Virgil Mathews
Mrs. Jane Meek
Wesley Garnett
Major Lackey
SUPERINTENDENT OF SCHOOLS
H. R. Hartman
BUSINESS MANAGER
Orville Latham
BOARD OF EDUCATION

MEMBERS

Members of the Board of Education shall be qualified voters of the Independent School District. They shall be elected according to laws of Texas governing such elections, held on the first Saturday of each year.

A majority of the Board shall hold office for a period of three years and their successors are elected and qualified.

The President of the District may become a candidate for a place on the Board of Education by filing a petition in writing with the Board of Education before the second Monday night in March at which time the election shall be closed.

The Board of Education shall have authority to fill any vacancy which occurs in that body for the unexpired term of the place becoming vacant.

ORGANIZATION

The Board shall elect its own officers at its regular meeting in April of each year. These officers shall consist of a president, and a secretary. The president and secretary shall be members of the Board and shall hold office for one year.

MEETINGS

Regular meetings of the Board shall be held on the 2nd Tuesday of each month or when called by the president or a majority of the Board.

ORDER OF BUSINESS

The order of business of the Board shall be as follows:
1. Call to Order
2. Reading of the minutes of the previous meeting.
3. Report of the superintendent of schools.
4. Financial reports.
5. Other unfinished business.
6. Motion allowed and ordered paid.
7. Adjournment.

SCHOOL TERM

The school term shall consist of thirty-six weeks, or not less than 175 days, beginning in September at such date as may be determined each year by the Board of Education and closing on such date as may be set at the beginning of the school calendar.

HOLIDAYS

The Board shall observe the following holidays during the year: Thanksgiving Day and the day following, Christmas holidays, and the time used in the Christmas holidays shall be made up at the beginning of the school year.

BOARD OF EDUCATION COMMITTEES

The Board of Education shall not have standing committees but it shall have a committee of the whole.

Special committees may be appointed as needed by the President of the Board and discharged when their function has been completed.

SUSPENSION

The Board of Education shall have the right to suspend the public schools in the event of any contagious or infectious disease or other emergency in the judgment of the Board, would serve the best interests of the school district.

SPECIAL POWERS OF THE BOARD

It is the function of the Board to make policies which govern the operation of the schools. The Board shall have the authority to call meetings of the Board. The execution of the policies of the Board shall be the duty of the superintendent of schools. Recommendations and information dealing with school matters shall be presented through the office of the superintendent before being presented to the Board.

USE OF BUILDINGS AND GROUNDS

Now and then buildings and grounds and other property of the Board of Education shall be opened for attractions of an educational nature or use promoted by other organizations. No entertainments or programs of a political or religious character shall be permitted in any of the public schools of the district. Buildings may be used as polling places in holding city, state, and national elections with the permission of the superintendent of schools.

SCHOOL SUPPORT

The Board of Education shall levy and collect taxes for the support and maintenance of the public schools and issue bonds. The Board shall own, acquire, erect buildings, sell property and perform all transactions authorized by Texas law governing independent school districts.

SCHOOL EQUIPMENT

School equipment shall not be used away from building except when a member can go along to operate it. (Film projector, etc.) Books and supplies shall be loaned for use outside county.

SUPERINTENDENT OF SCHOOLS LIBRARY REGULATIONS TERM OF OFFICE

The superintendent of schools shall be elected according to law for a term of three, four, or five years at the first regular meeting in February of each year, which his term of office expires. On the first day of July of each year his term shall begin, continuing for the period of time elected. The superintendent shall be elected and qualified.

Wheat Acreage For Hansford Will Be 227,342 Acres, 1956

Hansford county will have an increase of approximately 8,000 acres for 1956, according to the local A. S. C. office.

The total wheat acreage for 1955 was 219,342 acres, and the 1956 total will be 227,342 acres. This year's crop (1955) price support on wheat has been set at 2.04 per bushel. Grain sorghums are 1.64 per hundred, barley 87c per bushel, and oats 87c per bushel.

WHEAT REFERENDUM, JUNE 25
The referendum to determine whether or not the marketing quota program will be in operation for the 1956 wheat crop will be held June 25.

