ANNUAL FOOTBALL BATTLE TO BE ON LOCAL FIELD NOVEMBER ELEVENTH

Slight Rainfall Recorded Wednesday Evening

First moisture for two weeks arrived at Spearman Wednesday evening in the form of light showers throughout the evening. F. W. Brandt, U. S. Weather observer recorded a rainfall of .12 inches early Thursday morning. Continued slow rain and threats of sleet and snow as the paper goes to press at noon Thursday.

Womanless Wedding Set For November 10

The Mary Martha Missionary Society is sponsoring a "Womanless Wedding" to be given at the auditorium Nov. 10 at 7:45 p. m.

The cast includes: "the blushing bride, R. E. Lee; groom, Raymond Kirk; preacher, Jimmie Jackson; maid of honor, Bill Hut-ton; brides maids, Lloyd Campbell and Bruce Sheets; best man, Dr. Daily; ushers, Gene Richardson and Clay Gibner; flower girl, Rupert Vaught; bride's father, Bill Burrain; brides mother, Le-roy Brown; rejected suitor, Will Miller; ring bearer, John R. Col-lard, Jr.

Admission 10 and 25c.

Vote In The General Election Tuesday November 8th

Every Democrat should vote in the general election. Aside from the consideration of Party Loyalty, there is a more practical reason why Democrats should turn out a heavy vote on general election day. The number of delegates which a county may send to State Democratic Conventions is based upon the number of votes cast in the county for Governor in the general election.

The Democrat who fails to vote in the general election is robbing his county of delegates strength in the next Democratic State Convention. It must be remembered that there will be two State Conventions in 1940. Why not everyone enlist to aid in a turn-out-the-vote campaign.

R. L. McCLELLAN
Democratic Chairman.

Miss Opal Cline attended a two days meeting of the AAA in Amarillo Monday and Tuesday.

4-H CLUB PRESIDENT WINS STATE HONOR

C. P. Archer, president of the Spearman 4-H club won honors for himself and the Spearman club when he was selected as one of 19 Texas club members to attend the National 4-H Club Congress and National Live Stock show to be held at Chicago November 22 to Dec. 2nd.

The Santa Fe Railroad Co presented the trip to the Spearman lad with all expenses paid. The award was made on the basis of outstanding stock projects and 4-H club work during the past 3 years.

PERRYTON ATTORNEY IN 'Write-In' CAMPAIGN

MR. and MRS. JACK ALLEN and CHILDREN

Judge Jack Allen Will Speak Over Radio Sta. KPDN, Pampa Nov. 7

Announcement has been made that Judge Jack Allen of Perryton will speak over radio station KPDN, Borger and Pampa, beginning at 12:30 p. m. and lasting until 1 p. m. Monday Nov. 7. Judge Allen will speak in behalf of his candidacy for the office of District Judge of the 84th judicial district. Those wishing to vote for Judge Allen are urged to write his name on the ballot Tuesday Nov. 8th.

Jack Allen, candidate in the general election on Tuesday, November 8, to serve out the two year unexpired term of the late E. J. Piekens as Judge of the 84th Judicial District, is shown above with his family. Mrs. Allen, president of the Perryton PTA is well known over the Panhandle for her activity in this organization. Mr. Allen, a native Texan and a resident of Ochiltree county for over 30 years, has practiced law in Ochiltree county for 23 years. He served for 18 months in the U. S. Army during the World War. The new Judge will be named in a "write-in" election on the general ballot, there being no name on the ballot as a nominee for this office.

ARMISTICE DAY PROGRAM BEGINS AT SCHOOL AUDITORIUM 10:30 A. M.

Sponsored by the Spearman Lions club and ex-soldiers of Hansford county, an appropriate Armistice Day Program will be presented at the school auditorium beginning at 10:30 a. m. November 11th. It is the custom of Perryton and Spearman to exchange visits on this day, the date of the annual football contest. Something like a half hundred ex-service men and visitors are expected from Perryton at the morning program. The entire public is invited.

	High School Chorus	Parker

Agricultural Meeting November Tenth

John Vinneman, president of the Hansford Agricultural association announces that the next regular meeting will be held at Spearman at the courthouse, Thursday evening Nov. 10th. At this meeting Mr. Vinneman, L. H. Gruver and Arnold Ferguson will report on the state meeting of the organization held at Waco recently.

Rev. Loftin At Stinnett Last Sunday

Rev. A. F. Loftin filled the Baptist pulpit at Stinnett Sunday morning at the 11 o'clock hour. Rev. Loftin preached an ordination sermon at Sunray Sunday afternoon, when 5 deacons of the Baptist church were ordained. He preached at the evening hour at Sunray, and will preach at the Morse Baptist church next Sunday night.

COURT DOCKET LIGHTENED AFTER DAYS COURT HELD TUESDAY NOVEMBER 1

Judge Curtis Douglass

Heavy Criminal Docket Ready For Court Next Week of Nov. 7th

After two days session the grand jury appointed to serve for the present term of the 84th judicial court session returned 6 indictments, five being felonies and one misdemeanor.

Indicted for burglary and theft under three separate charges are Howard Cooper and G. L. Amos. Charges relate that a signed confession implicate the defendants in burglary of the Spearman Hardware, Cates Grocery, Phillips retail and Jimmie Davis Service station of Spearman and the Phillips Retail station of Gruver. Theft charges involve the theft of a car heater and radio from the car of Cal Williams of Gruver, Texas.

Novil Giles, Arthur Lee Branham and Clifton Branham are indicted on burglary charges of entering Roy Murry machine shop at Gruver and taking an electric drill valued below \$50.00. Joe Rogers, Borger, Texas, 2nd Hand Dealer was indicted under charges of receiving stolen goods valued under \$50.00 which is a misdemeanor charge.

A. C. McElmurry and Dal Goldsmith were indicted on theft charges.

PTA To Have Night Meeting Nov. 8

The PTA will meet Tuesday night Nov. 8 at 7:30 p. m. in the auditorium. This meeting will be Special Observance of Education week. The American Home will be discussed by Supt. W. R. Finley. Special entertainment by the children. All parents are cordially invited to attend.

The study group of the PTA will meet Tuesday afternoon at 2:30. The subject to be discussed is "The Changed Homemakers" with Mrs. W. R. Finley in charge. Every mother is especially invited. This study is very interesting and helpful.

Only one day court session was required to dispose of non-jury cases in Hansford county when Judge Curtis Douglass opened court Tuesday morning. Cases taken from the court docket included:

Mrs. Lucy H. Lack vs. Geo. M. Whitson, John Deere Plow Co. vs. F. R. L. Jones, Ray C. Chase vs. Raymond Allred Estate, Arminta Collins, estate vs. Raymond Allred Estate. Above cases were trials on notes and trespass to try title. Judgement in favor of plaintiffs was allowed.

Divorce Cases included

Daphne Hazlewood Meek vs. Carl Meek, granted. Leona Compton Bowling vs. Leon Bowling, granted and custody of minor child with \$20.00 per month alimony for minor child. Mrs. Allen Burleson vs. Allen Burleson, granted. Mrs. Max Lackey vs. Max Lackey, granted. Mrs. Jake Clifton vs. Jake Clifton, granted.

HANSFORD MEN IN LIMELIGHT AT STATE MEET

Attending the Texas Agricultural Association held at Waco Oct. 25 and 26, John Vinneman and L. H. Gruver, Hansford Association delegates and Arnold E. Ferguson, state commodity committeeman for wheat, were in the limelight of activities. The Hansford delegation were instrumental in presenting resolutions and suggestions that embodied the thought trend of Texas wheat growers. Below is printed the resolution adopted at the State meeting.

We, the Wheat Producers of the State of Texas, heartily endorse as fundamentally sound the Agricultural Adjustment Act of 1938. This legislation sets up machinery by which the wheat farmer can apply to agriculture the principle of adjusting supplies to effective market demands, which principle has been applied successfully during past decades in other industries. It also includes provisions for the encouragement of soil conservation, greater consumption of wheat and other products, adjustment of discriminatory freight rates and protection to consumers. By making possible the adjustment of soil depleting crops of which there is a surplus this legislation leaves available throughout great regions where such is needed, more land for the production of food and feed crops. It makes loans on certain farm crops mandatory in order to prevent big surpluses from bringing about starvation prices. It provides for benefit and price adjustment payments to supplement the market price of certain commodities and thus compensate farmers to some extent for the burden they suffer as a result of tariff protection and other Governmental favors to industry and other groups.

