MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, APRIL 7, 1955 PRICE SEVEN CENTS

## Compromise Phone Rate Increase Gets Approval

TERMS have been reached on the telephone front after three months of wrangling Tuesday night between the General Telephone Company and the city council.

The General Telephone Company and the city council. The General won but not the decisive victory projected in the company's ambitious original application for rate increases amounting to as much as 60%.

Mayor W. L. McWilliams said the city granted the utility firm a rate increase amounting to approximately 19%.

"We had no alternative," the Mayor declared, "since the telephone company has the right to bring suit and raise the rates."

The council Tuesday night approved a motion to lop the 34 blocks of ribbon streets in Matador.

Things look gloomy on the canine front following the council's passage of an ordinance requiring all dogs to be vaccinated once each year.

Nine years of service as chairman on one committee, Tuesday netted Alvin Stearns a handsome plaque presented annually by the Matador Lions Club.

## Scholastics On Increase

Scholastics in Motley county are gaining according to information made available by Mrs. Colquet Warren, secretary of County Judge and Ex-Officio County Superintendent Vance H. Gilbreath.

Matador has 355 registered as compared with 328 last year (27 gain). Roaring Springs has 234 registered as compared with 213 last year (21 gain).

Mrs. Warren said, however, the figures are not a true picture of present school enrollment.

Parents and guardians are reminded that June 1 is the deadline for filing transfer applications from one district to another in the county.

A strict legal restriction governs the application and granting of transfers as it affects the apportionment of per capita payments.

## Four Women Called For Jury Service

Emancipation has come to women in Motley county. The fair (and weaker) sex is no longer forced to be a household slave.

In fact four women, Mrs. A. A. Harp, Mrs. J. P. Cooper, Mrs. Tom Spears and Mrs. Jim Dobbins, have been summoned for the District Court petit jury here April 14, at 10 a. m.

Two Negroes, R. C. Barrett and Sam Price, are on the same panel which includes Loyd Stafford, Foy Moore, Dale King, Bob Ham, Preston Spray, Jack Norman, E. A. Day, Billy Meyer, W. A. Matlock, Howard Rodgers, J. E. Monk, Clifford Martin, Gordie Washington, John C. Russell, L. B. Turner, Delmont Hays, L. Miller, Dean McInroe, D. M. Gilbert, J. P. Sturdivant, T. W. Bain, James Renfro, John Meason, R. E. Campbell, Jr., John Jones, George Gray, C. H. Matney and Alvin Stearns.

## Light Vote In City Election

Lightest municipal vote since the war, was registered here Tuesday in Matador city election. Only 35 votes were cast.

The three candidates were unopposed. One write-in vote was reported as being registered for Emmett Jenkins.

## Alvin Stearns Named as Outstanding Lion

Recipient for his "honor". D. I. W. Birnie, a club visitor, was presented with another plaque for his outstanding achievements in soil conservation practices on his ranch north west of Matador.

Boss Lion Randall Whitworth dedicated the opening song of the meeting to deceased member Lion Rev. Marvin Brotherton, one of his favorite hymns.

Lion club members and visitors paid tribute to Lion Brotherton in a minute of silent prayer, followed by a benediction by Lion R. E. Campbell.

## Attack Fatal To Rev. Brotherton

WEST TEXAS paid final tribute here yesterday afternoon to one of its most beloved citizens. Rev. Marvin G. Brotherton, 66, who had served the Methodist ministry for a third of a century, died at his home in West Matador about 10:15 Monday morning.

Funeral services were conducted by Rev. W. V. O'Kelly, local pastor. Scriptures were read from Matthew 26:36-46 by Dr. R. Luther Kirk, District Superintendent of the Plainview District, and prayer was offered by Dr. J. H. Crawford of Lamesa.

The church auditorium was filled to capacity by friends who traveled long distances to pay final tribute to his memory, and local residents, many of whom stood during the service.

Following Masonic graveside rites, interment was made in Matador East Mound cemetery. The service was under the direction of Eudy-Seale Funeral Home.

