Motley County Receives Historic Preservation Award from THC

The Texas Historical Commission has named several county historical commissions from across the state as recipients of numerous special awards. The awards, given in a number of areas, represent the finest work done in the field of historic preservation in 1988 and will be presented during the THC's preservation conference in Dallas, April 27-29.

Twenty-eight county historical commissions received the Distinguished Service Award, which recognizes groups for participating in three areas of preservation activities. Winning counties are: Anderson, Bosque, Brazoria, Burnet, Caldwell, Calhoun, Cameron, Carson, Castro, Cherokee, Crosby, Galveston, Hale, Hidalgo, Hutchinson, Jasper, Jef-

erson, Liberty, Midland, Milam, Newton, Nueces, Orange, San Jacinto, Tarrant, Waller, Wharton, and Williamson.

Commissions receiving awards for maintaining outstanding programs of working 1988 are: Crosby, Parker, Hidalgo, and Dallas.

Four counties, Crosby, Wise, Hidalgo, and Tarrant, won honors for producing outstanding newsletters in 1988.

Three Texans received awards for being outstanding members of county historical commissions. Recognized are Pauline Watkins, Crosby County; William Q. Quick, Jefferson County; and Frances James, Dallas County.

Recognized as outstanding committee chairmen of county groups are: Jean

Eppeson, Liberty County; Skip Kennedy, Nueces County; and Helen Jankowski, Dallas County.

The award for outstanding chairman, which is presented to chairmen who have exercised significant leadership and creativity, goes to Mrs. Bertie Bryant, Jasper County; and Dee Barker, Tarrant County.

The THC also honored several county historical commissions that have performed at least one truly significant historic preservation project during 1988. The winners of this award are: Motley, Young, Gregg, and Denton counties.

The Motley County Tribune received an award for outstanding historic coverage. The Commission especially commended the Old Settlers Special Edition.

Effects of Strychnine Stressed by Officials

In Recent Town Meeting

There is still great concern in Matador about the apparent dog poisonings.

During the town meeting last Tuesday night the main concern stressed by the citizens was about a child getting the dreaded strychnine instead of a family pet.

Linda White, State Health Department Engineer, assured the group of citizens that the Health Department would send information to the Motley County Clinic and the EMS on treating a human who has swallowed the poison.

Dr. John Haliburton, Veterinarian Biochemist of Amarillo, stated that the amount equal to one-fifth the size of an aspirin was fatal to most dogs and the amount equal to one-half an aspirin is fatal to a small child.

The Dr. said that a child will possibly complain of not feeling good, as opposed to Attorney General's office.

Dr. Haliburton stressed DO NOT INDUCE VOMITING. He explained that this acted as a stimulant and could cause

the animal or person to go into seizure quicker. Dr. Haliburton suggested the victim be kept as calm and quiet as possible and even cover with a blanket while transporting to medical help.

Mrs. White stressed teaching the children to wash their hands with soap and warm water frequently and not to put their hands and fingers in their mouth.

Jerry Bynum, Field Investigator for the Structural Pest Control Board and Bill Rogers, TDA, informed the group that poisoning animals is a felony and when caught the culprit would be prosecuted for the maximum penalty by the Attorney General's Office.

Dr. Haliburton also stressed that the animals that died of strychnine poisoning needed to be disposed of by burning or buried, where other animals will not eat the body and get poisoned too.

L. J. Barkley Jr. stated April 4, that the reward pledge is up to \$2750.00. One man from Lake Ranson Canyon sent in a pledge.

Survey

Does Motley County Want A Veterinarian Clinic

The Motley County Tribune is conducting a survey to find out how many Motley County residents would be interested in having a Veterinarian office in Matador, one day a week.

Dr. Jim Kemp, a Veterinarian in Plainview, called the Tribune last week to express his concern over the rash of dog poisonings in Matador. He stated that if there is enough interest, he would be willing to come to Matador and set up a small clinic, which would be open one

day of each week.

Dr. Kemp is a 1979 graduate of A&M University and has had a Veterinary practice in Plainview for 6 years. He focuses primarily on small animals.

If you think Motley County could support such a practice, and feel there is a need for a Veterinarian Clinic in Matador, please call the Tribune office at 347-2400 or 347-2774. We will be speaking to Dr. Kemp with our results, and will print a related story as we conclude this survey.

