VOLUME 77, NUMBER 42

The Spearman Reporter, Spearman, Texas 79081

THURSDAY, AUGUST 22, 1985

## Lynx host Guymon in scrimmage Friday!

It's that time of year.

The first scrimmage of the year for the Lynx will be here Friday night when the Lynx scrimmage the Guymon Tigers. The JV scrimmage will begin at 7:30 p.m.

The Lynx have been holding two-a-day workouts with one morning work-out and a 6 p.m. workout, for the past two weeks.

After the Friday scrimmage the Lynx will travel to Booker next Friday for a 7:30 p.m. scrimmage, there.

Spearman will open their regular season with three games away from home. Their first game will be at White Deer Sept. 6 at 8 p.m. Sept. 13 the Lynx will travel to Gruver to decide the 1985 county championship.

On Sept. 20 the Lynx will travel to Okla. where they will tangle with the Hooker Bulldogs at 8 p.m.

On Sept. 27, Spearman will host another team from Oklahoma when they play the Beaver Dusters here at 8 p.m.

On Oct. 4 the Lynx will host the Longhorns from Vega in another 8 p.m. game.

District games will begin Friday, Oct. 11 when the Lynx host the Stratford Elks here in a 7:30 game.

On Oct. 18, Spearman will travel to Panhandle. On Oct. 25 Spearman will host Stinnett.

Nov. 1 the Lynx will travel to Sunray.

On Nov. 8, Sanford-Fritch will play in Spearman.

District I-AA	'84 Rate	'85 Rate	Change	Projected Outlook
1. Sanford-Fritch	140	151	Up 11	Stronger
2. Panhandle	163	148	Down 15	Weaker
3. Sunray	134	132	Down 2	About same
4. Stinnett	146	129	Down 17	Much weaker
5. Stratford	116	129	Up 13	Stronger
6. Spearman	143	125	Down 18	Much weaker

**SANFORD-FRITCH (8-2)** 12 lettermen, 5 offensive, 5 defensive starters. Sanford-Fritch had some bouts with adversity a year ago. After winning their first eight games, the Eagles laid a 0-2 egg in the end, leaving no chance for a playoff berth. Look for the '85 group to accomplish what the '84 unit should have done. Stronger.

**PANHANDLE (11-3-2)** 10 lettermen, 4 offensive, 3 defensive starters. Panhandle has won five district titles in a row and plans on a sixth straight in '85. However, this club is going to be down considerably when compared to the '83 and '84 elevens. Nevertheless, this outfit will be another very strong club. Weaker.

**SUNRAY (5-4-1)** 5 lettermen, 5 offensive, 5 defensive starters. Last year, Sunray got a 5-4-1 winner garnered through experience and desire. This came on the heels of a very weak 3-7 in '83. Coach Danny Chism bemoans a lack of depth as his main concern about this edition. Overall, though, the Blue and Gold have virtually the same look as a year ago. About same.

**STINNETT (5-5)** 7 lettermen, 5 offensive, 5 defensive starters. This year, Stinnett is going to find it extremely rough to reach another 5-5 mark. The Rattlers were a good team in '84, so that 5-5 is misleading. Heavy losses of skill people will severely hurt the Rattlers in '85. Much weaker.

**STRATFORD (3-7)** 17 lettermen, 7 offensive, 7 defensive starters. After logging a 9-2 in '83, Stratford took a dive to a puny 3-7 in '84. This didn't come as any big surprise, however, since the Elks went into the season pretty thin in experience, depth and talent. Club will definitely be on the rise in '85. Stronger, maybe much stronger.

**SPEARMAN (8-3)** 10 lettermen, 2 offensive, 2 defensive starters. Spearman was a rather surprising team a year ago when an 8-3 playoff slot was grabbed off. Now, much like Stinnett, the Lynx have sustained critical losses of key skill people. If coach Larry Lanier comes up with another playoff team this year, he will have pulled a real "biggie"! Much weaker.

**District strength - Very strong. Weaker in '85.**  
District outlook - Can Sanford-Fritch strip Panhandle of its five straight loop title belts? It will be between these two as far as playoff possibilities are concerned. Outstanding players - LB Mike Powers 200, RB Paul Lundberg 170, LB Judd Butler 170 (Stratford); end-LB Damon Goodheart 190, QB Brett Davis 150, tackle Danny Cazarez 210 (Spearman); RB Mark Dalton 165, guard Jay Young 170, center Alan Jones 200 (Stinnett) HB Shane McCaskey 185, guard Steve Frow 185, end Trey Charless 160, HB Chris Koehn 220 (Panhandle) LB-guard Jay Ely 200, QB Steve Moore 155, tackle Brent Collier 220 (Sunray); FB-LB Jeff Rice 190, end Bryan Glasscock 190, DB Kirk Benningfield 155 (Sanford-Fritch)

Mrs. J.T. Pond is pictured above with her new mimi racer and portable T.V. which she won at Thriftway Grocery Store in Spearman last week. Mrs. Pond is one of the luckiest people in Spearman. She also won \$100 in the Spearman Merchants Drawing this year. Pete Fisher is the owner of the Thriftway Grocer in Spearman.

- Sheriff R.L. McFarlin issued the following indictments from the grand jury last week.
1. Robert M. Swope-Burglary of a habitation.
  2. Johnny Wayne Reed-Unauthorized use of a motor vehicle.
  3. David Ortega-Sexual Assault
  4. Charles Russell Weaver-Arson
  5. Billy Connor, Jr.-Credit Card Abuse
  6. Samuel Parker-Credit Card Abuse
  7. Eduard Estrada-Sexual Assault

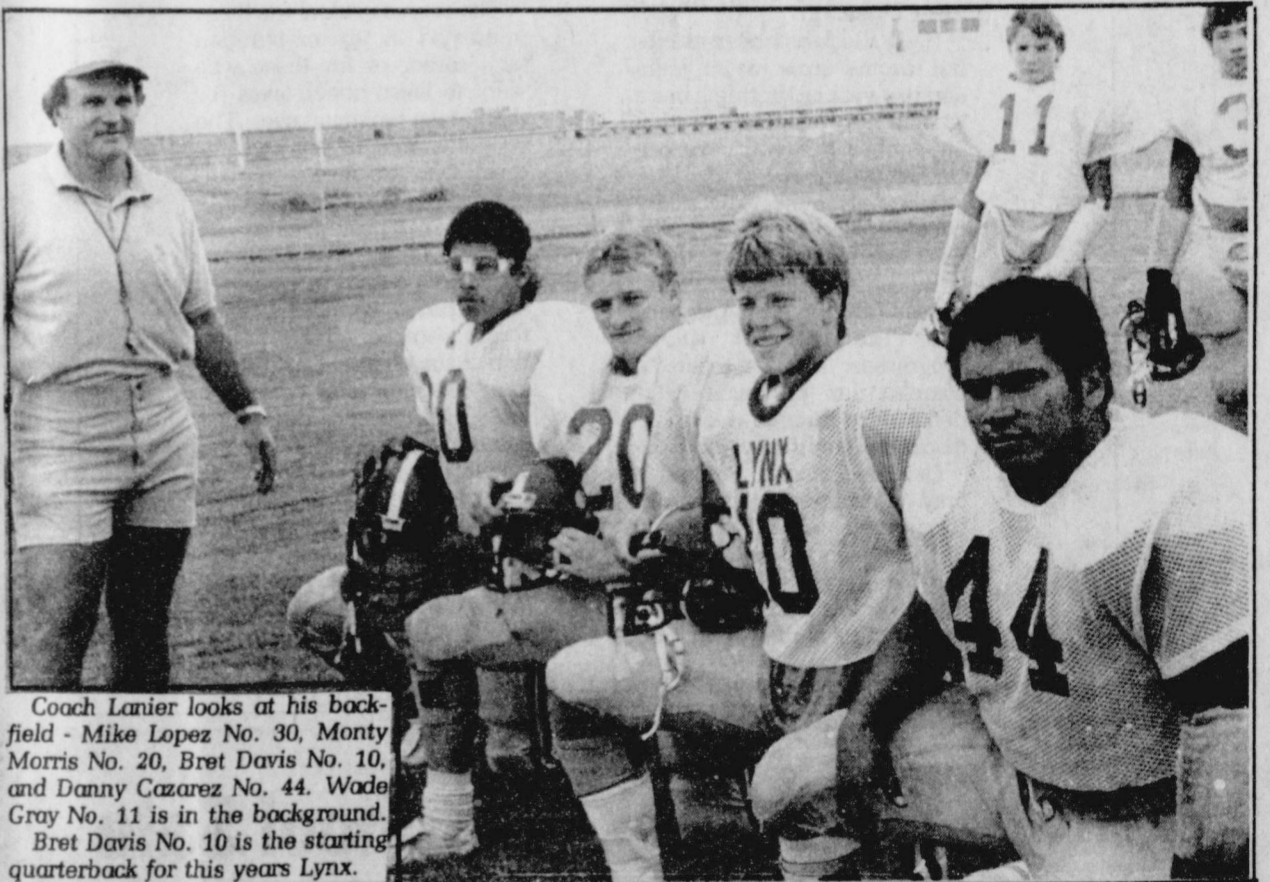

Julie Jones, Rotary President, Edgar Womble, and Mary Ann Evans are pictured above. Mary Ann Evans and Julie Jones are the two girls who attended Rotary

Camp Ryla last week. This is the first year that Camp Ryla had a session for girls. The girls gave a report on their Ryla experience at the Monday noon meeting.

