

School Renovations Depend On 'Yes' Vote

Big Mules Ambush Chieftains 24-14

Bond Election Set For November 24

ADULT BASIC CLASSES will meet on Monday, Nov. 9th from 7 to 9 p.m. instead of Tuesday, Nov. 10 because of open houses at the 2 elementary schools on Nov. 10.

The Jennyslippers will meet from 12-1 p.m. Monday, Nov. 9 at the Bailey County Civic Center. Plans for the Christmas parade, on Dec. 6 will be discussed according to Nelda Merriott, president.

The Muleshoe Art Association will meet at 2 p.m. Tuesday, Nov. 10 in the community room of Muleshoe State Bank. Jerry Teaff of Bula will be the guest artist. He will give a demonstration on acrylics.

Absentee voting for the Muleshoe Independent School District Special Bond Election, to be held November 24, 1981, will be held in the County Clerks office beginning November 4th through November 20th.

School Board Meets Monday

The Board of Trustees of the Muleshoe Independent School District will meet on November 9 at 7:30 p.m. in the School Administration office.

Items of business will include the hearing of the financial report and approval of payment of current bills. A tax collection report will be given and the Board will approve changes in the tax roll.

Up for consideration will be the progress of the school bond issue. Randy Cont. Page 6, Col. 1

"EVERY WHICH WAY BUT LOOSE"....Mules Held the Friona Chiefs to 127 yards rushing Friday night with an outstanding defense. Here George Vela, 89 and Jeff Meeks, #63 zero in on a Chieftain player. The Mules had 292 yards rushing in comparison.

Traditional Veteran's Day Observed November 11

Veterans Day 1981 marks the fourth anniversary of the return of the observance to November 11 and the tradition of honoring the unknown soldier at Arlington on the 11th hour of the 11th day of the 11th month.

From 1971 to 1975, Veterans Day was observed on the fourth Monday in October in compliance with a 1968 law that changed most national holidays to Mondays.

In 1975, Congress responded to public feeling that the November 11 date was too significant to abandon. Effective 1978, and on the sixtieth anniversary of the World War I

armistice, a law was passed returning the holiday to November 11.

With the return of the observance to the armistice date of that "war to end all wars," this year's observance is an occasion to pay tribute to the 1,081,000 Americans who have died in the defense of their country in all American wars since 1776 and to more than 30 million former servicemen who served during both war and peace.

Methodists Schedule Buffet Dinner

Residents of Muleshoe and the surrounding area, are reminded of the Thanksgiving dinner which will be served by the First United Methodist Church on Thursday, November 12 from 11:30 a.m. until 2:00 p.m. in the Fellowship Hall.

The meal will be a buffet, all you can eat feast. The menu includes turkey, dressing, gravy, cranberry sauce, green beans, sweet potatoes, tossed salad, bread, homemade pie and coffee or tea. Tickets are \$6.00 and \$3.00 for children under 12. The tickets may be obtained from church members or may be purchased. Cont. Page 6, Col. 2

Reception Will Honor Retiring Treasurer

There will be a reception honoring Edith Wilt on November 13 from 2 p.m. to 5 p.m. in the downstairs courtroom of the Bailey County Courthouse. Ms. Wilt is retiring after 27 years of service as County Treasurer.

The Muleshoe Mules came back from a defeat last week to triumph over the Friona Chieftains Friday night in a fast paced, thrill-packed win of 24-14.

Winning the toss, the Mules began a long drive, gathering five first downs on the way, that led to the first score in the game with a Hysinger field goal from the 16 yard line, giving the Mules a 3-0 lead. The Mules controlled the ball for nearly half of the first quarter. Friona took the ball then on the 29 yard line in a short series, leading to a punt on the fourth down which was caught by Ronnie Angely on the Mule 36 yard line. All for naught, however, as a Gonzales pass in the next series was intercepted by Friona and they controlled the ball until the end of the quarter, when a Mark Tucker pass was intercepted by Ronnie Angely, saving the day for the Mules on their own 4 yard line.

The Mules went nowhere on their next possession and had to kick on the 4th down; the Chiefs received on their own 45 yard line and started a hard drive up the middle ending in a 15 yard pass from Tucker to Nelson Jackson who caught it behind the goal line for a Friona touchdown. Mark Montoya put the icing on the cake with the PAT putting the Chieftains up over the Mules 7-3.

Windy Williams' Angry Black proved what they were made of in this ballgame coming back in the next series with a drive to the fifteen yard line where Gonzales tagged Hysinger with a 16 yard pass for the Mules first TD. Hysinger was a man who wore many hats as he booted the pigskin through the uprights for the PAT giving the Mules the lead once again 10-7 with 1:14 left in the half.

Friona, not to be out-Cont. Page 6, Col. 3

On November 24, qualified resident electors (voters) of the Muleshoe Independent School District will go to the polls to decide upon the Bond Election for the proposed rebuilding and renovation of the Muleshoe Schools, in the amount of \$2,000,000.

For this election, the entire District will constitute one election precinct, with the designated polling place being the High School Cafeteria. Hours of voting will be from 7 a.m. to 7 p.m. on November 24, 1981.

Absentee voting may be done from November 4 thru November 20, from

Schools Schedule First Open House

Mr. Harold Horne, superintendent of the Muleshoe Schools, invites all parents and patrons to attend the Open Houses for the Neal B. Dillman and Mary DeShazo Elementary Schools on Tuesday, November 10 from 6:30 to 9:00 p.m.

Milton Oyler, principal of Neal B. Dillman School encourages parents to come and visit with their child's teachers and see the displays and projects that the students have done. The new Muleshoe Math Management Program will be explained more in detail to parents by the teachers. The time for Dillman School will be from 6:30 to 8:30 p.m.

Bill Taylor, principal of Mary DeShazo Elementary invites parents to attend Open House from 7:00 to 9:00 p.m. In addition to the visitation of parents with teachers there will be special demonstrations given by the P.E. department.

the hours of 8 a.m. to 5 p.m. in the Bailey County Clerk's office.

Articles regarding the proposed renovation program have been carried by the Journal in the past few weeks, and were defined by schools. The last bond issue for the schools was in 1965, and virtually no major improvements have been made since.

Renovations that are needed in the schools, are some that have been needed for some time. Most of the buildings as they now stand are inefficient in energy conservation, with the high school building being the least efficient.

The current budget includes \$113,000 designated for energy or fuel. Of this amount, approximately 50 percent of the total energy bill will be spent in heating for the high school building alone. This fact would, in itself, indicate the need for conservation measures, and the high school building is the number one priority in the renovation plan.

By making the buildings energy efficient, not only would energy costs be lowered, but, maintenance on the buildings would be Cont. Page 6, Col. 1

WIFE To Elect New Officers

The Muleshoe Chapter of W.I.F.E. will hold their annual election of officers on November 19.

Also planned for November is a combination bake and garage sale to be held the weekend of the 21st. This will be a fundraiser for the organization. Anyone having anything to donate for the garage sale will be appreciated.

W.I.F.E. will be taking special orders for baked goods in advance. Cont. Page 6, Col. 3

Crop Deficiency Payment Likely On 1981 Cotton

Cotton farmers will likely collect 5 to 7 cents a pound from the government for their crop this year. The money will be in the form of deficiency payments--the difference between the target price set by the government and the actual market price.

If payment are necessary due to poor market prices, they will be the first since the target price program was established in 1974.

"The 1981 target price for cotton is 70.87 cents a pound," explains Dr. Carl Anderson, economist in cotton marketing with the Texas Agricultural Extension Service, Texas A&M University System. "The average price received by farmers in July (70.20 cents) just missed this level. Since then, the cotton market fell to 65 cents a pound in August and in October was running about

based on the farm progress acreage and yield established on each farm." Deficiency payments are limited to a combined total of \$50,000 per person under the Upland cotton, wheat and feed grain programs in 1981. Farmers must be in full compliance Cont. Page 6, Col. 3

St. Johns Set Special Service

St. John's Lutheran Church at Lariat will have their annual Mission Festival Sunday, November 8.

Speaker for these special services will be Reverend Gerald Thiele of the Zion Lutheran Church at Vernon, Texas.

Sunday school and Bible classes will begin at 9:30 a.m. with morning worship services following at 10:30 a.m. Dinner will be served

SHERYL WALTRIP

Local Girl Is Finalist In Teenager Pageant

Miss Sheryl Waltrip, age 16, daughter of Mr. and Mrs. Dean Waltrip of Enochs has been selected to be a finalist in the annual 1982 Miss Northern Texas National Teen-Ager Pageant to be held at Clarendon College, Clarendon, Texas, on May 14th, 15th and 16th, 1982. The Miss Northern Texas National Teen-Ager Pageant is the Official Regional Finals to the Miss Texas National Teen-Ager Pageant to be held in June, 1982.

Nancy Daniel of Hampshire, Texas, the 1981 Miss Texas National Teen-Ager will crown the new Queen. The reigning Miss National Teen-Ager is Lisa

participate in the Volunteer Community Service Program of the National Teen-Ager Pageant. This program teaches teen-agers to share and to participate in school and civic affairs. A Mini-Modeling Charm Course will be given during the weekend of the Pageant.

The winner of the Miss Northern Texas National Teen-Ager Pageant will receive a Cash Scholarship, other prizes and will be fully sponsored to compete in the Miss Texas National Teen-Ager Pageant to be held at Texas Christian University at Fort Worth. Contestants will be judged on scholastic achievement, leadership, poise-person-

NEW COUNTY TREASURER....Dorothy Turner was appointed by Commissioners Court Wednesday to fill the position of county treasurer, recently resigned by Edith

New Foundation For The Elderly

By Willie G. Koehler

The plight of the elderly in today's society is one of great concern to many people. We simply feel that keeping this nation's Senior Citizens in the main stream of life is one solution to the problem. For too many years, the elderly in this country have been ignored and ostracized, forced to spend the latter part of their lives in isolation and loneliness. We are beginning to see a change in attitudes. The more youthful compatriots of Senior Citizens have become aware of and attuned to the needs of the elderly.

The Texas Foundation for the Elderly is a newly incorporated, non-profit organization with that ideal in mind. Tom Van Ness, founder of the T.F.E. in Alvin, Texas, has been considering this concept and many people have been urging him to start a foundation for about eighteen years.

The elderly, I once read an article entitled, "It's Hell to be Old in Texas." Perhaps it's hell to be old anywhere. Perhaps it's hell to be old in your community.

The "peaceful years" or "golden years" are neither peaceful nor golden anymore. They are years of worry, of loneliness and sometimes of illness.

The worry. Mostly the worry is over money, the lack of it. A retirement income of \$200 a month might have been alright twenty years ago, but is not alright today. And there are no raises or bonuses in a retirement salary. It is fixed. The old learn to cope to some extent. Lights

TOPS Weekly Meeting

TOPS Chapter TX #34 met Thursday, Nov. 5 at 6:30 p.m. in the meeting room of Bailey County Electric. Clara Lou Jones, president, called the meeting to order. The TOPS pledge was recited and the fellowship song sang.

Linda Vinson, secretary, read the minutes of the previous meeting. They approved.

Best loser for the week was a tie between Mildred Mitchell and Leavell Parker. Jonnie Ivy was first runner up and Evelyn Moore second runner up.

Mabel Wolfe was crowned best loser for the month, first runner up was Retha Knowles and Jeri Serna was second runner up. Nan Gatlin was crowned KOPS monthly queen.

Others receiving awards included Retha Knowles, a hair set (for six weeks consecutive weight loss.) Josie Pedrosa received a bracelet for 16 weeks attendance. Belinda Lopez and Hazel Nowell received 24 weeks attendance charms. Weight losing charms were received by Belinda Lopez and Josie Pedrosa.

