61-NO. 8 MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, MAY 5, 1955 PRICE SEVEN CENTS

County School Leaders Joint Meeting Here

PROBLEMS in providing Motley county boys and with adequate education were considered here Friday in a joint meeting of teachers and members of four county school boards.

Superintendent Paul Sweatt of Roaring Springs served as chairman and after a preliminary session, assigned representatives of the various schools to a period of private discussions. The general meeting following the private discussions was brief, being devoted to answering 10 questions in a "Citizens' Advisory Conference Report" prepared by the Texas Research League.

Motley was one of the 36 counties surveyed by the Texas Research League in its study of the Gilmer-Aiken legislation. At the Friday night meeting held in the District Court room, Roaring Springs had 9 delegates, Matador 14, Flomot 6 and Northfield one.

A spokesman for Flomot said the school had no problem of reorganization. He said the group found the size of the school satisfactory and that the present arrangement is preferred to transporting students to a larger school.

A spokesman for Roaring Springs said his group felt that problems of school management and organization should be kept on a local basis. The Matador delegation suggested that the 1,000-student minimum unit as set up by the Research League was too large.

Entire scholastics of the county were estimated at about 800 including 34 in colored schools.

Interesting statistics brought out at the meeting included attendance records of students traveling the greatest distances by bus show to be much better than those who may live only a few blocks from the school.

School officials said about 33 per cent of scholastics now arrive by bus. Superintendent Bert Taylor of Matador said records show that between 60 and 70 per cent of senior class members start to college.

Application for watershed Cattle Watershed Refused By Board

Application for watershed assistance on Richard Creek in northwest Cottle county has been rejected by the State Board of Soil Conservation.

The rejection was disclosed Tuesday at the regular meeting of Upper Pease Soil Conservation District held in the Cottle county courthouse, and attended by a number of members and visitors from Motley county.

One of the meeting speakers was Motley County Agent Bill Palmeyer who explained the new Extension Service farm plan program.

Grass Clinic Held By AG Department

A grass clinic held in the vocational agriculture building at Roaring Springs, Tuesday night, was well attended by soil conservation officials of the area.

Orville Harris, Roaring Springs VA instructor was in charge.

A discussion of grass selection seed bed preparation, planting methods, available equipment and ACP assistance was given by J. C. Ebersole, agronomist with the Soil Conservation Service, James H. Priddy, local Work Unit Conservationist, Instructor Orville Harris, and Loyd Stafford of the local ASC county committee.

Mr. Ebersole placed emphasis on selecting the right grass to fit the soil where it is to be planted. He showed colored slides which were taken locally and in immediate areas around the rolling red plains area.

Slides made on the Guy Thacker farm at Roaring Springs, of field trial plantings of native grasses and Weeping Love grass on sandy land were shown, and also a seeding of Blue Panic on the A. D. Mosley farm at Flomot which was planted a year ago.

Mrs. John Russell has returned home from Ft. Worth, where she has been visiting her daughter and son-in-law, Mr. and Mrs. Bill Mantooth.

SENIOR PROGRAM WELL ATTENDED

Program held Monday night at the Legion building for members of county senior classes, was well attended. The affair sponsored by Fleming Post American Legion and Auxiliary included a ranch style barbecue supper, music by Mike Groves and Gerald Pipkin, a vocal solo by Mrs. Jo Van Meter and the principal address by Rev. Byers, pastor of Clarendon. Approximately 100 Legion members, Auxiliary members and visitors attended.

Vice-Commander A. L. Fair served as master of ceremonies. Guests were introduced by Post Adjutant Randall Whitworth. Invocation was by Rev. Byers, pastor of the First Baptist church of Clarendon and benediction was by Superintendent Paul Sweatt of Roaring Springs.

Soil Stewardship Is Defined From Pulpit

A DISCIPLE of the soil spoke from the pulpit of the Methodist church Sunday morning. He was O. F. Armstrong of Abilene, field planning engineer of the State Soil Conservation Board.

Introduced by Commissioner J. E. Taylor, Mr. Armstrong spoke frankly and with sincere devotion to his subject. "I have no message," he declared, "but I offer myself as a medium to bring you a message and I invoke your prayers that God may use me for that purpose."

PATTON SPRINGS FFA BOYS WIN SIGNAL HONORS

Signal honors were awarded Saturday to Patton Springs FFA boys in the livestock and land judging contests held at Texas Tech college. Winning first place in livestock judging were Doc Edwards, Valdee Goodwin, and Jimmy Legg working as a team. A total of 118 teams entered this competition.

Taking third place in the land judging contest were Clayton Thomas, Jerry Rainbolt and Horace Tom Hughes, operating as a team. A total of 50 teams entered this contest. Both teams were coached by Patton Springs Vocational Agriculture Teacher Odie Holly.

The teams also placed second in livestock judging and third in land judging in Area I and Area II. Area I is bounded north from Paducah to the Oklahoma border and west from Spur to the New Mexico border. Area II includes that section of West Texas from Abilene and Ballinger to El Paso.

The Patton Springs school also entered a dairy team which made a creditable showing. Team members were Morris Pruitt, Sam Lowrance and Jerry Stator. Pruitt placed third on Jersey cattle.

The livestock and land judging team won four banners and two individual ribbons. Edwards won 4th in hogs and Rainbolt won 4th individual high in land judging. The livestock team will represent Area I in state contest scheduled at AAM on May 14.