### HOSPITAL

Patients in Hansford Hospital are Evrett Sullen, Annabelle Loe, Rita Underwood, Denise Meadows & son, Mary Gillispie, Martha Kauffman, Sharon Dougherty and Otis Dry.

Dismissed were Lupe Garcia and son, Wand Reed, Pat Underwood, Ross Donahue, James Davis, Marian Shapley and Teddy Whitefield.

Coach Lanier looks at his backfield - Mike Lopez No. 30, Monty Morris No. 20, Bret Davis No. 10, and Danny Cazarez No. 44. Wade Gray No. 11 is in the background. Bret Davis No. 10 is the starting quarterback for this year's Lynx.

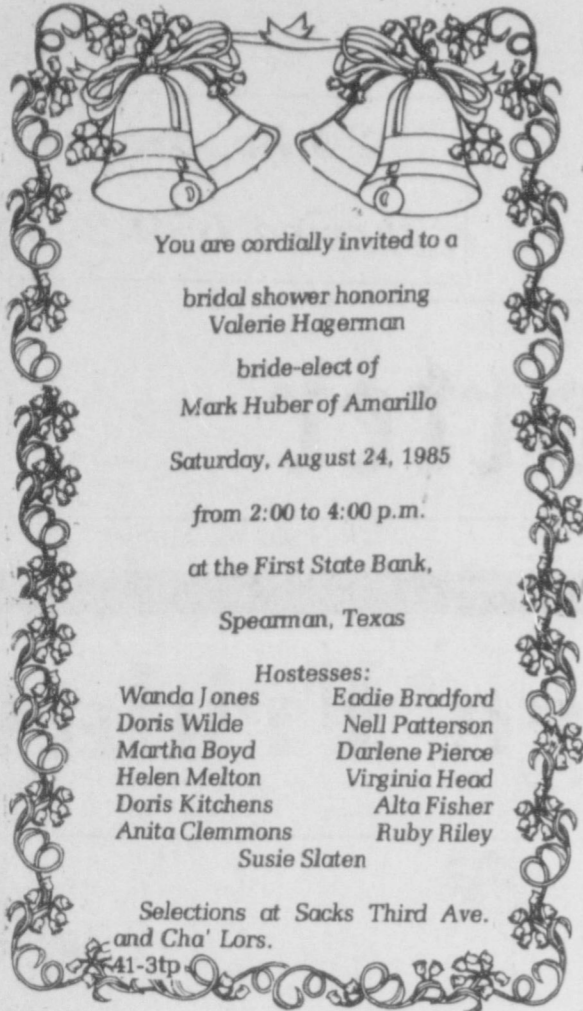

Mrs. Jessie Tompkins is shown at her 100th birthday celebration held here Sunday afternoon. Also pictured is her daughter, Bileen Sutherland. The birthday event was hosted by her daughters Mrs. Sutherland and Mrs. Alda Mitts, and grandchildren.

### MARKETS

CORN	\$2.75
MILO	\$4.20
WHEAT	\$2.65

Plenty of beef up front, Coach Lanier looks at his Lynx line. No. 88 Trevor Pool; No. 52 Allen Gardener; No. 61 Damon Goodheart; No. 77 James Smith; No. 51 Jessie Lozano; No. 60 Tim Willis and No. 40 Carl Urban.

**Pena-Salgado vows read**

Anita Pena and Joe Salgado Jr., were united in marriage August 10 in Floresville, Texas at the home of the bride's parents Mrs. Jovita Pena. The parents of the groom are Mr. and Mrs. Joe Salgado Sr. of Stanton, Texas.

**Our Heritage of Faith...**

Parts of the Lutheran Worship Service may be referred to as Proper or Ordinary. Basically the Ordinary is that part of the Liturgy which may be appropriate at any time. The Proper indicates something which is appropriate at a particular time. Simply this means that a Christmas Gospel call for a Christmas prayer with Christmas hymns and a Christmas paragraph in the Communion Liturgy. The Propers are tied to the Gospel of the day while the ordinary is more

general in nature. NEXT TOPIC: The Center of Worship Bill Schardin, Pastor Faith Lutheran Church Spearman, Texas

ON HUMAN RIGHTS HELSINKI, FINLAND -- Secretary of State George P. Shultz accused the Soviet Union of widespread human rights violations, saying that "the most important promises of a decade ago have not been kept."

**Engagement announced**

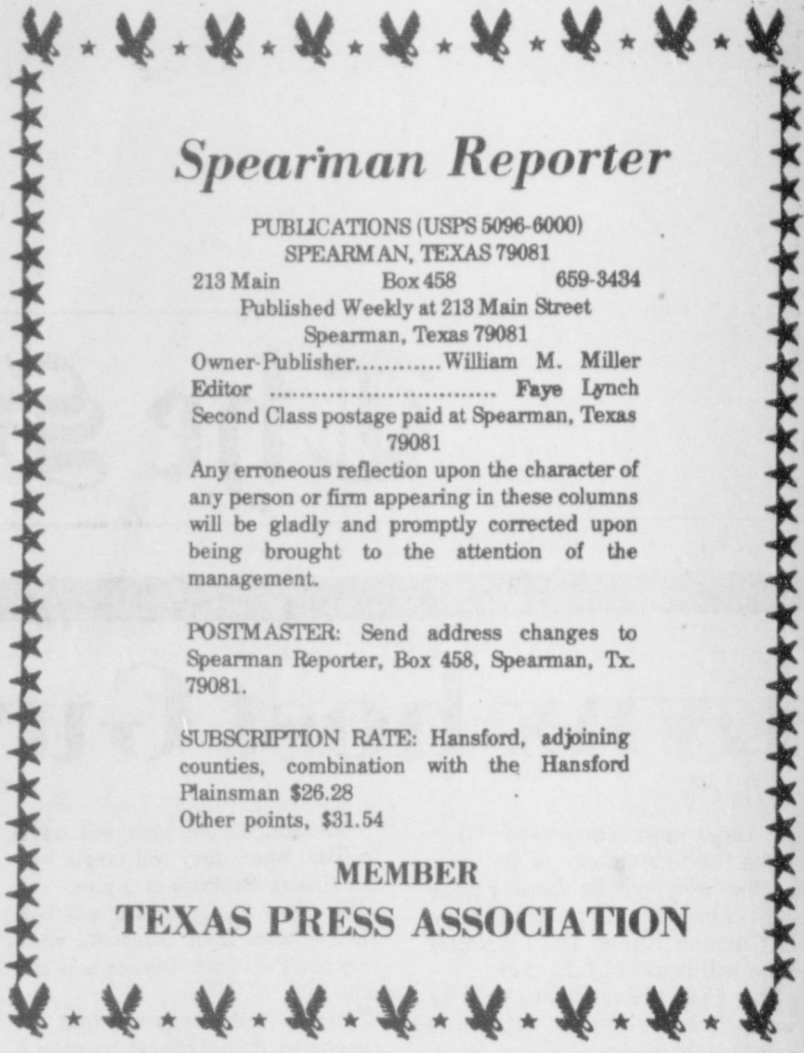

Mr. and Mrs. Paul Woolley of Spearman, Texas announces the engagement and approaching marriage of their daughter, Tina to George Rex of Spearman, Texas. Miss Woolley, a graduate of Spearman High School is presently employed at Hergert Pontiac in Spearman. George, a graduate of Spearman High School is presently employed at Northern Natural in Spearman, Texas. The couple will exchange vows on Sept. 6, 1985 at the First Christian Church in Spearman at 6 in the evening.

**Karen's Kozy Korner**

Yogurt can be a dieter's delight -- or downfall. It all depends on the type of yogurt you eat. Yogurt's calorie count depends on the butterfat content of the milk from which it is made. The more butterfat, the higher the calories. One cup of nonfat plain yogurt contains about 90 calories, while the low-fat type has about 150 calories and the whole milk product can have 180 to 210 calories. Many of the new custard-style or creamy style yogurts use whole milk. The fat from the whole milk adds flavor and creaminess, but also makes some of these products almost equal to ice cream in

calories. Dieters should also consider the serving size on yogurt products. Since more manufacturers are using six-ounce containers instead of eight-ounce containers for the higher calorie yogurt. Consumers should note the serving size when comparing calories among yogurt products. A six ounce container of a higher-fat yogurt may have the same number of calories as an eight-ounce cup of low-fat yogurt because the serving size is reduced. Flavoring in yogurts is another source of calories a dieter may want

**New Arrival**

Flavored yogurts contain two to three times more calories than plain yogurt, with the extra calories coming from fruit and sugars as sucrose, fructose, corn sweetener or honey. Whether you eat high-calorie or low-calorie yogurt, both have one big plus. Most yogurts contain about 350 milligrams of calcium per serving which is about 35 percent of the U.S. Recommended Daily Allowance. EDUCATIONAL PROGRAMS CONDUCTED BY THE TEXAS AGRICULTURAL EXTENSION SERVICE SERVE PEOPLE OF ALL AGES REGARDLESS OF SOCIO-ECONOMIC LEVEL, RACE, COLOR, SEX, RELIGION, HANDICAP OR NATIONAL ORIGIN.

