

Barbara McClellan (left), wife of Judge R. L. McClellan and Linda Venneman, wife of Commissioner Joe T. Venneman, ooth of Spearman, were among those accompanying husbands at the 21st Annual County Judges and Commissioners Conference. Sponsored by the Texas Agricultural Extension Service and the County Judges and Commissioners Association of Texas, the conference theme was improving county government. Keynote speakers were Texas Governor Bill Clements, Reagan Brown, Texas Commissioner of Agriculture, and Mark White, Texas Attorney General--along with Judge W. E. Davis, Texas Court of Criminal Appeals. Conference topics included local government, federal highway funding, taxation, law enforcement and jail standards. More than 650 persons attended the statewide confernce in College Station.

A wives luncheon during the conference featured presentations on coronary-pulmonary resucitation training and weight ontrol. Home Economics specialists with the Texas Agricultural Extension Service made the presentations and hostessed

A fire at 428 South Townsend Friday, sent Mrs. Hutchison scurrying from her home. Fireman Ron Burke is shown above as he prepares for action at the residence. A skillett of grease was the culprit and little damage done.

Policy manual

Spearman School Board members are currently studying voluminous newly proposed Policy manual.

The proposed document has been in the preparation stages for some months and has been completed. It was distributed to each member of the Spearman

School Board Monday night with instructions for them to study it carefully and then to take action possible at a later board meeting.

Board members were asked

to give particular attention to a section pertaining to Policy affecting married students.

John Deere entertained local farmers with a breakfast at Martins Steak Garden this week. The John Deere film was one of the finest ever presented to farmers in the area.

AAM raffle

"Bein' Neighborly," by Tulia artist Kenneth Wyatt, will be given away by members of the American Agriculture Movement in Gruver at a drawing at 3 p.m. Thursday. Members of the AAM commissioned the painting, valued at \$1,100. It depicts a farmer and a rancher meeting over the

1910 4 (Table 1918) Land Section

fence. Donations of \$5 each will be used to help defray costs of the tractorcade to Washington. Tickets for the drawing have been bought by persons from as far away as California and Illinois. (Staff photo by Jerry

296,000 Acre Feet Palo

"We're Ten Years ahead of time" according to Palo Duro Dam Authority Manager Johnny Lee, quoting State water

Lee, appearing Tuesday be-fore the Spearman Lion's Club said that the Palo River Dam project was in the 1979 Presicurrent Budget for continued planning of the Dam prospects for this area.

Noting tht \$700,000.00 already had been spent on the potential Economy saving pro-ject, Lee said that the paper work that has already been accomplished on the Canadian River Basin study was voluminous. He added "It occupies a space 3 feet high, 4 feet wide and 16 feet long!

The local Manager and Former Hansford County Judge said that the State Water officials were urging the building of a 296,000 acre feet dam, as opposed to the earlier proposal involving a 60,900 acre feet

The U.S. Corps of Engineers apparently concurs with the larger concept proposal accord-

ing to Mr. Lee.
He told the Lions "we can actually close the gates of th dam by 1996! The proposed Dam would cost \$26,000,000.00 and would be financed through customer usage. Lee said that there were already more customers than the water that would be available.

Lee noted that the Fish and Wildlife Service had caused some recent concern, suggesting that the project, if completed, would cause harm to "endangered species". Those ele-ments that would be endangered according to the Commission were The Black Footed Feret, The Falcon and The Bald Eagle. Lee added that very few, if any, had ever seen the so called "endangered species" in this area.

Lee emphasised again that the Ogallala Aquifier..the major source of municipal and irrigation water in the High Plains is fast being depleted. This source, he added could be exhausted completely within 40 eyars.

The proposed reservoir would encompass a 19 mile shore area and would not only provide urgent water needs but would enhance recreation in the area.

The Spearman Lynxettes will travel to Follett February 16th for a 7 p.m. game, against the

Duro Dam By 1996?

dential Budget. Lee noted that there was \$170,000.00 in the current Budget for continued To Assist In Senior Citizen's Lunch Current Budget for continued

The Spearman Independent School District has been asked to consider assisting in a possible daily lunch program for Spearman's Senior Citizens.

A delegation of representatives from the Senior Citizen's Board asked the School Board Monday night to consider the preparation of food in sufficient quantity to enable the Senior Citizen's Board members to enter into such a daily feeding

Coleen Brummett, spokesperson for the three person delegation, said that a representative of the Governor's Office of the Aging had visited Spearman recently and had proposed the feeding program.

program.

Under the program, the Sen-ior High School cafeteria would prepare the necessary quantity of food daily when school was in session, and the food would then be taken by the Senior Citizen's people to the Center for distribution to the Senior Citizens of Spearman at the Center. Mrs. Brummett explained that other communities were already involved in the program and the idea was to "get people involved and out-side of their homes."

The Senior Citizens Board is contemplating applying for a grant to cover the cost of the program. The Senior Citizens Board would pay the school for the food used, and would ask a donation from those who were fed. They cannot under law charge for the meals.

The delegation, consisting of Orville Brummett, Colleen Brummett and the Rev. Mr. Ed Freeman stated that the program as suggested hinged directly on whether the Center could secure the services of a professional Director. They estimated that as many as thirty

meals would be prepared daily.
The School Board indicated it would probably approve the suggestion and took it under ideration for action at a later meeting.

Present Staff Recommendations school enrollment had increased The Spearman Independent by 8 since Christmas, and Board

School District Board went into Executive Session for approximately ninety minutes Monday evening to hear and study the recommendations from the District's Principals and those of the Athletic Director for staff positions in the 1979-80 School The School Board will take

appropriate action on those recommendations at its March

School Superintendent James Cunningham reported that

Members heard a report from Tax Assessor Collector Orville Latham that 98.6 % of what had been budgeted had now been collected in Taxes.

J. L. Brock was selected as an Election Judge for the April 7th election. The terms of Board member Kent Guthrie and Jim Evans expire.