The Patton Springs school placed a poultry and dairy team for the state competition in 1954.

Gulf Station Goes To New Ownership

A deal was culminated last week whereby B. C. (Benny) Cox purchased the Gulf service station at the intersection of US Highway 70 and State Highway 70, from the former owner, Fred G. Simpson. The new owner assumed management this week.

Also associated in the transaction is a lease was negotiated between Charles Ray Cox and Simpson for Fred's Cafe, adjacent to the Gulf station. Young Cox, who previously operated Bob's Oil Well service station and Bob's Cook Shack cafe, assumed management Monday of the cafe.

COOK IT YOURSELF NEW SUPPER IDEA

A new idea in entertainment was staged by the Roaring Springs Junior and senior girls Friday evening, April 29, when they invited the junior and senior boys to a "Cook It Yourself" supper in the home economics room. Mrs. J. P. Cooper, home economics teacher, supervised the affair.

The new "fad" of aprons and dishpan hands were pleasingly new to the boys, and despite the "upset stomachs" everyone had plenty to eat and a good time.

COME TO CHURCH SUNDAY

Leading county and city officials were introduced and proper tribute was paid early sponsors of the important bridge several of whom are now deceased. State Highway Commissioner Marshall Formby of Plainview introduced E. H. Thornton, Jr., Chairman of the Texas State Highway Commission, who made the dedicatory address. He paid special tribute to officials of the counties in the area who pooled their farm-to-market road funds to provide financing for the expensive bridge. He said that but for the complete cooperation of every-

Canadian Bridge Links Final Gap In Hiway 70

FORMAL opening Friday of the new half-million dollar bridge across the Canadian River between Pampa and Perryton completed the final gap in State Highway 70, to make it one of the nation's most important north-south arteries. (State Highway 70 crosses US Highway 70 in Matador).

The long dreamed-of bridge was opened with appropriate ceremonies. A crowd estimated at 3,000 gathered on the north bank of the Canadian River before noon. Two present members of the State Highway Commission, two past members, county judges and commissioners of four counties (Gray, Roberts, Ochiltree and Donley), city officials and civic leaders from Texas and Oklahoma counties along the highway route, joined local residents of the area in the dedication. Amarillo civic leaders attended in a special chartered bus.

Ranchers of the bridge area provided 3,000 pounds of excellent barbecue. Everything was free to the visitors. The dedication program followed the barbecue. The Rev. Keith McCormick, pastor of the First Baptist Church of Perryton, formerly of Matador, offered the invocation. Music was provided by the Amarillo Air Force band. Music during the barbecue was provided by the Pampa junior high school band.

Leading county and city officials were introduced and proper tribute was paid early sponsors of the important bridge several of whom are now deceased. State Highway Commissioner Marshall Formby of Plainview introduced E. H. Thornton, Jr., Chairman of the Texas State Highway Commission, who made the dedicatory address. He paid special tribute to officials of the counties in the area who pooled their farm-to-market road funds to provide financing for the expensive bridge. He said that but for the complete cooperation of every-

He delivered an inspired sermon. One pioneer member of the church declared later that it was one of the greatest sermons he has ever heard. Mr. Armstrong spoke quietly and humbly. He said "I believe that only a Christian can be a true steward of the soil. I believe the earth is a vessel of storage and that God intended we should use it but to replace as much as we take from its treasures."

He explained the constant warfare of nature in the process of replenishing the soil and the process of rebuilding the good earth and the storage of sweet water.

He called attention to the term "good" as defined by the Bible and said the earth alone received the definition by the Creator of the Universe.

"I believe," Mr. Armstrong said, "that God called the earth good when He made it, and that He made man in His image for the sole purpose to praise Him for His work."

"When I pray," he declared, "I don't do all the talking—I give God a chance to answer. I listen."

Two Bible quotations in the church bulletin emphasized the subject. (continued on back page)

Local Scouts, Cubs To Participate In Plainview Circus

Approximately thirty boys, members of Matador Scout Troop 60 and Cub Pack 60, with their leaders Scoutmasters Algie Groves and Freddie Welling and Cubmaster James Price will go to Plainview Friday night, (May 6) to participate in the first Boy Scout Circus staged by the Haynes District.

The circus will be held at the football field in Plainview, and advance ticket sales indicate a capacity attendance. First order of 5,000 tickets were sold immediately, and an additional 13,000 ordered.

All scouts will be admitted free and will march in the grand entry. Matador Cubs will take part in "Adventures in History," while the Scout Troop members will enter the "Magic Carpet," "Games with a Purpose," "Indian Dancing" and "Camping and Pioneering" events.

Everyone is urged to see this magnificent show which will demonstrate the Scouting program of boys from 8 to 18 years of age. Admission will be 25c for children and 50c for adults.

Water Consumption Reaches Peak Here

Water consumption in Matador reached an all time peak for the month of April, according to Water Superintendent Lee Burns. He said records in previous years indicate average consumption for spring months, while the past month approached heavy midsummer demands.

Superintendent Burns said he does not contemplate any emergency here except in the event of some disaster which would reduce the present supply. He said he had made tests of the city's wells and they did not indicate any appreciable lowering of the usual water level.

John Barnhill, executive vice-president of the Peoples State Bank of Turkey, was a visitor in Matador, Wednesday.