H. Wilbanks, Chairman of the Hansford County Agricultural Stabilization and Conservation Committee, advises that arrangements for holding the referendum are now being made. Polling places will be established in convenient locations in the county, and wheat growers will be notified where they may vote.

Each grower, in advance of the referendum, will be advised of his farm's wheat acreage allotment and will receive a leaflet. Farm allotments will be based on a national wheat acreage allotment of 55 million acres, the same as this year.

Chairman Wilbanks explains that if the vote is favorable, the program will be in operation for the 1956 wheat crop, and price support for the crop in the commercial wheat area—depending on the supply situation—will probably be between 75 and 82 percent of parity. The support level will be announced by the Secretary of Agriculture before the referendum. A farmer who exceeds his farm's allotment or 15 acres, whichever is larger, will be subject to a marketing penalty equal to 45 percent of parity on the excess production.

If the vote is unfavorable, the support will be 50 percent of parity. In either case, only the wheat from farms where the wheat acreage allotment is not exceeded will be eligible for price support. Chairman Wilbanks points out that at least two-thirds of those farmers voting must favor the program if the program is to be in operation for the 1956 wheat crop.

In a similar referendum held a year ago, the national vote was close, 208,623 for and 76,023 against—a favorable vote of 73.3 percent compared with the necessary 66.23 percent. In Texas, the vote was 10,856 for and 1,299 against.

Youth Program Underway

The Spearman Youth program is in high gear this week, in preparation for the opening game as soon as the teams are ready. The first game will be next week at the softball diamond across from the court house.

Good interest has been shown in all phases of the program, which includes softball, baseball, tennis, reading room, and the free swimming program to all participants in the program. For the benefit of the parents, each child is asked to bring an excuse to Mr. Robinson, if he is absent at any time from the program. At all times, the parents are to know where the children are. Any time a child is absent 2 times without an excuse, they will be suspended.

Finance committee will get underway this week, in raising the necessary support to carry the program through the summer. The response to the finance program last year was excellent, and the committee is hoping for the same results this year. If any interested party is not contacted, and they would like to have a part in the program, their contribution may be sent in to the Chamber of Commerce for the Youth Program. All donations will be appreciated by the boys and girls of the area.

There is still need for sponsoring a team, anyone who would like to, is urged to contact the Chamber of Commerce. This is very important to the program. A complete run-down of the program will be carried in next week's paper.

County School Board Meets

The County School Board met Tuesday, June 7th, in the office of County Judge Johnnie Lee, at 2 p. m.

Homer Miller, president, presided. The business meeting was called to get the board's opinion of the applications of transfers and on transportation and bus routes for the next term of school.

Mr. and Mrs. A. N. Went left for Temple, Okla., Tuesday night to attend the funeral of Mr. Went's sister, Miss Myrtle Went who passed away Tuesday.

Sheriff J. B. Cooke Smiles As Bruce Sheets Pins On New Badge

Oil News For Past Week

A new crew is working on the Hale well this week and we understand that a new test will be made near the end of the week. Early reports indicated a fifteen million cubic feet producer, but this was shaved down to 6 to 8 million by Sunday. However, the new test may build up the production to rate with top notchers of the county.

The Evelyn Guthrie No. 1 has been tested but we are unable to find out anything officially about production. Rumor has the production scale anywhere from 5 million to 15 million cubic feet.

Mrs. Ben Upchurch is a surgical patient at Perryton. Her mother, Mrs. Garrett, of Annona, arrived Wednesday for an extended visit with the Upchurch family.

Mystery Farm of County

Picture No. 6 in the series of Mystery Farm pictures being printed in the Reporter. The series of pictures are sponsored by 10 aggressive

local merchants. Last week's picture proved to be a popular one, and quite a few readers correctly identified the photo. We urge the owner of this

mystery farm to come into the newspaper office just as seen in the picture, so we can ask a series of questions that will enable us to write a story for next week's page advertisement.

1955 ACP PROGRAM - Applications for Federal Cost-sharing for the third quarter of the 1955 ACP Program will be taken from June 20 to July 1. If you plan to carry out an ACP Practice you must make application for Cost-sharing before the practice is started.