The School Board discussed briefly a report from High School Principal Eddie Clem-mons concerning graduation re-

quirements at the local educational facility. Clemmons noted that basic requirements were for the student to have completed successfully 55 Quarter Units of study for graduation. The Board noted that the average for this years graduating class was approximately 70 units. The Board was advised that students in Grades 9, 10 and 11 were required to take a minimum of 6 Units per quarter while students in Grade 12 were required to take a minimum of 5 units per quarter.

nt director needed

Golden Spread Senior Citizen's Center in Spearman are actively searching for a permanent Di-

Orville Brummett, President of the Board told the Reporter and Statesman today that applications are now being received by him at his place of Business, Spearman Rexall Drugs, Main Street, Spearman.

He noted that the Director should be a person with a genuine interest in Senior Citizen's Activities, a good organizer, a person of integrity, and a person who can work with people effectively.

The Director would be re-

sponsible for the planning and coordinating activities with the approval of the Board of Directors. The person selected will also attend all functions of the Center occuring in the building. He or she will also supervise those responsible for the maintenance of the building.

The Director will meet with the various Senior Citizens groups at the times scheduled Monday through Friday. This may include some evening participation, noted the Board - President.

The Director would also be responsible for the scheduling of trips by the Center's Van, and would also secure necessary drivers for those activities.

Another area of responsibility will be to remind Hosts and Hostesses of their respective responsibilities, keeping the bathroom facilities supplied and meeting regularly with the Board of Directors.

New Chief Deputy Named

Hansford County Commissioners appointed a New Chief Deputy Sheriff for Hansford County in their regular meeting Monday. He is Billy "Jeff" Hawkins, a member of the Hansford County Sheriff's office for the past several months. He replaces John Mull who has resigned. The Commissioners

also approved the depotisation of Tim Fisher as a new Deputy.

The commissioners also approved a resolution to advertise for bids for two new autos for the Sheriff's department. Two used autos will serve as Trade

Payment of Premiums to The

Brock Insurance Agency for Liability Insurance was also

approved.
The Commissioners Monday took time out to review the County Extension Program and heard a report from Peggy Winegarner, County Extension

Agent for Home Economics. The Group also approved officially the First State Bank of Spearman and the Gruver State Bank as Official Monetary depositaries for the County.

"Little minds are wounde by the smallest things.

Extension Clubs

The Spearman Home Extension Club met Friday, Feb. 9 in the home of Mrs. W. H. Tarbor. The meeting was called to order with the T.H.D.A. prayer. The president, Mrs. B. J. Garnett, read the council recommendations for 1979 and the members approved them.

The program was given by Julie Farr, a 4-H member, on 4-H and her experiences and projects in 4-H. .Included in Julie's program was a display of her note book she has kept throughout her membership in 4-H, which included some very interesting items.

Refreshments were served by hostess Mrs. Tarbox to Mmes. B. J. Garnett, Ethel Cookston, Viola Hutton and Mrs. A. D.

The next meeting will be Friday, Feb. 23, with the time changed to 2:00 p.m., in the ome of Mrs. W. V. Hull.

History Book Committee

The Hansford County Historical Survey Committee, Inc. met in regular session Friday, Feb. 9 at 1:30 in the Hansford County Library. The meeting was brought to order by president Fred Groves and the minutes read by Jaunita Pierce and approved. Clementine Renner

was accepted. A report was given by Fred Groves on the History Book with several questions answered.

gave the Treasury Report which

Mr. and Mrs. Irvin Boyd donated the money for memorial cards and stationary for the

The History Book Committee hopes to have all out of town addresses in time to have letters mailed out to each person by March 1st. If you have names and addresses of out of town people who are to receive a letter concerning the History Book, please bring them to the Museum.

The Commission hopes to compile a list of persons buried in all of the county cemeteries to be put in the library for Geneology research. The next meeting will be a

History Book meeting at the

Library at 2:00 P.M. Feb. 23. Those attending the meeting were Clementine Renner, Helen Boyd, Joyce Johnson, June Stedje, Georgia Holt, Grace Lyon, Roy McClellan, Johnny Lee, S. J. Hall, Helen Etter,

Francis Kilgore, Dixie Tracy, Joyce Lackey, Christine Brandvik, Jennie Blankenship, Beth Dortch, Fred Groves and Jauanita Pierce.

Spearman Ministerial Alliance Met

The Spearman Ministerial Alliance met February 6 at the First Presbyterian Church. The morning Devotion was presented by Rev. Ed Freeman who said, "varsity and surprise is a Gift From God."

Members discussed the good Friday Service to be held at the First Baptist Church in Spearman. They also discussed possible youth activities for Spearman. Any ideas for activities for our teen-age young men and young women should be brought to the attention of the

Alliance. The ministerial Alliance will

meet again on March 6. Members present were Carter McKenny, Ed Freeman, David Nuckels, Herb Hoff and Franklin Horne.

Presbyterian Church News

Menual Presbyterian Mission High School Choir from Albuquerque, New Mexico will give sacred concert on Friday, February 16 at 8:00 p.m.

Sunday Church School teachers and all interested in the Christian Education nurture program of our church are urged to attend the Leadership Develoment Seminar at First Presbyterian Church in Amarillo on Saturday, February 17 beginning at 9:30 a.m.

There is a Sunday Church School class for everyone every Sunday at 9:45 a.m. with an intensely interesting, practical Bible study

"All Out Effort" will be the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday, February 18 at 11:00 a.m.

Presbyterian Women's Association will meet on Wednesday, February 21 at 9:30 a.m. Alice Turnbull is the hostess. Betty Freeman will lead the Bible study in the Gospel of Mark.

New members in the First Presbyterian Church are adopted into the family history. The new member absorbs the values of the church, just as the church absorbs the new members. Interesting characters, like patriarchs and gatekeepers, make adoption happen more easily.

Club News

Girl Scout Troop #42 met Friday, Feb. 9 at the Girl Scout Hut. The girls worked with embroidery paints. Angela Gaither served refreshments to Shelia Brand, Mary Evans, and Kathy Love. The next meeting will be Friday, Feb. 16 at the Hut with Kathy Love serving refreshments.

