The makers of **Super-Refined No-Nox**, the clean-burning gasoline, now bring you a **new super-refined motor oil...**

**New Gulfpride H.D. Select**

...the **only** motor oil in the world **super-refined** by the Alchlor Process for modern high-compression engines.

Not a compromise, multi-viscosity oil that tries to be an "all-season," "three-grades-in-one" oil. Contains no artificial thickeners that break down in your engine and increase oil consumption.

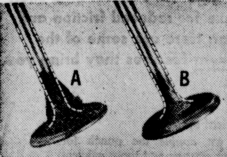

This completely new kind of motor oil—made possible by Gulf's exclusive Alchlor Process—is available in 3 grades to give you the finest protection, the best oil mileage for your make of car—in every season.

- **Controls carbon**—cause of knock, pre-ignition, valve failure and loss of power in high-compression engines.
- **Combats corrosive acids**, rust and deposits that build up on engine parts. Keeps hydraulic valve lifters quiet and free-acting.
- **Assures lower oil consumption** than the multi-viscosity "all-season" motor oils, because it has natural viscosity and contains no artificial thickeners that break down in your engine.
- **Provides the toughest protective film** ever developed in a motor oil... assures better engine protection for all cars under all driving conditions.

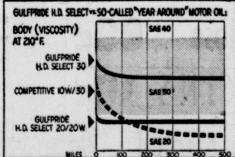

Available in 3 grades—SAE 10W, SAE 20/30W, SAE 30. Lets you follow your car manufacturer's recommendation for each season.

Now! For the ultimate in working octane performance and engine protection, always use Gulf's super-refined gas-oil team...  
**New Gulf No-Nox Gasoline**  
**New Gulfpride H.D. Select Motor Oil**

"Coked" valve "A" is from engine using so-called "all-season," multi-grade oil. Coke-like carbon deposit is a cause of sluggish performance and ultimate valve failure. Clean valve "B" is from engine using new Gulfpride.

See how Gulfpride H.D. Select holds its "body" (viscosity). This new oil contains no artificial thickeners that break down under heat and pressure. But note how quickly a typical multi-viscosity 10W-30 oil starts to lose its body.

### Stake Three Deep Wildcats In Hansford County

Activity in the Panhandle was concentrated in Hansford County the past week with three companies staking deep tests.

The Panhandle field reported 23 new locations and nine oil wells and six gas wells gauged for potentials. Hutchinson County paced the new activities with 12 locations. Announcing wildcat tests in Hansford County were Shamrock Oil and Gas Corporation, Cities Service Oil Company and Humble Oil and Refining Company.

Shamrock et al will drill No. 1 Steele in section 78, block 45 HATCC survey, a mile north of the Sharples-Baker Taylor No. 1 Beck, a big gas well. Cities Service will drill No. 1-A Vernon in section 7, block 2, S&MCo survey, a mile and a half southeast and the same distance northeast of nearest gas production. The Humble No. 1-5 Hansford Gas Unit will be in section 34, block 45, HATCC survey, one and a half miles west and the same distance southwest of the nearest production.

The nine oil wells tested added 815 barrels to the total potential of the field. The gas wells were tested for a total of 3,656,000 cubic feet.

### Happy Homes H. D. Club Meets

The Happy Homes H. D. Club met in the Club Room on June 2, at 2:30.

Meeting was called to order by the President and roll call was answered by: My family's favorite; yeast bread; by 8 members.

With the business over Mrs. Johnny Gaitner and Mrs. Alton Ellsworth were appointed to attend the trainer meeting on Saturdays.

Mrs. Bill Wilson brought the mystery box and Mrs. Bert Blyssanz won it.

Meeting was then turned over to the Lone Star 4-H girls who gave us a very good and interesting Demonstration on making Swedish tea rings. Following the demonstration refreshments of the rings and punch were served.

### Pink And Blue Shower

June 8, Mrs. Jack Hamilton was honored with a pink and blue shower in the home of Mrs. Cecil Crawford. The hostesses, Mrs. Crawford and Mrs. Jack Hamilton, presented Mrs. Hamilton with pretty white carnation corsages tied with pink ribbon. Affairs were held with pink ribbon. Affairs were held with pink ribbon. Affairs were held with pink ribbon.