NEW WHEAT GROWERS - For those farms not having wheat during one or more of the years 1953, 1954 and 1955 applications for "new growers" allotment may be made not later than July 1956.

1955 WHEAT PENALTY RATE
The marketing quota penalty on 1955 excess wheat is \$1.18 per bu.

WHEAT MARKETING QUOTA REFERENDUM - The national referendum for the 1956 wheat crop will be held Saturday, June 25.

Each wheat producer and his wife who will have an excess of 15 acres of wheat for harvest in 1956 is eligible to vote in the referendum. Local voting places for the June 25 referendum will be announced at a later date. Two-thirds of the vote in the referendum must favor marketing quotas before they can be put into effect.

If quotas are approved, producers who stay within the acreage allotted for their farms will be eligible for the full level of price support. Producers who do not comply with their allotments will not be eligible for price support and will be subject to marketing penalties on their excess wheat, if they have more than 15 acres for harvest.

If quotas are not approved by wheat growers in the June 25 referendum, the law provides for a wheat price support level at 50 percent of parity for producers who stay within their acreage allotments. If quotas are voted out, farmers can exceed allotments without being subject to quota penalties. However, even when quotas are voted out, compliance with the established allotments is still a requirement for eligibility to receive any price support.

TO ALL HANSFORD COUNTY FARMERS AND RANCHERS - Have turned in my resignation as ASC County Office Manager effective June 10, 1955. I was seriously injured in a car wreck December 21, 1954. My Physician advised me because of physical conditions, to change to another type of work.

I want to express my appreciation to all of you for the assistance you have given me. It certainly has been a pleasure to have worked with you and I have enjoyed every minute of the work.

Earl S. Chapman
Hansford County ASC.

Wheat Vote Set

College Station, May 25—Texas wheat farmers will join with the nation's growers June 25 to decide in a national referendum whether marketing quotas will continue in effect for the 1956 crop. The State Agricultural Stabilization and Conservation Committee urges Texas producers to participate in the vote.

"Under the present surplus situation, we are required to proclaim marketing quotas," Secretary of Agriculture Ezra Benson said.

"We will have almost as much wheat in the total supply after harvest this year as we had a year ago. In other words, we will have enough wheat to take care of all our domestic and export needs for two full years."

Benson has said that wheat is one of the major crops facing the Department of Agriculture this year.

Any producer in commercial areas who will plant more than 15 acres of wheat for harvest as grain in '56 is eligible to vote in the referendum. Two-thirds of the vote must favor marketing quotas before they can be put into effect.

Local voting places for the June 25 balloting will be announced for each county.

The available supply of wheat for the 1955-56 marketing year is 66 percent above the considered "normal supply." The Secretary must call for marketing quotas when the normal supply exceeds 20 percent of the farmers voting approved the quota.

All Acreage Released 10th

Elzie Vanderburg was notified by telegram Wednesday of this week that all insured acreage that has been released by F. C. I. C. can be planted with substitute crops, beginning June 10th.

This is a big break for the farmers of the area, which means they can start planting substitute crops in the area Friday 10th.

Stanley Haralson Has Been The Health Officer, As Janitor, Of The Spearman High School Longer Than Any Man Who Has Ever Worked For The School As Caretaker

The wise preacher sent out a questionnaire among his congregation, asking who was the most important man in the church. He received a cross-section of answers. Some said the pastor, others said those who paid the most money in the church. Still others said the organist and others the choir. As the chairman of the committee, the pastor turned down every answer which was turned in. He explained to his congregation like this: "The janitor is the most important man in the church. The reason for this is: He keeps the church sanitary, also keeps it properly ventilated. His work is the first order of the worship program. He looks after the welfare of every member who worships in the church. No preacher is worthy to be a pastor or a leader who is not big enough and broad-minded enough to see from the top to the bottom, the importance of any work which applies to the church from the janitor to the different type of work which make the church. The kind of work the pastor has praised so highly in the church or in the public schools is a cooperative link which binds humanity together in Christian love. Any preacher is a very small potato who makes up his mind, he is superior to a janitor or he is more important than the one who is the 'back-scraper' for all the church services and for all the entertainment in the basement for banquets or anything which goes to make a church or school glow and grow. It would not be a debatable question to say, I have seen janitors of churches who were better men and smarter men, where they were doing the meager work, than the pastor of the church who would come before a congregation and look wise. The janitors see the preachers come and go. The janitor is so important and faithful in the church, they cannot afford to let him go. These are facts and read of all men who appreciate a clean house to worship in. The janitors has some of the very best friends in the church. He can wield as much Christian influence as a preacher.

