

Under cut hansford hospital of the section shown is composed of patient's rooms. The central part contains the pharmacy, but North part of this building accommodates treatment rooms. Surgery and Obstetrics rooms, X-Ray room and Laboratory. The nurse home is a wing attached to this building on the West.

The above picture shows the laboratory completed in September, E. L. Carothers, Technician, is shown at work at the microscope. New equipment installed recently enables Mr. Carothers to do any type of blood testings required. The new laboratory was built adjoining the X-Ray rooms, which is also in the Technician's department.

Your Hansford Hospital Staff

5,694 Treated In Two Year Period

From an idea to a hospital is a long journey—a journey through work and worry, expense and problems, but such a journey was accomplished two years ago by people in Hansford County who saw a definite need, and got busy and filled that need.

Some of them are gone now, the late Dr. J. E. Gower among them, but their works stand for all to see. Most of them are still with us, watching the institution they brought into being grow and fulfill, as the years go by, the meaning of that first idea.

Land and building, equipment and personnel, put together by names that last in the community's memory.

On August 31st of this year, Hansford Hospital turned a second milestone—two years of operation. It is hardly comparable to any other industry in the community, but today, as a private business in Hansford County, Hansford Hospital is first in the number of people it employs.

5,694 patients were attended at Hansford Hospital and Clinic in this two year period. It has a plant valued at \$76,000 and it spends \$10,000 in Hansford County annually.

We are proud of it, we of the community, we the members, and we who are working and have worked for Hansford Hospital.

Thursday, November 3 at 8:00 P.M. Annual meeting of the members of the Hansford Hospital and Board of Directors in the District Court Room of the Hansford County Court House in Spearman.

FARM BUREAU CONVENTION ANNOUNCED

The Hansford County Farm Bureau will conclude its annual membership drive at the county convention meeting on November 19. The meeting will be held at 7:45 P.M. in the Spearman High School lunch room. It has been announced by Stanley Garnett, president of the organization.

At the county convention, county officers for 1950 will be chosen, delegates will be chosen to the state convention to be held in Dallas, November 21-22-23 and to the convention of the American Farm Bureau Federation, December 12-15. Resolutions establishing the policy of the local Farm Bureau will also be adopted for presentation to the voting delegates attending the state convention, Mr. Garnett stated.

Mr. Garnett urges all Farm Bureau members to attend this annual meeting as it is a very important part in the development of the county Farm Bureau program for agriculturists.

The county Farm Bureau will close its year work on November 30 with over 150 members.

FOOD SALE

The Christian Church Ladies will have a Food Sale in the G. I. Parks Building on Saturday November 9th, starting at 11:00 a. m. Everyone is invited to drop in and buy your food for Sunday dinners.

Oslo Men Are Injured In Plane Wreck

Three prominent citizens of the Oslo community, Emil Knutson, Bill Johnson and Joel Starvo are in a hospital somewhere in Wisconsin as a result of a plane accident that occurred last week. The 3 men were pheasant hunting in South Dakota, and stopped to visit friends enroute home. In taking off from a field, Mr. Knutson was blinded by the sun and failed to see a high powered wire that bordered the field. The plane crashed and all were injured. We are informed today, Thursday, that Mr. Knutson and Mr. Johnson will be released from the hospital this week end. Mr. Starvo is out of danger, according to the latest information.

There was a great deal of excitement in Morse Friday morning when Billy Reagan came to town with a bone of a human leg which he had found protruding from the bank of the creek near where he was building a fence. After taking a ribbing from several of the fellows gathered at the Dorch Implement Shop about the bone being that of a cow or an old gray mare, Billy returned to his work, but he had aroused the curiosity of two of the men, H. J. Gray and Shelby Chisum. These two men borrowed a shovel and went to the location where Billy had pulled the bone from the bank and went to digging. They had only dug a few feet when they uncovered a skull with all the lower teeth intact. They came back to town and notified the sheriff at Berger of their discovery. It was at first thought that it was the body of a white man who had met foul play and been buried there, but after the rest of the dirt was removed it proved to be a body of an Indian. The beads which had evidently been around his neck were removed along with five arrowheads and a curious object about two inches in length with thirteen notches carved in it. This object was black in color and had holes through the top for a string or whatever means the Indians took in those days to hang an object around their necks. It was very interesting to listen to speculation among the onlookers as to the number of years this body had been buried. It was in a sitting position. Several of the men in the crowd remarked that they had been living here around a fifty years and their fathers a good many years before that and that no Indian had been buried since they came to this country. The sheriff took the bones to Berger and it was our understanding that he would turn them over to the college at Gruver for study and deduction would later turn it over to the museum at Canyon.

The bones were found about one mile east of Morse.

New Service Station Open

Announcement is carried in this weeks paper of the opening of the new Larry's Gulf Station, located on Highway 117 across from B and B Grain Company. The station has been leased by Larry Siefkin, who is an experienced and ambitious popular young man of Spearman. Larry plans an official opening of the station later, when all the building and service facilities have been completed.

Larry promises his friends and the public as fine service as can be secured... and the Gulf Company has invested heavily to provide one of the modern service stations in this area. A complete story of all the station and personnel will be carried in a future issue of the Reporter.

