VOLUME 67, NO. 48

THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081

THURSDAY, OCTOBER 14, 1976

Demolition derby at Dalhart Friday 7:30!

You might call it a demolition derby, or you might call it a "great debate" when the Lynx and the Wolves meet at Dalhart this Friday night, 7:30 p.m. to determine a leader in the rough District 1-AA conference. The game is rated a toss-up in most circles, with Dalhart getting the home-field nod, if there is any advantage to that! The Wolves are undefeated and the Lynx have lost only one game. The winner figures to take the lead in the wild and woolly 1-AA race!

Coach Sherwood is not talking this week! This is the game that means everything to the coach and it is like "homecoming" to him when he returns to Dalhart. He would like to beat the howl out of the Wolves if he can, but he knows that it will be most difficult!

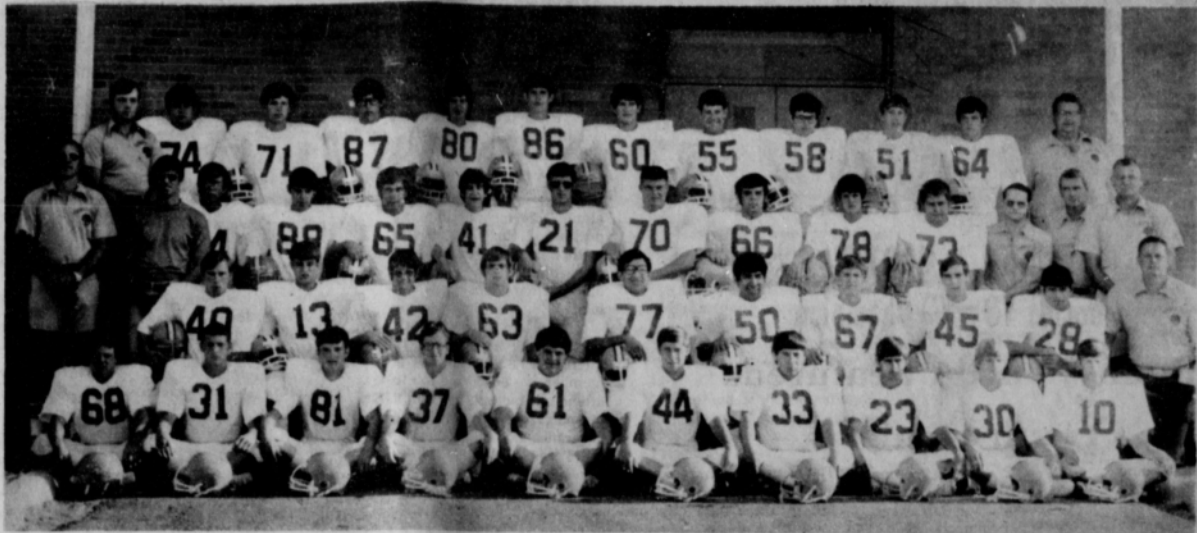

His troops are in good shape, barring any injuries Tuesday or Wednesday.

In comparing the teams,

each has a defense that is equally as good as the other; that is, both are outstanding. On offense, Spearman might have a better running game, with Dalhart having a better passing attack! Most observers think that Dalhart will have to go to their passing game to win, and the Lynx have been very good on pass defense this year!

The largest crowd in the school's history will journey to Dalhart Friday night, if the weather permits. Weathermen are predicting a chance for moisture again this Friday and Saturday, and this could alter game plans of both coaches!

The game, as we said before, is expected to be as close as a Ford-Carter debate! The stands will be full, the bands playing, and at about 4:30 p.m., Friday, most all of Spearman will be west bound, with the hammer down! See you at Dalhart!

Jaycees Fall Field Trial Sunday

Spearman Jaycees will sponsor the Fall Bird Dog Walking Field Trial on Oct. 17 beginning at 8 a.m. The location is 6 miles west of Spearman on Highway 15 to Cemetery, then one mile north.

Rules of the trials are governed by the Tri-State Field Trial Association.

Entries may be mailed to Claude Owens, Box 323, Spearman, phone 2283.

There will be four events. The puppy stake for dogs under 18 months of age, entry fee \$5.00; novice stake, any age dog not completely

trained, entry fee \$6.00; championship stake, all age dogs, entry fee \$7.00; non-winner stake, any dog that has not won a trophy, entry fee \$5.00.

First, second and third place trophies will be awarded in each event.

Hunting area will be marked

before the first brace is run. Trial will be run on liberated birds.

Entries close at 6 p.m. Oct. 16.

Other area field trials will be at Beaver, Okla., Oct. 24, Carl Owens 405-625-4234 and at Guymon, Oct. 31, Winston Brown 405-338-2276.

City Working on Gas Problems!

Mayor Blodgett and the Council Instructed Mark Neff and City Attorney Blackburn to write a letter notifying BB Plains that the City of Spearman expects them to furnish gas in Spearman as per contract with them. The Mayor and Council also said that if any curtailment occurred in Spearman, that all other cities served by them should be curtailed.

The City of Spearman is working of supplying adequate gas for the City of Spearman. Before cold weather sets in, the City is already making attempts to buy more gas from Transwestern, as Hi Plains cannot furnish anymore gas than they have been furnishing in the past. Hi Plains is unable to make a contract with Transwestern, who furnished more gas for the city last winter during "peak-need" periods of extreme

cold. In other words, Hi Plains has informed Mayor Blodgett to contract Transwestern for any extra gas that they might need.

Bids were opened and let to paint the storage tanks. R. E. Dow and Sons, Dallas, were low bidders and were awarded the contract to paint the facilities. Total contract was \$34,915.00. This money will be paid out of the EDA grant that the city has received.

The Crawford Addition will receive a new gas line. All but 3 of the 43 property owners have agreed to pay their share of the new line, and the three are expected to come in soon. All that is left to be done is receive property easements and the property owners to sign the contracts.

Jet Mason was appointed auditor for the past fiscal year. The fire, police, municipal

court, ambulance and code enforcement report was read and approved.

The City revived a 4-wheel drive ambulance, which will be a donation for the city's use. The City will only have to pay for driving the ambulance back to Spearman from the Army depot in central Texas.

Hospital News

Patients in Hansford Hospital are Emma Lopez, Glen Lackey, Elvin Garrett, Hazel Taylor, Deana May Douglas, Shirley Buzzard, Mary Sparks, Martha Steele, Otis Dry, and W. E. Sparks.

Dismissed were Curtis Harbour, Gene Gill, Robert Tersinger, Barbara Swimmer, Antonio Castaneda, W. T. Smith, Ken Wilmeth, Juliet Boyd and Jary Copp.

Lots of football Thursday!

Lynx fans will get a preview of the big week in football, beginning this Thursday! The 7th and 8th Grades travel to Dalhart to begin a double-header at 5 p.m. Of interest to local fans, the Freshmen (9th grade) and B team will host Dalhart at home, with the first game beginning at 5 p.m. at the local stadium! These two home games promise to be thrillers and will be the first time ever for the Freshmen to play at home! Last week, the Freshmen lost to Canadian, and the B team battled Canadian to a tie!

