## around Muleshoe

Mr. and Mrs. Bucky Adams and sons, Jason Scott and James Todd, of Odessa spent Wednesday night in the home of their aunt, Mr. and Mrs. Bob Hardaway.

Other visitors in the Hardaway home Wednesday night included Adams' grandmother, Mrs. Mary Johnson; uncle, Mr. and Mrs. Jim Johnson and family and aunt, Mr. and Mrs. J.C. Odom.

Betty Harbin Little, daughter of Mr. and Mrs. Joe Harbin, was one of 106 graduating students to receive Doctor of Jurisprudence degrees from Texas Tech University School of Law this spring.

The Senior Citizens from the First Assembly of God Church went on a bus trip to Clovis, N.M., to the park and zoo. They were then taken to Oasis State Park.

Those attending the trip were Mr. and Mrs. Tom Watson, Mr. and Mrs. Van Vandiver, Mr. and Mrs. Bill Lambert, Rev. Gene Davis, and Rev. and Mrs. Joe Stone.

## PEACE Justice Report

During the past week in the office of Peace Justice K.B. Martin, a number of fines were paid. Leading the list was a total of 22 speeding tickets; four over allowed weight; two drunk; two for running stop sign; two for no motor vehicle inspection sticker and one each for no motorcycle driver's license; disturbance; and assault.

## Commissioners Agenda Light This Month

Bailey County Commissioners found a light agenda for their all-day session on Friday, July 1.

After paying routine bills, commissioners approved a request by Bailey County Electric Cooperative to bury lines along the right of way. They also approved a request to move securities to Muleshoe from a bank in Dallas.

Bailey County Judge Glen Williams explained that construction on the Bailey County Agricultural and Civic Center is expected to get underway within two weeks, and will be completed on schedule in November.

## Police Report

Two offense reports were made in the Bailey County Law Enforcement Center during this week.

Jane Floyd reported a missing jewelry box, which included a Muleshoe High School class ring with initials "GWS" and a Lazbuddie High School class ring with the initials "MJW". Also in the box were a ladies' Timex wristwatch with red band, necklaces and assorted jewelry.

Mrs. John Wardrip reported a missing bicycle, which was later recovered and returned to the owners.

One arrest was made and a Lubbock man paid a fine on a drunk charge.

PAINTING THE JAIL...These aren't prisoners, but this is the county jail. Deputy Sheriffs Tom Beal, kneeling, and James Williams, background, are two of the four deputies who spent a part of this week renovating the Bailey County jail. The new coat of paint included the walls and the bars. The floor is to be painted in a few days.

## Electric Cooperative Awarded Scholarship

A spokesman for Bailey County Electric Cooperative Association and Five Area Telephone Cooperative, Inc., said they are proud to announce the winners of college scholarships given each year. The scholarships are in the amount of \$400 and are presented to deserving graduates from the high schools in their service area whose families are members and take service from the Co-ops, he added. The funds are provided by the Muleshoe State Bank.

Receiving the scholarship from Five Area Telephone Cooperative, Inc. for 1977 is Betty Franklin, daughter of Mr. and Mrs. Henry Franklin. She graduated from Pep High School and is working in the South Plains Junior College registrar's office this summer.

Betty plans to attend South Plains and major in elementary education with perhaps a minor in physical education. She lists her hobbies as reading, listening to music and basketball. Receiving the two scholarships awarded by Bailey County Electric Cooperative Association were Karla Stroud and Dewey Francis Davis.

FIRST COTTON BLOOMING...Bringing in the first local cotton blooms was Ike Wilcox who farms northeast of Muleshoe. Wilcox said the cotton, which was planted April 28, started blooming Thursday morning.

## First Blooms On '77 Cotton Show Thursday

What may be Bailey County's first 1977 cotton blooms were reported to The Journal Thursday morning. Ike Wilcox, who farms nine miles northeast of Muleshoe, brought a stalk of cotton to The Journal office Thursday morning.

The cotton, which was Dunn 119, was planted on April 28, following one pre-water, he said, and he found a 51-acre field in full bloom Thursday morning.

Most of the time, cotton does not begin to bloom until after July 4, he explained, and the last time he saw early blooms was around the beginning of the 70s. He said the only other time he had seen early blooms was in 1962, the year he started farming.

Wilcox said he had an additional 50 acres, which were planted April 29 and is a mile east of the first-blooming cotton. He said he had not checked that field at the time he was in The Journal office at mid-morning Thursday. Wilcox also has corn and soybeans. He said he has watered the corn twice and it is tasseling and is ready to start watering soybeans for the second time. The soybeans are blooming at this time, he said.