Universal Oil Will Handle Propane-Butane

Universal Oil Company of Gruver announce that their firm is now handling propane and butane gas. The firm has equipment and is prepared to service this gas where farmers and ranchers own their own storage tanks and for those who do not have tanks they have storage tanks for sale.

study and deduction would later turn it over to the museum at Canyon.

The bones were found about one mile east of Morse.

Shrine Club To Hold Ladies Nite Friday Nov. 4th.

Ralph Blodgett, secretary, Hansford County Shrine Club, announced this week that Friday, November 4 is Ladies Night for the club. The meeting is in the Memorial Building in Gruver and starts at 8:00 P.M. Mr. Blodgett says to come out and bring the ladies. Plenty of eats, bridge, 42, dancing, etc. will be enjoyed. Also, be sure to wear your fez.

Did It Again

White Deer Backs—the man's been able to touch the ball, but the ball still remains in play until the offensive team either elects to kill the ball in the end zone or inside the 10 yard line, and then the ball automatically moves out to the 20 yard line. Instead of killing the ball, Donny Floyd picked up the ball, and after thinking things over, for a few seconds, took off on a 100 yard touchdown run. However, some of the officials claimed they blew the whistle while Donny was inside the 10. This should have automatically put the ball out on the 20. Instead, they killed the ball on the 2 yard line, and this was definitely a mistake on the part of the officials. The touchdowns should have counted and the White Deer coach even told Coach Head it should have counted.

Early in the second quarter, White Deer ran about 29 yards around end, but a holding penalty at the line of scrimmage was assessed against White Deer, but already moved the chain had, and instead of going back to the line of scrimmage where the foul occurred, the penalty was assessed at the point where the ball ended up, and instead of the ball ending up on the 14 yard line, with 1st down and 25 to go, the ball ended up on the 29 yard line, 1st and 10 yards to go. No one ever figured that one out.

On the other hand, White Deer ran anywhere from an average run of 8 yards to 65 every time they got their hands on the ball. Coach Watson of the White Deer team said this was by far the best game they had played this year. We agree and think his Blues could win the district hand down, but anything can happen to a football team, especially if they are sold an the opposition is hot.

Here are the statistics on the game. Read 'em and weep.

Taffy Pull

All Methodist youth are invited to come and bring a friend to a taffy pull and popcorn party Saturday, November 5. This gala affair will begin at 7:00 P.M. in the Methodist Church.

Committee members include Mrs. Daily and Mrs. Buzzard in charge of taffy candy making. Rev. Watkins, popper of the corn, chairman. Mary Nell Chambers, Georgia Buzzard, Elaine Daily, Peyton Glibner and Frank Buzzard, decoration committee. Mr. and Mrs. Leland Bryan have charge of the games. Everyone come at 7:00 P.M. November 5.

Cadet G. C. Lowe, son of Mr. and Mrs. C. V. Lowe, Gruver, has been cited by the dean's office at Wentworth Military academy, Lexington, Mo., on the basis of superior grades earned during the first six weeks. Major Dallas C. Buck, dean, has pointed out that G. C. has established eligibility for the dean's honor roll for the initial grading period. Cadets qualifying for academic honors at Wentworth are accorded special privileges and may wear scholastic bars.

Mr. Lowe attended the ninth annual Dad's day celebration at Wentworth Military academy, on October 29. His son George, is a member of this year's cadet corps at the school. Mr. Lowe participated in the special activity program, which included attending academic and military classes with his son, undergoing personal and room inspections, and standing retreat with the battalion.

Marriage Vows Unite Bobby Jean Lackey and A. L. Wilson, Oct. 27th

Rev. Ray Stephens performed the double ring ceremony which united Bobby Jean Lackey and A. L. Wilson Jr. in marriage, Thursday, October 27th. Vows were read in the farm home of the bride's parents at 4:00 p. m. The bride is the daughter of Mr. and Mrs. Major Lackey, Spearman. The groom is the son of Mrs. Cordae Wilson, Spearman and A. L. Wilson, Stratford. Given in marriage by her father, the bride wore a street length dress of pink satin, with Navy blue accessories. She carried a white orchid atop a white Bible with streamers tied in Sphenosis. For something old, she wore a gold wedding band, belonging to her Grandmother. The bride's pearls was her only jewelry. The something blue, was her accessories.

Mr. and Mrs. John Sims Observe 63rd Anniversary

Mr. and Mrs. John F. Sims observed their sixty-third wedding anniversary here Wednesday, November 2.

They are among the few people of Hansford County to ever celebrate this anniversary. Mr. and Mrs. Sims have their home near the site of Barness Street where they have a very lovely garden, rose vines, chrysanthemums and prize-winning white Leghorn chickens.

They came here from the Rio Grande Valley in 1927 and lived in the Blodgett community until the past four years at which time they moved into town to their present abode.

Both Mr. and Mrs. Sims were born and raised in Nebraska City, Neb. and they married there November 2, 1884. They have three daughters, Mrs. F. O. Wildbaker of Puritton, Mrs. L. E. Bauerfield of Westaco, Tex. and Mrs. H. R. Reynolds of Atlanta, Ga. and three grandchildren, J. Herbert, Leona of Dallas, Mrs. Florence Droits of Westaco, and Mrs. James Robinson of Pensacola, Fla. Also nine grandchildren.