Mr. Haralson walked into the High School building several years ago. His object was to keep the building in order that no damage was done to it. Mr. Haralson was responsible for a clean and comfortable house for both the faculty and students. Mr. Haralson has helped to protect the child's life on the outside and to protect their health on the inside. This was done by keeping the rooms an even temperature with the proper ventilation, from the hallways to all the study rooms which make up the school. He has swept the floors and washed the windows for the last sixteen years. There is no way to know how many truck loads of sand, dust and dirt he has swept out of the Spearman High School building. The janitor knows what it has been on duty, when it would have been better sometime for him to be home in bed. Without being reminded, he knows his work was keeping the school rooms as clean as a new pin. His ambition to see everything in perfect order, kept him working hard on his job. He liked his work, he loved the children and they loved and respected all the interest he had for them. He has seen some of the children start in the first and second grades and graduate out of High School. He has watched them develop from one grade to the next. He has observed some of their careers out in life. He is standing on the ground floor when it comes to dealing with the children. He is their best friend and always stands ready to help them with their problems.

Mr. Haralson keeps himself posted on what is going on. He can converse intelligently with the teachers and students. He has seen the teachers come and go. He has seen the superintendents do the same thing. He is a man who looks at both sides of the question fairly and squarely. He is a friend to both the faculty and the students. He knows the only way to run a school and to maintain order is by way of a cooperative spirit. He is a Christian gentleman in every sense of the word by living his Christianity in and out of the school-room. There is no way to value a man who can be trusted with children, as Mr. Haralson is in his trustful way. The city of Spearman and Hansford county is most fortunate to accept a man who has the ability and the interest in the upkeep of the building and the welfare of the students. He has earned every dime the taxpayers of Hansford County have paid him. He has always put in a honest day's work for the honest dollar. The reason I know this to be true, he has proven it by having the longest record of any janitor who has served the Spearman School. Had not his work and character been entirely satisfactory to the school board and the superintendent the past sixteen years, his record would not stand as it does today. He knows what to do and how to do it, he is also willing to do it. I am going to agree with the wise pastor on who is the most important man in the school of worship study of the public school. Knowledge, it is the man who keeps a sanitary house, for those who come there to study and to worship. When the world recognizes the value of men to be as important in one phase of life as another, then humanity will

precipitate Christian people who stand for the right and are against the wrong. The only successful people we have in this world are people who live a clean Christian life. A sinful life will be an empty life here and hereafter. May the blessings of God rest on the life of Mr. Haralson. Amen!
By J. H. Nichols.

Jim Neely Wins New T. V. Set

Almost 300 persons representing 136 firms from over the Golden Spread yesterday previewed fall and holiday merchandise at the Panhandle Market Show at the Herring Hotel.

Merchandise being shown includes ready-to-wear and accessories, infants' and children's wear, boys' and men's clothing and the newest patterns in piece goods and trimmings.

Presented the Market Show television set yesterday was Jim Neely's men's wear at Spearman, who never missed a Market Show in Amarillo. The firm also was represented by Mrs. Gertrude Reinhardt and Mrs. Darlene Howell, Jimmy McCauley, representative - White Stag Sportswear, made presentation to Neely.

School of Pharmacy, has completed the spring semester with high honors and is so listed by the Dean of the Professional School. Don earned his Bachelor of Science Degree in 1953. He is enrolled in the University of Texas School of Pharmacy, Austin, Texas, in June, 1954. The course is a full four year course plus one thousand hours spent in a drug store under the supervision of a registered pharmacist. Don hopes to complete his course in January, 1957.

Don and Mrs. Cooke and their son, Jim, reside in Austin.