## PARADE 5:30 P.M.

# Fireworks Conclude July 4th Celebration

## Races, County Fair, Green Thumb Begins Mule Shoe Pitching In Bailey County

Texas Farmer's Union Green Thumb, a job opportunity for rural residents, 55 years of age or older, began operating July 1 in Bailey County.

The purpose of the program, sponsored by Texas Farmers Union and funded through the Department of Labor, is to employ rural elderly to work in community betterment and conservation projects for non-profit organizations.

Currently, Green Thumb projects operate in 36 counties throughout Texas. Green Thumbs are placed as individual workers who serve as homeaides, van drivers for Senior Citizen transportation programs, telephone reassurance callers, assistants in Title VII nutrition programs, Senior Citizen hostesses, librarians, museum attendants, and in numerous other social service activities. Most counties also have a Green Thumb crew which works throughout the county in improvement projects such as repairs for public schools, weatherization of homes belonging to rural elderly, public park improvements, and other useful

community projects working for both county and city governments.

Green Thumb workers are paid minimum wage for a 20 to 24 hour work week. Eligible applicants receive a medical examination which is paid for by the Texas Green Thumb program and also receive annual examinations while in the program. Training sessions are held periodically covering subjects of interest to the older worker such as information on nutrition and food preparation, home and work safety, consumer affairs, social activities and other areas of importance.

Green Thumb has served Texas for seven years and has workers in 36 counties, said Bailey County Judge Glen Williams. He said the program serves rural elderly of Texas whose incomes are too low to meet the normal needs and

Get up early tomorrow, Monday, so you have time to attend some of all the activities planned for a gigantic celebration in Muleshoe. Start off by attending the Pony Relay race. It will be at 7:30 from Needmore to Muleshoe and will have teams from Muleshoe and West Camp trying to get the mail to Muleshoe 'first'.

Immediately following the race, the county fair will open on the courthouse lawn. Booths will be by the Hospital Auxiliary; ESA Sorority; Calvary Baptist Church; Young Homemakers; Home Demonstration; Tu-Tu students; Rainbow Girls; DeMolay; Lazbuddie Cheerleaders; Rotary; Jaycees; Beta Sigma Phi; The Nursing Home and the Muleshoe pitching contest.

An important feature will be the Jaycee dunking board at the edge of the courthouse lawn. You may be surprised at who the dignitaries will be perched on the edge of the board waiting for someone to hit the target and dump them into the cold tank. Muleshoe FFA will sponsor a

skeet shoot at the west edge of Muleshoe and two sports tournaments are scheduled. One will be the finals of the Jaycee tennis tournament at the tennis courts south of Muleshoe High School, and the other event will be the men's softball tournament south of Radio Station KMUL.

Also during the day will be the men's bakeoff, with local men pitting their baking ability against each other. ESA will be giving away a half beef; the Home Demonstration Club will be giving away a quilt and the JV cheerleaders will be giving an AM-FM radio to lucky winners.

In the afternoon will be the Old Settlers Reunion at the fellowship hall of Muleshoe First United Methodist Church. Entertainment will be by the "King's Kids," a local popular gospel singing group.

What's more loved than a parade. The line-up for the parade will be at 4 p.m., with the parade approach heralded by the Muleshoe City Police Chief, Buddy Black. Color guard will be from Cannon Air Force Base, Clovis.

The parade will form and go north on Main Street to Avenue B from the Boy Scout hut. At Avenue B, the parade will go west for one block, then south past the Muleshoe Nursing Home before disbanding.

In the parade will be the Muleshoe Stage Band; floats from the Sudan Young Homemakers; Tu-Tu students; the

## Screwworm Cases Climb Within State

Screwworm cases are beginning to spread across new areas of Texas and Arizona, and livestock producers are reminded to double their efforts in the current battle against the costly livestock pest.

Joe Rhodes, chairman of the Bailey County Screwworm Eradication Committee, says that although total numbers of cases are still low when compared to previous years, the worst part of the screwworm season is still ahead and all precautions should be taken.

Texas entered June with just 22 screwworm cases reported in 10 counties during the first five months of 1977. By June 15, nine more cases were added. Although many of these cases have been confirmed in Hidalgo County, others have moved up from South Texas into the Central Texas county of San Saba and into Brewster and Terrell Counties in Big Bend-Trans-Pecos areas.

Arizona's cases had climbed to 15 by June 15, says Rhodes. New Mexico had recorded four cases by that date, and California one to bring the nation's total to 29 by mid-June.