Candle lighters, Misses Pat Howell and Mona Beth Hester, wore jeweled tassel velvet dresses, with matching tulle corsages.

For her daughter's wedding, Mrs. Lackey chose a Polonaise suit with brown accessories. Mrs. Wilson, mother of the groom, wore a brown suit with green accessories. Both wore corsages of lovely sweetheart roses.

Mrs. Wilson is a graduate of Spearman High School. She attended West Texas State College Canyon, for two years. A. L. Wilson is also a graduate of Spearman Schools and attended West Texas State College, Canyon. He served two years in the Marine Corps during the recent war. At present he is employed as Hansford County Veterans Service Officer.

After a short wedding trip to Dallas and points South, the couple will be at home in Spearman.

Reception Follows Immediately following the ceremony, a reception was held in the home of Mr. and Mrs. Willis Lackey, uncle and aunt of the bride.

The lace covered serving table was centered with a three tiered wedding cake, flanked by three tiered candelabra and topped with a miniature Bride and Groom. An arrangement of white carnations decorated the table. Mrs. Kester Lackey served the cake, and Mrs. Earl Reagan served punch from the lovely crystal bowl. Miss Frankie White presided at the guest register.

That evening at 8:00 P. M. the couple were again honored at a wedding party held in their honor at Old Tancos, Herring Hotel, Amarillo. Albert Tucker and Narrell Wilson were hosts at the party.

Out of town guests at the wedding included Mrs. G. L. Moreland, Phillips; Mrs. J. B. Nanny and sons, Odessa; A. L. Wilson, Stratford; Mr. and Mrs. Earl Reagan, Borger; Mr. and Mrs. Kester Lackey, Borger; Mr. and Mrs. Walter Broadhurst and family, Gruber; Mrs. Harper, Spearman; Mr. and Mrs. Bert Borger. Other guests were Mr. and Mrs. Dan Burleson and son, Mrs. Ray Stephens, A. L. Tucker, Newell, Allen, Mr. and Mrs. Kenneth Wilson, Mr. and Mrs. Sam Graves and Mr. and Mrs. Willis Lackey.

Guests enjoying the evening party in the Herring Hotel were Messrs. and Misses Buck Robinson, Marston Larson, Albert Mackie, Dan Burleson, Major Lackey, Sam Graves, Marcus Larson, Al Paul Halewood, Sam Wysons and also Mrs. Cordae Wilson, Edward Dear and Pat Howell, Don Allen and Mona Beth Hester, Glenn Mackie, Albert Tucker, and Pearl Dean Boyke, Newell and JoAnna Gower, Narrell Wilson and Jeanne Graves.

Marriage Is Announced

Mrs. Bees McKay is announcing the marriage of her son Jack Mc Kay to Doris Birdwell, both of Spearman. The couple were married recently in Portales, N. M. Jack is employed at the Cattle Rate agency in Spearman and is well known here. Mrs. Mc Kay has been employed at the Spearman Drug. She is the daughter of Mr. and Mrs. Rube Birdwell, and is a graduate of Spearman Hi school. The couple are at home in Spearman.

W. Buchanan and parson and Mrs. Jack Ferron of Texas, visited in Chicago.

Marriage At Gruber Unites Miss Hughes, Mr. Cross, Thursday.

Rev. and Mrs. Herbert Hughes, Gruber have announced the marriage of their daughter, Miss Mildred, to Thomas Gordon Cross, son of Mr. and Mrs. O. J. Cross of Gruber.

Hughes performed the double ring ceremony in the Gruber Baptist church, October 27th. Attendants to the couple were Keith Cross, brother of the groom and Miss Gloria Hughes, sister of the bride.

The bride wore a going away dress of Dacia Rayon, these Falls, with white accessories. The maid of honor was attired in blue velvet with black accessories.

Following the ceremony the couple left for a short sojourn trip to Dallas and Waco. They will be at home in Gruber after November 2.

Members worked on gloves during the afternoon.

A refreshment plate of salad sandwiches and coffee was served by the hostess.

Dahlia Club Has Luncheon

The Dahlia Flower Club was entertained at a six o'clock dinner in the private dining room of the Johnson Cafe, Monday, Oct. 24, with Mrs. Garrett Allen and Mrs. Ernest Archer as hostesses.

Places were laid at a long table covered with white linen. The centerpiece was a cluster of large yellow dahlias surrounded by greenery trailing off to connect with bouquets of white dahlias.

Mrs. R. S. Watkins gave the invocation followed by a delicious three course dinner consisting of soup, fried chicken, creamed potatoes, fresh buttered peas, hot rolls, butter, Texas cream pie and coffee.

Because of illness in her family, Mrs. Jarvis, president, could not attend. The business session was conducted by Mrs. Sheets, vice-president.

Reports of the year work were heard. Mrs. R. L. McClellan was presented the lovely club rose for her beautiful flower arrangements throughout the year.

Mrs. Ernest Archer was also presented a vase of flowers. The following officers were presented and given an ovation: President Mrs. L. W. Mathews, Vice-President Mrs. John Lackey, Treasurer Mrs. Lottie Baston.

Mrs. Hoskins entertained with her review of Godley's Lady's Book. She also exhibited some bound volumes of this book, edited in 1863. This interesting discussion was thoroughly enjoyed.