Passenger car registrations in Motley county have gained a substantial increase over a year ago according to Miss Rachel Patton, Deputy Clerk in the office of Sheriff and Tax Assessor John Stotts.

## Soil Group Election is Scheduled

Election has been set for April 16 by the Upper Pease Soil Conservation District, to name a supervisor for Subdistrict 2 who will fill the vacancy created by the resignation of James Taylor.

During a meeting of the soil group held here Tuesday Vice-Chairman Varner McWilliams acquainted two visiting ministers, Rev. W. V. O'Kelly of the Matador Methodist church and Rev. Horace Crowder of the CreeVee First Baptist church.

More than \$231 was reported as received during the district's drive for contributions to meet incidental expenses during the next fiscal year.

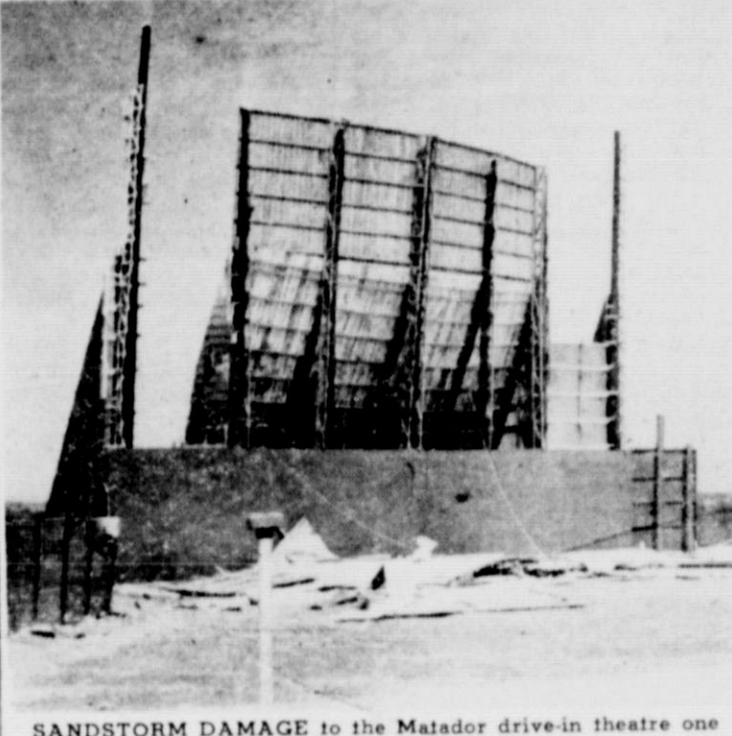

James "Pup" Price, local West Texas Utilities Company vice-man, is receiving more than usual attention around the Matador office this week.

## FLOMOT REVIVAL TO BEGIN SUNDAY

A revival meeting will begin Sunday, April 10, at the First Baptist Church, Flomot and will continue through the 17th, according to announcements by the pastor, Rev. A. L. Eubanks.

Mr. and Mrs. Nolan Fulkerson and family, Gerald and Nola Lee of Clovis, N. M., visited here Sunday in the home of her sister and husband, Mr. and Mrs. Douglas Meador.

Mr. and Mrs. J. M. Harper and children, Cris and Beverly of Lubbock, spent the week-end here visiting her mother, Mrs. R. P. Moore, and other relatives.

SANDSTORM DAMAGE to the Matador drive-in theatre one mile south of town is shown by the two above photos. The top picture shows the destruction of new "wide screen" extension which had recently been completed.

## Exhibitors Listed in Junior Stock Show

INTEREST in the annual Motley County Junior Livestock Show is growing rapidly according to County Agent Bill Pallmeyer, who this week compiled a list of the scheduled exhibitors.

Steer exhibitors from Matador are: Dixie Barton, Mike Barton, Jimmy Don Fields, Gary Lancaster, Jan Barton, Jack Luckett, Carter Luckett, Ros Bearden, James Bearden (2), Norma Cooper (2), Melvin Cooper (2).

In the swine division (barrows) the following exhibitors are scheduled: Roaring Springs: Jerry Green (2), George Smith and Lou Vaughn (2).

