

FDR Urges Congress To Increase Food Subsidy Program

Action Will Prevent Cycle Of Inflation

Message Is Longest Sent By President In Eleven Years

By H. HAROLD OLIVER WASHINGTON, Nov. 1 (AP)— President Roosevelt in an exhaustive review of the world food situation urged congress today to continue and increase the administration's \$800,000,000 food price subsidy program to assure an adequate supply and prevent a "serious and dangerous cycle" of inflation.

To a legislature which has been sharply critical of federal subsidies and which has leaned rather toward higher farm prices to encourage greater production for war, the chief executive sent the longest special message of his nearly 11 years in the White House—10,000 words. He had checked and rechecked it many times and spent almost a month writing it.

Shorn of its historical data, the message assured the American people that there will be "enough food to go around," specifically named reports of a "meat famine" this winter, and declared the price support program is proving reasonably successful in these two objectives: increasing production, and maintaining fair food prices for the consumer.

"I am convinced," the chief executive said, "that to abandon our present policy would increase the cost of living, bring about demands for increased wages which would then be justifiable, and might well start a serious and dangerous cycle of inflation—without any net benefit to anyone."

He said some people say a little inflation will not hurt anyone, adding: "They are like the man who takes the first shot of opium for the sensation he thinks it will give him. He likes it. Although he swears that he will not make it a habit. Soon he is taking two and then more and more—and then he loses all control of himself."

"Inflation is like that. A little leads to more. I am unalterably opposed to taking the first shot by congressional, or by any other action. The nation cannot afford to acquire the habit. We have children to think of."

Those advocating "an inflation course," he continued, would have to be ready to accept responsibility for the results. "We have so far been following a tried path," he asserted, "and are getting along fairly well. This is no time to start wandering into an untried field of uncontrolled and uncontrollable prices and wages."

The president did not say how much new money the government would need for price supports in 1944. He said he would need more than the \$800,000,000 used this year because farmers must have some inducement to meet these new goals while consumer charges are being kept down.

He renewed his request to extend the life of the Commodity Credit Corporation and to give it additional funds and said the various agencies charged with the responsibility of stabilizing the cost of living will from time to time place before congress the "programs necessary to hold the line."

"These will require money," he said. "I strongly urge the congress to give serious consideration to their requests. I am confident that the executive and legislative branches of the government can pull in harness to get the job done."

Allies Continue Steady March

Confusion Reigns As Germans Reel Under Red Might

MOSCOW, Nov. 1 (AP)—The Germans were reeling back in utter confusion today along choked retreat roads above the Crimea as the Russians' Fourth Ukraine army battered its way to within eight miles of the last rail exit from the peninsula.

With the Russians driving toward the Crimea over a broad front, it now is impossible for the Germans to evacuate large forces any longer by the only railway, which runs up the Perekop isthmus, only four miles wide at its narrowest point, to Kherson on the lower Dnieper river.

The railway, which the Russians brought within east artillery range yesterday with the capture of Chaplinka, has become virtually useless to the Germans as a line of communication by day and in another 24 hours it should be severed.

Nazi troop concentrations and transport columns attempting to flee the death trap were being pounded endlessly by the Red Air force.

Seizure of Novo Troitskoe also gave the Red army strong central positions for operations westward toward the Prekop-Kherson railway.

Russian forces storming into Novo-Alexeyevka, about 40 miles east of the Perekop land bridge, had already cut the only other railway line leading out of the Crimea, and the capture of more than 200 settlements between the Dnieper and the Crimea put the Red army virtually in possession of the entire Nogaisk Steppe.

Stevens Hotel Reopens Doors CHICAGO, Nov. 1 (AP)— The Stevens, world's largest hotel, reopened its doors today after 13 months of army occupation, and found 1,100 of its 3,000 rooms were ready and rented.

This wasn't any surprise to Arnold S. Kirkeby, president of the Stevens Hotels, who bought the Stevens for \$5,251,000 when the army decided it didn't need the huge structure any longer. All he said was that other rooms would be ready as quickly as decorators can finish.

Girls will replace men on the elevators, but Kirkeby thought other help would be present in sufficient numbers. All told he needs between 1,000 and 1,500 to operate the hotel.

It took 300 persons to put the \$28,000,000 building back in readiness after the army finished using it as a radio school. The ballroom floor was covered with linoleum and the clocks were marked for 24 hours time; the tower, formerly a cocktail lounge, was set up for courts-martial, and the oak room, once a swank bar, was turned into a civilian employment office.

Geo. F. Thomas Dies After Long Illness George Freeman Thomas, 67, for 29 years a resident of Howard county, succumbed at 1 p. m. Monday. He had been in ill health for eight years.

He was a brother of L. H. and J. M. Thomas, well known Howard county farmers. Services will be held at 3 p. m. Tuesday at the Eberley chapel.

Choiseul Is Scene Of A Jap Battle

Rabaul Staggers Under Another Massive Bombing

ALLIED HEADQUARTERS IN THE SOUTHWEST PACIFIC, Nov. 1 (AP)—Rabaul staggered today under another massive bombing, while to the south, American and New Zealand troops were locked in battle with the Japanese for possession of Choiseul Island.

Vanakanau airfield at the important New Britain airbase took a 115-ton bombing from high flying heavy bombers and fighters Friday, General Douglas MacArthur announced.

Forty-five Japanese planes were destroyed, 25 of them in combat. This brought to 820 the October total of enemy aircraft destroyed for certain in this war theater.

Four Allied planes were acknowledged lost. Meanwhile, jungle-camouflaged troops who landed at two points on Choiseul Thursday morning met enemy resistance the next evening and at latest reports were engaged in "brisk" fighting with the Japanese around Sangagai, a large concentration point six miles to the southeast of the beachheads.

If the Choiseul Japanese hope for steady reinforcements from Bougainville, 30 miles to the north, they had little consolation in reports from the South Pacific islands that southern Bougainville had scarcely a plane left after 200 recent bombing sorties in which 130 tons of bombs were dropped.

More to their concern, a number of cargo and troop ships apparently destined for Choiseul, or possibly little Treasury (Moloto) Island nearby which was invaded on Wednesday, were destroyed or damaged by Adm. William F. Halsey's bombers.

Secret Weapon Holds Its Own

OSHKOSH, Wis., Nov. 1 (AP)—America's secret weapon—a 4.2 inch mortar with the power of a 155 millimeter gun—is holding its own, employees of the company that makes the gun found out today.

Some details of its performance were revealed by Col. Harry R. Lebkicher, head of the sixth service command's chemical warfare service, in a commendation to employees of the Bell Machine Co.

The manner in which these mortars—America's secret weapon—are performing should be the pride of every American citizen," Col. Lebkicher said.

Col. Lebkicher said artillery officers have elevated the weapon above the famous French 75 of the last war. It can be carried by its crew to an advanced position, assembled in three minutes, and can pour out shells comparable to the 155-mm every two seconds.

It was developed by the chemical warfare service, which believes the rifled, muzzle-loading weapon holds an authoritative answer to any threat of chemical warfare. Besides artillery uses, the mortar can also be used for demolition.

"IL Duce" In Fox Hole—Carefully keeping his head below the edge of the fox hole he shares with his master, Lt. Eugene Phillips, Royston, Ga., this battle-trained dog, "Il Duce," shows his training somewhere in Italy. The dog, holding an honorary rank of second lieutenant, has been recommended for a purple heart for an ear wound. The

Soft Coal Industry Tied Up By Strikers

By The Associated Press The vast bulk of the nation's 374,000 soft coal miners laid down their tools today to await fresh developments in the long-drawn-out dispute over a new working contract.

An early morning survey showed virtually complete shutdowns of operations in West Virginia and Pennsylvania, each having about 110,000 bituminous workers. Similarly, Ohio reported all of its mines closed and 21,000 idle. Indiana production had about stopped, with 7,000 out.

These reports came in as members of the United Mine Workers policy committee gathered in Washington for a session scheduled to start at 10 a. m. (CWT) but later delayed until 2 p. m. due to late arrival of some delegates. Momentous decisions were in the offing, involving a choice between ordering the mine workers back to the pits or taking other action which might provoke presidential intervention and a new government seizure of the workings.

The soft coal situation in the various states shaped up this way: West Virginia—The shutdown of the state's 600 mines was apparently complete, with about 110,000 idle. There was no demonstration and a coal local official said the men were "sitting tight and awaiting the report from the policy committee."

Pennsylvania—Information from both union and operator sources showed a virtually full shutdown in western Pennsylvania soft coal fields, employing 110,000 in 1,220 mines. All captive mines of the U. S. Steel and Jones and Laughlin Steel Corp. operations were closed. Union sources said hospital and other emergency needs would be taken care of.

Alabama—A survey of operators indicated no Alabama mine was working. Some 22,000 are normally employed.

Ohio—All mines closed and 21,000 idle.

Indiana—Operations virtually at standstill and nearly 7,000 idle.

Illinois—Early estimates indicated all of state's 25,000 United Mine Workers were out, and that those quitting had been joined by approximately 2,000 of the state's 15,000 progressive Mine Workers (AFL).

Missouri and Kansas—These two states, covering District 14, reported nearly all of the area's 2,600 workers out.