Rolling Plains Production Credit Association to hold 55th Annual Stockholders Meeting

Rolling Plains Production Credit Association's 55th Annual Stockholders meeting will be held April 7 in Childress and April 8 in Stamford. Registration will begin at 9:30 a.m. with the meeting to commence promptly at 10:00 for both sessions. Featured this year will be the awarding of \$800 at Childress and \$500 at Stamford to a member in attendance whose name will be drawn in each session of the meeting. The cash is guaranteed to be awarded this year.

The City Auditorium will be the site of the Childress session, and the VIP Center located one block West of the High School Auditorium will be the Stamford meeting location. A noon barbecue catered by Briarstone Manor of Abilene will be served immediately following each session.

Entertainer for the 1989 Annual Meeting is El Paso humorist Gilbert "Pat" Patterson who will bring his pet pig, Souie, and Ribbons, the cow.

Patterson farms and ranches at Fabens, Texas. He began entertaining at local 4-H-FFA rodeos and has been featured, along with Souie and Ribbons, at numerous PCA's and Federal Land Banks in New Mexico and Arizona.

In the business portion of the meeting, a director representing the Childress Branch Office area and one representing the Munday Branch Office area will be elected. Nominees for these positions are: Childress Area - Dan Henard, Jr. of Wellington and Ross Greene of Quanah; Munday Area - Garon B. Tidwell of Munday and Ed G. Murphy of Weinert.

Rolling Plains PCA is one of 21 member-owned Production Credit Associations in Texas. Collectively they serve approximately 10,500 of the state's agricultural producers. At year's end 1988 Texas PCAs had some 726 million outstanding in loans. Rolling Plains PCA is part of the nation-wide Farm Credit System providing over \$52 billion in loans to America's farmers, ranchers and ag-related businesses.

During 1988, Rolling Plains Production Credit Association loaned more than 82 million to approximately 750 member-borrowers in Briscoe, Childress, Collingsworth, Cottle, Dickens, Donley, Foard, Hall, Hardeman, Haskell, Jones, Kent, King, Knox, Motley, Shackelford and Stonewall counties.

Lions Club Report

The Matador Lions Club met for a April 4 meeting for a delicious meal prepared by Lion and Mrs. Walter Jones for 25 Lions and 3 guests.

Lion Billy Donaldson acted as Boss Lion in absence of Lion Jesse Turner. He reported on the directors meeting and the Lions Show proceeds and expenses. Lion Donaldson also read a 'thank you' from Frances Hobbs.

Lion Larry Hoyle read the names of the proposed officers as follows; President, Billy Donaldson, 1st Vice Billy Wayne Denison, 2nd V. Roy Hobbs, 3rd V. Don Ewing; Secretary, Ron Cummings; Queen Paige Williams; Tail Twister Charlie Johnson; Recorder, Bill

McCaghren, Lion Tamer Frank Pohl, Sweetheart Rachel Patton, Directors John M. Russell, Walter Jones, Bill Gardner, Billy Wason, and Past President Jesse Turner.

Billy W. Denison made an announcement about a Rural Economic Conference in Lubbock. Charlie Johnson announced that Motley County School is the host for the District Track Meet April 14 and 15. It will be here or in Plainview Charlie stated that they needed men to help with the field events and the school would appreciate any one that could help.

Lion John Russell introduced James Gillespie, representing the Matador Volunteer Fire Department. Gillespie wanted to explain the 911 emergency system and the stand the Fire Department made.

Gillespie asked the Lions if they were in Lubbock what number would they call if had an emergency situation. They all responded 911, he then asked a Lion what number would you call for a fire in Matador, they did not know, he then ask another Lion what number would he call for the ambulance, the Lion did not know.

Gillespie then explained the plan, financing and how the system would work in Motley County. He also explained that if the County voted for it and the City did not then the County phones would have access to the 911 and the others would not.

The Fire Department feels like the 911 system would be beneficial to the whole county and he encouraged the citizens to talk to their Commissioners and Councilmen.

Glen Woodruff asked if they would take a poll of the Lions in seeing how many of them were in favor of or against the 911. The majority was for the 911 system.

Spring Has Arrived!

Ashley and John Wesley Stevens seen to be enjoying the beauty of spring as they admire the pretty tulips in full bloom in the yard of Mr. Forrest Campbell. Ashley and John are the children of Mr. and Mrs. Steve Stevens of Matador.