Copelands Entertain With Halloween Party

Joe Lynn and Kim Copeland entertained several of their friends with a Halloween party at Saturday evening, October 29 at a decorated farm house near Morse. After roasting wieners and marshmallows over a campfire.

the youngsters made a tour of the haunted house, Kenneth Alexander volunteered to be the general and they made a brave start for the front door. They had gone only a few steps when they were met by a very realistic looking ghost which came gliding out the door to meet them. The general got so excited that he forgot about his army and passed the whole bunch with coat all flying and a screaming woe. One little girl, Edna Vaughn, never even got to see the ghost as she knocked her hat on her back and didn't give a chance to get up. They jumped over a wall, the general also raised up two other boys who all also could be seen as flying fast above her. The youngsters excitement created much amusement to the grown-ups, and Mrs. E. J. Copeland, Mrs. Pearl Dixon.

The ghost was made to glide out when Mr. Copeland pulled a string attached to a wall. He had also rigged up two other ghost shots in strategic places to scare the youngsters and each time much merriment was caused by the guests' reaction. Each of the guests came dressed in Halloween costumes. Those enjoying the evening were Edna Vaughn, Barbara Bainton, Jerry Jones, Kenneth Alexander and Joe Lynn and Kim Copeland.

Weather & Crops

Weather conditions, more or less on the cold side, have prevailed this week. That is more on the cold side when one takes into consideration the hurricanes and frost on the pumpkins, but less on the cold side when one remembers the clear Indian summer days of Monday, Tuesday and Wednesday of this week.

Carrots, asparagus, onions, parsnips, beans and spinach suffered little damage, but the larger pod vegetables such as okra, tomatoes, and beans were turned black and withered.

Quite a few chrysanthemums, gladioli and late roses are still flourishing on the south side of houses, as well as the Baptist Church lawn and other bluegrass lawns around town.

The rice crop department, most of the feed and sorghums have been cut and the winter plowing complete. The maize and feed crops are ready to be harvested.

The weather report for the past week is as follows:

DATE	HIGH	LOW	RAIN
25	49	31	
26	67	41	
27	67	33

One meeting has been held and at the next meeting the constitution and by-laws of the Student Council will be drawn up. Let's everyone back the Student Council 100% and help elect it to a good start.

SUSIE SEZ

Seems to me that students of S.H.S. don't appreciate their school and the work that's being put in on it.

It is easy to complain, but what's the use? If you have sound suggestions they will be welcomed, but useless complaining doesn't help and is bad for the morale of the staff.

ASSEMBLIES

Oct. 10th the Southern Association sent an accordion player, Lloyd V. Vass, of Italian nationality. Everyone enjoyed listening to his playing. He played classical, South Pacific selections, boogie, and popular variations.

Oct. 11th, Brother Watkins of the First Methodist Church was here and gave a very interesting talk.

IDEAL MALE TEACHER

The ideal male teacher would be as handsome as Mr. Gentry, well dressed as Mr. Hartman, and have the humor of Coach Head. He would have the knowledge of what he is teaching of Mr. White, the teaching ability of Mr. Douglas, and the ability to get along with students as Mr. Chabrous does. He would be as well liked by the students as Mr. Lovelady, and have the presentation of subject matter as Mr. Godfrey; the leadership of Mr. Peters, and the wonderful personality of Coach Head.

FASHION

Eddie Blackburn has a dream-like dark corduroy shirt, and boy wears all eyes on him.

Tyenne Sansing has a new Funtex sweater with silver work on in a give appeal. It was sure stylish.

Ban Dacus has a striking red corduroy shirt. It sure set his physique off.

Sylvia Bryan looked very chic in a dark green tailored blouse and tweed skirt.

Coach Head looked so handsome in a brown corduroy jacket. It sure sets his shoulders off.

Juanita Beck looked very attractive in a light blue sweater and dark blue skirt.

Jerry Beth Harbour looked very charming in a lime sweater and rust velvet skirt, with a yellow suede weskit.

Coach Head looked very nice in a white tailored blouse and tweed skirt.

Patsy Howell has a lovely aqua skirt and wastekit. It looked nice.

Joan Mackie has a red Jersey blouse she is cute.

Dee Allen has a striking grey corduroy shirt, he sure looked cute.

Ernest Markie wore a pretty pink pen stripe shirt, he sure looked manly.

Don DeArmond has also worn a wire corduroy shirt, corduroy is sure the style these days.

GRADE SCHOOL NEWS

October 25, the eighth grade voted for the candidate for Football Queen. Jeanne Wells is the candidate from the Eighth Grade class.

To raise some money, we are going to sell candy in the show and maybe some more things. That is undecided right now.

7A News
7A has acquired another student, Doris Edward form Lubbock. We don't know her very well yet, but we have already learned that she writes as well as the fellow that made our writing books. That should help our average in that department.

Mr. Wright is having us turn newspapers. Each of us is publishing our own health news. We are even our own linotype machines. Judy Jane Meek writes poetry in hers—all about health, of course.

After trying out everything offered the last period; football, boys P.E. and Study Hall, M. B. Green has joined the chorus. You should see the beautiful drawings he has made of bacteria for his health workbook. Just a budding biologist, say we.