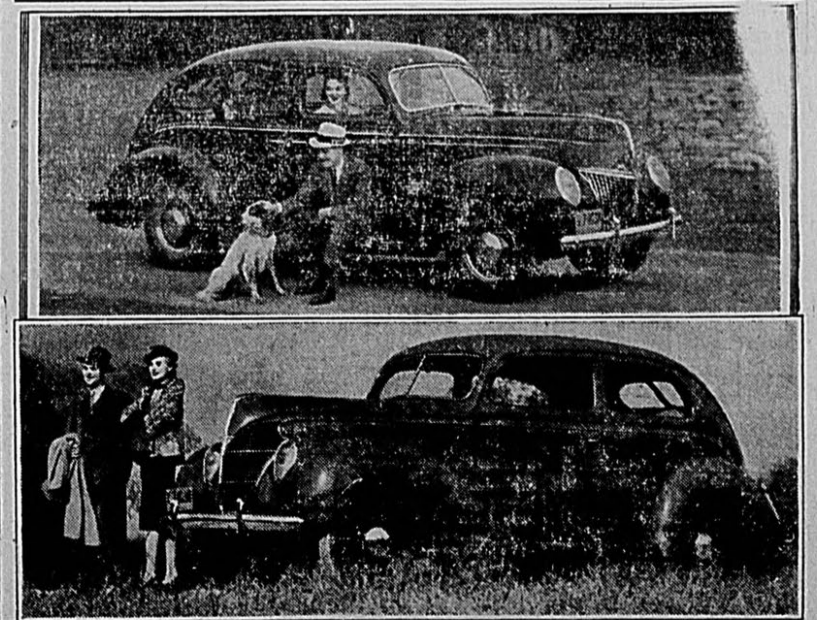

We endorse the democratic principle embodied in this legislation under which farmers may by their own vote impose marketing restrictions when deemed necessary by the Secretary of Agriculture.

We believe that any farm program is doomed to failure if it disregards the age-old law of supply and demand and is founded on the principle of encouraging the production of large surpluses which could be marketed only at disastrous prices.

We condemn certain substitute programs, all of which encourage unlimited production, ever-increasing surpluses, lower prices, and which it is obvious would fail and leave farmers without any effective legislation or program to deal with their burdensome problems.

We recognize that the legislation now in effect and the pro-

HERE ARE THE 1939 FORD V-8 CARS

HERE are the new 1939 Ford V-8 cars. Above, (the deluxe Fordor sedan, below the Ford V-8 Tudor sedan. The two cars are individually styled. The deluxe car has wholly new streamlines, a deep hood un-

broken by louvers, a low radiator grille in bright metal and wide spaced headlamps. The Ford V-8 has a full grille and unobtrusive louvers at the rear of the hoodsides. The deluxe cars are powered with the 85 horsepower engine, the Ford V-8 with the 85 or 60 horsepower engine. Both cars have hydraulic brakes. Bodies are all-steel. The deluxe cars are available in five body types, the Ford V-8 in three, with color option.

"S" Association

The "S" Association has two more boys to introduce, meet: Everette Greene, who was born at Mindota, Texas, Aug. 6, 1921. Everette is a senior in high school. He has lettered in football the past year and is playing fullback this year. He is an active clarinet player of the high school band. He is a good student ??? and is well liked by all.

Roy Reed, who was born at Goodwell, Oklahoma Nov. 29, 1922. Roy is a junior in high school. He has lettered the past year in football and basketball, and is now playing quarter on the football team. His preference of the two sports is football. He is a good student and gets along with everyone.

Through the Keyhole

Virgie, you have been asking for it so here goes: It is too bad, Virginia, but Mother knows best. By the way who was that you were with Monday night? Come now tell—

Now Arnold doesn't get very tired during band period when he is marching—a cute little freshman girl wouldn't have any thing to do with it, or would she?

Clifford, there are loads of girls wondering when their turn will come.

J. R. it isn't nice to trip helpless children who can't skate.

Several of the girls are raving over Nos. 3 and 6 on the Booker team.

Elizabeth, it's loads of fun learning how to skate. Isn't it?

A popular senior girl was heard to say that she wouldn't fall hard

Carnival A Huge Success

The annual school Carnival was a huge success Monday night with a large crowd in attendance. The House of Horror, a new feature of the Carnival, was very popular, and reports are that the thrills of this attraction gave will long be remembered.

DO YOU KNOW?

The Seniors are urged to bring their money for their rings.
The Seniors have a bad case of spring fever ahead of time, as the bright look on their faces and their usual dignified look was gone Tuesday. Their public is assured that they will have these charming qualities back before long—Halloween comes but once a year. Because of these unfortunate circumstances they can't think of anything to write about.

BAND GOES TO AMARILLO FRIDAY

As usual the band put on quite a show last Friday afternoon at the football game.

To more or less break the monotony the band is going to Amarillo Friday afternoon. The reason being that the United States Navy Band will be there. They are going to give a concert which will undoubtedly be a real treat to everyone who is present. This is supposed to be one of the best bands in the world, all the more reason why the Spearman band members voted practically one hundred per cent Tuesday morning to go.

For any boy, she, however, was out at the skating rink and she meant that kind of fall.

Who are these new boys that are escorting a bunch of our Senior girls around? I think they are from Perryton and Waka. It is getting a common occurrence to see them together.

It looks like Miss Estella Garnett has gotten her another one of those big tall boys from Perryton. Is that right, Estella?

Rex, Craig, L. M. and Ernest have been having some fine rounds of golf lately, with Craig the loser and debtor.

What ex-senior has our senior girl Denzil Lee been going with? You saw her at the Carnival with him. Pretty good guy, eh, Denzil?

Most of the seniors and juniors are about to wear out the skating rink as well as important parts of their body.

Denzil Lee was riding in an up-to-date model down main street Monday night.

Ernest seems to be holding his win in the Russell sweepstakes.

Roy is doing fairly in the Hoskins sweepstakes when Perren and Bob aren't around. And I forgot to mention Leon, who is the dark horse but I'll bet isn't any slouch in the matter.

The Future Homemakers Of Texas

The FHT Club met Oct. 27. After eating lunch, which every member had a part in bringing, election of officers was finished. Joyce Dulaney was elected pianist; Norma Hall, song leader; and Denzil Henderson, historian. They adopted a motto, aim, and color. Miss McLain talked about the trip to Canyon, which will be an Area Meeting and it was decided that the officers should go.

Keeping Up With The Exes

Two of the exes were home from college over the weekend. Elizabeth Ann certainly does like Canyon, and she reports that she has some of the best times.

Perren spent most of his time seeing old friends (old flames); he is a good skater too. Frances is doing very well after her operation for appendicitis in Canyon last week. She is still in the hospital at Canyon. Everyone is wishing her a speedy recovery.

Bill Russell stayed up until 3 o'clock one morning working on a theme; what place this Texas University! Carl says his studies are hard also. Elsie certainly was a pretty sight?? during her initiation down at TCU. She is having a swell time, too. Lora Elizabeth is still going strong—

R. L. goes in for girls from Sudan. (A little bird told your reporter).

Rosa Lee was seen walking down the streets of Amarillo. It was quite obvious that she isn't doing badly at all. (How these Perryton boys get around.)

And do these exes at home get around! Most of them have been patronizing the skating rink, and there are some marvelous skaters among the old bunch. Maxine still has that swell personality. DeKora surely does fall hard when she falls (that is—when she is skating) Wayne had to have that Halloween mask; however, no one was hurt. Ruby is still capable of getting into meanness on the night everyone gets into it. Rex misses Frances (or have you heard that before?) Robert Neilson has been seen with old flames lately, too; (sometimes just to please the family). He, however, remains partial to a certain young lady in Higgins.

If the Seniors don't get their money in for their rings in a week, the depot agent is going to charge them a 50c piece every day! You better take heed, you seniors that are holding back.