Lions Hear Address On Driver Problems

Cowboy Is Injured When Horse Falls

Richard Stegall, employee of the Red Lake Cattle Company, suffered a crushed left foot last Thursday when the horse he was riding stumbled and fell. His foot was caught under the animal. The accident happened in the Beauchamp section about 6 miles east of town.

Stegall was conveyed to Lubbock Friday where he was treated at Methodist Hospital and his foot placed in a cast. His foot will have to remain in the cast for several months. Red Payne accompanied Mrs. Stegall to Lubbock, Monday to bring her husband home.

Two Patrolmen May Be Stationed Here

OPERATION of motor vehicles has become a grave moral and social problem and the solution is not in sight, according to District Safety Officer Clay Bednar, principal speaker Tuesday at the regular meeting of the Matador Lions Club.

Speaking concisely and with evident sincerity, the young officer told his alert listeners that the automobile is an instrument of culture and that because it is new, we have not accepted the responsibility for its control.

Sheriff John Stotts introduced the Texas Highway Patrolman as speaker in cooperation with the civic club's policy of featuring a program on traffic safety during each administration. Officer Bednar was eminently qualified for his assignment.

"If I took my service pistol, walked out into the street and emptied it in the air, you would call John Stotts", Officer Bednar said, "and tell him to arrest that fool with a gun in his hand. He would not put me in jail—he would put me under it—you would congratulate your sheriff, and he would deserve it. On the other hand if Joe Bloke drives his automobile at 40 miles an hour down Main street and the sheriff arrests him what would you say? You would say Joe is a good old boy—he was breaking the law but John should not have arrested him."

"I submit to you the public sanction of law violation. We have a case record of one automobile killing 35 people. It would be almost impossible to kill that many people with a pistol—possibly four to six at most. The operation of the motor vehicle is new and we fail to take into consideration the human element that driving must include."

More Officers Needed The young officer cited the 2,500 lives lost through motor accidents in Texas last year and the 35,000 lost in the nation. He cited the observance of driving regulations when a patrol car is in sight and the different attitude of the average driver when he is certain he is out of sight of police. (continued on back page)

Half Century Of Ministry Service Honored By Church

Fifty years in the ministry of the Methodist Church is being observed today by Rev. W. B. Vaughn, who was honored at a family night gathering at the Methodist Church last Thursday.

Rev. and Mrs. Vaughn were presented with a cake in commemoration of his anniversary in the ministry, with Judge G. E. Hamilton, pioneer layman of the church making the presentation. Guest speaker for the occasion was Rev. John Rakestraw pastor of the Methodist Church of Turkey, and another feature of the program was a reading by Ronnie Steen.

Rev. Vaughn was licensed to preach, May 5, 1905 at Bella, Texas. He served as pastor of various churches in the Central Texas Conference for 14 years, and was transferred to Northwest Texas Conference in 1924. He served as pastor at Chillicothe, Haskell, Spur, Perryton, Lockney, Mulshoe and Dalhart. He came to Matador in 1938 from Perryton, and served here four years.

Rev. and Mrs. Vaughn returned here in 1948 to make this their permanent home, and for the past several years he served as pastor at Roaring Springs and Afton. A heart condition has terminated his pulpit duties, although he is "up and about" and leading an otherwise active life.

F. F. A. To Be Hosts At Barbecue Friday

Matador F.F.A. Chapter will be hosts tomorrow (Friday) night at a first annual barbecue and Open House at 7:30 o'clock. Invitations were sent to parents and friends.

The affair will be held on the north side of the vocational agriculture department.

F.F.A. officers are, James Taylor, president; Tom Hamilton, vice-president; Stanley McDonough, secretary; Alvin Lynn, treasurer; Pat Groves, reporter and David Keith, sentinel.

RETURN HOME

Mr. and Mrs. James Priddy and daughter, Ann, returned home Monday evening from Groesbeck, where they attended funeral services last week for his father.

Heavy Rainfall In Teepee Creek Area

Heavy rainfall (as much as an estimated two and three inches) fell early Friday in the Teepee Creek area about ten miles east of Matador.

The narrow rain area extended into Cottle county east and as far north as Northfield where some sections reported as much as 1 1/2 inches. Only a light shower fell here. Some sections of the thirsty Panhandle reported good rains, but for the most part only traces fell. Rain is forecast for the Eastern South Plains area tonight and Friday.

Car Stolen While Owners At Jaycees Convention Affair

While Mr. and Mrs. Tom Melton of Odessa (she is the former Dorothy Nelson) were attending a Jaycees convention in San Antonio last week, they experienced the misfortune of their car being stolen while they were attending one of the social events. Having checked out of their hotel and packed their suitcases in the car trunk, preparatory to visiting in the home of friends during the week-end, they had the added anxiety of losing all their clothing.

The car was recovered early Sunday morning, with all their possessions intact, although an attempt had been made to cut into the trunk.

Highlights and Sidelights FROM YOUR CAPITOL

Contemplated too is freezing of the present natural gas production tax at 8 per cent—originally due to drop to 7 percent in 1958. It is estimated that the tax bill, as written, will produce \$25,000,000 a year in additional revenue for the general fund. That is \$5,000,000 short of the appropriation bill. So, there will have to be more levies, or the appropriation bill cut.