This compares to 1,968 by the same date last year. "Producer cooperation is really needed in the next four months to hold the line on screwworm cases this year and make the 'Mission '77: Stamp Out Screwworms' program a success," he adds.

Producers should check their animals at least twice a week, collect larvae or egg masses found in or near wounds, and send the samples to the USDA Laboratory at Mission for identification.

"Then treat all wounds found with an EPA-labeled effective insecticide," urges Bailey County Extension Agent Spencer Tanksley.

THE BIG AND THE LITTLE OF IT...Taking his pets to the fire department to receive rabies vaccinations Thursday afternoon was Mickey Long. He is shown with Barney and Chili. They were among the many dogs and cats vaccinated during the afternoon.

## Local 4-H Will Compete At Lubbock

Thirteen 4-H'ers from Bailey County will be among 200 youngsters competing for a berth on the top 20 list of winners at the District Two 4-H Horse Show in Lubbock July 5 and 6, according to County Extension Agent Spencer Tanksley.

Winners of that district event will compete in the state 4-H Horse Show at Houston's Astro Arena July 27-30. The 4-H group from Bailey County include Kim Farmer, Casey Farmer, Sharla Farmer, Shonnee Hodnett, Bill Hodnett, Jim Hodnett, Kristi Spies, Curtis Wheeler, Tommy Wheeler, Julie Claunch, Shane Claunch, Perry Flowers and Brenda Flowers.

Already winners of county competition, the youths will be competing in halter, showmanship and performance classes against representatives of 20 other South Plains counties.

Site of the horse show is Panhandle South Plains Fairgrounds, Livestock Pavilion, in Lubbock.

Don Gray of Pleasant Grove, Ark., will serve as official judge for the 1977 contest. Show superintendent is Ken Cook, Lubbock County Extension Agent, Billy C. Gunter, district Extension agent, will be in overall charge of the event.

The 4-H program in the state is administered by the Texas Agricultural Extension Service, Texas A&M University System.

**Bula Residents At Convention For Postmasters**

Amarillo Postmasters representing every area of Texas met in Amarillo June 19-21, 1977, for the annual NAPUS (National Association of Postmasters of the United States) State Convention.

Included in the more than 300 in attendance at the Convention was Postmaster/OIC Faye Jones and Cecil Jones of Bula, Tex. 79320.

More than 1200 of the 1500-plus postmasters in Texas are members of NAPUS. Nationally, more than 27,000 of the 30,000 PM's are NAPUS members.

Presiding over the convention was Frank Hardesty, President from Big Spring, Texas. C.T. Davis, Jr. Amarillo Postmaster was the host PM; while R.V. Welch, Postmaster from Lufkin, and Nolan Grady, Postmaster of Hereford, were convention coordinator and technician, respectively.

Headline speaker for the Convention was John Goodman of O'Fallon, Ill. President of NAPUS Nationally, Postmaster Goodman, on leave from his O'Fallon duties for the past two years to serve "on the scene" in Washington, D.C., has had probably the most eventful and meaningful tenure as NAPUS President that anyone in the 73-year history of the management organization representing the majority of the nation's postmasters.

The two candidates seeking to succeed Postmaster Goodman, James Omachinske, of Menasha, WI and Joyce Turney, of South Pasadena, CA also appeared before the Convention-seeking this states support.

Other featured speakers included David Luther, Regional Director of Finance, from Memphis, TN USPS Headquarters, Joe Gondola, Postmaster from Clifton, NJ, and an influential member of the NAPUS Legislative Committee; Homer Roark, Regional Vice-President from West Monroe, LA; and Postmaster, Charles Polk, from Prattville, AL.

The three National officers from Texas also spoke to the Convention: Marie Johnson, from Vidor, Chairman of a Postmaster representation appeal group; Chris Gilbert, of Grand Saline, Chairman of the National Women's Advisory Group; and Teal Adkins, of Beeville, head of the Communications Committee.

Texas NAPUS Officers elected for the year beginning July 1 were Weatherford Postmaster, Willard Thomas, President; Postmaster, George W. Haney, of Comfort, President-Elect; Postmaster, Mary Mindrup of Grand Prairie, TX First Vice-President.

DALLAS O. KINARD

**Dallas Kinard Funeral Rites Held Thursday**

Funeral services for Dallas O. Kinard, 45, of Muleshoe, were held at 2:30 p.m. Thursday at the Muleshoe Church of Christ. Conducting the services were Royce Clay, minister of the church and Rev. H.D. Hunter, pastor of the Community Church. Burial was in Bailey County Memorial Park under direction of Singleton-Ellis Funeral Home.