Members of the Freshmen team are: Jose Avila, Mark Back, Kyle Beedy, Chris Boddy, Alvin Byers, Mike Dennis, Rickie Dowdy, Dayton Edwards, Andy Francis, Brad Guthrie, Greg Hazelwood,

Doug Hohertz, Mike Kizzian, Frank Lozano, Kerry McMullan, Kelly Mahaney, Kermit Mahaney, Clifton Morrison, Ray Ortega, Mike Owens, Tony Papay, James Pierce, Clay Reid, Rex Reid, Charles Ross, Dean Schaffer, Karl Smith, Tim Spoonmore, Randy Stafford, Jim Trinh, Cole Umphress, Ruben Vera, Brent Ware, and David West.

Members of the B Team are: Ismael Vela, Florencio Martinez, Tony Truelove, Steve Goff, Cary Bridges, Charlie Price, Brent Connelly, Kyle Nolner, James Cummings, Kirby Hargis, Rick Alexander, Gary McCalman, Chris McClellan, Eric Brown, Billy Snider, Tom Barber, James Whitaker, Mark Franklin, Jerry Trout, Benny Rodriguez, David Pope, and Todd Brock.

Commissioners Meet Held

The Hansford Commissioners had a rather busy meeting at the Courthouse Monday. The Court approved the minutes of September 27. The Court made payments of all claims and received the Treasurer's report. Bids for the new pick-up for Precinct No. 2 were received. A total of four bids, and Excel Chevrolet was the lowest and accepted.

The Court is trying to appoint an Election Judge for Precinct No. 1 and Precinct No. 6, and Absentee Election Judge. So far, they have not made the appointments, but are working on them.

The 1976 tax roll was approved as follows: County, \$526,165.30; Hospital, \$269,919.86; PDRA, \$32,391; North Plains Water Dist. No. 2, Underground, \$26,998.29; State Tax, \$62,753.88; Special Road, \$156,996.61. This tax

roll totals \$1,075,115.22. The Court approved the permit to construct pipeline for Phillips Petroleum Company.

In other business, Glendon Etling's request to resign from the PDRA was accepted, and J. C. Harris of Gruver was appointed and accepted in Mr. Etling's place. This newspaper would like to thank Mr. Etling for his time and service with the Palo Duro Authority, and congratulate J. C. Harris for accepting the job! This might be the most important appointment in the Court's history!

Saving Time Ends Oct. 31

Daylight saving time will run for two more weeks before Hansford County residents move the hands of the clocks back to regular or standard time.

The nation has been running on daylight saving time now

for the past five and a half months, since the last Sunday in April.

By law, the time switch back to standard time comes each year on the last Sunday in October, and this year will be October 31.

C of C Fun Breakfast

The October Chamber of Commerce Breakfast will be held Thursday, Oct. 21, in the County Show Barn. Another fun-filled breakfast is planned with games, money, the KIDS wrestling program will give a demonstration, entertainment and a lot of good time Halloween fun. This breakfast is being sponsored by KBMF

Speech Class To Present Drama

Drama students of Spearman High School will be presenting "The Haunting of Hill House" from the novel by Shirley Jackson on Oct. 23, beginning at 8:45 p.m.

Advance tickets will go on sale at the beginning of next week. Adult tickets will be \$1.25, students 50 cents. Tickets at the door will be \$1.50 for adults and \$1.00 for students.

Members of the cast are: Eleanor-Carrie Clark; Theodora-Tracy Bulls; Mrs. Dudley-Linda Lewis; Dr. Montague-Chris McClellan; Luke-Ed Pogue; Mrs. Montague-Geri Maize; and Arthur-Greg Price.

Members of the stage crew are Terrie Brown, Kelly Davis (sound effects), Kent Hargis, Max McCammond, Rhonda Morrison, and Carolyn Spears. Shari Fox is assistant director.

Lions club broom sale Thursday!

The annual Lions Club broom sale will be held in Spearman Thursday, Oct. 14, in front of the post office. The Spearman Lions Club is trying to reach an all-time goal this year and the funds from the broom sale go to the blind, with a large part remaining in the Spearman Club.

Starting off at the Post Office with the arrival of the broom truck Thursday morning, will be from 7:00 to 8:30, Russell Pogue, Troy Sloan and Earl Goodheart in charge. This figures to be three of the top salesmen in the club, with a slight edge given to Earl the Pearl Goodheart!

From 9 to 11 a.m., J. W. Gibner, Billy Miller and Roy Jones, better known as the "Three Musketeers" of the

financial circle will take over! Purchasers are warned to check and be sure that Miller and Gibner don't short change them after a purchase! Roy Jones figures to be the top salesman of this group!

From 11:30 til 1:00 p.m., Jack Oakes, H. O. Abbott and Ab Abston will maintain the broom truck! Oakes is sharp with figures, Abbott will "sprinkle" you with all kinds of deals, and Ab Abston will probably get the job done! These are three fine Lions!

After dinner, Eugene Yarbrough, Dr. R. L. Kleebarger and John Bishop will be selling brooms! If they can get enough BROOMS they will be easy to trade with! So, this might be the time to buy your bargain brooms!

From 2:30 to 4:00, Claude Newell, Orville Brummett and C. A. Gubner will be handling sales! Newell will try and sell you a "Kirby" and Brummett will prescribe a good deal, in brooms, etc., and C. A. Gibner will handle the money! These are also three good salesmen!

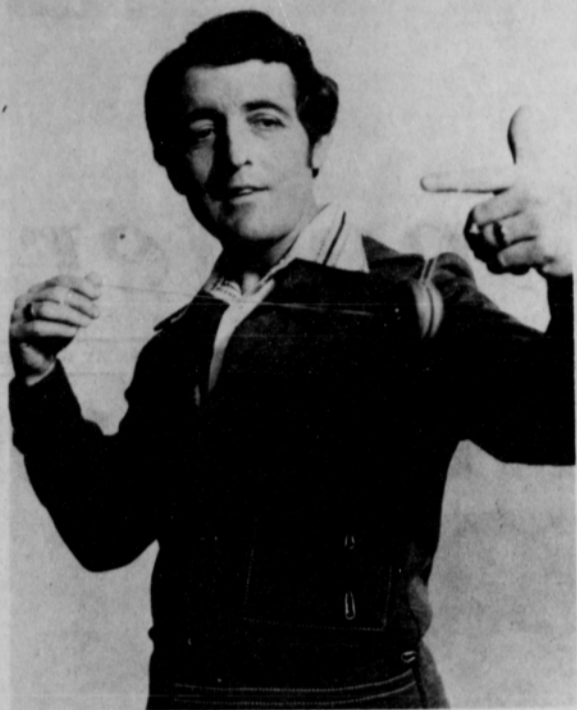

As time goes by, from 4 to 6 p.m., Oscar Donnell will take you for a cleaning, and Chuck Rigdon will put the "fire out" as Gerald Taylor tries to make some sales. Watch these three!

From 6 to 7 p.m., Doctors Doug Steger and Ken Chapin will make some more outstanding sales, if Steger can see to make the change, and Chapin will wear a "Pepsodent" smile to please the lady customers!