In Appreciation
Some one has said, "THE DEEPEST PRINCIPLE OF HUMAN NATURE IS THE CRAVING TO BE APPRECIATED." The desire to be appreciated for some word or deed one might have uttered or done is a characteristic that none of us admire, however to be appreciated by an outward act of confidence is the kind of appreciation that perhaps all of us covet.

On May 24, 1955, a representative group of the fine people of Hansford county took me by complete surprise when they presented me with an especially designed, solid gold badge with a flawless, blue white diamond in the very center of the Five Point Texas ensignia. I have no idea who or how many of you were responsible for this unusual gesture. Bruce Sheets was your spokesman and made the presentation. I wish I could print for you the exact words that Bruce Sheets spoke. They were words of appreciation that were oratorical in content and I am humbly grateful. Your outward act of your inward feelings of confidence expressed by this elegant token is the greatest compliment ever paid me and I trust that I shall always live up to your highest expectation.

The ten years that you have elected me as your sheriff have

been years of complete dedication to you, the people, and it has been my aim to enforce the laws of our land impartially and without malice. These have been good years because you have granted me the opportunity to help me to keep Hansford County one of the cleanest counties in the State of Texas.

As I continue as your public servant, I shall do so with more fervor than ever before because on the reverse side of this beautiful diamond studded badge are these words of yours, "IN APPRECIATION OF YOUR LOYAL SERVICE."

Thank you and may God bless each of you and keep all of us, the people of Hansford County, United.

J. B. Cooke.

SOMETHING NEW ABOUT THE PANHANDLE
I was attending a party the other evening and met a very charming and delightful person by the name of Mrs. Beale Thomas. She asked where I was from and I told her the Panhandle of Texas. She asked if that included Amarillo and I advised her that it did. She said, "I will never forget Amarillo; the only time I was there it was so HOT that I didn't think I would come out alive." You can imagine my surprise. It is the first time I have conversed with anyone discussing the weather who didn't say that the only time they had ever been to Amarillo it was so cold that they nearly froze in their tracks. I told Mrs. Thomas that she would certainly go down in history, and I wanted her to spread the word around as much as possible because we are a very warm people in that section.

In 1926, Gertrude Ederle of New York City became the first woman to swim the English Chan-

Mystery Home is Home Of Mr. and Mrs. Bernie Sparks.

There is little wonder that many readers of the Spearman Reporter correctly identified the Mystery Home of Mr. and Mrs. Bernie Sparks, which was published in last week's Reporter, and is again published in this page advertisement. The home is one of the truly modern farm homes that gives comfort and efficiency to farm people of Hansford area.

Their home is a 10 room home. They have 4 bedrooms, dining room, kitchen, 2

bath rooms, sewing room, and living room. The lovely home was built about 6 years ago.

Mr. and Mrs. Sparks purchased the home section from Willard Keim and Vern Osborn in 1941. They have lived at the home section and have operated, in partnership with other approximately two and a fourth sections of land for wheat, maize and cattle during the past decade.

Bernie Sparks married the former Ger-

tie Bryant of Perryton in 1929. The couple have one married son, Jimmy Lavoe, who assist his father in farming operations. They have one married daughter, Mrs. Betty Jean Thoreson; one son 17 years of age, Jerry Joe, a senior in high school at Gruver.

Both Mr. and Mrs. Sparks and members of their family are members of the Methodist church. Bernie is a member of the Gruver Chamber of Commerce and the Hansford Farm Bureau organization.

True to the clan of Sparks area, Bernie is rather fond of hunting and outdoor sports. He does not classify any of these as hobbies, since he declares that he has an opportunity to do them as much as he likes.

The Sparks family, like many other families engage in cattle and farming activities.

EXECUTIVE OFFICER

The chief executive officer of the Board. As such, he shall be responsible for the effective execution of the policies adopted by the Board and shall see that such details as he may find necessary to the other members of the Board.

NOMINATION OF TEACHERS

It is the duty of the superintendent of schools to recommend to the Board the employment and the dismissal of teachers of the Spearman School District. He shall report to the Board annually or when requested on the status and the quality of work of each teacher in the city schools.