This representative can furnish any information or assistance which would be available at the District Office in Amarillo. He will receive applications for retirement or survivors insurance under the Social Security Act, applications for original, duplicate, or change of name social security cards; and applications for employer identification numbers for new employers or employers recently becoming liable for making social security returns.

Any farm workers or self-employed farmers wishing information on the new provisions of the law applicable to farmers are also invited to contact this representative.

### Flower Club To Meet

The Dahlia Flower Club will meet June 27 at 3 p. m. at the Spearman Steakhouse dining room with Mrs. Hoffman as hostess.

Members of all Flower Clubs in the city are invited to attend and any others who are interested in the growing and culture of roses.

### Specialist At Called Meeting

Dr. Pauline Mack, head of the Nutritional department of research at North Texas College for Women, was speaker of the evening Tuesday at 7:00 o'clock to a project, under the supervision of Miss June Gibbs, Home Demonstration Agent.

Professor Helen Campbell and Dr. Jessie Bateman, who work in research with Dr. Mack also talked to the group.

Thirty nine people taking in the project were present. A cow's milk meal was served at the opening of the meeting.

This nutritional survey started last January. Those working on the project went to Denton to have a number of tests taken, concerning their physical condition in relation to nutrition.

Better health is coming about, already, by changing of their eating habits.

### Nita Dell Smith And Rev. James Miller Wed In Impressive Ceremony

Mrs. Oscar Smith of Gruver announces the marriage of her daughter Nita Dell Smith to Rev. James W. Miller, son of Mr. and Mrs. Grady Miller of Stephenville, Texas.

The wedding was a candle-light ceremony held in the Gruver Methodist Church. Rev. Cecil Ottinger, pastor, officiated at the double ring ceremony. James Bell of Pampa sang, "O Promise Me" and "One Alone".

The bride's sister, Mrs. Betty Hays of Dallas, was her matron of honor. Lilli Mae Smith was junior bridesmaid. Both wore sky blue shantung taffeta dresses.

Grady Miller, Jr., was the best man and Charles Hasting of Denver was usher. Jim Ed Miller and Charles Miller lit the candles.

The bride was given in marriage by her brother-in-law, John Hayes. She was attired in a lace top with a net skirt over white taffeta trimmed in seed pearls and a finger tip veil. She carried a white Bible with a white orchid. The bride wore the traditional something old, new, borrowed and blue.

Mrs. Oscar Smith chose a navy blue gown with white accessories for her daughter's wedding.

After a honeymoon in New Mexico the young couple will be at home in Dallas. Rev. Miller will enter Perkins Theological seminary at S. M. U. Mrs. Miller will work in the Republican National Bank.

Texas, major market prices, and truck holdings at 16 cities.

Producers and other interested persons may obtain these daily bulletins free of charge from the Fruit and Vegetable Market News Office, P. O. Box 6306, Dallas, Texas.

Local initiative and enterprise form the foundation for a proposed plan aimed at helping low-income farm families find ways to improve their level of living.

President Eisenhower presented the plan to Congress.

Farm tractors, carelessly operated, can cause death and destruction. The Texas Farm and Ranch Safety Committee advises tractor operators against taking chances which may result in a tractor turning or being involved in a traffic accident.

Texas wheat farmers will join with the nation's growers on June 25 to vote in a national referendum on whether marketing quotas will continue in effect for the 1966 wheat crop.

The armadillo of Argentina is only a few inches long.

## Get out of the ordinary... GET INTO AN OLDS

**A "ROCKET" FOR EVERY POCKET!**  
And you'll find one priced just right for you! Choose from thirteen gorgeous models in Oldsmobile's three thrilling series... luxurious Ninety-Eight, the brilliant Super '88" and the budget-priced "88" Oldsmobile "88" 2-Door Sedan illustrated.

