BATTLE ON RELIEF BILL Train Stalled MOVES TO THE SENATE

New Efforts Will Be Made

Requested By The Administration

AMENDMENTS LIKELY WILL BE PROPOSED

Some May Seek To Have A Part Of Fund Marked For Projects

WASHINGTON, June 2 (AP) - The administration's \$1,500,000,000 relief bill, winning midnight house approval after a compromise quashed a persistent revolt, went to the senate today for another major battle.

Want Cut of One-Third vote by which the bill passed.

There were prospects, too, some senators would try to reinstate America. amendments to earmark one-third

which were accepted last night.

Majority Leader Rayburn (D. Crea.

the earmarking proposals would take extra money for material: take extra money for materials and reduce the amount available Steel Output

House members described the

compromise as including: 1. An administration promise that probably much more than the \$45,000,000 tentatively earmarked would be spent for flood control.

2. An agreement to revoke an all-relief-labor order which had held up use of \$131,000,000 now in the Public Works administration's grants to cities. This would mean militant labor forces and unyield-projects for which cities already projects for which cities already have voted bond issues,

and lakes to raise the water level of the Southwest "dust bowl."

tee held out for setting aside \$150,-000 000 for road construction under contracts let by state highday de partments.

By John Selby BLOOD ON THE MOON," by

a quarter century Linton Wells, broad shouldered and quie spoken, has wandered up and down the turbulent corridors of the world, serving at times as an authoritative commentator for American news services, and in odd mo ments participating as a soldier of fortune in alien armies.

He was a lieutenant in the Chinese republican army, a colonel in the Nicaraguan air force, and a major in Carranga's Mexican army. For New York newspapers and the various news services he has been war correspondent in China, Mexico, Morocco, Syria and Nicaragua between 1912 and 1936. His latest assignment, and it almost was h fact his last one because of vag rant shrapnel, was as correspondent for the New York Herald Tribune in the Itale-Ethiopian war.

Even away from war Wells would not be still. As a surveyor he went to the South Sea islands of Samo in pre-journalistic days to build dams and other water conservation projects. In 1926 he joined Edward S. Evans in a record-breaking circumnavigation of the globe in 28 days, 14 hours and a few extra moments. A year before he made the first non-stop automobile drive from Los Angeles to New York in

went to war to end war.

"There will be another terrible world conflict, I am convinced," he writes, "and the line-up will prob-ably be Japan, Italy, Germany, Austria, Hungary, Bulgaria and Albania against England, France, Belgium, Soviet Russia, Turkey. China, Czecho - Slovakia, Jugoslavia Roumania and Greece with Poland doubtful and the Scandinavian countries, Holland and Switzerland neutral."

Wells should know. He's be in all of them.

I'm no big company myself, just because I sell a good big company's oil, etc. This business is mine, and their oil has to show my customers a heap longer mileage and cool smooth operation, or I wouldn't make near as safe a living, that's all. I'd rather have my good steady trade on Conoco Germ Processed oil, than just getting people to change here once, and always be worried about new ones showing up. A lot of my steadiest trade comes from clear out around. because nothing but my Germ Processed oil will Oil-Plate their engines. You see, the patent Germ Process gets this oil to form a strong slippy Plating on every work-

ing surface. Not only an oil-film that goes on and off, but a really-truly Oil-Plating too . . . entirely extra! Mind you, Oil-Plating can't shift around-can't drain down while your car is parked. So it can't let your engine start up "dry," which engineers say is the greatest danger, even in Summer. And the way it's Plated on, Conoco Germ Processed oil simply isn't using up in a hurry. Then that's getting more mileage out of both your oil and engine coming here to me for Oil-Plating.

FORD V-8 POWER will do the job at lower costs than ever!

IF yours is heavy hauling, you can handle it faster, easier, and at less cost with the improved 85 H. P. Ford V-8 engine. For light jobs, the 60 H. P. Ford V-8

engine gives splendid performance-with

many extra miles to the gallon of gasoline. With either engine, you get an added economy available only to Ford V-8 owners -the Ford Engine Exchange Plan. You can replace an old engine with a factory-reconditioned one-at much less than the cost of an ordinary engine overhaul, Let your Ford Dealer help you select the

chassis, engine, and body best suited to your loads. Then, let an "on-the-job" test show you how much better-and at how much less cost-you can now do your hauling with modern V-8 power as Ford offers it. SEE YOUR FORD DEALER

FORD V·8 TRUCKS

AND COMMERCIAL CARS Built in Texas by Texas Labor.

NO OTHER TRUCK IN AMERICA GIVES YOU ALL OF THESE MONEY-SAVING FEATURES TWO V-8 ENGINES - 85 H. P. for heavy

duty and high speed; 60 H. P. for light duty and house to house deliveries. ENGINE & PARTS EXCHANGE PLAN cuts Ford maintenance to the bone.

CENTRI-FORCE CLUTCH - plate pressure increases with engine speed. FULL TORQUE-TUBE DRIVE-Driving and braking forces transmitted by the

torque-tube and radius rods. RADIUS RODS - hold axles in perfect

FULL-FLOATING REAR AXLE - All the weight is carried by the axle housing. QUICK-ACTION SAFETY BRAKES -Brake drums of cast alloy iron are practically score proof.