There was quite a welcoming committee on hand to greet the arrival of Jeffrey Tatum Rice on Wednesday, August 14th, at 12:33 P.M. at Ochiltree Hospital in Perryton. He weighed in at 7.11 and was 21 inches long and is the son of Halee and Boyd Rice. He is the first grandchild of A.D. and Sharon Reed. Boyd's parents, Sonny and Gloria Rice, of Houston were here as well as great-grandparents, Mr. and Mrs. T.C. Harvey, of Phoenix, Arizona.

FAA tells air controllers to check runways because of more incidents.

ON CHILD ABUSE WORCESTER, MASS. -- A researcher who examined the bones of dead infants under a microscope has come up with preliminary proof that faint, mysterious marks on their X-rays were signs of child abuse, giving the first backing to a 40-year-old theory.

**More People Reap Benefits From H&R Block Tax Course**

Thousands of successful tax preparers started their careers with the H&R Block Income Tax Course. H&R Block has been teaching income taxes for 30 years and this year is offering a basic income tax course starting September 5th with evening classes available. Many of the most successful people in the tax preparation business started with this basic course which teaches all phases of income tax preparation. The 13 week course progresses from simple to complex tax problems. Students learn through classroom discussion and homework. Qualified course graduates may be offered job interviews for positions with Block. Many of Block's employees find the flexible hours a plus. However, Block is under no obligation to offer employment, nor

are graduates under any obligation to accept employment with H&R Block. The course is ideal for those interested in tax preparation as a career or for those who want to learn about taxes for their own personal use. The course is challenging and, for those who are highly motivated, can prove to be profitable as well. No prerequisites are required for enrollment. One low course fee includes all textbooks, supplies and tax forms necessary for completion of the course. Certificates and 7.5 continuing education units will be awarded upon successful completion of the course. Registration forms and a brochure for the income tax course may be obtained by contacting the Perryton H&R Block office at 314 N. Industrial. Telephone 806-435-5616.

**Pena-Salgado vows read**

Anita Pena and Joe Salgado Jr., were united in marriage August 10 in Floresville, Texas at the home of the bride's parents Mrs. Jovita

Pena. The parents of the groom are Mr. and Mrs. Joe Salgado Sr. of Stanton, Texas.

**Our Heritage of Faith...**

Parts of the Lutheran Worship Service may be referred to as Proper or Ordinary. Basically the Ordinary is that part of the Liturgy which may be appropriate at any time. The Proper indicates something which is appropriate at a particular time. Simply this means that a Christmas Gospel call for a Christmas prayer with Christmas hymns and a Christmas paragraph in the Communion Liturgy. The Propers are tied to the Gospel of the day while the ordinary is more

general in nature. NEXT TOPIC: The Center of Worship Bill Schardin, Pastor Faith Lutheran Church Spearman, Texas

ON HUMAN RIGHTS HELSINKI, FINLAND -- Secretary of State George P. Shultz accused the Soviet Union of widespread human rights violations, saying that "the most important promises of a decade ago have not been kept."

**Engagement announced**

Mr. and Mrs. Paul Woolley of Spearman, Texas announce the engagement and approaching marriage of their daughter, Tina to George Rex of Spearman, Texas. Miss Woolley, a graduate of Spearman High School is presently employed at Hergert Pontiac in Spearman.

George, a graduate of Spearman High School is presently employed at Northern Natural in Spearman, Texas.

The couple will exchange vows on Sept. 6, 1985 at the First Christian Church in Spearman at 6 in the evening.

**Karen's Kozy Korner**

Yogurt can be a dieter's delight -- or downfall. It all depends on the type of yogurt you eat.

Yogurt's calorie count depends on the butterfat content of the milk from which it is made. The more butterfat, the higher the calories.

One cup of nonfat plain yogurt contains about 90 calories, while the low-fat type has about 150 calories and the whole milk product can have 180 to 210 calories.

Many of the new custard-style or creamy style yogurts use whole milk. The fat from the whole milk adds flavor and creaminess, but also makes some of these products almost equal to ice cream in

calories.

Dieters should also consider the serving size on yogurt products. Since more manufacturers are using six-ounce containers instead of eight-ounce containers for the higher calorie yogurt.

Consumers should note the serving size when comparing calories among yogurt products. A six ounce container of a higher-fat yogurt may have the same number of calories as an eight-ounce cup of low-fat yogurt because the serving size is reduced.

Flavoring in yogurts is another source of calories a dieter may want

to avoid.

Flavored yogurts contain two to three times more calories than plain yogurt, with the extra calories coming from fruit and sugars as sucrose, fructose, corn sweetener or honey.

Whether you eat high-calorie or low-calorie yogurt, both have one big plus. Most yogurts contain about 350 milligrams of calcium per serving which is about 35 percent of the U.S. Recommended Daily Allowance.

EDUCATIONAL PROGRAMS CONDUCTED BY THE TEXAS AGRICULTURAL EXTENSION SERVICE SERVE PEOPLE OF ALL AGES REGARDLESS OF SOCIO-ECONOMIC LEVEL, RACE, COLOR, SEX, RELIGION, HANDICAP OR NATIONAL ORIGIN.

FAA tells air controllers to check runways because of more incidents.

**New Arrival**

There was quite a welcoming committee on hand to greet the arrival of Jeffrey Tatum Rice on Wednesday, August 14th, at 12:33 P.M. at Ochiltree Hospital in Perryton. He weighed in at 7.11 and was 21 inches long and is the son of Halee and Boyd Rice.

He is the first grandchild of A.D. and Sharon Reed. Boyd's parents, Sonny and Gloria Rice, of Houston were here as well as great-grandparents, Mr. and Mrs. T.C. Harvey, of Phoenix, Arizona.

ON CHILD ABUSE WORCESTER, MASS. -- A researcher who examined the bones of dead infants under a microscope has come up with preliminary proof that faint, mysterious marks on their X-rays were signs of child abuse, giving the first backing to a 40-year-old theory.

**More People Reap Benefits From H&R Block Tax Course**

Thousands of successful tax preparers started their careers with the H&R Block Income Tax Course.

H&R Block has been teaching income taxes for 30 years and this year is offering a basic income tax course starting September 5th with evening classes available.

Many of the most successful people in the tax preparation business started with this basic course which teaches all phases of income tax preparation. The 13 week course progresses from simple to complex tax problems. Students learn through classroom discussion and homework.

Qualified course graduates may be offered job interviews for positions with Block. Many of Block's employees find the flexible hours a plus. However, Block is under no obligation to offer employment, nor

are graduates under any obligation to accept employment with H&R Block.

The course is ideal for those interested in tax preparation as a career or for those who want to learn about taxes for their own personal use. The course is challenging and, for those who are highly motivated, can prove to be profitable as well. No prerequisites are required for enrollment.

One low course fee includes all textbooks, supplies and tax forms necessary for completion of the course. Certificates and 7.5 continuing education units will be awarded upon successful completion of the course.

Registration forms and a brochure for the income tax course may be obtained by contacting the Perryton H&R Block office at 314 N. Industrial. Telephone 806-435-5616.

Everyone loves a parade

Everyone loves a parade, and the Amarillo Tri State Fair Parade always draws a big crowd. This year will be no exception as the parade kicks off the 1985 Tri State Fair on Monday, September 16. The parade will begin at 10:00 a.m. on Polk Street in downtown Amarillo, according to Parade Committee Chairman John Kuhn, and will feature marching bands, military units, floats, horses, clowns...everything you like about a parade. The theme of this year's parade is "A Step into the Future, A Look into the Past". Cash awards of \$250.00, \$100.00 and \$50.00 plus trophies will be given to the top three

floats which best follow the theme of the parade. Trophies will be awarded for the best overall entry and for the best entry in the following individual categories: military, equestrian, bands (three trophies for junior high and high schools), junior ROTC, civic, youth and religious organizations. Awards will be presented on the outdoor stage at the fair at 5:00 p.m., Monday, September 16. Entries for the parade must be in the fair office by Tuesday, September 3. For entry forms or additional information, call the fair office at 806-376-7767 or write Tri State Fair, Box 31087, Amarillo, Texas 79120.

# Among The Neighbors

Week-end guests in the home of Mr. and Mrs. Owen Pendergraft were her Nephew and wife, Mr. and Mrs. Bob Kirk. The Kirks are from Carrollton, Texas. Mr. and Mrs. Richard Gaines entertained the Kirks and Pendergrafts for dinner on Sunday in celebration of the Kirk's 13th wedding anniversary.