DO YOU KNOW?

THAT human hearts begin beating four months before birth.

THAT Lincoln was the first president to be photographed.

THAT moon rainbows sometimes occur at night.

THAT cobras are the most intelligent reptiles.

THAT luminous chalk, glowing green in the dark, is now made for speakers who wish to write on blackboards during lantern slide lectures.

SPEARMAN H. D. CLUB MET WITH MRS. HUGHES

The Spearman Home Demonstration club met at the home of Mrs. Grace Hughes Friday Oct. 28th in a very interesting meeting. Mrs. A. L. Easley was elected president for the remainder of this year. Miss Locke demonstrated seams for use on different fabrics.

Friday Nov. 11th being a holiday the club will meet Sat. Nov. 12 with Mrs. May Hughes. Plans are to be discussed for next years work and it is important for you to attend this meeting. Refreshments were served to Mesdames W. A. Shubert, R. L. Baley, Rex Sanders, A. L. Easley, Marion Close, J. W. Davis, J. B. Garnett, Miss Locke and the hostess, Mrs. Grace Hughes.

Students To Be In Young Musicians Program Monday

The Spearman Music Club is sponsoring a young musicians program which is to be presented Monday evening, Nov. 7, in the high school auditorium. The program consists of numbers by pupils of the various

music teachers of the town. Piano pupils of Mrs. Meers, Mrs. Daily, Miss Gantt and Mrs. Loftin will be presented.

Mrs. J. B. Caldwell will have several numbers by her high school chorus, and Mrs. J. E. Gunn's chorus from the sixth and

PTA NIGHT MEET NOV. 8TH

There will be a second night meeting of the PTA Tuesday Nov. 8. A program is being planned in addition to the regular business. All parents are urged to take advantage of this opportunity to attend a meeting at night.

Tennis Players Practicing Daily

The tennis players have been practicing diligently during the last two months, preparing for the Spring Meets. There is more competitor within the school than there has ever been. There are approximately ten boys and five girls who will represent the school in the meets. One of the doubles teams composed of Ernest Wilmeth and L. M. Womble won the district last year, and we are expecting them to go a long way in the play-off this year.

Spearman has placed in the district four successive years, and we feel that we would have possibilities of winning the state if we had concrete courts as most other schools have.

Those who will possibly represent our school are: Boys, Ernest Wilmeth, L. M. Womble, Billy Miller, LeRoy Easley, Harold Graves, Melvin Schell, Ledru Jacobs, Charles Patton Archer, Bruce Douglas, Melvin Crawford, Newell Allen and A. L. Jackson; Girls, Virginia White, Estelle Bailey, Beuna Vernon, Verna Gail Allen and Janelle Womble.

If the Seniors don't get their money in for their rings in a week, the depot agent is going to charge them a 50c piece every day! You better take heed, you seniors that are holding back.

Lynx See Buff-Kansas Game Saturday

The Lynx watched West Texas State Teachers College and Pittsburg State Teachers College from Kansas play a 13-13 tie Saturday night in Canyon. The boys got some good pointers from watching the two college teams play.

FIRST GRADE

Mrs. Campbell's class reports that they won the prize given by the PTA for the most members to join this organization. The class will let the room mothers have the money to select something for the room. The children in this grade enjoyed the carnival immensely.

Book of the Week

—Betty Morton
"Lost Horizon", written by the great author James Hilton, is one of the most interesting and perhaps the oldest book that I ever read.

There were many airplanes being flown to Baskul to evacuate all of the white residents. One plane, a cabin machine lent by the Maharajah of Chandapare, left one morning with four passengers, Miss Roberta Brinklow of the Eastern Mission; Henry D. Barnard an American; Hugh Conway, H. M. Consul and Captain Charles Mallinson, H. M. vice-consul.

After an hour or two one of the men remarked that it looked as though the pilot wasn't steering a straight course. No one thought any thing of it until they started flying over barren wilderness and land they didn't know. The plane dived on and on in the wrong direction over unfamiliar mountains. The four were obviously kidnapped. But why? After they reached their destination a lamassery high in the uncharted mountains of mysterious Tibet, their wonder increased, for there where the boundaries of ordinary life did not extend mingled the culture of the East and the West; there men in a prolonging youth lived to a wise and an old age. What was it? Why was it? None of the four knew. After a mysterious existence in Shangri-La, Mallinson and Hugh Conway leave with the guidance of some porters given them. Mallinson never reached China; Conway did but how he got there remained a mystery. Conway went again to look for Shangri-La. His return to civilization where he had been, and what became of him and his dream remained a mystery to all. For interesting entertaining reading read Lost Horizon

MEET:—

Caroline was born March 20, 1922, at Spearman, Texas. She came to Spearman this year from Las Cruces, New Mexico. She has attended this school once before. Caroline has brown hair and blue eyes her favorite sport is basket-

LYNX WIN FROM FOLLETT FRIDAY

The Lynx team is a much improved team, a fact that was demonstrated on the home field last Friday afternoon. The Lynx outplayed the much heavier boys from Follett throughout the game. Although the game ended 6 to 6, Spearman was awarded the decision on penetrations. Follett scored their touchdown on a long pass in the third quarter. The Lynx scored in the first play of the fourth quarter. Green made the touchdown on an eleven yard run around Follett's right end. There was a fine display of sportsmanship on the part of both teams.

Seventh Grade

Everyone enjoyed the program and the carnival on Halloween. Now we must rush back and study, although "Evangeline" is pretty dull after the carnival. In history we are going to pantomime to illustrate the different events. We are also working hard on note books.

Arrangements have been completed for the Mobettie to come here Friday afternoon. The game is called at 3 p. M. Mobettie has a good team, having won over Phillips earlier in the season. It will be one of the toughest games of the season.

Wise Sayings
Sound money is the kind that makes the cash register ring.

Another way of reducing farm surpluses would be declaring harvest days farm holidays.

The only thing wrong with business is that people most anxious to buy ain't got no money.

What the country needs is six months vacation with pay for all who have jobs now. This would give jobs to an equal number who are out of work. Besides doubling wages.

—The American Guardian.
He kissed her tempting ruby lips with ordor diabolic,
—But since he stole those honeyed sips, he has the painters' colic.
—The Prairie.

A widow is the most fortunate woman in the world. She knows all about men and all the men who know anything about her are dead.
—Sou' Owl.

New Sayings by Freshmen:
Faken from fish english papers.

The pious face of the v. educated preacher rose from th seat and addressed the audien.

The most important character-istic of the Elizabethan age was the re-birth of human nature.

Hamlet was a preserved type of boy.

MaryBrown died from confusion of the brain.

His face turned red from his toes up.
Dalhart School

A boy complained the other day that he hadn't been to sleep for two hours. Poor fellow, insomnia is a sad thing.

—Arrow Points
Judging from some of the campus neckties, they believe in freedom of the press. Their interest in one another is all-en-bracing.

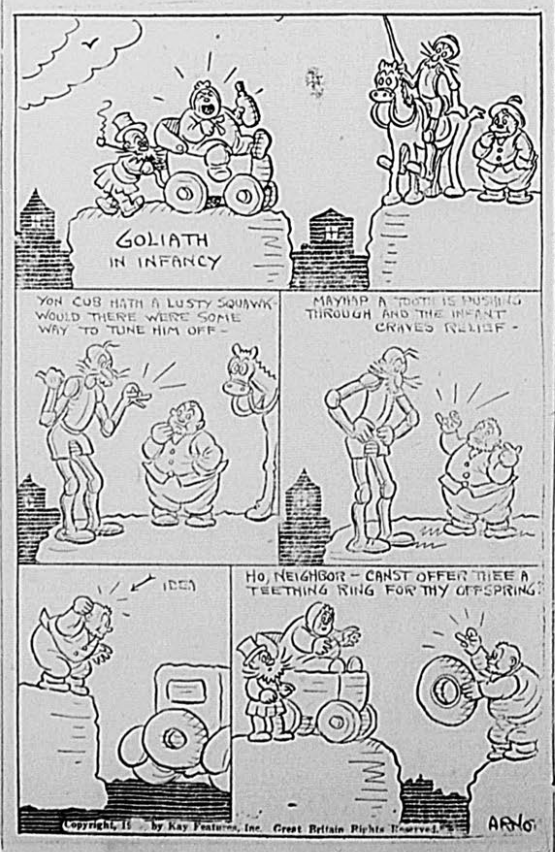

Question — Which had you do, or ride a bicycle?
Answer—Looks like it might; it's clouding up when.

