Four-Door Sedan in New Chevrolet Bel Air Series

The Bel Air four-door sedan is one of four body types with which Chevrolet pioneers a completely new series of passenger cars for 1953.

**New Chevrolet On Display
 Friday Morning January 9th**

Expanded to include a third series of cars, and boasting more significant advances than ever incorporated in a model in the low-price field, the widely discussed new Chevrolts make their first public appearance at dealers showrooms tomorrow (January 9).

For the 1953 market bodies have been completely redesigned. All cars have increased power, with special emphasis on a new train that includes a new engine and improved automatic transmission. In performance, economy, in driving and riding qualities, exterior and interior appointments, the latest Chevrolet contribute importantly to five progress.

Throughout the new cars are changes of major interest:
 1 - The entirely new series to be known as the Bel Air and credited with being the most luxurious models in Chevrolet history. To be produced as two- and four-door sedans, a convertible and sport coupe, the Bel Airs are included in the choice of 16 Fisher body types. Other passenger car series are designated as the "Two-Ten" and "One-Fifty."

2 - A new 115-horsepower "Blue Flame" engine and a refined Powerglide automatic transmission re-engineered for greater operating economy and faster pickup. The so-called "standard" engine also moves up to 108 horsepower, a gain of 17.4 percent over 1952.

3 - Two Chevrolet "firsts" in the low-price automotive bracket are registered in all cars. Power steering, which reduces manual effort yet maintains traditional steering safety, makes its debut. The second innovation is the Autronic Eye, an electronic mechanism that automatically adjusts for passing.

4 - Roomier and stronger bodies with greatly expanded visibility. All are curved, one-piece shields from which the conventional body construction high-top include front wind-out door hinges to provide easier entrance, foldaway front seat backs in two-door; and wrap-around rear windows.

5 - Operating advances cover the automatic choke on all cars, soft, smooth-brake action, easier steering, even more reliable starting in damp weather, state-free ignition, softer green and rear springs for improved ride, and higher capacity generator.

6 - Unusual developments in the station wagon field. Three new models, one known as the Townsman (eight-passenger in the "Two-Ten" series) and two as the Handyman (seven-passenger in the "Two-Ten" and "One-Fifty" series). The latter is available with a fold-in floor.

7 - An array of convenience items including front-door start-up, trunk-type front door vents, name controls and almost one hundred more. Trunk space has been enlarged 40 percent. The 15 new colors are offered in 13 different shades. The new Chevrolet high-compression engine that will be installed in all Powerglide equipped models has a displacement of 215 cubic inches. In addition to the impressive increase in horsepower over any previous Chevrolet engine, the new power plant is more economical. The combustion chamber has been revised for high compression. Full pressure lubrication has been adopted and pistons are of aluminum. Hydraulic valve lifters are continued.

A distinction never previously achieved in the Chevrolet market. Increased performance, comfort and convenience are common to the Bel Airs and the "One-Fifty" and "Two-Ten" series.

starts in the former low range then move automatically into the cruising range. To take advantage of the low range for passing in traffic, the driver merely depresses the accelerator pedal. The return to the cruising range is subsequently automatic. The torque converter itself is bigger and more efficient.

More power, increased acceleration and greater economy as well as present in the standard engine that powers all 1953 Chevrolts other than Powerglide. A revised ignition system contains a new distributor, new spark plugs, and spark plug caps that are moisture-resistant. Capacity of the generator has been stepped up to provide added reserve for accessories. An automatic choke assures correct fuel mixture for temperature changes without manual adjustment. Neither engine requires premium gasoline.

Driving ease has been additionally improved by larger, more comfortable steering wheel and the substitution of needle bearings for bronze bushings on the Pitman shaft. Women drivers particularly will appreciate the reduction in required brake pedal pressure. Brake and clutch pedal pads have been redesigned for comfort. The parking brake lever has a "T" handle. Better ventilation in the driver's compartment results from enlarged air duct instruments are directly in front of the driver. The speedometer is enclosed in a circular section with other dials mounted in an oblong housing. Another feature is the in-built plastic arrows of the panel to show the use of the turn indicator.

Official records of U. S. Weather Observer, Fred Brandt record 2 inches of snow with 0.1 inch of moisture for the first day of 1953. The snow was accompanied by wind, but due to the wet sticky fall, it is estimated that most of the moisture was equally distributed, with very little drifting. The ground was covered with the previous snow which fell before Christmas.