Veterans Land Bill
Both houses voted to submit a constitutional amendment to the people, in November of 1956, calling for an additional \$100,000,000 for the veterans land program. Replacement of the Governor and Attorney General as members of the Veterans Land Board, by two appointed members, is specified in the bill.

Governor Crawford Martin
You can call him Governor Martin now. Sen. Crawford C. Martin of Hillsboro became governor for a day. As President-Pro-Tem of the Senate, he became acting Governor when Governor Shivers went to Washington and Lt. Gov. Ben Ramsey conveniently absented himself across the Sabal River for a day.

Shivers Has 1,000 Guests
Governor and Mrs. Shivers were hosts to some 1,000 guests at a formal reception at the Mansion. The biennial affair, given for legislative members, state officials and their wives, was the big party of the week in Austin.

Labor Legislation
Three bills by Sen. George Parkhouse, all fought by organized labor, moved ahead in the House.

Board of Regents (State Teachers Colleges)
H. L. Mills of Houston; Miss Elizabeth Koch of San Antonio, and Henry Sears of Hereford.

Veterans Affairs Commission
Marcus Weems of West Columbia.

Dust Storm Disaster
Alarmed by dust storms, John C. White, Agriculture Commissioner, says "Much of the land in West Texas is in far worse shape now than at any time in history, including the dust bowl era of the 1930s."

LEGAL NOTICE
By order of the Commissioners' Court of Motley County, a sale will be held when the south part of lots 29, 30, 31 and 32 of block 118 in the City of Matador will be sold at public auction, May 9, 1955 at 2:30 p. m. in the Commissioners' court room of the Motley County Courthouse.

Another Parkhouse bill authorizes suits for injunctions and damages.

Workmen's Benefits
Benefits for workmen are designed to improve.

Passed by the House was a bill by Rep. Garth Bates, increasing the workmen's compensation rate from \$25 to \$35 a week.

A Senate bill by Parkhouse increases benefits under unemployment compensation from \$20 to \$25 a week, while restricting those who may receive jobless pay.

Governor Crawford Martin
You can call him Governor Martin now.

Oven-Barbecued Chicken

Preparing oven-barbecued chicken is real fun for Patricia Blake, Hollywood startlet who grew up in the Southwest where barbecues have long been a social custom.

Patricia makes a fine art of barbecuing chicken at home, excelling in each performance just as she does in a coming Warner Bros. production, "The McConnell Story."

People from coast to coast will share with her the pleasure of barbecuing chicken in May, for the nation's largest spring crop of broiler-fryer chickens in many years is expected to be marketed May 11-21.

Whether you barbecue chicken "Texas Style," as Patricia does back in Dallas or "a la U.S.A.," you will delight in using this barbecue sauce:

- 1/2 teaspoon pepper
- 1 teaspoon salt
- 1 medium onion, grated
- 1 teaspoon prepared mustard
- 2 teaspoons sugar
- 2 cans (6 oz) tomato sauce
- 1 cup vinegar
- 1 tablespoon Worcestershire sauce
- 1/4 cup cooking oil.

Blend dry ingredients in saucepan. Add remaining ingredients in order given. Mix thoroughly and heat to boiling. Makes about 1 quart. Barbecue 4 chickens outdoors and 3 indoors. Pour oven barbecuing, add 1 cup hot water to sauce and pour over chicken halves in baking pan. For barbecuing chicken, duck, goose, or turkey in any of the popular home-type rotisseries, use sauce without adding water.

COAST-TO-COAST BARBECUE SAUCE

to remedy the drought situation. Short Snorts: The Legislature made permanent 10 temporary district courts and created four more... Congressional and judicial restricting bills died in the session's log-jam... A constitutional amendment to let the state make retribution to persons who serve time in prison for crimes they don't commit passed both houses and will be voted on at the general election next year... Two House bills to tighten enforcement of narcotics laws passed the House and were favorably approved by the Senate criminal jurisprudence committee.

China ranks highest in world population with 450 million people.

FLOMOT NEWS

Mrs. A. L. Eubanks Correspondent Phone 3674, Turkey Line

Mr. and Mrs. Wendell Morris and daughter, Pam, accompanied Mr. and Mrs. Bud Morris to Portales, N. M. last Thursday to visit their relatives, Mr. and Mrs. Dick Washington and Mr. and Mrs. Junior Washington. The Wendell Morris family returned home Saturday and the Bud Morris continued to their home in Oakland, Calif.

Recent guests in the home of Mrs. M. C. Washington were Mr. and Mrs. Lawrence Washington and Edith Mae of Vigo Park; Mrs. Merel Washington and children of Spearman; Mr. and Mrs. P. H. Morris of Oakland, Calif.; and Mr. and Mrs. Wendell Morris and Pam.

Mrs. M. C. Washington attended the graveside services of her sister-in-law, Mrs. Lenora Jasper at Silverton, on Thursday. Rev. and Mrs. A. L. Eubanks visited in Brownwood from Thursday until Saturday with their daughter, Mrs. Jack Ormsby and family. They also visited Rev. and Mrs. P. A. Powell.

Mr. and Mrs. Charlie Birdwell of Levelland, visited her sister, Mrs. J. C. Franks and family, Friday night and Saturday.