Closing out the sale, will be Earl "the pearl" Goodheart, Eugene Yarbrough and Russell Pogue. They will count the money, and see that everything comes out "right"! All in all, the biggest sale in

history will be planned! Dig down in your pocket and come through! And remember that Halloween is just around the corner and most of all we can use an extra broom for transportation!

BUNNY MARTIN
World's YO-YO Champion
Bunny Martin Featured
Youth Leader

Bunny Martin, outstanding entertainer, magician, juggler, and World Champion Yo Yo specialist, will be the featured Week-end Youth leader, October 22-24 at First Baptist Church.

Double Ring Ceremony Unites Couple

The First United Methodist Church of Spearman was the scene for the October 2 wedding, uniting Miss Janyth Lee Wysong and Mr. Jimmy Del Beasley.

Parents of the couple are Mr. and Mrs. Sam Wysong of Spearman and Mr. and Mrs. Allan Beasley of Gruver.

The Reverend H. O. Abbott of the First United Methodist Church officiated at the double ring ceremony, which was conducted before an altar decorated with two baskets of white and yellow carnations and big yellow mums with baby's breath and lemon leaves, two spiral candelabra and an archway with pale yellow candles and greenery.

Organist Eddie Martin played the traditional bridal chorus and wedding march and accompanied soloist Kristie Gressett who sang "Wedding Song" and "Love Can Make You Happy".

Given in marriage by her father, the bride wore a formal gown of soft white jersey designed with a Victorian neckline of re-embroidered alencon lace with lace motif enhancing the bodice. Her long tapered sleeves were appliqued in lace with deep cuffs of lace which fell over the hands. Her princess line skirt fell to a lace trimmed hem which swept to back fullness and cascaded into a full chapel train. She wore a camelot bonnet enhanced by matching lace and seed pearls and adorned with a soft satin bow and enhanced by a finger tip lace mantle appliqued in lace and seed pearls. She carried a lovely lace bouquet of sweetheart yellow roses and white daisies with baby breath.

Leslie Alexander was Maid of Honor. Bridesmaids were Jayne Godfrey and Linda Reed of Lubbock. They were attired in yellow organza formal dresses. The maid of honor's dress was overlaid with small flocked white daisies. They wore picture hats with satin yellow ribbon and carried nosegays of yellow daisies and baby breath.

Tommy Beasley, brother of the groom, was best man. Groomsmen were Walter Murrell and Coy Winders; ushers were Neal Williams and Earl Merchant, all of Gruver. The male attendants wore brown tuxedos with brown velvet vests, yellow ruffled shirts with white carnation boutonnières.

Brian Bucy, nephew of the bride, was the ring bearer and he was also dressed in a brown tuxedo with a brown velvet

Annual Art Show Date Set

Dahlia Flower Club's Art Craft and Antique Show will be held Saturday and Sunday, November 6 and 7 from 1 to 5 p.m.

Variety Radio Show Planned

A variety radio show, "Thursday Afternoon Live", will be broadcast by Speech and Drama classes of Spearman High School, under the direction of Becky Stockdale. Starting Thursday, Oct. 14, at 4:15, the show will be on

every Thursday at the same time until school is out in the spring. Students on this week's show will be Kelly Davis, Laura Nelson, Rhonda Morrison, and Brent Biles.

Anniversary

Happy Anniversary congratulations to Mr. and Mrs. Jeff Hawkins, Mr. and Mrs. E. J. Callaway, Jr., Mr. and Mrs. Harold Groves, Mr. and Mrs. Bill Walker, Mr. and Mrs. Walt Sponemore, Mr. and Mrs. James Hargis, Mr. and Mrs. Monte Lesly, Mr. and Mrs. Donald Moore, Mr. and Mrs. Thomas Etter, and Mr. and Mrs. Gene Cudd.

UMW MEETS

The Mary Martha Circle of the U.M.W. met Wednesday, Oct. 6, in the parlor of the First United Methodist Church. Mrs. Roy Jones gave the devotional entitled, "Coping With Everyday Life", and led in prayer. Mrs. Bert Sheppard continued the study of Isaiah. Refreshments were served by Mrs. Jones to members, Mmes. T. D. Sansing, Bruce Sheets, Margaret Shedeck, Bert Sheppard, Claude Smith, Fendorf Schubert, Russell Townsend, Carl Reed, P. A. Lyon, and Joyce Shieldknight. Next meeting will be Oct. 13 at the church.

Rotary Club News

Spearman Rotary Club met Monday, Oct. 11, at Martin's Steak Garden. President, Junior Lusby presided over the meeting. Jerry Taylor gave the program on problems and possible solutions facing the hospi-

tal. He discussed future plans for the hospital and the possibility of obtaining more doctors. Honored guests present were Sherrie Lee and Linda Walker, who keep the books for Rotary and print the programs for the meetings. Other guests present were Glen Goodrich of Borger, Dick Palmer of Amarillo, and Jerry Taylor of Spearman. Members present were Carrie Marie Berry, Archie Burrell, John R. Collard, Jr., Ed Garner, Peyton Gibner, Don Hergert, John Hutchison, Eddie Limbocker, Junior Lusby, Jack McWhirter, Mark Neff, Coy Palmer, Don Wirsdorfer, John Lynn, Ed Freeman, Jim McLain, Bob Elliott, Mack McCormack, Gary Sims, Tim Woodington, Gene Cudd, and Larry Murphy. Next meeting will be Oct. 18 at Martin's Steak Garden.

First Baptist Church for their general meeting. Mrs. L. L. Anthony presided over the meeting. The opening prayer was given by Mrs. Woodville Jarvis. Mrs. Jarvis read the Prayer Calendar and Mrs. Joe Novak led in prayer for the birthday missionaries. The program, "Tell The Good News" was given by Mrs. Roscoe Nelson with Mrs. F. J. Hoskins, Mrs. Glen Hiller, Mrs. L. L. Anthony, and Altha Groves assisting. The meeting was closed with prayer by Mrs. Arthur Addison. Those present at the meeting were Mmes. Russell Pogue, Woodville Jarvis, Fred Holt, A. F. Loftin, Carl Kiziar, Arthur Addison, Joe Novak, Glen Hiller, L. L. Anthony, F. J. Hoskins, Roscoe Nelson, Don Jones, and Altha Groves. Next meeting will be Oct. 13 in the home of Mrs. L. L. Anthony.

Charles Capps

FGBMFI Speaker To Be Charles Capps

Charles Capps will be the speaker at the regular meeting of the Spearman Chapter of Full Gospel Business Men's International Monday, Oct. 18, at 8 p.m. at Martin's Steak Garden. Capps is a spirit-filled farmer from England, Arkansas whose teaching ministry comes from first-hand experience of applying the word of God to the circumstances of life. It is from these encounters in life that the Holy Spirit, as teacher and guide, has revealed a wealth of God-given truths from the word of God. Bro. Capps has traveled throughout the United States teaching personal evangelism. In June, 1973, the Lord began to lead him into a teaching

ministry on faith, healing and the Holy Spirit. Since that time, he has taught in many conventions and charismatic seminars. The main thrust of his teaching ministry is revealing God's ability that is in the believer and how to release that ability in your daily life. He pilots his own twin engine airplane to carry his faith ministry throughout the U.S. This farmer truly plants seeds with such teaching topics as "The Tongue, A Creative Force", "How to Receive From God", and "How to Make God's Creative Power Work For You". There will also be a nomination of officers at this meeting.