LOCAL NEWS

The following are my announcements... Sunday Nov. 6, 21st... Trinity, Sunday... 10 a. m. Morning worship... Sermon theme "The Ex-... which True Faith Will De-... the Visible Sign"—John 4:...

week the Doyle School, Miss Inga Reinertsen teacher, presented a pleasing halloween program. Two plays "The Court of Ferdinand and Isabella in 1492" and "The Clever Ghost" were presented by the children. After the program and hour of halloween fun was enjoyed by the children and the visitors. Candy, cookies and apples were served to all. Rev. H. C. Hjortholm claims the honor of being the star diver for apples as he brought his apple out of the water in one dive.

A. W. Cannon of Texhoma addressed the Brotherhood at their meeting at Emil Knutson's last Friday evening. He stressed the importance of Christianity in maintaining a secure and moral social order. The new brotherhood pins were distributed at this meeting. The men will sponsor the concert by the Panhandle A. & M. College A'Capella Choir on Nov. 10 at the Oslo church.

Miss Spivey, a student at Gruver spent the week end with her classmate Marcella Olson. Miss Genevieve Olson taught the Oslo school last Thursday in the absence of the teacher, Miss Mary Louise Butler, who was ill. The Oslo community was well represented at the Halloween Carnival at the Gruver school last Monday evening. Everyone seemed to have a good time.

MORSE HALLOWEEN CARNIVAL HELD LAST FRIDAY EVENING Friends and patrons of the Morse school gathered at the High School Friday evening Oct. 28 for a Halloween Carnival, which was sponsored by the PTA. There were various and attractive booths, where old and new friends mingled in hilarious fun and frolic. The Fortune Teller's tent, the 13 Wonders of Nature and the Follies, the fishing pond, the boxing booth, pitch a penny, bean bag and jar ring toss, proved most interesting and profitable as well as the Foods booth. A one act comedy presented free of charge by members of the faculty was an outstanding feature of the evening's entertainment. The election and crowning of a king and queen of Morse was complete in every detail. Queen Ruth of the House of Womble and King Carson of the House of McCloy with their attending princess and prince representing each class in high school made a most charming picture in their royal attire. The PTA is most enthusiastic in the appreciation and praise of the hearty response and cooperation made by the entire community. We feel that all worked together to make the evening a success for the community, the school and our association.

LUNCHES SANDWICHES The High School Grocery is serving a nice 15c plate lunch in dining room for school children also 5c sandwiches and hamburgers in the store. MORSE NEWS

By Virgie Lee Dortch
The biggest news of the week in Morse was the Morse and Stratford football game played at Stratford on Thursday, Oct. 7, 1938. In score the Stratford Elks beat the Morse Mustangs 30-21, but in sportsmanship and in fighting spirit the Mustangs played as hard and won as much admiration as the Elks. There was quite a number of people that went from Morse. Among those who went were the pep squad and the band. The pep squad sponsored by Miss Margaret Beck backed the Mustangs throughout the whole game. At the half they made a formation out on the field forming an E and an M. The band also helped the Morse boys to fight. It was directed by Mrs. R. H. Moser. The band played before the game and at the half. With this game Morse Hi football season was closed with the Morse Mustangs winning one game out of four. Many congratulations are to be handed to both coach R. H. Moser and the team. This was the first year for these boys to play, and everyone is proud of them and also of the pep squad who stayed right in behind the boys while they were winning or losing.

Mr. and Mrs. W. F. Harris have returned home from New Mexico where they were at the bedside of a daughter who has been very ill.

H. A. Grimes' son in law from Fort Sumner, New Mexico is here visiting him.

Mrs. T. O. McKay of Sunray who has been running the hotel during the Harris' absence has returned home.

Miss Virgie Hall, english instructor, Morse, spent the weekend at her home in Goodwell.

Wayne Kelly was in Sunray Saturday on business.

Mr. Mortimer, Mr. A. E. Henderson, Mrs. Roy Womble, Mr. and Mrs. Moody Womble, Mr. and Mrs. Bert Cator, Mrs. W. A. Gillispie and Mrs. M. W. McCloy attended the football game at Stratford Thursday night. They took some of the pep squad and band.

Mr. and Mrs. Erlis Pittman rushed to the bedside of their nephew in Perryton Friday night.

Mr. and Mrs. Eddy Vaughn went to Durham, Oklahoma, early Sunday morning.

Wayne Kelly, Stanley Kelly, Bill Green, Margaret Vaughn and Roberta Kelly spent Sunday afternoon in Amarillo.

W. A. Gillispie and family were in Amarillo Saturday. He attended a school meeting.

Mrs. H. I. Gay is visiting her daughter Mrs. Clyde Hazlewood in Amarillo.

SOUTH WEST GRUVER H. D. CLUB MET

The Southwest Gruver home demonstration club met at the home of Mrs. I. W. Ayres Wednesday October 26.

The meeting was called to order by the president Mrs. Tom Dozier and the regular business transacted.

Miss Elizabeth Spivey gave an interesting talk after she had attended a meeting in Amarillo on Styles given by Miss Alden who also gave a lecture on personal charm and demonstration wardrobe.

Mrs. Tom Dozier attended the landscaping of gardens on Oct. 20th with Miss Sadie Hatfield, Miss Locke and other ladies of Hutchinson county. She spoke to our club on the good ideas she got that day. Miss Locke talked to us on darts, mitre corners, set in of sleeves and hemming of dresses and showed sample demonstrations of same.

Members present were Mesdames Gilas Dozier, Tom Dozier, I. W. Ayres, and Miss Elizabeth Spivey. One visitor Mrs. Ned Turner and Miss Locke.

The meeting adjourned to meet with Mrs. Durward Cluck on Nov. 9.

WEDDING SHOWER SURPRISE FOR MRS. CERRIL MAY

A wedding shower given for Mrs. Cerril May who before her recent marriage was Miss Ethel Walker, was given in the home of her mother Mrs. Sarah Walker at NTN park.

Many suitable games were played throughout the day and enjoyed by all the guests.

Attending were Mr. and Mrs. Ben Holt, Mr. and Mrs. B. A. Jenkins, and Mesdames, C. A. Batton, W. H. Neilson, D. B. Kirk, Dan Terry, J. R. Kirk, Russell Baker, Charlie Rosson, Dan Bur- Unable to attend but sending lesion and Owen Pendergraft. gifts were Mrs. J. C. Lee, Mrs. Mason Scott and Mrs. Delon Kirk.

The honoree received many lovely and useful gifts which were opened and admired by all those present.

It's the 10 o'clock hawk that eats the 6 o'clock bird that catches the 4 o'clock worm.

FAIR GUIDE

When you visit the New York World's Fair 1939 you will find fair girl guides in natty costumes ready to furnish information or even escort you around. The fair guide above is a fair sample of the service the Fair will give Fair visitors.

Catholic services will be held at the District court room at Spearman each third Sunday of the month. Father Andrews from Borger will officiate. Services begin at 10:30 a. m.