Charles Whitaker, who has completed his Air Force basic military training at Lackland AF Base, San Antonio, is home for a ten-day leave before going to a new location. His parents, Mr. and Mrs. Earl Whitaker and children, Myra Nan and Jan, met Charles in Amarillo, Saturday and accompanied him home. Rev. A. L. Eubanks attended to business in Quitaque Tuesday. Chevrolet "Turbo-Fire V8"!

Punch-line to the year's hottest power story -
This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars. For example, in the recent NASCAR stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class — and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places — and six of the first ten — went to Chevrolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars — and every high-priced car except one! What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8". It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower — or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe! Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to every-one else on the road!

Combine your new Chevrolet purchase with your vacation plans! Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolet built, if you like, and drive your home. Chances are, you'll save a substantial share of your vacation travel costs!

IDA LOIS FARRIS, BRIDE-ELECT HONORED AT ANNOUNCEMENT TEA IN BURNETT HOME

The home of Mrs. J. L. Burnett of Teepee Flat was the scene of a lovely tea, Tuesday afternoon, May 3, announcing the engagement and approaching marriage of Ida Lois Farris, daughter of Mr. and Mrs. J. L. Farris of Teepee Flat to Billy Joe McMurry, son of Mr. and Mrs. W. B. McMurry of Dalhart, Texas.

Vows will be pledged June 26, in the Farris home with Rev. Ira Harrison, Baptist minister of Lubbock, officiating.

The bridegroom-elect will be released from the Navy on June 10, after four years in service.

Red roses were used with the bride-elect's chosen colors of blue and white, for decorations. The refreshment table was laid with a white hand-crocheted cloth over blue, and centered with a bowl of roses, flanked by white tapers in crystal holders. Crystal punch set and plates served the frosted cherry punch with blue iced chiffon cake trimmed in white roses, topped with

a miniature bridal couple. The table where guests were registered was centered with an album, opened at pictures of the engaged pair, encircled in lace and decorated with a blue bow. The table also held a bowl of red roses. Miss Sallie Joyce Hipp presided.

Hostesses for the occasion were Mrs. Burnett, Mrs. Corby Lee Marshall, Miss Gladys Holcomb and Miss Mavis Holcomb.

Guests were registered from Matador, Roaring Springs, Spur and Teepee Flat communities, and several from out-of-state: Mrs. M. B. Lumpkin of Missouri, Mrs. Mable Wood, Grinnell, Ia.; and Mrs. Adelaide Crawford, of Montezuma, Iowa.

Mr. and Mrs. George Birchfield and Mrs. R. A. Day visited in Silverton, Tuesday with Mrs. Day's daughter, Mrs. Ware Fogerson and family. Mrs. Fogerson was with Mrs. Day during the latter's recent hospitalization in Quahon.

Miss Virginia Ruth Russell (Herald-News Engraving)

PLAINVIEW WEDDING PLANS ANNOUNCED

Mrs. Deura A. Able is announcing the engagement and approaching marriage of her daughter, Virginia Ruth Russell, to Kenneth Wayne Dunning, son of Mr. and Mrs. W. D. Dunning of Matador.

The wedding will be solemnized in the chapel of the First Baptist Church, Plainview, May 14 at 6 p. m.

The prospective bridegroom was reared in Matador and is a graduate of Matador High School. An open invitation is extended his friends here, to attend the wedding.

June Wedding For Miss Kay Pounds

Mr. and Mrs. Marlin Pounds of Teague, formerly of Matador, have announced the engagement and approaching marriage of their daughter, Kay, to Theo Lofton, son of Mr. and Mrs. L. L. Lofton, Hillsboro.

Vows will be solemnized at 7:30 p. m. June 7 by M. Norville Young in the chapel of the Broadway Church of Christ.

Miss Pounds is a sophomore at Texas Tech, Lubbock. She has visited in Matador on a number of occasions and is the granddaughter of Joe Meador of this place.

Mr. Lofton is a senior at Tech and is a member of Delta Sigma Pi, the honorary business fraternity.

Miss Trixie Austin, Texas Tech student, Lubbock, spent last week-end here visiting her parents, Mr. and Mrs. John Austin.

To Present Pupils In Spring Recital

Mrs. G. E. Hamilton will present a group of her music pupils in a second spring recital Monday evening, May 9, at 8 o'clock in the high school auditorium. A first recital was held at her home Friday evening, April 29.

Twenty-two young people will participate in the program Monday evening and several numbers will feature sextette and quartette performances on two pianos.

The public is cordially invited to attend.

Chorus Opens Program

Choral singing of "Melody of Love" opened the Friday night program, with other selections given in the following order: "Idilio", piano, Kay Norman; "An April Girl", song, Glynda McWilliams; "Poet and Peasant", piano, Joanne Darsey; "The Sunshine of Your Smile", song, Frances McMahan; "Kiss of Spring", piano, Raynita Dunning; "When Day is Done", song, Gail McWilliams.

"Athalia", piano, Kay Norman; "Memories", violin duet, Gail and Glynda McWilliams, accompanied by Joanne Darsey; "Moon Over Madrid", piano, Glynda McWilliams; "Bermuda", song, Frances McMahan; "Hungarian Dance No. 7", piano, Gail McWilliams; "My Laddie", song, Raynita Dunning; "Deep Purple", piano, Gail McWilliams; "Indian Love Call", song, Frances McMahan; "Ballet", dance, Joanne Darsey; "Doll Dance", piano, Glynda McWilliams.