Fifth Seized Teano As Eighth Captures Several Villages

By NOLAN NORGAARD ALLIED HEADQUARTERS, ALGIERS, Nov. 1 (AP)—The Allied Fifth army seized Teano, control point to important roads flanking the enemy's Massico ridge anchor, in the relentless mile-by-mile march up the Italian peninsula, Allied headquarters announced today.

With equally steady progress, the Eighth army smashed through the mountains to capture the villages of Cantalupo—the town of the singing wolf—along with Macclagodena and Frosolone. This advance placed Gen. Sir Bernard L. Montgomery's warriors within nine miles of Isernia, central bastion of German mountain line.

Between these two sectors American troops performed one of the campaign's most spectacular single day achievements when they advanced five miles through downpours and up steep mountain slopes to seize Valleagricola, a citadel perched on a 2,000-foot hill four miles north of Raviscanina, in the push toward Venafro.

A military commentator said reaching this objective would have been "hard enough for an ordinary peace-time Sunday afternoon walk," but the Americans covered the distance in the face of intense enemy artillery, mortar and machine-gun fire and despite carefully laid minefields guarding the approaches.

Teano, too, was taken only after a furious battle with elements of the Hermann Goering division. Lt. Gen. Mark W. Clark's troops wasted no time in capitalizing on the capture of the vital road center and fanned out swiftly to the northeast and northwest to cut the highways piercing the German's defense lines to the north of Massico ridge.

Captured documents showed that the Germans had attached the greatest importance to holding Teano, 10 miles northeast of towering Mt. Massico and 12 miles northwest of the Volturno river crossing at Capua.

Gen. Montgomery's Eighth army gained the high ground on both sides of the road that runs from Foggia to Isernia and thence to Rome.

These veterans slugged through bitter resistance to capture Cantalupo, nine miles from Isernia and on the southwest side of the road, in a three-mile drive.

Macclagodena, the same distance southwest of Isernia, is on the northeast side of the road and was taken in an advance of a mile and a half.

Farther to the northeast, Frosolone fell to units which blasted a three-mile path and established themselves 12 miles from Isernia.

Montgomery's Adriatic wing was limited to patrolling as a result of heavy rainfall along the Trigno, where the Germans had converted San Salvo railway station into a heavily gunned fortress.

Meanwhile American Flying Fortresses carried the air offensive into southern France from Mediterranean bases for the second time in the war, bombing the important road and railway viaduct on the coastal route five miles southwest of Cannes.

The Fortresses, unescorted to the French Riviera, scored at least four hits at both ends of the 500-foot span across the Signe river and rendered it impassable. They also put out of commission a 40-car train at its edge. This is on the main route between Marseille and Genoa for German troop and supply movements.

House Group Votes Increase In Postage

WASHINGTON, Nov. 1 (AP)— An increase from three to four cents in charges on out of town letters was voted today by the house way and means committee.

The revenue group previously had raised the local letter rate from two to three cents.

The committee decided to cut back the air mail rate from a tentatively-approved 10 cents to 8 cents.

The present rate is six cents. The committee also decided there shall be no postage rate increases on newspapers and church and religious publications, but doubled all other second-class postal charges.

The general admissions tax was cut back to 20 percent instead of the previously approved 30 percent. The present rate is ten per cent.

Chairman Doughton, (D-N. C.) said the next result was to reduce the amount of new revenue in the tax bill from \$2,117,000,000 to \$2,043,000,000.

The committee rejected a proposal to cut back its previously approved 15 per cent rate on local telephone bills.

The rate now is ten per cent. There still is a possibility the committee might reconsider its refusal to put excises on soft drinks, candy and chewing gum. The treasury suggested \$365,000,000 be collected through levies on these products.

The \$2,000,000,000 in the bill comes from a boost in postal rates, higher excises in luxury items and an increase in the corporation excess profits tax from 90 to 95 per cent. The committee rejected treasury proposals to raise large sums from additional individual and corporation levies.

Stricken Workers Expected To Recover DALLAS, Nov. 1 (AP)—Recovery of all of 150 North American Aviation plant workers who were stricken with food poisoning Saturday appeared certain today.

Of 31 hospitalized, only two remained in hospitals and these were pronounced definitely out of danger.

HOUSTON, Nov. 1 (AP)—Lloyd B. Luker, Fayette county Farm Security Administration supervisor, will leave tomorrow to become county agricultural agent of Lee county with headquarters at Giddings.

Text Of Moscow Conference Indicates Firm Determination

WASHINGTON, Nov. 1 (AP)— The texts of declarations signed at the historic Moscow conference of Secretary of State Hull, Foreign Minister Anthony Eden and Foreign Commissar Molotov, follow:

JOINT FOUR-NATION DECLARATION The governments of the United States of America, United Kingdom, the Soviet Union and China: United in their determination, in accordance with the declaration by the United Nations of January 1, 1942, and subsequent declarations, to continue hostilities against those axis powers with which they respectively are at war until such

powers have laid down their arms on the basis of unconditional surrender;

Conscious of their responsibility to secure the liberation of themselves and the peoples allied with them from the menace of aggression;

Recognizing the necessity of ensuring a rapid and orderly transition from war to peace and of establishing and maintaining international peace and security with the least diversion of the world's human and economic resources for armaments;

Jointly declare: 1. That their united action, pledged for the prosecution of

the war against their respective enemies, will be continued for the organization and maintenance of peace and security.

2. That those of them at war with a common enemy will act together in all matters relating to the surrender and disarmament of that enemy.

3. That they will take all measures deemed by them to be necessary to provide against any violation of the terms imposed upon the enemy.

4. That they recognize the necessity of establishing at the earliest practicable date a general international organization, based on the principle of the sovereign

equality of all peace-loving states, and open to membership by all such states, large and small, for the maintenance of international peace and security.

5. That for the purpose of maintaining international peace and security pending the re-establishment of law and order and the inauguration of a system of general security, they will consult with one another and as occasion requires with other members of the United Nations with a view to joint action on behalf of the community of nations.

6. That after the termination of hostilities they will not employ their military forces within the territories of other states except for the purposes envisaged in this declaration and after joint consultation.

7. That they will confer and cooperate with one another and with other members of the United Nations to bring about a practicable general agreement with respect to the regulation of armaments in the post-war period.

DECLARATION REGARDING ITALY The foreign secretaries of the United States, United Kingdom and Soviet Union have established that their

three governments are in complete agreement that Allied policy towards Italy must be based upon the fundamental principle that Fascism and all its evil influence and configuration shall be completely destroyed and that the Italian people shall be given every opportunity to establish governmental and other institutions based upon democratic principles.

The foreign secretaries of the United States and United Kingdom declare that the action of their governments from the inception of the invasion of Italian territory, in so far as paramount military requirements have permitted has been based upon this policy.

Kyle Gray Cattle Trucks Are Being Kept On The Move

Fall days are busy days for the Big Spring Transfer Company, according to Kyle Gray, owner and manager, since the company not only moves household furniture but also livestock.

HESTER'S
 Personalized Stationery Christmas Gifts and Cards
 114 E. 3rd - Phone 1644

Three of the company's fleet of trucks are cattle trucks and this month many ranchers are moving their cattle to nearby markets. In addition, other ranchers are moving livestock from one range to another where grass is better or water more plentiful.

Moving cattle as well as keeping up with household moving puts the Transfer company on a 24 hour schedule, said Gray, and all of his eight drivers as well as the manager himself are kept going night and day until the rush is over.

The Transfer company's cattle trucks will each carry between 15,000 and 18,000 pounds and ranchers and farmers take advantage of this service when they move their cattle to market.

So far the men at the company have kept up with their schedules pretty well, Gray said, and heavy markets attest to the fact that Howard county and surrounding areas are sending in their quota of fat cattle for sale.

In addition to the cattle division of the business, Gray pointed out that he has two trucks for moving household furniture inside the town area and two trucks for moving household articles outside of town.

Since household moving comes by spells, right now the Transfer company is lending most of its efforts to getting the ranchers cattle moved.

But satisfied customers who have been using the Big Spring Transfer company's facilities for the several years it has been operating in Big Spring are still finding complete and satisfactory service at the Transfer company, despite rush of business and lack of manpower problems brought on by the war.

PAYABLE IN RIFLE SHELLS
 DALLAS, Ore. (U. P.) — One box of 30-30 rifle shells was the prize asked by a Salem contractor for letting the names of nearly 500 Dallas servicemen for the city's honor roll in a bill received by William Blackley, chamber of commerce secretary.

Dallas hunters are pooling their shells to pay the Salem contractor whose name was not revealed.

The marbled godwit, 21 inches long, is one of the largest shore birds.

Up-To-Date—The Snowflake (Dairyland) Creamery in Big Spring, staying abreast of the demands of the times, is remodeling its plant and installing new equipment and machinery. This photo shows exterior of the plant and some of its trucks. Dairyland products, ever popular, go to the Big Spring Bombardier school, to a great percentage of restaurants and coffee shops, and to all grocers for domestic purchase. (Kelsey Photo).

New Machinery Is Installed By The Dairyland Creamery

Not satisfied with equipment on hand, Jim Kinsey, manager of the Dairyland creamery, 404 East Third street, announces that he is remodeling and installing new handling equipment and machinery in an effort to increase the already very high quality of Dairyland pasteurized milk and ice cream.