Hospital Auxiliary

The Hansford Hospital Auxiliary met at Martin's Steak Garden Monday, Feb. 12 with Judy Nelson presiding. The minutes were read and approved. The Auxiliary is going to buy a Castle Light for the

Hospital. A discussion was held concerning the Gruver Bloodmobile to be held Feb. 21. Some of the members of the Auxiliary are going to help with it. Mrs. Hazel Stumpf is taking names of Spearman donors.

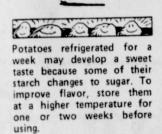

A nominating committee made up of Barbara McClellan, Beuna Lyon and Betty Jean Davis was appointed and are to make a report at the next meeting.

Three new members, Adalyn Barnes, Francis Cudd and Carole Hall were shown the hospital schedule and had it explained to them.

The Auxiliary is to host the Senior Citizens Tuesday, Feb. Meeting adjourned.

Those attending were Edith Smith, Evelyn Mackie, Maria Avila, Rosa Lee Butt. Judy Nelson, Adalyn Barnes, Susan Delk, Mary Brown, Carole Hall, Beuna Lyon, Betty Davis, Maylynn Schubert, Barbara McClellan, Doris Ellison, Francis Cudd, Lorene Kunselman and Clementine Renner.

The next meeting will be Monday, March 12 at Martin's Steak Garden.

Xi Zeta **Upsilon Meets**

Xi Zeta met Thursday, Feb. 8 in the home of Joan Vernon. President Sharon Cooks called the meeting to order. The minutes were read and approved and the treasury report

Mary Lou Matshews gave a report on the Valentine Dance. The Club received an official communication from West Texas State University in regard to the Distinguished Service Award to Women. They are

They voted on programs for next year and decided on Original Programs.

going to submit a name for this

Preceptor Epsilon Chapter donated money to help with the family Xi Zeta sponsored at Christmas.

Hazel Shieldknight was responsible for the program "You & Technology" and Billy Giles presented a program on Microwave Ovens.

The next meeting will be Thursday, Feb. 22 in the home of Verna Strawn.

Those attending were Linda Latta, Sheryl Meek, Phyllis Collins, Lynna Renner, Mary Lou Mathews, Verna Strawn, Sharon Cook, Mary Ann Lasater, Joan Vernon, Cindy Schneider, Linda Butt, Donita Lusby, Hazel Shieldknight and Kari Lou Schuman.

> Tim Woodington. Bulls and Jim Shirley.

Rotary Club News

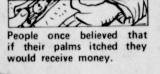

Eddie Limbocker gave a classification talk at the Spearman Rotary Club Monday noon at Martin's Steak Garden. Eddie was graduated from Perryton high school. He worked as a meat cutter until he lost a hand. Later he got the other

hand caught but it was saved and rebuilt. In 1969, he went to work for Interstate Savings and Loan, and they began a branch in Spearman in a trailer house. In 1972 they built their present office. Today we are in a tight money situation and their company can only make loans on homes. The growth response and acceptance in Spearman has been greater than anticipated. Growth has not been phenomenal in any year but has

been steady and strong. Visitors present on Monday were Rotarians Leslie Lee and Edward Crall of Perryton, John McClendon and Charles Denman of Houston, and Jim Benson, new executive director of the Spearman YMCA.

Members present were Carrie Marie Berry, Eschol Blankenship, J.L. Brock, Kim Brock, Archie Burress, John R. Collard, Jr., Robert Elliott, Pete Fisher, Ed Freeman, Ed Garner, Kerry Henton, John Hutchison, Ed Limbocker, Junior Lusby, Jim McLain, Jack McWhirter, Larry Murphy, Frank Oglesby, Coy Palmer, Lenis Simpson, Gary Sims, Vance Snider, Jerry Taylor, Don Wirsdorfer, and

Members absent were Roy Rotarians will have a Sweet

corsage and a baby gift of a high chair by the hostesses. They were Sharon Black, Edith Chandler, Audene Beck, Fern Newton, Donnie Mitchell, Cindy Reger, Lillie Palmer and Trish Cook.

Cub Scout Father & Son Bake Sale Set

The Cub Scout Father and Son Cake Bake will be Thursday, Feb. 15 at the County Barn. The theme this year will be "Sports" and the judging will start at 7:00 and the auction at 7:30 with Ed Dear as auction-

A Christian Welcome To All!

Regional basketball information

Editors Note: This information is printed strictly for the local basketball fans, and doies not in any way imply that either the Lynxettes or the Gruver girls will be in the regional playoffs. They both have a long way to go, as well as the boys 1-AA winners the Perryton Rangers. But, it is dedicated to all of our basketball phayers and fans who have had such a splendid year.

Certification of District Champions: The last dates for certifving the district champions to the League Office are as fol-

Boys' Basketball--all conferences February 17 Girls' basketball--all conferences February 24

TEAM INFORMATION **BLANK: TEAMS WINNING** THE DISTRICT CHAMPION-SHIP MUST COMPLETE THE TWO ENCLOSED INFORMAS TION BLANKS AND MAIL ONE TO THE LEAGUE OF-FICE AND ONE TO THE REGIONAL TOURNAMENT DIRECTOR (SEE REVERSE SIDE) BEFORE ADVANCING TO THE NEXT PLAYOFF ROUND. FAILURE TO SUB-MIT THIS INFORMATION MAY RESULT IN SOME IN-CONVENIENCE TO YOUR TEAM.

Regional Playoffs-Boys' and Girls' Conferences AAAA, AA, and B: There will be a one game playoff on Monday or Tuesday following the district champion certification date. For example, in Region 1, District 1 plays District 2, 3 plays 4, 5 plays 6, and 7 plays 8. The winners will advance to the regional tournament on Friday or Saturday.

Region III Conference AAAA Girls': Will play one game on Monday or Tuesday and one game on Friday or Saturday to determine the Region III girls' champion. If three of the district winners agree, they may play a tournament on Friday or Saturday. The sites are to be selected by the teams involved.