The meeting was closed with the singing of the goodnight song.

are turned out, water is used sparingly, meals are skipped. They learn to do without new clothes; and they sell their cars, and sometimes their homes. They read the newspaper with growing apprehension as federal funds are slashed here and there and wondered if it will effect them.

Van Ness, inspired by the needs of this elderly mother, Frances C. Van Ness, has formed the Texas Foundation for the Elderly.

"My mother made my mind up. She's 83 years old, and she is more or less the founder rather than me," he said.

The T.F.E. has established two 5-year programs in which they want to build several recreational day care centers throughout the state of Texas, depending on the availability of funds. These centers would have doctors and nurses on staff, other instruction in crafts and make the elderly available to businesses to utilize their experiences and knowledge.

"It's not our intention to run a hospital but to provide a meeting and recreational place for the elderly. Neither are we trying to put convalescent homes out of business. However, we know for a fact that the majority of the elderly in these homes do not belong there, but rather in their own homes, serving their communities productively. We understand the need for convalescent homes in the future," Tom said.

Willie Koehler has been named executive director for the foundation. He will be in charge of advertising and fund raising.

Willie said, "We will be doing all sorts of media presentations to make people in Texas communities become more aware of the plight of the elderly."

How can we turn our backs to our Senior Citizens when they are the ones who have given us our America? We owe them! We owe them their dignity and self respect in their own community. Let's keep our elders at home. To place them in a convalescent home is to sentence them to death, a death without dignity and with much discomfort. We need to unite now, young and old, rich and poor, because this effort will benefit all of us. So give our Senior Citizens a future; and in doing so, we will be building one for ourselves. Please send all your donations to: The Texas Foundation

for the Elderly, P.O. Box 1726; Alvin, Texas 77511.

If you need more information, call 713-331-9106, or write for brochure.

KRISTI HENRY RECIPE

By Sarah Anne Sheridan

With cool weather, my thoughts always turn to tasty soups and bread. Here are two recipes worth trying.

Ham & Pea Soup

- 1 cooked ham bone
- 1 c dried split green peas
- 2 t salt
- 1/4 t pepper
- 1 medium onion, sliced
- 1 1/2 c sliced cooked ham

In large pot, place ham bone, 3 quarts water, peas, salt, pepper and onion; cover. Heat to boiling; simmer over low heat 2 1/2 to 3 hours. Cut any bits of ham from bone; add to soup with sliced cooked ham. Heat. Makes 8 generous servings.

Mexican Corn Bread

- 1 1/2 c yellow cornmeal
- 2 eggs
- 3/4 c corn oil
- 3 t baking powder
- 1 t salt
- 1 c sour cream
- 1 c cream style corn
- 3 green chili peppers, chopped
- 1 c grated sharp cheese

Mix first eight ingredients. Pour half into a hot greased pan. Cover with half of cheese. Add over half of mixture and top with remaining cheese. Bake at 350 degrees for 35-40 minutes.

ONE MINUTE SPORTS QUIZ

1. Name the winners of the recent New York City marathon.
2. Steve Yeager plays pro baseball for what team?
3. Jim Hart quarterbacks for what pro football team?
4. Dave Winfield plays pro baseball for what team?
5. In what sport did Kurt Thomas win the James E. Sullivan Trophy?

Answers To Sport Quiz

1. Men's, Alberto Salazar, women's, Allison Roe.
2. L.A. Dodgers.
3. St. Louis Cardinals.
4. N.Y. Yankees.
5. Gymnastics.

Kristi Henry Named AAUW Girl Of Month

Miss Kristi Henry, the 17 year old daughter of Mrs. Marcia Henry Rohde, has been chosen the Girl of the Month of November for the American Association of University Women. Kristi was selected on the basis of school and church participation and leadership qualities.

She is a senior, and has played basketball throughout high school. She is a Varsity Mulette. She also participates in track; and as a Junior, she was a regional qualifier and second place district medalist in the discus.

Kristi is a member of FTA, and last year served as Parliamentarian. She was FHA Freshman president and FHA Outstanding Girl of the Year as a Sophomore.

She has participated in speech and was a member of this year's cast "A Tree Fell in the Forest."

She was Mule Mascot as a Junior and has also been named by the faculty as a Student of the Month. Kristi is also a member of FCA and is an honor student and a member of National Honor Society.

Kristi is a member of the First Baptist Church. She is a Past Worthy Advisor of the Muleshoe Assembly of the International Order of the Rainbow for Girls, and has been a member of Rainbow for seven years. She also works part time as a cashier at Shop Rite.

The Muleshoe members of AAUW congratulate Kristi and are happy to honor her as their girl of the month.

BIBLE VERSE

"If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven."

1. Who spoke these words?
2. To whom were they spoken?
3. What was their effect?

Answer to Bible Verse

1. Jesus.
2. A young man, who had "great possessions" often designated as "the Rich Young Ruler."
3. He "went away sorrowful."

Auxiliary Purchases Needed Equipment

The Hospital and Nursing Home Auxiliary purchased a projector, fetal monitor, stretcher and "Recording Resus Anne" mannequin for the West Plains Medical Center.

Joelene Swanner, LVN, Hospital Education Coordinator and Nursing Home Training Coordinator and Mattie Hicks, Director of Nurses, use the projector and mannequin in the continuing training of the nursing staff.

Mrs. Swanner coordinates programs for hospital departments and programs of continuing education for the nursing staff on a timely basis. Some of the most recent programs have been "Emergency Room Trauma" and "Telephone Etiquette".

A workshop has been scheduled for Nov. 6-7 on prevention of decubitus ulcers and contractures.

Cindy Purdy Elected WTGA President

Cindy Purdy, co-owner of Hawkins and Purdy's School of Dance and Gymnastics, was elected president of the West Texas Gymnastics Association last weekend in San Antonio at the Gymnastics Association of Texas meeting.

The West Texas Gymnastics Association consists of the sixteen teams that compete in gymnastics (both boys and girls; and are representatives in the United States Gymnastics Federation.

Mrs. Purdy will represent West Texas Gymnastics for the 1981-82 competitive season. She was also appointed Section IV representative of the Texas Women's Committee in the U.S.G.F.

"I am responsible for coordinating training in all departments and providing or teaching state required training and/or training sufficient for safety and well being of our patients" says Mrs. Swanner.

"In order to provide continuing education and training for new employees there is a great need for educational supplies and resources and this seems like a good time to say to our Auxiliary, "Thank You" for the good you've done."

"Because you cared you supplied us with educational equipment and equipment which enables us to provide safer and better care of the patients we service in our hospital and nursing home.

Mattie Hicks explained that Recording Resus Anne is used in CPR (Cardiac Pulmonary Resuscitation) training. West Plains Medical Center has six certified instructors and five certified in advanced cardiac support.

According to Dorothy Green, auxiliary president, the fetal monitor shows the fetal heart rate, intensity of contractions and shows if the baby or mother is having trouble during labor. This is the second fetal monitor the auxiliary has purchased for the hospital. They purchased the first one three years ago.

Some of the auxiliary money making projects include the vending machines in the hospital, two Thrift Shops, the Memorial Fund, Baby Photo service and the Christmas Card project.

The Christmas Card project which began November 1 is in its tenth year. Contributions may be made at the Muleshoe State Bank, First National Bank, Poyner Whites Auto or given to any auxiliary

member.

Contributions may also be mailed to the auxiliary, 708 South First, Muleshoe.

A whirl pool bathing system for the nursing home will be purchased with the proceeds. "In 1977 the auxiliary purchased a whirl

pool, but in caring for the nursing home residents a second one is needed" says Mrs. Green.

"The auxiliary strives to purchase needed items for the hospital and nursing home that the budget won't allow" she continued.

Epsilon Delta Met In Sudan Saturday

The Epsilon Delta Chapter of the Delta Kappa Gamma Society International met Saturday,

October 31 at 10:30 a.m. in Sudan. The meeting was held in the Homemaking Cottage and the Sudan hostesses served a brunch from a table using the fall decor.

Mrs. Lucy Faye Smith, president, presided. Mrs. Harriett Cummings gave

the moment of meditation and Mrs. La Delta Vernon and Mrs. Charlene Reast gave reports from the Scholarships and Membership Committees respectively.

Mrs. Peggy Tooker, Area XI Coordinator from Abernathy, was a guest and commended the chapter for the good attendance and active involvement of the members.

Mrs. Nettie Belle Hilbun, Littlefield, issued the new yearbooks and introduced the program for the **Three Way 4-H Club Meeting Held**

The Three Way 4-H Club was called to order by President Belinda Wheeler. The members present were Belinda Wheeler, Robin Kindle, Gina Percy, Donae Parker, Michelle Lane, Mitzi Robertson, Larry Robertson, Jeanine Robertson and Staci Kirby. The Food Show was discussed and there will be a meeting held at the Three Way Home Ec Department on November 7, at 1:00.

meeting, "International Women's Decade, a Progress Report".

Sue Burgess, Chairman of the Personal Growth and Services Committee, and members Rudy Reid, Linda Campbell and Maisie McDonald presented a very informative and thought provoking program relative to the progress and achievements of women through the centuries.

Mrs. Dyanne Humphries, Sudan, closed the meeting by leading the Delta Kappa Gamma Song.

Muleshoe members attending were: Mrs. Carrie Lee Bishop, Miss Virginia Bowers, Mrs. Joyline Costen, Mrs. Dorine Harbin, Mrs. Harold Horne, Mrs. E.W. Johnson, Mrs. Jack Obenhaus, Mrs. Benny Pena, Mrs. Oscar Rudd, Mrs. Eric Smith, and Mrs. Elizabeth Watson.

Flowers

"Has the new florist any children?" "Yes, a girl who is a shrinking violet and two boys -- one a budding genius and the other a blooming nuisance."

NEW EQUIPMENT....Mrs. Eugene (Mildred) Redwine, an auxiliary member, is showing the new fetal monitor the Hospital Auxiliary purchased for West Plains Medical Center.

DEMONSTRATING CPR....Recording Resus Anne (mannequin) used in CPR training is another recent purchase of the Hospital and Nursing Home Auxiliary. Demonstrating its use is Mattie Hicks, Director of Nurses at West Plains Medical Center.

Save the water from boiling eggs. It contains minerals and makes a beneficial drink for your house plants.

TEACHING AID....This projector purchased by the Hospital and Nursing Home Auxiliary is used in training the nursing staff of West Plains Medical Center. Pictured (L to R) Joelene Swanner, Hospital Education Coordinator, and Dorothy Green, president of the Auxiliary.

OCTOBER PURCHASES....The Hospital and Nursing Home Auxiliary purchased four pieces of equipment for West Plains Medical Center in October. Among those purchases was this stretcher Mattie Hicks is showing.

YOUNG HOMEMAKER OFFICERS.....Officers of the Muleshoe Young Homemakers pictured (L to R) Nanette Soto, president; Pam Zwickey, first vice-president; Lisa Johnson, second vice-president; Varlie Reynolds, historian; Pam White, secretary; Elaine Stout, treasurer; and Karen Treider, parliamentarian.

Homemakers Meeting Held Tuesday

The Muleshoe Young Homemakers met Tuesday, Nov. 3. Maebell Francis of Silverton gave a program on stained glass. A Christmas auction was held, with Dorine Harbin as auctioneer. Each member was responsible to take one homemade item for the auction. On Nov. 12 the group will have a cake decorating demonstration at 7 p.m. at the high school. On Nov. 17 the group will meet at the high school then go to Pam Hancock's home to work on the Christmas float, for the parade on Dec. 5.

A demonstration on wreaths and table decorations will be held on Dec. 3. Chrsiti Waters of Southwestern Public Service will present a program on Christmas ideas Dec. 8. Secret pal gifts will be exchanged at this meeting. A family Christmas party will be held Dec. 10. Each member needs to take a party food. The party will be held at the high school. Santa will appear and have gifts for all the children.