Kinard was born May 9, 1932 in Belmont, La., and had been a resident of Bailey County for the past 22 years, moving here from Floydada. He died at 4 p.m.

Tuesday in Methodist Hospital in Lubbock where he had been a patient for several days.

Dallas O. Kinard was in trailer sales and was a farmer. He was married to the former Hattie Dell Boyd on January 21, 1951 in Floydada. He was a member of the Muleshoe Church of Christ and a veteran of the U.S. Army, having served during the Korean War.

Survivors include his wife, Hattie; one son, James, of the home; three daughters, Mrs. Kathy Vernon, Muleshoe and Dayne Kinard and Dee Ann Kinard, both of the home; his mother, Mrs. LaVada Kinard, Floydada; four sisters, Mrs. Dannie Priddy, Ralls; Miss Marie Kinard, Fort Worth; Mrs. Linda Baker, Vernon and Mrs. Ray Green, Paris, Texas; and two brothers, Bill Kinard of Muleshoe and Roy Kinard of Lockney.

Children should realize that their parents know more than they think and parents should recognize that their children are smarter than they believe.

**Do You Know About Oil?**

Looking for the deepest well in Texas?

According to "77 Facts About Texas Oil and Gas," published for free public distribution by Texas Mid-Continent Oil and Gas Assn., the state's deepest is a 28,938-foot Wheeler County gas well.

Or, how about the number of Texas offshore wildcats drilled in 1976?

That would be 147, according to "77 Facts," 136 of which were dry holes.

These are among the 77 highlight facts and figures about the Texas oil and gas industry included in the latest edition of the Association's annual "Facts Series." The leaflet also points out that oil hunters spent \$2.2

billion in Texas drilling ventures last year, with \$745 million lost in dry holes.

For quick reference, "77 Facts" offers key statistics on all major phases of Texas oil and gas industry operations—historical, offshore, drilling, production, refining-processing, employment, economics, and taxation.

Copies of 77 Facts are free to the public upon request to the Association, 1341 W. Mockingbird Lane, Suite 1111-E, Dallas 75247.

whose job opportunities are limited. The judge reminded that residents of Bailey County are eligible and must be 55 years of age or older, farm or rural background, pass a general physical examination and meet limited income guidelines designated by the Department of Labor. Green Thumb is an Equal Opportunity Employer. Green Thumb provides the labor without charge while the local non-profit organizations who sponsor a project must provide materials and necessary supervision. Green Thumb strives to coordinate and cooperate with local organizations and governments to strengthen existing community services and provide additional supportive services for the aged and handicapped, explained Judge Williams.

For more information, contact him at the Bailey County Courthouse or call him at 806/272-3077.

**Canned Foods 'Best' Buys**

Canned fruits and vegetables—and fresh cantaloupe—have attractive prices in many Texas grocery markets, Mrs. Gwendolyn Clyatt, a consumer marketing information specialist, reports.

Mrs. Clyatt, with the Texas Agricultural Extension Service, The Texas A&M University System, summarizes this week's grocery situation as follows:

**GROCERY MARKET AISLES**—In addition to canned produce "specials," consumers can find low prices on pasta, grapefruit juice and sandwich buns.

In freezer chests, economical prices appear on meat pies, orange juice, potatoes and fish, although some fish prices are "inching upward."

**FRESH FRUITS**—Cantaloupe quality is excellent at attractive prices and plentiful watermelons have moderate prices. Texas honeydew melons reflect lower prices, but apricots, nectarines and plums are still relatively high priced. Varying prices appear on bananas, cherries, oranges, peaches and pineapples, so choose according to budget limitations.

**FRESH VEGETABLES**—Local truck farms producing top-quality, low-price produce make these items worth considering: yellow and zucchini squash, corn, cooking greens, purple hull peas, green beans, radishes and green onions.

Also look for economy buys on cabbage, carrots, cucumbers and green peppers.

**POULTRY**—Fryer chicken are a bit lower, and special prices appear on fryer parts.

Medium and large-size eggs have reasonable prices, but jumbo and extra large are bringing "premium prices," since quantities are limited.

**PORK**—Look for specials on smoked picnics and sliced ba-

con. Frankfurter and pork liver prices are down. Good buys include rib and loin pork chops, semi-boneless and canned hams.

**BEEF**—Look for reasonable prices on rib, sirloin and round steaks—and features on chuck roasts and steaks, ground beef and beef liver.

