use ceiling or portable fans to help circulate the air.
- Have your air conditioner serviced annually and once a month, check the filter. A dirty filter can keep your air conditioner from working efficiently.
- Keep doors, windows, and drapes firmly closed to keep cool air in and heat out.
- Protect ceiling and walls with adequate insulation. Make sure cracks around windows, doors, pipes and wiring are tightly sealed with caulking and weatherstripping.
- Use heat producing appliances, like ranges, dishwashers, and dryers during the cooler part of the day.

Kim Andress, Peter Carey Repeat Vows In Lubbock

Mrs. Peter H. Carey

Kim LaNette Andress of Lubbock and Peter H. Carey of Arlington exchanged wedding vows Saturday, May 21 at 5:00 p.m. at Bacon Heights Baptist Church in Lubbock. Hank Scott, pastor, officiated the ceremony.

Parents of the bride are Mrs. Sandy (Wreathel) Sanders of Morton and Norman Andress of Amarillo. The groom's

parents are Mr. and Mrs. James R. Carey of New Braunfels.

Music was provided by Monica Etter and pianist, Alice Smith. Songs that were performed were "Ice Castles" and "The Wedding Song."

Given in marriage by her father, the bride chose a romantic gown of delustered satin fashioned by Illissa. The bodice, heavily encrusted with hand beaded sequins and pearls on alencon lace, featured a wedding band neckline, Gibson Girl sleeves, lace cutouts and a deep basque waistline. The skirt was adorned with beaded motifs of alencon lace flowing into a cathedral train.

She wore a pearl headband accented with a floral side spray and two-tiered crystalline veil. The bride carried a cascade of white roses accented by tweedia lillies and pearls.

Following tradition, something new was her gown; something old, her great grandmother's 100-year-old gold pen; something borrowed, the groom's mother's pearl earrings and something blue, her garter.

Serving as maid of honor was Dana Rollens of Dallas. Bridesmaids were Michelle Waddell and Christy Pedigo, both of Oklahoma City, Okla., and Kim Koontz of Lubbock.

They wore tea length royal blue satin dresses featuring balloon sleeves and dropped waists and carried nosegays of pastel spring flowers.

Jim Carey, brother of the groom of Broken Arrow, Okla., served as best man. Groomsmen were David Carey, brother of the groom, of Austin, Quincy Williamson of Lubbock, cousin of the bride, and Ty Koontz, also of Lubbock.

Lindsey Carey of Broken Arrow, niece of the groom, was flowergirl, and Bryan

Warren of Dallas served as ringbearer.

Candlelighter was Casey Williamson, cousin of the bride, of Lubbock.

Melanie Andress, cousin of the bride, of Dallas, registered the guests.

Serving as ushers were Steve Stroud and Larry Gryer, both of Lubbock.

After the ceremony, a reception was held by the bride's father at the Lubbock Plaza.

Serving at the bride's table were Staca Dickerson, Sandra Warren and Margaret Barron. Jill and Linda Carey served at the groom's table.

Special guests were Leon Johnson of San Diego, Calif.; the groom's grandmother, Mrs. Loraine Fietz of Brownwood; the bride's grandparents, Mr. and Mrs. Clint Hicks and Mrs. Elsy Andress, all of Lubbock; Todd Andress, brother of the bride, of Lubbock and aunt of the groom, Mrs. Betsy Smith, of New Braunfels.

The bride is the great-granddaughter of the late Mr. and Mrs. W.J. Hicks of Matador.