Members present included Lisa Johnson, Nanette Soto, Pam Hancock, Nanette Robinson, Linda Turner, Julie Cathey, Pam White, Karen Treider, Pam Zwickey, Jean Richardson,

Varlie Reynolds, Liz Patterson and Julie Broyles. Guests present were Susan Wilson, Mary Ann Ramirez, Jenice Williamson, Terry Marricle, and Terry Byers.

Latest Arrivals

Anna Guadalupe Tello

Ms. Delia Tello is the proud mother of a daughter born at 2:59 p.m. November 2. The young lady weighed six pounds and two ounces and has been named Anna Guadalupe Tello.

She has three other children, Michell, five; Paula, two; and Albert Lee, one year of age.

Grandparents are Mr. and Mrs. Santos Tello of Neal Deal.

Second-hand computers can be a good buy, says Linda McCormack, a family resource management specialist.

They seldom wear out when cared for, she adds.

McCormack is on the home economics staff of the Texas Agricultural Extension Service, the Texas A&M University System.

Harold Horne Presents Alpha Zeta Pi Program

On November 3 at 7:30 p.m. members of Alpha Zeta Pi met at the High School cafeteria.

Harold Horne gave the program on the upcoming bond issue. After the program the members went to the home of Debbi Hutto.

The opening ritual was recited and Monica Reynolds was given transfer rituals. She is transferring from a Beta Sigma Phi Chapter in Littlefield.

A business meeting was held which included a discussion of the float for the annual Christmas parade. Those present also discussed and voted to donate trading stamps as a contribution to the Senior Citizens Complex.

The Bingo Carnival report was given by Debbi Nickels, treasurer. Money from the sale of money doll tickets is being given to the local Beta Sigma Phi City Council. It will be combined with money from the other two Muleshoe Beta Sigma Phi chapters and given to a local charity. At the end of the meeting the closing ritual and Mizpah were recited.

Hostesses Renee Anderson and Debbi Hutto served sweet and sour meatball hors d'ouvers, cheese balls, crackers, pretzels, and iced tea.

Those attending included Brenda Black, Peggy Pohlmeier, Debbi Nickels, Rickie Warren, Melissa Kelley, Marilyn Riley, Marilyn Saylor, Renee Anderson, Debbi Hutto, Monica Reynolds, Jan King, Tammy Black, Phyllis Woods, Alice Liles, Betty Bush, Paulette Cuevas and Sherri Hawkins.

WOTS Weekly Meeting

W.O.T.S. (Women of Talk Station) met for their weekly lunch at Tri-County Community Room on Nov. 5 with Faye Houston and Ann Vinson as the hostesses.

Members present were: Mildred Williams, Betty Moore, Nora Flanary, Rhonda Hugg and Aimee, Lois Martinec, Millie Mitchell, Mary Ann Ramirez, Pamela Thomason, Linda Cogliandro, Marv Smith, Kay Madry, Ann Vinson, Faye Houston, Zelma Toller, Charlena Lindt, Rhonda Carney, Deloris Sir, Thereasa Todd, Dell Aycock of Sudan, Cindy Bibby, Faye Welborn, Doris Fightmaster.

New members were: Betty Moore of Earth whose husband works for S.P.S. and Cindy Bibby whose husband, Kevin works for S.P.S.

The next luncheon at Tri-County will be on Nov. 12 with Marv Smith and Thereasa Todd as the hostesses.

For more information on W.O.T.S. please call Mildred Williams at 272-5260 or Lois Martinec at 272-3019.

Hobby Club

The Muleshoe Hobby Club met in regular session on Thursday, Nov. 5 with 18 members present. Those included Myrtle Chambless, Urel Whitt, Ruth Williams, LeVina Pitts, Bernice Amerson, Opal

Robinson, Ruth Bass, Mabel Caldwell, Sammie Ethridge, Ola Epperly, Allie Barbour, Myrtle Wells, Mae Loyd, Jo Wilson, Edith Fox, Dora Phillips, Mae Provence and Nan Gatlin.

Articles on display were an owl pillow, yarn poodle dog, napkin holders in needlepoint, pine cone turkey, Ma and Pa apple head dolls, ceramic cabbage bowl, hand painted china plate, shell star fish, ceramic owl, painted rock, crocheted owl, hand made king size quilt, sewing kit, crocheted needle holder, sequined Christmas cloth and drift wood with buck eyes.

An old toothbrush can loosen sticky dirt on the kitchen can opener.

Celebrate Rosh Hashanah with a special cake.

Chocolate-Coconut Pound Cake

- 2 cups unsifted cake flour
- 1 teaspoon double-acting baking powder
- 1/2 teaspoon salt
- 1 teaspoon vinegar
- 1/4 cup milk
- 1 cup butter or margarine
- 1-1/4 cups sugar
- 1-1/4 teaspoons vanilla
- 4 eggs
- 1 package (4 oz.) Baker's German's sweet chocolate, chopped
- 2/3 cup Baker's Angel Flake coconut
- 1/4 cup raisins
- Sweet Chocolate Glaze

Mix flour with baking powder and salt. Add vinegar to milk; set aside. Cream butter until light and fluffy. Gradually add sugar, beating thoroughly; add vanilla. Add eggs, one at a time, beating well after each. Add flour mixture alternately with milk; beat after each addition until smooth. Stir in chocolate, coconut and raisins. Pour into 9-inch tube pan, lined on bottom with paper. Bake at 325° for 1 hour and 15 minutes or until cake tester inserted in center comes out clean. Cool in pan 15 minutes. Remove from pan; finish cooling on rack. Top with Sweet Chocolate Glaze; sprinkle with additional coconut, if desired.

It's time for our 1981 Christmas Open House. We have many new Christmas floral arrangements and gifts.

Come and visit with us and begin the Christmas spirit Sunday, November 8, 1981 from 1:30 to 5:30 p.m.

Xi Omicron Xi Plans Christmas Home Tour

Xi Omicron Xi met with the other two chapters of Beta Sigma Phi on Tuesday Night, November 3, at the high school to hear a program presented by Superintendent Harold Horne on the proposed renovations of the Muleshoe schools.

Members were informed about the planned changes in each school and about the local bond election set for November 24. Everyone was encouraged to ask questions concerning the modifications needed to make the schools energy efficient and also, concerning the bond election needed to finance these changes.

Xi Omicron Xi members then adjourned to the home of Pat Black for their regular business meeting. Everyone was urged to bring the colored markers next meeting to make the posters for the Christmas Home Tour.

Tickets are on sale now from any Xi Omicron Xi member or at S&G Antiques for \$3.50.

The tour will be from 1-5 on Sunday, December 6, beginning with the Doyce Turner home. Other homes on the tour include those of J.D. Cage, Ben Green, Tommy Gunstream, Clinton Smith, and June Waggon.

Holiday refreshments of

punch and coffee, candy, cookies and breads will be served at the last house on the tour, the J.D. Cage home, and the door prize of a Christmas arrangement will be drawn for at 5:00. Tickets will also be available at the first house on the tour, the Doyce Turner home, on December 6.

The chapter Christmas party was set for Friday, December 4 at Sandi Chitwood's home. Names were drawn for the exchange of Christmas gifts and it was decided to bring gag gifts for the husbands.

Several members shared ideas for gag gifts as refreshments of meats, cheeses, crackers, chicken feed, mystery pecan pie, tea, coffee and cokes were served by the hostesses. Sandi Chitwood won the door prize of an antique bobbin candle holder.

Gordon Green Speaks To AAUW Members

The Muleshoe Branch of the American Association of University Women met Monday, November 2, at 7:30 p.m. in the home of Mrs. Gerald Allison. Mrs. Jim Shafer, Mrs. Robert Sanders, and Mrs. R.G. Wilson were cohostesses.

Mrs. Jean Allison introduced Gordon Green, executive vice-president of the Tri-County Savings and Loan Company, who spoke to the group on "Women and Money Investments: Legal Aspects". Green reviewed the new tax law that went into effect September 1, 1981, and briefed the women relative to investments, trusts, annuities, and the IRA.

Martha Kent, president, presided during the business session and called for reports from special committees. Mrs. Joyline Costen was selected to represent the Muleshoe Branch as the Outstanding Women in AAUW.

Miss Kristi Henry, daughter of Mrs. Marcia Dale Henry, was chosen as Girl of the Month.

Correspondence was read from Mrs. Jenne McVicker thanking the Branch for the fifty dollar contribution to the Senior Citizen Recreation Room and from Tracy Ellis announcing a Community Thanksgiving dinner at the First United Methodist Church November 12.

Carrie Lee Bishop announced the Children's Theater which will be presented by the Muleshoe High School Speech Department Wednesday, November 4, in the Muleshoe High School Auditorium.

Election...

Cont. From Page 1

less. Since newer, updated structures would require less maintenance.

Basic changes in most of the schools including closing of window openings, lowering of ceilings, installation of carpet in classrooms and other areas not covered with terrazzo tile, also, the change-over to individual heating and cooling units for each classroom. Present conditions necessitate that heating in the schools be left on a 24 hour basis. The installation of the proposed new equipment would eliminate this need.

One item of prime interest to voters is the tax increase that will follow the passage of this bond election.

According to figures compiled by the school financial advisor, a probable \$.13 increase per \$100 of value per year will be necessary. In other words, if a resident's current school tax is based on \$10,000, that resident would have a \$13.00 increase in his school taxes per year and so on up the scale.

Senior citizens, those who are 65 or older will not have their taxes increased by this bond election, as laws prohibit an increase of taxes for those in this category.

Farmers will also have a break on this, as farm implements, cattle and other farm products are exempt from school tax.

School financial advisors

Trustees...

Cont. From Page 1

Field will present the 1980-81 audit.

Other items include: consideration of personnel, approval of the 1982 textbook selection committee.

Mrs. Elizabeth Watson will be on hand for a presentation to the Board. Policies from Update 16 complying with HB 341 will be considered and approval will be secured to solicit bids for a vocational agriculture barn. Computer services for the school district will also be discussed, along with the appointment of standing committees for the school board.

Superintendent Harold Horne will give a report of school activities.

predict that the bond rate will be less in December, thus making the timing of this election of extreme importance.

When, and if this bond election is successful, construction could start in March or April of 1982 with completion projected sometime in the early fall of '82.

This election is an important one and, could well determine whether or not Muleshoe Schools will be able to continue the high level of education and facilities that has been present in the past.

Veterans...

Cont. From Page 1

deaths. (Authoritative statistics are not available for the Southern casualties.)

In contrast, 290,000 Americans fought in the Revolution, and 4,000 died in service. Out of 287,000 American participants in the War of 1812, 2,000 lost their lives in service.

During the Mexican War only 79,000 Americans were in uniform, yet 13,000 died in service.

In the Spanish-American War, 11,000 of the 392,000 U.S. participants died in service.

A total of 4,744,000 answered the country's call to arms in World War I, and 116,000 died.

World War II saw the greatest number of Americans ever in uniform--16,535,000 men and women. There were 406,000 deaths in service during that conflict.

During the Korean fighting, 6,807,000 saw service, and when it was over in 1955, 55,000 had died.

A total of 9,834,000 Americans were in service during Vietnam fighting. Of that number, 47,000 deaths were due to action of hostile forces.

done came right back at the Mules with Tucker's passing arm and Jackson's running ability putting them in position for a 28 yard scamper by Anthony Brady into the endzone for a TD and the extra point kicked by Montoya. The Chiefs proved tough on offense and defense both and Tucker was hard to contain. Also, Montoy, with his barefoot kicking was a great asset to the Chiefs. Friona led the Mules 14-10 and with .15 seconds left in the quarter, the Mules fumbled the ball on their own 19 yard line giving the Chiefs another chance at scoring with a field goal. Montoya's kick this time was into the wind and went wide for no score. At Halftime, Friona

with government programs involving other crops to receive payments under the cotton program, adds the economist.

still led the Mules 14-10.