Calico CowBelles Enjoy Coffee

The Calico CowBelles enjoyed a morning coffee October 4th at 9:30 in the home of Mr. and Mrs. Lloyd Buzzard. Mrs. C. T. Duke, Legislative Chairman for the Texas CowBelles were organized, the work they were accomplishing, and the importance of legislative communication. She stated that Washington looked at the total number of members in organizations and why it is important for everyone to participate. Also how important it is for the cattlemen and their wives to be informed on legislation concerning the cattlemen. She stressed that the American National Cattlemen's Association, the State Cattle Feeders, and the National CowBelles are doing a great job but that they need the support of all cattlemen and their wives to boost their product. Farm products and cattle have dropped to another low. The days are passed when the individual can work alone in support of his product. Mrs. Duke keeps a close tab on all legislation concerning these areas and talks frequently with ANCA on what needs to be done. If the cattlemen are not informed on what is going on, bills can pass through quickly and could do much harm for their business. Then it is too late. Also on

bills coming up before the legislature that could help, we need to let Congressmen and Senators know that we support it. Mrs. Duke concluded that although the cattlemen and farmers are discouraged, this is the greater reason and time to not fall asleep but to wake up and get to work. Mrs. Buzzard, the hostess, served the guests a variety of delicious cakes and coffee on a table set with pewter and a beautiful floral arrangement of fresh cut chrysanthemums.

Hansford Lodge Meets

Hansford Lodge #1040 A.F. & A.M. met Monday, Oct. 11, in the Hansford Lodge Hall. George Young, Worshipful Master presided over the meeting. Plans were made for a Master Mason's Degree to be held Oct. 18 at 7:30 p.m. All Master Masons are urged to be in attendance. Jack Whitson served refreshments of hot dogs, chili and ice cream to approximately thirteen members present. Next regular meeting will be Oct. 25 in the Hansford Lodge Hall.

Our Heritage of Faith...

notes from Faith Lutheran Church

The National Convention of our American Lutheran Church has just concluded a full week of meeting in Washington, D. C. It met from October 6-12. We pray it was a rewarding and productive convention to the glory of God and His work in the world. Reports will be passed along to you.

The American Lutheran Church Women's Southern District Convention will be held in San Antonio, October 22 through 24. We would like to invite as many ladies as possible to attend. It should be an exciting weekend for the women of our churches.

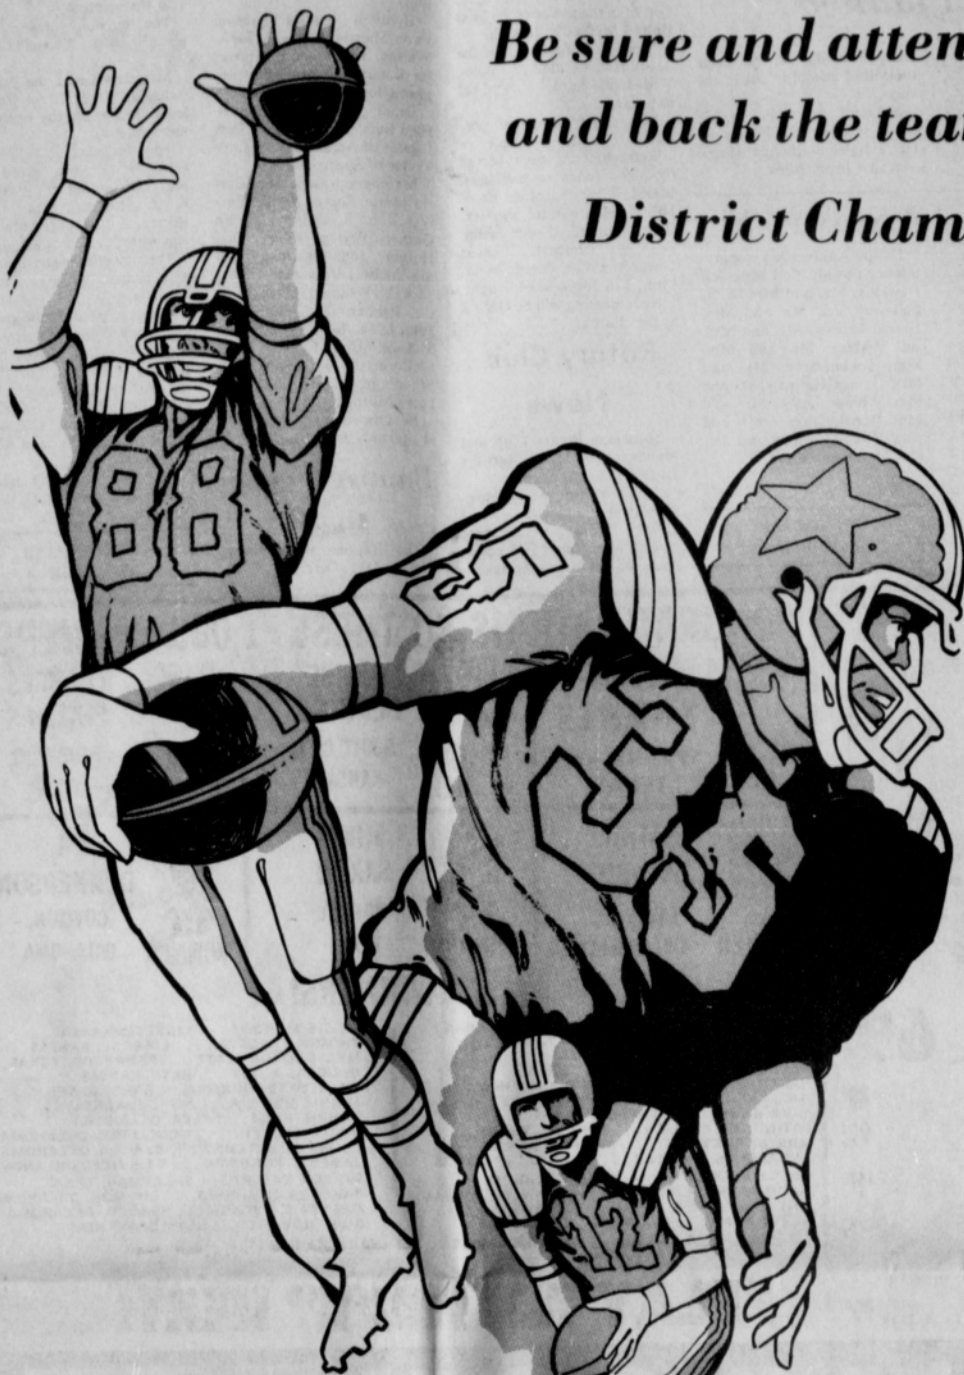

The Luther League from Faith got together this past Sunday evening with the League from Oslo at Oslo. Everyone made their own pizza and mess (later cleaned up!) There was also a meeting of both Leagues and a topic presented. The proposal was made that the two Leagues have one joint meeting a month and one separate meeting each month. The proposal is to be voted on by each League.

The Faith League meets for an outing on Oct. 16th and on the 23rd has been invited by the First Presbyterian League for a hayride at 6 p.m.

