Spearman, County Seat of Hansford County Texas, Thursday, January 20, 1933

DON'T NAME IT

By HONEST BILL

Hawk, president of the Chamber of Commerce, Spearman this morning addressed a mass meeting of the business men of Spearman at the high school auditorium.

Hawk has a state-wide reputation for efficiency in matters relating to business administration and he has made a thorough study of economic conditions in this state, and of units of the state government. His address will be worth hearing, and every citizen of this county could well attend this Saturday meeting.

Hawk is an ardent Hansford County man. He has given the people of Hansford County in a state of mind to need no more sound advice, than that at this time. Through-out his address he is demanding changes—they are grasping and every plan that he has that might give relief to the tax payers.

of the largest property in Hansford County are the Hansford County. By virtue of their actions they display native judgment. Such men as Peter radical and RED would tend to tear progressive structures built up in the county. It is such as these that are asking counsel from Mr. Hawk.

This way explained the fact that I was in town Saturday and some of the fancy at Lee McClellan's party. They'll lay out a sack and just now taken and fed it a good and it turned out to be

TAX LEAGUE STUDY TRUCK REGISTRATION

INFORMATION FROM HIGHWAY DEPARTMENT IS CONFUSING

Three new members were added to the fast growing roll of the Tax League at the Saturday afternoon meeting of the organization held at the County Court rooms last Saturday afternoon.

Most of the time of the Tax League was devoted to a study of Highway ruling on the registration of farm trucks. Sheriff and Tax Collector Wilbanks presented a letter from the Highway department, which after being read held many interpretations. The letter is printed as a separate article in public on and the individual can form his own interpretation of the information in the letter. President McNabb read the original law as passed by the legislature in 1930, which was the cause for the suit in the San Antonio appellate court, on which the court ruled certain farm machinery was exempt from registration. Discussion by members of the league only resulted in confusion, and largely, it could be interpreted that the question was to be left to the individual. Sheriff Wilbanks stated that he had written the attorney general for a ruling and that he would wire Monday morning of this week if a reply had not been received.

CAR AND TRUCK REGISTRATION LESS THAN 175

One Hundred Forty Three Cars And Ten Trucks Registered In County

Sheriff and Tax Collector Hicks Wilbanks is again making a plea to Hansford county citizens to register their cars and trucks before the last day available to register. Only 143 cars and 10 trucks had been registered up to Tuesday noon.

Every penny of the money paid in for registration of cars and trucks in Hansford county is used in the county to build and maintain county roads. The present Hansford county budget was made up with estimates as to the amount that would be forthcoming this year. Certainly if the registration falls off fifty percent the money will not be available to carry out the present plans of the commissioners court in the future.

Spearman Eagles Won Second Place In Higgins Tourney

The Eagles, Spearman's Independent cage team, entered the Higgins annual independent tournament last Friday and Saturday and came home with second place money. The various members and managers of the team reported that they were treated royally by the managers of the tournament, in hospitable Higgins homes and by the citizenship of that city in general. They wish to extend their thanks in sincere appreciation of every courtesy extended.

The first game was at 1 p. m. Saturday, with the Higgins All-Stars. They were defeated by a score of 36 to 17. Fuller, Clyde Windom and Bob Cator tied for high points with 8 each.

Follett 20; Spearman 44

The next game proved an easy victory for Spearman, all substitutes being used. Slim Windom was high point man playing only a little more than half the game, gathering a total of 12 points.

This game was played at 4 p. m. and brought the Spearman team to a trangle with Higgins boosters and Phillips 66 for the finals. In tossing the coins to see who would draw a bye Spearman was the lucky team.

The final game was called at 9 o'clock, between Phillips 66 and Spearman. It was a fast game as far as floor work was concerned. Spearman received practically every tip-off and consistently carried the ball under the basket, only to miss their shots. Riley failed to tally, fuller scored only two points. Slim Windom scored 4 and Tip Windom gathered a total of 10, with Cator and Cone contributing the other 6 points for a total of 22.