The Mules came back into the second half fired up and hungry and Friona felt the heat of attack as the Mighty Mules took over the game. The Chiefs took the ball on the kick off, but were unable to get any further than their own 39 yard line. Mark Denny was injured in this series and J.J. Martinez did a super job in his stead. The Mules too possession of the ball on their own 35 yard line and Hysinger and Gonzales led the Mules 32 yards in the next three plays, and several more yards in the following plays, setting the stage once again for Hysinger to score the remaining 2 yards for the Mules' second TD. Hysinger kicked the extra point putting the Mules up 17-14 over the Chiefs.

Probably the most razzle-dazzle play came late in the third quarter when a 26 yard Gonzales pass, intended for Hysinger, was deflected by a Chieftain, only to fall right back into the waiting hands of Hysinger, who chalked up his third TD and third PAT following giving the Mules a total of 24 points over the trailing Friona squad's 14. Hector Orozco, who also had an outstanding game, was injured in this series of play with a sprained elbow.

Although the Mules lost two starting players in Orozco and Denny, that only served to light the fuse and they completely dominated the Chieftains in the remaining quarter. Mules defense held the Friona team to minimal gains and managed to contain the Tucker arm well, with several sacks and heavy pressure shutting down Chieftain offensive unit.

Ronnie Angely played a super defensive game as safety, Denny had an interception before sustaining the injury (a broken leg); Vela played super good, putting on heavy pressure. Martinez started at half-back for the first time and did a bang-up job, as did J.J. Martinez as defensive linebacker. The defen-

se played an inspired ball game which was especially outstanding in the second half. John Wuerlein had two quarterback sacks to his credit and Raul Garcia played well having some big hits, as did Thurman Coleman with the big plays against the Chieftains running game. Chubby Ramos probably showed the most improved defensive player in the second half as the Mules came on strong.

Hysinger proved to be the Golden Boy of the night, with three TD's, 3 PATs and 1 field goal to his credit ALL made possible of course by the expertise of the Big Mule's offensive unit. Hysinger had 26 carries for 163 yards; Orozco-7 for 73 yards; Gonzales 4 for 22, Denny 1 for 3 and Jeff Hamilton at wingback 1 for 2. Gonzales completed four out of ten passes for a total of 69 yards.

The Muleshoe Mules will meet the Littlefield Wildcats in Benny Douglas Stadium next Friday night for a championship game, and if Friday night was any indication, the Cats are in for a tough game.

Texas Number One For Small Business

State Comptroller Bob Bullock said it's no accident that Texas earned the top spot in the nation in a Boston business magazine's survey of states to locate small businesses.

Bullock said the October issue of INC. Magazine rated Texas as the number one overall place to run a small company.

"The healthy attitude Texas takes toward small business is a conscious policy which has been and must be tended to carefully at every level of government and economic life," Bullock said.

"If any state could be pegged as Number 1 overall as a place to run a small company, Texas would be

Agent Cautions Against Prussic Acid Poisoning

The recent frost that has occurred in Bailey County could lead to prussic acid poisoning in livestock grazing certain pasture grasses and forages, points out Spencer Tanksley, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Although many plants contain the toxic material that causes poisoning, those causing the highest mortality in livestock when grazing after they had been frozen and wilted are Johnson and Sudan grasses and sorghum or hybrids of these.

The most dangerous time as far as the grazing of these plants is concerned is following frost when the plant material begins to wilt, emphasizes Tanksley.

Livestock should not be allowed access to the wilted material until it has dried completely. This usually takes three or four days of good sunlight. New plant growth usually becomes nontoxic and can be grazed within 10 days to two weeks following a rain.

As far as prussic acid poisoning is concerned, the poison acts rapidly and can kill animals within minutes.

In most acute cases, animals become affected within 10-15 minutes after eating toxic material and can die in two to three minutes. Symptoms may include a brief period of stimulation followed by depression and paralysis. Signs of colic may be present. Stupor (loss of sensibility), difficult breathing and frequent convulsions may result. Death is caused by suffocation since oxygen remains in the blood and is not exchanged to the tissues. This also causes the blood to appear bright red.

To prevent prussic acid poisoning in livestock, Tanksley outlines these steps:

1. Allow plant material affected by frost to dry thoroughly before grazing. This may require a week or more of good sunlight.
2. Feed animals hay or a supplement before turning them in on plants that may contain prussic acid. Animals that are not hungry will not be affected as seriously by toxic material since their intake will be limited.
3. Remove all animals from the pasture if one in the herd show any signs of

poisoning. 4. Call a veterinarian immediately if an animal appears to be poisoned. An antidote to treat affected animals is highly efficient if given early. This product is available from veterinarians.

5. Have suspect plant material checked by the Texas Veterinary Medical Diagnostic Laboratories at College Station or Amarillo. Local veterinarians will be happy to submit samples for you.

The overall key to prevent prussic acid poisoning in livestock is to be aware of plant materials that may cause poisoning and then to keep cattle from grazing such plants until a safe period has passed, points out Tanksley.

Electricity.

Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

1. How much was your electric bill last month? \$ _____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____

Knowing what electricity is worth is worth knowing. Just look around.

Sudan News

By Evelyn Ritchie

The Cub Scouts met Tuesday evening at the Scout room in the Community Center with 7 members and one guest present.

This month's theme is on Indian Folk Lore and the boys reported on the projects they are making. Charles Williams is building an Indian Drum, others are building teepees and other things pertaining to Indians.

Terry Narramore read them a story of "Boy's First Indian Hunt", first steps to becoming a man.

Celia Kuykendall furnished refreshments for those attending who were Charles Williams, Trent Humphreys, Len Kuykendall, Shannon Fisher, Eloy Macias, Prospero Macias, Charlie Smith and guest Gabe Narramore.

Visiting in the home of Mr. and Mrs. Halbert Harvey this week is his sister, Marie Rhoades of Ft. Worth. She was also here to attend the 60th celebration for the First Baptist Church.

Jerry Price has been in the Veteran's Hospital in Amarillo for a check-up.

Mr. and Mrs. Harold May have returned home from a ten day vacation in California.

Kyle Minchew and Rosie Waller of Hereford visited during the weekend with their grandparents, Mr. and Mrs. Claude Kropp.

Visiting recently with Mr. and Mrs. George Collins were their daughter, Mr. and Mrs. A.M. Johnson, Teresa, Missy and Jerry of Bovina and Mrs. Bessie Lamb of Levelland.

Mrs. Joe Wilkinson had as a recent guest in her home, her nephew, M.B. Wilkinson of Wichita Falls who was enroute to see his sister, Mr. and Mrs. Jack Miller of Portales, N.M.

Mr. and Mrs. Frank Rone of Cross Plains were Sudan visitors during the weekend and visited friends and relatives and were here to attend the 60th anniversary celebration at the Baptist Church. Also visiting were their son and daughter-in-law, Mr. and Mrs. Tommy Rone of Lubbock.

Laci Ann Baker of Spearman has been visiting with her great grandmother, Mrs. Warena Roark.

Mr. and Mrs. Dexter Baker vacationed last week at Red River.

Mr. and Mrs. Horace Knox of Amarillo visited recently with Mrs. Faye Dorsey.

Brandon Anderson, son of Mr. and Mrs. Cary Anderson of Llano, visited recently with his grandparents, Mr. and Mrs. Bob Edwards while his parents vacationed at Lake Tahoe. Brandon also visited his aunt, Mr. and Mrs. Euene Lopez in Amherst and uncle, Mr. and Mrs. Pete Edwards.

Mr. and Mrs. Kim Engram and family of Amarillo visited during the weekend with his parents, Mr. and Mrs. Jack Engram.

Mr. and Mrs. W.C. Masten recently returned home from Salt Lake City, Utah where they visited their daughter, Mr. and Mrs. Gary West and family.

Mr. and Mrs. Dodd Haragan were in Odessa during the weekend for an art show.

Mrs. O.L. Shannon accompanied her brother, Mr. and Mrs. Elvin Johnston of Friona to Lake Texahoma for a visit with another brother, Mr. and Mrs. Kenneth Johnston.

Mr. and Mrs. Harold Nicholas of Ft. Smith, Arkansas visited last week with Mrs. Faye Dorsey.

Mr. and Mrs. Ricky Humphreys have been in Antonito, Colorado deer hunting for the past week. Their children, Clint and Mindy remained here with their grandparents, Mr. and Mrs. Olin Nix and Mr. and Mrs. John Humphreys.

Gaylon Burns, Coleman Terrell, Bobby Newman, and Jimmy Newman are among a group of men from Sudan and Amherst who have been deer hunting this past week in Antonito, Colo.

Mr. and Mrs. Richard Black have been in Austin to visit their son and daughter-in-law and to meet their first grandchild, Chelsea Gwyneth, who was born Wednesday, October 7 in Austin.

Mrs. Kenneth Wiseman has returned home from Mineloa where she visited their son and daughter-in-law, Mr. and Mrs. Brent Wiseman.

Tanya Ray, daughter of Mr. and Mrs. Jerry Ray and a student at Texas Tech, was among the top 10 finalists for Maid of Cotton. Her parents, along with her grandmother, Mrs. Mable Reed and Mary Hanna and Mechelle Edwards and Phyllis Lynn

attended the contest held Saturday at the Civic Center in Lubbock.

Mr. and Mrs. Richard (Clark) Black of Austin are parents of their first child, who was born Wednesday, October 7, 1981 in Austin.

The little girl was named Chelsea Gwyneth and weighed eight pounds and thirteen ounces and was twenty one inches long.

Grandparents are Mr. and Mrs. Richard Black of Lubbock and great grandparents include Mrs. H.E. Black of Lubbock and Lee Holtcamp of Littlefield.

Gloria Martinez, student at Wayland College in Plainview was home during the weekend with her parents, Mr. and Mrs. Incento Martinez.

Mr. and Mrs. Larry Bishop and Brandi of east Texas spent the past few days here with his mother, Mrs. Valda Bishop and sister, Lisa and his grandmother, Katie Turner.

Troy Waller of Amarillo visited during the weekend with his parents, Mr. and Mrs. Claud Kropp.

Gary Brown, a student at SPC in Levelland visited during the weekend with his parents, Mr. and Mrs. Gayle Brown.

Dr. and Mrs. Delbert Serratt and daughter of Amarillo visited during the weekend with his mother, Mrs. Louzelle Serratt and attended the 60th anniversary at the First Baptist Church Saturday and Sunday.

Dr. Evelyn Milam of Nevada, Mo. spent the weekend with her mother, Mrs. John Milam. She returned home Sunday.

Mr. and Mrs. Paul Gordon and children of Lubbock visited with his parents, Mr. and Mrs. Waymon Gordon and was here also to attend some of the 60th anniversary celebration at the Baptist Church.

Ricky Fisher, student at Texas Tech, visited during the weekend with his parents, Mr. and Mrs. Edward Fisher.

Rev. and Mrs. Moises

Padilla of Whitharrel visited Saturday evening and attended the Saturday portion of the 60th celebration at the Baptist Church.

Rev. and Mrs. Eddie Freeman and children of Bangs, Texas, were Saturday visitors and he brought the evening message at the 60th celebration at the Baptist Church. He is a former pastor of the church having been here 1972-75.

Mr. and Mrs. Calvin Vernon was in Tres Ritos, N.M. during the weekend in observance of their 24th wedding anniversary.

Mr. and Mrs. Jimmy Carpenter of Temple were weekend visitors in Sudan.

Mr. and Mrs. Calvin Bandy of Lubbock visited Saturday with his mother, Mrs. Jonelle Bandy and his sister, Mr. and Mrs. Gary Edwards and Mrs. Bandy attended the lullaby shower for Mrs. Edwards.

Mrs. Stella Chester of Littlefield visited Friday with Mrs. Annie Chester and Mrs. Viola Core.