GO AHEAD...DRIVE IT YOURSELF! THE GOING'S GREAT IN A "ROCKET"

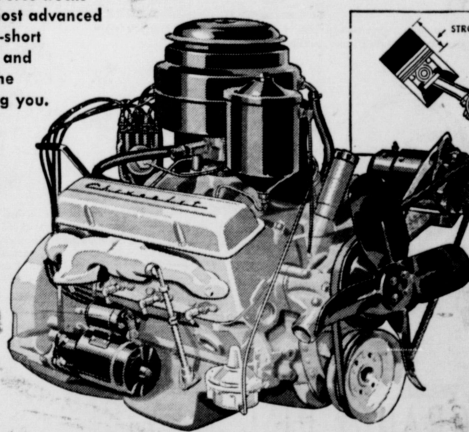

## MOST Modern V8 FOR YOUR JOB!

### NOW...THE SHORTEST STROKE V8's IN ANY LEADING TRUCK!

Now new Chevrolet Task-Force trucks bring you the industry's most advanced V8 engines\* with an ultra-short stroke for reduced friction and wear. Here are some of the modern features they bring you.

- Modern 12-volt electrical system**  
You get double the punch for quicker starting and more efficient ignition. Also, you have a greater reserve of electrical power.
- Gas-saving high-compression ratio**  
With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of every tankful of gas. Hauling costs go down!
- Extra-high power per pound**  
Compact, super-efficient design results in high power output per pound of engine weight. This means more useable power!

Note that the bore is bigger than the stroke!

**Advanced aircraft-type V8**  
A new valve train design lets each valve to function better and more gently—as in modern aircraft. Can't see any gins. Valve action is important.

**Floating oil intake...**  
New floating oil intake allows cleanest oil for engine lubrication. Full-pressure lubrication provides positive protection.

\*V8 standard in the new L-Series... an extra-cost option in all other Chevrolet models.

The Holt Home Demonstration Club met on Monday, June 13th with Mrs. Fred Holt as hostess. Mrs. Raymond Kirk, president, presided over the short business meeting.

Social Security News

In Hansford County at the end of last year 36 retired workers were receiving \$1,903 in monthly social security payments, according to figures just released by John R. Sanderson, District Manager of the Social Security Office in Amarillo.

- 1. Computation of major changes after "dropping out" up to 5 years of lowest social security covered earnings.
2. Extension of social security coverage to more farm workers and to self-employed farmers, as well as many other kinds of work.
3. Increasing of the maximum wage creditable toward benefits from \$3500 to \$4200.
4. Allowing disabled workers to "freeze" their social security wage records while disabled.
5. Increasing the amount of earning which a retired worker can receive and still get all or a part of his retirement payments.

Registration at 9 a. m. at WT's new Student Union, and a coffee period opens the planned program. A luncheon, tour of the campus, and a period "for recreation" are also planned. Dr. J. A. Hill, president emeritus who has been on the campus since the college's founding, will attend the reunion.

The annual Banquet rated tops with the girls. High School Auditorium Friday night, June 17, at 8:00 P. M. It is open to the public and everyone is cordially invited.

The adult leaders have played a big part in getting the girls ready for this event. The County adult leaders are as follows: Morse: Mrs. D. M. Womble, Gruber Senior Girls; Mrs. Bill Eling and Mrs. Ted McClellan per and Mrs. James Brillhart, Willing Workers; Mrs. Erny Busby Bees; Fendorf Schubert and Mrs. Robert Novak. Happy Hearts: Mrs. Claude Jackson and Mrs. O. C. Holt. New Hope: Mrs. L. D. Hibbs.

Mystery Home Is That Of Mrs. A. J. Wilbanks And Mr. and Mrs. J. D. Wilbanks.

The Mystery Farm picture printed on the front page of last week's newspaper proved to be a familiar landmark and was easy for most readers to identify. The Mystery farm is the home of Mrs. A. J. Wilbanks, and Mr. and Mrs. J. D. Wilbanks.

This section of land represents one of four sections of land homesteaded by the late A. J. Wilbanks and his father. The other three sections are now owned by Hix Wilbanks, and represent the home of Ray Phelps as well as cultivated sections in the immediate area owned by Mr. and Mrs. Hix Wilbanks.