**CONSUMER WATCHWORDS:** Although apricot prices are high, this is their peak season.

United in marriage in an afternoon ceremony were Miss Mitzi Bass and Hal Helton. The couple repeated their vows in the Kingswood Methodist Church in Clovis, N.M., Saturday, June 4. Rev. Mark Dorff officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. E.A. Bass, Jr., of Muleshoe. Mr. and Mrs. Joe Helton of Texico, N.M., are the parents of the groom.

Vows were exchanged before an altar centered with an arrangement of yellow gladiolas, yellow Town-Crier roses, yellow daisies backed with several emerald poms. Two seven-branch candelabums holding yellow cathedral tapers flanked both sides of the altar. The family pews were marked with yellow satin bows. The couple lit a unity candle sitting on a base of ivory. The bride gave each mother a long stemmed yellow rose.

Mary Kate Belew, organist, accompanied Bruce Peterson of Muleshoe, as he sang, "Bride Over Troubled Water", "We've Only Just Begun", "The Lord's Prayer" and "Colour My World".

The bride, escorted and given in marriage by her father, was attired in a formal length gown of soft crepe and an overlay of venetian lace. Featured was a scooped neckline with a collar edging it. The candlestick sleeves were of venetian lace with valenciennes lace edging and pearl buttons. The chapel length train was of venetian lace with valenciennes lace edging. The bride's two tiered veil of sheer bridal illusion and venetian lace was attached to a Juliet capulet covered with venetian lace and edged with valenciennes. Her bouquet was Edwardian of yellow sweetheart roses and white daisies, gypsophila with tufts of springer eye and braken fern.

For the traditional something old, the bride wore her grandmother's wedding band and her

great grandmother's handkerchief. Her wedding attire was something new, and for something borrowed she wore a diamond necklace. She wore the traditional blue garter for something blue.

Mrs. Curtis Didway of Pampa, Tex., served the bride as matron of honor. She wore a yellow floor length dress accented with white lace and handkerchief sleeves. Mrs. Didway wore a white hat trimmed in yellow and carried a long stemmed yellow Town-Crier rose tied with yellow streamers.

Bob Bell of Clovis, N.M., served as best man. Ushers were Steve Bell of Muleshoe and Curtis Didway of Pampa, Tex. They also lit the candles prior to the ceremony.

The mother of the bride was attired in a floor length blue and yellow crepe dress. She wore a corsage of yellow sweetheart roses.

Mrs. Helton wore a floor length yellow and white chiffon dress. She also wore a corsage of yellow sweetheart roses.

The reception was held in the Fellowship Hall of the Church following the ceremony. A centerpiece of yellow and white daisies served as the centerpiece on the serving table. A yellow and white cake was served with yellow punch by Miss Treena Bass and Mrs. Davey Engelking, sisters of the bride, of Muleshoe, and Sandy Bell of Clovis, N.M. White rice bags tied with yellow ribbons were passed out by Chris Didway of Pampa.

Members of the Houseparty were Mrs. Kerry Moore, Mrs.

Kenyon Dean, Mrs. R.E. Buhman, Mrs. Frances King, all of Muleshoe, and Deanna Humphreys of Sudan.

For travel, the bride chose a three-piece pants suit of pale yellow with a matching blouse and accented by a pale yellow tie. She wore a corsage of yellow sweetheart roses and daisies. The couple has made their home in Clovis, N.M., after a trip to Acapulco, Mexico.

Miss Bass was a graduate of Muleshoe High School and is currently employed at Air Planes West of Clovis as a flight instructor.

The groom is a graduate of Texico High School, and the University of Tulsa. He is currently in business with his father in Helton Oil Co., of Farwell.

## Golden Gleams

Great joys, like griefs, are silent.

-Shakerley Marmion.

Who bathes in worldly joys, swims in a world of fears.

-Phineas Fletcher.

It is a fine season for joy to think of those we love.

-J. B. Moliere.

A joy that's shared is a joy made double.

-John Ray.

Joys are bubble-like; but what makes them burst them too.

-P. J. Bailey.

## Tops Has Weekly Meeting

TOPS Club met in regular session Thursday, June 30, in the Bailey County Electric Co-operative Association meeting room. Mrs. Dan Vinson was in charge of the meeting. Eighteen members answered roll call.

A note was received from Mrs. Jeff Peeler saying she would be back at the meetings soon.

Queen for the week was Mrs. Dan Vinson. First runner-up was Mrs. Bobby Newman and second runner-up was Mrs. Sandra Martin.

Mrs. June Vinson sent a note saying she is now settled in her new home in southeast Texas.