Postmaster Ray Robertson is no longer under such close supervision as he was last week since his grandchildren returned home last Saturday. Grandson Cody, six, and granddaughter, Sage, 2½, children of Brenda and Claud Annon of Dimmitt, had visited the Robertsons all week.

Mr. and Mrs. Echol Blankenship and family enjoyed having guests over the week-end. Mrs. Liz Morris of Sundown, Texas and Melanie Morris of Petersburg, Texas returned Monday.

Carolyn Davidson who underwent cataract surgery in Amarillo a week-ago Monday is recovering nicely, and expects to resume her duties at Gordon's drug in the near future.

A group from Spearman attended the performance of "Annie" at the Dinner-Theater in Amarillo Friday night. They enjoyed the dinner, and show and returned home after the show. They were particularly pleased and impressed with the performance and ability of Brent Biles. Brent has lived in Amarillo for several years and is the son of Mr. and Mrs. Hoyt Biles of Spearman. Those making the trip were Pearl Pierce, Anita Anthony, Dora Womble, Gertrude Archer, Jane Meek, Rosalie Butts, Lola Newcomb and May Lynn Schubert.

An extended vacation is over for Mr. and Mrs. Jim Fowler, and Mr. Fowler returned to his employment with Texaco on August 19th. The vacation began with the Reed Family re-union at Red River. The Reeds are Mrs. Fowler's family and there were 35 members present. Among those present were Mr. and Mrs. Gary Gumbof and family of Gruber and Mr. and Mrs. Harold Adkison of Mansfield. Mrs. Gumbof and Mrs. Adkison are daughters of the Fowlers. After the re-union, which lasted three days, The Adkisons and two sons came to Spearman and visited his mother until the past Sunday morning.

Mr. and Mrs. Fowler drove on to Chama, New Mexico for several more days. The fishing was excellent, and Virginia is now a confirmed trout fisherman as she caught her first trout in the Rio Grande River.

Darlene Howell returned from a lengthy visit in Ruidoso, New Mexico where she had been staying in the home of an old friend, Virginia Wallace. Their activities consisted of resting, relaxing, sight-seeing. However one day Darlene did attempt to re-coup her expenses by attending the horse races.

The friends of Tom Etter are pleased to know that he is at home, and that he considers his surgery successful. He underwent surgery last month at St. Anthony's hospital, and then spent two weeks in the re-hab center.

Guests in the Ray Gressett home are Gressett Daughters-Kristi Phelps and son, Chesley, of Muleshoe and Cindy Sinclair and son, Luke, from Pine Bluff, Arkansas. To represent the fourth generation is Mrs. Gressett's father, Raymond Bounds, of Stamford, Texas.

Billy Whitson, and his mother Ruth Mary, returned a few days

ago from an extended tour that covered 4500 miles and took three weeks. Before the trip they visited Betty Whitson in Houston and enjoyed her new home. Then they drove to San Antonio to be with the Bobby Whitsons. Betty accompanied them on the trip to Florida as did Ruth Mary's sister, Mrs. Charlotte Bollinger and daughter, Holly, from Natural Dam, Arkansas.

They stayed in Sebring, Florida and made side trips to Orlando, Epcott, Kennedy Center, The Dark Continent, the Bell Towers at Lake Wales, Ringling Brothers Museum and Cypress Gardens. It was here that they were pleasantly surprised to meet Steven Slater and family who were also vacationing.

The Whitsons returned by way of New Orleans which they found to be fascinating.

Mrs. Alice Lackey and Mrs. Donna Sheets drove to Oklahoma City for a week-end visit in the home of Mrs. Sheets' daughter, Dr. and Mrs. Randall Felder. Dr. Felder is doing his internship at Baptist Medical Hospital.

Burl and Roger Buchanan had a few days fishing before Roger returns to college at Stephenville. They fished at South Fork, Colorado and visited the John Allens who are vacationing there. Burl reports that he caught some enormous fish, but, unfortunately, they got away.

Enjoying a Florida vacation were the Steve Slater family the last two weeks. They stopped at all the well known attractions-among them - Orlando, Epcott, Sea World, Cypress Gardens, Silver Springs. On the return trip, they stopped to visit his uncles at Baytown, but because the hurricane was expected, they cut their visit short.

One last outing before school starts took the United Methodist Young People on a trip to Arkansas this past week. Frank and Kitty Edwards were sponsors and drove the church van. Eureka Springs was the destination and among the many interesting places and things they saw was "Christ of the Ozarks". This is a seven story statue of Christ and was most impressive and inspiring. Attending the "Passion Play", an outdoor enactment of the last week of the life of Christ was a spiritual and moving experience for the group.

They attended the "Glass Church in the Woods" - a church which walls are entirely glass, only the floors and roof is wood.

Other activities included participating in a go-cart race; shopping in an unusual shopping center and sight seeing.

Those making the trip in addition to the Edwards were: Allen Mires, Kevin Nelson, Heather McRee, Shaun Cook, Tim Stedje, Latta, Allen Gardiner, Ray L. Scribner, Meli Floyd.

### ONE MINUTE SPORTS QUIZ

1. Who won the Greater Hartford Open golf tournament?
2. Name the winner of the LPGA du Maurier Classic.
3. Who won the U.S. Open Clay Court tennis tournament?
4. Name the winner of the Talladega 500 stock car race.
5. Lou Brock, a recent Hall of fame inductee, holds what major league record?

### ON PORK

CHICAGO -- Consumers are eating less pork, retailers are avoiding pork specials and the result has been a backlog of supplies and weak hog futures prices.

## Haun family reunion held

The Haun Family Reunion was held Aug. 9, 10, 11 at Monument Lake, Colo. Kith and kin came from all over. Those attending were: Marvin and Maggie Haun from Marvel, Colo., their children, Mr. a Mrs. Bill Ritch, Brenda, Freddie and Raymond, San Diego, Cal. Mike and Shirley and Bobbi King-Slaton, Tx. Mr. Clayton Haun, Harrison, Ark. and his children, Mr. and Fred Rennee and Deanna LaRue, Broken Arrow, Okla., Melvin and Arveta Haun and their children, Shanon, Cheryl, Curt and Cory, Delores, Colo., and Buddy Haun, Golden, Colo. Mr. and Mrs. D.E. Gosser (Alta May Haun) from Farmington, N.M. and their daughter, Mr. and Mrs. Aaron Joplin, Mark, Terry and Larry, Bloomfield, N.M. Mr. and Mrs. Don Schumann (Mary Haun) and their children, Craig and Denise Schumann, Melissa, Melodie, Derrick, Joshua and Tashiana; Vernon and Marsha Pipkin, Cody, Mika and Holly, also Victor and Debbie Schumann; Jeff and Michele Beedy, Blake, Britni and Tanner, all of Spearman. Mr. and Mrs. Lee Nichols (Melva Haun) from Granite Shoals, Tx.; their children, Johnny and Esther from Austin; Marilyn Davis and her children, Monica, Alana and Jessica from Wilburton, Ok., Stanley Haun, Portales, N.M., Frank and Gracie Clover, Denver, Colo.; Vernon and Leora Pelter and girls, Alva, Okla. and Cherokee, Okla.; Gary and Sharon Haun and

daughter Melinda of Ft. Worth; Eldon and Dorothy Berry, Indianapolis, Indiana. Madalyn Fuqua, Hugoton, Kans., also Linda Riner, Hugoton; Fred and Joan Maldonado, Las Vegas, N.M.

Saturday afternoon the clan had a talent show which was enjoyed by all. Everyone enjoyed visiting, eating, catching up on years of remembering as some hadn't seen each other for 50 years. Some fished, hiked, climbed the stone wall and just enjoyed togetherness and a marvelous time was had by all.

It was decided to have the reunion as an annual affair. The Monument Lake area is beautiful.