Prospects for wheat production are bright. The parking brake lever has a "T" handle. Better ventilation in the driver's compartment results from enlarged air duct instruments are directly in front of the driver. The speedometer is enclosed in a circular section with other dials mounted in an oblong housing. Another feature is the in-built plastic arrows of the panel to show the use of the turn indicator.

Wheat producers are asking for warmer weather to melt all the snow, so that the moisture will be driven in, and eliminate evaporation.

CARD OF THANKS
 I wish to thank my many friends who sent me gifts, flowers, cards and letters during my illness in the hospital. It's wonderful to be home again. May God's richest blessings be with each and everyone of you.
 Mrs. Lex (Maye) Board

Class Reunion
 Remembrance of 1940 were brought to mind on December 30, when seven of the class members of Spearman High School, graduates of 1940 got together at a social at Robinson's Cafe, and enjoying games of cards and check at the Home demonstration club rooms. Those attending were: Mrs. P. A. Lyon Jr. and Mrs. J. R. Keim Mr. and Mrs. Cecil Reynolds, Mr. and Mrs. Garland Head, Mr. and Mrs. R. L. Uptegrove and Allison Urah.

**Gruver PTA HAS
 Dedication Program**

The Gruver PTA held its regular monthly meeting Monday night Jan. 5, in the newly constructed auditorium. Introductory music by the Gruver band, directed by Mr. T. J. Stone, was played while the large crowd assembled in the building. The invocation was given by Rev. Herbert Hughes, then Mrs. Carlisle Knight presided over the PTA business session. The Gruver Junior Band presented four numbers each, which was followed by choral numbers by the eighth grade under the direction of Mr. Roy Eter and the fourth grade the direction of Miss Loree Jones.

Supt. Brotherton made a few remarks and announcement mentioning the Gruver Board of Education who had worked long and faithful in supervising the building of the auditorium and grade building.

Special dedication were given by Miss Janette Winkler and Miss Carolyn Cator and the benediction was given by Rev. W. L. Porterfield.

After the program open house was held in the new elementary building.

This 'N That

Mr. and Mrs. Lucian Gates returned Saturday from a 10 day holiday trip to Los Angeles. They also visited all the sights in Hollywood, Los Angeles, and reported a fine trip.

Mr. and Mrs. Marcus Larson and Family had Xmas Dinner with the Hix Wilbanks Family.

Mr. and Mrs. Marcus Larson and family had Xmas dinner with the Hix Wilbanks family.

Floyd Dry In Orleans France

Mr. and Mrs. Otis Dry of Spearman received word that their son Floyd is stationed in Orleans, France. Floyd states that he is about one hour drive from Paris. Floyd states that all the girls in Paris look at him and smile. Floyd also states that if Hansford county could get some of the rains that the people in France get, he wouldn't have to worry about a drought.

Daniel Files Rites Held January 5th

Friends and relatives of the late Daniel Files were present Monday morning January 5th for memorial services honoring the long and consistent Christian life of the deceased. Mr. Files died at his home January 3 after a long illness. He was 81 years of age at the time of his death. Memorial services opened with a song and the opening prayer by Rev. Clint Evans. The obituary was read followed by a song and then the message of comfort to the friends and family was given by Brother Herbert Ladd. Scripture references were read by Pastor of the Union church Rev. C. R. Dale. The choir sang "Rock of Ages," "I'll Meet You in the Morning," "Have Thine Own Way" and "Healing Waters."

Friends And Relatives Pay Homage To H. L. Heard Memory At Service

An overflow audience of friends and relatives of the late H. L. Heard were present at the First Baptist Church Sunday afternoon January 4 to pay their last token of friendship and love to the memory of this outstanding Spearman citizen.

Around Gruver

We attended the Dedication Program of the new High School Auditorium, and Elementary Building. To say we were amazed only partially expresses it. We doubt if you could find an auditorium to equal it anywhere on the Plains, in any city large or small. It is beautiful if it is completely modern, and it is completely equipped. The truth is one could use a page adjectives with out exaggerating. The same is true of the elementary school. It has a modern kitchen and cafeteria. It has all of the most modern equipment for caring for and teaching the elementary grades. To us it was only fitting that the young people themselves should do the dedicating, and they did it well. The hand under the leadership of Mr. Joe Stone played some rather ambitious numbers, and they did them well. The choral groups sang with spirit. Miss Janell Winkler gave an inspiring talk, and Miss Carolyn Cator made the dedication speech. These two young ladies were just splendid. We congratulate the school trustees, and Mr. Brotherton for a magnificent achievement.