We have been studying as hard as we can for these six weeks tests. Here's hoping that we pass. Georgia Buzzard made a perfect average in spelling this six weeks so she was exempt from the test. Our pictures didn't do us justice, of course, but we are having good luck trading them off.

If Jim Riemer has gone deer hunting, as rumored, he'd better bring Mr. Lovelady a roast when he asks for an excuse.

Jimmie Ooley visited P.E. last week and got his nose hurt. He says the regular football practice is safer.

We had a letter from a boy in Rio Hondo asking for a sample of Hansford County soil for his geography project. We are very happy to contribute a sample of real farming dirt.

Jack Keene is quite a pitcher on that noon baseball team.

Our librarians are right on the job—over to Ann Vaughn and Georgia Buzzard.

Our room had a hot session at eleven Tuesday. Jerry Russell elected as president and Georgia as vice-president. Helen Taylor is our football queen candidate.

Joe—Do you know why he took vitamin pills after being run down by an automobile?

Shirley—Why, because vitamin are good for run down people!

A DIRTY TRICK!

By A Student of S.H.S.

Last Wednesday night there was a large bon-fire in our town, but the strange thing about it was there were no cheering groups of students, no pep leaders and football players being honored. But to some tired teenagers, it wasn't only strange, but very disheartening for they had worked all afternoon hauling wood for the fire to be burned the following night at a large pep rally. Yet there was the fire burning brightly, lighting up the town. Were it not that our students have spirit and do not let things like this get them down, we might not have had our snappy pep rally Thursday night. For the students decided they would not let this cruel trick get them down because they immediately began to make plans for hauling wood Thursday afternoon for a bigger and better bon-fire. It seems to me such a show of the real S.H.S. spirit would certainly make every main quality parties rightfully ashamed of themselves.

FOOTBALL QUEEN

In an impressive ceremony before a large number of the Spearman Groom football game, Juanita Beck was crowned Football Queen. She was attended by Claudia Bryan and Nada Hattop.

The Queen and her attendants were driven to the center of the field, followed by the band, which was led by the signal major, Mona Beth Hester, and the pep squad. The Queen was escorted from the car to her throne by the co-captains, Joe Lackey and Don Cates. The attendants were escorted by Ray Martin and Leo Faulkner.

When the Queen arrived at her throne, the band saluted her with the "Alma Mater" song. After she had received the band played "The Eyes of Texas."

Juanita is a senior who is eighteen years old and five feet, two inches tall. She has been cheer leader the past two years and is sports editor of the annual. Juanita made a lovely Queen and well complimented the football boys taste in selecting a queen.

A small but game bunch of Claude Pontes invaded Spearman Thursday night hoping possibly to upset the junior team that is undoubtedly the best in the State of Texas. They didn't!

Although Coach Chabrous stepped his team of his big boys (all over 140 lbs.) he just couldn't find enough little boys to hold the score down.

Spearman's driving halfback, Jerry Floyd, scored the first touchdown in the first quarter after the Lynx had put on a sustained drive of 42 yards. The Kittens looked like they were going to run out of soup on this drive at one time. However, on fourth down, with 3 yards to go, Jerry Floyd ripped off tackle for 14 yards and then ran 6 more on the next play to score. The attempted extra point was a pass from Gibner to Summerville. It was incomplete.

The Kittens kicked off to Claude and Claude promptly drove 50 yards and scored in the early moments of the second quarter to tie the ballgame up.

Claude kicked to the Kittens and the Kittens ran six yards, then two yards, then a snazy end around, with the ball going from quarterback Gibner, and finally ending up in Hart's hands. This play scored from 56 yards out, with little Jimmy Ooley blocking out the nearest Claude Pony as Hart scampered over the goal line.

An end-around run for the extra point failed.

Claude received the ball and again put on a sustained drive that ended on the 15 yard line at halftime.

The Kittens kick-off to Claude starting the third quarter, but Claude fumbled and the Kittens recovered. The Kittens ran one play good for nine yards, then Hart ran off tackle on a cross-back and went the remaining 35 yards to a touchdown. A pass from Gibner to Floyd was good for the extra point and Spearman went out in front, 19 to 6.

Spearman kicked to Claude. Claude fumbled again, and Spearman recovered. Spearman ran a play good for six yards and then Hart again ran off tackle to yard dirt for the fourth touchdown. Jerry Floyd ran off tackle for the extra point, making the score 25 to 6.

Spearman kicked to Claude, but Claude was forced to kick on fourth down. The Kittens took over and Hart broke loose on the first play from scrimmage for 63 yards and a touchdown. The try for the extra point was no good.

Spearman scored their last touchdown of the game on a 26 yard run by Summerville, around right end, making the score 23 to 6 in favor of the Kittens.

This was the homecoming game for the Kittens and the pep squad, led by Judy Meek. They blocked McClellan must be given credit for most of the touchdowns, as he braved the cold and yelled their lungs out for the Kittens.

A homecoming party was held in the Community Building for the Kittens after the game.