Regional Playoffs--Boys' and Girls' Conference AAA: A rethe regional director (see reverse side) and supeintendents from the four winning teams will decide the playoff procedure. One of two procedures may be selected. First, a regional tournament may be held. Second, a playoff series may be scheduled (e.g., District 1 plays 2, 3 plays 4) and winners of these games play each other for the championship. In the case of a tie vote, a coin should be flipped. The committee may decide date and time if the tournament procedure is used. If a playoff series is used, the first round game must be played on Monday or Tuesday after the district champion certification date, with winning teams playing on Friday or Saturday. The sites are to be selected by the teams involved.

Certification of Regional Cham-pions: The last dates for certifying the regional champions to the League Office are as fol-

Boys' Basketball--all conferences February 24 Girls' Basketball--all conferences March 3

A representative of each win-ning team should contact Bill Farney, League Athletic Dire-ctor, or Bonnie Northcutt, Assistant Athletic Director, at (512) 471-5883 Monday morning prior to the state tournament for housing and workout arrange-

Pelice Protection: Adequate po-lice protection should be availa-ble regardless of whether the game is played on a neutral site or on the home court of one of

In Conferences AAAA, AA, A, and B, the officials for the first round director will secure offiials for the regional tourna-nent. In Conference AAA, the regional committee may select is used. The League We welcome you and your team to Lubbock, and if there is anything that we can do to make your stay more enjoyable, do not hesitate to let us know.

1. WE SINCERELY REGRET THAT WORKOUT FACILI-TIES ARE NOT AVAILABLE, EITHER ON THE TEXAS TECH UNIVERSITY CAM-PUS OR AT THE LUBBOCK MUNICIPAL COLISEUM. This year our gymnasiums are completely scheduled for organized student activity and/or instruction classes and it simply is not possible to accommodate anyone for pretournament workouts.

2. The clock in the Coliseum will be considered the official tournament time and all games will begin according to schedule.

3. No player will be permitted to begin a series with jerseys whose numbers are not on the program, unless advance arrangements have been made with the official scorer and the tournament manager. Players should not wear metal clips in their hair, rings, bracelets, or the like. EACH TEAM SHOULD BRING THEIR OWN PRACTICE BALLS.

4. The team listed on the top of each game will be considered the home team and will wear white jerseys. The team listed on the bottom will be the visiting team and will wear dark colors. Please observe this procedure, as it will be enforced rigidly. The "Home" team will sit on the north side of the official's table and the "Visiting" team will sit on the south side of the official's table.

5. A place will be reserved at each end of the scoring table for the participating teams. This arrangement is made for the convenience of the game officials, scorer, and coach. Throughout the tournament only players, coaches, and officials will be permitted on the gym floor. Please inform your local followers of this

6. Teams will dress in those rooms as designated by a sign on the door with their town or school name. PLEASE DO NOT LOCK DRESSING ROOMS. HAVE A MAN-AGER SECURE ALL VALU-ABLES FOR YOUR TEAM.

7. If you know that your game is to be broadcast for you by one of your local radio stations or if they contact you about this, please advise them that no broadcast will be permitted unless that station signs a contract granting permission to broadcast by the University Interscholastic League. These contracts are available through the tournament directors. We repeat, no broadcast whatsoever will be permitted without signed con-

8. Please note that school bands cannot play at the Regional

9. "Home" team fans are encouraged to sit on the west side and "Visiting" team fans are encouraged to sit on the east side. If cheerleaders are to be present, they should confer with the tournament director regarding policies related to their official behavior and floor area location. NO SIGNS ARE TO BE POSTED WITHOUT PER-

If you follow these instructions, it will help us to make the tournament run smoother. Please do not hesitate to make any suggestions you have to the Tournament Director. James Teague, Director 742-3351 or 797-1417 Ronnie Smith, Manager 742-

\$5000.00 Homestead Exemption Affidavits Due By April 30th

A \$5000.00 Residential Homestead Exemption is available to County Residents, according to Orville Latham, Spearman Independent School District Tax Assessor Collector.

Affidavits for the exemption will be distributed to each homeowner in the area, and are available at the Tax Assessors Office in the High School.

The Affidavit must be returned to the Tax Assessor Collector by April 30th, 1979. Latham told the Reporter and Plainsman that the deduction will be deducted from the appraised value of the homestead. It must, he said, be one's residential homestead.

The requirements state that one must be the owner of record of the homestead as of January 1, 1979, and that no other claim be current involving any other property this year.

affidavit would result in the application of the perjury laws of the State of Texas.

The School Tax official added 'The Homestead Exemption is in addition to the over 65 exemption and disabled veteran

Mr. and Mrs. Gary Faries announce the arrival of a son Clinton Joe, wt 7 lb. 14 oz., length 20 inches, born February 8, 1979 at 7:30 p.m. Grandparents are Mr. and Mrs. Daniel Faries, Spearman, and Mr. and Mrs. Don Bybee,

City Seeking Chief

Policy that will lead to the appointment of a new City of Spearman Police Chief, with concomintant approval by the Council was agreed on at Tuesday's Council meeting.

Noting that he had only received three or four applications to date which actually meritted consideration, City Manager Lenis Simpson was given the green light to continue advertising for the vacant position and then soon to select the most desiarble candidates for an interview with Council

Simpson stated he would like to appoint a Chief as soon as possible, noting that without a strong leader improvements al-

ready made would be negated. The City Manager noted that he was anxious to secure the most qualified applicants as soon as possible, but assured the Council he would not act in haste.

Simpson noted that he had

already advertised in some Pan-

handle city newspapers for the Police Sergeant Jimmy Jackson was named as Acting Police Chief following the recent resignation of Steve Wisniewski. It is believed that Jackson is a current applicant for the per-

The drawing for the Kenneth Wyatt painting will be held in the Gruver AAM office Thursday, Feb. 15 at 3 p.m.

manent chief's position.