Flomot Baptist Church To Hold Spring Revival

Revival services will be held at the First Baptist Church in Flomot, April 16 through April 23. Sunday services will be held at 11:00 a.m. and 6:30 p.m. Services during the week will be at 7:30 p.m. nightly.

The Rev. Nathan Mulder of South Plains, local pastor, is the evangelist and

will be assisted by music director, the Rev. Tom Fisher, pastor of First Baptist Church in South Plains. They plan a "Bread and Water Revival" with a spiritual renewal.

Everyone is cordially invited to attend the services.

Absentee Voting April 17 - May 2

Absentee voting is open from April 17 - May 2. You may vote at the following places: Roaring Springs City Hall for Roaring Springs City Council; Matador City Hall for Matador City Council; Motley County Clerk's Office for Motley County ISD Board and Motley County

The Tribune will publish the candidates profiles in the April 28 issue. If you have any special issue questions you wish to ask the candidates, please mail or bring them to the Tribune office by April 14.

Roaring Springs Receives Water Rights for New Well

Roaring Springs Mayor, Eugene Watson, and Omar Parks signing the papers giving the City of Roaring Springs the water rights to his land.

The Roaring Springs Council signed a contract with Omar Parks on the water rights for a new water well to be drilled on the Dutchman Creek land. This water tested to be the same good water that flows at the Springs Ranch.

The Council were all in attendance at the April 4 meeting to witness the contract signing.

Other business taken care of was the approval of the minutes of the past meeting and approval of the bills.

Next on the agenda was the decision of the amount of rent to charge Confection Technology after the two year rent free period. The Council agreed on \$200 a month as this was also agreeable with Warner Salsbury.

The Council also passed the resolution for the Motley County Appraisal District to assess property taxes for the City of Roaring Springs, this is a yearly contract.

The matter of the rent on the gym was discussed. Joey Thacker stated he would pay the \$125 a month up to date but as far as he was concerned, the gym was not worth more than \$100 to him. After discussion a contract was agreed on with Thacker for the \$100 a month, with a sixty day notice of eviction unless it was for a business, then he would vacate quicker. This passed.

James May reported to the Council on needs for the City maintenance; he needed to cut the city water off for at least four hours to repair the fire hydrant at the continued on page 4

Volleyball Tournament to be in Flomot April 13, 14, 15

Senior Citizens Report

by Iris Bleyins

We had no Doctor's appointments Monday so the Bus didn't make a run to Lubbock.

Tuesday was our rear Luncheon day, we had 32 people to register. We were so pleased to have everyone to come be with us and enjoy the good food that the Lord so blessed us with. Minister Gene Louder said words of thanks for our food.

The business meeting was postponed to the second Tuesday in April.

We had one announcement, we will be selecting our Senior Citizen of the Year at that time, by vote. Be thinking about who you want as a candidate and be there to vote.

The bus made its regular run to Plainview Thursday with seven people riding. Friday was game and fellowship evening and we had one table of 84 players. We had several visitors that were here for the reunion Saturday.

why not step forward and claim the reward.

Third, what kind of concerned person would let a dog eat the poisoned food, you say you saw me throw out.

I could go on and on, but would rather just ask you to come out in the open, report me to the law and try to prove your case.

This letter is an open challenge to stand up and act like a man.

LIBRARY NOTES

BY JIMMIE HUNTER

NOTICE

Motley County Library will be closed the third week in April, Monday, April 17 through Saturday, April 22, for sidewalk repair outside and a general cleaning inside. All books checked out this week will be stamped for return in three weeks instead of two. All books checked out Monday and stamped for return on April 17, will not be overdue until April 24.

Brenda Gillespie, Amanda Hurt, Emily Hurt, Chantry Meyr, Derek Cruse, Cole Grundy, Courtney Hays, LaShea Rose, Brittany Donaldson, Sherry Thomas, Zack Daniel, Brittany Perryman, Clint Cooper, and Rachael Smith painted beautiful paper butterflies as soon as they arrived for Library School on Tuesday, March 28. After singing some songs directed by Lola Pohl and Winifred Lee, we all settled down to listen to the story of The White Velvet Rabbit told by Brenda Cruse. The flannel graph story told how the little white rabbit wanted to be different and kept changing his coat to brown hopsacking or green turkish toweling, and several other materials, but his brothers and sisters didn't like to cuddle close to him until he fell in the mud and was rescued by a kind policeman who cleaned him up and returned him to his family with his shiny, soft, white velvet coat again. We still had time to see the films

MAKE WAY FOR DUCKLINGS and RABBITS. RABBITS had pictures of brown rabbits, black and white rabbits, and white rabbits with pink ears, baby rabbits with no fur, and big rabbit seating, jumping and running, and playing with a cat. Then the children checked out books to read at home and picked up butterflies that Winifred had laid on the outside book drop to dry, after Brenda Gillespie handed them each a fluffy little Easter animal that Shane Jones had sent from the Variety Store. Thank you Shane!