Dartball begins October 18th with the first meeting being between Faith and Oslo at 8 p.m.

The ancient creeds of the church put into words our faith. Take the time to read, study, and think about what you as an individual and the church as a whole confesses.

We invite you to worship with us at Faith. Morning worship begins at 9:30 a.m. on Sundays and the Sunday School Hour begins at 10:30 a.m.

*Be sure and attend the Game
and back the team on to the
District Championship*

Opera Makes Debut At Amarillo College

Texas Opera Theater, a four-year-old repertory ensemble of the Houston Grand Opera, will perform El Capitan at 8 p.m. Oct. 23 in the Amarillo College Concert Hall/Theater.

Texas Opera Theater, one of a handful of regional opera companies existing in the United States, is being sponsored by the Fine Arts Committee.

Its purpose is three-fold—to reach people who don't have access to Houston Grand Opera's Jones Hall productions, to be educational and to be experimental.

Regarding the first purpose, the company is reaching more and more people each day. Last season, ending in April, 1976, the company had performed before a total audience of 150,000, said manager Ter-

rel Miller. Concerning educational development, Texas Opera Theater has developed a special technique called "informances" for grade-school youngsters. The performers become teachers, who, after an illustrative lecture answer questions from the students.

For performances in schools, the company also chooses short operas and shortened versions of operas such as Hansel and Gretel and Sweet Betsy from Pike.

The company must experiment, too. "We can't keep doing the same 5 or so shows. We must continue to build our repertoire," said Miller.

The company is flexible in that they will perform anywhere—in a church, high school auditorium, or town meeting hall.

Texas Opera Theater has performed extensively in Texas and made stops in Oklahoma, Arkansas, Nevada, Utah, and Arizona.

Their performance of El Capitan returns to the touring repertoire following great success in the previous season, said Miller.

It has been hailed by critics as "a hilarious revival", "captivating", "a stylish show", and "a grand essay in the art of farce".

The operetta by John Philip Sousa was his first successful stagework.

The story, set in Peru, features a hero who would be both ruler of the country and leader of the rebel forces at the same time. The book, by Charles Kelin, was the basis for the lyrics by Thomas Forst and Sousa himself, who tried his hand at diversification for the first time.

El Capitan is in three acts, but in this production by Texas Opera Theater acts two and three are combined.

Tickets for the Texas Opera Theater performance of El Capitan are \$2 and are available in the business office located in the Washington Street campus Administration Building or in the student services office located on the second floor of the College Union Building.

Oklahoma Symphony Orchestra To Perform

The Oklahoma Symphony Orchestra, formerly the Oklahoma City Symphony, is going to have three performances in the Hughes-Strong Auditorium on October 27 at Panhandle State University.

The programs will include two youth concerts for the school students of the area. The first youth concert will be at 12:30 p.m. and the second will be at 1:35 p.m. The admission for the youth concerts is 50 cents. The adult concert will be at 8 p.m. and the admission is \$2.50 at the door or \$2.00 for tickets bought in advance.

This performance will be the fourth appearance of the group in the Panhandle, all of which have been on the PSU campus. The orchestra is conducted by Ainslee Cox, who is formerly of Gruver, TX.

Area businesses helping to sponsor the Oklahoma Symphony Orchestra are: Carter Construction, Guymon; Swift Fresh Meats Co., Guymon; First National Bank, Texhoma; Guymon Daily Herald, Guymon; Radio Station KGYN, Guymon; First State Bank, Stratford, TX; First State Bank, Boise City; First State Bank, Elkhart, KS.

In addition to the above are First State Bank, Guymon; City National Bank and Trust Co., Guymon; Perkins Petroleum, Guymon; First National Bank, Hooker; Brier and Hale Music Co., Liberal, KS; Stanfield Printing Co., Guymon; Gruver State Bank, Gruver, TX; First State Bank, Spearman, TX.

Also helping sponsor this project are the Oklahoma Arts and Humanities Council and the National Endowment for the Arts.

New Feed Additive For Cattle Released

RUMENSIN—Elanco Products Company recently released a new feed additive for beef cattle fed for slaughter. The product is known as Rumensin or as monensin sodium. Rumensin fed cattle have demonstrated a 10 percent improvement in feed efficiency as compared to similar cattle fed the same ration without the additive. Evidence indicates that its mode of action works by shifting rumen microbial action in a way that favors formation of propionic acid in the paunch. This allows more efficient utilization of feed energy by feedlot cattle. When Rumensin is added, feedlot cattle eat 10 percent less feed and maintain the same average daily gain. This significantly reduces cost of gain.

At the present time only feedlot cattle may be fed Rumensin. Approval for feeding pasture cattle or sheep may be forthcoming but the current label includes only cattle being fed for slaughter. Monensin sodium was previously approved for use in poultry feeds as an effective coccidiostat (trade name Coban).

Currently, Rumensin-30 (containing 30 grams of monensin sodium per pound) can be purchased from approved feed dealers having a valid NDA Form 1800 which allows them to legally handle the product. Also, the label allows Rumensin-30 premix to be fed to cattle at the rate of one pound per ton of complete feed. The label permits a daily consumption of 50-360 milligrams of active ingredient per head per day, a condition that can be met by adding one pound of Rumensin-30 to each ton of complete feed.

If Rumensin is available as a feed ingredient, one word of caution may be in order for horse owners. The manufacturer has data that indicates that horses may be sensitive to monensin sodium. They suggest that for a 1000 lb. horse, more than one gram of monensin sodium taken orally in a time span of one day (24 hours) could be fatal. Although it would be difficult to poison a horse with normal cattle formulations, recent deaths of a few feedlot cow horses have been attributed to erroneous mixing of Rumensin in feeds for horses. Cowboys feeding horses at feedlots

BEEF EATERS A BETTER LOVE

BEEF BUTTONS—The Galico Cowbelle are selling beef buttons "Keep Beef King" to promote the upcoming beef referendum in February. Pictured above are Don Townsen, agriculture vice president of the First National Bank of Perryton, who was of the first Cowbelle customers to help them reach their goal of selling 900 buttons. Others picture, l to r: Mrs. Peggy Duke of Booker, Texas Cowbelle legislative chairman; Mrs. Roy Johnson of Perryton, Calico Cowbelle president; and Mrs. S.B. Sheets of Spearman, Calico Cowbelle publicity chairman. This ambitious advertising and educational program will be financed by a check-off plan where a sum is remitted to the promotion fund when every animal is sold. It is similar to the check-off plans of wheat, cotton, rice, oranges and other commodities which have been able to help consumption in this manner. If you have not been asked by a Cowbelle or had the opportunity to help, please contact Mrs. Bernice Brown or Mrs. S.B. Sheets.

should be warned of this hazard. Feeds and premises containing Rumensin should be stored where horses will be unable to get a dose. 4-H boys and girls who have horse projects should be especially careful if cattle rations containing monensin sodium are available to them.

News For Veterans

Many veterans retired from military service and paying premiums for U. S. Government Life Insurance (USGLI) or National Service Life Insurance (NSLI) from monthly retirement checks may be missing annual dividend checks, the Veterans Administration reported today. The VA insurance center at

Philadelphia reported there are several thousand military retirees who each month pay insurance premiums by allotment from their retired pay.