Wheat Experts Give Program At Lion Club

Flushed out into the teeth of the cold North Wind Tuesday morning as a result of a radio broadcast by "Cotton John" of K.G.N.C., three wheat experts gave a program to the members of the Lion Club at an interesting and instructive program.

Shades of Satan! Katy bar the door! The Lynx have come into their own. They beat Stratford at Stratford Tuesday night 55 to 52. It was a total basketball game. The game was a toss up for four quarters and ended in a tie. The Lynx led 13 to 12. With the Elks leading 48 to 46, and time running out, Jimmie DeArmond, who has a habit of diving in, sealed the buzzer. The Lynx was getting ready to buzz, and shot the ball through the basket to tie the game all up at 48 to 48. The game went into an over time period, and the Lynx beat Stratford 55 to 52 in the over-time period. Pete Samerville put the game on ice for the Lynx by making it a 2 point lead in the final score.

Lynx Put On Big Show At Stratford Tues.

We dropped in yesterday to see our young business men, Carl Knight and Howard Barkley. These young men have taken over the cine Gift shop, and already on the job. They expect later in branch out into radio and television. We hope that these fine young men will make a good success.

Mr. Ed Sanders, the affable young man who meets you with a smile in Cutters food market has been very ill at his home this week.

We were glad to see Mr. and Mrs. Medie Wallin and their family the other day. Mrs. Wallin is the former Viola May Davis. They were visiting her parents, Mr. and Mrs. Sylvus Davis.

Mr. and Mrs. Ralph Woodgett visited in Dallas over the weekend and attended the game in the Cotton Bowl.

We were glad to see Mr. and Mrs. Ralph Woodgett visited in Dallas over the weekend and attended the game in the Cotton Bowl. They were visiting her parents, Mr. and Mrs. Sylvus Davis.

New Supt. For Morse School

James J. Highsmith has accepted the new position as School Supt. at Morse. Mr. Highsmith has been Principal at Fritch. He will take over Morse school duties Jan. 19, filling the place of R. H. McAdams who passed away suddenly early in December.

Floyd Dry In Orleans France

Mr. and Mrs. Otis Dry of Spearman received word that their son Floyd is stationed in Orleans, France. Floyd states that he is about one hour drive from Paris. Floyd states that all the girls in Paris look at him and smile. Floyd also states that if Hansford county could get some of the rains that the people in France get, he wouldn't have to worry about a drought.

Daniel Files Rites Held January 5th

Friends and relatives of the late Daniel Files were present Monday morning January 5th for memorial services honoring the long and consistent Christian life of the deceased. Mr. Files died at his home January 3 after a long illness. He was 81 years of age at the time of his death. Memorial services opened with a song and the opening prayer by Rev. Clint Evans. The obituary was read followed by a song and then the message of comfort to the friends and family was given by Brother Herbert Ladd. Scripture references were read by Pastor of the Union church Rev. C. R. Dale. The choir sang "Rock of Ages," "I'll Meet You in the Morning," "Have Thine Own Way" and "Healing Waters."

OBITUARY

Daniel Files was born at Ennis Texas April 1, 1871, and married Mrs. Minnie S. Weir July 11, 1890. To this union 7 children were born, all of whom are living. Dan Files departed this life at 3:20 p. m. January 3 at the age of 81 years, 9 months and 2 days. He leaves to mourn his passing his widow Mrs. Minnie Files; one son, Elza Files of Tulsa, Oklahoma; six daughters: Dillie Dixon of Big Springs, Texas; Stanley Harrelson and Mrs. Ralph Fullbright of Spearman; Mrs. Glen Herr of Eadswood, California; Mrs. Tommy Jeffreys of Byson, Texas; and Mrs. Allen Reed of La Mesa, California.

Survivors include:

Survivors include: 1 living brother, Abner Files, Duncan, Oklahoma; two living sisters, Lon Dunlap of Elk City, Oklahoma and Ora Montgomery of Littlefield, Texas. Twenty six grand children, 50 great grand children and 4 great grand children and a host of friends survive the deceased.

Bro. Files was converted at the age of 27 and became a member of the Nazarene church. Four years later he was sanctified after fasting 21 days. He lived a constant consecrated christian life all these 48 years.