Mrs. Raleigh Mason received a gift from her secret pal for her anniversary. Mrs. Ronnie Garner drew Can-Can.

At the next meeting, the Six Months queen will be chosen. Fruit baskets will be given in honor of the Monthly queen and the KOPS queen.

Mrs. Mae Provence gave a recipe on a tuna casserole and gave the calorie count.

Inspirational were given by Mrs. Evelyn Moore and Mrs. Dan Vinson.

Side B is ahead in the contest being held at the present.

# Farm Bureau Plans Policy Discussions

Producer representatives in the five Texas Farm Bureau commodity divisions will discuss policy development at a statewide commodity conference July 6-7 at the Convention Center in Waco.

Several prominent agricultural leaders and government officials will address the meeting. These include Allan Grant, Visalia, Calif., president of the American Farm Bureau Federation; David L. Hume, Washington, D.C., administrator of the U.S. Department of Agricul-

ture's Foreign Agricultural Service; and U.S. Rep. Jack High-tower, Vernon, member of the House Agriculture Committee.

TFB President Carrol Chalouka of Dalhart will preside at the general sessions. Other general session speakers include Warren Newberry, Waco, TFB executive director; Edwin McKay, Waco TFB national affairs director; and Pat Smith, Austin, TFB state affairs director.

Invited to attend are county presidents and the commodity committee chairmen in the 103

counties that have county commodity organizations in either the TFB's cotton, citrus, dairy, peanuts and rice divisions.

A number of counties have more than one commodity division. There are 55 counties with cotton divisions, three with citrus, 35 dairy, 18 peanut, and 12 with rice divisions.

Top executives, educators and government officials will provide vital information that will be helpful in the development of next year's Farm Bureau policy positions pertaining to the various commodities.

Participants will share results of meetings of their respective county commodity divisions which have been held to surface areas needing attention in the FB's policy development acti-

development committees.

The annual summer commodity conference complements one held early in the year dealing with implementation of Farm Bureau policies for that year pertaining to the various commodities. The summer conference is held prior to the beginning of the policy development process to deal with commodity issues that need consideration in that activity.

Individual meetings for the five divisions will be held on the afternoon of July 6 and the morning of July 7.

Cotton Division speakers include Jimmy Nail, Lubbock, Plains Cotton Cooperative Association; Bruce Hawley, Washington, D.C., American Farm Bureau Federation assistant director of national affairs; D.T. Smith, College Station, assistant director of the Texas Agricultural Extension Service; and McKay.

Addressing the Peanut Division sessions will be Olin Smith, College Station, plant breeding specialist, Texas A&M University; and Hawley and McKay.

Speaking to the Dairy Division meetings will be Boyd Rice, Arlington, United Dairy Industry Association; O.D. Butler, College Station, head of animal science, Texas A&M University; Jim Knowlton, San Antonio, chairman of the TFB Dairy Advisory and member of the AFBF Dairy Advisory Committee; and Hawley.

Speakers at the Rice Division sessions include Morris Bloodworth, College Station, head of department of soil and crop

development committees.

**OUCH, THAT SMARTED...** When a pickup and trailer pulled across in front of Charles Flowers at West Sixth and American Blvd. Friday morning, he didn't have anywhere to go. A vehicle was approaching on a side street, so to avoid an accident involving another vehicle, Flowers smacked the light pole. He was not injured in the accident.

## Home Landscaping Helps Environment

Everyone admires a beautifully landscaped area with attractive shrubs, large shade trees and colorful flowers all tied together with a thick, green carpet of lawn. However, along with the visual beauty and the aesthetic value of a well-managed landscape, there are other important effects, says Everett Janne, landscape horticulturist with the Texas Agricultural Extension Service.

Plants in the landscape contribute much toward producing a better environment. Living plants, besides providing visual beauty, assist in the removal of many undesirable products in the atmosphere," points out Janne.

Through photosynthesis (the plant's food-making process), plants use carbon dioxide in the air and free pure oxygen. Turf authorities have estimated that the trees, shrubs and grass on a 150-acre 18-hole golf course can provide enough oxygen for 10,350 people for a year. To bring it closer to home, a 50 foot by 50 foot plot of grass under average conditions will provide enough oxygen for a family of four, notes the horticulturist.

"Grass and trees are also effective dust traps," says the Texas A&M University System specialist. "Dust particles are attracted to the leaf surface through static electricity or are trapped by dense foliage. Rain-fall washes the particles into the soil. This claim cannot be made for man's growing architectural achievements expressed in towering skyscrapers and asphalt parking lots. Unfortunately, these tend to speed up movement of vast quantities of water and result in increased erosion of valuable top soil."