BLODOGETT NEWS

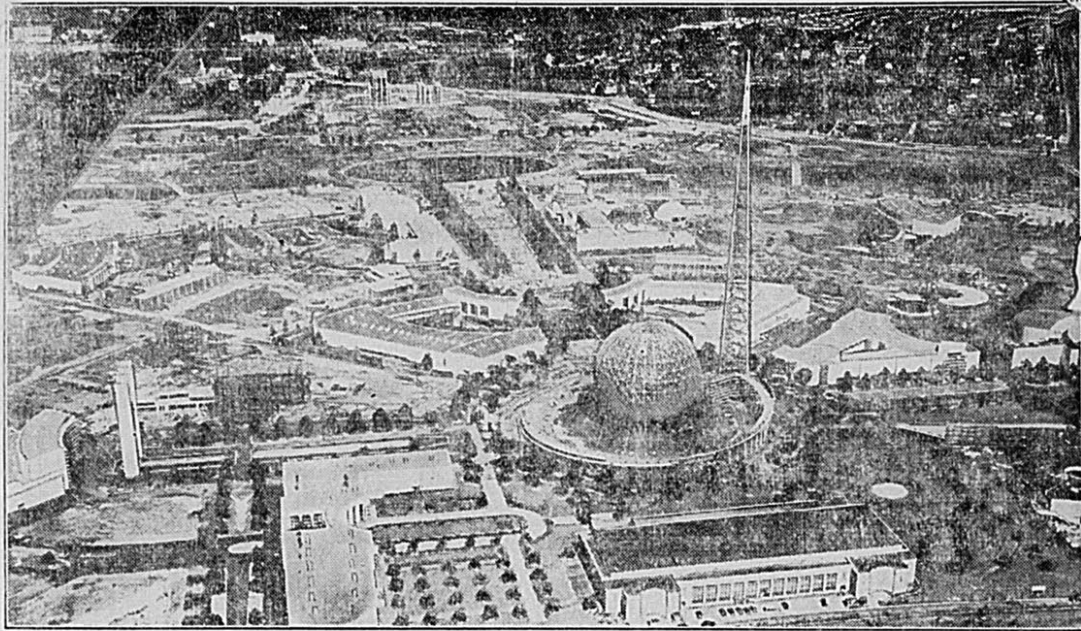

Mrs. Mearl Beck returned Friday from a two months visit at

Sulphur Springs, Texas. Mr. and Mrs. R. V. Converse were Thursday evening guests in the E. S. Uptergrove home. Mr. and Mrs. Jess Riley did the chores for Earl Church in their absence. Mrs. Henry Keith was a visitor in the E. S. Uptergrove home Friday morning. Mrs. O. D. Owen and children were visitors in the Blodgett home Friday evening. Mrs. W. G. Y. Williams is spend-

ing the week with her daughter Mrs. Don Bennett. Mrs. Marion Close and children spent Saturday evening with her mother Mrs. L. P. Brown in the Black community. Mr. and Mrs. J. F. Simm were shopping in Spearman Saturday. Miss Betty June Godfrey spent the week end with Bettie Lou Ellsworth. Mrs. Olin Williams and girls and Helen Kenney attended the picture show Saturday evening.

Harvey M. Deck was in Spearman day at the skating rink. W. M. Deck was in business in Spearman Saturday evening. Mrs. Ralph and J. were transacting business in Spearman Monday. Earl Church and Mrs. Spearman shoppers Saturday. Mrs. Van Earl Steed was guest of Mrs. E. S. F. Brainer Tuesday.

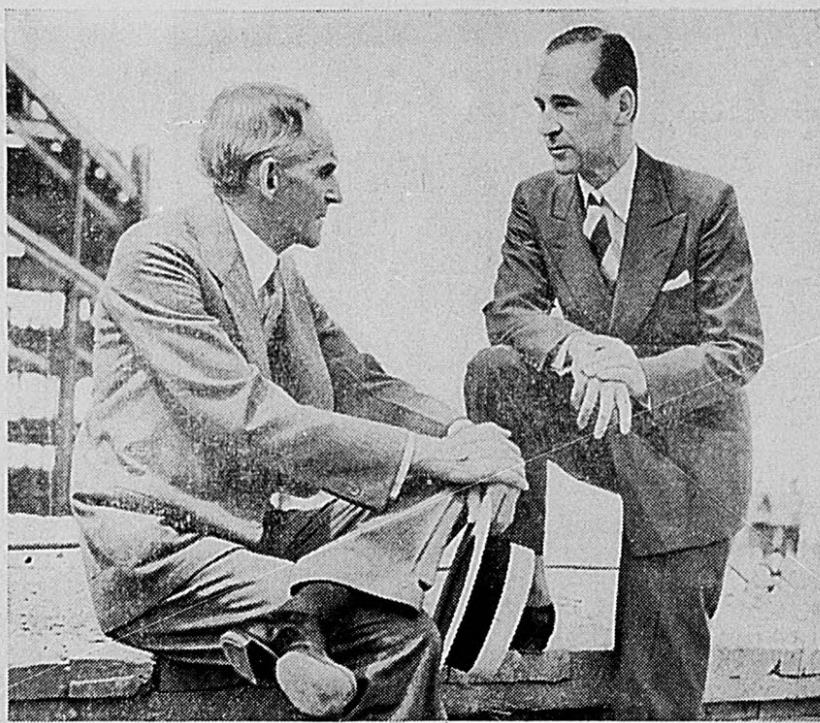

AIRVIEW OF NEW YORK FAIR AS IT IS TODAY

A New York World's Fair 1939 flying cameraman took this aerial photograph of the Perisphere and Trylon at the Theme Center of the Fair just as the final rivet was being driven in the 200-foot sphere. In the foreground is the New York City Building, now serving as the

Summer City Hall, while behind the Perisphere may be seen Constitution Mall, extending to the Lagoon of Nations and the Federal group of buildings on the far side of the grounds.

The Fords Tell Their Plans for 1939

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

IF WE KNEW anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payrolls in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

THIS MEANS MORE VALUE

The current program has provided a new tire plant, which will turn out a part of our tire requirements... a new tool and die plant that will help us cut the cost of dies... and a steel-press plant that will enable us to make more of our own automobile bodies. These are in addition to the plants we already had for producing glass, iron, steel, plastics, and many other things.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller.

Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser.

We have not cut quality to reduce costs. We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

FORD MOTOR COMPANY, Dearborn, Michigan

A Hundred Million Dollar Penalty Lying in West Tex.

Discrimination against West Texas by the present freight rate structure is penalizing this area \$100,000,000 annually, charges the West Texas Chamber of Commerce traffic board in an exhaustive analysis of the freight rate question just released.

West Texas with the greatest wealth of natural resources of any similar area in the nation, is paying higher freight rates than any other section, comparisons of the five major railroad regions of the United States made in the WTCC report show.

Freight rates in West Texas are 72 percent greater than in the Ohio-Indiana, or Official Territory, which is the lowest-rate zone in the nation. First class rate in Official Territory for 500 miles is \$1.22 per 100 pounds as compared with \$2.25 per 100 for equal haul in extreme West Texas of Differential Territory, the report says.

West Texas rates are higher in spite of the fact that statistics are presented in the report to show that expense of transportation is 17 percent less in this zone than in any other region.

Nothing short of a legislative mandamus to the Interstate Commerce Commission will remedy the situation, the report states, the WTCC traffic board recommends that the regional organization and its 191 affiliates in 132 counties champion an amendment to the Interstate Commerce Act which will "definitely instruct the Interstate Commerce Commission to revise the inter-territorial freight rate structure so as to bring the rates closer together in both level and scheme, said level not to exceed a maximum of 5 percent as between any of the regions of the country, and to revise and blend the inter-territorial rates with the intra-territorial structures."

Many of the rules and regulations governing rate-making and some of the rate zones had their origin in former days even before the establishment of the ICC and enactment of the Interstate Commerce Act. "In view of greatly changed conditions as to development, density of traffic and transportation, the board feels that the time has now arrived when there should be a complete overhauling and revision of all freight rate making policies and practices," the report states.

While rail carriers have statistics to show that average rates for the country as a whole have decreased, figures show that West Texas rates have steadily increased during the last two decades, the report continues. Examples of these increases include Maximum rate of 15c per 100 pounds on West Texas wheat in

1914 as compared with 35c in October, 1933, an increase of 133 percent; rate on fat cattle from nine West Texas towns to Fort Worth was 20 1-2c in 1914 as compared with 30.84c at present, an increase of 50 percent; any quantity cotton rate, excluding compressing and handling charges was around 39c per 100 in 1914 from nine principal West Texas shipping points as compared with 53c at present, an increase of 36 percent.

These increases in freight rates were made during a period when production of some commodities was increasing more than 1,000 percent and when population of many West Texas cities was increasing more than 500 percent, the report points out.