Visitors to the Library from out of town since we last reported were: J.R. Swim and Edward Swim of Abilene, Texas, Juanita Thacker Hart Robertson, Bellville, Texas, Mrs. Marshall (Sharleen) Formby, Plainview, Texas, Nell Perry, Hobbs, New Mexico, Linda Martin, Snyder, Shirley Barton, Roaring Springs, Don and Virginia Cotten, Lubbock, Dorris Chambers, Pittsfield, Maine, Mildred Wishart, Arlington, Maine, Jack and Dottie Hill, Amarillo, Willita, Larry and Angela Burkes, Afton, Christy Lancaster, Breckenridge, Herman W. Larry Elliott Promoted to News Director for Channel 28

Larry Elliott, Assistant News Director and Medical Editor for KAMC Channel 28, has been promoted to the position of News Director effective April 3, 1989.

Jeff Klotzman, News Director for KAMC since June of 1984, and weekday anchor, has accepted the position of News Director for WKOW Television, Madison, Wisconsin. Larry has worked in Lubbock television since 1978 and has been employed for the last six years at KAMC as Assignments Editor and Health and Medical Reporter. He was named Assistant News Director in 1988. Larry is from Matador and a graduate of Matador High School. He graduated Texas Tech University in 1978, with a degree in Broadcast Journalism. During the last six years, Larry has won several awards for health and medical reporting from the Texas Medical Association, American Heart Association, American Cancer Society, Associated Press and United Press International. His "Update on Health" series, seen daily at 6 p.m., will continue because of his interest in the health care field.

Weekend Anchor and Reporter, Scott Kamp, will fill the position of Weekday Anchor. Promotion Manager and Entertainment Editor, Bob McCuiston, will anchor weekends.

Health Hints

by Gerry Jones, RN, FNP
 Motley County Clinic

"Strychnine Poisoning" strikes fear in the heart of every parent and grandparent.

With so many area dogs being deliberately poisoned, it behooves everyone concerned with the welfare of children to be cautious. The best (in fact, the ONLY sure) treatment of Strychnine poisoning is PREVENTION. Be sure to patrol the yard or play area EACH TIME before letting children play. Warn them about putting anything in their mouths, and insure good handwashing before eating.

Once the poison is ingested there are no warning signs before the person (or animal) begins convulsing (seizures). At this point immediate medical attention is necessary! We are in contact with the Texas Department of Health, the Poison Control Center, and St. Mary's Flight for Life. Be assured that we have the necessary equipment to instill detoxifying medicine directly into the stomach, and the sedation medicine that is to be given intravenously, in an effort to stabilize the afflicted person, in preparation for transfer to a major medical center.

READER'S COLUMN

The Way It Was

by Emmett Jenkins

In the late 1920's a Tri-Motor Ford Airplane landed in a stubble field, on the Foster Fuller farm, northwest of town.

It created quite a stir among the younger set. It was not long until a large number had gathered.

I am sure that none of us had seen one before.

The three, thirteen cylinder radial motors, were, and still are beyond my comprehension. The fuselage built low enough to the ground, a person could step inside.

We soon learned they were taking up passengers, none of us had ever been in a plane. When we found we could ride, we were all for it.

We bargained with them as to how far, and where we would go. Turkey was agreed on. We thought we were to land there, get off, and let people see us. "That would have been just great."

There were fourteen of us who took the ride, Gaddy Freeman, Frank Wright, Gladys Thornton, Hazel McCaghren, Brooks Calloway, Arvil Craven, John Traweck, Algie Groves, Alvin Stearns, Mutt Williams, and myself. There were three others. I cannot call their names.

We were not on the ground, more than one hundred yards before we were airborne.

It was quite exciting, as I had never been any higher off the ground, than the windmill tower.