## Hospital Vets Encore 4-H Club Entertainers

Repeated encores from patients in Amarillo Veterans Hospital followed each performance Monday night when groups of entertainers from the Matador 4-H club presented a program.

The entertainment included music by the "Hep Cats", Mike Groves, Gerald Pipkin, Pat Seigler and Lee Smith, and square dancing by a team composed of Richard Hamilton, Patti Craven, Charles Renfro, Peggy Welling, Tom Hamilton, Kay Norman.

McCaghren and Christine Green the "Blue Notes", Kay Norman, Anne Lee, Frances McMahan and Charlene Waybourn, and the "Stardusters", Ronald Bailey, Harry Campbell, Lewis Fair, Lee Smith and Gerald Pipkin.

### Science and Your Health

#### Disease...the Soldier's Other Enemy

1 When Napoleon invaded Russia, typhus proved as deadly as enemy troops.

2 Typhoid fever took a greater toll than battle wounds in the Civil War!

3 Japanese and American forces fought malaria as well as each other in the Pacific jungles during World War II!

4 In Korea, dysentery was a major problem until an antibiotic knocked it out!

#### by Science Features

Disease has been a silent but deadly third party in all the wars of history, and Korea has been no exception. In that war-torn land both sides fought a score of diseases and the degree to which the diseases were overcome played a large role in the military picture. One of the most serious has been dysentery, a painful intestinal disease which is caused by both amoeba and bacteria. The threat of bacterial dysentery, the more dangerous of the two, is present whenever persons live in close association, such as soldiers in the field. Amoebic dysentery, on the other hand, is common at all times and in any population group exposed to unsanitary conditions. Even in the United States, it has been estimated that from five to ten per cent of the population is infected with this germ, although the symptoms of amoebic dysentery do not appear.

#### And Mamie Will "Egg Rolling"

WASHINGTON—The White House announced today President and Mrs. Eisenhower expect to make an appearance at the annual egg rolling on the White House grounds Easter Sunday.

The President and the First lady were out of town last year when the event was held.

This year's egg rolling will be held from 9 a. m. to 6 p. m. Admission to the grounds will be limited to children aged 12 or

younger and adults who accompany them.

The Army, Navy, Air Force, and Marine Bands will play during the day. No time was set for the President and Mrs. Eisenhower to greet their young guests. It is expected to be early in the day since Eisenhower presumably will be attending the opening game of the baseball season in the afternoon.

No other low-priced car even comes close to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motaramic Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on! Chevrolet's beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher! You see Body by Fisher on lots of the high-priced cars—and only Chevrolet has it in the low-price field!

Today's most modern engines! That goes for Chevrolet's new V8 and two new sixes as well. All bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry!

A drive to suit your driving! There's the silky, peppery Powerglide (even better this year!), new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

All the power helpers you want! Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. They're optional at extra-cost—and worth it!

Come take the key! There have never been so many good reasons why you should drive a Chevrolet!

Over Ten Million Chevrolet owners—Two Million more than any other car!

### COCO-NUT SQUARES

The warm weather now coaxes us all out doors. Perhaps you will meet new neighbors across the fence or just remeet old acquaintances. Why not invite the girls in for a gay chat or for cards. Put pretty flowers on the table and make these sweet party cakes in a jiffy with enriched yeast-raised bread iced with a lemon frosting and topped with snowy coconut.

### COCO-NUT SQUARES

Remove crusts from 18 thin slices of enriched yeast-raised bread. Spread 12 slices liberally with orange marmalade. Arrange in stacks of 2; top with a plain bread slice. Cut in half. Frost each little stack with Lemon Cream Cheese Frosting. Sprinkle liberally with coconut and a few coarsely chopped nuts. Chill.

### LEMON CREAM CHEESE FROSTING

2 tablespoons lemon juice 1 3-ounce package cream cheese  
2½ cups sifted confectioners' sugar

Sift the lemon juice into the cream cheese. Add sugar gradually, blending it well. Add a little more lemon juice or water if necessary for spreading consistency.