In some cases, the monthly deduction becomes so routine the veterans fail to notify the VA when there is a change of address. This is particularly true, a spokesman said, when a retiree's check is sent to a banking institution.

Annual dividends paid on USGLI and NSLI policies often

result in some checks being returned to the VA for lack of a current address, the spokesman said.

Military retirees paying their GI insurance premiums by allotment should send changes of address, with policy number to the Veterans Administration Center, P.O. Box 8079, Philadelphia, Pa. 19101.

"Money makes iron float." Indian Proverb

Cabinet space isn't the most important new home feature anymore. Economy of operation is.

Today, people looking at new homes are as interested in energy saving features as they are in the traditional features such as cabinet space, storage, etc. An Energy Checked Efficiency Home assures the new home buyer that the house has been built with convenience and economy of operation in mind. Community Public Service Company inspects the home for proper insulation, proper size heating and air conditioning units, weatherstripping around doors and windows, attic ventilation, hot water system, and much more. When a home qualifies to display the Energy Checked Efficiency Home sign, it can save valuable energy and money for you throughout all the years you live in it. For more information on Energy Checked Efficiency Homes, contact Community Public Service Company.

WHAT KIND OF CONGRESSMAN DO YOU WANT?

SOME CONGRESSMEN DELUGE THEIR CONSTITUENTS WITH HIGHLY POLITICAL "NEWSLETTERS" MAILED AT TAXPAYERS EXPENSE.

Congressman Jack Hightower doesn't do this. He communicates with the people of the 13th District through the media and by regular visits back home.

SOME CONGRESSMEN FILL UP THE CONGRESSIONAL RECORD, AT \$275 PER PAGE, WITH FABRICATED "SPEECHES" AND "STATEMENTS" WHICH WERE NEVER MADE IN FLOOR DEBATE.

Congressman Jack Hightower doesn't do this. He believes the people are tired of phony politicians who use cosmetics of this kind to make the people think they are "active."

SOME CONGRESSMEN TRAVEL FAR AND WIDE, AT GOVERNMENT EXPENSE, UNDER THE GUISE THAT THEY ARE "INVESTIGATING" SOMETHING IN FRANCE, ITALY OR ANOTHER FOREIGN COUNTRY.

Congressman Jack Hightower doesn't do this. When Congress is not in session, he comes home to the district to stay in touch with his constituents. He believes that the worst Congressmen are those who go everywhere but home.

SOME CONGRESSMEN VOTE THEMSELVES BIG PAY RAISES.

Congressman Jack Hightower doesn't do this. He opposed the Congressional pay raise because he believes Congress should set an example in these inflationary times—and not be part of the problem.

THAT'S THE KIND OF CONGRESSMAN JACK HIGHTOWER HAS BEEN SINCE HE TOOK HIS OATH IN JANUARY 1975. IT'S WHY HE HAS EARNED THE RESPECT OF HIS COLLEAGUES AND THE CONFIDENCE OF PEOPLE THROUGHOUT THIS DISTRICT ... FROM BOTH POLITICAL PARTIES. JACK HIGHTOWER, DEMOCRAT, HAS EARNED A SECOND TERM. VOTE NOVEMBER 2.

Paid for and authorized by Hightower for Congress Committee, Jim Hughes, Treasurer, Box 1973, Vernon, TX 75684.

Grant For Handicapped Children Approved

Governor Dolph Briscoe announced approval of a \$31,800 supplemental Office of Human Development grant to Texas Panhandle Community Action Corporation in Amarillo.

The grant is for Handicapped Head Start, and is effective, retroactively from Aug. 1, 1976, through July 31, 1977. It is funded under Title V of the Head Start, Economic Opportunity, and Community Partnership Act of 1974.

The supplemental funds are being used to improve services of approximately 75 handicapped children in the 26-county area of the Texas Panhandle. In order to improve the services, a diagnostic team is being hired by the delegate agency PESO Education Service Center of Region XVI, and the corporation is hiring an educational diagnostician and a certified teacher of the handicapped.

Grant processing and program liaison are through the Economic Opportunity Division of the Texas Department of Community Affairs.

Social Security News

People who plan to apply for supplemental security income payments can save time by first getting together some information about themselves, according to Howard L. Weatherly, social security branch manager in Pampa, Texas.

The supplemental security income program makes monthly payments to people with little or no income and limited resources who are 65 or over or blind or disabled. People can get information about applying for the payments by calling or writing any social security office.

"When applying," Weatherly said, "it's a good idea to have with you as many of the following as possible: a checkbook, if you have one, to show how much you have in the

bank, any savings account books, stocks and bonds, life insurance policies, automobile registration cards, latest real estate tax statements if you own a home or any land, last year's income tax return, W-2 forms, and evidence of all other income."

It may save time, too, according to Weatherly, if people applying for supplemental security income payments know how much cash they have on hand and know the value of their car, if they own one.

"You should also have your social security card," he said. "Disabled or blind students 18 to 22 should have a school identification card, tuition receipts, or similar evidence of school attendance."

The supplemental security income program is administered by the Social Security Administration, an agency of the U.S. Department of Health, Education and Welfare. The Pampa Social Security Office is at 1541 North Hobart Street. The phone number is 669-3381.

Items Needed For Patients

The Spearman Study Club, in conjunction with a state project of the Texas Federated Women's Clubs, will be collecting used wigs and gowns and pajamas (both men's and women's) for M. D. Anderson Hospital. The wigs need not be styled, but must be clean. The deadline for collection is Oct. 16 and the collection places are Chamber of Commerce Office, Lli' Lynx Shoppe and Cinderella Beauty Shop.

Range grass established on the John Venneman ranch in 1960 under the Great Plains Program is still doing quite well.

Changes Made In Conservation Program

Money is available through the Soil Conservation Service for development of Great Plains Conservation Program contracts.

Some changes have been made in Great Plains contracting and we can now develop new contracts on land that has been in a previous contract.

The cost share for irrigation practices has been increased from \$2500.00 limitation to \$7500.00 limitation. You can now install up to \$15,000.00 worth of irrigation practices with 50 percent cost share. Irrigation practices include tailwater recovery systems, land leveling and irrigation pipeline. Any or all of these practices along with soil ero-

sion practices such as grassed waterways, conversion of cropland to grassland, terraces or work on rangeland will put your farm in a medium or high priority and makes you eligible for a contract. On grassland you can install cross fences in pastures, do brush control, drill water wells, install water storage facilities, etc.

If you have problems, we might help you. Contact us at the Spearman Field Office, Box 8, Spearman, Texas.

Mold which may develop on natural cheeses is not harmful, and is easily scraped or cut from the surface.

LIBRARY NEWS CHILDREN'S HOUR

Weekly "Children's Hour" for 3 and 4 year olds on Tuesday mornings, 10:00 to 11:00. The hour will consist of storytelling using various media-puppets, tape recorder, flannel board, films, books, etc.-to stimulate an interest in reading and using books for information as well as entertainment. The second half of the hour will be devoted to creative activities-various types of art projects, fingerplays, singing and games.

The program is under the direction of Marsha T. Murphy, M.Ed., a former teacher of preschool and kindergarten children.