Always alert for new and better equipment making an appearance on the market, and never hesitant in adopting and putting into practice new ideas which might help make for perfection in his business, Kinsey has been with Dairyland for almost 15 years nearly five of which he has served as manager of the local plant. He is proud of his staff of 14 employees. He has four route men and one of these handles the immense business from the Bombardier school as well as his regular route.

"We have our difficulties," says Kinsey, "as milk is becoming harder to get all of the time and it is impossible to get butter now."

Delivery men and bottlers who work at the plant are required to have health certificates and signs around the plant warn workers

of hazards and against smoking. The creamery has very few accidents.

Cooperating with a government request Dairyland was one of Big Spring's first firms to start the payroll savings plan, deducting a certain amount from employee's paychecks for the purchase of war stamps and bonds.

Not only does the creamery serve the Big Spring Bombardier school but also the largest percent of local cafes, restaurants and coffee shops.

years of satisfactory experience, more and more people today are going to Dr. George Wilke for their eye tests.

WILKE EXPERIENCED IN EYE CORRECTION
 Vision is too precious a thing to treat lightly, and should be protected and conserved almost as though it were life itself.

Naturally, this calls for expert assistance, and when expertness can be teamed with experience, the combination is one that means service to the individual.

Dr. George Wilke has been checking on the vision of people in this area for approximately two decades, and the best evidence of his ability to correct these of fitting glasses is in the enduring patronage he has enjoyed. With

STEELMAKERS USING BORON CLEVELAND (U. P.) — Another work-a-day friend of the American housewife has gone to work along with the maid in war-busy steel mills. The element boron, coming from the same source as borax, is helping to perform miracles in production of finer steels, and has developed so many possibilities that it is one of the featured subjects of the American Metals Congress to be held in Chicago this month.

Check Plumbing Before Winter Weather Hits

The same old advice is still good advice, only Runyan Plumbing company is of the opinion that time is definitely shorter in which to heed it now.

Reference is to making of needed plumbing repairs now before the mid-winter rush sets in. This is particularly true of installing water cut-offs.

Runyan Plumbing reminded residents of a statement the city has been making every winter—that the city's responsibility in furnishing water ends at the meter box. The only safe way to deal with water service on private property therefore is to have a cut-off near the property line.

In the first place, this will pay for itself from a preventive point of view, for on extremely cold nights, the water may be cut-off and pipes drained. If it prevents a pipe from breaking, it pays for itself. Even if the resident should fall to cut-off water during extremely cold weather and broken plumbing results, then water damage can be avoided by immediately shutting off the flow. People with no cut-offs frequently have found that much damage can result while appeals are made to city to do what it is not supposed or required to do—run out and cut off the water.

If there are worn plumbing fixtures around the place, it is wise to have them replaced now when the demand for service is not so urgent. Come the busy season there may be a shortage of plumbers and supplies.

The ibis always travels in large flocks, each one sometimes containing as many as 15,000 birds.

Notre Dame Meets Army This Week In Grid Headliner

By TED MEIER
NEW YORK, Nov. 1 (AP) — Notre Dame vs. Army — regarded as the game of the year —

SPORTS ROUNDUP

By HUGH FULLERTON, JR.
NEW YORK, Nov. 1 (AP) — The United States Golf Association is initiating a move to have golf clubs provide employment that will help rehabilitate war veterans — and incidentally help the clubs, too . . . employment seems to be what they can provide best, judging from the trouble some courses had keeping the fairways trimmed this summer . . . It's healthy outdoor work, and probably the hardest part of it is listening to members' alibis.

Observation Post
Gunder Haegg, like Paavo Nurmi, is going into the Haberdashery business . . . That doesn't necessarily mean he's breaking off ties with the sports world.

Monday Matinee
All four big radio networks will broadcast the Army-Notre Dame game Saturday — indicating that he manpower shortage is worse on the gridiron than in the broadcasting booth. Two of the best players in sturday's Yale-Dartmouth game were Don Kasprzak, the Dartmouth passer and Ed Strype, Yale tackle, both of whom were at Columbia last year. . . . No wonder Lou Little is in the hospital.

Luck Of The Irish
With Angle Bertelli doing the chunkin', the Irish could probably score with a pumpkin and you safely can bet your wife's only nylon that Army is glad he's at Parris Island. Notre Dame must depend on substituting Lujack, who also can pass and hit a Beau Jack.

Service Dept.
Proving that the Marines can do almost anything including rescuing the Army from Bertelli, Capt. Orion W. Todd, Jr., has been teaching his marines in the southwest Pacific to play rugby and the local fans to appreciate American baseball . . . When he staged a game that drew 35,000 spectators, Capt. Todd received a note from J. Taylor Spink of the Sporting News saying that club owners all over the country soon would be writing to ask how he did it.

Another Sellout
When Bill Cross, Oklahoma's business manager of athletics went to Dallas for the Oklahoma-Texas game a few weeks ago, he found hotel accommodations so scarce that he slept in the bridal suite, with a lavender satin headboard behind him and lovebirds over his head . . . sound as if the hotel manager was looking for a few-free ducents.

Major Leagues Look For New Material

CHICAGO, Nov. 1 (AP) — Foreseeing a player shortage created by service calls, major league officials today were expected to reach deeply into the class A, double-A, and A-1 minors for talent at the annual player-draft meeting with Commissioner K. M. Landis. Virtually all the 16 major league clubs planned to attend the baseball raffle with prepared lists of available 4-F's, youngsters and oldsters. The first selection will be made by the Philadelphia Athletics and the second by the New York Giants — both being given preference after finishing last in their respective leagues. The American league cellar team gets first selection over the National on odd years.

Plenty Of Turkey For Everyone

HOUSTON, Nov. 1 (AP) — Plenty of turkey for everyone, including the armed services, is the forecast of George P. McCarthy, poultry husbandman of the Texas extension service. Texas growers, he says, are producing more than 3,750,000 turkeys this year.

Loop Queries To Be Answered

By The Associated Press
Most of the questions will be answered this week on the course of the Southwest conference football race.

The Texas Aggies, not only unbeaten in title-play but undefeated over the season route, will engage Southern Methodist at College Station. The Mustangs will therefore be the guinea pigs.

The fact that Arkansas was able to give A. and M. a hard battle whereas the Razorbacks did little against Texas is not too strong an indication that the Aggies won't be tough for Texas on Thanksgiving day. There are two factors to be considered in the Aggie-Arkansas game:

1. A. and M. had a hard, bruising game with the North Texas Aggies. They couldn't have been "up" against Arkansas.

2. The Razorbacks probably played their best game of the year since it was homecoming and they had an open date the week before and had a better chance to get ready for the Aggies.

Texas won over S.M.U. 20-0 and there never was any doubt about which team would take the decision, but the Longhorns encountered a very stubborn defense when they got in scoring territory.

A. and M. doesn't have a running game to compare with Texas and the interesting point will be what the Aggies aerial offensive can do against S.M.U. If it doesn't click, you can put it down that A. & M. won't have much chance against Texas.

Texas doesn't play this week because of a cancellation with the Naval Air Technical Training Center at Memphis but the other three conference teams will be in action.

Rice and Arkansas will battle it out at Houston to see which team occupies the cellar, while Texas Christian will meet Texas Tech at Fort Worth.

Last Saturday Rice beat Tech 13-0 in something of an upset while Arkansas was losing to A. & M. by the same score and Texas Christian was falling before Louisiana State 14-0.

Nutter Appointed AP News Editor

KANSAS CITY, Nov. 1 (AP) — The appointment of Charles Nutter, veteran of the foreign and domestic news service, as news editor of the southwestern division of the Associated Press, with headquarters at Kansas City, was announced today by Kent Cooper, executive director.

Nutter, who is 41, took charge immediately, succeeding Paul R. Mickelson, recently transferred to New York. Nutter started service with the Associated Press in Kansas City in 1927 and his new assignment brings him back here after nearly 15 years absence on assignments that have taken him from Mexico City and Buenos Aires to Moscow, Madrid and London.

7 Records For 'Slingin' Sam

CHICAGO, Nov. 1 (AP)—Slingin' Sammy Baugh now holds seven all-time passing records in the National Football league and is hot on the trail of another. Sunday he leads the Washington Redskins against Phil-Pitt, which has one of the most porous pass-defenses in the circuit.

Draw your own conclusions. If you tabulate Baugh's achievements since he turned pro seven years ago, you get these results: 598 completions out of 1,084 attempts for 7,436 yards and 70 touchdowns—a batch of five records when you count the number as well as the percentage of completions.

In four games this season he has hit 52 out of 94 passes for 811 yards and 14 touchdowns, which has helped him account for most of his new marks. If he twirls 11 more scoring passes in his remaining six games he will surpass Cecil Isbell's record of 24 for one season (1942).

Baugh established two single game records when Washington smashed Brooklyn 28-10. The 276 yards he gained on 16 connections (28 pitches) bettered Isbell's 333 in the Green Bay-Chicago Cardinal game last year. Baugh also shot six touchdown passes, beating the previous mark of five held jointly by Isbell (1942) and Ray Buivid of the Chicago Bears (1937).

Stewart Resents Bible Strategy

DALLAS, Nov. 1 (AP) — Coach Jimmie Stewart of Southern Methodist University didn't like it Saturday when Coach D. X. Bible of Texas sent his regulars back into the game with S.M.U. already licked.