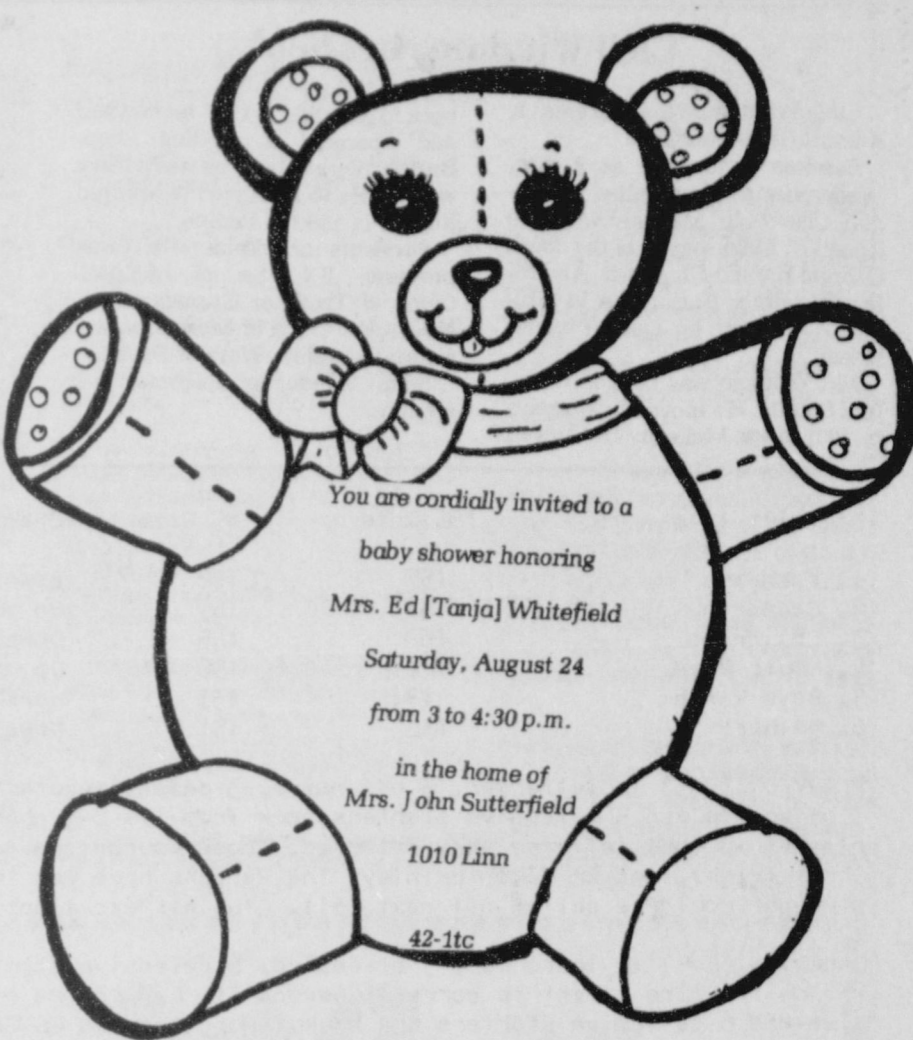

Just one family member is deceased, Othel Haun and one sister who couldn't attend, Marjorie (Haun) Callstrom of Adrian.

### Answers To Sports Quiz

1. Phil Blackmar.
2. Pat Bradley.
3. Ivan Lendl over Andre.
4. Gomez.
5. Most stolen bases with 938.

### PLUTONIUM & N.Y. WATER

NEW YORK -- Plutonium was discovered in New York City's drinking water after the city received an anonymous letter threatening to contaminate the water supply if charges against accused subway gunman Goetz were not dropped officials said recently.

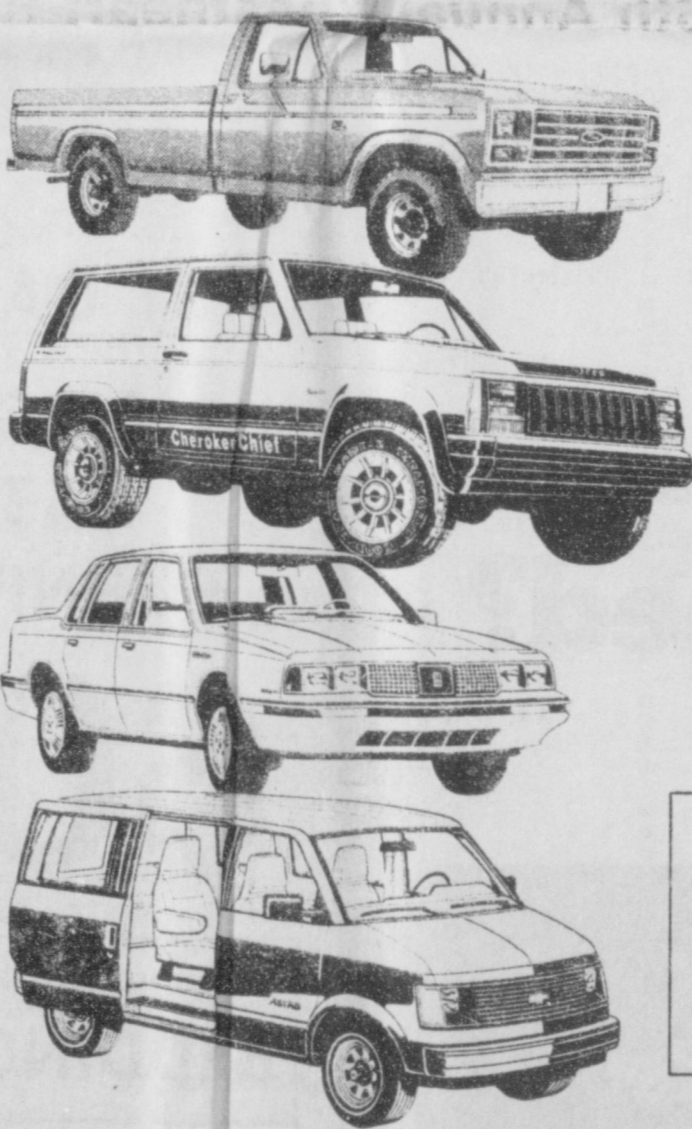

### ON WOOD STOVES

WASHINGTON -- The government intends to place household wood stoves under new regulations because they emit millions of tons of health-damaging pollutants into the air.

### BEE HUNT

SACRAMENTO, CALIF. -- Scientists hunting for fugitives from the first U.S. "killer bee" colony studied honeybees less than a half-mile away in commercial and hobbyists' hives.

# 11.8% BANK FINANCING ON ALL NEW VEHICLES

First National Bank has the hottest financing rates in town for all new cars, pickup trucks, vans, travel trailers, and camping trailers. These may be domestic or foreign vehicles. There is no restriction on the dealer you select, nor on the size and model you choose.

You can select 36 months, 42 months, or even 48 months to pay on your new vehicle installment loan. Monthly payments are required. See the chart below for the interest rate and down payment amount for the term of your loan.

11.8% APR* for 36 months with 20% down payment of sticker price
12.8% APR for 42 months with 20% down payment
13.8% APR for 48 months with 20% down payment

\*Annual percentage rate

This offer is not limited to current First National customers. You arrange for your own purchase price with the dealer of your choice.

First National Bank invites you to talk with our personal loan officers before you go to buy. That way you'll have your financing arranged in advance. Come by or call loan officers Roger Monzingo, Quentin Rizley, or Leby Crane. In the main lobby. Open 9:00 to 3:00, Monday through Friday.

Offer good through August 15, or upon notice by First National Bank

Before signing any more papers, or surrender any more money or property to your lenders, STOP AND THINK. Do I know what I am signing? Do I know what I have signed in the past? Do I know what the lender really has for security or are the lenders just trying to save their own ship? Am I going to work all year, just to pay the lender interest? Negotiate with your lender. Delay and prevent foreclosure. Refinance your Debt. Protect

Equipment and Crops, Utilize the redemption period. Prevent a Sheriff's Sale. Write a realistic reorganizational Plan. Call AGRA-FINANCIAL CONSULTANTS INC. KS: (316) 266-8443 NE: (308) 273-9677 OK: (405) 348-2220 24 hours.

**Clell Windom rites held**

Clell Windom, 78, of Route 1, Amarillo died Sunday.

Services were held at 2 p.m. Wednesday at First United Methodist Church in McLean with the Robert E. Field, pastor of the South Georgia Baptist Church in Amarillo, officiating. Burial was in Hillcrest Cemetery by Lamb Funeral Home.

Mr. Windom was born in Hansford County. He moved to Missouri in 1951 from McLean. He moved

back to Amarillo in 1965 and owned and operated a welding shop. During World War II he was a Navy welder. He was married to Mildred Rogers in 1930 in Pampa.

Survivors include his wife; three brothers, E.J. Sr. of McLean, Clyde of Truth or Consequences, N.M., and Cloyd of Morton; and a sister, Geraldine Ware of Bovina.

Sonny Windom of Spearman is a nephew.

**WALLACE'S SURGERY**

ENGLEWOOD, COLO -- Alabama Gov. George Wallace underwent hours of spinal surgery to alleviate leg pain that has dogged him since he was shot and partially paralyzed 13 years ago, and he told doctors he felt some relief.

**NO INCREASE**

LONDON -- Margaret Thatcher, whose public support already is low, ran into the worst revolt within her own party since she took power six years ago. Nearly 100 Conservative lawmakers refused to back large pay increases the prime minister intends to give top officials.

**School registration set**

Registration for grades Kindergarten thru grade four will be Friday, August 30, 1985. Registration will be from 8:30 until 10:30. It is very important that you register your child on this date, for it will take longer for you to register your child on September 3, 1985, for we will be having school on that date.

New students that have moved into the district will register August 27th and August 28th from 9:00 until 12:00 each day. Also they will come in on August 30th from 8:30 until 10:30 to pick up information and meet their child's teacher.

Kindergarten students will need to bring their physical form and a copy of the Birth Certificate. They will not be able to register if they do not have the above information. If you could have a copy made of the Birth Certificate, we would appreciate it. The County Library has a copy machine and the charge isn't much.