Bring your child October 19th at 10:00 to your Public Library for an hour of fun and learning.

County Agent's Report

Farmers interested in observing fertilizer and weed con-

trol research in alfalfa are invited to the Les Darsey farm on October 14. The minitour will start at 10 a.m. according to Dr. G. B. Thompson, Director of Research for the Texas Agricultural Experiment Station at Amarillo-Bushland. The research plots are located in a field 5 miles north of Alanreed on state highway 291. After arriving at the field, tour participants must take a field road 0.5 mile east and 0.25 north to see the research plots. Mr. Darsey sprinkle irrigates alfalfa on sandy soil and sells most of the crop to feedlots. Farmers in Wheeler, Hall, Donley and Collingsworth Counties produce alfalfa under similar conditions.

Results from two years of fertility research will be discussed by Dr. Don Goss, Soil Scientist from the USDA Agricultural Research Service Center at Bushland. In his experiment, manure and commercial fertilizer were compared as a source of phosphate.

Weed control research was conducted by Dr. Allen Wiese and Wayne Chenault, Texas Agricultural Experiment Station Scientists. Both experimental herbicides and products already labeled for weed control in alfalfa were applied in October, November and February, 1975. Some of the products did the job and others did not according to Wiese.

Joe Van Zandt, County Agricultural Agent in Gray County assisted with tour plans and arranged for a pocket gopher control demonstration by Lloyd Cheatham, District Field Supervisor for the Rodent Control Service. Gophers do a lot of digging that hurts alfalfa stands almost as much as weeds according to the county agent.

After discussions of research and the gopher control demonstration, tour participants will have a first hand look at the combined effects of good fertility and weed control programs. With proper management, alfalfa yield and protein content are greatly increased. Herbicides applied in the winter controlled winter annual grass weeds, allowing vigorous well fertilized alfalfa to shade out summer annual grass and weeds.

The minitour is sponsored by the Texas Agricultural Experiment Station, USDA Agricultural Research Service and the Texas Agricultural Extension Service.

Working homemakers can make packed lunches easier with frozen sandwiches. Make enough for a week on the weekend. Wrap individually, but make up a loaf of bread at a time into sandwiches-then stuff them in the bread wrapper for extra protection and ease of storage. Pack them in the lunch frozen and this will help keep them safe from bacterial spoilage. By noon, they will be ready to eat, advises Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service.

Robinson Named Spelling Bee Director

George Robinson, principal of Spearman Junior High School, will be the Spelling Bee Director for Hansford County for 1977.

The 29th Regional Spelling Bee, co-sponsored by the Amarillo Globe-News and West Texas State University, Canyon, will be held in Amarillo on April 23, 1977.

Four states -- Texas, Oklahoma, New Mexico and Oklahoma -- will be represented and there will be 46 finalists.

The Bee is open to any student in a public or parochial school. The rules, established by the national sponsors (Scripps-Howard Newspapers, New York City) state that any student who has not reached his (or her) 16th birthday or gone beyond the eighth grade at the end of the current school term, will be eligible to enter any school contest and participate in county eliminations.

The top district winner, when he (or she) is named on April 23, 1977, will take part in the 50th National Spelling Bee in Washington, D. C. early in June. The champion will be representing the regional sponsors and the expenses will be courtesy of the Amarillo Globe-News.

The national sponsors, under the supervision of the director, Jim Wagner, annually prepare a study booklet used in most school and county eliminations. It is "Words of the Champions". The 1977 issue will contain more than 500 new words and is available from the Amarillo Globe-News for 30 cents per copy.

To obtain the booklet, please write to: Spelling Bee Editor, Amarillo Globe-News, Post Office Box 2091, Amarillo, Texas 79166.

The 1976 champions from Hansford County were: SENIOR WINNER: Connie Etheredge, a student in the Spearman Junior High School, 8th Grade, from Spearman.

JUNIOR WINNER: Oralia Ochoa, a student from Spearman.

The AGN-WTSU offers a unique opportunity to the elementary students by promoting a Junior Bee. Boys and girls in the sixth and lower grades may compete in a "Junior Division" contest.

Each county may select a champion in this division. The elementary winners will not take part in the regional bee unless they, by chance, have won both divisions in their respective counties.

All Junior and Senior county champions will be special guests of the Amarillo Globe-News at a luncheon, preceding the Regional Bee.

The sponsors will present each county winner in each division with a special award.

Museum Hours Listed

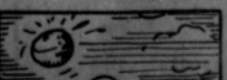

The Stationmaster's House Museum at 30 S. Townsend is open from 2 to 5 p.m., Tuesday through Saturday.

Ladies who have volunteered to work one afternoon each month are Meses. Claude Newell, Burton Schubert, Floy Largent, W. V. Hull, J. L. Pierce, George Buzzard, Wayne Hutchison, G. I. Brown, Harold Shaver, Terry Curtis, N. W. Cayton, John Allen, T. M. Allen, N. F. Renner, J. D. Wilbanks, Freeman Barkley, Ed Freeman, Irwin Delk, Fendorf Schubert, P. A. Lyon, R. S. Weckesser, John Schubert, and Ray Robertson.

The Museum has a gift shop which has for sale many handmade articles donated by ladies of the Hansford County Home Demonstration Clubs and other ladies of the community.

For a limited time, the gift shop will give a plant to anyone donating a dollar to the Museum.

Come by 30 S. Townsend, view the museum displays, and pick up a nice gift for someone from the gift shop and get a plant for a dollar donation.

Annually the earth travels 800 million miles through space.

You Name It!

We have finally come up with a good Medicare program for our pets! It is called Medipet and it covers the pets from the cradle to the grave! I can hardly wait to get one on my cat PC! It is such a shame that we can't come up with a good one for people! But then, that would be un-American to come up with a real good insurance program that would work perfect! I understand that for \$65.00 I can buy a policy for my cat that will cover her for one year. Sounds interesting! I hope the policy covers house calls!

It is interesting to note that the two presidential candidates are continually putting their foot in their mouth over

statements they are making! Those who criticize these two candidates should have to get before the nation and "stand in their shoes" for one and one-half hours, and see that it is a very difficult situation to be in! I am not sure that any of us would hold up any better than Carter and Ford! And, for those of us who know very little about what is going on, it is a refreshing course in American history! Here I am enjoying life in the finest community in the world, and I thought everything was just fine, except the price of wheat, and I found out that Ford is a creep and Carter is a sexpot! If you believe what you read in the daily papers and hear over

the media, you might just as well give up! Everything is "Jelly but the Jar" in Hansford County, and the Jar is "turning to honey"!

Did you watch "Jesus Christ Superstar" Monday night? I thought it was great, but then, anything concerning the life of Christ and the time of his crucifixion is great! It is interesting to note that you can do just about anything to Christ, including beating him with a whip, nailing him to a cross, etc., but you must be extremely careful when you do something to the Holy Spirit!

This is National Newspaper Week, somebody told me! What is the role of your newspaper in your community? The main thing that your

local editor would like to remind his readers is that the town, the school, the church, and the community do not exist for the sole purpose of keeping your newspaper going! It is just the opposite. Your newspaper is here for the sole purpose of helping your school, your community, etc.!