"Four minutes to go and 20 points ahead and the first team comes back in to take up the pounding," Stewart commented. "I didn't like the idea of them trying to run up a score when they already had up whipped."

Stewart said he spoke of it to Coach Bible who explained that Joe Parker, Texas end, was playing his last game and wanted to go back in and that the others wanted to be in there with him.

"Well, it wasn't necessary to send in the whole first team," the S.M.U. mentor complained.

Lufkin Comes Thru About As Expected

By HAROLD V. RATLIFF
Associated Press Sports Editor
Lufkin's Panthers have reached the spot delegated to them before the Texas schoolboy football season started. They now rank with the top three teams of the state and appear to have a claim as strong as any to No. 1 rating.

In September they were called championship favorites. Then they lost all-state Jitter McKinney through ineffectuality. The critics promptly forgot all about them. But they soo refreshed everyone's memory by rolling over some good teams. Last week they got definitely back into the picture when they removed a strong Marshall eleven from the unbeaten ranks 19-7.

This is not saying Lufkin is better than Amarillo or San Angelo or Vernon or Highland Park or North Side or Breckenridge or other teams entrenched in the top rankings, but the Panthers do look as good as any and appear to be the top team to stop in the southern bracket. Meaning, they are leading candidates for the state finals.

There are ten undefeated, untied elevens left but they do not represent the ten strongest teams. Breckenridge, for instance, has lost a game but the Bucks are the leading scorers of the state with 279 points in seven games. Vernon was beaten out by Amarillo but the Lions look as good as the Sandies. North Side, which defeated Breckenridge, was tied by Sherman but the Fort Worth team still rates with the best six or eight in the state. And so on.

This week will find one of the unbeaten teams eliminated from the championship race when North Side plays Poly. It not only is the state's top game but it also will virtually determine the Fort Worth district championship.

Otherwise, the schedule is rather slack in Texas as many teams skip this week for traditional battles on Armistice Day. There are only 36 games in all with 31 of them conference affairs.

The undefeated, untied teams appear in little danger outside of Poly. Amarillo, San Angelo, Longview, Lufkin and McAllen don't have games while Sweetwater plays Abilene, Ysleta meets Class A Monahans, Highland Park entertains Arlington and Goose Creek engages Orange. Defeat for any of these teams would be a smashing upset.

Robbins Defeats Carl Strom 3-2 In Local Tourney

Shirley Robbins provided another big upset in the Country Club city golf tournament Sunday when he turned back Carl Strom, who shared in medalist honors with a 74, by a 3 and 2 count.

In the other championship flight match played during the day, Bob Satterwhite clipped M. K. House, 6-5.

R. E. Satterwhite dropped Lloyd Brooks by a 6-5 score while V. V. Strahan was losing to A. E. Suggs, 3-2, and J. D. Jones succumbed 1 up on 19 holes before Lieut. Jackson in the first flight.

Dr. W. S. Palmer was taken out by Capt. Chester Draper, 5-4, and Byron Housewright tripped Dr. R. B. G. Cowper, 3-2. One of the hottest matches of the day was between Arch Carson and Col. R. W. Warren, with the colonel taking the match 1 up on 19. Travis Reed outlasted Harry Stalcup.

In the only third flight match, Watson Hammond trimmed Bill Phillips, 6-5.

Championship flight consolation pairings matched Sgt. Jimmy Moon against Ira Thurman, Sammy Sain against Carl Strom and Neill Hilliard against M. K. House. Consolation in the first flight sees Bob Hodges against Dr. J. E. Hogan, Lloyd Brooks versus Jimmy Little, D. A. Watkins against Pat Kenney, and V. V. Strahan versus J. D. Jones.

Second flight consolation matches are: Roy Snyder versus Lt. Jackson, Dr. W. S. Palmer versus Grady Downing, Lynn Speer versus Dr. R. B. G. Cowper and H. Stalcup versus Arch Carson.

Photo Taking Plane Bluffs Off Zeros

SOMEWHERE IN NEW GUINEA (AP)—Capt. Clark M. Sykes of San Antonio, Tex., had taken valuable pictures from his Pael, so he hid in a cloud while Lt. Cecil H. Rigby of Dallas, Tex., drew away the fire of four Zeros.

Rigby drove off one Zero, then, with three on his tail, both his engines went out temporarily.

He reached base, though for Sykes thundered down to help, and the Japs fled.

They didn't know all Sykes could shoot was their picture—his plane was gunless.

HELPS SCHOOL PROBLEM

TUCSON, Ariz. — Theatre officials have adopted a reverse-style curfew — barring youths under 16 years of age from show houses before 3:30 p. m. on school days.

Too many students, educators complained, were cutting classes.

WELDING MILES NEEDED

WILMINGTON, Calif. — The California shipbuilding corporation has figured out that it takes 247,246 feet 46.83 miles of welding to build a Liberty ship.

Steers Groom For Powerful Angelo Meet

The Big Spring Steers, looking toward what probably will be their toughest assignment all season, will get a lot of hard work and talk about tradition for the next 10 days as they try to throw up some sort of defense against one highly regarded San Angelo Bobcats.

Only one thing keeps this tilt from adding up to a picnic for the Concho Cats, visitors over an inspired Odessa team last Friday. It's the tradition that no matter what season records show, Big Spring always plays San Angelo a hard and close game—and vice versa.

Last year San Angelo trimmed the Steers here 20-0 for the greatest margin in a decade. However, it is a peculiarity of the games between the two teams that Big Spring always has shown most offensive power on the Bobcat field, where the two teams must play Nov. 11.

Odessa routed Big Spring, 46-0, and last week got clipped by Angelo 13-7. On paper it looks like San Angelo by 50 points when they entertain the Steers. But none who has been around for many years will offer anything like that many points for Coach John Dibrell is going to remind his young charges what they have to live up to in the Armistice Day game.

One year when San Angelo fought its way to the state semifinals, the Bobcats came over here doped to stomp a meek Steer team into the turf. They were lucky to get off with a 0-0 tie. And so it has been down through the years.

In order to be ready to do their best, the Steers will be given an abundance of scrimmage for the next week. There will be a tremendous amount of just plain blocking and tackling, a lot of polishing on blocking assignments, plenty of work for ends and tackles in combating sweeps off the tricky T formation, and a bushel of concentration on pass defense.

If San Angelo has anything, it has power around the ends and through the air. Last year Rathbone ran the Steers ragged with a simple sweep around the weak side. This year he has been running wild and been doing some accurate passing besides. Against Tahoka the Steers looked plenty weak on pass defense—a thing that has hurt them all season.

Corporal Benefits From Large Family

DES MOINES — It isn't often that a man gets a pay boost from \$172 per month to \$310 overnight. That, in effect, is what happened to Corp. Cyril G. Wolfe, 42, when President Roosevelt signed the bill increasing dependency allowances.

Corporal Wolfe has a family of 12 who will receive increases—his wife, 10 children and his mother.

Jap Radio Announces New Thailand Center

NEW YORK, Nov. 1 (AP) — The Japanese radio said today that the Thailand government was moving its capital to the "naturally fortified" city of Petchabun (Bejraburana), about 190 miles north of Bangkok, the present capital.

The broadcast, recorded by the federal communications commission, said that the new capital "nestled in the Pasak river basin, a tributary of the Mekong" and that high mountains flanked the city on both east and west. The move, it added was expected to be completed by next June.

Mincemeat Will Be Higher This Year

WASHINGTON, Nov. 1 (AP) — Mincemeat—which rarely fails to show up on the festive board just about the time the "frost is on the pumpkin"—is going to be more expensive this year.

The office of price administration (OPA) announces that a new pricing formula—to take into account new apple prices and increases in the cost of raisins and rum—will boost the cost of the holiday delicacy for the housewife about 1-2 cents a pound.

The formula will increase manufacturer's prices about one cent, effective today.

The bittern puffs up its loose feathers when danger threatens in order to look more formidable.

ZEERO REMINDS YOU TO

Change over to **WINTER LUBRICANTS** Now! COME TO **Firestone**

We Will

- 1 Drain and flush worn, thin oil from crankcase.
- 2 Refill with fresh, full-bodied winter oil. (Limit 5 qts.—25c oil)
- 3 Flush transmission and differential of old grease.
- 4 Fill with correct weight lubricants. (Limit 4 pounds)
- 5 Firestone complete chassis lubrication.
- 6 Check front wheel bearings.
- 7 Drain and flush radiator — refill with water.
- 8 Test the battery with hydrometer.
- 9 Inflate tires to correct pressure.

ALL THIS FOR ONLY **\$4.95** THIS WEEK ONLY

OUTDOOR GIRL—Screen Actress K. T. Stevens makes use of a spare moment from her film duties in Hollywood to get a good dose of sun, enjoying nature from under an umbrella.

'BOWLING ALLEY'—Dummy torpedoes are fired along a wooden runway at a Louisville, Ky., plant, operated for the Navy by Westinghouse, to test tube velocity and pressure.

KID SISTER—Lt. J. V. Shellack of Caney, Kansas, and another Marine help Shirley Temple into a flight jacket during her tour of the Marine Corps Air station at El Toro, Calif. Shirley was adopted as "Kid Sister" of Squadron 111.

