RIGHT NOW everyone knows the market price of beef cattle is far below the actual value. Altho drouth-stricken, many cattle-raisers still have some excellent butchering cattle which they will be glad to sell at attrective prices.

We have one of the most modern locker-plants in the country and we are equipped for complete processing which includes slaughtering, chilling, cutting, wrapping, and quick-freezing for your locker box or home freezer. You can buy good quality beef right here from our own producers. Prices on good beef are almost certain to advance in the near future.

### Rent A Locker Today . . .

WE HAVE a limited supply of lockers available. We hope to rent them and have them filled with home grown beef within a short time. Come in or call us today and rent a locker. Save money and at the same time help the local ranchers obtain a better price for their beef

An Honest Night's Sleep

Slim Johnson, just back from a business trip, tells about a hotel he stayed at one night.

"I hit town late and went right to the hotel. There was no clerk at the desk, but there was a sign that said: 'Gone to bed. Rooms \$3. Take a key. Pay when you leave. Sleep Well.'

"Upstairs, the room was real clean, the bed comfortable, and I slept like a log. Came down in the morning-still no clerk. So I left three dollars at the desk and went on. Can you imagine folks that trustful?"