On the other hand, Phillips 66 was exceedingly fortunate in hitting the basket, looping 12 field goals from the center of the court. Tip Windom was high point man of this game with 11 tallies to his credit.

Lee Black of Wheeler, Texas, was a Spearman visitor Monday. Jake Miller of Morse was attending to business matters in Spearman Monday.

Mr. and Mrs. J. B. Cooke and son Donald attended the show in Perryton Sunday afternoon, seeing "Strange in erlude."

PIONEER LADY DIED AT GRUVER

At the death of Mrs. J. H. Harris of Gruver early Sunday morning, the Almighty called into his fold the soul of a tireless and sincere worker for the better things of life and a loved pioneer of the type that is rapidly passing on.

Mrs. Harris was born in Tennessee, September 16, 1852 and moved to the Panhandle of Texas forty years ago. She died at her home in Gruver at the age of eighty where she and her husband have lived since moving to town from their farm near Gruver a few years ago.

Mrs. Harris was very active in church work and was to a great degree responsible for the fine Baptist church in Gruver.

Funeral services were conducted at the church in Gruver Monday afternoon by Rev. W. H. Forbes, Baptist pastor, assisted by Rev. McKicken, Methodist pastor, both of Gruver. Burial followed in the Gruver cemetery.

She leaves to mourn her passing four boys, W. L. J. L. Bob and Ben Harris, all of Gruver; three daughters, Mrs. Went Long of Graham, Mrs. M. F. Barkley, Gruver, and Mrs. Boyston of Vega.

The family is well known and highly respected by practically every citizen in Hansford county, having resided for many years on a farm 3 miles south and 3 miles east of Spearman, moving to the Grand Plains community before the city of Spearman was founded.

"Vanities" Viewed By Spearman Folk

Several from Spearman motored to Amarillo Saturday to see the Broadway attraction, Earl Carroll Vanities which showed at the City Auditorium in afternoon and evening performances.

Fifty seven scenes were included on the program displaying the splendor of the settings, the beauty of the girls, with Broadway's finest artists performing in dramatic skits, dances and musical numbers.

Those attending the 9th Edition of Earl Carroll Vanities from Spearman were: Miss Reba Barkley, Mary McMurry, Erma Crittenden, Mr. and Mrs. Ike Klutts, Clayton Puffer, Bill Burran, Max Lackey, Dawson Richards, Mr. and Mrs. Frank Wendt and Arnold Wilbanks.

Duberts Open Pig Hip Cafe

Mr. and Mrs. W. W. Dubert, veteran cafe operators have opened up the Pig Hip Cafe in the building formerly occupied by the Old Coffee Kitchen. They come to Spearman from Elkhart Kansas, where they have been in the cafe business for several years.

They plan to feature good home cooked meals at reduced prices, and will keep a supply of home made candy to sell.

Mrs. Robert Wilbanks Reopens Beauty Parlor

Mrs. Robert Wilbanks has announced in an ad in this issue the reopening of her beauty parlor at her home in South Spearman, with reduced prices offered for the balance of January.

Mrs. Wilbanks is a graduate of one of the foremost beauty colleges in the Southwest, the Lam Te School of Beauty Culture at Oklahoma City. Since her graduation seven years ago, aside from operating a beauty parlor in her home, she has worked in Pampa, Hollis, Oklahoma, and Wichita Falls.

PLAN BIG PARTY AT LEGION HALL

Every member of the family is cordially invited to a party being held at the Legion Hall tonight, Thursday, the two missionary societies of the Methodist church have arranged the party, and they promise some real wholesome amusement for the entire family. Refreshments will be served. A small charge of 15c admission will be made.

PAY TAXES NOW!

In this issue of the paper an appeal is being made by the city, county and school officials for the payment of taxes. It is very essential that taxes should be paid if the various units of our local government is to function. Especially is it essential to pay school taxes at this time. Schools all over the state of Alabama have closed their doors for lack of funds to keep them open. Here in this state we can only keep up the high standard of education by sacrifice.