Happy birthday to Brett Poe, Mary Harper and also to Jamie Cox.

Mr. and Mrs. J.K. Milam of Tullia visited with his mother, Mrs. John Milam. Her daughter, Dr. Evelyn Milam of Nevada, Mo. arrived during the weekend to visit with her also.

Those attending the 21st annual session of the Llanos Altos Baptist Association at the First Baptist Church at Earth, Friday, the 16th were Rev. Mike Heady, Mrs. Chester Pe-tree and Mrs. Bill Key.

Monica and Stephanie Minyard, daughters of Mr. and Mrs. Pat Minyard of Lubbock visited recently with their grandmother, Mrs. E.C. Minyard.

Mr. and Mrs. Clinton Jones of Crosbyton visited last week with his parents, Mr. and Mrs. Harold Ingle and was here to attend the funeral services for his grandmother, Mrs. Myrtle Jones.

MHS Volleyball In Action

Volleyball used to be played in the spring by the basketball players. Then, about seven or eight years ago the school board and the student body changed the playoff games to the fall, as it is done today. Coach Bob Graves states that the volleyball teams have improved from year to year.

The 1981-82 volleyball team is made up of 13 girls. They are Jackie Leyva, the 17 year old daughter of Daniel and Augustina Leyva. Jackie not only plays volleyball, but she also spends a lot of her time in auto mechanics. She is a junior and plays on the JV volleyball team. She says, "so far I have really enjoyed the school year, and volleyball is one of the

main reasons why. I may not be a good player but I try and give it all I've got."

Vicky Alarcon is the 17 year old daughter of Benito and Juanita Alarcon Sr. Vicky is a junior and is a setter on the JV team. She comments, "I enjoy playing on the JV team. I think we need more support from the teachers and students so we can have more spirit."

Virginia Garcia is 16 and she is the daughter of Chon Garcia. She is a sophomore and plays on the JV team. Virginia states, "the team is really active this year. More support would improve our goal."

Gloria Chavez is the 15 year old daughter of Mr. and Mrs. Leo Chavez, and is a freshman on the JV team. She says, "volleyball is a great sport because we are a team, not individuals."

Cristal Taylor is the 16 year old daughter of Otwell and Kathryn Taylor. Her activities include Children's Theatre, FTA, FHA, FCA, Muletrain-Mule's Tale staff and Student Council. She is a Junior and her comments are: "We have proved that we can win if we pull together and play as a team, not as individuals. If we can remember this we can win many more games."

Rachel Hodges is the 16 year old daughter of Mr. and Mrs. Johnny Hodges. She is also in FTA and Student Council. She is a sophomore on the JV team. She comments, "This year we really have a super team. The past few games have really been hard, but in this second half we will try our hardest to win. The girls are really trying hard to win."

Ginger Morris is a 16 year old junior player on the JV team. Her guardians are Tim and Greta McCormick and her activities include FHA. She comments, "I really enjoy playing volleyball this year."

Angie Salas is the 15 year old daughter of Mr. and Mrs. Lino Salas. She is a sophomore and often plays on the JV and Varsity team. She says, "I play both JV and Varsity, but we're both a pretty good team. We need more support from the teachers and student body, but they don't think we are competitive. Hopefully, with our potential we can make MHS Volleyball known!"

Ann Luna is the 17 year old daughter of Tony and Carolyn Luna. She not only

plays volleyball, but she also supports football. She is a Junior on the Varsity team. She comments, "This year we've tried hard and appreciate the people who have come to our games. Support hasn't been all that great but we're happy to have volleyball as a sport."

Debbie Hurtado is the 16 year old daughter of Mrs. Julia Hurtado. She is a Junior and plays on the Varsity team. She comments, "I think that we have a good team, but we just don't have the school to back us up. That puts our spirits low. We are going to try our hardest to show we are a good team."

Mary Jane Chavez is the 17 year old daughter of Mrs. Rosie Franco. She is a Sophomore and sets the ball for the Varsity team. She states, "We have a good team and we could win a lot of games if only we would all get serious and not take everything as a joke. I wish the school would back us up like we back football, basketball, etc. We would have better spirits if they did."

June Perez, the 17 year old daughter of Andy and Tina Perez, is a Junior and is a great spiker for the

Varsity team. She comments, "I am glad they have volleyball in this school even though there are few that play. We have really progressed this year and gained a lot of experience. I encourage every girl to join. It is a fun sport."

Delores Flores is the 17 year old daughter of Hector Flores. She is a member of Art Club and Senior setter and spiker on the

Police Report

The Muleshoe Police Department has been relatively quiet the past week with only four incidents being reported.

On October 31 a criminal mischief was reported involving paint being thrown on two vehicles parked at a residence.

Several newstands were taken from various locations in Muleshoe and reported to the police on November 2.

A bike was reported stolen from the porch of a city residence on the 2nd, value said to be \$100.

November 5, police received a report of a burglary of James Crane Tire Co. where 4 tires were taken from the front office. Value of the tires was \$100 each; a total of \$400.

Varsity team. She says, "Volleyball is a fun sport. This is my senior year and I have enjoyed volleyball for four years. Volleyball is not a very popular sport in Muleshoe High, but only because of the lack of interest in the sport itself. The school is not very supportive towards it."

Mary Ann Ybarra is the 15 year old daughter of Mr. and Mrs. Jesse Ybarra. She is a sophomore on the Varsity team. She says, "Our team has a lot of enthusiasm, and it has come a long way from the beginning of the year. I think this team can go a long way if we work together and if the student body will support us."

The Mule's Tale Staff wishes lots of luck for a good season.

Electricity tenderizes Texas beef

COLLEGE STATION — The tender steaks you've been buying at the meat counter or ordering in restaurants probably got that way because they were jolted with more than 500 volts of electricity, says a Texas A&M University researcher.

Meat packing plants across the country now routinely stimulate beef carcasses electrically.

"The process of electrical stimulation to tenderize steaks and make them more tasty has gained rapid popularity among meat packing plants," said Dr. Jeff Savell, an animal scientist in Texas A&M's College of Agriculture.

Arrest Made In Recovery Of Stolen Race Horses

Two running Quarter horse stallions, insured for \$15,000 and \$50,000, respectively, have been recovered in Northeast Tarrant County by Texas and Southwestern Cattle Raisers Association field inspectors and other law enforcement authorities, says Don C. King, TSCRA secretary-General manager.

Lucky DeLay, 43, a horse trainer from Southlake, Texas, has been charged with two counts of theft over \$10,000 in the case. He has been released from Tarrant County jail on \$20,000 bond.

DeLay has been accused of stealing Dude Raney, a three-year-old sorrel stallion insured by his owner, Rodney Attala of Brazil and Dallas, Texas, for \$150,000. Positive identification of the horse has been made by owner's U.S. agent and through records on file with the American Quarter Horse Association.

Dude Raney was reported stolen from his stall at Ross Downs in Colleyville, Texas, on May 7, 1981. He was recovered on Oct. 6 in Southlake.

DeLay also has been charged in the theft of Take A Chance On Me, a three-year-old black stallion, on April 2, 1981, at Ross Downs. Insured for \$50,000 by his owner, Al D. Hennessee of Houston, Texas, the race horse was recovered Oct. 7 in Southlake. The owner's trainer positively identified him.

Both horses were unharmed, but in poor condition when recovered, King said.

TSCRA field inspectors,

all certified peace officers working for the 104-year-old livestock producer organization, played a primary role in the investigation and subsequent recovery of the two horses, King said.

Veterans Q & A

Q-- My husband recently passed away and I received a Presidential Memorial Certificate. Can his parents receive such a certificate?

A-- Yes. His parents may send a request to the nearest VA regional office.

Since 1975, the Veterans Administration has conducted one of the most successful energy management programs in the federal government, saving nearly \$40 million in fuel costs.

Veterans Day 1981 will be observed on Wednesday, November 11, and the Veterans Administration is urging all Americans to commemorate the day by participating in their local community's observance.

CHAMPVA--the Civilian Health and Medical Program of the Veterans Administration--is a medical benefits program through which the VA helps pay for medical services and supplies obtained from civilian sources by eligible dependents and survivors of certain veterans.

As of June 1981, over 2 million veterans were receiving service connected disability compensation from the Veterans Administration.

Investigating officers include Tarrant County DA Tim Curry and his staff, agents of the FBI in Fort Worth, Texas Ranger Jack Morton, Southlake Police Sgt. Charles Dodson, TSCRA Field Inspectors Larry Gray, Eddie Foreman, Joe Ramer, R.A. "Slim" Hulien, Bill Hargis and TSCRA Special Assistant Cullen Robinson.

In an unrelated matter, DeLay and three other men are under federal charges of attempted extortion in Oklahoma involving an attempt to obtain shares in Special Effort, the first Triple Crown winner in Quarter horse history.

Breeding shares in Special Effort were reportedly sold for \$100,000 each before the stallion won the All American Futurity at Ruidoso Downs Sept. 7. The total breeding share package has been sold for \$15 million, according to the stallion's owners.

Crossed 'Em Up G. Man: Got away did he? Did you guard all the exits? Policeman: Yes, but we think he must have left by one of the entrances.

Easy "Pop, how do they catch crazy men?" "It's easy. A little rouge and lipstick, a new hair-do and a pretty dress."

The Sandhills Philosopher

Editor's note: The Sandhill Philosopher on his Johnson grass farm on Sandy Creek comes to the defense of Congress this week, sort of.

Dear editor:

I read a letter-to-the-editor in a newspaper the other day written by a college professor who said that one trouble with the country today is that the intellectual level of Congress is too low.

"On the whole," he wrote, "Congress is not smart enough to handle the problems facing the country."

He didn't suggest that the problems be turned over to professors, or editors or poets or school superintendents. He didn't say who to turn them over to. I sure don't want 'em. But on the question of how smart Congress is, don't underestimate that bunch.

For instance, they've got a job where they can set their own salary, something not allowed by professors.

But when setting your own salary, especially if you're raising yours while cutting others, and still managing to get re-elected is a ticklish task. Yet Congress, regardless of what that professor thinks, is smart enough to do it.

Down at the bottom of a mammoth bill that had to be passed by midnight to keep the government from running completely out of money, Congress eased in a rider putting future salary increases for itself in the hands of a presidential commission. When the commission says all federal workers get a raise, Congress automatically gets one too, without having to vote for it. All you have to do is see that the right people get on the commission. You call that dumb? You call that dumb!

Also, the rider included a stipulation that a Congressman can, if he can't live on his \$60,600 yearly salary, deduct his Washington living expenses from his income tax. That amounts to an average deduction for each member of \$13,500, maybe more if he has several kids and the price of groceries goes up, not to mention potato chips and soda water.

Thus while giving the people a 5 percent tax cut this year, members give themselves a 20 percent cut, plus the 5 percent they get too.

Very few outfits, regardless of intellectual levels, have the financial wizardry of Congress.

Prizes, Purses Announced For 82 Southwestern Show

A record \$400,000 in prizes and purse money was announced this week for the 1982 Southwestern Exposition and Fat Stock Show and Rodeo with the mailing of over 6,000 premium lists for the Jan. 27 through Feb. 7 exhibition.

President-manager W.R. Watt, Jr. said the 86th anniversary year of the Stock Show will be one of the best ever presented. He urged potential exhibitors to read the premium list carefully before mailing entries.

"Rules may have changed from last year," Watt said, "and a number of the exhibition times are different due to added classes in many departments." He said exhibitors who do not receive the book may request one at the Stock Show office P.O. Box 150, Fort Worth, Texas 76101 or pick up one at the office, 3400 Crestline.

Entry deadlines for cattle, sheep, swine, horses, donkeys and mules are Dec. 10 and for poultry, rabbits and pigeons are Jan. 15.