Refreshments of frosted lime punch and home-made cookies were served by the mothers of the pupils.

Study Club Visits Museum At Lubbock

The South Plains Museum located on the campus at Texas Technological College, Lubbock, was visited Sunday afternoon by members of the Eternas Study Club. Several husbands accompanied the women, and supper was enjoyed at Underwoods.

In the group were Messrs. and Mesdames Franklin Price, Ralph Jones, Bill Moss, Douglas Pitts, Jr., and E. A. Day and Dr. and Mrs. Earnest Densley, Mrs. Bill Seale and Mrs. Marvin Hunt.

A visit to the museum is also slated by El Progresso Club for their next meeting Thursday, May 12.

Baptist WMU Circles Meet With Members

Circles of the Baptist W. M. U. met this week in homes of members. Burleson Circle met Monday at 3:30 p. m. in the home of Mrs. Ben Keltz, for a Bible study taught by Miss Amy Glenn. Others present were Mesdames C. P. Waybourn, F. B. Henderson, Leonora Luckett, T. J. Darsey, R. E. Campbell, Sr. and T. E. Long. Refreshments of punch and cake were served.

Ten members were present at a meeting of the Dorcas Circle held in the home of Mrs. E. F. Springer, Monday at 3:30. They were Mesdames J. P. Neighbors, T. E. Cammack, Alfred Barton, J. R. Berryman, A. A. Harp, A. B. Fulkerson, Louis Poteet and Bertha Garrison, and Miss Maggie Bryan. A Bible study was conducted by Mrs. Springer.

Only two members, Mrs. Jessie Smallwood and Mrs. George Cullen reported for Business Women's Circle, meeting in the home of Mrs. Velma Fulfer Tuesday evening at 8 o'clock.

Bible study for Henrietta Shuck circle, meeting Wednesday morning in the home of Mrs. Harold Campbell, was taught by Mrs. Edgar Lee. Others present were Mesdames J. L. Woodruff, Jack Simpson, Bill Dunning and C. M. Barton, Jr. and two children, Jim Bob Dalley and Max Barton.

Pied Pinions

BY MRS. J. M.

Well, we literally brought home the bacon Saturday when our name was drawn at the last hour during the Spot Cash Grocery anniversary celebration. Since we never win prizes or such, it was quite an exciting experience. Just like Christmas, putting up all those packages of groceries! And with three cans of biscuits, Mr. M. can't go around telling people now, that he doesn't remember what a biscuit looks like.

Other lucky families who drew groceries were the Hub Swaringens, Alfred Bartons, Sr., H. M. Murphys, Marion Norris, J. W. Halls, James (Doc) Taylors and Edna Terry.

This and That: A man's wedding band was brought to the Tribune several months ago... it was found during the football season last fall, but we don't remember whether on the football

field, or elsewhere in town. Don't even remember who brought it in, but if an owner wants to claim it, it's still here.

National Baby Week and Family Week this year will terminate with Mother's Day next Sunday! Sort of significant it would seem.

When Rev. W. B. Vaughn, who is observing his 50th year in the Methodist ministry, was pastor at Spur, back in 1929, a young Matador couple was waiting on his door-step one April Sunday morning after church. They wanted him to perform their

marriage ceremony. Later when Brother Vaughn came here, pastor, he became well acquainted with the couple as Bill and Judine (Watson) McCaghen.

The Watsons lived across the street from the late Mrs. B. Moore, where we were staying and the Tipton-Meador and Watson-McCaghen courting. We were in on about the same time, though they beat us to the license bureau by a couple months, they couldn't announce their marriage until school was out, since Judine was graduated and there was a law then, which prohibited married women from continuing in school.

ANNUAL DEDICATED TO COACH HOPKINS

The 1955 La Arena arrived Thursday, April 28.
 During the "Sadie Hawkins" chapel program, Tom Hamilton, editor of the La Arena, presented Coach Hopkins with an annual. He read aloud the dedication to the audience which read "because of his outstanding record as a Coach and especially because of his clean life, his sportsmanship both on and off the football field, and the example he has set for the people of Matador in how to win and lose in the game of Life as well as Football. Coach, may we say, good luck in everything you do and may the GOODNESS OF GOD FOLLOW YOU ALL THE DAYS OF YOUR LIFE."
 Everyone was surprised and could not have been more pleased with anyone else. Coach was also surprised and very happy.

Seniors Plan Trip To Cool Colorado

The 1954-55 Seniors of Matador High School plan to leave on their annual senior trip to Colorado Springs, Colorado, May 12, and will return Sunday, May 15.

Those planning to go on the trip are: David Keith, Dean Martin, C. H. Murphy, James Taylor, Kenneth Baker, Janey Norman and Dorothy McMahon. The group will be accompanied by their sponsor, Mr. O. B. Stamper, and parents: Mr. and Mrs. L. O. Martin, Mr. and Mrs. J. E. (Doc) Taylor, Mr. and Mrs. C. H. Murphy and Mr. and Mrs. Jack Norman.

Tom Hamilton, Joe Fair and Jimmy Watson plan to be at Texas A&M at this time, taking tests for scholarships.

Sadie Hawkins Day Celebrated

Thursday was a busy day for the M.H.S. students. It was the annual Sadie Hawkins Day, which was sponsored by the student council. Most of the students were dressed as one of the "Dog Patch" characters.