From these studies, the traffic committee concludes: "That West Texas when judged by population and quantity of production, has the nation's highest freight rate level; that its rates have been increasing while others have decreased; that others can ship into this territory at lower rates than shippers living in this territory have to pay for shipping wholly within the territory, and that expense of operating transportation facilities in West Texas appears to be lower even than in Official Territory."

The board states that its approach to the problem is not one of fighting the railroads or of depriving them of needed revenues, but is one of "equalizing these revenue payments as between the various sections of the United States to the end that one group of producers and consumers will not pay more proportionately to these revenues than another group of producers and consumers."

H. S. Hilburn, Plainview, West Texas C of C president, says the report is accurate and conservative and is vital to the welfare and development of West Texas. The freight rate report represents one of the greatest pieces of pioneer constructive work ever undertaken for West Texas, he declared in urging full cooperation with the WTCC in this movement by every town in the territory.

The analysis and report was assembled and prepared by D. A. Bandoen, Abilene, WTCC manager, and E. R. Tanner, El Paso, WTCC traffic manager. It was approved and submitted to the WTCC directors by the WTCC traffic board and a directors' traffic committee. Members of the board are B. Reagan, Big Spring, chairman; Jay Taylor, Amarillo; Joe Karr, Sanderson; S. A. Wells, Lubbock; and J. M. Willson, Floydada. Members of the committee are A. F. Ashford, San Angelo; J. J. Gallaher, Graham; Courtney Hunt, Haskell; H. A. Walker, Sweetwater; B. P. Bludworth, Brownwood; J. C. Smyth, Snyder and Van Zandt, Jarvis, Fort Worth.

Boyer Speaks Before School Heads

Representative Max Boyer was the principal speaker on Saturday Oct. 29th at the Panhandle Plains School Superintendent's Association in Amarillo. The Pryton legislator spoke on "Proposed Changes in the Equalization Law for Public Schools in Texas." He stressed the fact that certain small schools were being discriminated against "because they have met every requirement to become properly accredited but lack a few pupils of meeting the number required to participate."

Boyer called attention to the necessity for more allowances for Panhandle schools because of cold conditions requiring more cost per pupil for heating. A pledge of co-operation with the Panhandle school program was assured by the 124th District Representative.

20TH CENTURY CLUB MET WITH MRS. LYON

The 20th Century Study club held their general meeting in the home of Mrs. P. A. Lyon with Mrs. S. B. Hale, Sr., and Mrs. A. F. Barkley assisting hostesses. Mrs. Rex Sanders led the lesson "Spain and Portugal." Mrs. Fred Rattan gave a "Travel Through Serrville and Granada." After adjournment a lovely plate carrying out the Halloween motif was passed to Mesdames Bill Finley, C. E. Campbell, R. B. Archer Jr., Hix Wilbanks, Rex Sanders, Marvin Chambers, Paul Roach, Bill Gandy, R. W. Morton, Roy Russell, Gene Richardson, R. V. Converse, A. F. Barkley, Ray Platt, Bob Douglas, G. P. Gibner, D. B. Keim, Fred Rattan and the hostess.

Red Cross Roll Call Drive To Be Started Nov. 11

"A larger Red Cross membership more in proportion to the population of Texas is necessary for expansion of services within the state this coming year," Bruce Sheets chairman of the Hansford chapter, said today. He pointed out that Red Cross membership in Texas now represents 2.9 percent of the population while nationally the enrollment has risen to 4.38 percent.

Sheets expressed confidence that an increase of more than 50,000 members will result when the 239 Texas chapters offer residents in every community an opportunity to join the Red Cross this coming Roll Call, from Armistice Day to Thanksgiving. Last Year, 172,067 Texans answered the Roll Call of their local chapters, an increase of 36,000 over the preceding year.

"Local chapters are dependent upon their membership enrolled each year for volunteers as well as for funds to carry on disaster relief and other Red Cross safety, health, educational and welfare services in their respective communities," Mr. Sheets said. "The greater portion of membership funds are retained by the chapter for use locally in its community and only 50c, not 50 percent of each membership, is paid to the National Organization for administration of Red Cross work throughout the nation."

"This national allotment also reverts back to Red Cross work in individual communities. In the last three and one-half years to date, for example, the National Organization made \$253,773 available to supplement the \$172,146 raised within Texas for emergency relief and rehabilitation of Texas families stricken by disaster occurring in this state."

"During the first nine months of this year the Red Cross assisted 3,029 Texas families, which included 13,000 persons, who suffered losses following six tornadoes and three floods. The \$65,125 contributed by Texans was supplemented by \$56,017 from National Organization funds to provide the necessary medical care, food, clothing, shelter, replacement of household goods, livestock, implements and other equipment to enable stricken families to again establish themselves on a normal living basis."

Dale Carnegie 5-Minute Biographies

CARRY NATION

A cyclone in petticoats who Startled America.

On January 21, 1901, one of the most sensational women in American history walked down the streets of Wichita, Kansas, singing "Onward Christian Soldiers." She had a hatchet in her hand and when she reached Jim Burn's saloon on Douglas Ave., she rushed in through the swinging doors, waved her hatchet in the air and shouted: "This is the arm of God. I have come to save you men from a drunkard's hell."

The customers fled out of the side door.

The bartender ducked behind a table while Carry Nation threw beer bottles at the mirrors and smashed in the heads of whiskey barrels with her hatchet. In a few minutes the place looked as if it had been struck by a Kansas cyclone.

And it had. It had been struck by a cyclone in petticoats.

Carry Nation, the Joan of Arc of prohibition, was on the war path and telegraph wires and cables flashed the news all over the world.

By her fiery and spectacular crusades, she helped arouse the indignation that made national prohibition possible 17 years later.

Carry Nation had good and sufficient reasons for despising the saloon. Whisky had broken up her home. Her husband had died a drunkard's death, leaving her penniless, with a baby to support.

When she was dragged into court, she insisted on acting as her own attorney and when the judge quoted the laws of Kansas she cried: "We are going to try it according to the laws of Ecclesiastes." And then she would stand up and begin reading the Bible.

When the judge told her to sit down, she snapped back at him "Don't you tell me to sit down. I'm old enough to be your mother."

Four years after her first husband died, she married David Na-

tion, a newspaper editor, farmer and preacher. She thought their marriage was an answer to prayer. David Nation finally became pastor of a church in Holton, Kansas.

But Carry felt she knew more about preaching than her husband did; so she chose his texts for him and often wrote his sermons. While David stood in the pulpit trying to inspire his little flock, Carry sat in the front row and told him in audible tones when to raise and lower his voice when to speed it up and where to gesture.

When she thought he had preached long enough, she would step out into the aisle and say in a loud voice: "That will be all for today David." If he didn't stop preaching immediately, she marched right up to the pulpit, banged the Bible shut under his nose, handed him his hat and told him to go home.

After a few months of this, the Church Board asked their pastor to resign and he did so with pleasure.

Years later, when he sued her for a divorce she said David was too slow for me.

I feel especially at home on the subject of Carry Nation. Although she was born half a century before I was, I lived in the same town where she and part of the Jesse James gang had grown up. For awhile I attended the same college that she attended; and she is buried now in my home town of Belton, Missouri.

I once saw her in action in a church in Pierre, S. D. The preacher said something that morning that she didn't like; and she spoke right up in church, then and there and told him what she thought.

R. V. CONVERSE SAYS:

"Look in his face to meet thy neighbors soul, Not on his garments, to detect a hole."—Holmes
Everyone is so interested in politics these days, that a sudden change in entertainment like a little play, pretending that some space ship from Mars landed with some kind of animals on it, instead of destruction, throwed the whole country into a panic of fear. Makes one wonder what everyone is afraid of, or is it that conscience.

Down in Pass Christian, Miss., the local relief office seems to be having trouble getting rid of some straight backed chairs shipped in for distribution free to clients. Some folks have the darndest ideas anyone, knows relief should be as near as possible be administered without pain. Why not rocking chairs?

The State of Washington seems to be receiving more federal money per capita than any other state and Rep. Coffee is quoted as saying it was because Roosevelt had a daughter living in the state and that the state always supported the New Deal. Well we have a Roosevelt son in Texas so why not?