The Kittens are tentatively planning a game with the Dumas Demon Jr. team in the near future.

that there was only a little heavy oil in the mud and chemist water when a test was made. The Sunday paper indicated that the small amount of oil had blown over the derrick and concluded the story with the fact that the test would be continued, but the rig would move to the Dix in Hansford County, apparently for another deep test. Monday morning, the newspaper revealed the stand and indicated that there was a possibility of a 208 barrel production at the Phillips well. Friends of Dix Board, who lives ever in Moore County, were thrilled at the report that Mr. Board attending the well. Board gave a Shrine club meeting at Gruver Friday night, seemed convinced that there was a good showing in the Phillips well. Board owns extensive holdings fairly near the well and said he was evaluating the oil scouts who were as thick as could be. We understand the well is located less than six miles south-southwest of the Phillips well. Below is the Amarillo Daily News story of the report:

By N. D. Bartlett Daily News Oil Editor Indications are very strong that the Anadarko Basin now has an oil producer in Sherman County. Very little information has been given out by the Phillips Company officials, but from other sources it has been learned that the Phillips Company No. 10 well in section 15 block 27-T, No. 10 survey in the southeast part of the county is an oil well of some sort. It is about two miles to the southeast of the same company No. 1 Kistner which was completed for 19 million feet of gas several months ago. The well was bottomed at 6,264 and started plugging back and testing. Somewhere above that depth an oil pay was encountered that made several flows after being swabbed through the tubing but evidently lacked enough gas to keep it flowing. A well informed oil man not connected with the company estimated the well to be good for 200 barrels. The well has not been completed and more testing is the opinion which would naturally keep the Phillips Company from giving out any definite information. However another oil producer in any part of the deep basin is an important event and cannot be overlooked nor kept secret from the public. Whether or not the new discovery will make a commercial producer still lies in the results of future test, but even a show of oil in the deep formations is a news of a welcome variety to the Panhandle people.

Road Building Progressing Rapidly

Road building inside the city limits and outside the city limits is in the news this week. The new farm to market roads east of town (the old Canadian highway) and a new farm to market road leading south off the old Canadian highway, just outside the east city limits of Spearman.

These new roads are just about ready for the shooting of asphalt as the bed of calciche is already graded out, rolled and packed. Curb and gutter are being run in the city now on almost every street where new paving is to be

The contracting company is getting most of their streets leveled out and ready for the calciche base now, with a lot of calciche hauled in already and should be smoothed out by the time you read this.

This is adding beauty to the city, as well as keeping us out of the mud. The contractors will probably have the city streets finished before a hard freeze is due. This new paving will come in the nick of time, as the weatherman still thinks we will have a lot of sloppy weather this winter.

County Court Has Two Cases Past Week

The past two weeks found the County Court and the law enforcement officers not too busy, although two cases were tried.

A drunk driving charge against Charlie Christ, Plainview, Texas amounting to \$25.00 was assessed by Judge Lee's County Court.

C. A. McElroy was found guilty of swindling by worthless check and fined \$22.00 and court costs. It was learned that a large space behind the court house is being prepared for parking lots for the court house personnel, and also so that will be possible to drive

up to the jail during sloppy-muddy weather. In the past it has been next to impossible to get to the jail during inclement weather.

Girl Scout News

Troop No. 8 of the Girl Scouts entertained their mothers with a formal tea Monday afternoon, October 31, in the First Grade Room of Mrs. Omar Cotter.

Honoring the birthday of their founder, Mrs. Juliette Gordon Low, the girls began Girl Scout week also.

Repeating in unison, "On my honor I will try to do my duty to

God and My Country, to help other people at all times, and to obey the Girl Scout laws," the 14 fifth graders became official Girl Scouts in what is known as a "flying-up" ceremony by candle light.

In the receiving line were Anita Groves, Rosalie Rutledge, Charlotte Martin, Anita Tackitt, Carol Dixon, and Joyce Patterson.

Sonia Withanks presided over the punch bowl and was assisted by Jackie Birdwell, Patsy George, Jeanine Jones, and Phyllis Patterson. Marilyn Carruth assisted guests to their seats.

The Halloween motif was featured in decorations and the tea was held by candle light and jack o'lanterns. Appropriate refreshments were served buffet style, consisting of sherbert punch, sandwiches, nuts and minis.

Charlotte Martin read a short history of "How Girl Scouting Began", and Anita Groves enter-

tained with an accordion solo. Piano solos were given by Phyllis Patterson, Carol Dixon, and Anita Groves. Several original papers entitled, "What I would Like To Do in the Girl Scouts this Year" were read by the other members of the troop.

Guests present were Mesdames Tackitt, Martin, Withanks, Hain, Jones, Carruth, Patterson, Dixon, Cotter, and the troop leaders, Rhoda Overton and Elizabeth Miller.

Do You KNOW What You Are Voting For?

There are 10 Constitutional Amendments

To Be Voted on

TUESDAY NOVEMBER 8TH

EACH AND EVERY ONE OF THESE amendments is of vital importance to every citizen of Texas. The very fact that they are amendments to the State Constitution denotes that they propose a change in our present laws and therefore they should be thoughtfully considered by the voters.

THE FRAMERS OF OUR ORIGINAL constitution very wisely granted to the Legislature certain powers, and again very wisely provided that when the Legislature sought to go beyond the provisions of the original Constitution, that they first submit their proposition, outlining the additional powers sought, to a direct vote of the citizens of Texas.