Pre-enrollment of all Junior High students that were not enrolled in Spearman ISD last year, will be August 29 and 30, from 9:00 a.m. to 3:00 p.m. at the Junior High School Office.

Registration for students new to the Spearman I.S.D. in grades 9 - 12 will register from 9:00 a.m. to 3:00 p.m. during the week of Aug. 19 - 23.

All students will register on Thursday, Aug. 29. Students are to report to the auditorium according to the following scheduled:

- 8:15 - 9:15 - Seniors.
- 9:15 - 10:15 - Juniors.
- 10:15 - 11:15 - Sophomores.
- 11:15 - 12:15 - Freshmen.

District 1-AAA	'84 Rate	'85 Rate	Change	Projected Outlook
1. Perryton	154	152	Down 2	About same
2. Canadian	141	149	Up 8	Stronger
3. Childress	152	145	Down 7	Weaker
4. River Road	122	138	Up 16	Stronger
5. Boys Ranch	131	131	None	Same
6. Dalhart	134	131	Down 3	Little weaker

**PERRYTON (8-3)** 14 lettermen, 3 offensive, 3 defensive starters. Perryton has just 3 offensive and 3 defensive starters back from its 8-3 championship team, but those players who are left are very talented. Those youngsters are RB Jeff McKinley, QB DB Chris Wright, and RB Mike McKinley. The Rangers have won two titles in a row. A third straight could be pulled off next fall. Club has excellent size. About same.

**CANADIAN (4-5)** 14 lettermen, 5 offensive, 6 defensive starters. Canadian is counting on its fine talent to carry it beyond its 4-5 record of last season. Five offensive and 6 defensive starters are back. Among them is RB Geoff Dockray who is more than a solid player. If the Wildcats can get the breaks they didn't get in '84, a new district champion could reign. Stronger.

**CHILDRESS (9-2)** 8 lettermen, 3 offensive, 2 defensive starters. Childress graduated 22 seniors from its 9-2 second-place team and is going to be down. But the Bobcats are rich in tradition and will remain a sound team regardless of coach Charlie Johnston's usual crying towel. A good JV is upcoming. It will replace some losses but it can't replace all of them. Weaker.

**RIVER ROAD (1-9)** 16 lettermen, 9 offensive, 8 defensive starters. River Road went through a rigorous campaign a year ago when a lone win was salvaged. The Wildcats, loser of some close games, began to have a morale problem because of it. Club just fell apart after losing to class AA Stinnett. Club is going to be much better this year than people think. Stronger to much stronger.

**BOYS RANCH (4-6)** 12 lettermen, 4 offensive, 4 defensive starters. Boys Ranch has in its portfolio to follow the same 4-6 pill it took in '84. Club is far from being a portentious and mysterious monster. No change in team status is observed. Same.

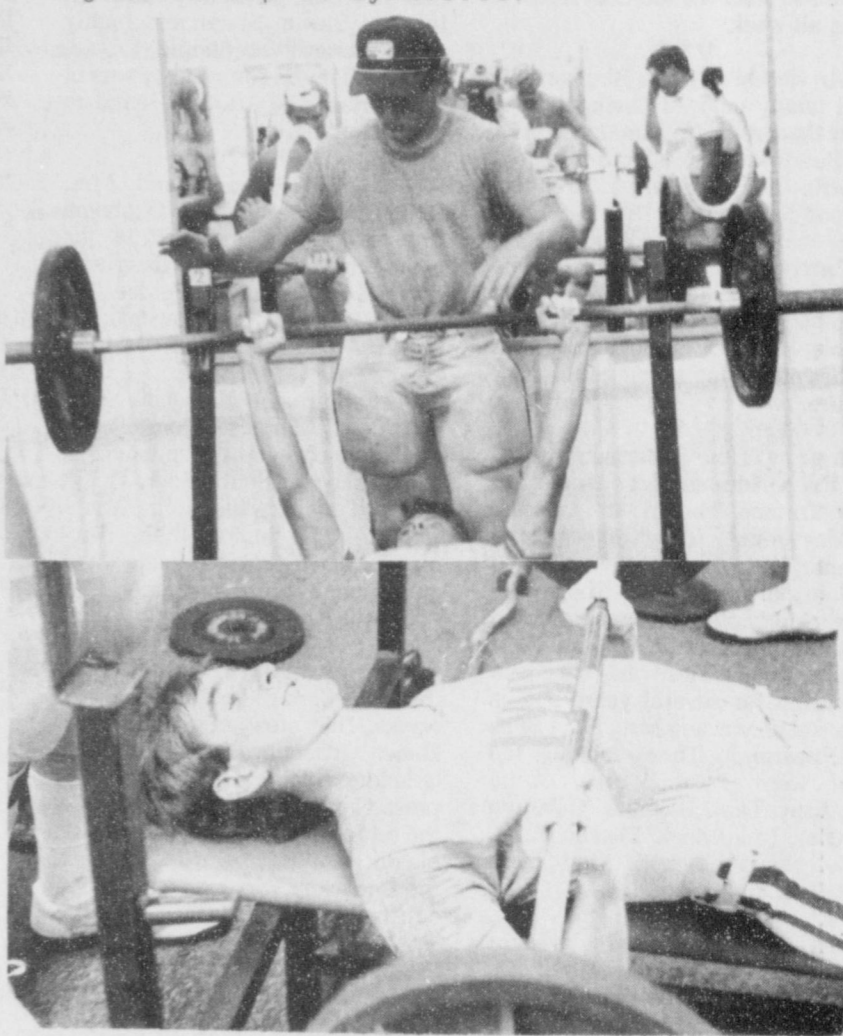

**DALHART (4-6)** 12 lettermen, 2 offensive, 2 defensive starters. Dalhart had a shaky 4-6 season a year ago and with the return of just 4 starters (2 both ways), a search for some needed help is underway. Three of the good ones that need the assistance of others are end Richey Stewart, LB Craig Lechner and Shawn Claborn. Little weaker.

District strength - Average. About same in '85.  
District outlook - The shootout between Perryton and Canadian could well decide the winner of the district. Childress, though, can never be counted out. The surprise of even of the loop will be River Road.

Outstanding players - HB Greg Adams 165, QB Mike Mitchell 155, guard Monty Ganders 190 (Boys Ranch); tackle Michael Pointer 200, RB Jeff McKinley 200, RB Mike McKinley 205, QB Chris Wright 180 (Perryton); tackle Ricky Schubarth 175, LB Parrish Tiger 175, tackle John Holman 205 (Childress); QB Jeremy Johnson 190, center Scott Isch 190 HB Eugene Daniels 185 (River Road); end Richey Stewart 165, LB Craig Lechner 195, FB Shawn Claborn 165 (Dalhart); FB-LB Geoff Dockray 185 (Canadian).

District 2-AAA	'84 Rate	'85 Rate	Change	Projected Outlook
1. Littlefield	172	167	Down 5	Weaker
2. Tulia	153	157	Up 4	Stronger
3. Idalou	155	155	None	Same
4. Friona	145	151	Up 6	Stronger
5. Dimmitt	148	148	None	Same

Pre-game warmup in Lynxville.

**Livestock events judges selected**

Final selection of judges for the competition in the livestock events at the 1985 Tri State Fair has been completed. Lynn Griffin, fair manager, has announced the names of the judges, who represent six states. Bill Conley of Clarksdale, Missouri will judge the Open and Junior Angus shows. Hereford cattle will be judged by Sam Paylor of Brookville, Kansas. Dr. Stephen Hammack, Stephenville, Texas will judge the shorthorn cattle and the Simmental cattle. Longhorn cattle will be judged by Dr. Joe Knowles, Borger, Texas. The Open Sheep Show will be judged by Gil Engdahl, San Angelo, Texas. Rick Maloney of Duncan, Oklahoma will place animals in the Junior Barrow Show. Junior lambs will be judged by Kyle Smith of Seminole, Texas. Dr. David Ames, Fort Collins, Colorado will place the Junior Steers. Capons will be judged by Dr. William Cawley, College Station, Texas. Charles Oltersdorf of Peoria, Arizona will judge the bantams and rabbits will be placed by Bob Berry of Lubbock, Texas. More than 2,000 head of animals are expected at the fair, scheduled for September 16-21.

## To God a note of Thanks

Mrs. E.A. Greever

Dear friends today I rejoice to write of Divine Healing and let me make it plain to you I have not a word to say against the many many earthy physicians and I will add nurses who are spending their entire life to help suffering humanity but I have found a better way in the study of Gods' holy word. For spirit soul and body Jesus paid it all for me helpless creatures made of earth neither do I cast a reflection on what has to be paid for their service. In Romans 13:8 we read owe no man anything but to love one another and personally I feel about all that debt should be paid if possible. Gods word tells us Jesus paid the price for all the need of these mortal bodies when he turned his back to the smiters and was bruised and beaten and the Old Testament scripture Isa. 53:3 says by his stripes ye are healed. In 1 Peter 2:24 we read by his stripes ye were healed and 1919 I was made to know it is true and he has been my physician for every need for 66 years. Praise God. The Bible says we do not measure ourselves by ourselves or by others in other works it really quotes if we do we are not wise so let us study Gods word. He dealt with Israel as a nation and in different scriptures gave them a promise of healing and health by obeying his commandments this being one of the many good things promised and Jesus said I did not come to destroy the law or the prophets but to fulfill.