It took about fifteen or twenty minutes to get to Turkey. I began looking around to see where we were going to land, but we kept circling, without losing any altitude.

After seeing that we had made a complete circle and were headed back to Matador, we were disappointed, but it wasn't a "big deal," as we were enjoying the ride.

I remember sitting on the right side next to the motor. It was noisy, also the body metal was rattling and banging. It reminded me of the Model T Ford (Tin Lizzie).

In that day, if they knew anything about insulators against creaks and rattles, it wasn't used.

Back home, we agreed the plane ride was the highlight of our lives.

The plane was basically used to carry mail and freight. However, it was also used by the early airlines. The capacity was about twenty or twenty-five passengers.

It hasn't been but a few years since they were still being used in Central and South America, to carry freight.

In the thick forest and mountainous terrains it was so difficult to build runways of any length. The Ford plane was still in demand. It would carry a heavier load and it took less distance for it to take off and land, than any other available plane.

That's the way it was.

Correction

Lon Russell (Little Chick) was the recipient of the pocket money collected at the Bus Station, not Tootie Meador, as I stated in an earlier story. Sorry about that, Tootie.

Get To Your Child Before The Pressure Does

Peer pressure. We've all experienced it. Remember how hard it was to say "no" when you were a kid, even if it meant doing something you knew was wrong? Young people today admit that pressure to use drugs is intense. As a parent, it's your job to give your child the facts about the dangers of drug abuse. Talk to your kids. Get to them before the pressure does.

El Progreso Club Presented Program On Decorating Baskets

El Progreso Club met Thursday, March 23, at 3:30 p.m. in the home of Mrs. E.A. (Dorothy) Day with Mrs. Joe (Loys) Campbell, club president, presiding over the business meeting. She welcomed guests Mrs. Warren (Leta Jo) Hayne of Crowell, District President of Santa Rosa District GFWC/TFWC, Linda Markley of Kansas, niece of Mrs. Dale (Joetta) Bumgardner, and Dorothy Traweck Hanesworth of Houston.

Mrs. Campbell reported on the Santa Rosa District Convention held in Seymour March 17-18 which she, Mrs. Harold (Grace) Campbell, Mrs. Day, Mrs. R.E. (Lucretia) Campbell and Mrs. Robert (JoAnn) Dickson, club member of Anson attended. El Progreso Club "shone" with the many awards they received; ribbons for various projects exhibited in Arts and Crafts, Mrs. Dickson first in Short Story and second in poetry and in reporting the club won five first places and seven second place awards.

She reminded the group of the Fall Workshop to be held in Burk Burnett Oct. 21 with club members dressing in period costume of 1890 to commemorate GFWC 100th anniversary and the Spring Convention to be held April 24, 1990 when members will wear clothing of the 1940 era.

Mrs. Campbell presented Mrs. L.B. (Lucretia) Campbell, leader of the day, who opened the days event of Mrs. Day demonstrating making decorative baskets, two of which won awards in the District Convention.

Mrs. Day is a very talented and resourceful person when decorating wreaths, hat boxes, baskets, albums, picture frames, the interior of their home and their yard.

Mrs. Day made the basket demonstration look so easy showing how she prepared the outside of the basket with Mod-Podge, cutting the flowers, birds, etc. from drapery or upholstery fabric stating too thin material will not work. She had prepared papiermache to use on the back of the flower or article to be used to give depth and reality to it. It was held in place by the Mod-Podge and further addition of leaves, stems and additional pieces was shown. After the drying process has been completed, many, many coats of Mod-Podge are painted on giving a porcelainized appearance. These are used for hearth decoration, magazine baskets, dried arrangement or silk flower containers, wastebaskets or anything the individual cares to use them for.

As members and guests arrived each

signed their name to a slip of paper to be used in a drawing for a wreath Mrs. Day had made.

The very lucky winner was Dorothy Hanesworth.

Mrs. Day and Mrs. Joe Campbell served German Chocolate cake, nuts and hot spiced tea and coffee to those previously mentioned and Mrs. Furman (Beverly) Vinson, Mrs. J.E. (Marge) Edwards, Mrs. W.N. (Opal) Pipkin, Mrs. Douglas (Lila) Meador, Mrs. Frank (Lola) Pohl, Miss Rachel Patton, Mrs. Gene (Mary) Louder, Mrs. W.D. (Vena) Lipscomb, Mrs. Ted (Bailey) Elliott, and Mrs. Robert (Winifred) Darsey and Mrs. E.D. (Rae) Lawrence.