The official ballot will not have the entire amendment printed thereon, therefore it can be readily seen that in order to intelligent

ly vote on these amendments, they should be carefully studied and considered. All that the official ballot will contain for each amendment is the two sentences starting with the words: FOR the Constitutional Amendment etc., or AGAINST the Constitutional Amendment etc. As an example of the confusion that might be caused in the minds of the voters who have not studied these amendments, we shall take HJR No. 5, which will be proposition No. 2 on the ballot. It will read thus:

FOR the Constitutional Amendments relative to sessions of the Legislature and compensation of its members.

AGAINST the Constitutional Amendments relative to sessions and compensation of its members.

VERY INNOCENT LOOKING ISN'T IT? Please note that it doesn't

say "Annual Sessions" neither does it say "Increased Compensation" but that is exactly what the amendment means in the event of its adoption.

AS FAR AS WE CAN SEE no imperative public necessity has been shown for any of these amendments, and it might prove to have a very salutary effect on future Legislatures by the voters rejecting all of them.

IN VIEW OF THE SHORT TIME that will have elapsed since the adjourning of the Legislature in Mid-July and the time to vote on these amendments November 8th, there has not been ample time for a thorough consideration of them. Amendments to our basic law, hastily submitted and hastily voted are liable to prove boomerangs.

Excerpts, TEXAS TAX JOURNAL.

Space does not permit printing the full text of the amendments here — You wouldn't read them if we did — Here is sample ballot — And some objections:

AGAINST
The amendment to the State Constitution qualifying women as grand and petit jurors.

OBJECTIONS

1. There is no need in the counties of Texas for this amendment. Its adoption would lead to more confusion in County Government.

2. The objections to this particular amendment from the standpoint of the taxpayers, are many and varied. We list below a few that are considered the most pertinent...

This amendment, as it is submitted seeks to accomplish two or more purposes as follows:

(a) It would increase the present compensation of Legislators from \$1200, for each two year term to \$2200, for the same period. An increase of 80 percent.

Ordinarily a regular session of the Legislature (120 days) every two year costs \$217,200.00 for the salaries of the members. This session lasts longer than the prescribed 120 days, then the Legislature's pay drops to \$5.00 per day. This provision was probably made as an inducement for them to wind up their business and go home.

Under the provisions of this Amendment the cost for salaries alone, for the 181 members of the Legislature for two year terms will be \$1,393,200.00 and increase of \$1,958,000.00.

When the Legislature is in session the pay of its members is only stenographers, clerks, pages, door-keepers, porters and other miscellaneous help. In addition an individual expense account is allotted to each member, for newspapers, phone calls, telegrams, postage, stationery, etc. All of these additional costs of a session of the Legislature run into a large sum every two years, therefore the taxpayers can easily visualize the additional amount it will come to if we have annual sessions of the Legislature.

(b) It sets up an annual session of the Legislature, with no limit on the length of time each session may run.

(c) It allows the Legislature to submit Constitutional Amendments each year, instead of every two years under our present law.

3. This amendment should be decisively rejected if for no other reason than it authorizes the Legislature to create these Hospital Districts, and places no restrictions or limitations as the amount of tax that may be levied for their support.

4. If this amendment is adopted it would allow a small percentage of the voters in any county to vote an extravagant tax rate on all of the property in that District.

5. The amendment is very vague in its purpose. It fails to state whether such Hospital districts are for the treatment of human beings or are veterinary hospitals. It might be possible under the wording of this amendment to create districts for the latter.

6. It sets a maximum tax rate, and this could reach any figure that a few interested voters might wish to levy.

4. One of the arguments against the poll tax is that a citizen has to pay for the right to vote. This amendment authorizes a registration fee.

5. Here's another amendment similar to HJR No. 36, preceding. 1. This amendment authorizes the Legislature to provide for the organization of County-City Health Units. Here arises the question, What is a County-City Health Unit? What is the scope and function of such a unit?

2. This Amendment authorizes the Counties and Cities to levy a tax rate of not exceeding Twenty Cents (20c) on the One Hundred Dollar (\$100) valuation of taxable property in Counties and Cities for the purpose of financing the said County-City Health Units. Will these County-City health units operate hospitals, clinics, homes and other institutions, or will they consist of a large bureaucracy of Doctors, Nurses, dieticians, social experts etc.

3. This Amendment authorizes an ambitious program as evidenced by the maximum tax rate of Twenty Cents on the One Hundred Dollar valuation. Any interested taxpayer can readily discover what will cost in his or her county, by applying this maximum rate of 20c (in all probability the maximum will be levied) against his county's valuations. Taxpayers should remember that starting in 1951 their County tax rate will jump 20c on the One Hundred valuation for farm to market roads and soil conservation, as authorized by a Constitutional Amendment adopted two years ago. Do you want to add this one also?

4. We now have a State Health Department, a County Health Department and City Health Departments. Under the Glimmer-Aiken law our schools are to be provided with more nurses and health supervision. Is this amendment necessary or advisable? We think NO.

5. We are running this "pension" into the ground. No objection.

6. This is another tax raising amendment. 1. It sets up additional taxing units. 2. The purpose stated is very vague. It states "The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts." What will be the function of these districts? Will they be equipped with fire-fighting apparatus and manned by regular paid firemen or volunteers? Or will the districts be supervised by officials and personnel to remove fire-hazards, as set out by the word "prevention"?