School teachers are teaching at low salaries, and are accepting warrants for the major portion of their salaries. Cannot we citizens make a bit of sacrifice for our schools?

Miss Charlotte Chester returned to Spearman Sunday after a week's visit with her father in Amarillo.

Happy McMurry of Borger attended the "Vanities" at Amarillo Saturday evening.

Paul Wright and Carl Tackitt left Monday morning of this week for a visit in Colorado.

Walter Jackson of Amarillo visited in Spearman Saturday of last week.

Beautiful Green Electric Clock Given With One Year's Subscription To Reporter

The Spearman Reporter has a limited number of beautiful green electric clocks, which will be given free with one year's subscription to the Reporter, plus a small handling charge of 25 cents.

The Reporter bought these clocks at greatly reduced rate because a newspaper on the Pacific coast had a surplus after changing circulation methods.

These clocks come with any electric cord and are packed for shipping purposes if any one should desire to send one away. They are made especially for a kitchen clock, but would be appropriate in any room in a home.

The subscription price is \$1.00 a year in advance. The clock is yours for the year.

WILBUR C. HAWK WILL SPEAK AT TAX MEETING SAT.

Members of the Hansford County Tax League are making preparations to handle a capacity crowd, when Wilbur C. Hawk, president of West Texas Chamber of Commerce, speaks to a mass meeting of citizens at the high school auditorium this Saturday afternoon at 3 p. m.

Several committees are working over the county spreading the information of the coming visit of this truly talented speaker to Spearman. In Spearman every merchant on Main street of the city signed a statement that they would attend the Saturday meeting. It was first planned to close the business houses, but due to the fact that the address comes on Saturday, the committee headed by President McNabb and R. V. Converse and F. B. Buzzard decided that business houses would not be asked to close, but the owners and managers would be asked to attend.

Ladies of the county are asked to attend the same as men, since the address will be as essential to the ladies as it will to the men.

Mr. Hawk has a number of friends in Spearman, and has visited this county on several occasions, and his advice and counsel will be welcomed by the entire citizenship.

Tax Collector Gets Letter From The Highway Patrol

To All County Tax Collectors: We have recently received a great many inquiries from Tax Collectors in various parts of the State as to whether or not farmers should be required to register their motor vehicles for the current year.

This condition seems to have arisen from a decision handed down by the Court of Civil Appeals of the 4th Supreme Judicial District of Texas at San Antonio, Texas, on November 30, 1932, in which the Honorable Court affirmed the judgment of the trial court of Hidalgo County, Texas, in which a case was filed against J. E. Engleman for allowing unregistered motor vehicles to be operated over the highways of this State.

The Honorable Court was of the opinion that in view of the fact that these motor vehicles were transporting water for irrigation purposes that they should not be required to pay a registration fee.

Hon. Judge Lattimore, Judge of the Court of Criminal Appeals, delivered a decision on December 23, 1931, in a case styled Cecil Reeves appellant, No. 14924 of State of Texas, appellee, appealed from Wichita County. The appellant was convicted in the County Court of Wichita County for operating upon the public highways of this State a motor vehicle with trailer attached of a greater length than forty-five feet in violation of the terms of Chapter 282, Acts of the Regular Session of the 42nd Legislature. Said truck and trailer were loaded with baled hay, cotton and feed stuff.

Appellant defended on the proposition that he was exempt from prosecution under the term of subdivision A of Section 3, the applicable part of which is as follows: "Except further that the limitations as to size of vehicles stated in this Section shall not apply to implements of husbandry, including machinery used solely for the purpose of drilling water wells and highway building and maintenance machinery temporarily propelled or moved upon the public highways."