Residential homestead exemption

As a result of the passage of tax office will be attempting to the Constitutional Amendment in November, 1978, a residential homestead exemption is now available to every home owner for school tax purposes only. The exemption will apply on all single family residences that are owner-occupied. However, to receive the exemption, the homeowner must apply to the school tax office each year before April 30th. The exemption will be up to \$5,000. off the appraised value. This exemption is over and above the exemption given for over 65 years of age, and disabled veterans, and must be filed for on a different form.

To expedite the timely filing of these applications, the school

get the application to all home owners in the district by mail in the very near future. This does not alter the fact that it is the property owners responsibility to make application, and the exemption cannot be granted without an exemption on file at the school tax office. The application may be filed either by personal appearance at the tax office or by mail on the form provided by the tax office.

Volunteers Working On History Book Mailing

A mailing list of several thousand names is being compiled by volunteer workers for the Hansford County History Book. Names on the book project mailing list will receive a letter in a few weeks explaining the book and how to submit the family story. Addresses include all present and former residents the county known to the group from several list sources.

The mailing list is currently open to public inspection at the Stationmaster's House Museum. All interested are invited (and urged) to check the file to see if the group has missed anyone who should be included in the county's history.

Names may also be mailed to the Stationmaster's House Museum, 30 S. Townsend St., Spearman, TX. and volunteers will check to make sure those names are included and addresses are correct.

Because the Historical Society believes the history of Hansford County is to a great extent the history of the people who have lived and worked here, a primary section of the book will include family histories. Each family unit is entitled to a space of 500 words to tell their stories without any char-Whether you have lived in the

county for a month or 60 years, your family story is wanted and needed. Just write it as if you were telling the story to a friend or relative.

Each family unit may submit up to three black and white photographs with the story. Every effort will be made to use at least one photo per family,

and more will be used if space

The society expects there will 'family unit' which qualifies for the free 500 words of history. Mom, dad and all the kids are a family unit. However, if one of the kids has gone off and started a family on their own, that is another family unit.

Generally speaking it would be safe to assume that members of the same immediate family who do not reside under the same roof are each a "family unit." The deadline has not been set for the receiving of the letters but it is expected to be with-in six weeks after the

mailing has gone out. Arrival of a letter is not necessary for submission of stories. They should be typed and double spaced if possible.

For more information, contact Ruby Saltness at the museum or any field representative working on the book.

room is grown commercially in the U.S. It can range from dark brown to pure white Differences are negligible, but the darker ones are firmer, better for skewering, less easily bruised and-some

W.I.F.E. Encourages Membership

W.I.F.E. met Tuesday morning, Feb. 6 at Martin's Steak Garden with Vice President, Molly Turner, presiding.

A report was given on the Wheat Producers meeting which was held to encourage and increase membership. The importance of The Wheat Producers and Wheat Producers Board was discussed including their influence of export of commodities and lobbying.

The Gasohol Plant at Hereford was also discussed. The members were urged to write
Mr. Whitney Newton, III, Vice
President of Holly Sugar Beet
Co., Box 1052, Colorado their opinion and reasons to have a gasohol plant in this are feasibility of having a plant near the many feed lots in this area that can use the protein rich gasohol waste. Also because of the grain producing capabilities in this area.

A tentative date to lobby in Washington, D.C. was set for Feb. 19-26. This will be a state organized trip. State W.I.F.E. President, June Saylor is working out the details and ask that anyone interested in joining them send word to her.

They discussed a trip to Austin to work with the State Ag Committee sometime in Feb. or March.

W.I.F.E. State President has ask each member to start a letter writing campaign to all U. S. Senators and Representatives. Each member was assigned a Congressman to which they are to write at least one letter a week.

The members have agreed to start meeting twice monthly with the next meeting being a

salad luncheon, Tuesday, Feb. 20 at 11:00 a.m. at the Home Extension Club Room. It is hoped that the luncheon will encourage and promote agriculture in the Hansford area. All farm wives and business people are invited and urged to attend. There will be a brief meeting preceding the luncheon in which the W.I.F.E. members will update those attending on the purpose and progress of their organization.

TO FILE OR NOT TO FILE

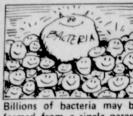

Three incumbent City Council members whose terms expire this year are not ready yet to indicate completely whether or not they plan to refile for their Council position.

Each of the three told the Reporter Tuesday night that they had not as yet "completely made up their minds".

Incumbent Alderperson Gene Cudd did say that he "probably would refile for the April 7th Election date. Alderperson Frances Loftin and Alderperson Jim Nicholson each stated that they had not as yet arrived at a firm decision.

Last day for filing for this year's City elections is March

City Council established the Arpil 7th Election Date in keeping with the Texas Election Statutes Tuesday night and named Troy Sloan as Election Judge, and Helen Etter as Alternate. The election judge will have the privilege of selecting up to three Clerks to assist with the election duties.

Eclipse

Texans should not look directly at the sun February 26, according to the Texas Society to Prevent Blindness. Although Texans will notice no visible difference in the day's brightness, a total solar eclipse will Ocean crossing the northwestern United States. The eclipse will occur partially in virtually all the rest of the continental United States.

The solar eclipse will begin in Houston at 9:11 a.m. as the moon first touches the sun's upper right corner. The moon will hide 57.8 percent of the solar disk at 10:23 a.m. when the eclipse reaches its midpoint. The eastward moving moon will slowly pull away from the sun after mid-eclipse. At 11:41 a.m., the dark new moon will leave the sun's upper left

Prevent Blindness recommends indirect watching as the only safe way to view the solar eclipse. The simplest indirect way is the "pinhole" method. Take two pieces of white cardboard, make a small hole in one, and with the sun at the back. focus the eclipse through the pinhole onto the second board. The size of the image can be changed by altering the distance between the cardboards. One may use the binoculars or a telescope as the projector, replacing the pinhole cardboard. With the sunlight at his back, a person should position the instrument over his shoulder with the eyepiece down so that the light passing through it focuses on the white cardboard.