And, your newspaper is no better than the people who run it! Your editor and his staff are either "on the ball" and hustle, or they just "coast" along with a sorry newspaper! We do want to mention that we are extremely proud of our plant! At last count, we had somewhere in the neighborhood of 7 or 8 employees working on our three newspapers! We want to thank everyone for being so patient with us when we "goof up" a

story! It might be interesting to our readers to note that we have installed a new Compu-graphic typesetter to set all of our news-type! This is a photo-typesetter and automatically justifies the type, and our paper should be the most "beautiful" paper in the state as far as the make-up and ease of reading! Also, we are working hard in improving our pictures! The most important aide to a newsman, however, is our readers calling us when there is a story developing or if they have a local! Keep up the good work and help your editor put out the best paper in the county!

The harvest weather is perfect this week! This is almost too good to be true! I took a

tour of Hansford and Ochiltree Counties Sunday to check on the maize crop, and you can believe me that we will have a great harvest, in spite of the price of maize! We will at least have more maize than ever, and in a talk with local elevator men, they fear that much of the crop may have to be piled up on the ground! Let's hope not, as new storage facilities have been built. Our congratulations to these elevator men who have spent so much money to insure plenty of food for our nation and the world!

"An ideal is often but a flaming vision of reality." Joseph Conrad

Jehovah's Witnesses Banned In Argentina

Freedom of worship has been denied the Christian Society of Jehovah's Witnesses and their 604 congregations throughout Argentina, by Decree Number 1867 signed by Jorge Rafael Videla, President of Argentina, under date of August 31, 1976. According to Peter Butrus, presiding overseer of the Perryton congregation, the branch offices of the Society and all meeting places have been closed.

Butrus said a communication received from World Headquarters of Jehovah's Witnesses in Brooklyn, New York, was considered by the

Perryton congregation. "We were shocked and surprised at this move by the Argentine government," Butrus related.

Butrus reported, "In ordering 'the activity of the religious association ... prohibited in the whole territory of the nation,' the Decree, issued by President Videla stated that 'freedom of worship consecrated by Articles 14 and 20 of the national constitution of course finds itself limited in the sense that the religious ideas should not imply the violation of laws or an attempt against public order, national security, morale or good customs.'

"According to a bill passed by the Argentine congress in 1949," Butrus explained, "all religious groups except the Catholic Church were required to register with the Department of Cults of the Ministry of Foreign Relations. Registry of Jehovah's Witnesses was denied and in August 1950 our work was officially proscribed.

"For five years following this proscription, close surveillance of Jehovah's Witnesses was maintained but, with the fall of the Peron government in 1955, pressure began to ease somewhat and the following year a national public assembly was held, attended by over 5,000 persons.

"In 1957, however, another national assembly was interrupted by the police who invoked the public meeting

edict of the Chief of Police. This abridgement of the freedom of worship and of meeting guaranteed by the constitution was challenged by Jehovah's Witnesses, and on March 14, 1958, the sentence of the Chief of Police as revoked and eight articles of the public meeting edict were declared illegal and unconstitutional."

Following another change in government in 1958, Butrus continued, a number of appeals were made to various government officials and agencies to have the ban against the Christian activity of Jehovah's Witnesses lifted, but despite favorable responses from several officials, the government responded negatively in 1959.

Despite the DeJure proscription of the work, however,

De Facto acceptance continued, two public assemblies being held that same year. In the years that followed, a new building housing branch offices and a printing plant of the Society of Jehovah's Witnesses was built and later enlarged, and many new meeting places or Kingdom Halls were constructed. During the last twenty-five years, the preaching work of Jehovah's Witnesses was well received by people all over Argentina, the active number of Witnesses growing from 1,416 in 1950 to 31,140 in 1975.

"With this background of favorable activity and the response our work has received among the people of Argentina," Butrus explained concerning President Videla's decree of August 31, 1976,

"we find it difficult to understand why this action should be taken after twenty-six years, when obviously no attempt has been made by these Christians 'against public order, national security, morale or good customs,' as stated by President Videla in his decree. Obviously the position of Jehovah's Witnesses is misunderstood. It is our hope that liberty will soon be restored to Jehovah's Witnesses in Argentina."

4-H Club News

A 4-H meeting was held Monday, Oct. 4.

Present at the meeting were Jodie Zschiesche, Kayla Russell, Mary Kenny, Lori White, Stacy Poole, Lesa Scroggs, Kim Nelson, and Qyun Marie

Adult Basic Education Classes Set

The girls discussed the coming Cooking Show. Refreshments served were doughnuts and orange juice. The next meeting will be Monday, Oct. 11, at the County Barn.

The Spearman Independent School District is sponsoring Adult Basic Education classes. The classes are designed for adults who have not finished high school. The classes will be offered in instruction to achieve a certificate of high school equivalency. Instruction will also be given in reading, writing, English and arithmetic. There will be no charge of any kind for the courses. Anyone interested should attend a general meeting and registration at: Spearman High School, Room 118, 7:00 p.m., October 18, 1976.

Students Enter Speech

On Saturday, Oct. 9, students from Spearman High School entered the speech tournament held at Amarillo High School.

Competing were Jennifer Umphress-persuasive; David Rosser, Kelly Davis-informative; Paul Welch-prose; Barbara Barrera-poetry; and Laura Nelson and Mark Sheets, who advanced to the semifinals in persuasive speaking.

This Saturday, Oct. 16, students will enter the Panhandle High School tournament.

Entering will be David Rosser, Kelly Davis, Troy Thompson, Etta McBroom, Laura Nelson, Mark Sheets, Carolyn Spears, Brent Biles, Max Cammond, Gerri Maize, Paul Welch, Denise Cope, Colette Smith, Colleen Smith, and Rhonda Morrison.

Annual Mexican Dinner Planned

The annual Mexican dinner, sponsored by Sacred Heart Catholic Church, will be served on Sunday, October 24th, in the parish hall. Serving hours will be from 12 o'clock noon to 5:00 P.M.

The price per plate will be \$2.75 for adults, \$1.50 for children 6 to 12 years of age and under six years free. Advance tickets may be purchased from members of the church. Mrs. Don Schmehr is ticket chairman. Tickets will also be sold at the door.

The menu will consist of enchiladas, tacos, Spanish rice, beans, salad, choice of pie or cake and iced tea or coffee. The food will be prepared by the Spanish speaking ladies of the parish which assures the public the best in Mexican food with the south of the Border flavor. The public is cordially invited.

Girl Scout News

Junior Troop #76 met Monday, Oct. 11, in the Girl Scout House with Leader, Mrs. Kyle King and Assistant Leader, Mrs. Larry Evans.

Discussion was held on plans for the year and the girls decided to begin work on their cooking badges first.

The following positions were appointed: Patrol Leader-Teri Thomas, Treasurer-Penny Cummings, LaTonia Phelps is in charge of the flag, and Becky Evans and Lella Goodman are in charge of clean-up.

Members presents were Becky Evans, LaTonia Phelps, Penny Cummings, Teri Thomas, Lella Goodman and leaders, Mrs. King and Mrs. Evans.

Next meeting will be Oct. 18 in the Scout House.

Our congratulations to Li'l Lynx Shoppe for their pretty window display this week! Spook the Wolves! Drop by and see this display!