The Federal Reserve Board is quoted as putting out the information that normally in volume the checks cashed in New York City equal 80 times the deposits made and now they are only 25 and one half times. With one third of the people drawing government checks of some kind or

other what can be expected.

Seven adults and 20 children evicted from their homes and being relief clients they moved into the office as they said they could not find any house that they could rent to live in for \$9.75 a month that they were allowed Relief just doesn't seem to getting the job done.

In a conversation with one of the representatives of a large Manufacturing Co., doing a national business, and being informed he was a vice president of the company, I asked him what he attributed the success of his company and to my surprise he said it was the advertising in newspapers and magazines. He emphasized the fact that they spent more on advertising than for salesmen and he said they used over one thousand salesmen.

Remember the 8th day of Nov. as the day to pick the men who will hold public office for the next two years and lets not forget that we have a man running for district judge in this district whose name will have to be written on the ballot, so write JACK ALLEN in the right place.

Yours,
R. V. Converse

Typical State Buildings At New York Fair 1939

At the top is a model of the New England Building for the New York World's Fair which opens on April 30, 1939. The scene is a typical New England waterfront with a 135-foot sailing vessel lying at dock. On one side is a merchant's warehouse; on the other, a two story structure indicating the Bullfinch contributions to New England architecture.

In the middle is the Florida exhibit which will occupy 2 1/2 acres of ground and will depict the citrus industry, phosphate mines, animal life and other resources and advantages of the state.

At the bottom is the building of the state of Missouri in which will be shown the industrial, agricultural and recreational life of the state.

SOCIETY

TACKIE PARTY

There was a tacky party held at the home of Miss Betty Lou Ellsworth's Friday evening at 7 til 9 o'clock. Those present were Sada Ruth Hoskins, Margaret Louise Hull, Katherine White Jimmy Swaim, Irvin Davis, A. V. Rutherford, June Tucker, Pat Becker, Louise Liker, Paul Hazlewood, Ella Mae Hull, Charlene Tucker, Betty Jane Godfrey, Nadine Hardin, Howard Dean Kelly Loyd Buzzard, Bobby Morton Peter Vernon, Wayne Ellsworth and Alton Ellsworth.

There was a prize given to the tackiest boy and girl, presented to Margaret Hill and Paul Hazlewood. A prize was given to a girl and boy who won in a game Louise Kiker and Loyd Buzzard. Refreshments were served and everyone seemed to enjoy themselves.

ATTENDS HAIR STYLE SHOW

Mrs. Wilbanks attended a Hair Style show given by Gibbs and Co. Amarillo last Sunday. She says she learned many new things while there. Approximately 150 were present.

MARY MARTHA'S

The Mary Martha Missionary society met at the home of Mrs. George Buzzard Wednesday afternoon. Mrs. R. E. Lee led the World Outlook lesson assisted by Mrs. Gene Richardson and Mrs. Eddie McCauley. Mrs. Robert Douglas gave meditation. Mrs. Freeman Barkley gave a Bulletin on "West Virginia Coal Field Work."

Delicious refreshments were served to the following Mesdames Lloyd Campbell, Bill Hutton, H. Jones, Leroy Brown, Eddie McCauley, Bob Douglas, Bruce Sheets, George Buzzard, E. N. Richardson, Freeman Barkley, R. E. Lee and one visitor Mrs. Sansing.

The next meeting will be an all day meeting next Wednesday at the church to observe the week of prayer.

HAPPY HOUR CLUB

Mrs. Jake Lamb delightfully entertained the Happy Hour Club with an all day meeting at her home on Oct. 27.

One quilt was completely quilted and bound. Another bound and a dozen tea towels embroidered and hemmed. A bountiful covered dish luncheon, featuring platters of fried chicken was served by the hostess at noon. Those present were Mesdames Ed Close James Sparks, Lynn Rogers, Don Bennett, G. C. Newcomb, Bud Jackson, Vance Close, Cecil Crawford, Johnnie Close, Charles Newcomb, Jack Whitson, Archa Morse Bus Banister, R. C. Bennett, Lizzie Benningfield, Mose Lamb and Miss Marcella Newcomb.

The next meeting will be at the home of Mrs. Bus Banister.

BIRTHDAY PARTY

Friends of Mrs. G. C. Mitts, many from the Christian church, met at the church building Wednesday evening and attended a surprise party at the Mitts home, honoring Mrs. Mitts on the occasion of her 77th birthday. Neighbors and friends carried her many lovely gifts, and the hour was spent in friendly greetings. The Mitts family tendered Mrs. Mitts a birthday dinner last Sunday at the home of Mr. and Mrs. Floyd Mitts.

SILVER WEDNESDAY CLUB

Members of the Silver Wednesday club met at the home of little Miss Louise Kiker for the Wednesday afternoon meeting Nov. 2. Sadie Ruth Hoskins is in charge of the program, reviewing a number of adventure stories. Lovely refreshments were served Misses Patricia Hutton, Annie Faye Womble, Rita Roach, Sadie Ruth Hoskins, Nadine Hardin and the hostess Louise Kiker.

BID A BIT BRIDGE CLUB

Mrs. W. L. Russell was hostess to members of the Bid a Bit Bridge club for the regular luncheon club meeting Friday noon Oct. 25th. Members playing were Mesdames Bruce Sheets, L. B. Campbell, Will Hutton, Gwinford Lackey, R. E. Lee, W. L. Russell Joe Hatton, Bill Gandy. Guests playing were Mesdames R. B. Archer Jr., Fred Rattan, Duke Carradine and Bill Whitson. High score for members was taken by Mrs. R. E. Lee and for guests Mrs. Bill Whitson.

Mrs. Mr. and Mrs. Gene Cline and Miss Opal Cline attended the Hobartillo and Pampa football Saturday.

MR. AND MRS. BURLESON HOSTS TO FRIEND WITH BEAR DINNER

Mr. and Mrs. Dan Burleson entertained a group of friends and relatives with a bear dinner at their Holt home Sunday.

The bear was killed and brought back from Colorado by Felton May a brother of Mrs. Burleson.

Many games were played during the day. Dinner guests included Mr. and Mrs. Felton May of Spearman, J. J. May and son Alton of McKibben and the hosts Mr. and Mrs. Dan Burleson and children.

Supper guests included Mr. and Mrs. Russell Baker and children and Mr. and Mrs. Sam Grays and children of Spearman. All those present enjoyed having enjoyed the bear dinner very much.

FLOWER CLUBS DISBANDED UNTIL FEBRUARY

The three Flower clubs of Spearman have disbanded for regular meetings until February. All three clubs will hold special Christmas parties.

BAPTIST CIRCLES MEET AT CHURCH WEDNESDAY

The three circles of the Baptist Missionary Society held a joint meeting at the church auditorium Wednesday afternoon with one of the largest attendance registers of this year. The lesson "China, Yesterday and Today" was led by Mrs. Dan Gill. Following the lesson the regular monthly business meeting was held. At the adjournment of the business meeting the Missionary Societies organized the church "Sunbeam" and G. A.'s Mrs. Hughes and Miss Altha Groves were elected for the sponsorship of the Sunbeam organization and Mrs. Lee and Mrs. J. E. Gerber were elected to sponsor the G. A.'s.

BELLE BENNETT SOCIETY

The regular Wednesday afternoon meeting of the Belle-Bennett Missionary society was held at the home of Mrs. L. W. Mathews Nov. 2.

Mrs. Dillard Keim was leader of the lesson "American City, and its Church." The 4th and 5th chapters of this study book being discussed. Mrs. Keim was assisted in presenting the lesson by Mesdames G. P. Gibner, Sid Clark John Bishop, and P. A. Lyon. Mrs. L. S. McClellan led the devotional.

Present were Mesdames G. P. Gibner, R. L. McClellan, L. S. McClellan, Redus, Roy Jones, Sid Clark, Williams, Keim, P. A. Lyon John Bishop, L. W. Mathews and W. R. Finley.

SOUTH EAST H. D. CLUB MET NOVEMBER 1st

The Southeast H. D. club met at the home of Mrs. Harry Shedeck Nov. 1st.

Miss Locke was attending a District meeting in Amarillo. We missed having her with us but know she will return with a store of interesting information.