ASSIGNMENT OF TEACHERS

The superintendent shall assign the teachers to positions in the schools each year.

MEETINGS OF TEACHERS

At his discretion, for the purpose of improving the quality of instruction in the schools, call meetings of the teachers. All teachers shall be required to attend such conferences unless excused in writing personally in advance of the time set for the meeting.

RULES AND REGULATIONS

The Board recommend to the Board from time to time such policies as he may deem necessary to attend all regular and called meetings of the Board and of its committees and be privileged to make recommendations and to take part in the discussion thereof but he shall not be permitted to vote on any question. He shall report to the Board all facts and conditions in the schools which will be of interest and inform as to progress being made and problems requiring attention. He shall make a general report of the work for the year.

VISITATION AND SUPERVISION

The superintendent shall visit the schools from time to time and offer such suggestions and advice as he may deem necessary to the principals and teachers in the various classrooms of the system. In particular, it is his duty to be helpful in improving the quality of teaching. He shall cooperate with the advice of the supervisory staff and principals, a comprehensive program with definite objectives for each grade level. From time to time he shall be tested adequately in order to measure the progress of the schools.

PROFESSIONAL MEETINGS

The superintendent shall attend such meetings as the Texas State Teachers Association, the National Education Association, and other organizations may hold for the improvement of the organization and the administration of the schools. He shall also visit other cities in order to become acquainted with all progressive movements in public education.

PREPARE BUDGET

The superintendent, with the help of the business manager, prepare each year a budget for the schools. This budget when adopted shall become the budget of the school for the ensuing year.

POWER TO SUSPEND PUPILS

The superintendent shall have power to suspend pupils from the schools for violations of the rules and regulations or for conduct that is a menace to the welfare of the schools. Such action shall be reported to the Board at the next meeting. The right to expel a pupil from the schools shall be retained by the Board.

SUBSTITUTE TEACHERS

The superintendent shall summon substitute teachers for work in the schools according to the policy of the Board.

PUBLICITY

The superintendent, by means of interviews with the press and public addresses, shall keep the community informed of the progress and achievement of the schools.

REQUISITIONS OF PRINCIPALS AND TEACHERS

The superintendent shall approve all requisitions of principals and teachers for instruction and pass them on to the business manager for purchase.

AUDITORIUM

The superintendent shall give permission to outside organizations to use school buildings according to the general policy of the Board. All monies secured from such sources are to be paid immediately to the business manager, who shall be responsible for the same.

TEXTBOOK COMMITTEE

The superintendent shall be chairman of the committee on text books for selection for use in the schools. The other members of this committee shall consist of principals and teachers nominated by him and approved by the Board.

BUSINESS MANAGER

QUALIFICATIONS

The business managers shall be a person experienced in business affairs, instructed in modern methods of school accounting, and qualified to handle the financial questions involved in taxation and in the assessment and collection of taxes, and issuance of bonds.

DUTIES

The business manager shall make up payrolls and issue vouchers in payment of salaries of all school personnel and in the payment of bills as approved and ordered by the Board of Education. The payroll of the teachers shall be approved by the superintendent of schools, who shall send it to the business manager for execution.

All monies collected by agencies of the school system shall be deposited with the business manager, or reported to him as directed by the superintendent of schools. This includes athletics, internal accounts of the various schools, tuitions, rentals, etc.

BOOKKEEPING

The business manager shall keep an accurate record of all the business transactions involving the funds of the Board of Education giving receipts therefor and depositing such funds with the depository to the account of the Spearman School District.

Annually in September the Board shall have made a full and complete audit of the books of the business manager for the previous year.

PURCHASE OF SUPPLIES

The superintendent shall proper requisition he shall purchase supplies and equipment for the schools, but all instructional material must have the approval of the superintendent.

REPAIRS AND REPLACEMENTS

The superintendent shall arrange for the repairs and replacements of furniture and equipment in all schools.

JANITOR SERVICE

The superintendent shall have general charge of the janitor service in all schools. He shall have authority to recommend to the Board employment and dismissal of such persons for inefficiency or other important reasons.

SECRETARY

The superintendent shall serve as secretary of the Board and it will be his duty to keep a record of the minutes of the Board.