Using either method, the circle of light on the cardboard will show the sun being slowly obscured by the moon as it passes between the eartha nd the sun. NEVER LOOK AT THE ECLIPSE THROUGH THE PINHOLE OR THROUGH THE BINOCULARS OR TELES-COPE. Photograpers should also remember not to look at the sun through their camera view-

Houston area sun watchers can view the eclipse by means of closed circuit televisions at the Houston Museum of Natural Science. As part of the museum's free observing program, the Margaret Root Brown Solar Telescope will capture the sun's image and send it to monitors while staff members explain

eclipse events. Following the last total eclipse seen in the U.S. (March 7, 1970), 145 cases of eye injury were reported in a Prevent Blindness survey, 121 of them eclispe burns. Sixty percent of occur in a path from the Pacific the casualties had looked at the sun directty with the naked eye. The remainder had tried to protect their eyes with various devices -- sunglasses, totally exposed photographic negatives, smoked glass and welder's gog-

Dentist visits kids

Dr. Baker and his assistant, Laura Mackie, visited the Kindergarden classes of Patty Harris and Cindy Sweeny, Tuesday Feb. 13th. They gave a program on Dental health care. They talked about what decay was and how the teeth can be taken care of by brushings and dental checkups.

By visiting the Dentist, who will remove the decay for a filling, his assitant demonstrated to the children how the filling material was mixed and Dr. Baker then filled a model tooth. He also showed pictures of badly decayed teeth so the children would know the importance of brushing and taking care of their teeth. Dr. Baker displayed bridges, partials, and dentures that people need from not brushing and keeping their teeth clean. Dr. Baker is at 712 S. Roland with Dr. E.E. Novak. This is a follow up of National Denture Health Week ovserved the previous week.

Jamie's Jabbe

by Jamie Casdorph understand that we have had a lot of cooperation in support of the DECA donation and I am glad that people care enough to support this really super organization and I'm proud to be a part of the organization! I'll repeat myself to the reason of this drive for funds; The club is working really hard so that they may send four members to Fort Worth to State Contest, so your donation is going to a real worthy cause! First prize; Sound Design Stereo sporting am/fm radio, 8-track recorder, 8-track player, turntable, 2-20" speakers, and bass, treble, and volume controls; it really is a super stereo and well worth

your donation. Second prize; 2
WILLIE NELSON tickets to his
concert; this is also a worthy
prize or your donation! So I
hope that you help DECA earn
money for their trip, it's well
worth your while! Tickets are \$1
and you may obtain them from
any DECA members!

Due to personel conflicts I have quit my job here at the reporter so this is my last column!! THANKS FOR BEING READERS!!!!!

Wedding Announced

Debi Daniel will marry Craig Bryant April 21 at 1 p.m. in Littefield, Texas at the First United Methodist Church.

Debi, daughter of Rev. and Mrs. Wesley Daniel formerly of Spearman, is a 1972 graduate of Spearman High School, and a 1976 graduate of West Texas State University. She is presently employed for the Wyatt Company, an actuarial consultant firm in Dallas.

The prospective groom of Waco, is a 1973 graduate of Sam Houston State University, presently works as production manager of Meisel Photochrome Corporation in Dallas.

The couple will reside in Dallas after the wedding.

Golden Spread Club Meets

Golden Spread Club had a sumptuous pot-luck dinner on Tuesday, February 6 at 6:30 p.m. at the Golden Spread Center. Naturally, there were a number of eager beavers who arrived as early as 5:30 p.m. and there were three tables of games going before dinner began. The Hansford County Hospital Auxiliary were hostesses for the meal and served

Ed and Betty Freeman and Pearl Giddens were host and hostesses for the evening's activities. Nine tables of dominoes, forty-two, eighty-four, pitch and skip-bo completed the

Golden Spread Club is an organization open to anyone who is fifty-five years of age or older without discrimination as to sex, race, ethnic background, religion, denominational preference, color, or political affiliation.

evening's entertainment.

LEGAL NOTICE

Hansford County Commissioners Court will receive bids until 1:00 P.M., Friday, February 23, 1979, on 2 new 1979 automobiles with trade-in of one 1975 Ford Granada, one 1977 Pontiac, and one 1978 Dodge. Bids will be opened February 26, 1979, at the regular Commissioners Court meeting.

Specifications are available at the County Judge's office or the County Auditor's office in Hansford County Courtbouse.

The Court reserves the right to accept or reject any or all bids.

corn hybrids on the Irrigated Plains are all from Pioneer.

That's a pretty bold claim, we admit. But in farmer's fields, county agent test plots, wherever they're grown, these Pioneer: brand corn hybrids consistently out-perform competitive hybrids year after year. Each hybrid has its own particular strong points that make it especially well suited for certain environmental and management conditions. When thoughtfully selected and properly managed to meet the conditions, each of these

hybrids delivers top performance . . . winning performance that's head and shoulders above the competition.

Don't take our word for it. Ask your Pioneer dealer about yield data in your area for the last several years and see for yourself. The consistent performers . . . the top 8 performers are all from Pioneer!

3195

3184

3305

3541

3360

High-yielding, full-season powerhouse! 3195 gets off to a good start with high seedling vigor, then makes the most of High Plains growing conditions. High test weight grain is hard textured and dries down fast. Ideal for grain or silage.

Contest winning yield potential with excellent disease tolerance makes 3183 an ideal companion for 3184. It also has excellent seedling vigor plus good standability and stay-green qualities.

A silage grower's dream come true (even if your plans change mid-season)! Tall with good standability and a high grain-to-stover ratio. Adapts well to the high plant populations required for top silage yields. And if your plans change, excellent grain yields make it a profitable grain crop, too.

Steady corn maker, popular for excellent yields and consistent performance. Strong stalks, good roots provide outstanding standability.

The corn you can manage almost like sorghum. Total fertilizer, water and insecticide requirements similar to sorghum. Maximum water use period makes it an ideal companion crop to cotton. Yield average of more than 7.800 lbs./A in four years of High Plains production at 96 locations.

A new hybrid you can trust like an old friend! It delivers top yields and is an outstanding companion for 3195. It silks earlier than 3195 and performs better under stress.

Very early silking, a long kernel fill period, and fast drydown help 3541 produce extremely high yields for its maturity. Give 3541 the management it needs, and it could easily be your top income producer. Excellent standability, ear retention and head smut tolerance.