The farm is operated by J. D. Wilbanks. Truly, we could write a book about this aggressive and successful young man. J. D. has made good in most any undertaking he has started in life . . . and he has jumped around from printer, mechanic, musician, theatre operator, to farmer, cattleman, and driller of irrigation wells.

J. D. is past master of the Masonic order in Spearman, a member of the Shrine club, and completed his high school studies at the Spearman school.

He married Ruby Jo Simmons, a member of another Old Time family of this area. The Simmons family owned

and operated a farm over in Ochiltree county for many years . . . in fact 45 years before Ruby's parents moved to Spearman.

The farm home is one of the truly ideal farm locations and homes of the North Plains. It is a modern 8 room farm home with every convenience.

J. D. and his father have virtually every efficiency building located at the farm. This includes three storage graineries, one of which houses one of the most complete machine shops located in the Panhandle of Texas. J. D. used a lot of his spending money to purchase equipment for shop and home.

In addition to what J. D. is a very successful field of drilling irrigation owns and operates the Drive-In Theatre.

Mrs. A. J. Wilbanks has been ill for several years. Ruby Jo has taken over the duties at the Wilbanks banks is a sister of just has lived at the home East of Spearman since married A. J. Wilbanks

## THIS and THAT

### Around Gruver

When I came to this country fifty or so years ago, I came seeking for something that was freedom, and I found it. In those days four things were expected of us. Loyalty to God, Loyalty to our homes, Loyalty to God, and he willing to work. Today all that is changed, that is the tragedy of the United States. We have more church members than in ever our history.

yet many of our religious leaders are teaching us to put more faith in man and his powers, than in God and His power. For many the home is just a combination parking place and filling station. Loyalty to country is frowned upon. We are to be loyal to the United Nations, not the United States. Patriotism is passed. As to work, do as little as possible. Get all you can for nothing. Let the State guarantee everything from the cradle to the grave. And don't ask, Who is to pay for it? YOU ARE or don't you know.

There was a very nice birthday party last week in the home of Mr. and Mrs. T. C. Harvey Sr. Mrs. Harvey's mother, Mrs. Gordon celebrated her 94th birthday. Some sixteen children, grandchildren and great grandchildren were there to help her. That's a wonderful age to reach. Congratulations from us all.

Mr. and Mrs. Bernard Harris in California stopped by Gruver the other day. They had to drive through that storm down in California to get here, and had a frightening time. He is a nephew of Mrs. Mattie Lyter. We understand that they all left together for Chicago to visit Mrs. Lyter's children and grandchildren.

## Something To Think About

(Published weekly by the Spearman Church of Christ)

To every faithful Christian, the magnitude of Christian responsibility is sometimes appalling, but never disheartening in fact. It is the greatest of all challenges.

It is the spirit of challenge that prompts the little child to take the first step - to utter the first word. If there were nothing to be gained, why all the effort?

That child faces another challenge in the form of an education. Why does he sacrifice his time, energy and normal desires to secure that education? Because the challenge is secured by unlimited reward.

Men do not enter into legitimate business enterprise without fear and trembling, and if that fear were the deciding factor few would make the start. Only those who are big enough and brave enough to accept the challenge step forward to open the door of progress.

The young couple who enters into the marriage relationship un mindful of the challenge, the dangers and the possible difficulties, are most unwise and that union is doomed from its beginning.

So it is with the church and Christianity. Herein is the greatest of all challenges. The important question is not "Can we do it, but 'Will we do it?'" Is ours a real faith, or a mere profession? Are we willing to work at it, or do we want to play at religion? Are we willing to sacrifice, or shall we give God only the crumbs? These are pertinent questions! Not only will their answer determine the future of any group of Christians, the answer to these questions will determine to a great extent, the ultimate destiny of your soul and mine.

We are debtors, whether we like it or not, to our God and to our fellowman. Each member of a family is debtor to every other member. The family is likened unto the physical body in which ever member is obligated to, and dependent upon, the natural and normal function of the physical body is an unselfish union! May God speed the day when every Christian will appreciate these facts and arrange his life accordingly. "Seek ye first the kingdom of God."