THEATER OF WAR—Here is a map of Europe—one of the important theaters of conflict in World War II. It shows the pre-war boundaries in existence on Sept. 1, 1939.

CALENDAR

Tuesday
WOMEN'S CLUB will have a luncheon and bridge party in the officers' club at the Big Spring Bombardier School. Luncheon will be served at 1:30 o'clock.

ORDER OF EASTERN STAR meets at the Masonic Hall at 7:30 o'clock.

B & F W CLUB will meet at the Settles at 7:30 o'clock.

REBEKAH LODGE meets in regular weekly session at the IOOF hall at 8 o'clock.

HIGH SCHOOL Parent-Teacher's Association will meet for re-organization at the school at 4:30 o'clock.

Wednesday
PARENT - TEACHER'S ASSOCIATION council meets at the high school at 3:30 o'clock.

VFW AUXILIARY will meet at the VFW Home, 9th and Gollad, at 8 o'clock.

LADIES SOCIETY OF LOCOMOTIVE Firemen and Engine Men meets at the WOW hall at 3 o'clock.

KONGENIAL KLUB meets with Mrs. C. S. Edmonds, 104 Jefferson at 2:30 o'clock.

PHILATHEA CLASS meets at the First Methodist church at 10:30 o'clock for a covered dish luncheon.

Thursday
SOUTH WARD P.T. A. meets at 3:30 o'clock. Executive committee meeting at 3 o'clock.

GIA meets at the WOW hall at 3 o'clock.

FRIENDSHIP CLASS will have a covered dish luncheon at the First Baptist church at 12 o'clock.

Friday
TRAINMEN LADIES meet at the WOW hall at 3 o'clock.

SUSANNAH WESLEY CLASS will have a covered dish luncheon at the First Methodist church at noon.

LADIES GOLF ASSOCIATION meets at the Country Club for a covered dish luncheon and monthly business session at 1 o'clock.

Saturday
HYPERION CLUB meets with Mrs. Paul Dewell at 3 o'clock.

Gene Crenshaws Honored At Reunion In Wilson Home

A family reunion was held in the Earl Wilson home Sunday honoring Mr. and Mrs. Gene Crenshaw of Fort Worth, former Big Spring residents.

Those attending were Mr. and Mrs. J. N. Cagle, Mr. and Mrs. J. H. Coots, Mrs. Bee Burks and children, Mr. and Mrs. Eugene Thomas, Mrs. Donald Anderson and son of Fort Worth, Mr. and Mrs. Dee Foster, Mary Foster, Sgt. and Mrs. Dee Foster, Jr., Pfc. and Mrs. D. R. Gartman, Mrs. D. J. Sheppard and children, Mr. and Mrs. Tom McAdams and children, Mrs. Jay Francis of Fort Worth, the honored guests and Mrs. Earl Wilson and children.

NO ASPIRIN FASTER than genuine, pure St. Joseph Aspirin. World's largest seller at 10¢. None safer, none surer. Demand St. Joseph Aspirin.

It's no longer TABOO for girls to talk of this possible help

CARDUI has a 62-year record of 2-way help, when taken as directed: (1) started three days before "your time," it should help relieve purely functional periodic pain; (2) taken as a tonic, CARDUI usually improves appetite, aids digestion by increasing flow of gastric juices, and thus helps build resistance for needed days. Try CARDUI. You may be glad you did!

Girl Scout Court Of Awards To Be Held Tonight

Girl Scout Court of Awards will be held at the Big Spring high school auditorium this evening at 8 o'clock, in connection with the observance of National Girl Scout week.

Mrs. Dan Conley, commissioner, will be in charge of the program tonight and preceding the singing of America, a flag drill will be held.

A skit will be presented by Mrs. Fred Schmidt's troop and between acts numbers will be presented by Brownie troops.

Nancy Lovelace will discuss the Juliet Love Memorial and members of Mrs. H. H. Rutherford's troop will sing several songs.

Leaders will present wings to each Brownie in her troop and the presentation of badges to Girl Scouts will be made by troop leaders.

Everyone interested in Girl Scout work is cordially invited to attend the program.

DOWNTOWN STROLLER

Hallowe'en certainly brought on a round of parties this weekend. Corden entertained with a big dance Friday night and the post orchestra was the main item of attraction plus a good floor show.

The enlisted men had a party at the post and the cadets were on hand for a shin dig at the Settles hotel at their club on Saturday night. The USO held an entertainment on Friday night and Group One of the BSAAFBS had a chicken barbecue Sunday night at the VFW Hall.

There were a dozen other events too by clubs and organizations. Right off we'd say that the holiday was properly observed by all.

Couldn't figure out why the "deserted village" look Monday morning until it dawned on us that school doesn't start until 9 a. m. instead of 8:30 a. m. But nobody is mad about the change.

Read in the paper that some organization gave a rummage sale and collected unspent dollars for some benefit or other. Wonder if there is any law against having a private rummage sale for our benefit only. Sounds like a wonderful idea and we've got the "rummage" for sure.

Air Service Command Speeds Parts To Bases Around The World

OFFICERS take post-graduate course at Warner Robins, Ga., study layout of complete service command set-up in theatre of operations on sand table map.

By HERMAN R. ALLEN AP Features Writer

PATTERSON FIELD, O. — A desperately important group of American combat planes was grounded, half way around the world, for lack of a single vital carburetor part.

A radio message was flashed to headquarters of the Army Air Service Command here at Patterson Field, just outside of Dayton, O. At the engine supply branch news sank. There wasn't a single one of the parts in stock.

Hurriedly, officers checked their inventory of supplies on hand in ASC's 12 supply depots. Nothing stirring at Oklahoma City, at Spokane, at San Antonio, Sacramento

to or Mobile. Then the cards riffling through the uncanny bookkeeping machines snapped out a ray of hope.

The depot at Rome, N. Y., had 300 complete carburetors. At 6 p. m., a message went to Rome by teletype. Immediately Rome put 23 men to work. They took the carburetors apart, picking out the one needed piece.

At 11:30 p. m., five and one-half hours after the message was received, the parts were aboard a plane. Sixty-two hours later they were being installed in planes which next day went up against the Japs.

More than likely you've never heard of the Air Service Command, or of its chief, Maj. Gen. Walter H. Frank. Until I toured a handful of ASC's hundreds of

depots, sub-depots, air depot detachments in an Army plane, about all I knew was that there was such a thing.

The little-known and unappreciated Air Service Command is the biggest unit in the Army Air Forces. Its personnel numbers some 650,000, of whom 300,000 are civilians, and of the latter about half are women.

Its job, very simply, is to "Keep 'Em Flying." To do its job it has set up an organization more far-flung and of more efficient complexity than the biggest big business ever dreamed of. Most of the ASC organization was set up in skeleton form during 15 or 20 peacetime years and was flexible enough to expand to wartime scope with a minimum of unpredictable hitches.

I was granted the rare privilege of visiting the teletype room of the ASC headquarters control office. There direct wires to each of the 12 depots and a wire to Washington which receives all foreign reports by radio, keep ASC constantly informed as to the 450,000 separate items which the command handles. The teletype also punches a tape which is used to operate the card-punching machines.

Even though models are being changed at a fast clip, the control system has now been perfected to the point that no overseas jet has a single part not usable within the past 30 days.

Unusable parts are sent to a storage depot at Memphis, Tenn., where every effort is made to redistribute them to some agency that has use for them or to remodel them.

(Tomorrow: Repairs On The Assembly Line.)

Three Entertain With Shower For Mrs. Jay Francis

Three hostesses entertained with a pink and blue shower in Mrs. Earl Wilson's home Saturday afternoon honoring Mrs. Jay Francis. Hostesses included Mrs. Dee Foster, Mrs. D. J. Sheppard and Mrs. Earl Wilson.

A pink and blue color scheme was used in party decorations and roses and other autumn flowers were placed about the entertaining rooms.

Mrs. Tom McAdams, who presided at the register, presented gifts to the honoree.

Refreshments were served and those attending were Mrs. Gene Crenshaw of Fort Worth, Mr. and Mrs. Tom McAdams, Mrs. Donald Anderson of Fort Worth, Mrs. J. N. Cagle, Mrs. Ester Elliott, Mrs. Maggie Richardson, Mrs. J. H. Coots, Mrs. Glass Glenn, Mrs. Berk Burks, Mrs. Garner McAdams, Mrs. J. R. Petty, Mrs. R. R. Harvell, Mrs. W. W. Braune, Mrs. Merrill Creighton, Mrs. R. V. Foresyth, Mrs. Eugene Thomas, Mrs. Della Herring, Mrs. Guy Mitchell, Mrs. Arthur Gaywood, Mrs. S. M. Barbee, Mrs. Carrett Patton, Mrs. W. G. Mims, Mrs. Opal Sides, Mary Reidy, Mrs. Jones Lamar and Mrs. Jack Roden.

Among those sending gifts were Mrs. R. L. Wilson, Mrs. Margaret Peterson, Mrs. A. F. Gilliland, Mrs. William E. Gilliland, Mrs. Lewis Bond, Mrs. Gold Dickerson.

Jewish Sisterhood Serves At USO Club

Members of the Temple Israel Sisterhood served as hostesses at the Big Spring USO club Sunday afternoon during hospitality hour from 5 to 7 o'clock.