Continued next week

OSLO NEWS

John David Knudson, son of Pastor Knudson, is home on vacation from Texas University. He will be Joel Stavlo's hired man during the summer.

The James Stedje family had Sunday dinner in the R. W. Cooksey home. The R. W. Cooksey family are now living in the former Joe Knudson home, the Joe Knudson family having moved to Guyman.

Mr. and Mrs. Clifford Stedje and children had Sunday dinner in the Terry Huse home. The James Stedje family have now moved into their beautiful new home. Mr. and Mrs. A. O. Hardwick have moved from the former T. S. Christofferson home and into the home previously occupied by the James Stedje family.

Chris Bredsen of Leland, Iowa, is visiting his daughter and son-in-law, Mr. and Mrs. T. S. Christofferson of Guyman. They had Sunday dinner in the Jodie Knudson home. Mrs. Jodie Knudson is another daughter of Mr. Bredsen.

Mr. and Mrs. Sherman Schibler and children visited relatives and friends in Bosque County over the Memorial Day week-end.

Pastor and Mrs. Maakestad and children, who visited in this community for a couple of weeks, are now on their way to the new pastorate at Shishmaref, Alaska. Enroute however they will visit his mother at Tucson, Ariz., and make other stops along the Pacific coast.

Our young people gave an interesting talent show in the parish hall on Friday night. Some of our young people enjoyed a picnic with the Lutheran young people of Texoma in the Texoma Park on Sunday afternoon and evening.

"God's Wonders on the Farm" and "As We Forgive" are two religious movies which our young people will show in our parish hall next Sunday night, June 12, at 8:00 o'clock. There will be no admission charge, but a freewill offering will be taken. Refreshments will be served. The public is invited.

Mr. and Mrs. Elmer Jensen have returned to the Oxfordville, Wis., home after visiting for a few weeks in this community and having a sale of their farm equipment. They aimed to be present at the graduating exercises at Luther College of Decorah, Iowa, June 4 to 6, at which time their daughter, Elvera, will graduate with an A. B. degree. She has secured a teachers position in the high school of Luana, Iowa, for the coming school year.

FISHING IN ARKANSAS

Mr. and Mrs. Virgil Mathews and children and Mr. and Mrs. W. W. Cybert vacationed in Arkansas spending most of their time fishing at Home Mound.

Mrs. Simon Caldwell visited two weeks in Purles N. M. with her daughter, Mr. and Mrs. Adrian Moore and family. While there, other relatives of Mrs. Caldwell visited: Mr. and Mrs. Joy Hergert of Laveta, Colo. and Mr. and Mrs. Ronald Miles and son.

Mrs. Tom Etter is spending three weeks with her brother, Arnold Richardson and family in Anchorage, Alaska. She made the trip by plane.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Scaled proposals for constructing 2.664 miles of Gr., Str., Base & Surf, from end FM 1261 East & North to Oklahoma State line on Highway No. FM 1261, covered by S 2010 (1), in Hansford County, will be received at the Highway Department, Austin, until 9:00 A. M., June 15, 1955, and then publicly opened and read. This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 113 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the

State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of V. J. McGee, Resident Engineer, Borger, Texas, and Texas Highway Department, Austin. Usual rights reserved.

THE TALKING BIBLE

Hear - as soon as possible - the thrilling new "Talking Bible". Records which may be played on any 33 1-3 rpm phonograph by using an Audio Book Adapter supplied for the purpose. Also great "Classics" of literature that have withstood the test of time and many "popular" books of all kinds for children and adults.

Be convinced by seeing the new invention at Spearman Reporter Office.

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meat the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait—this is just the beginning!

Daytona Beach, NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach, NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe?

*National Association for Stock Car Auto Racing

Way, way ahead!

Jacquelin Thoreson Weds Wynn Hamilton In Impressive Ceremony

(Special) Jacquelin Thoreson, daughter of Mr. and Mrs. A. L. Thoreson, and Wynn Hamilton Jr., son of Mr. and Mrs. Wynn Hamilton of Saragosa, solemnized their marriage vows in the First Methodist Church Thursday, June 2nd, at 7 p. m.