A jury was waived and a trial had by the Judge of the lower court who held appellant guilty upon the theory that a truck with trailer attached, the combined length which was fifty feet and which was engaged in hauling a load upon a public highway, was not an implement of husbandry. The Honorable Court states that "we do not believe the Legislature would have intentionally injected discriminatory element in a Statute by legislating in favor of one form of business or occupation and against another, nor do we think they intended to say that a man who operated a farm or ranch in one part of the State of Texas might put in operation on the highways of this State one truck or a fleet of trucks of forbidden sizes or length conveying farm products to another farm or ranch twenty miles away or for that matter two hundred miles distance along such highway. It could be well said that if a farmer could haul in a sixty foot truck along a public highway a load of any weight he pleased to be fed to his cattle on a ranch two hundred miles distant it would appear odd that an oil company or a coal company, etc. might not haul its output on the same size truck on a highway to its refinery or coal yard, etc."

Mr. and Mrs. Bob Clogston Elkhart, Kansas, formerly Spearman residents, saw the Reporter in Amarillo Saturday.

Jack Wilbanks of Amarillo visited friends and relatives Spearman over the week-end.

The judgment will be affirmed. In view of the opinion rendered by the court of Criminal Appeals and also in view of the fact that the case decided on by the 4th Court of Civil Appeals has been appealed to the State Supreme Court and is now pending before that body, we believe that trucks which are the property of farmers are registered ways of this state in the highway.

Big Basketball Contests Of This Season Friday

and Lynxettes play at the high school auditorium

Basketball fans of the county will have the opportunity of seeing the premier games of the season here Friday night when the undefeated Borger Bulldogs play the Lynx, and the girls team from Borger contests the Lynxettes.

Spearman Lynx have suffered only one defeat this season, and that the first game, played with Perryton, a non-conference game. In the conference games Spearman has defeated Gruver and Morse, as have the Borger Bulldogs. However, the scores were more emphatic, Borger beating Morse 109 to 9. It is understood that Morse regular team was not playing because a number of its players were out of the state.

The Lynx and Lynxettes will play Gruver at Gruver Saturday night.

TO EXCEL

SENIOR REPORT

Say, listen, Gruver has made coffee in that county cup long enough and our boys realized it last Saturday night. We have to beat them just once more this year to bring the old cup home. Are we going to do it? You bet we are. The basketball girls are in the league this year, and we have already added the district championship cup for girls in our cabinet, as far as dreaming is concerned. But we are going to make this dream materialize, are we?

Where did some of the Seniors play night? They left Spearman as if they were afraid it would catch them. Oh, we saw Ask Lean Lyon. Everyone heard the saying that "Life is a play from the start." Well, some of the Seniors seem to know their parts well, and strange to say, they like their parts.

Joke of the Month
Miss Maize: "Buster, how many days does each month have?"
Buster: "Thirty days has September, All the rest I can't remember. There's a calendar on the wall; Why bother me with this at all?"

JUNIOR NEWS

The Juniors have decided to increase their numbers. We are glad to have Dorothy Collins of Ft. Worth as one of our classmates. Bob says that we are very, very glad.

We Juniors are very proud of the way in which the Lynx defeated the Gruver Greyhounds Saturday, but we knew that this would happen. We are still behind you Lynx, and want you to beat Borger Friday night.

The English III class seems to be a very attractive place, even if we are studying "the Tempest"

(and what a play). Not only all of them (boys, of course) continue to find business on the stairs so that they may have a glimpse of the little blonde, but also a certain young gentleman from Perryton decides that he can sleep better in Spearman High than in Perryton High.

SOPHOMORE REPORT

Well, we sophomores surely are glad that we can say something once more. While we were taking our exams, we could not find a spare moment to talk. Now that they are over, all we can do is to strive to make this next semester a better one than the last and try to wait patiently for our grades.

Just one word now about the ball game that was played Monday night. We are more than glad that the Lynxettes won, and we hope that victory awaits the teams, both boys and girls, Friday night, January 27, when they play the Borger teams.

FRESHMAN NEWS

The Freshmen have had a report from most of their grades. Since some of them did not do quite so well as they expected to do, they are all striving to make better grades next term.