Plant this one for your banker! It has the consistency to be the high-yielding workhorse hybrid you can rely on.

Outstanding early season vigor. Excellent for silage on the Irrigated Plains.

Ask your Pioneer dealer about them **NOW**.

Ed Robb Crusade

Church, in cooperation with the First Babtist Church of Gruver. sponsoring a Spiritual Life Weekend, with Dr. Ed Robb, nationally-known Methodist evangelist, and the newly-formed and highly sought-after musical group "Gabriel," from Arlington, Texas. (see enclosed biographies)

Everyone is invited to attend any or all of the Spiritual Life Weekend this February 16-18.

Edmund W. Robb is an evangelist in The United Methodist Church. After almost three years as pastor of the 2,200 member St. Luke's Church of Lubbock. Texas, Mr. Robb returned to the work of full-time evangelism in September of

Mr. Robb is foremost a preacher. United Methodist Bishop Alsie Carleton recently declared. "As pastor of St. Luke's. Dr. Robb demonstrated the fact that people today are hungry for positive. Biblical preaching.

"There is no substitute for preaching." according to Mr. 'One reason for our nation's moral breakdown." he insists, "is our current lack of vital, prophetic preaching.'

Mr. Robb's preaching ministry has carried him to 40 states and 39 countries. He has frequently traveled abroad preaching the Good News of Jesus Christ in such countries as Brazil, Chile, India, Japan our responsibilities toward this and Indonesia. Asked why he bothers to preach in dirty villages in India or freezing outdoor weather in southern Chile. Mr. Robb quickly answers, "Why should any person be privileged to hear the gospel more than once, until all have heard it."

Since the beginning of his ministry in 1946, Mr. Robb has had keen interest in "the church beyond the local church." In 1966 he participated in the be known simply as "a sinner World Congress on Evangelism saved by grace.' (Berlin, West Germany); and in 1974 he was an official participant in the International Congress on World Evangelization (Lausanne, Switzerland). He has served on the Executive Committee of The Council on Evangelism of The United Methodist Church. In 1977 he was an official participant of ical Concerns in Atlanta, Geor- group, performing an inovative,

News" and "The Herald." One of the ministries of the Ed Robb Evangelistic Association is A Fund For Theological Education of which Mr. Robb This serves as chairman. organization is dedicated to theological renewal within The United Methodist Church. It now sponsors ten Ph.D. candidates who plan to teach in United Methodist schools. There will be 15 "John Wesley

Fellows" in the program in two years. A colloquy on the 'Recovery of the Sacred' is planned for 1979. This conference will bring together the leading theologians of the Western World.

In 1972 Asbury Theological Seminary conferred an honorary doctor of divinity degree on Mr. Robb.

Mr. Robb is the father of five children, with a son and son-inlaw in the United Methodist ministry. He lives a simple lifestyle with his wife on their family farm near Marshall, in the piney woods of East Texas.

"It is time we evangelical Christians set an example by the simplicity of our lifestyles.' Mr. Robb stated.

"We must become aware of planet and its people. Our consumer-mad society is quickly depleting earth's resources. We are polluting our streams. We are poisoning our air. We are disfiguring our enironment.

Display of the Month

Marina Gaunder's cross collection is the Display of the Month at the Hansford County Library.

Marina's interest in starting a collection of crosses began when she found a mother-of-28 1/2 pearl cross while arrowhead hunting in the Taos, N.Mex.

Her collection includes a great variety of crosses made from silver, ogld, abalone, wood, copper, mother-of-pearl, opal, agate, and blown glass. They originated in many places, including Peru, Greece, Africa, Spain, Jerusalem, Mexico, and the Indian Southwest.

Marina is originally from Taos, where her great grandfather was a priest. She now resides in Spearman.

Wood floors need special care to retain their natural beauty.

For patches of dirt that cannot be removed by dry mopping or rubber burns from friction between rubber footwear and the floor, rub the spot lightly with fine steel wool moistened with turpentine or paint thinner. Always work in the same direction as the wood

grain when using steel wool. For stained or very dirty wood floors, apply a heavy layer of liquid, solvent-based wax to a small area. Allow it to soak for five minutes, then rub thoroughly with No. 00 steel wool. Then wipe dry to remove all dirt. Repeat this process if necessary.

had low. Enjoying dinner and bridge were members, Mmes. Gertrude Archer, Leonard Jameson, Vi Whitson, Thelma Scott, Carrie Marie Berry, Bill Gandy,

and a guest, Verna Gail Keim.

You name it

I attended the American Agriculture meeting held at the YMCA Building Monday night. The program was given by those who had attended the Tractorcade in Washington, and Dwight Hutchison, who stayed in Spearman and kept the office open, acted as "Master of Ceremonies" for the occasion.

All of those who drove tractors through from Amarillo to Washington spoke at the meeting. Roy Dale Underwood stated that they all got through 'safe and sound' and this of course is a miracle in itself. The public did not start coming out to meet the Tractorcade in large groups until they got to Tennessee. From Tennessee on,

people encouraged the farmers to "give em hell!" Also, it was mentioned that several "free feeds" were held for the farmers, including two in Oklahoma, one in El Reno and one in Kurt Shedeck said he would-

n't sell his experiences as a tractorcade driver for a million dollars. Kurt made mention of the fine food that was prepared • by local people, and sent along on the tractorcade in deep freeze units. Kurt was impressed with the way that the tractorcade was surrounded as soon as it hit the mall in Washington. Actually the damage to the parks in D. C. are exagerrated by the press, according to the tractorcade members. Actually some 15 tractors were used to help clean the snow off of the streets during the heavy snows. One tractorcade member stated that he felt that the farmers and policemen were getting ready to have a terrible conflict when the heavy snow began falling, and this seemed to "cool" tempers

It was also mentioned that Iranian students rioted on several occasions in Washington, and this hardly made the 'headlines' in the paper, whereas the farmers received much unfavorable publicity everytime they would start a

Roy Dale Underwood and T. O. Leslie were the fuel "sampers" for the Tractorcade, and they spent most of their time hunting fuel for the Spearman-Gruver-Perryton tractors. They would get lost at different towns, and would make all kinds of deals for fuel! It was also rumored that Jesse Frances and Chalmers Porter broke a fire hydrant while "racing" their tractors on the mall in Washington, but of course this

isn't true! Many of the farmers at the meeting Monday night in Spearman, testified that they were proud to have been a member of the Tractorcade and it was a moving experience to be a part of history.