The group included Mrs. B. Eckhaus, Mrs. Bernard Fisher, Mrs. J. Fisher, Mrs. Rose Frank, Mrs. N. Bruner, Mrs. Max Jacobs, Mrs. Lewis Felsen, Mrs. Prager and Mrs. I. Welner.

Chorus To Be Organized For Program Wednesday

Mothers with sons and daughters in the service are invited to join a chorus which will be featured in a patriotic program here November 11th.

Choral practice will be held at the First Methodist church Wednesday afternoon at 2 o'clock and every mother is invited to represent her son or daughter by taking part in the chorus.

VISITS AND VISITORS

Mrs. Johnny May Thomas has returned to Fort Worth after visiting here with Mr. and Mrs. J. N. Cagle.

Mr. and Mrs. Gene Crenshaw and Mrs. Jay Francis returned to their home in Fort Worth after visiting friends and relatives here.

S/Sgt. and Mrs. Dixon Kirk have returned from a two weeks vacation in Dallas and Houston.

Mrs. F. J. Gibson and daughter, Frankie, of Sweetwater and Mrs. W. W. Witherspoon of Roscoe were weekend guests in the Squires' home and in the D. C. Sadler home.

WINS PISTOL TROPHY

AUSTIN, Nov. 1 (AP) — Sgt. Don Lawrence, Texas highway patrolman stationed at Dallas, won the Ada Zilker Robinson pistol trophy in a two-day match concluded yesterday at the Austin police range.

MILLIONS HERE EXPECTED ATTACK

It happens every year. There is always a time when it seems like everybody has a cold attack. At this time take precaution. And remember Penetro, the salt with modern medication in the base containing same kind of old-fashioned mutton must grandma used. Works 2 ways (1) Warming vapors comfort cold-congested nose and throat; (2) Stimulates circulation right at spot where rubbed on. 25¢. Double supply for 50¢. Demand Penetro.

Miss Boothe And Officer Are Married

Miss Nelta Boothe, daughter of Mr. and Mrs. G. R. Boothe of Spur, and Lieut. Ernest D. Goddard, son of Mr. and Mrs. J. A. Goddard of Somerset, Ohio, were married in the post chapel at the Big Spring Bombardier school Saturday evening.

The ceremony was read at 7 p. m. by Chaplain James L. Patterson before an altar decorated with floor baskets of chrysanthemums.

The bride wore an aqua wool two-piece suit with brown accessories, and her flowers were gardenias arranged into a shoulder corsage.

She was attended by Mattie Skiles, who was attired in a green ensemble. With it she wore black accessories and a shoulder corsage of gardenias.

Mrs. Goddard, who has been employed at the Big Spring Bombardier school, is a member of the Beta Sigma Phi sorority.

The bridegroom, who was attended by Lieut. Clyde Doyle, is stationed at the Big Spring Bombardier school as an instructor.

The couple will be at home at the Settles hotel.

Activities at the USO

MONDAY
 8:00—Ping pong tournament. Registration from October 31 through November 6th.

8:10:30—B. & P. W. and Monday GSO.

Minstrel Show Draws Large Crowd At College Heights Hallowe'en Carnival

Funds Raised For P.T. A. Treasury

The Parent Teacher's Association of College Heights sponsored a Hallowe'en carnival and minstrel show at the school Saturday evening, and \$243 was raised for the P.T. A. treasury.

Around 300 persons attended the affair which featured a negro minstrel with Dan Conley as inter-locutor. Bill Dawes and W. C. Blankenship played end men, and others on the program were Mrs. R. E. Blount, Helen Blount, Mrs. Martelle McDonald, Mrs. C. M. Shaw, Mrs. M. A. Cook and Mrs. Bill Earley.

Reta Debenport was featured in a novelty negro number, and Mrs. Will P. Edwards and La June Haines presented a pantomime. Other features of the program included a novelty song and dance by Jack Haines, and a dance by Tommie Ruth Kinman and Jerry Don Rogers.

Mrs. Will Edwards, who was general chairman of the entertainment, was assisted by various unit committees and Mrs. J. E. Brigham, P.T. A. president.

Around 70 cakes were used in the cake walk which was held, and other entertainment included fishing ponds, bingo and other games, a chamber of horrors and folk dances.

The minstrel show was presented twice during the evening at 8:15 o'clock and at 10 o'clock.

Chicken Barbecue Held At VFW Home

A chicken barbecue was held Sunday night at the VFW home for members of the First Provisional Training group of the Big Spring Bombardier school and their guests.

The hall was decorated in Hallowe'en colors with orange and black streamers, black cats, and pumpkins on the walls.

Around 200 persons attended the event.

Large Crowd Attends Country Club Affair

Members of the Big Spring Country club and their out-of-town guests were entertained with a barbecue at the club house Sunday evening at 6 o'clock, and around 250 persons attended.

Open house will be held Saturday evening from 9:30 to 1:30 o'clock and all club members and their guests are invited to attend.

ONE OF THE GREATEST BLOOD-IRON TONICS YOU CAN BUY!

You girls who suffer from simple anemia or who lose so much during monthly periods that you feel tired, weak, "dragged out"—due to low blood iron—try Lydia E. Pinkham's Compound TABLETS (with added iron)—one of the best ways to help build up red blood to get more strength—in such cases. Follow label directions. Get today!

RELIEVES SNIFFLY, SNEEZY

DISTRESS OF HEAD COLDS

Works Fast Right Where Trouble Is

The second you put Vicks Vapo-Rol (a few drops) up each nostril it starts relieving the sniffly, sneezy, stuffy distress of head colds. Vapo-Rol—a specialized medication—is so effective because it does three important things to relieve discomforts...

(1) shrinks swollen membranes... (2) soothes irritation... (3) helps clear up cold-clogged nose... makes breathing easier... and brings such grand relief! Follow directions in folder. NOTE... When used at first sniffle, sneeze or sign of a cold, Vapo-Rol helps prevent many colds from developing.

Announcing new ownership and management of the CLUB CAFE

Dewey Collum, widely known West Texas restaurateur, has purchased this popular cafe from Grover C. Dunham. He takes over as of today and wishes to assure the many friends and regular patrons, that the operation of this cafe will continue along almost identical lines and that every effort will be made to give you the best possible service and finest foods deliciously prepared.

You'll Enjoy Dining At The Club Cafe

We Never Close
 207 East Third

We thank you!

Having disposed of our business, the Club Cafe, to Mr. Dewey Collum we wish to thank our many friends for their splendid patronage during these many years.

We have enjoyed serving you and hope you will continue to make the CLUB CAFE your dining headquarters.

Grover C. Dunham

Editorial - - -

We Want No Govt. Handout

The Senate Banking and Currency Committee has approved a bill authorizing the appropriation of approximately \$30,000,000 for newspaper advertising to stimulate War Bond sales.

grounds: Economy and the dangerous precedent it would set. If the Treasury is in such a state that added millions of dollars worth of newspaper advertising is essential to sell bonds, there is no reason to believe that it cannot be obtained without dipping further into the depleted till.

systematically as a well-managed commercial organization would. It provides, instead, for splitting the fat pot up among all newspapers, regardless of the need for areas. It is easy to picture the day when some senator, mistakenly trying to boost the business of the papers in his state, would appropriate and increase the split for everybody.

Washington Daybook - There's An All-American Family In The Congress

By JACK STINNETT WASHINGTON - Your Capital in Wartime: Not many people know it, but that pretty wife of freshman Congressman LaVern Ralph Dilweg, Democrat of Green Bay, Wis., is none other than Eleanor Coleman, the onetime Olympic swimming star.

a native of Liberty Hill, S. C., has only one complaint to make about what this war is doing to our liberties: It's depriving us of hominy grits. Representative Richards is just as willing as the next fellow to make war sacrifices, but when OPA starts taking away hominy grits, he says, they are undermining not only South Carolina but a lot of other Southern states, and leaving them just doggone little under their belts to combat the war effort.

Texas Today Postwar Education Program

By HOMER G. OLSEN Associated Press Staff Out of conferences between representatives of the state department of education and local school leaders is growing a new program of education to meet present and postwar needs in Texas.

superintendents: "The present emergency and the prospective postwar needs make it necessary that educational leadership re-think and re-shape much of the curriculum and program of education." Seeking to meet the educational needs of the community at pre-school, school and adult ages, the program will devolve largely on local school leaders.

degree of performance. The need for this type of education was said to be "increasingly more imperative." In the matter of preventing juvenile delinquency, the program calls for education that will develop character and ability "to participate intelligently in a democratic society."

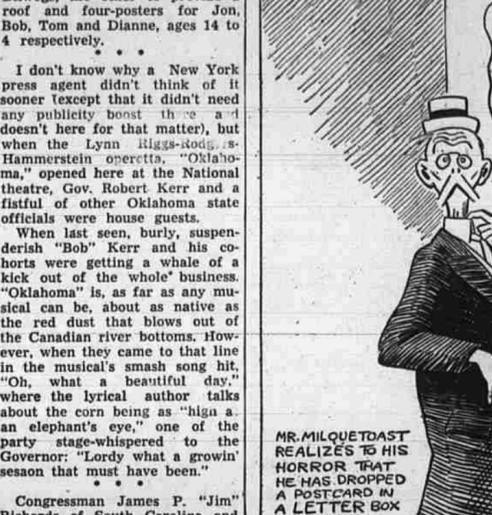

Hollywood - It Takes Comic To Play Role Of Adolf Hitler

By ROBBIN COONS HOLLYWOOD - The man who plays Hitler had a grandpa who knew Lincoln. And far from nursing dictatorial designs on the world, Robert Watson hasn't tried to rule Hollywood, nor even a Beverly Hills mansion. He lives in a trailer on a piece of rented lot beside a Hollywood apartment house.