The Club was reminded of the next meeting at Paducah at 3:00 p.m. for an afternoon of music by Ann (Mrs. Weldon) Rogers, a multi-talented woman who expresses her love of life, people and God through her music.

Piano Students Receive Top Awards

All of the students from the Piano class of Mrs. Howard Traweck who participated in the District contest of the Federation of Texas Music Clubs in Lubbock on April 1 brought home blue ribbons. The contest was held in the music building at Texas Tech University.

The top grade of "Superior" was awarded to each of the following students from Matador: Daniel Alexander, son of Mr. and Mrs. Alvin Alexander; Jill Stanley, daughter of Mr. and Mrs. James Stanley; and Ashley Stevens, daughter of Mr. and Mrs. Steve Stevens. DeDe Freemyer, daughter of Mr. and Mrs. Howard Freemyer of Jayton also received a blue ribbon and the grade of "Superior". Daniel Alexander and DeDe Freemyer were awarded gold cups for their high ratings in performance over the last 3 years. Congratulations are extended to these pupils.

ings that housed the first residents of Boys Ranch at Old Tascosa. They had been donated 120 acres and had six boys, with three more joining them soon after opening. The ranch now consists of 10,600 acres which has been acquired by donation and purchase. The boys bought the first acre and donated it to the Ranch. The population of the Ranch was 422 at the time the film was made.

Dale Robertson cued the narration of the video with the comment: "Cal Farley's Boys Ranch and Girls Town USA makes a boy a man and a girl a woman, all made possible by lots of people just like us." The caption at the end of the credits for the video was "A Shirttail To Hang Onto."

Mrs. Neill stated that an expansion program is in progress at Boys Ranch with the construction of three new residences which will make it possible to house three boys to a room instead of four as it has been in the past. This construction is expected to be completed in about three months. Also she stated there is a waiting list at both facilities. She invited everyone to stop for a visit when they are in the area of either Boys Ranch or Girls Town USA.

President Lee Peacock thanked Mrs. Neill for the excellent program she brought and presented her with a check as a donation from Predicta Study Club.

SEEDS FROM THE SOWER

Michael A. Guido
Metter, Georgia

A little boy was being prepared for surgery, "I must take some blood," said the nurse, "to learn your type."

"I know my type," bragged the boy. "My mom says I'm the ornery type."

Aren't we all! That's why the Lord Jesus said, "You must be born again."

When one is born again he becomes a brand new person. He's not the same any more. A new life has begun.

The crooked become straight, the dishonest, honest; the impure, pure; the sot, sober; the unhappy, happy.

You don't want to be the ornery type, do you? Wouldn't you rather soar than sink, overcome than be overcome? Then trust Christ, and He'll transform you, and you'll be thrilled.

Arts and Crafts Club Presented Program On Gather Ring Art

A program on Gather Ring Art or the making of ruffled lace rings, for wall hangings was taught by Mrs. Winifred Lee at the Monday afternoon meeting of the Motley County Arts and Crafts club, when they met Monday, April 3 at 1:30 in the Senior Citizens Building.

Mrs. Lee instructed those in attendance in the various types of lace and trimmings, such as ribbons, artificial flowers, potpourries and wire, that go into the creation of this art form. Each one in attendance created one of their own.

During the business portion of the meeting, conducted by club president, Winifred Lee, it was discussed about a club outing in May. Further arrangements will be finalized at the May 1 club meeting. Upcoming programs were discussed, including next month's meeting, at which time the club members will be painting folk-art cutting boards. Mrs. Lee has the boards for those who previously signed up for them.

Mrs. Lorene Lancaster gave the minutes of the last meeting and the treasurers report.

Enjoyable refreshments were furnished by Mrs. Winifred Darsey to the following: Mesdames Verdie Neighbors, Mary Louder, Betty Simpson, Una Simpson, Winifred Lee, Elsie Thacker, Bertha Stearns, Lorene Lancaster, Leola McKelvey and Winifred Darsey.

Roaring Springs City Council

corner of 3rd and Broadway. He could get the Imhoff tank drained by using Bennie Meredith's pump. He also reported that the city well is losing pressure and he is sure he can fix this. The Council instructed May to take care of these projects, provided they didn't exceed their budget. They also instructed May to cut the water off on the weekend or at night. May stated he would do this work this Sunday if possible.