**FAMOUS TEXANS' RECIPES**

**"Fancy Dressing" Bows to Skill In Senator's Favorite Selection**

Daniel Price

Fort Worth—Now is an especially good time to try Mrs. Daniel's recipe, according to the Texas Beef Council, because cattle that have been fed on corn and other grain during the winter start to market in large numbers during March. Characteristics of the young, carefully fed beef cattle are juiciness, tenderness and flavor.

For six generous servings, select a five to six pound beef roast, rub it with salt and pepper, and slit it in eight places. Quarter two cloves of garlic and insert them in the slits.

Dredge the roast in flour and wrap it in foil, air tight to prevent shrinkage and insure that the natural juices stay inside.

Roast the beef in a constant 325° oven until the desired degree of doneness is reached.

"We like ours well done," Mrs. Daniel says, "so I cook it 30 minutes per pound." However, rare roast beef requires only 18 to 20 minutes per pound and medium doneness can be obtained by roasting it 22 to 25 minutes per pound.

"For added crispness which my family likes, I remove the foil and brown the roast 30 minutes before serving," she concludes.

Mrs. Minnie Simpson of Salem, Arizona is visiting Mr. and Mrs. Claud McDonald and Mr. B. F. Simpson.

**THE STATE OF TEXAS**

To any Sheriff or any Constable within the State of Texas—GREETINGS:

You are hereby commanded to cause to be published once each week for four consecutive weeks the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Motley County, Texas, the accompanying citation, of which the herein below following is a true copy.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS

TO: The Unknown stockholders of Floyd County Lumber Company, a defunct Corporation Defendants, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Motley County at the Court-house thereof, in Matador, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 16th day of May A. D. 1955, to Plaintiff's Petition filed in said court, on the 29th day of March A. D. 1955, in this cause, numbered 1460 on the docket of said court and styled M. S. Thacker, Plaintiff vs. The Unknown Stockholders of Floyd County Lumber Company, a defunct Corporation, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

Being a suit in trespass to try title to Lots Nos. 6 and 7 in Block 23, Town of Roaring Springs, Motley County, Texas, as shown by the plat of said town recorded in Book 7, page 352, of the Deed Records of Motley County, Texas, said suit being to try title as well as for damages, plaintiff's petition alleging that he was in lawful possession of said premises on or about March 1, 1955, claiming a fee simple title to same, that on said date the defendants unlawfully entered said premises and ejected plaintiff therefrom and unlawfully withheld possession thereof from plaintiff, that the nature of defendants' claim to said premises is unknown to plaintiff, and specially pleading

the five year and ten year statutes of limitation against any claim of defendants to said premises, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Matador, Texas, this 29th day of March A. D. 1955.

Attest: Pat Sheridan, Clerk, District Court Motley County, Texas.

wood were appointed. Approximately thirty members and their guests were entertained and were served refreshments of Cokes, cookies, potato chips and olives.

## Subjects For Research Themes

The students of M. H. S. are writing research themes in English. The purpose of the themes is to help organize their thinking and teach them research work.

Each class is writing on different subjects. The freshmen are writing on general science, the sophomore subjects are Home Economics and Vocational Agriculture, the juniors subject is history, and the seniors are writing on their future occupations.

The themes are to be one thousand words long and are due April 8th.

## BASEBALL TEAMS ARE ORGANIZED

A softball team and a hardball team have been organized at M. H. S. The turnout was very good and the teams look satisfactory.

The boys who will be on the hardball team are: Kenneth Baker, Gary Crump, Arvin Ellithorpe, Dayton Graham, Donald Green, Pat Green, Tom Hamilton, Richard Hamilton, Clinton Holman, Shelby Jackson, Dean Martin, Jimmy Martin, Stanley McDonough, Johnny McNeely, C. H. Murphy, Stanley Neighbors, W. E. Russell, Roger Scaff, Ronnie Steen, A. B. Simpson and Jimmy Watson.

The same boys are playing softball, with the addition of Charles Renfro, Clay Jameson.

