## Miss Fetsy Cluck Graduates At Baylor University

Miss Fetsy Cluck, daughter of Mr. and Mrs. Sam Cluck of Gruber, was one of the 754 students to receive their degrees from Baylor University May 23. Miss Cluck, attending Baylor University since her graduation from Gruber High School, completed the requirements for her degree in March but remained there during the spring term to do post graduate work. While in Baylor Fetsy obtained a major in English and Education and a minor in Spanish. She also was a member of Pi Alpha Lambda and served as representative of the Women's International this year.

Those attending her graduation services were Mr. and Mrs. Sam Cluck, Mrs. M. Kaye and Mrs. Del Cluck, Mrs. Homer Cluck, Miss Marjorie Cluck and Royce Faye Beauty of Gruber, and Miss Cluck of Dallas.

Elaine Crawford felt Monday evening at Amarillo. She is attending the San Jacinto School.

Mr. and Mrs. Clark Winkler were at Fort Worth last week end.

The School of Arts and Sciences at Texas Tech has announced 240 are candidates for degrees. Commencement exercises will be held June 3 at which time more than 600 will graduate as Tech's Class of 1958.

Among the degree candidates is Shirley Jean Bollen of Spearman. Her degree candidacy is for English.

## C of C News

The Santa Fe Railroad has expressed a desire to discontinue the "doodlebug". If you would like to see the railroad continue the passenger train run, you may express your feeling by signing the petition located at Sheets Drug.

We have a list of farm labor available. You farmers that need help, please call the Chamber of Commerce office or your county agent.

Several families are looking for housing before the new school year. These permanent families will be an asset to our city, school and churches. Please contact the chamber office if you have any new ideas on housing problem.

Marie Bellomy is our new office Secretary. Come by and meet her. She as well as the manager will welcome a visit from you.

## Swimming Pool Opens Sunday

Sam Watson, manager of the Spearman Swimming Pool, announces that the pool will be open at 2:00 P. M., Sunday afternoon. All of the schedule for the operation has not been worked out, but as soon as it is completed, we will run it in the paper. Be sure and attend the big opening of the Spearman Pool Sunday afternoon, 2:00 P. M.

No one, so far as Senator Ralph Yarborough knows, has ever played the bag pipes to try to attract a crowd to a political rally in Texas. But the Senator looked like he might be considering such a move recently when he welcomed Miss Jeanette MacNaughton of Westville, Nova Scotia, to the nation's capital. Miss MacNaughton and David Parks of Amarillo are co-presidents of Allied Youth Inc., an international youth education and development organization. She stopped in Washington and chatted with Senator Yarborough while in route to Palestine, Texas, for conference of youth leaders.

## Mrs. May Jones Employed As Radio Dispatcher For Hansford County

Hansford County and the City of Spearman have employed Mrs. May Jones to operate the radio and take all Sheriff and Police calls from 5:00 O'clock P. M. to 1:00 O'clock A. M. Starting June 2, 1958. She will work in the Sheriff's Office and all calls should be directed to Telephone No. 3061. This is a service that has been needed for some time and will greatly increase the efficiency of the Sheriff's office and the Police Department.

## Leib Cemetery Services

Jimmy McLain and Yvonda Pipkin are to provide music on the organ and accordion for the Memorial Day services at Leib Cemetery. Jo and Sue Sutherland, are also going to provide vocal music.

## Two Spearman Men Injured

Two Spearman men were injured this week, when they fell approximately 150 feet from an elevator, in Dumas, Texas. The men were Richard Wimberly, who lives in a trailer home owned by Mr. and Mrs. Putman, and Harvey Parker, who lives in Francis Sim's home. Both men were seriously injured, and in a late news cast Wednesday from Amarillo. It was learned that Parker had undergone surgery, and that both men were still not completely out of danger.

## Scott Vernon Has Ice Cream Cone Early!

Scott Vernon, small son of Mr. and Mrs. P. Vernon of Spearman was supposed to have had an early breakfast with his grandmother last week, but he decided to eat down town. Instead of stopping at his grandmother's home, he passed her by, and went on down to the Corner Drug. Gordon Parrish had just opened up the store and looked up to see eight at six o'clock in the evening Church of Christ, Spearman, Texas. Reception immediately following ceremony at the Home Demonstration Building.

## Northem Natural Building New Home For District Foreman

Northern Natural Gas Co. is working on a new home for their district foreman, A. D. Parsons. The new home is being constructed at Northern's new location 2 miles west of Spearman. Mr. Parsons will move to Spearman from Perryton. A new 48 x 80 foot warehouse will be constructed at the location as soon as the contract for construction is let. This should be in the near future.

## J. B. Cooke and Bruce Sheets Attend F. B. I Meeting

Sheriff J. B. Cooke and Mayor Bruce Sheets attended the F. B. I. Conference held for area Peace Officers last Thursday, at Pampa. Discussed were fraudulent checks and the inter-state shipment of stolen property. Some 200 officers and guests were served a barbecue at noon by citizens of Gray County.