Winners of the most "Dog Patch" looking characters were Donald Green and Barbara Waybourn.

After the chapel program, a race was held on the football field. The girls chased the boys and escorted the ones captured to a party held that night in the American Legion building.

The party was given by the mothers and was decorated in "Dog Patch" style.

School Favorites Are Announced

In assembly Thursday, April 28, the most beautiful girl, most handsome boy, and most popular boy and girl were announced.

We were all pleased to find that Christine Green, daughter of Mr. and Mrs. J. C. Green, Jr., had been selected as the most beautiful girl, and C. H. Murphy, Sr. of Whiteflat had been chosen as the most handsome boy.

The most popular girl was Barbara Waybourn, daughter of Mr. and Mrs. Gerald Waybourn, and James Taylor, son of Mr. and Mrs. J. E. (Doc) Taylor, was selected as the most popular boy.

They were elected by the student body of M.H.S. and kept secret until the "La Arena" was distributed to the students.

Lettermen Are Awarded Jackets

The basketball girls of Matador High school received their jackets Thursday, April 21st. They are a pretty color of grey and red with a reversible side of black and red.

Those receiving jackets were as follows: Dorothy McMahon, Janey Norman, Raynita Dunning, Lucretia Edwards, Bette Neighbors, Pina Sturdivant, Kay Norman, Joanne Darsey, Alice Martin, Anne Lee, Joyce Lynn, Frances McMahon, Frances Lancaster, Martha Cooper and "Cissie" Waybourn.

Girls Basketball Workout Begins

The future M.H.S. girls basketball team has started their spring training. The group plans to work out about three weeks.

Those coming out for basketball are as follows: Juniors: Lucretia Edwards, Pina Sturdivant, Sophomores: Raynita Dunning, Joanne Darsey, Bette Neighbors, Freshmen: Frances Lancaster, Kay Norman, "Cissie" Waybourn, Frances McMahon, Martha Cooper, Joyce Lynn; Eighth graders: Peggy Welling, Patti Craven, Ray Davis, Karan Webb, Darlene Waiding, Linda Matthews, Nelda Lipham and Charlotte Campbell.

The girls will be coached by Mr. Bert Ezzell and Mrs. Beth Martin.

Track Boys To Austin Meet

Three boys will leave for Austin, Thursday, May 5, to compete in the State track meet. The boys are sophomore Garland Cartwright, son of Mrs. Pearl Cartwright, sophomore Arvin Ellithorp, son of Mr. and Mrs. Herman Ellithorp, and senior Tom Hamilton, son of Mr. and Mrs. John Hamilton.

Events in which these boys will enter are: Cartwright, shot put, discus and high jump; Ellithorp, shot put, discus and 100 yard dash, and Hamilton, broad jump and 140 yard dash.

The boys will leave Matador, Thursday and will return Saturday. They will be accompanied by Coach Ray Hopkins.

Matadors Drop Two Opponents

The Matador Matadors won both of their games over the Quitaque Panthers and the Turkey Turks.

The Quitaque Panthers, who the Matadors played Tuesday, April 26, were beaten by a score of 11-0. On Thursday, April 28, the Matador Matadors dropped the Turkey Turks by a winning score of 12-4.

The line-ups for both of these games were as follows: C. H. Murphy, pitcher; Roger Scaff, third base; Jimmy Watson, second base; Stanley McDonough, first base; Tom Hamilton, left field; Arvin Ellithorp, catcher; Richard Hamilton, center field; Pat Green, shortstop and Shelby Jackson, right field.

The student council met Friday, April 22, and decided to sponsor a Twirp Week and a Sadie Hawkins Day if the students of M.H.S. wanted it. The motion carried and the Twirp Week began Monday, April 25, and continued through Friday.

During Twirp Week, the girls ask for dates, provide transportation, and foot the bill. If a girl does not drive, she provides the gasoline for her date's car. The girls also had to buy license at ten cents each in order to date a M.H.S. boy. The student council members fined them a dime if they were caught with a date and did not have their license.

4-H Rifle Club Plans Discussed

The 7th and 8th grade 4-H Club met in the grade school projection room Monday, May 2 at 2:15.

Plans for a 4-H Rifle Club were discussed and slides were shown, to the 37 members present, on "Making a 4-H Record Book".

This will be the last 4-H meeting during school.—Charlotte Campbell, reporter.

White Defends Farmers In Their Care of Land

by John C. White, Commissioner Texas Dept. of Agriculture

One of the great injustices against Texas farmers is the wide-spread theory that present "dust bowl" conditions on the Plains is the result of poor farming practices.

In a few cases, this is true. But during my recent tour of West Texas, I found that only a small proportion of the land was blowing due to deliberate or unthinking misuse.

Some of the plains country should never have been touched by the plow. Eventually this land must be put back to pastureland. Even land which has had the best of care is bound to suffer some damage from wind erosion during prolonged dry spells.

Yet most of the soil is shifting in West Texas because the farmer doesn't have enough money to practice those measures which would prevent it.

One of the immediate steps the federal and state governments should take in the Texas drought disaster area is the setting up of a realistic long-term loan program. It takes money to practice soil conservation. It also takes plenty of money to survive four to five consecutive years of almost complete crop failure.

Unintentional neglect of the land is bound to result. The federal government does have a loan program in operation under the F.H.A. But farmers everywhere tell the same story. The requirements are so strict that few can qualify.