Rev. Bill Burton, pastor of the First Baptist Church of Gruver, read the double ring service combined with the marriage ritual

Mrs. Aubrey Paddy, organist, played a prelude of wedding music and accompanied Mrs. Dan Schrader who sang "If I Give My Heart to You," "Believe Me If All Those Endearing Young Charms," and "The Lord's Prayer." The traditional wedding marches were used.

Janis Hart, Bonnie Mac Fadin and Frances Brooks lighted the candles with burning pink tapers, pink gladiolus accented with satin bows and profusion of ivy. The bridegroom wore a tuxedo with pink organza with bouffant, ballerina skirts and matching accessories. Dorothy Beavers, of Monahans, was maid-of-honor and Mrs. Dee Allen and Mrs. Bill Glasgow acted as bridesmaids.

Clay Evans attended the bridegroom as best man, Eddie Smith, S. E. Etheridge, Donnie Winebaci, Rusty Samuels and Howard Garrison were groomsmen and Billy Bob Harris, Nelski Waldrop, Bill Byron and Mack Bennett served as ushers. They wore white dinner jackets and black trousers with boutonnairs of pink gladiolus.

Mrs. Thoreson chose a gray silk crepe dress for her daughter's wedding with navy and pink accessories. Mrs. Hamilton, mother of the bridegroom wore a beige dress of linen and lace with matching accessories. Both mothers wore coronas of pink rosebuds. A reception followed the ceremony in the fellowship hall. The

bride graduated with the 1953 class at Gruver High School, attended Stephen's College for women, in Missouri, and Texas Tech, at Lubbock. The bridegroom graduated with the 1951 class at Pecos High School and is a senior at Texas Tech, where he will receive his degree in August. The couple will live in Lubbock this summer, then move to the Hamilton Ranch, near Saragosa, in the Big Bend Country.

For the wedding trip to New Orleans and Cuba, the bride wore a tomato red, raw silk, sheath dress with matching coat, a black picture hat, black lace gloves and a black orchid, her shoes and bag were red.

The bride's parents gave the rehearsal dinner Wednesday night, at the Burger Hotel, in Burger. Out-of-town-guests were Mr. and Mrs. Wynn Hamilton of Saragosa, Mrs. V. L. Allman, sister of the bridegroom, from Orosia, Michigan; Mr. and Mrs. Walter Schattel from San Antonio; Mr. and Mrs. Claude Wright, Jr., and Bobby Wright of Big Spring; Mrs. J. A. McCommas and Mrs. Sue Hays of Lubbock.

FOR PORTABLE DISC Rolling Phone 4666 G. C. MITCHELL Spearman, Tex.

Ford leads all low-priced cars

in V-8 power (with a Y-block V-8 that does new Trigger-Torque)

in years-ahead looks
(with styling inspired by the Thunderbird)
Only Ford brings you the years-ahead beauty of Thunderbird styling. The lower roof line, longer body line and flatter rear deck all say "fine car." And inside, the Luxury Lounge interiors feature colors and fabrics appearing for the first time in any car.

in smoother going
(with Angle-Poised Ball-Joint Suspension)
No matter where you go, this advanced form of Ford's Ball-Joint Front Suspension smooths your way. The Springs have been tilted to smooth out the bumps from the front as well as the up-and-down bumps.

in modern power assists
(with new Speed-Trigger Fordomatic and new Select-Aire Conditioner)
You can have your Ford as automatic as you want... at a price you want to pay. Power can help you shift, steer, stop... move windows and seat both up and down... even condition the air you breathe.

in choice of models
(with 16 models including 5 different Station Wagons)
No other car offers you so many models to choose from. And in station wagon choice—whether you prefer 2 doors or 4... seats for 6 or 8—Ford has a best-seller double-duty beauty to suit your needs.

and in resale value
(with a higher return on your investment)
The final proof of Ford's extra worth is in its resale value. Ford has traditionally returned a higher portion of its original cost at resale than any other car in its field. Why not get the whole story at your Ford Dealer's. You'll never want to settle for less than Ford.

the new Ford best seller...
sells more because it's worth more!