Paul Smith Minister

**FOR RENT**—Four room home, on pavement, furnished. Call Carl Hutchison. Phone 3211. No. 29 29c

Mr. and Mrs. Frank Cook from Livingston, Mont. drove in last week to visit their daughter Mrs. Pete Maupin and her family. Then Mrs. Maupin and her mother took off for Michigan for a short vacation. Mrs. Cook remained here to ride herd on Pete and his grandson. We asked Mr. Cook about conditions in Montana and he told us they were having the same trouble we have, not enough moisture.

Mr. and Mrs. J. O. Wilborn and family have gone to Wisconsin to visit their son and his family. While there Mr. Wilborn will conduct a Gospel Meeting. They will return about July 7th.

We can report that Mrs. A. Dooley is doing very nicely after her serious operation. We note that Mr. Dooley is building a sort of house trailer. Guess they will all go camping, when Mrs. Dooley is able.

Doyle Barkley is about to make a name for himself. He received a long distance call from New recently offering him a job this summer to entertain on a Dude Ranch, at Geln Falls, N. Y. Doyle is probably there by now.

Mrs. Margie Barkley and son Leslie left here by plane for California to be visiting their son Herman who makes his home out there.

Mr. and Mrs. Bob Brooks are back from their winter hideout and will spend the summer here. We are all glad to see them.

J. D. Sanders, son of Mr. and Mrs. Ed Sanders has undergone another operation at the McBride Clinic in Oklahoma City. The doctors are working to give J. D. the full use of his legs. This young man has had a rough time of it, but we hope that the operation will be successful. It will take a long time before he will be able to walk.

We have two new arrivals to report. Mr. and Mrs. Leroy Byrd are the happy parents of a little girl. The young lady weighed 7 lb. 1 oz. Mother and daughter are doing just fine.

Mr. and Mrs. J. S. "Bobby" Gruver are happy over the arrival of a new son. However the young fellow came a little ahead of time, so he and mother will have to say in the hospital for a while. But both are doing fine.

We hope that you were at the meeting in the Methodist Church and heard Mr. Phillips speak.

Farmers and ranchers are warned to get the hatching grasshoppers before they leave the hatching beds. Control is easier and cheaper and more effective if done before the hoppers begin migrating.

Early season cotton insect control paid up to \$109.33 an acre at the Lubbock Experiment Station in 1954.

The amount of plant food ordinarily recommended on soil tests returns is neither a maximum nor minimum. It is the "optimum" amount of fertilizer needed to produce a crop economically under expected moisture and growing conditions.

We're "Sell-a-brating" with Leadership Deals

on brand new '55 Fords!

# Summer Bandwagon Sell-a-bration

Now going on!

All year long we've been selling new Fords at a Leadership pace. Now we're "Sell-a-brating" in advance what looks like the most successful sales year in Ford history. We're offering Leadership Deals on all '55 Fords—so you share the benefits.

Why not hop on the Ford Bandwagon—join the big swing to Ford—get in on a deal that spells savings to you—now while our summer "Sell-a-bration" is in full swing—now while your present car is worth its top dollar—now while you can enjoy a full summer of fun in America's trend-setting, "GO"-leading, "worth-more" car—the brilliant '55 Ford. Come in at your earliest—come get our "best!"

**V-8 POWER** from the V-8 leader... that's what Ford. And Ford's Trigger-Torque "go" means more than a quick action on take-offs. It gives you a whole new performance and security in traffic or on the open road.

**YEARS-AHEAD LOOKS**... you see it in every Thunderbolt line. For this '55 Ford is truly the styling "trend-setter." Perhaps you've seen it, you've seen more Fords in front of homes where the collier cars were parked.

**SMOOTHER GOING**... and you'll go more smoothly than ever. Ford's revolutionary Ball-Joint Front Suspension... ever. For '55, springs are fitted back to absorb bumps as well as up and down. You'll find even the smooth roads

**UNIVERSAL MOTORS** Your Friendly Ford Dealer, Gruver, Texas