Anna Wilson reported they had ordered NO DUMPING and NO TRESPASSING signs to be placed in areas they are finding trash dumped on private and city owned property.

Wilson passed around an information sheet from the King Royal Brothers Circus that wants to come to Roaring Springs. The Council elected to let the Old Settlers use them if they wanted to.

Devonne Dillard stated she was on the Motley County Library Board and they were seeking donations and asked that the City Council consider a gift. After discussion they elected to give a one time gift of \$100.

The Council elected to buy a tree to replace the dead tree in the median downtown.

The Council elected to go into closed session at this time to discuss financial matters.

In Closed Session, the Council elected to buy a refrigerated air conditioner for the City Office from Thacker Supply.

Out of Closed Session, Jeff Thacker presented a housing project that he has been working on. Mr. Thacker is working with the Federal Housing Authority, (FHA). He is working with FHA to get the City approved for financing for housing.

FHA has told him that everything looks good, but they won't make a final report until they receive the final report from Mr. Thacker. FHA will do a survey of their own, before they make a decision. Meeting adjourned.

Conservation Program For Club Cites State Parks and Wildlife

Texas State parks and wildlife were featured in a conservation program given for Matador Garden Club at its March 20 meeting. Ronnie Vandiver, Game Warden with the Texas Wildlife and Parks Department presented the program, held in the Library Community Room.

Mrs. Edgar Lee, president, called the meeting to order for a short business session, which included a report of the District I Spring Convention, March 6-7 in Lubbock, by Mrs. Douglas Meador. Attending the meeting were Mrs. Lee, Mrs. Ted Elliott, Mrs. W.D. Lipscomb and Mrs. Meador. The local club received three awards at the convention: two first place awards for scrapbook and folio on the "Constitution tree" planted by the club, and honorable mention for the yearbook.

A report was given by the nominating committee, which was accepted by vote of the members, naming Mrs. W.N. Pipkin, president; Mrs. Edgar Lee, 1st vice-pres.; Mrs. J.D. Craven, 2nd vice-pres.; and Mrs. Douglas Meador, secretary-treasurer. Members were reminded that dues are to be paid at the April meeting.

Mr. Vandiver, an Authoritative Speaker for his department, informed the club that there are nearly 100 state parks in Texas, covering over 600,000 acres. The largest is the Caprock Canyons State Park, three miles north of Quitaque, which covers approximately 30,000 acres. Another large park in this area in the Palo Duro State Park.

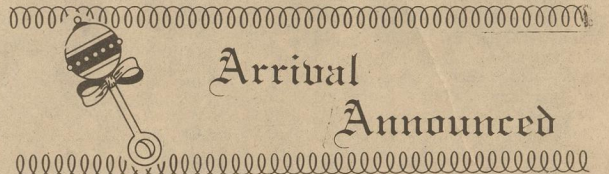

"State parks serve three purposes: to

preserve natural habitats for wildlife, to provide recreational facilities and to preserve historical sites," Mr. Vandiver said. He then showed slides of parks in areas from the Rio Grande to the Palo Duro Canyon at the top of Texas.

One of the outstanding was the 5,000-acre Pedernales Falls State Park, 14 miles east of Johnson City, described as one of the most scenic, along banks of the Pedernales River. The sand dunes of Monahans Sand Hills State Park, Davis Mountains State Park, and the Bentsen-Rio Grande State Park with its many species of birds were among the natural conservation areas shown.

Historical sites included Fort Parker, Goliad State Park, San Jacinto and Washington-on-the-Brazos parks; Fort Griffin, Fort Richardson, Lyndon B. Johnson State Park, Bastrap and Caddo Lake State Parks, among many others. Goose Island State Park and Galveston Island State Park were but two of the many recreational areas mentioned. Two new state parks are scheduled to open soon, one will be Lake Ray Roberts State Park near Dallas, and the other will be located in South Texas, Mr. Vandiver noted.

Mrs. Ted Elliott and Mrs. W.D. Lipscomb served as hostesses for the meeting and served cake and frosted punch at the conclusion of the program. Others present were Mrs. Robert Darsey, Rachel Patton, Mrs. W.N. Pipkin, Mrs. Lee and Mrs. Meador, and guest, Mr. Vandiver.