Junior division prem-

iums jumped more than \$4,000 to \$55,926. Two prestigious breeding cattle shows, the Register of Merit Hereford Show and the Standard of Perfection Polled Hereford Show, are scheduled along with 14 other cattle breeds.

Among the quality cattle auctions planned are commercial Hereford females: Angus, Shorthorn, Polled Hereford, Brahman, Maine Anjou, Simmental and Limousin. Sales are also scheduled for Paint and Quarter Horses and donkeys and mules.

A variety of breeds and types of horses will show an expected entry of over 2,000 head. The Quarter Horse division will be an approved point show for amateurs. Amateur numbers will be required on entry cards. Open and non professional cutting horse contest are on the schedule.

Mail order tickets to the 22 Rodeo performances are being accepted. Rodeos are set a 8 p.m. Jan. 27 through Feb. 7 at 2 p.m. Jan. 30 through Feb. 7 and at 10 a.m. Saturday Jan.

FFA Officers To Attend National Convention

★★★

Juniors Will Serve Thanksgiving Meal

The Junior class has put a great deal of work in the past events. The mum sale was set up for Homecoming, and the cake walk at the Halloween Carnival was held October 24. The next event will be November 13, when the Juniors will have a Thanksgiving Supper.

The mum sales were a big success. There were four sizes sold at \$10.00, \$12.00, \$15.00 and \$18.00, plus a boutonniere for \$4.00. Anything added to the mum was \$2.00. Juniors on the mum committee are to be congratulated for their success.

For this year's cake walk at the Halloween Carnival, there were committees to build the booth, to work during the cake walk, and to clean up. Thanks goes to the Juniors and their parents for donating the cakes.

For the Thanksgiving Supper to be held on November 13 in the High School cafeteria, tickets can be purchased from any Junior Class member. Also tickets may be bought at the door on Friday night.

Adult tickets are \$4.00 and children's tickets, \$2.50. Carry-out orders will be between 5:00 and 7:00 p.m. Calls will be accepted, beginning at 4:00 p.m. The menu will be turkey, dressing, green beans, potatoes, hot rolls, cranberry sauce, pumpkin cake, coffee, and tea. The Juniors hope to have a big success with their dinner and the Mules a victory over the Littlefield Wildcats.

FHA To Have Jazzercise

The local chapter of FHA will have an executive committee meeting on November 10, in the Homecoming department. Donna Horn will preside over the meeting. All officers are urged to attend.

On Wednesday, November 11, the chapter will have a general meeting with a guest speaker on jazzercise. All members and officers are encouraged to be present.

Mrs. Dorine Harbin and Mrs. Nonette Robinson are the FHA sponsors.

The officers of the Muleshoe Chapter of the Future Farmers of America will be leaving Tuesday, November 10, to attend the National FFA Convention in Kansas City, Missouri. The opening session of the convention will be a 7:30 p.m., Wednesday, November 11. The closing session will be at 8:00 p.m. Saturday, November 14. The convention will be at the Municipal Auditorium and H. Roe Bartle Exhibition Hall in Kansas City.

There will be between 20,000 and 25,000 people from across the nation and foreign countries attending the convention.

Each chapter in the nation is limited to six chap-

ter officers or 10 percent of the chapter membership. Some activities to be held include: Convention sessions including inspirational speakers, National FFA Officer addresses, award, and degree presentations and audio visuals; and educational tour to Amco Steel, Allis Chalmers combine plant and the Agriculture Hall of Fame. More than 2,500 students will receive awards and 1,500 will compete in the 11 national contests. The National Band, Chorus, Talent, Courtesy Corps, and News Corps will involve another 500 students.

The chapter officers to attend the convention are President Starla Black, Vice-President Curtis Whee-

ler, Secretary Kay Lynn Prather, Treasurer Kellie Overman, Reporter Tamara Gilliland, Sentinel Alan Fine, Historian Jay Pearson, and Chaplain Kim Farmer. Mr. Carl Wheeler, Advisor, will also accompany the officers.

MHS Drama Department Busy

On November 2, the play casts presented two plays for the public, starting at 8:00 p.m. "A Tree Fell in the Forest" was the first play and Shelli Walker played the part of the Girl. Freddy Vela played the part of the Boy. The Chorus members in this play were Danny Seales, Sandra Graves, Krsiti Henry, Sheir Ellard, Monty Hysinger, Wayne Precure, Larry Norman, Brenda Flowers, Betsy Lunsford, Sheila Long and Tammy Nowell.

"Androcles and the Lion" was the second play, and Scott Ellard played the part of Androcles; while in contrast, Belinda Clayton played the Lion. Pantale was played by David Pruitt. Sammy Gonzales played Captaino. Isabella was played by Cristal Taylor and Lelio was played by Jeff Combs. This play was also presented Wednesday morning for the Elementary and Junior High schools in the Children's Theatre, sponsored by the American Association of University Women.

Thanks goes to everyone who attended the performances.

Calendar Of Events

FIRST PLACE WINNER.....The door belonging to the resource room won 1st place in the Homecoming door contest, sponsored by the Student Council. Mrs. Molly Degge and Mrs. Mary Nell Bleeker are sponsors.

Student Council Has Busy Month

The month of October has been a very busy but prosperous month for all Student Council members. Everyone has seemed to get involved and interested in the many projects sponsored by the Council.

Five spirit horns were ordered early in the month to boost spirit at the football games. Vice-President Wayne Precure was put in charge of checking them out to classes and organizations and also seeing that they were returned. Janet Shain, the beat tag chairman, has reported four prosperous weeks. The townspeople and school students have supported this project willingly and have proved to be spirit boosters for the Mules.

The constitution committee composed of sponsor Keith Taylor, Jan Whitt, Wayne Precure, Monty Hysinger, Robin Burgess, Susie Pierce, Zeke Contreras, and Cristal Taylor met Sunday, October 4. The constitution was updated and many changes were made.

The first blood drive for this year has been planned for November 25. Hopefully many of the townspeople will donate blood helping to make this a successful drive. Also, a Christmas concert has been scheduled for December 18. The Mighty 'M' Band will perform while entertaining the students and teachers with Christmas carols.

A spirit committee was formed to order pom-poms and bells. This new project worked very well. All pom-poms and bells have al-

The annual Homecoming exes tea was very successful. Many former graduates attended, reminisced, and laughed while looking at old annuals.

The Football raffle went very well. All the members of Student Council sold their share of tickets for 25 cents each. Marsha Williams was the winner of the football painted by Susie Pierce, SC historian.

A spirit bus was agreed upon to be sponsored by the Athletic boosters for the students who needed transportation to the out of town games. This would cost each student \$4.00. Only a few students were interested each week so this project was dropped.

Plans have been discussed for a possible assembly sometime between January 11-February 19. The Student Council members voted to ask Burton Pantomine to return and provide the entertainment. Further details will be made and finalized.

The Student Council District Convention will be held the first week in January. The members who wish to volunteer will travel to Levelland with sponsors Lola Pylant and Keith Taylor. All members are urged to attend.

Many thanks go out to the Student Council members and the townspeople for all their support in making October such a successful month.

RULES RELAXED

Despite objections that more children will be poisoned as a result, a federal commission decided recently to allow...

DRAMA PRODUCED.....A scene from the Muleshoe High Drama department's production of "A Tree Fell in the Forest" is seen above. The play was presented Monday night.

Senior Supper Successful

The Senior class held the supper preceding the Muleshoe Mules and Dimmitt Bobcat game, Friday, October 30.

The supper consisted of ham, baked beans, potato salad, rolls, and coffee or tea. Seniors helped with serving and taking carry out orders for those unable to attend.

The Senior class would like to say thanks for supporting the class by attending the supper. It proved to be a great success. A great big thanks goes to the Senior sponsors, Mr. Stephen Johnson and Mrs. Pat Black, for preparing and organizing the feast. Also, we could not have done it without the mothers there to help. Thanks to all of you!!!

The Senior class officers

in the Library to discuss the company from which the Senior invitations will be ordered.

DRUG QUIZ

by Curt Scarborough, Ph.D.
 Used by permission; all rights reserved by DATE, St. Louis, Mo.

QUESTION - The mood-moderating, perception-altering ingredient in marijuana and hashish is:

- a) Cannabis
- b) LSD
- c) THC
- d) Opium

ANSWER - The active ingredient is tetrahydrocannabinol or THC. Scientific studies have shown that THC remains in the body tissues for long periods of time. The exact extent of damage caused by chronic, long-term smoking of marijuana is unknown, but general agreement exists among professional researchers that marijuana (THC) is not harmless.

Correct answer - c.

Do you have a question...

Bond Election Needs Support

Thursday, October 19, the M.I.S.D. School Board met to discuss a two million dollar bond election for school improvements. These bonds are the schools' way to borrow money, promising to pay it back yearly within a ten year period. The approval from the majority of qualified voters in the district is needed before further plans are made. Tuesday, November 24, will be the important election day. The polls will be set up in the High School cafeteria.

If the bond sale is approved, there will be a period of time when the board will work with engineers, designers, and contractors concerning bids for the work needed to be done. It is possible for the improvements to begin in the spring of 1982 and complete in the fall.

The many needs of each campus have been cut into priorities. The High School building was placed first on the list followed by Neal B. Dillman Elementary, Jr. High, and Mary De Shazo with similar needs.

With the High School building being the number one priority, many improvements are being planned. The major concern will be to make the building as energy efficient as possible. The closing of exterior windows and insulating these closures will help in this respect. A decorative outside covering will be placed on the outside of the building where the windows are now. The ceilings will be lowered and insulated. Carpet will be installed in the rooms, but not in the halls. Paint and new trim will be purchased for the walls. The present heating system will be removed and replaced with individual heating and air conditioning for each room. The new restroom facilities will include tile, flooring, stalls, sinks, and commodes. The auditorium will receive new seats, carpeted aisles, heating and cooling, and a general overhaul of the lobby area.

Work similar to this will

door physical education facility. This is badly needed and will provide a place for the children to play in the colder weather.

The polls will be open Tuesday, November 24, from seven a.m. to seven p.m. in the High School cafeteria. All qualified voters are urged to come and vote.

Your support is greatly needed because these school buildings have had no major renovation in a long period of time. The taxpayers have a tremendous investment in these buildings, but repair is obviously needed to maintain the usability of these educational campuses. As the television commercial says, "You can pay me now or pay me later, but the 'pay me later' will cost a lot more."

New material may replace asphalt

COLLEGE STATION - A transportation researcher says within 10 years an experimental highway material using sulfur may begin to replace asphalt in many of the nation's roads.

The new mix, a plasticized sulfur called sulphex, could be particularly superior to current asphalt binders in the massive interstate highway system which is now 25 years old and is beginning to show signs of major disrepair, said Dr. Dallas Little, a civil engineer and researcher for the Texas Transportation Institute.

Little said in smaller roads where the layers of highway material were both thinner and fewer in number, traditional asphalt might prove superior.

Strong discipline deters crime

COLLEGE STATION - State Attorney General Mark White recently told school administrators meeting at Texas A&M University that stronger discipline in the public schools will be a major ingredient for curtailing the number of people that go to prison.

"The Texas Department of Corrections has over 30,000 prisoners confined today, which is the largest prison population of any state in the country and more than all the federal prisons put together," White said.

White said one fourth of Texas prison inmates are 22 years old or younger, "and 99 percent of these youngsters' problems started back when they were attending school."

"Sometimes we wait too late in the education game to identify the problems associated with the lack of discipline," he said. "We should not only work towards stronger discipline,

USDA Lowers Income Lenut For Food Program

New U.S. Department of Agriculture income eligibility guidelines issued today will lower the maximum income limit of people receiving benefits under the Special Supplemental Food Program for Women, Infants and Children.

According to Assistant Secretary of Agriculture Mary C. Jarratt, the new rules will set the maximum income limit at 185 percent of the official poverty line instead of the previous 195 percent of poverty, plus a standard deduction.