The club was called to order by the president Mrs. Harry Shedeck and the regular business transacted. The president appointed Mrs. Converse, Mrs. Carl E. Hutchison and Mrs. Earl Church on the nominating committee. Mrs. H. L. Wilbanks was elected president, Mrs. Hutchison, vice-president, Mrs. Earl Church, secretary-treasurer and librarian and Mrs. Shedeck council delegate for the coming year.

The club welcomed Mrs. Mearl Beck and Mrs. J. M. Blodgett as new members. Mrs. Hutchison, Mrs. Wilbanks and Mrs. Converse accompanied Miss Locke to Amarillo to meet Miss Alden on Sat. Oct. 19. An interesting report of the meeting was given by those attending. Hansford county had the largest delegation present. Mrs. Shedeck attended the landscape meeting in Hutchinson county, with Miss Locke.

The Halloween party at the home of Mr. and Mrs. H. L. Wilbanks on Friday night was attended by a large number of club members and their families. The evening was completely filled with games conducted by Miss Locke and Mrs. Converse. Refreshments of pumpkin pie and whipped cream, doughnuts, coffee and cocoa were enjoyed by all, after which the guests departed wishing Halloween came once a month instead of once a year.

We had as visitors Mrs. Joe Novak, Miss Walker and Miss Riemer. Members present were: Mesdames Earl Church, Deta Blodgett, J. M. Blodgett, Carl E. Hutchison, Crooks, Shedeck and R. V. Converse.

The club adjourned to meet Nov. 15 with Mrs. E. S. Uptergrove. Delicious refreshments were served by the hostess Mrs. Shedeck.

NUMBER 5

grams now in operation are by no means perfect. One glaring weakness is a lack of a permanent source of enough funds to achieve the objectives of the legislation and the programs now in effect.

To improve present legislation and programs for wheat farmers, we recommend:

1. The enactment of processing taxes in an effort to make possible payments that will be sufficient to give farmers parity of prices and parity of income.
2. That all allotments be made to farmers well ahead of planting time—wheat allotments not later than July 15.
3. Elimination of red tape and simplification of the program in so far as can be done and still maintain efficient administration. This efficient administration can best be brought about by leaving to the local and county committees the setting of acreage allotments and determining proper soil conservation practices, including general administration of the program in the county.

4. That the present classification of crops and practices as they apply to Sudan grass, sweet sorghums and summer fallowed acreage be continued in future programs.

5. That more emphasis be given in the program of soil conservation and soil building.

6. That more attention be given to the securing of accurate statistical information upon which allotments are based.

7. That all Governmental agencies work towards bringing about methods by which financing, crop insurance premiums can be met by producers who otherwise would be unable to secure funds to pay premiums.

8. That commodity credit loans be continued to all grades of wheat used for milling purposes.

Respectfully submitted, by the Commodity Committee for Wheat. W. M. Deck, chairman, Arnold E. Ferguson, Hansford county, A. E. Ehrlich, Lipscomb county, J. R. Hix, Randall county.

Baptist Church Notes

The subject to be discussed at the Baptist Church next Sunday morning will be as follows: "Going Forward" in the Forenoon and "Thou Art Weighed in the Balance and Art Found Wanting" in the evening.

The public at large is invited to attend these services and worship with us.

The pastor would like to urge all the Baptist of the community that have become unlisted to come into our fellowship. We need your help in the Kingdom work. Our church calendar is as follows: Sunday school 10 a. m. worship service 11 a. m. BTU 6:30 Worship service 7:30 Choir Practice, Wednesday 7. Officer and teachers meeting 7:30, Prayer meeting 8:15.

NUMBER 2

affiliate direct with the national organization.

Such a movement would mean a slower growth, and less trained personnel supervising scouts. However, this writer has come to the conclusion that we often attempt to step ahead of ourselves in the many many organizations.

There are some features of being placed on our own that appeals to this writer. In the past our trouble with scouting has been lack of leadership. We have felt that since we were paying into the budget that we could expect our regional scout executive to come down train our leaders and assume all the responsibility. That cannot be.

This writer just wonders if it really would not be better for our community if the older men who sponsor scouting were not held responsible for the training of our own children. In other words if we did not have trained men to come down from Pampa and Berger to put on our Courts of Honor and teach our boys the advancement work in scouting, we would have to learn ourselves first, and then teach the lads.

Presbyterian Church

Sunday School and Church services at regular time. Everyone is cordially invited.

Lions Enjoy Musical Program Tuesday

A mixed quartet with P. A. Lyon, W. E. McClellan, Mrs. R. E. Lee and Mrs. C. A. Gibner were guest entertainers at the regular meeting of the Spearman Lions club held Tuesday noon.

Introduced as a new member of the organization was T. D. Sansing, county attorney of Hansford county. Mr. Sansing, Judge Curtis Douglass and District Attorney W. L. McConnell made talks at the Tuesday meeting.

Four County Meeting To Be Held At Perryton November 14th

Representatives of the Agricultural Associations, Woman's Home Demonstration clubs and farm leaders of Hansford, Hutchinson, Ochiltree and Lipscomb counties will meet for an all day round table discussion of the National Farm program at Perryton, Texas Nov. 14th. Complete instructions for handling the 1935 farm program will be discussed at the meeting.

Mr. and Mrs. A. D. Kirk and baby from Goldthwaite, Texas visited relatives in Spearman the past week.

Texas Press President Guest Speaker At Rotary Luncheon

David M. Warren, principal owner of the Spearman Reporter and president of the Panhandle Publishing Co., Inc., was host to practically all newspaper men of the Panhandle at the Friday noon luncheon of the Panhandle Rotary Club, held at the Panhandle Inn, Oct. 28.

Occasion for the gathering was in honor of Deskin Wells, president of the Texas Press Association. Mr. Wells, owner-editor-manager of the Wellington Leader, Wellington, Texas is the first president for the state organization to serve from the Panhandle area during the past 15 years. Mr. Wells was guest speaker and spoke on "The Press and Your Daily Life."

Attending the luncheon were: C. W. Warwick, News, Canyon; W. A. Wilbanks, Potter County News, Amarillo; T. A. Landers, News, McLean; Peyton Reavis, Herald, Panhandle; T. E. Johnson, Times, Amarillo; Jimmy Gilentine, Brand, Hereford; J. Claude Wells, Democrat, Memphis; J. S. Engleman, Herald, Tulsa; Ed W. Sprowls, Herald, Happy; Warren Herald, Panhandle; Sam M. Braswell, News, Clarendon; R. C. Holles, Register, Santa Ana, Calif.; Honest Will Miller, Reporter, Spearman; Vance Johnson, News-Globe, Amarillo; Deskins Wells, Leader, Clarendon; Frank Engleman, Herald, Tulsa; Tex DeWeese, News, Pampa; Joe Sargent, Hutchinson County Herald, Borger; Albert Cooper, Texas, Shamrock; Hugh Norman, News-Globe, Amarillo; J. C. Estlack, Donley County Leader, Clarendon; Van W. Stewart, Ochiltree County Herald, Perryton; Hol Wagner, News, Pampa; Bob Wright, News Globe, Amarillo; Ray F. Barnes, News, Pampa.

Library Board Meeting Held Wednesday

Members of the Board of managers of the Spearman City Library met for their regular quarterly meeting Wednesday afternoon at the city hall. Business transacted included a vote to insure the books of the library against fire hazards for \$200. valuation. Two new books were ordered.

Hansford Farm Leaders Attend Amarillo Meet

Arnold Ferguson, R. C. Bennett, F. R. Wallin, Ed Close, Harold Collier, H. Jake Vernon, county agent Joe Hatton and Miss Opal Cline attended the two day meeting of County Agents and County committeemen held at Amarillo Monday and Tuesday Oct. 31 and Nov. 1st.

The two day program included talks from national and state leaders and round table discussion of farm program problems. Plans for the future include relieving county agents of some responsibility in carrying out the national program, and placing this responsibility with the county committeemen.

According to Hansford delegates who attended the two day sessions, it is apparent that processors such as ginners, millers and carriers are organizing to disrupt the orderly farm program of the government, because such members will benefit by increased production, regardless of prices. Carriers, ginners and millers gain the same price for handling farm