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated

that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. (The cost is only \$50.00.)

A mammogram can detect a cancer this small, even before it can be felt.

WHITEFLAT HAS MEMORIAL MARKER

Memories and pictures of what used to be in Whiteflat were renewed Saturday afternoon, April 1 at the dedication ceremony of the Whiteflat Memorial Marker. Memorable and amusing anecdotes were related when many aspiring and fun loving students were in the classrooms of the new vacant, lonely building standing in the background.

A Whiteflat native laughingly refers to me as a "Whiteflat Transplant", but I have resided in a rural home east of Whiteflat for many years, so I, too have treasured memories. It was with pride when I saw Luther Green complete the work on the Memorial, Thursday afternoon and pleasure when I attended the dedication ceremony with ex and local residents attending the annual Whiteflat Homecoming.

OVERHEARD

My wife would get rid of me before she would her microwave oven.

Visitors in the home of Mrs. Malcolm Jameson and Melba during the weekend and attending the Whiteflat Homecoming were Mrs. Ruby McWilliams of Red Oak, her daughter, Mrs. Annette Wilkerson of Cedar Creek Lake, Mr. and Mrs. Joe Martin of Plainview and Mrs. Edith Jenkins and Roland King of Lubbock.

John Barton is on the sick list. His daughter, Mrs. Charlie Scaff of Matador accompanied him to Lockney for medical tests and treatment.

Mr. and Mrs. Johnney Turner, Heather and Cobey attended the ABC Rodeo in Lubbock, Saturday.

Rhonda Spray of Bedford visited Saturday and Sunday with her grandmother, Mrs. Jack Spray and they attended the Whiteflat Homecoming. Mrs. Spray reported that her sister in law, Mrs. George Etta Smith of Matador moved recently to the Floydada Nursing Home.

Ms. James Meador of Clifton visited Mrs. Alfred Cooper, Wednesday. Visitors from Friday until Sunday were Mr. and Mrs. Harold Gordon of Post. They also visited in Matador with Mr. and Mrs. Bob Jameson. Mrs. Jameson entered the Floydada Nursing Home, Monday where she will recuperate following severe burns she suffered in an accident in her home.

Bill Jennings of Midland visited Sunday with his aunt and uncle, Mr. and Mrs. T.W. Jennings. Visiting them recently were a niece and son, Mrs. Teresa Jennings Stoud and Carlton of Amarillo.

Mr. and Mrs. Jim Stockton's mother, Mrs. Gladys Rogers, a patient the past week in St. Mary's Hospital in Lubbock, returned to her home in Portales, N.M. and is reported to be recovering just fine.

Mr. and Mrs. Spencer Dixon and Mrs. Janice Dixon visited Friday and Saturday in Amarillo with Mr. and Mrs. Art Ellis. Mr. and Mrs. Dixon attended the wedding ceremony of Tommy and Dale Harmon held at the St. Andrews Episcopal Church, Saturday afternoon. Mr. Dixon served as best man.

Mrs. H.R. "Skeet" Jameson is in Wichita Falls this week to be with her son and family, Mr. and Mrs. Lance Jameson and children. Mrs. Jameson (Sylvia) is a patient in Bethania Hospital.

Thank You

We the, Swinney family, would like to express our deepest gratitude to the good people of Roaring Springs and Matador for helping us start again.

FATHER-SON BANQUET

The Motley County PTO will be sponsoring a Father/Son Banquet Tuesday April 18, at 7:00 p.m. at the school.

Tickets will be on sale March 28 - April 10 from Susan Jameson or Judy Woolsey at the school at \$5.00 each.

The Banquet is for boys and their fathers, ages Kindergarten - 12.

It will be casual dress. If a father has more than one son, he may bring them all or if an adopted father is needed, contact Kellie Martin, 347-2466.

There will be a program of local talent.

ATTENTION PTO MOTHERS

The PTO is asking PTO mothers to bring/send a cobbler of your choice to the Father & Son Banquet. The PTO would appreciate this very much.

The proceeds from the Banquet will go for Computer supplies for the Motley County School.

PAPER DRIVE CANCELED

The class of '89 is no longer collecting papers for the paper drive. We would like to thank all of the residents of Motley and Dickens counties that saved papers for us. The proceeds went to a trip after graduation. We will have other activities to earn money. Thanks again.