"And I'll keep on living there," he says. "I'm allergic to tap water, and I don't want to own anything that's not on wheels." It's also typical of Hollywood that Bobby Watson always before specialized in comedy—until he was chosen to be the arch villain of "The Hitler Gang."

Soil Conservation Heads Plan Meeting Supervisors of the Martin-Howard Soil Conservation district will hold their first meeting Tuesday since they were elected in convention voting in the various zones of the district a month ago.

Furniture Arranged By Hallow'eners

KANSAS CITY—Mr. and Mrs. Louis I. Goldblatt arrived home—they thought—at 2:15 a. m.

Yes, they decided, it was their home, although every stick of furniture had been neatly rearranged.

There was a note, too: "Next time we will take the furniture instead of rearranging it. (Signed) Acme & Sons, Interior Decorators."

Police said it must have been an awful lot of work, even on Hallow'een.

'No Signs Today' For Trolley Car

CHICAGO—A trolley appeared on Clark street bearing no route signs, to the confusion of persons bunched along car stops to board the vehicle.

An exasperated conductor explained with this announcement: "We're all out of signs, and I don't know when we'll get any!"

ENVOY LEAVES CAIRO CAIRO, Nov. 1 (AP)—Brig. Gen. Patrick J. Hurley, President Roosevelt's special envoy, left Cairo today after two weeks' conferences with American, British and Egyptian officials.

GRIN AND BEAR IT

By Lichty

"But, Mother, why isn't it all right to look back over your shoulder, drop your handkerchief, or make other advances—after all, it's a woman's place to be pursued!"

STORY

(Continued from Page 6)

you'll have to say 'Yes, doctor' and 'No doctor' and like it. That is, if you stick with this Nurse's 'Ade business.'

"Stick with it! You're a hard man to convince, aren't you? Mondays and Thursdays I'll be there—in spite of you."

Peter stood for a second, watching the door close behind her. Then he walked back to the Circle, hands in pockets, whistling cheerfully. It took the girls from the sticks, he reflected. Sally was a refreshing change from the senators' daughters and the embassy belles who gurgled over him. For some reason a doctor, even a poor, obscure doctor was a drawing card. The doctor sounded impres-

sive, even if it wasn't, Peter guessed.

If only Sally didn't go cosmopolitan too, like the rest, she'd be all right. But the Washington whirl usually left its stamp on the people who stayed in it too long. Unless the war took care of that.

erals known or suspected to be war criminals shall be arrested and handed over to justice.

In making this declaration the three foreign secretaries recognize that so long as active military operations continued in Italy the time at which it is possible to give full effect to the principles stated above will be determined by the commander-in-chief on the basis of instructions received through the combined chiefs of staff.

The three governments, parties to this declaration, will, at the request of any one of them, consult on this matter. It is further understood that nothing in this resolution is to operate against the right of the Italian people, ultimately to choose their own form of government.

DECLARATION ON AUSTRIA

The governments of the United Kingdom, the Soviet Union and the United States of America are agreed that Austria, the first free country to fall a victim to Hitlerite aggression, shall be liberated from German domination.

They regard the annexation imposed on Austria by Germany on March 15, 1938 as null and void. They consider themselves as in no way bound by any changes effected in Austria since that date. They declare that they wish to see re-established a free and independent Austria and thereby to open the way for the Austrian people themselves as well as those neighboring states which will be faced with similar problems, to find that political and economic security which is the only basis for lasting peace.

Austria is reminded, however, that she has a responsibility, which she can not evade, for participation in the war at the side of Hitlerite Germany, and that in the final settlement account will inevitably be taken of her own contribution to her liberation.

STATEMENT SIGNED BY PRESIDENT ROOSEVELT, PRIME MINISTER CHURCHILL AND PREMIER STALIN REGARDING ATROCITIES.

The United Kingdom, the United States and the Soviet Union have received from many quarters evidence of atrocities, massacres and cold-blooded mass executions which are being perpetrated by Hitlerite forces in many of the countries they have overrun and from which they are now being steadily expelled. The brutalities of Nazi domination are no new thing and all peoples or territories in their grip have suffered from the worst form of government by terror. What is new is that many

New Inductees Listed By Board

A number of volunteers and selectees inducted into the armed forces on the Howard county October call were announced Monday by the local selective service board after information from the induction station was received here.

Additional names will be published after processing is completed in the induction stations.

Volunteers for the Navy Seabees, who have been accepted include Geoffrey George Green, J. E. Scott, Douthitt Clay Buchanan, Harold Claud Lange, Dossie William McLin, Eugene Willard Woods, Jr., Lawrence Buford Yarborough, Lester Charles Ocker, Alvis O. Davis, and Roy Clifford Leddy, all transferred to the local board from San Angelo.

Levy Parker, registered in Ozona; Milton Jesse Burns, registered in Paint Rock; John Mitchell Moore, Fort Stockton; Kenneth Elmo Dick, Fort Stockton; Benjamin Merle Shellhouse, Brady; Walter Warren Clendenen, San Antonio and Guy Herbert Middleton, Jr., Ballinger.

Volunteers for regular navy service were the following: A. B. Kerley, Paul Gail White, and Eduardo Montez Deanda.

Transfers to Howard County for induction from other boards, and who were accepted by the army are Leslie Carl Hall, Houston; Clifton Bonnie Hollis, Abilene; Victor Raymond Parker, Clovis, N. M.; and Apolonio Fernandez, Jr., Seguin.

Registrants of Howard county accepted for army service are John Dee Griffin, Crville Lee Penick, Norwin McCurdy Smith, Jr., volunteer, Harold Wesley Stubbsfield, volunteer, Wilburn Hughes Davis, Ruby Columbus McDaniel, Eustace Wayne Grandstaff, Joe Allen Franklin, and Fred Zubiate Puga.

Union Service Hears Salvation Army Head

Speaker for the Fifth Sunday union service held at 8 p. m. at the First Baptist church was Maor L. W. Canning in charge of the local Salvation Army center, who spoke on "A Shallow or a Deep Experience, Which?"

A large number attended the evening service which is a combined program for all the churches in the city.

Music included organ numbers by Roberta Gay and piano numbers by Mrs. C. W. Norman. Roy Rogan played saxophone selections and Lieut. Pat Wilkerson directed the combined choirs of all the churches.

Mrs. A. B. Brown sang, "Lord Speak to Me," with Mrs. Pat Kenney playing piano accompaniment.

The next combined union service will be held on November 27th during the week of the community revival now being planned by the Pastor's Association.

Gilbert Infant Succumbs Sunday

Grady Everett Gilbert, four months old son of Mr. and Mrs. G. Gilbert, succumbed Sunday afternoon at 4:30 o'clock following an illness of several months.

Funeral services were to have been held at the Nalley-Reeder Funeral chapel Monday afternoon at 3 o'clock with the Rev. Dick O'Brien, pastor of the First Baptist church, officiating.

Survivors include the parents, Mr. and Mrs. G. Gilbert; one sister, Clara R. Gilbert, and maternal grandparents, Mr. and Mrs. E. H. Heffington.

LEGAL NOTICE

THE STATE OF TEXAS, TO THE SHERIFF OR ANY CONSTABLE OF HOWARD COUNTY, GREETING:

You are hereby commanded to cause to be published, once for not less than ten days, exclusive of the day of publishing, before the return day hereof, in a newspaper regularly published in the County of Howard, State of Texas, a copy of the following notice:

To All Persons Interested in the Estate of S. Kellogg, Deceased:

You are hereby notified that Annie Kaderli, administratrix of the estate of S. Kellogg, deceased, has filed a final account, as well as an application to be discharged as administratrix and to close said estate, and that a hearing on said application will be had in the City of Big Spring, Howard County, Texas, on Monday, the 15th day of November, 1943, said date being the date fixed by the Clerk for the return hereof, at which time all persons interested in said estate, may and are hereby cited to appear and contest such final account, and application to be discharged and to closing of said estate, if they so desire, and if such final account and application are not contested at said time, then same shall be granted.

Witness, Lee Porter, Clerk of the County Court of Howard County.

Given under my hand and seal of said court, at my office in the City of Big Spring, Howard County, Texas, this first day of November, A. D. 1943.

(SEAL)

LEE PORTER,
Clerk County Court,
Howard County, Texas.

Father Induction Delayed A Month

Fathers with order numbers up to 400 have been receiving notices to appear for physical examination, the Selective Service office said Monday, but will probably not be classified for induction until the latter part of November or the first of December.

There will be another call from the county the first part of November but this will probably not include any fathers unless they are transfers from other boards.

Nearly all of the single men or married men not considered fathers in Howard county have occupational deferments, the draft board's recent inventory shows.