Those few who do qualify for loans soon find it is not an "emergency loan" program at all. There is little difference, if any, between what is offered by the government and what can be had at the local bank.

The emergency loan program of the U. S. Department of Agriculture was originally set up to offer money at a low interest rate of 3 percent. Three months ago—without making it a matter of public record—the government increased the interest to 5 percent, completely disqualifying the program as an emergency measure.

Our Texas banks have performed a real service to drought stricken farmers. But banks can carry the load only so far—and many of them have already reached those limits.

In my discussions with Texas farmers, the feeling is that a government loan is needed to clear up 12-month notes at the bank. It is a matter of record, from 20 years experience in F. H. A. loans, that the government cannot make a better investment than lending to farmers. These loans are paid back with interest.

When the time comes that a government loan means the difference between staying on the land or starving, the farmer out, then these loans are an investment in the future security of our farm economy. That time is now!!!!

Local Items

Miss Virginia Estes returned to Memphis, Saturday, after a visit here with her sisters, Mesdames Bill Pipkin, W. F. Jacobs, R. E. Campbell, Jr., and Robert Darsey. She left from there this week for Fountain, Colo., where she will join her parents, Mr. and Mrs. Bert Estes.

Mr. and Mrs. Henry Ward and family of Clovis, N. M., and Mr. and Mrs. Jimmie Stewart and daughter, Debra of Spur, were week-end visitors in the home of Mr. Ward's mother, Mrs. Joe Meador and Mr. Meador.

Mrs. Minnie Hines is visiting in Carlsbad, N. M. with her son,

E. J. Hines and family. Hines and his son, John, were here Thursday and Mrs. Hines accompanied them home Friday.

LIONS HEAR . . .

(continued from page one)
 "We have 475 State Highway Patrolmen," Officer Bednar declared, "and we need 1,200. The reason we don't have 1,200 is because you and I don't want them. We need more positive instead of negative thinking with regard to our moral and social problem."

He said driver education in our schools have done much to solve driving problems since the plan was started in 1946. He said traffic must have supervi-

sion and that the state is going to have more patrolmen. He said it is probable that two patrolmen will be stationed in Matador as soon as funds are available through the recent increase to \$2 in driver license fees.

Officer Bednar said we expect our children to drive better than we drive, after setting regular examples of reckless and unlawful operation of motor vehicles. "Youngsters must operate automobiles better than we do before there can be an improvement," he said and concluded, "it is not a problem for a traffic expert. We must consider driving more than being within the law. Enforcement of regulations is the hardest job in the world. . . we must consider driving a motor vehicle properly as applied Christianity."

Two New Members
 Two new members were welcomed into the club, both by transfer, at the Tuesday meeting. They were Ben Alexander (engineer at Leon Ice Company) and Nolan Barmore (new manager of Farmers Coop Gin). Visitors included Mrs. Douglas Meador and Glen Brotherton. Lions and visitors paid tribute to the Methodist ladies in the preparation and serving of an excellent fried chicken luncheon.

SCOUTS TAKE . . .

(continued from page one)
 scored 250 out of 250 points in General Camping, and 230.30 out of 250 points on Demonstrations, bringing their total to 877.35 to earn the President's Award and the Camporal blue ribbon for proficiency.

Scouts in the Fox Patrol who made the trip included Sherril Rigby, Guy Campbell, Robin Darsey, Jimmie and Stanley Welling, Manuel Nichols, Lewis Fair and Pat and Mike Groves. The Panther Patrol included Hal Dean Hines, Larry Hoyle, Thomas Edwards, Bobby Cross, Ronald Bailey, Bundy Campbell, Harry Campbell, Clinton Burns, and Harry Hamilton. They were accompanied by Scoutmasters Groves and Welling, and Lions representative, Douglas Pitts, Jr.

SOIL STEWARDSHIP . . .

(continued from page one)
 "And the Lord God took the man and put him into the Garden of Eden to dress it and keep it. Gen. 2:15." "Many shepherds have destroyed my vineyard; they have trodden my portion underfoot, and being desolate it mourneth unto me; the whole land is made desolate because no man layeth it to his heart"—Jer. 12:11, 10.
 Mr. Armstrong had previously spoken here to the Matador Lions Club and to other organizations in the county during Soil Conservation Week. His powerful, dynamic sermons are winning for him an increasing and appreciative audience. He is scheduled to speak in Matador again, Sunday, May 22, at the First Baptist church, during the morning service.

CANADIAN BRIDGE . . .

(continued from page one)
 one in the four-county area. It would have been impossible to complete the construction of the bridge and modern new paving connecting Pampa and Perryton at the present time. He paid tribute to the early county and city officials who had spent much time, money and efforts in trips to Austin in effort to secure the building of the bridge.
 Four delegates from Matador, Commissioner J. E. (Doc) Taylor, Mayor W. L. McWilliams, Henry Pipkin and Douglas Meador attended the dedication program. Almost every town and community along the highway route was represented.

NORTHFIELD NEWS

Mrs. Charley Lane, Cor.

Mr. and Mrs. J. D. Elliott and children, Mr. and Mrs. R. C. Elliott, Jr., and children, Mr. and Mrs. J. L. Bell and Rev. and Mrs. Coy Finley were guests of Mr. and Mrs. Rush Timmons, Sunday.