## Featherweight Photography

Photography is the newest field conquered by feminine taste, which demands cameras be lighter, more snuggly styled, and easier to use than ever before. Miss Margie Zuppar proves to herself that the newest camera on the market to meet ladies' requirements—the Argus A-4—weighs no more than a few common handbag items—a compact, lighter, cigarettes, lipstick, and comb. Both weigh just 12 ounces. To accomplish this end and insure smart, modern styling, Argus engaged famous Harley Earl Corporation to design the Argus A-4.

Franklin Thrasher, Bill Fish, Gregory Smauley and Joe Fair. Their first game will be on April 22, with Turkey.

## Home Ec. Girls Begin Cooking

The freshmen, juniors and sophomores are cooking and studying daily requirements of foods in their Home Ec. classes now.

Each class has an allowance to spend according to the number of girls. They have to figure closely to stay within the amount required. The juniors are allowed \$2.75, sophomores \$3; while the freshmen are allowed \$3.25.

Each class has cooked two meals, except the juniors, who have cooked only one. Almost every meal is made up of meat, salad, dessert, hot breads and tea. There is a chairman for each class who plans the menu and assigns the girls for dishwashing and cleaning the kitchen after each meal.

When the freshmen girls get brave enough, they plan to invite their mothers to eat with them.

The Manuela returned home Sunday night, with the exception of Tommy, who will be stationed at Camp LeJeune, N. C.

## Farm Exports Up Over Last Year

COLLEGE STATION, April 7.—U. S. farm exports were 15 percent higher for the period to February compared with the same period 12 months earlier.

This country's farm shipments for the first eight months of the current fiscal year are estimated at about \$2.2 billion against \$1.9 billion for the July-August period of 1953-54, reports G. McHaney, extension farm economist.

This is the second straight year that farm exports have exceeded the previous year.

Grain and feeds were the major commodity groups below the previous year's level. The other major groups—tobacco, vegetable fats and livestock and livestock products—were all ahead. Major gains for individual commodities were made by cottonseed oil, flaxseed and lard.

Among the grains, larger shipments of wheat flour, barley and grain sorghums offset part of the losses in rice and corn. The economist says.

Here's why  
 MORE PEOPLE  
 ARE BUYING  
 PONTIAC  
 than ever before!

1. You can buy a big, 200-H.P. Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

2. Only Pontiac gives you luxury-car size plus the sensational Strato-Streak V-8!

Biggest car at its price (122" and 124" wheelbases) • Most powerful car at its price • Only car at any price with distinctive Vaguo Two-Tone Styling and the riding and driving ease of the Shock-proof Chassis.

You don't have to look far to find the reason for the tremendous surge to Pontiac. No further than the fact that only Pontiac produces cars that compete with the costliest in size, smartness and power, yet carry a price tag that is well under many in the lowest-price field.

That's what brings people in to see and drive a Pontiac—a value story they simply can't afford to overlook. And once they do—once they get a close-up of America's most distinctive styling... once they sample the superlative roominess and comfort of

Pontiac's luxury interiors... once they try the pulse-racing thrills of exclusive Strato-Streak V-8 performance—they lose interest in every car but this.

Come in and get the rest of the story. See, drive and price this high-powered future-fashioned beauty. You'll find that if you can afford any new car you can easily afford a Pontiac.

### Moisture Needed Kill Mesquite

COLLEGE STATION, April 4 (AP)—Rain is needed in the Texas mesquite country this spring to give good kills of mesquite in post oak and blackjack areas for a high percentage kill. Without proper soil moisture the use of aerial sprays may be disappointing, says A. H. Walker, extension range specialist, saying that large kills also rest heavily upon timeliness of application. Spray mesquite when plants are in full-leaf, usually 30 to 80 days after leaves appear in the spring, he explains. Walker recommends use of 2.4, 5-T or silvex, at rates of one-half to two-thirds of a pound in one gallon of diesel oil and three gallons of water to an acre. For control of post oak and blackjack, sprays of one and one-half to two pounds of 2,4,5-T or silvex in three gallons of water and one gallon diesel oil are recommended. Additional treatment one to two years later may be necessary to kill back sprouts. Aerial herbicidal sprays usually are the cheapest form of mesquite and oak control. But where brush is gone the job is done, Walker says. If permanent benefits of brush control are to be realized, deferred grazing and proper stocking of livestock is essential. More information on the chemical control of hardwoods is contained in bulletins L-127 revised "Chemical Control of Mesquite" and C-330 "More Grass From Controlling Hardwoods." These publications are available from the offices of county agricultural agents.