Bona fide farmers with low order numbers should be covered with supporting evidence of necessity to be placed in an agricultural classification before receiving notice for physical examination if this information has not already been turned in at the local board office.

Requests for deferment of agricultural workers and farm boroers will have to be submitted by the employer or person responsible for hire before these persons can be considered for occupational deferment.

Also requests for industrial deferments, form 42-A, which includes all essential occupations except agriculture, should be submitted before local physical examination is given and must be issued if the board is to consider them at all, Margaret McDonald, clerk advised.

Increase Seen At Rent Control Office

Month end report for the local Rent Control Office showed an increase in the local load for October over the past three months with 41 new registrations of rental units listed with the office.

The supervisor, Charlie Sullivan, passed on 25 landlord petitions for adjustment with two of these denied. Most of the petitions were on the ground of added services or personal relationships.

There were 14 tenants applications and complaints passed on and nine notices of eviction filed along with one petition for a certificate of eviction. The majority of evictions were for non payment of rent or cases where owners moved back to occupy dwellings.

The office also handled 276 interviews, 106 phone calls, and made 23 field inspections during the month.

Halloween Antics Are Safe And Sane

Big Spring experienced a comparatively quiet Halloween with few reports of damage and disorder, police records showed Monday.

The weekend produced only 11 cases, seven of them for drunkenness, two for petty theft and one each for drivers license and for affray.

There were reports of boys throwing rocks at 800 Douglas but officers could not catch them. Likewise the lads reported to be breaking glass in the street at 205 E. 10th were gone when the patrol car arrived. Officers did make a trip to the northwest quarter of town to stop a group of negroes and Mexicans from tossing rocks at cars and the city bus.

There were a few garbage cans and trash barrels turned over, and some lawn furniture scattered. On the whole, however, celebrations were confined to soaping of show windows.

Primitive Baptist Church Organized

The Primitive Baptist church of Big Spring was officially constituted following a three day meeting which closed Sunday, and the new institution started off with a charter membership of 19.

In addition to these, there were three awaiting baptism and one with membership by letter. Three of these presented themselves during song services Saturday evening.

Elder B. R. Howze was elected as pastor of the new church, and M. M. Fairchild was the only deacon. Mrs. Fairchild was chosen as church clerk. The series of meetings which started Friday was in charge of Elders T. A. Dunn of Crosbyton and S. L. Rives of Abilene.

Services will be held the first Saturday evening and Sunday morning of each month, and on each Sunday evening, it was announced.

Here 'n There

Firemen rushed to the Wooten Grocery siding at W. 1st and Gregg street at 9:35 a. m. Monday when a box car was reported on fire. However, they found only a large quantity of papers was being burned nearby.

Lucille Elder and Daisy Mae McCann, negroes, entered pleas of guilty in city court Monday to charges of petty theft arising out of a shoplifting complaint. They were fined \$15 each.

The local ration office was closed until noon Monday while clerks made month end inventory reports to send to the state office.

Dunham Sells His Cafe To Collum

Grover C. Dunham, cafe operator here for the past 14 years, Monday announced the sale of his Club Cafe to Dewey Collum, Odessa, also a veteran of the cafe business.

Collum, who had been at Odessa for a year and prior to that time in Midland for 10 years, took active charge of the business here Monday. He said he planned to continue the round the clock schedule and other service policies maintained by Dunham for more than a decade. The Collums have two children, and the family is establishing its home here.

Dunham, mayor of the City of Big Spring and a member of the city commission for the past seven years, said he planned nothing until Jan. 1, 1944, when he will devote himself for the duration to development of a farm which he has acquired near here. He will continue to maintain his residence here.

He and Mrs. Dunham came here April 1, 1929 to take over the old Busy Bee cafe which he resold to L. L. Guley on Feb. 5, 1930. On October 8 of that year he took over the Horne cafe on Runnels street and operated it briefly. After hunting for a new location, he concluded Big Spring was still the best place for business, so he acquired the Club cafe on E. 8th street in January of 1932. After a year, he moved it one door west to its present location, opening Feb. 8, 1933.

Some of Dunham's original employees are still with the concern and others have been associated with the concern for several years. He expressed appreciation to them for loyalty, attributing to them a large measure of the success of the firm. He also voiced deep appreciation for patronage and urged its continuation.

Active always in civic affairs, Dunham has served as a chamber of commerce director, director in the West Texas Chamber of Commerce, and was a member of the school board before he resigned to accept appointment to the city commission. Since then, he has been elected to the office three times.

Tuesday Deadline On Tax Payments

Tax payers were reminded Monday that they have until Tuesday to pay taxes at the county office and receive three percent discount and until Monday evening to pay school taxes and receive the discount. City tax office officially closed its three percent discount period on midnight of Sunday, October 31st.

Payments sent in by mail will be accepted by the county if postmarked not later than midnight Tuesday and by the school if postmarked not later than midnight Monday. After these deadlines, discounts on city, county and school taxes will be two percent through November.

Bond Sales Here Total \$44,420

A total of \$44,420 in bonds were sold here during the month of October according to the Herald's unofficial poll of banks, post office and other issuing agencies. Apparently, Howard county had no good going October and no November goal has been announced as yet.

The October sales were among the lowest yet to be recorded in the county although the large September quota, during the Third Loan Drive was exceeded by the county.

BIBLE CLASS TEACHER

In announcing the appointment of Mrs. J. E. McCoy as teacher for the Bible class at the Big Spring high school, the Pastor's Association, at their Monday morning meeting, expressed appreciation to the Rev. J. E. Moore, pastor of the First Presbyterian church for his work in organizing and teaching the class until it became necessary to relinquish the position because of ill health.

These Questions may decide what laxative to give your child

Ques. Do children take more readily to a child's laxative? Ans. Yes, that's generally so. Ques. What's a "child's laxative"? Ans. A laxative like Syrup of Black-Draught, designed especially for a child's needs and tastes. Your children should like Syrup of Black-Draught. The big 5oz. bottle contains more than three times the old trial size. Caution, use only as directed. (adv).

Raymond Ely Dies Of Wounds

Word was received here this weekend by Mr. and Mrs. George Ely, Box 14, Route 2, Big Spring, of the death of their nephew, Sgt. Raymond L. Ely, 20 years old, in the Southwest Pacific area on October 8th.

Mr. and Mrs. Ely were notified by Sgt. Ely's parents, Mr. and Mrs. Sam Ely of Portland, Ore., former Big Spring residents.

Sgt. Ely was previously reported seriously wounded in action on October 5th and according to the war department succumbed as a result of his wounds three days later.

Sgt. Ely, who attended Big Spring high school, had been in the army over three years. He had been overseas since July. His parents were informed that a letter would follow containing more information of their son's death.

Interviews Held At Employment Office

Representatives from two firms were conducting pooled interviews at the US Employment Service office Monday for war workers.

L. M. Russell, representing National Tube Co. of Lorain, O., was to be at the office until 3 p. m. to contact all types of labor for war industry service. He made several interviews during the morning.

L. S. Morgan, representing Dow Chemical company, was to be at the office through Wednesday. He is seeking welders, machinists, operator trainees (beginners), painters and other types of laborers. In women's classifications he sought stenographers and nurses, all for employment at the company's plants at Freeport and Velasco. Morgan was able to assure those he interviewed of adequate housing facilities.

Deposits For Lockers Show Sharp Increase

Deposits for lockers in the Big Spring Locker Plant, construction of which is pending acquisition of priorities which hinge on securing of 401 advance rental payments, had jumped to 271 at noon Monday.

This left 130 more of the lockers to be rented before application could be made to the WFB for priorities for materials. Marvin Sewell, Big Spring meat dealer, plans to install 850-locker unit as quickly as possible. Annual rentals are being left at either bank or the chamber of commerce and are placed in escrow pending completion of the project.

Rotary To Sponsor Court Of Honor For Scouts Tuesday Eve

A total of 103 awards are on tap for the Rotary club sponsored Boy Scout Court of Honor scheduled for 8 p. m. Tuesday in the high school auditorium.

Pete Fuglaar and Jerry Manell, members of the Rotary troop No. 1, will receive their Eagle award, highest in scouting.

Rotarians to have a part on the program are A. V. Karcher, A. S. Darby, James Walker, Roy Cornelison, Charles White, Bruce Frazier, E. B. McCormick and Pat Kenney, chairman.

WAR PRISONERS ESCAPE

WINNIPEG, Nov. 1 (AP)—Twelve German prisoners of war escaped yesterday from a prison camp in Riding Mountain National Park, 240 miles northwest of Winnipeg, the city police short-wave station said today.

WOMAN IN THE WAR

Edel Brett, who works in a U. S. Navy yard, agrees with the men in the Navy who have made Camel their favorite. "Camels have a grand flavor, and they don't get my throat," she says.

CAMELS GIVE ME JUST WHAT I WANT—A Milder SMOKE THAT ALWAYS TASTES FRESH AND DELIGHTFUL

CHECK CAMELS WITH YOUR 'T-ZONE'

The "T-ZONE"—Taste and Throat—is the proving ground for cigarettes. Only your taste and throat can decide which cigarette tastes best to you... and how it affects your throat. Based on the experience of millions of smokers, we believe Camels will suit your "T-ZONE" to a "T". Prove it for yourself!

Weather Forecast
Dept. of Commerce Weather Bureau