They are very glad that the boys came out victorious Saturday night with Gruver, and they are wishing them the same good luck Friday night, January 27, in the game with Borger.

Miss Lawrence: "You dirty boy. Why don't you wash your face? I can see what you had for breakfast this morning."

Bob: "What was it?"
Miss Lawrence: "Eggs."
Bob: "Wrong, that was yesterday."

GRAMMAR REPORT

The 7 A enjoyed having Bro. Richards with them in chapel and they hope he will soon be back. They are getting ready to have a debate in history. They are going to debate on slavery.

The 7B enjoyed the talk that Bro. Richards gave in chapel Monday morning. The 7B girls beat the 6th grade girls in baseball. The score was 12-7.

The sixth grade have very good averages for the first semester. The pupils who have an A average are: Dixie Ruth Buckner, Hazel Jenkins, and Ruby Ruth Kelly. For the highest average the first half Dixie Ruth Buckner and Hazel Jenkins, Elsie Ruth Porter was second. The sixth grade also have several pupils who have a perfect attendance record for the first half.

The 4 A are glad to say that most of the pupils passed in their mid-term exams. The ones who made straight A cards are: Janelle Womble, Patricia Snider, Ledru Jacobs, Eugene Buckner, Juanita Sanders, Verna Gail Allen, Donna Day and Betty Jean Morton.

CHARACTERISTICS OF THE FIRST TWELVE

Lucille Womble, the most loyal of captains, likes to remind us that she has a husband and is therefore smarter than the rest of us.

Joyce Wilbanks, a neat little run center, seems to think that she has a lease on the showers and the mirror.

Mildred Neilson is everybody's pal and comrade with a cheerful outlook on life.

Ella Breeze, a competent guard, looks longingly toward Stinnett

every week-end and hates to have a game on Saturday night.

Alvino Caldwell, the cupid of the team, is a jolly, well-liked girl when she gets her way.

Georgia Shives has a weakness for losing her shoes and arguing.

Bernice Vernon is the best looking girl among us even if it does "gripe" her to be fouled out of some of the games.

Jean Lyon comes out of her inertness when a certain boy is watching her play. (He is from Perryton.)

Vera Beth McClellan talks all the time except when she is asleep and we'll bet she snores then.

Gertrude Barkley, the belle of ball (game) likes to talk of her aches and pains.

Vivian Close, the newest of the twelve, is happy now. We all see reasons for it too. Jack is in town.

Evelyn Mathews, a coming guard, competes with all of us in good looks. And many of us would not be here today if a look could kill, for Evelyn certainly can look.

Billie Jenkins, the sister of Phil, seems to be in competition with Edna for the honor of the largest girl on the team.

Helen McLeod, the beloved and adored youngest of our team, is a "neat" jump center when she gets mad.

Edna Buchanan is the most reserved and lady-like girl with us. She is good natured and she never talks.

"Lift up thy hand," the paralytic student last week, a compelling summons to faith, a command to do the apparently impossible. And the man obeyed! "And his hand was restored." How To Use Sunday

"Sunday must be observed as a rest day. In our Sunday observance we must consider as much as possible the claims of others."

More Fun and Less Work At Happy Kitchen School Here

Methodist Church

Sunday school at 11 a. m. and preaching at 11:15. League at 6:30 and preaching at 7:15. Mid-Week prayer meeting Wednesday night, 7:30. Both Missionary societies meet Wednesday afternoon at 2:30. Last Sunday was another good day. At the evening hour the young people had charge of the services. They dramatized the beautiful Bible story of Mary and Martha and Lazarus. It was very touching and inspiring service. They will perhaps give one of these Bible stories each month at the evening service. We are very proud of the good work that the young people are doing and their loyalty to the League.

We urge all members and friends to attend all the services. In this way we can help every program under way. Let each one feel his responsibility in the work of the church. In this way no one will have a harder more than his part, but all will have a part and will profit thereby.