### RETURN HOME

### TO QUANAH

Visiting at the bedside of Mrs. Ruby Beauchamp in Quanah Memorial Hospital Sunday were her son, Norman, her father, J. W. Stafford, and a brother, Loyd Stafford and his daughter, Shirley of Roaring Springs. Mrs. J. E. Jameson accompanied Mr. and Mrs. Loyd Stafford and Norman, to visit her last Thursday, following her surgery.

### Point Won

At any rate, the Governor won his point on the bill regulating securities. As the legislature headed for what looked like its worst jam in the final month of session, he made a firm request that the House adopt a Senate bill regulating securities, particularly bringing certain trust company stocks under state supervision.

### Land Case

Bascom Giles' legal troubles mounted when a group of San Antonio GIs filed a civil recovery suit in 53rd District Court. Asking \$33,000 judgement against Giles, the veterans charged that he made that much in "personal profit" out of a veterans land deal.

Cross filing in political races is out as the result of a bill passed by both houses and signed by the Governor.

Sheppard referred to 13 bills dealing with full public disclosure of public records and funds. All are pending in the House of Representatives.

TEXAS PRESS ASSOCIATION By VERN SANFORD

AUSTIN—Two big proposals for the state's water conservation program won in the Senate. One is Sen. Dorsey Hardeeman's \$100 million state bond issue for aid to local projects. It calls for a constitutional amendment vote in September. The other is an enabling bill to start operations if and when the amendment is passed. House sponsors on this, and the Parish \$200 million bond bill to aid local projects have delayed calling for final action. They don't think they have enough votes.

## Worship together this week

We are well blessed. The doors of our churches and synagogues are wide open... waiting for us to enter. Set aside a time each week... a time your soul can call its own... a time apart from the "busyness" of living. You'll find more joy in each day, if you give some time each week to worship.

ministry in 1922 and began his career as a circuit rider from Canyon, riding horseback 60 miles to serve his churches. He later served a circuit from Floydada and then became minister of the Kirkland Methodist church. He served as minister at McCaskey, Silvertown, Thalia, then a Vernon circuit and was returned as minister of the Kirkland church. From there he went to the Shamrock circuit, then served as pastor of the Quilake church. He went to the Texoma church and from there came to Matador. He went to Rotan from here but remained only a short time after being stricken with a heart ailment. After retiring he returned here to make Matador his home for the remainder of his life.

### Compete In Contests

Matley County 4-H members were represented in two district 3 contests held in Wichita Falls on April 2nd.

The "Hep Cats" (Mike Groves, Gerald Pippin and Pat Seigler) placed 4th in a field of 10 in the "Share the Fun" contest and James Ray Smith of Roaring Springs placed 5th in the "Tractor Operators" contest. The group was accompanied to Wichita Falls by County Agent Bill Palmeyer and Alice Faye Martin, president of the Matador Club.

The Hep Cats were selected to represent the Matley County clubs by virtue of winning a talent show held recently at Flomot, and James Ray Smith was the winner of a tractor operators contest held at Roaring Springs on March 31st. He won over 5 other boys from Roaring Springs in a contest held during

the height of the 'duster' Thursday afternoon. The contest was supervised by O. L. Harris, Roaring Springs VA instructor and County Agent Palmeyer. Other contestants were Roy Mathis, Johnny Osborn, Sui Braselton, Melborn Dawson and Richard Stafford, all of Roaring Springs.

First place winners in the district contests will attend the 4-H Roundup at College Station on June 8, 9, 10th. Delegates from Matley County will be named at a later date as entries did not place first in the contests.