7. Of all the patches proposed to be put on the State's organic law, this would be the most incongruous. It is an amendment to that section of the Bill of Rights which says that the right of trial by jury shall not be violated. It would write after this declaration a practical denial of it so far as the most usual type of lunacy case is concerned. The legislature would be authorized to provide for waiver or jury trial in lunacy cases "where the person under inquiry has not been charged with the commission of a criminal offense." How and by whom such waiver could be made would be left to the legislative discretion.

8. Jury trials for lunacy are justifiable on the same grounds as jury trials in important criminal cases. A conviction of lunacy means loss of liberty and property. The jury trial cannot be waived because the competence of the defendants to make any decision is brought in question by the charge itself. This fact will not be changed by permitting waivers. The amendment should be rejected as a dangerous innovation in the most revered part of the State constitution. It would be a menace of everyone facing the possibility of becoming troublesome to others through the infirmities of advanced age.

9. No objection.

The Tuesday picture is "Any Number Can Play" with Clark Gable and Alexis Smith.

Special Service At Methodist Church Next Sunday, Nov. 6

Next Sunday the Methodist Church will dedicate their Memorial Baptismal Font at the 11:00 a. m. service. This Baptismal Font is one of luxury and will add much to our baptismal services. At this service, we will also dedicate infants.

We just finished a wonderful review, the double results were very satisfactory, yet the results go further than the visible results. We should be wonderfully rejoiced in the way Rev. H. H. Johnson captured our people. His knowledge and power in teaching and Rev. J. L. Mayhew is a marvelous work with the young people. The results of this meeting will be lasting.

We received nine members by transfer, eight members by vows and two members were received upon making a total membership of 24. Thirteen others gave their names to be received at other dates.

We will have for you Sunday, R. S. Watkins

Uncle Jay' Lynn Will Be PTA Guest Speaker Nov. 7th

The Gruver P. T. A. as having its regular PTA meeting Monday night Nov. 7th. The theme will be "Teamwork Between Parents."

The guest speaker for the evening will be J. D. Lynn, of Austin, better known as "Uncle Jay". Last year when Mr. Lynn was a guest of P. T. A. over 150 people attended the meeting, and an even larger attendance is expected at this meeting.

This program to be given in addition to Mr. Lynn's talk will be a seventh grade, directed by Howard Moore.

Mr. Bill Russell and Mrs. Bill Russell, returned from market the past week in Dallas.

Mr. and Mrs. E. D. Hester recently moved back to Spearman on Tuesday.

Dennis Williams was a weekend here with Arlan Womble in the care of his parents here, Mr. and Mrs. J. O. Womble. Both boys are attending college in Canyon.

Mr. and Mrs. Elzie Vanderburg Entertain Hansford H D Club.

Mr. and Mrs. Elzie Vanderburg entertained members of the Hansford Home Demonstration Club and their families with a covered dish supper at their lovely country home on the evening of Oct. 29.

The dining table from which the guests served themselves was spread with a white linen cloth centered with fall flowers. Those present were Mesdames and Messieurs Harry Shedeck, Virgil Floyd, Ted Rosenbaum, Ned Turner and sons, Miss Jane Gibbs and Mrs. William Bratton.

Special guests were Mrs. Burke, Mrs. Ellen Crowder, Mr. and Mrs. E. L. Nicholson and Mrs. Walter Davis.

The guests played forty-two and dominoes after the dinner hour.

Gruver Carnival Is Outstanding Success Oct. 31.

A successful Halloween Carnival was held at the Gruver school Monday night October 31.

The highlight of the evening was the coronation of the Carnival queens, Sharon Harvey, from the 1st grade was crowned queen for the grade school. She was escorted by Ronnie Wright. The princesses were: from the 2nd grade, Jo McClannan, escorted by Bruce Ayres; from the 3rd grade, Mary Frances Vernon, escorted by Jimmy Harvey; from the 4th grade, Linda Payne Hooten escorted by Jon Harden; from the 5th grade, Jolene George escorted by David Shapley; from the 6th grade, Rommie Jones escorted by Joe Dean Wallis; from the seventh grade, Sogin escorted by Laren Dahl; from the eighth grade, Peggy Root escorted by Jimmy Vernon.

Mavis Dahl, a Freshman was crowned Carnival Queen for the high school. Mavis was escorted by Curtis Root. The princesses were: Beryl Renner of the Sophomore class, escorted by Bob Fletcher; Glennabele Sparks of the Junior class, escorted by Dan Kager; and Betty Ruth McClellan of the Senior class, escorted by Marvin Andrews.

The queens and princesses wore lovely evening gowns and made charming pictures when they were assembled on the stage. Jeff Hawkins acted as Master of Ceremonies. The princesses for the queens were Cathy Fletcher and Cynthia Cutter. The crown bearers were Larry Brotherton and Gene Dunworth.

After the queens were crowned Lou Ann Cator sang "Shine On Harvest Moon" accompanied by Miss Moore. Carolyn Cator sang "Beautiful Lady."

At 5:30 p. m. the booths were opened and everyone began to play games.

The gross receipts from the carnival was \$2,659.63. After the expenses are paid approximately \$1,786.06 will be cleared. This is to be divided between the school and the PTA.

The PTA wishes to thank all who donated time and effort to make the carnival a success.