"The change will allow more of those at the lower end of the income scale to participate, by removing from eligibility some people at the higher income limit," Jarratt said. "It is a matter of targeting benefits so those in greatest need can be served."

States may set their own income cutoff limits any-

where between the new federal guidelines and their own limit for free or reduced-price health care. However, income limits may not be set lower than the poverty line.

To qualify for participation in the program under the new federal limits, the annual income for a family of four may not exceed \$15,630, or 185 percent of the poverty line.

Previously, the same family was eligible for the program with an income, plus a standard deduction, that totaled \$17,560.

About 2.2 million participants now receive nutrition education and health benefits from the program, which is administered nationally by USDA's Food and Nutrition Service.

The program provides supplemental foods and nutrition education to pregnant and breastfeeding women and infants and

children up to age 5 from families with an inadequate income who are at nutritional risk, Jarratt said.

The new rule implements a provision of the Omnibus Budget Reconciliation Act of 1981.

The program is operated in cooperation with 50 states, the District of Columbia, the Virgin Islands, Puerto Rico and 29 Indian agencies. USDA provides cash grants for the program to state health departments, which in turn distribute funds to participating local agencies to provide the supplemental foods to program participants and for specified administrative costs, including those for nutrition education.

Three categories of food packages are issued each month. Each package cost USDA about \$28 per month. Regulations specify the

maximum quantities and types of foods provided. The foods include infant formula, cereal and juice for infants.

Children and pregnant or breastfeeding women may receive milk, cheese, cereal, juice, eggs and dry beans or peanut butter.

Non-breastfeeding, postpartum women may receive milk, cheese, cereal, juice and eggs. There is also a special package for women and children with special dietary needs which includes formula, cereal, and juice.

The new income guidelines for all family sizes for the continental U.S., as well as guidelines adjusted for the cost of living for Alaska, Hawaii, and Guam will be published in the September 25 Federal Register.

Cutting Horse Finals Scheduled In Amarillo

Competition in the National Cutting Horse Finals will begin Wednesday at the Tri-State Fairgrounds Coliseum as 150 of the nation's top-ranked cutting horses compete for a record \$62,000. Eliminations are scheduled for 9:00 a.m. Wednesday-Saturday. Finals will be held Friday and Saturday evenings at 8:00.

The Finals will feature competition in the "open" and "non-pro" divisions. Any competitor may compete in the open division, while the non-pro division is restricted to riders who do not train or show cutting horses for pay, other than premium money.

Leading the open division is Doc's Marmost, owned by Bob Condie, Salt Lake City, Utah, with earnings of \$43,855 and ridden by Tom Lyons. Quilchina Bar, owned by Dix Turnbow, Brenham, Texas and ridden by Bill Glass, is second in the division with \$39,358. With less than \$4,500 separating the two, the 1981 NCHA World Champion will be decided during the Finals' competition.

In the non-pro division a husband and wife team are separated from first and second place by only \$145. Mary Jo and Jim Milner, Irving, Texas, have earned \$49,467 and \$49,322 respectively. Therefore, their placings in the Finals will determine the non-pro NCHA World Champion for this year.

Sponsoring the Finals are the Outfit Club of Amarillo and the NCHA, headquartered in Fort Worth, with each adding \$10,000. An additional \$5,000 will be added by Auction Sales Company, Jerry Mills, Auction Sales Company, will conduct a

sale Wednesday evening, November 4, where approximately 60 quality Quarter Horses will be sold. The added purses coupled with \$250 entry fees assessed each entry will be awarded to the top horses in each division.

Tickets are \$5 per person per day and \$3 for each evening's performance, and will be available at the Tri-State Fairgrounds Coliseum. Children twelve and under will be admitted free.

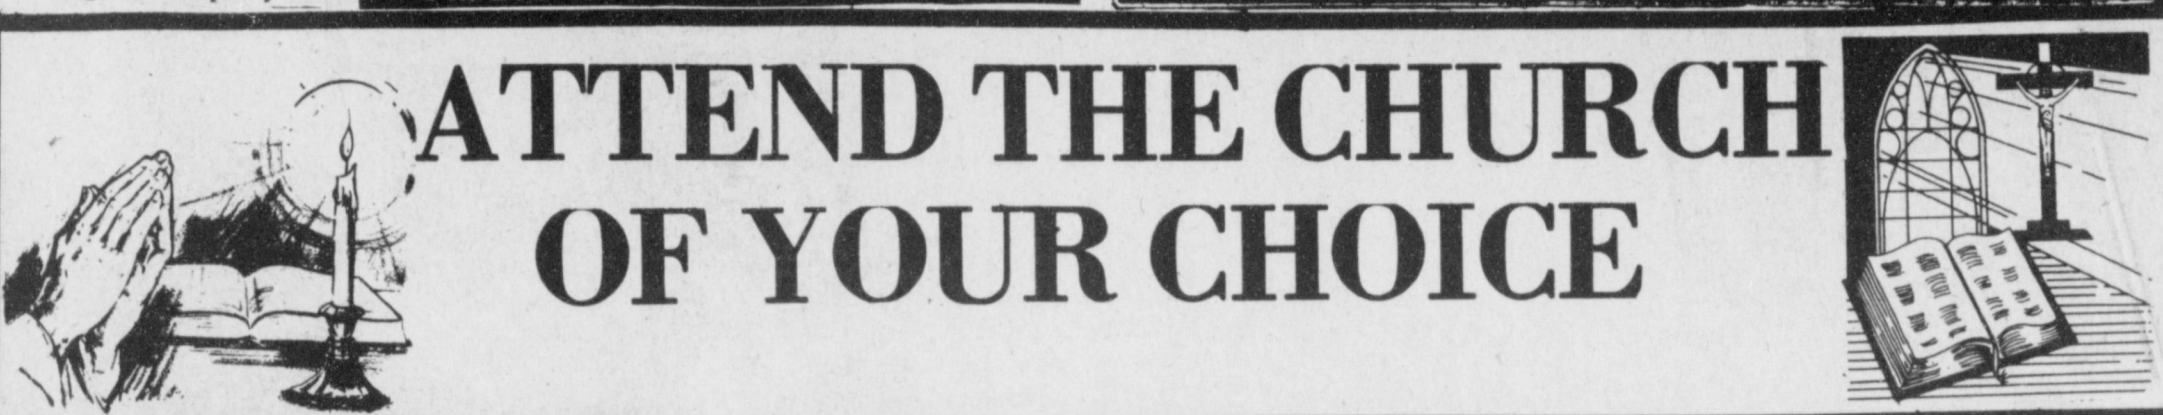

By **Bill Wooley**

agri-facts
Another element for increased wheat yields: phosphorus. Increased use of nitrogen on fallow winter wheat, eco-fallow wheat and on continuous-cropped areas means growers should be highly attentive to the second most limiting element - phosphorus. Recently completed University of Nebraska research has indicated phosphorus-deficient soils can yield 8 to 12 bushels per acre less wheat than those fertilized, according to the recommendations of soils labs. Strict attention should be paid to the phosphorus content, according to the Nebraska agronomists. Phosphorus can increase tillering, improve winter hardiness by better root system development and generally advance plant maturity. Calculations also indicate higher yields are accompanied by lower production costs and higher net profits per acre.

ATTEND THE CHURCH OF YOUR CHOICE

WORLD WIDE INTEREST

Many good organizations are working with our youngsters, developing an interest in other lands and the ones who dwell there. The church through God's word also teaches us about our neighbors and what our attitude should be toward them. *The earth is the Lord's and the fulness thereof; the world, and they that dwell therein.*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

VETERANS DAY

NOVEMBER 11, 1981

On this day, the 11th of November, we would like to pay tribute to all those courageous men and women who fought, suffered and died to defend our country. We dedicate this day and remember them, especially today and each day throughout the year.

Public Notice
RESOLUTION AND ORDER CALLING BOND ELECTION

THE STATE OF TEXAS
COUNTIES OF BAILEY
AND LAMB

MULESHOE
INDEPENDENT SCHOOL
DISTRICT

WHEREAS, the Board of Trustees of the MULESHOE INDEPENDENT SCHOOL DISTRICT has determined that an election should be held to ascertain whether said governing body shall be authorized to issue bonds of said District under the provisions of Chapter 20 of the Texas Education Code, including Section 20.04 (b) (1) thereof; now, therefore,

BE IT RESOLVED AND ORDERED BY THE BOARD OF TRUSTEES OF THE MULESHOE INDEPENDENT SCHOOL DISTRICT:

SECTION 1: That an election shall be held on the 24th day of November, 1981, in the MULESHOE INDEPENDENT SCHOOL DISTRICT for the purpose of submitting to the resident qualified electors of said District the following proposition:

"SHALL the Board of Trustees of the MULESHOE INDEPENDENT SCHOOL DISTRICT of Bailey and Lamb Counties, Texas, be authorized and empowered to issue the bonds of said District to the amount of \$2,000,000 for school building purposes, to wit: the construction and equipment of school buildings in the District, and shall there be pledged and levied, assessed and collected annually ad valorem taxes on all taxable property in the District sufficient, without limit as to rate or amount, to pay the principal of and interest on said bonds as the same become due said bonds to be issued in one or more series or issues, to mature serially or otherwise not more than FORTY (40) years from their date, and to bear interest at such rate or rates (not to exceed the maximum rate permitted by law at the time of issuance of the bonds) as in its discretion the Board

of Trustees shall determine?"

SECTION 2: That the entire District shall constitute one election precinct for this election and the polling place shall be the High School Cafeteria, 400 Block, Avenue G, Muleshoe, Texas. The persons hereby appointed to serve as officers of this election at said polling place are as follows:

DOYLE KING
PRESIDING JUDGE

MANUEL BALDERAS
ALTERNATE PRESIDING
JUDGE

The Presiding Judge shall appoint not less than two (2) nor more than six (6) qualified clerks to serve and assist in holding said election; provided that if the Presiding Judge herein appointed actually serves, the Alternate Presiding Judge herein appointed actually serves, the Alternate Presiding Judge shall be one of the clerks.

On election day the polls shall be open from 7:00 a.m. to 7:00 p.m.

HAZEL GILBREATH is hereby appointed the Clerk for absentee voting for said election, and the County Clerk's Office, Muleshoe, Texas (Mailing Address: Bailey County Courthouse, Muleshoe, Texas 79347) in said District, is hereby designated as the place at which absentee voting shall be conducted for said election. For the period absentee voting is permitted by law, the hours designated for absentee voting by personal appearance shall be from 8:00 a.m. to 5:00 p.m. on each day except Saturdays, Sundays and official State holidays.

SECTION 3: That paper ballots shall be used for said election, which ballots shall be prepared in accordance with the V.A.T.S. Election Code so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid proposition which shall be set forth in substantially the following form:

"THE ISSUANCE OF BONDS IN THE AMOUNT OF \$2,000,000 AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

The word "FOR" and beneath it the word "AGAINST" shall be made to appear on the left of the proposition. A square shall be printed on the left of each of the words "FOR" and "AGAINST", and each elector shall place an "X" in the square beside the statement indicating the way he wished to vote.

SECTION 4: All resident qualified electors of the District shall be permitted to vote at said election. In addition, this election shall be conducted and held in accordance with the provisions of the Texas Election Code except as modified by the provisions of the Texas Education Code, and as may be required by law, election materials and proceedings for this election shall be printed in both English and Spanish.

SECTION 5: A substantial copy of this resolution and order shall served as proper notice of said election, and said notice, including a Spanish translation thereof, shall be published one time at least ten (10) days prior to the date set for the election in a newspaper of general circulation in the District.

PASSED AND APPROVED, this the 29th day of October, 1981.