Grass also acts as a cooling system. A 2,000 square foot plot releases as much as 120 gallons of water through a method

called evapo-transpiration. The releasing of water reduces the heat factor. Grass also cools the environment by absorbing less energy. Only 50-60 per cent of the incoming solar radiation is absorbed by grass while buildings and pavement absorb up to 90 per cent.

The 18th century writer, Jonathan Swift, seemed to understand mankind's role in regard to nature when he wrote: "Whoever could make two blades of grass grow where only one grew before, would deserve better of mankind, and do more essential service to his country than the whole race of politicians put together."

"Man can contribute much to improving the environment," contends Janne. "Maintaining a well-managed landscape is a step in the right direction."

## Continental's New Flights To El Paso

Lubbock and area travelers will receive additional fare reductions on June 30th according to Tom O'Donnell, Continental's Regional Director. On that date, new intrastate economy fares will be in effect to and from El Paso on all of Continental's three daily non-stops in each direction. The fares will be identical to those now in effect to Dallas-Fort Worth—\$15.00 one way on all flights Saturdays and Sundays and on those that depart any day after 7:00 p.m. until 6:29 a.m., and \$25.00 one way the rest of the time. Continental's non-stops from Lubbock leave daily at 9:40 a.m., 5:05 p.m. and 9:10 p.m. and the flights returning leave El Paso at 4:45 a.m., 11:23 a.m. and 5:00 p.m.

**Legal Notice**

**NOTICE OF SALE OF REAL ESTATE**

Notice is hereby given that by virtue of a certain Order issued by the Honorable Commissioner's Court of Bailey County, Texas, on the 13 day of June, A.D. 1977, entered on its minutes in Vol 7, Page 123, appointing Glen Williams, Commissioner to sell and dispose of the following real estate, to-wit:  
A 0.1799 acre tract if land out of Section 33, Block Y, W. D. & F. W. Johnson Subdivision, Muleshoe, Bailey County, Texas, being more particularly described as follows, to-wit:  
BEGINNING at a point in the North Half (M/2) of Section 33 from whence the Southeast corner of the Southeast Quarter (SE/4) of Section 33 bears South 25 degrees 47 feet West a distance of 791.43 feet and South 64 degrees 13 feet East a distance of 2890.55 feet, and South 14.2 feet; THENCE North a distance of 207.96 feet to a point for corner; THENCE South 54 degrees 53 feet East a distance of 91.67 feet to a point for corner;  
THENCE South 25 degrees 47 feet West a distance of 172.39 feet to the place of beginning and containing 0.1799 acres of land, more or less.  
The purchaser assumes and agrees to pay all taxes owing and unpaid to the City of Muleshoe, the Muleshoe Independent School District and Bailey County, Texas.  
THEREFORE, Notice is hereby given that on the 11th day of July, A.D. 1977, at the Court-house door of Bailey County, Texas, at 10:00 A.M. by virtue of said Order, I will for and in behalf of said Bailey County, Texas, sell said above described real estate at Public Auction to the highest bidder, in accordance with said Order.  
AND IN COMPLIANCE with law, I give this Notice by publication, in the English language once a week for three (3) consecutive weeks preceding said day of sale, in the Bailey County Journal, a newspaper published in Bailey County, Texas, the first of said notices appearing more than twenty (20) days prior to the date of sale.  
WITNESS my hand, this 13 day of June, 1977.  
Glen Williams(s)

**Card Of Thanks**

As we come to the hour of sorrow when God called our mother home to Heaven. We realize how much our friends and neighbors helped to make our burdens lighter. By the many thoughtful deeds, their prayers, the food and visits, the lovely flowers. A special thanks to all the nurses at the Nursing home for their loving care given Mother. May God Bless each of you.  
The Children of Mrs. Vaughn. 27S-1tp

**Card Of Thanks**

Our sincere appreciation and deep thanks are extended from the family of Grace T. Winn during the time of her illness and death to all the nurses and attendants in Muleshoe Nursing Home, the excellent doctors and nurses in West Plains Hospital and Clinic and above all to the friends old and new of the deceased and her family.  
The family of Grace T. Winn 27S-1tc

**Senator Tower Will Address GOP Chairman**

GOP State Chairman Ray Hutchison announced today that United States Senator John Tower will be the featured speaker at a luncheon on Saturday, July 16, honoring Republican county chairmen from throughout the State. The luncheon will be one of the highlights of a two-day organizational meeting of the Republican County Chairman's Association.