Mr. and Mrs. Buford D. Allen the proud parents of Joseph who was born February 19 at their home near the Methodist church. Mr. Allen is a teacher.

The Cat's Eye has been placed since the last issue. Friday morning I hustled and hustled around getting what clothes I have ready for a few days trip, into the interior of Oklahoma. After getting them arranged, most of them being on my person, I scurried down to Bill Burrans' home and borrowed his handbag, which looked like Sherman had carried cartridges in it, for the Battle of Bull Run. Pardon me Bill.

After arriving in Hollis, Oklahoma I was very lucky to have some friends living there to visit, who had just plenty of country cured ham, sweet taters and other innumerable to eat.

I left Friday after lunch for Elk City where I visited some other friends who had plenty of good things to eat. I am telling you that those Oklahoma cotton raisers don't fail to have plenty to eat. Only gained three pounds on the trip.

Three different people in Oklahoma told me about having their fortunes told and seemed to be wanting to have it told again. This fortunate telling business, in my mind, is just a bit of baloney, but you have to hand it to the fortune tellers for they sure know how to make you want your fortune told again. As a rule they are always careful to tell and forecast the better things of life and when they do tell something bad, they say something on the side that eases one's mind.

Many unhappy people go to psychoanalysts to find out what is wrong with them. Such people can't get along with others, or they are unsuccessful in their work they are doing. They tell their troubles to the psychoanalyst and he makes recommendations.

I don't know much about the subject, but I have a theory that millions of successful people are their own psychoanalyst. These people have the courage to face the facts themselves. They are self-critical.

The man who can't criticize himself is unlucky. No one else can go adequately do the job. Not even his wife or the psychoanalyst. Folks, there will be several basketball teams in town Friday and Saturday attending the tournament and the Spearman Eagles must find beds for them. If you have an extra bed that could be used by the players on these two nights you are requested to phone Clyde Hazelwood. They are not asking that you feed the players, but just for the beds.

The Spearman Dramatic Club will begin rehearsals on their new play "The Solid South" next Monday night. Something else happened while I was away on my trip to Oklahoma. Bill Miller tells me the Jimmie Jackson the man who has challenged me for a game of golf phoned the office Friday and was plenty sore about what I said in the paper about him being the worst golf player in the world. That makes me feel pretty good, for it says in the good-book somewhere that "Those that he would destroy, he first makes angry". Now if I can depend on Jimmie being plenty angry, I have it figured out that my chances for a victory are doubled. However, you can't depend upon Bill Miller's memory to a great extent, Jimmie might have been in the best of spirits and Bill's memory got it reversed.

BID-A-BIT CLUB ENTERTAINED FRIDAY

The Bid-a-Bit Club was delightfully entertained last Friday afternoon by Mrs. Wm. J. Whitson, at her home South of Spearman. Three tables were arranged for bridge, with the George Washington motif cleverly carried out in the appointments. After the games high score prize was awarded to Mrs. L. B. Campbell. Delicious refreshments also furthering the motif were served. Mrs. Jimmie Jackson was guest of the club for the afternoon. Members present were: Mesdames L. B. Campbell, C. D. Foote, D. W. Holland, W. L. Russell, O. G. Collins, Jos. C. Jones, W. W. Merritt, Tom Johnson, J. D. Hester, R. E. Lee and the hostess, Mrs. Wm. J. Whitson.

Mr. and Mrs. Carroll Cone are rejoicing over the arrival of Barbara Dean, an 8 pound girl, born February 17.

MRS. W. W. MERRITT ENTERTAINS WITH LOVELY PARTY

Mrs. W. W. Merritt was hostess Wednesday evening at her home when she entertained with a lovely party. Bridge was the diversion for the evening, seven tables of friends enjoying ten rounds. High score award was given to Mrs. Dave Hester for the ladies and low went to Roy Prewitt of Perryton won high score award for the men, and Bill Miller low. A delicious salad course was served: Messers and Mesdames, E. Lee, Tom Johnson, Bill Miller, Roy Prewitt, Dwight Holland, Max Lackey, Bill Whitson, Bill McClellan, Lloyd Campbell, Dave Hester, Frank Wendt, Jimmie Jackson, Mrs. Bill Russell, Clayton Peffer and Miss Reba Barkley.