In the old testament please read Ex. 15:26, Deut. 7:15, Psalms 103:3, Isa. 53:3 and Jer. 17:14 and these in the new testament Matt 4:23-25, Matt. 10:1, Acts 28:6-9, Matt 14:35-36 and Peter 2:24, this only a few. In the gospel or good news John the Baptist the forerunner of Jesus when in prison heard of the many things Jesus was doing so sent two of his disciples to ask Jesus if he was the one to come or should they look for another. Jesus told them to return and tell his of the things they had seen and heard. The blind receive their sight and the lame walk the lepers are cleansed and the deaf hear the dead are raised up and the poor have the gospel preached to them Matt 11:4-5 and then added by saying, Blessed is he whosever shall not be offended in me, in other words

we will be blessed if we believe.

Matt 4:24 And his fame went through out all Syria and they brought unto him all sick people that were taken with diverse diseases, and torments and those which were possessed with devils and those which were lunatic and those that had the palsy and he healed them. Matt 8:16-17 When the even was come they brought unto him many that were possessed with devils and he cast out the spirits with his word and healed all that were sick. That it might be fulfilled which is spoken by Esaias the prophet saying, Himself took our infirmities and bore our sicknesses, by this we see he bore for us that which comes with old age.

The word that we are told is forever settled in heaven lets us know Jesus Christ is the same yesterday and today and forever Heb 13:8 I've found it true in 1985.

It should be no marvel dear friends that I as an ambassador for Christ am made sad that more often man's extremity is God's only opportunity and I do honestly believe should I write all the things recorded in Gods holy word of healings, deliverance from evil spirits blindness and etc. in this article to be placed in the Spearman Reporter this week there would not be but very little space for other things.

Oh how I love to tell the story of Jesus and his love and how I rejoice he is not respecter of persons. Bless his holy name. Heaven and Earth may pass away but He is ever the same and my desire is that the One who changest not will ever abide with me.

### What?

Two opposing political candidates argued on a busy street, while a crowd of spectators listened.

"There are hundreds of ways of making money," one of the campaigners declared, "but only one honest one."

"And what's that?" jeered the other.

"Ah, ha!" rejoined the first. "I thought you wouldn't know!"

## "A Question of Burning"

The victim was a previously healthy three-year-old male. He was described as being a "Dennis the Menace" type, curious, playful, and fun-loving.

On the day of the accident, it had been raining and the children had been kept inside to play. Late in the afternoon the victim and one companion (three-year-old female cousin) were playing in the cellar. The victim's fifteen-year-old sister had earlier been playing with the younger children, but had left them in the cellar and gone upstairs a short time before the accident.

The victim and the young girl had just received new bicycles and were very preoccupied with these treasured acquisitions. Disappointed at not being able to take the bicycles outdoors due to the bad weather, the children apparently decided to clean their bikes. For use as a cleaning substance, the victim obtained and used some gasoline, which was stored in a red plastic one-gallon jug in which a popular brand of auto antifreeze is distributed. It is estimated that there was approximately one quart of gasoline in the gallon jug, and it is not known whether there was a cap on the jug. The victim's father had obtained the gasoline from the car by siphoning, and had used it for cleaning a carburetor just two days before the accident. The victim had watched his father using the gasoline, and apparently concluded that if gasoline was good for cleaning auto parts, it would also be good for cleaning bicycles.

It is believed that the victim used the gasoline by pouring some on a rag, and then wiping parts of the bicycles with gasoline-soaked rag. It is clear that he paid particular attention to the seats, pedals, chain guards, rear wheels, and training wheels. In the course of applying gasoline to the rag and then wiping various parts of the bicycles, a liberal amount of gasoline was spilled on the floor and on the victim's hands and clothing. While the exact duration of this activity is not known, it is important to note that when a highly volatile liquid is

spread in a thin layer over a wide area (as when spilled on the floor), it vaporizes rapidly.

The gasoline vapors apparently accumulated in the cellar, and eventually reached the gas-fired hot water heater, a distance of six to eight feet from where the gasoline had been spilled. It is not known whether the vapors were ignited by the pilot light, or if the water heater's main burner fired at that time. A vapor flash resulted and, in turn, ignited the surfaces that were wet with gasoline, including the floor in the area of the spill, various surfaces of the bicycles, and the victim's clothing. The other child was positioned beyond the perimeter of the gasoline spill and escaped with minimal consequences.

The victim's mother, who was in the kitchen at the time, stated that she heard no explosion and that the victim did not cry or scream even when engulfed in flames. The first indication of trouble was the appearance of smoke coming under the door leading to the cellar. The fifteen-year-old girl went to investigate and found the cellar filled with smoke. She knocked out a window to relieve the smoke and then went to fight some minor flames burning in the area where the gasoline had spilled on the floor. As she moved toward the fire area, she discovered the victim walking toward the bottom of the stairs leading to the kitchen. She states that the victim's clothing was on fire and that the boy was engulfed in flames like a "torch". The older girls grabbed the victim under the arms from behind and carried him upstairs to the kitchen where the victim's mother used the spray hose of the kitchen sink to extinguish the flames. Even after the active flames had been controlled, she states that all of the boy's clothing was smoldering except for his sneakers.

The victim was taken by police vehicle to the emergency room of a local hospital. Following evaluation and initial care, he was transferred for admission to the Shriners Burns

Institute in Boston, where he remained until he expired on the 54th post-burn day.

There were no fabric samples available, since most of the victim's clothing was destroyed by flames. At the time of the accident, he was wearing a cotton flannel long-sleeved shirt, a cotton undershirt, dungaree-type pants, and socks and sneakers.

## Letter to the Editor

Dear Billy Miller,

Enclosed with this letter you will find eleven different case studies of burn injuries. These studies are a result of Project Burn Prevention conducted by Shriners Burn Institute-Boston Unit, Educational Development Center and Massachusetts General Hospital. The book these studies originated from is sponsored by the U.S. Consumer Product Safety Commission and may be reproduced.

The Spearman Fire Department has set goals in burn prevention efforts and has developed the enclosed program to aid in education of burn prevention. We ask that you review the enclosed articles and if possible we ask that one article per month be printed under the headline of "A Question of Burning".

In developing this program, we have reproduced titles and drawings to act as attention grabbers. If possible we feel a two column printing approach would allow printing of many of the drawings. Additionally, all but one article has a "rule of nines" burn diagram attached which will show burn areas to the victims.

Each article except the one investigative report asks questions which readers may consider. The fire department feels these questions raised may cause readers to request additional information. If you feel space permits, we ask that you include the departments address: SVFD, Project Burn Prevention, P.O. Box 214, Spearman.

Helping to promote increased interest in year round fire prevention is

another goal the department has set and we feel the one article per month format will greatly enhance a month to month concern for fire and burn prevention.

You will find additional headlines, fillers, and drawings to be used as you feel best.

The Spearman Volunteers thank you in advance for your help with this new project as well as for the support and help you have provided in the past.

Gratefully,  
Ron Antalek  
SVFD Fire Chief

P.S. Remember, Fire Prevention Week is October 6-12, 1985.

## RECIPE

By Sarah Ann Sheridan

Here is another macaroni recipe. These salads are hearty enough to feature as main dishes for luncheon and evening menus. They should contain something crunchy like crisp celery, something colorful like strips of green pepper and pimientos and something to give them zest like scraped onion or a tangy salad dressing.

### Macaroni Cream Slaw

8 oz. shell macaroni  
4 c finely shredded cabbage  
½ c slivered green pepper  
1 c round carrot slices  
2 T sliced scallions  
½ c sour cream  
2 t cider vinegar  
2 t salt-pepper

Cook macaroni as directed. Combine all ingredients. Mix thoroughly. Chill several hours before serving.

### BLADDER CANCER

BOSTON -- Heavy use of phenacetin, once one of the nation's most popular over-the-counter painkillers, has been linked to rare bladder cancer in young women, according to a recent study.

## Care Unit offers variety of help

"You were the only one who would help me."

It's a familiar statement heard by Kay Kropff, program manager for Palo Duro Hospital CareUnit.

"It is time that people know they can reach out and realize that other people will help them," Kropff said. "When they reach out we will be there."

"The first step is the hardest for people to take. But once they reach out, we do not leave them hanging because we really do care."

The Palo Duro Hospital CareUnit is one of many units under the supervision of the CompCare Corporation. CompCare is headquartered in Florida and California. The corporation has existed since 1971 serving the nation with different health care programs set up in units stationed around the country.

The Palo Duro CareUnit is known for a program that uses a team approach in the treatment of alcoholism and other drug dependencies. But the CareUnit is there for more than just alcohol/drug abusers that need help, Kropff said.