Scheduled for the Driskill Hotel in Austin, the meeting agenda includes adoption of bylaws and election of officers for the newly-formed organization.  
"Republicans in Texas have never had an organization where their county chairmen could gather and exchange ideas and information about the political problems in their particular area," Hutchison said. "I was pleased that our State Republican Executive Committee voted recently to rectify this situation by the establishment of this organization."  
"These community leaders can be of great value by providing advice to statewide candidates regarding grass roots opinion on the vital issues facing our State," Hutchison stated.  
The meeting will begin at 9:00 a.m. on Saturday morning, July 16. Every certified Republican county chairman, or his or her proxy, is entitled to register as a voting member of this organization. A luncheon will follow the Sunday morning, July 17, session with a meeting of the newly-elected officers of the Association to be held on Sunday afternoon. Election of officers will take place on Sunday morning.

**Law Changes Exemptions**

Comptroller Bob Bullock said Tuesday that a new law passed by the Legislature will broaden the definition of groups eligible for exemptions from the sales and use tax.

Bullock said new groups that could qualify for exemptions include those that are scientific or literary or are organized to conduct public safety tests or to prevent cruelty to children or animals.

In addition, Bullock reminded church and religious groups that another new law--already in effect--exempts their purchases or rentals of buses from the motor vehicle sales tax.

H.B. 2080, effective August 29 this year, provides that any group qualifying for exemption from federal income tax under Internal Revenue Code Section 501 (c) (3) may also qualify for exemption from the Texas sales and use tax, Bullock explained.

The Comptroller added, however, that the new law stipulates that every item purchased by such a group under that exemption must be related to the group's purpose and that no

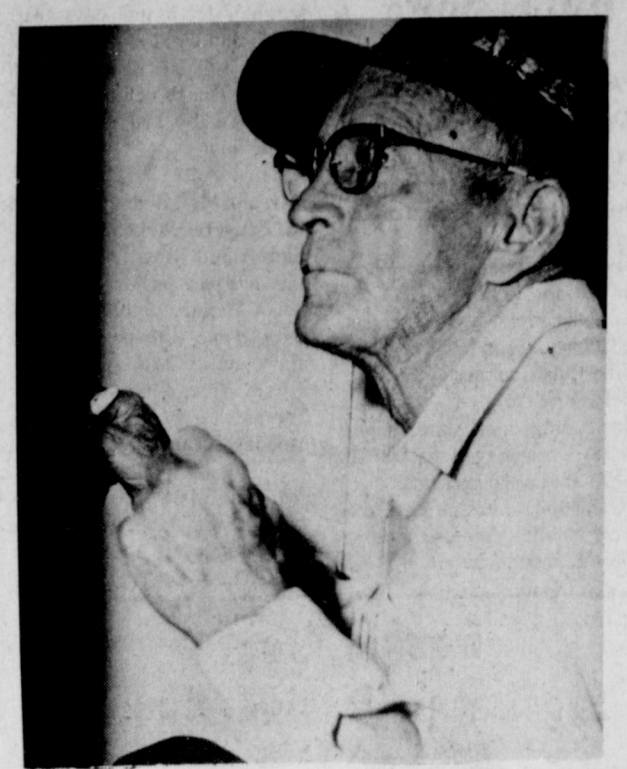

item purchased can be used for the personal benefit of any individual.

Bullock said Texas sales tax law already provides for exemptions for organizations created for religious, educational, charitable or eleemosynary purposes.

He urged organizations that qualify for federal income tax exemptions but have not yet qualified for Texas sales tax exemptions to apply to his Sales Tax Division by sending in a copy of the exemption under Section 501(c) (3) of the Internal Revenue Code.

Any groups not certain about whether it qualifies should contact the Sales Tax Division either in writing or by calling the toll-free WATS line number, 1-800-252-5555.

The Comptroller said that H.B. 190, effective June 10, exempts the sale or rental of a motor vehicle to a church or religious society if the vehicle is designed to carry more than six people and if it is to be used primarily for transportation to and from church or religious services or meetings.

**PAINTED INTO CORNER...** Deputy Sheriff Pete Black was caught Thursday morning painted into a corner at the Bailey County jail. He really isn't quite ready to hit someone as he may appear to be.

Not what you read but how you read is the key to knowledge.

The sweet young things are now preparing for the hunting season.

# How to avoid sumburn

Sumburn can usually be avoided by very keen and intensive planning before an investment is made with a sum of money. Some people suffer from Sumburn every year because of a bad investment. Avoid getting burned ... Before making an investment speak with one of our Financial Specialists about a high yield, safety insured program.