Quite a bit of fun was had at the expense of two of the popular players. In the past these two players have made it a habit to call for "Ham and Eggs" and hot biscuits, just after the score for the evening is added up. At the Merritt home William Merritt prepared two eggs up, a large helping of ham, and mixed and baked a contingent of light crust biscuits, served Tom and Eck on tin plates with a half of an onion thrown in for good measure. Mr. Merritt thought this was a good joke until several of his guests, after sampling his culinary efforts, insisted that he play the same kind of joke on them.

And when a woman likes her new hat it isn't long until she sticks her head out of doors. As a general thing, the party in power is the party in doubt.

Fifty and Fit

A MAN is as old—or as young—as his organs. At fifty, you can be in your prime. Why go along with "fairly good health" when you might be enjoying vigor you haven't felt for years? There's a simple little thing anyone can do to keep the vital organs stimulated, and feel fit all the time. People don't realize how sluggish they've grown until they've tried it. The stimulant that will stir your system to new life is Dr. Caldwell's syrup pepsin. It will make a most amazing difference in many ways. This famous doctor's prescription is a delicious syrup made with fresh herbs, active senna, and pure pepsin. It starts its good work with the first spoonful. That's all you need to drive away the dullness and headache of a bilious spell, and rid the system of that slow poison that saps your strength. It's better than a tonic for tired bowels, and unlike habit-forming laxatives you can take it freely or give it to any child. And it isn't expensive. Get some syrup pepsin today, and take a little tonight. Don't wait until you're sick to give your system this wonderful help. You can avoid those spells of biliousness or constipation. A spoonful every now and then is better than constant worry about the condition of your bowels, or fear of auto-intoxication as you grow older. Dr. Caldwell's syrup pepsin protects the system. All druggists keep this concoction.

"The Happy Kitchen!"

That's just what the Spearman Reporter will show hundreds of housewives in Spearman on March 7, 8, 9, and 10. The modern kitchen is not one of drudgery—never! There's life, varied color and the spice of tangy foods steaming in pots and pans. "Where there used to be just a succession of a work-a-day cares, there's now romance and the adventure of discovery—or there should be," declared Mrs. Leona Rusk Ihrig, famed for her knowledge of cookery and her exposition of the ever-changing styles in foods.

Mrs. Ihrig comes here to conduct the biggest and greatest cooking school the Reporter has yet sponsored. And remember—it's all absolutely free and there's not a thing to be sold. This newspaper considers itself fortunate in securing Mrs. Ihrig for this great women's event.

Everywhere the noted home economist has presented her cooking school demonstrations she declares she found an over-increasing interest in the problems of cookery and in the constant delving for "what's new in the kitchen." "As for women losing interest in their homes—bosh!" Mrs. Ihrig writes. And just to fill that demand for ideas new and different the Reporter is bringing you the "Happy Kitchen."

Epicureans for ages back—ever since Friend Husband stopped tearing his dinner from the bones of a Pleistocene boar and eating it raw—have hailed the mistress of the kitchen and the happiness of a fine-cooked and fine-served dinner can bring.

COUNCIL MEMBERS GIVE SHOWER MONDAY

Mrs. A. N. Meadows was pleasantly surprised Monday afternoon at 3 p. m. when fifteen members of the Ladies Council of the First Christian Church met at her home and brought gift handkerchiefs. The shower was in appreciation of her sincere friendship and untiring work in the church, in furthering the divine program.

In the four and one-half years that Mr. and Mrs. Meadows have been proprietors of the Baker hotel, they have made a host of friends and acquaintances that will regret their leaving this week for their future home at Dolores, Colorado.

Rev. and Mrs. J. H. Richards were luncheon guests of Mrs. D. W. Hazelwood Thursday.