The unit is there for problems with eating disorders, stress, adolescent stress, adolescent drug/alcohol abusers, sexual dysfunctions and physical rehabilitation.

"If we cannot help people with a certain problem we refer them to another unit that specializes in that particular problem," Kropff said. I get the patient in the very best unit that they will benefit from.

"I set it up for them. I arrange and pay for transportation," she said. "If they stay for the whole program, we pay for the transportation back."

"The CareUnit is a community service where the initial consultations and evaluations are free and the after-care sessions are free.

"I treat people the way I want to be treated," Kropff said. "If they have a problem of any kind, they need to take that first initial step and call. One thing I want to stress is that we protect their confidentiality."

"We ask people to leave their name and number so that we can

follow up on helping them, but they don't have to. Their biggest fear is that everybody will know, but we keep everything confidential."

The CareUnit offers a four to six week drug/alcohol program. The patient is medically detoxed, Kropff said. After the patient is out of detox, which is called special care, he is drug free. The unit team observes and evaluates at all times.

"People with alcohol problems need to realize that it is a disease that is progressive until death unless some changes are made," Kropff said. "We are here to help people make those changes. They need to realize that they are not going to get better until they are ready to make changes."

Tied in with the drug/alcohol program is a service called the Employee Assistance Program. We teach employers what to look for and how to help their employee.

"While the employee is in treatment, the employer is assisted with meetings with the staff and with the patient," Kropff said.

"For a lot of people all they have left is their job and it's a relief for them to know their job is secure," she said.

"We find employers are supportive of their employees getting help," Kropff said.

Kropff goes out into the public and gives talks on what the CareUnit in Canyon has to offer people. She also talks to students in the public schools.

"I enjoy going into the classrooms to give students drug and alcohol information. I teach them how to handle peer pressure," she said. "I would rather kids get information from professionals than off the street where they are told drugs and alcohol are cool."

The CareUnit works hard as a dedicated professional team, she said.

"I am proud of what we do here," Kropff said. "The hospital is supportive and the staff uses a team concept."

"We want people to know we will be there for them when they reach out for help," she said.

# Back to School

Safety and nutrition is important to our children.

With school starting in Hansford County in the near future the public is urged to drive carefully in order to protect the returning school children.

A good program of nutrition with plenty of beef is equally important.

## PERRYTON FEEDERS, INC.

Lonnie Winterrowd, Manager 435-4130

## Family Services

By PAULA SINISE

Ever since Nancy Friday's book, "My Mother, My Self", came out, it's been open season on parents. Children of stars have written profiles of their mother's that make Lucretia Borgia, one of the most sadistic and murderous women of the fifteenth century, look like a saint.

Not only is the media accusing parents of incompetence and cruelty, but one of the first skills children develop is making parents feel guilty. The hundreds of child-care theories floating around today, none of which are fool-proof, certainly add to a parent's already heavy burden. As a final straw, many children have learned to cry "child abuse" should Mom or Dad dare to raise a hand to correct disobedience.

Now let's be honest with each other. Most parents do NOT deliberately set out to ruin their child's life, no matter what your teenager says. In fact, most parents are doing their very best at a very difficult task, that of raising children.

Parenting is a skill. Like any other skill, it takes patience and experience to perfect. Unfortunately, nobody gets a practice run. Trying to prepare for their own little darling, potential parents read every child-care book on the market, listen to hours of advice and plan how their child will NEVER race shopping carts through the supermarket. Guess what? Despite their parent's best efforts, Susie pours her milk on the dog, Johnnie talks too much in school and, yes, Susie and Johnnie occasionally race shopping carts at the supermarket. Some might say, with Susie and Johnnie's complete agreement, that these parents are failures, the most horrible crime of all.

In our society, we admire perfection and we expect it of ourselves. We expect to be perfect parents with perfect children who have perfect manners and live in a perfectly clean house. As a matter of fact, perfect parents with perfect children in

perfect homes only exist on cartoons. In the real world, parents and children make mistakes. Remember the next sentence. IT'S OK TO MAKE MISTAKES.

The rest of this article will be devoted to things I think every parent needs to know.

1. You are the expert when it comes to your child. Somebody else may know more about raising children, but nobody knows more about your child. You are an expert.

2. Although it does help to read child-care books and get suggestions from friends, in the end, you must decide what will work. Frankly, not even child-care theories are perfect. You are not a failure if Don Dippy's Discipline Technique does not work with your child. If the theory doesn't fit your child's personality (or yours), it won't work. You're the expert, you decide.

3. It's alright to admit and apologize to your children when you make a mistake that concerns them. This teaches them three things: a.) good manners, b.) everyone makes mistakes, even Mom and Dad, and c.) making mistakes isn't usually fatal.

4. Your child will not lose respect for you if you treat him or her with the same consideration that you show your friends.

5. Give yourself credit for raising your child in the best way you know. As I said before, parenting is a learned skill. Most parents DO want the best for their children, most parents DO raise their children to the best of their ability, and most children turn out to be delightful people. That is something that parents have a right to be proud of.

6. Children are children, not little adults. They will act impulsively, be disobedient, do things that embarrass you, and in general behave immaturity. That's because they're children, not because you're a failure or they are deliberately trying to ruin your life. Don't expect them to be perfect, either.

Parenting is a difficult job. For every child born, I think parents should be given a round of applause for their willingness and courage to attempt to nurture and guide another human being. It's an amazing task, and parents are amazing people.

## Anne Marie Jarvis wins 2nd in regional contest

ANNE MARIE JARVIS

The State of Texas participated in the Southern Regional Horse Contest. Seven states in the Southeast region of the United States were together the week of August 5 - 9 in Jackson, Mississippi. The contest consisted of horsemanship, and method demonstrations. Texas sent two individual demonstrations and two team demonstrations.

Hansford County was represented by Anne Marie Jarvis. Her demonstration was titled "Grooming a Horse for Show". As an individual, Anne Marie won second place. The other individual Texas demonstration placed first. The team demonstrations from Texas placed first and third.

The first place demonstration will advance to the National con-

test. There is a possibility that Anne Marie will get a chance to continue to the Denver Livestock Show to be held later this fall.

Anne Marie is the sixteen year old daughter of Mr. & Mrs. Billy Britt Jarvis of Spearman. She will be a Junior in Spearman High School this fall.

### In Fashion

Fall fashions are showing a wide variety of choices. A collection of sweaters and shirts can be worn with skirts or pants.

A sweater in the traditional cable fisherman's knit of cotton-rayon blend is a must.

## PTA membership Drive Underway

September means back to school and it also means the start of PTA's 1985-86 Membership Drive. Sue Wooley serves as Membership Chairman this year and urges all interested parents and teachers to join. Meetings are held on the 4th Monday of each month during the

school year, except December, at 7:30 in the Junior High Cafeteria. Membership costs are \$5.00 for an individual and \$8.00 for a family.

A membership table will be set in the Elementary school during registration on Friday, Aug. 30 from 8:30 til 10:00 a.m.

### Square dancing good exercise

Are you looking for an inexpensive hobby both you and your spouse and/or friends may share? Do you like fun and music? Are you interested in good exercise, meeting friendly people and becoming involved in social activities?

Square dancing will answer all the above questions! It is one of the least expensive recreations around, the fun and music abounds (with much laughter), and square dancing is known to burn 350 calories

each hour (or in a 2 1/2 hour dance, 875 fat-producing calories) - beating out walking (210), cycling (210), and swimming (300). Also, you will meet and socialize with friendly people from all walks of life.

If you've never square danced before or need to re-learn after not dancing, call 659-2958, to express interest in lessons. If there's enough interest, lessons will be offered. CALL TODAY!!!

### Dance exercise classes offered

Feeling the end-of-summer blahs? Ready for a change? Didn't shape up and lose weight like you wanted to this summer? Are you an exercise "drop-out"? If any or all of the above apply to you, join a dance-exercise class at the Y.M.C.A. and have fun while you whittle away the inches and burn fat.

The class starts out with warm-up stretches and movements to prepare your muscles for the aerobic portion of the class. This aerobic part is from 35 to 40 minutes of fat-burning, easy to learn, simple rhythmic dance movements that are so much easy to learn, simple rhythmic dance movements that are so fun you can't believe it's exercise! During this portion of the class, your working heart rate is carefully monitored by the instructor to make sure it's high enough to burn fat but not so high as to be harmful.

This is very important! Safety, both for the heart and muscles, is the by-word of this class. Last is the cool-down to gradually bring the body to its normal state. There are 20 to 25 minutes of spot exercises included to tighten the upper and lower abdomen, shape the hips, thighs, and bottom, and firm the "flab" on the arms (light weights are used during the arm exercises).

These classes are offered Mondays, Wednesday, and Fridays from 4:15 to 5:00, Tuesdays and Thursdays from 6:30 to 7:30, and Saturdays from 9:30 to 10:30 (A.M.).

The instructor for the dance-exercise classes is Wanda Archer, certified Jazz-Dance and Fitness Fantasia teacher.

Call the Y.M.C.A. or Wanda for details. New classes for the fall begin Labor Day week (on Tuesday).