Muleshoe Independent School District
RESOLUCION Y DECRETO DECLARANDO UNA ELECCION DE BONOS

EL ESTADO DE TEXAS
CONDADOS DE BAILEY
Y LAMB

DISTRITO ESCOLAR
INDEPENDIENTE
DE MULESHOE

VISTO QUE, la Junta Directiva del DISTRITO ESCOLAR INDEPENDIENTE DE MULESHOE ha determinado si dicho cuerpo directivo debera ser autorizado a emitir bonos de dicho Distrito bajo las esti-

pulaciones del Capitulo 20 del Codigo Educativo de Texas, incluyendo la Seccion 20.04 (b) (1) de eso; ahora, por consiguiente, SE RESUELVE Y SE DECRETA POR LA JUNTA DIRECTIVA DEL DISTRITO ESCOLAR INDEPENDIENTE DE MULESHOE:

SECCION 1: Que Una eleccion tenga lugar en el Distrito Escolar Independiente de Muleshoe el dia 24 noviembre de 1981, con el fin de presentar a todos los residentes con derecho de votar del Distrito la siguiente proposicion:

"¿Debera la Junta Directiva del DISTRITO ESCOLAR INDEPENDIENTE DE MULESHOE de los condados de Bailey y Lamb en Texas, ser autorizada y otorgada el poder de emitir bonos de dicho Distrito por un total de \$2,000,000 para edificios escolares, o sea: la construcción y el equipo de edificios escolares en el Distrito, y habra de ser caucionados y gravados, tasados y anualmente cobrados los impuestos segun el valor de todas las propiedades imponibles en el Distrito, sin limite en lo que se refiere a la cantidad, para pagar el principal e interes de dichos bonos cuando los mismos venganz, dichos bonos a ser emitidos en una o más series o emisiones a vencer en forma escalonada o de otra manera por un periodo no mayor que CUARENTA (40) años a partir de la fecha de emisión y a devengar interes al porcentaje o porcentajes (a no sobrepasar el porcentaje máximo permitido por la ley al emitir los bonos) a ser determinado a voluntad de la Junta Directiva?"

SECCION 2: Que todo el Distrito forme un recinto electoral para esta eleccion y el lugar para votar sera la cafeteria en la Escuela Secundaria, 400 Block, Avenue G, Muleshoe, Texas. Las personas por este medio nombradas para servir los cargos de oficiales de esta eleccion en dicho lugar para votar seran las siguientes:

DOYLE KING
JEUZ ACTUANTE

MANUEL BALDERAS

JUEZ ACTUANTE SUPLENTE

El Juez actuante nombrará no menos que dos (2) ni más que seis (6) oficiales calificados para trabajar y ayudar en dicha eleccion; contal que si el juez actuante aqui dentro nombrado desempeña sus funciones, el juez actuante suplente sera uno de los oficiales.

Durante el dia de eleccion los lugares para votar estaran abiertos desde las 7:00 de las manana hasta las 7:00 de la noche.

Se nombre por este medio a HAZEL GILBREATH como oficial de los votos absentistas para dicha eleccion, la oficina de Escribiente de Condado, Muleshoe, Texas (Correo: Bailey County Courthouse, Muleshoe, Texas 79347) en dicho Distrito se designa por este medio como el lugar para registrar los votos absentistas en dicha eleccion. De acuerdo al periodo del voto en ausencia permitido por la ley, las horas nombradas para registrar los votos absentistas hechos en persona seran desde las 8:00 de la manana hasta las 5:00 de la tarde todos los dias con la excepcion de los sabados, domingos y los dias de fiesta oficial del Estado.

SECCION 3: Que se empeen balotas electorales de papel en dicha eleccion y que se preparen las cuales balotas de acuerdo con el Código electoral, V.A.T.S. de manera de permitir a los electores votar "EN PRO" y "EN CONTRA" a la antedicha proposicion que se presentara de la siguiente manera:

"LA EMISION DE BONOS POR UN TOTAL DE \$2,000,000 Y EL GRAVEMEN DE IMPUESTOS EN PAGO DE ESTO"

Se pondran las palabras

"EN PRO" y bajo ellas las palabras "EN CONTRA" a la izquierda de la proposicion. Se dibujara un cuadro a la izquierda de las palabras "EN PRO" y "EN CONTRA", y cada votador pondra una "X" en el cuadro al lado de la proposicion indicando como desea votar.

SECCION 4: A todos los residentes con derecho de votar del Distrito se les permitira votar en dicha eleccion. Además, se dirigira esta eleccion y esta eleccion tendra lugar de acuerdo con las estipulaciones del Codigo Electoral de Texas fuera de las modificaciones hechas por las estipulaciones en el Código Educativo de Texas; y como pueda ser requerido por la ley, se imprimirán los materiales de la eleccion y los procedimientos para esta eleccion tanto en ingles como en español.

SECCION 5: Una copia fidedigna de esta resolucio y decreto servira como aviso adecuado de dicha eleccion y se publicara dicho aviso, incluyendo una traduccion al español de esto, en el periódico de circulacion general en el Distrito al menos una vez diez (10) dias antes de la fecha establecida para la eleccion.

ACEPTADO Y APROBADO, este dia 29 de octubre de 1981.

Energy awareness reduces monthly bills

COLLEGE STATION — Turning off the lights when you leave a room for more than three minutes saves money, say experts at the Center for Energy and Mineral Resources at Texas A&M University.

That is one of the tips offered in "Texas Energy," the center's monthly consumer publication. Among the suggestions to help renters save energy and reduce utility bills:

— Major appliances account for 20 to 30 percent of all energy used in the home. Energy can be saved by lowering the thermostat on the hot water heater, as well as by insulating the heater tank and the hot water pipes, the publication says.

— When washing dishes in the sink, fill the sink and plug it instead of letting water run constantly. If using a dishwasher, stop the machine before it gets to the dry cycle and let dishes dry in the air. Run the dishwasher only when full.

— A four-minute shower uses less water than a bath. A flow restrictor attached to the shower head can cut water flow from eight gallons a minute to two.

— When cooking, preheat the oven for only five minutes or not at all, says the energy publication. For oven-cooked meals, turn heat off for the last 10 minutes. Boil or heat on the range with a cover on the food to save a third of the energy normally used.

THANKSGIVING GRAIN PETITION

WE, THE UNDERSIGNED, PETITION the Congress and the Department of Agriculture to intervene in the export grain market to stop sales at prices that are below the farmers cost of production. At such prices, export sales have grown to over one-third of U.S. production. This under-priced grain goes to such wealthy trade competitors as Japan and OPEC countries, and even the Soviet Union.

IT IS FITTING THAT THIS IS A THANKSGIVING PETITION. Let's be more responsible and respectful of God's gifts. Present policies are destroying both family farm agriculture and our irreplaceable topsoil. We are not mindless of the world's hungry. U.S. grain sold to poor countries at low prices discourages their agriculture.

A PROPOSAL by Congressman Weaver, of Oregon, would have authorized setting a floor price on grain exports. It was defeated in the House of Representatives on October 20, after opposition from the Department of Agriculture and multinational grain traders. We urgently petition the administration and the Congress to reconsider the facts of our agricultural and export policies that make the Weaver proposal so important.

Name (Printed) signature address

Cut out and mail by December 1 to:

THANKSGIVING PETITION,
Box 69, 100 Maryland Ave. NE,
Washington, D.C. 20002

Note: If you want follow-up info, names of contact-people in your state and date/place of petition presentation (you'll be welcome!), please mail one dollar and a stamped self-addressed envelope.

Miss Texas National Teen-ager '82 Sought

The 11th annual Miss Texas National Teen-Ager Pageant will be held at Texas Christian University in Fort Worth on June 4, 5, and 6, 1982. Young ladies between the ages of 13 and 18 years of age are invited to participate. Finalists are judged on scholastic achievement-leadership; poise personality; and appearance. There is no swimsuit competition. Each finalist will present a talent (either visual or performing arts) or at her option an Essay on "What's Right About America" before a special panel of judges.

This program is the Official State preliminary to the Miss National Teen-Ager Pageant which will be held in Fort Myers, Florida in August, 1982. The Texas winner will receive, among other prizes, a \$1,000 cash scholarship, a full Modeling Course Scholarship from Barbizon International, and an all expense paid trip to compete in the National Pageant. In the National Pageant all 50 States, the District of Columbia and Puerto Rico are represented by a winner selected in State-wide competition. The National Program is nationally syndicated for television with Pat Boone as guest star.

The 1982 National Pageant will award, among other prizes, \$20,000 in cash scholarships for use at the college of the winners' choice; a \$3,000 personal appearance contract, 1982 Mazda GLC Deluxe, a Fashion Merchandising Course Scholarship from Barbizon International, a tour of the United States and Europe.

In 1981, State Pageants were held in participation with 41 colleges and universities. More than \$400,000 in cash, tuition scholarships and awards were paid to participants in State Pageants.

The Texas participant who receives the Texas Citizenship Award which is based on scholastic achievement and leadership will receive a \$4,000 tuition scholarship to Eckerd College in St. Petersburg, Florida; she will then compete regionally for a \$10,000 tuition scholarship (5 are awarded) and also for the National Citizenship Award of \$20,000 college expense scholarship from Eckerd College.

Each finalist will participate in the Volunteer Community Service Program, which is designed to promote teen involvement and participation in volunteer civic and community affairs. A Mini-Modeling Charm Course will be given during the three day State pageant. Miss Nancy Daniel of Hamshire is the reigning Miss Texas National Teen-Ager and will participate in the activities and crown the 1982 winner. Texas teenagers, who wish further information to participate, may write to Mrs. Sybil Shaffer, Director, 215 Piedmont Avenue, N.E., Atlanta, Georgia 30308. Telephone (404) 659-4610.

Chivalry

A man's inclination to defend a woman against every man but himself. -Coast Guard Magazine.

Canny

The canny working girl knows it is one thing to be wed and quite another to be fed. -Journal, Winston-Salem.

Jealousy

Girl, describing a newly engaged couple to a friend: "They're nice, except for her." -Record, Columbia, S. C.

Too True!

Many a man's good fortune is due to the will power of a deceased relative. -Irish Digest.

Scanning Social Security

Today's column discusses disability and the appeals process.

Many persons who were found to be disabled in 1973 and later years are now being medically re-examined to see if they are still eligible for disability checks. The 1980 social security amendments make it mandatory that the Social Security Administration re-examine all cases over a period of time, if there is any possibility of medical improvement.

In Texas, the contracting agency making the medical decision to determine if a person is still "disabled" is the Texas Vocational Rehabilitation Commission at Austin, Texas. That agency makes the medical decisions using its staff of consulting doctors and vocational experts.

If a person is found to be no longer disabled as a result of the VR agency's review, the beneficiary has appeal rights with the Social Security Administration.

After initial denial, the first appeal is the reconsideration. At this level, any new evidence is obtained and the entire file is examined by an impartial expert in the Austin agen-

cy. If the reconsideration does not yield a favorable decision, the claimant may request a hearing before an Administrative Law Judge. At this level, the claimant meets the decision maker face to face and may also have a representative speak on his or her behalf.

The Final administrative

PREMIER IV ALL SEASONS STEEL BELTED RADIAL

Polyester/Steel Whitewall

A new kind of tire for year round driving

Wherever you drive, whatever the season — no matter what the conditions — the new Cordovan Premier IV ALL SEASONS radial is the perfect answer to your driving needs.

If you live where it's sunny and drive to the snowy mountains, or live where one type of tire is needed for winter driving and decide to vacation in the sunny south you'll have the right tires on your car.

No matter where you live, weather can surprise you — slippery downpours of rain or muddy areas can suddenly turn dry roads into very dangerous driving conditions.

The Cordovan Premier IV ALL SEASONS Radial gives you freedom! No need to worry about unexpected weather changes or road conditions. Go where you want to go — at any time with complete confidence in tire performance.