On behalf of this newspaper and all of the people of Spear-man, we would like to thank this brave band of farmers who made the Tractorcade to Washington. Many businessmen

tend to forget that when the farmers quit, the main street in Spearman will also quit! The Chamber of Commerce and every organization in Spearman is warned that when these wells in the Ogallala formation shut off for good, every businessman, every property owner, and suffer. Let's all get behind these farmers. Not necessarily to save the farmer, but to save "our business's" in the Ogallalla area. This is still the greatest place in the world, but as soon as Chicago quits using our gas, and we run out of water, our area will be in a jam; but if we join in helping the farmer make a decent living, our town will prosper!

Editors note: The local editor spent a couple of days in the Hansford Hospital last week, and he would like to take this time to thank all of the pretty nurses, the entire staff at the hospital, and Dr. R.L. Kleeberger, M.D. for their wonderful treatment while in the hospital. The only way you can realize that Hansford Hospital is the best hospital in the U.S. is to spend a few days in any hospital in the U.S. and compare it with Hansford Hospital. It is the

The Editor, W.M. Miller

Notice

Texas taxpayers had another \$45 million added to their 'savings account' last week when State Land Commissioner Bob Armstrong and the School Land Board concluded the most productive sale of mineral leases to oil and gas companies int the state's history.

The \$45 million was the cash in bonuses paid by companies for the right to drill for oil and gas on state-owned land--much of it in coastal waters. The previous high was \$39.2 million in 1965.

The bidding also produced another record--for the largest single bid. Houston Oil & Minerals Corp. set that record by paying \$4,166,294 in pre-miums to obtain a lease on a Gulf of Mexico tract off Matagorda County. In all, about one-third of the 1.2 million acres offered for lease by the state attracted successful bid-

"This record-high total of bonuses is more evidence that oil and gas exploration in Texas is hot and heavy," Armstrong

"The people who benefit most are our taxpayers, because they will have this \$45 million in years to come. These funds will be added to the nearly \$2 billion we have in our Permanent School Fund, where they will immediately begin drawing interest and producing revenue to finance public schools in Texas. Every dollar in revenue produced by the Permanent School Fund is a dollar we don't have to raise from taxes.'

pay my expenses.)

Rate Hike... UNLESS!

Spearman City manager Lenis Simpson told Council members that because the Texas Railroad Commission had not acted in response to a request from High Plains Natural Gas Co., for a Gas Rate increase, that the City Utility was planning, in accordance with law, of proceeding with the Increase on it's own.

The Gas Company actually has the legal authority to place the rate increase into effect immediately. This rate increase could be approximately Twenty Cents per One Thousand Cubic Feet of gas. The city anticipating either this decision on the part of High Plains or an alternative decision granting approval by the Railroad Commission placed a FIVE cents additional charge on gas bills after January 1st.

Simpson stated that the possible action on the part of High Plains could be stopped by the attorney for the City in Austin

scoring for the Lynx Tuesday night, at Perryton, with another fabulous 22 point performance. The Lynx have had a tremendous year, and are defending 1978 district 1-AA champions. All of us at the newspapaer join in congratulating both the Lynx and Lynxettes for an outstanding basketball season.

Texas Beef Cook-Off Set

The second annual Texas Cowbelle Beef Cook-Off will be held on Tuesday, March 13th during the Texas & Southwestern Cattle Raisers Convention in Houston. The event will be held at the Albert Thomas Convention Center.

to feature beef recipes, understanding the various cuts of beef, their proper preparation, and for promoting the beef cattle industry.

Ten finalist will be selected from recipes submitted by the deadline. The ten finalist will be given an expense-free trip to Houston for the cook-off.

ion will be selected at the annual event and will then get to represent the Lone Star State at the National Beef Cook-Off in Omaha, Nebraska on September 26-28, 1979.

Senior Zane Newton lead all

corporate farms, many bought with foreign oil money. They'll be few, very large, and more efficient than I am, because their employees won't care what happens after they put in their eight hours a day — unlike me and my family who must bear the consequences of any unwise decision or action. Yes, they'll be more efficient and they'll not operate at a loss. And you'll see your cost of living rise even more sharply than it

Letters to the editor The Washington Star

What percentage of your disposable income will you then spend for food? Will it be 25 percent as it is in France? Will it be 52 percent as it is in Russia? Or 67 percent as in India? Certainly not that high, but rest assured that it will be more than the 16 percent you pay now, or the 19 percent you'd pay if farmers got back their costs of production plus a profit similar to that which industry and business expect — and require - to survive.

Our economy is in desperate trou-ble, as even the most dense among us must realize. All the farmers you see around you in Washington these days believe that agricultural prices that will cover costs and return a fair profit are essential to their survival as farmers. But of more immediate concern to the nation is

the survival of the whole economic system to which agriculture is basic. There's hardly a city or state that is not involved in supplying at least some goods and services to agriculture.

We contend that healthy agriculture accurate healthy agriculture.

ture equals healthy economy, and there is a historical demonstration of the truth of this contention available to all for study: the 10-year period when parity in agriculture was required by law (1943-1953). During that time, we had an un-believably robust and vigorous economy. We fought and won two major wars while supplying the sinews of war to our allies as well. When those wars were over, we set a shattered world back on its feet -both our exhausted allies and our defeated enemies. I am convinced that this amazing economic capacity was fueled by parity in agriculture, which is by far the largest industry in the United States.

We plead with you to consider that restoring health and vitality to agriculture will again work such a miracle in our faltering economy. Can we learn from history? Isn't it worth a R. C. Porter