## Spearman Merchants To Close Stores For Memorial Day

Memorial Services For Mrs. Holtzman Held In Gruver. Funeral Services for Mrs. Nona Black Holtzman were held in the Gruver Baptist Church Monday May 26th at 3 o'clock. Rev. E. G. Purvis officiated, assisted by Brother Hughes. The large crowd, and many floral offerings were a testimony to the love and affection in which she was held. She will be greatly missed in this community.

## This'n That

We start off this week with a message from Mayor Westerfield. June 4th and 5th have been designated as "CLEAN UP" days for Gruber. Curtis Lowe, president of the Lion club announced that the Lion club will sponsor the work Trucks will be provided to haul away your trash, if you have no way of moving it yourself. You can call Bobby Gruver at the Gruver Motor Co. or Curt Lowe when you need the truck. Mayor Westerfield is anxious that everyone take part in this campaign. Clean up your yards, alleys and vacant lots. Do some painting and plant some flowers. make our city beautiful.

## Uncle Ross Payne Here On Visit

Rev. C. Ross Payne, former citizen of Spearman, and for almost 2 years a member of the staff of the Spearman Reporter, is here on a visit with the country editor and family. Uncle Ross is located at El Paso, Texas where he is an assistant pastor at one of the Baptist churches. He has many friends here in Spearman and is enjoying the visit with these old friends and meeting new folk. Present plans call for Uncle Ross to accompany Mr. and Mrs. W. J. Miller and Stevie to Collinsville on June 5th where they will attend the Golden Wedding Anniversary of the country editor's cotton picking brother, Mr. and Mrs. C. C. Miller. He will return to Spearman for additional visit after the Golden Wedding anniversary.

Varied activities of Safety, Electricity, Manners, and Records, will be enjoyed by the group. They will have free choice of Wild Life, Swimming and Rifle. 4-H Delegates from the entire district will enjoy this annual camp.

## Beat The Heat

When long, lazy summer days are only a breath of Spring away, the urge to fix up the house is as natural as a Spring fever itself. This year, however, think of the exterior as well as the interior. New awnings or a patio cover will give your home a handsome new look outside and treat you to cool comfort inside as well. Fabrics woven of saran especially for this purpose and just introduced are both translucent and breathable, letting soft, diffused light and cooling air pass through while keeping out the direct rays of the sun. The use of awnings and patio covers has also been found to reduce air conditioning costs. The same long recognized hard wearing qualities of saran as used in outdoor furniture are also characteristic of the new awning fabrics. They will not rot or mildew, stretch or sag, and because the color is "built in," they are resistant to sun fading and staining. Because the fabric is non-absorbent, the awnings are resistant to snow as well as rain and consequently, unlike ordinary awnings, never have to be taken down for storage during the winter. In addition to saving the home owner's time and labor for re-installation each year, they provide necessary shade against brilliant winter sunshine. Saran awnings also require only a minimum of care. An occasional hosing will take care of air-borne dust particles and ordinary dirt. Stains that seem stubborn are easily taken care of with brush, soap and warm water. A wide range of up-to-the-minute fashion colors is available in both solid and handsome stripes.

## Beat The Heat

Mr. and Mrs. Emmitt Gauhan, Mrs. Loreta Graven, and Eddie Bergin of Denver, spent last week visiting Mr. and Mrs. Tommy Bergin, and Mr. and Mrs. Jack Taber. Last Sunday Jack's sister and brother were here, to spend the day. Mr. and Mrs. J. P. Nix of Amarillo, Mr. and Mrs. J. V. Taber of Portland, Oregon and Mr. and Mrs. Bill McCrate of Pampa. They all had a wonderful picnic in Nature park.

## Beat The Heat

Mr. and Mrs. Murrel are happy to announce that they have a new granddaughter. She is the little daughter of their daughter, Bebe, and is named Mary Katherine. Congratulations. Mr. and Mrs. Murrel are teasing their little grandson for a little while.

## Beat The Heat

You all remember Bobbie Berger and you knew her little son. Well he is not a little son any more. He is getting married in June. Bobbie has written a letter to all of her Gruber friends, sending it in care of Mrs. Blanch Taber. She is very proud of an appointment she has just received. On June 16 she will become Deputy clerk of U. S. District court, northern district and U. S. Commissioner. This is quite an important post, and Bobbie has every right to be proud. She is

## Beat The Heat

Mr. and Mrs. Clark Winkler and boys went down to Ft. Worth to see their daughter Janelle receive her degree from Wesleyan College. Janelle has already done some practice teaching and has a position in the Fort Worth schools. Congratulations.

## Beat The Heat

Mr. and Mrs. Gordon Parrish, daughter of Mr. and Mrs. P. Gordon of Spearman, will be home from Abilene Christian College May 28th, for a short vacation. Estelle will return to the ACC campus after a short visit.

## Beat The Heat

Mr. and Mrs. J. W. Depew of Meade, Kansas, have been here for the last week because of the illness of Mrs. Depew's father. Brother Depew is pastor of a church in Meade.

### Roy Harris Of Gruver Finals At Wayland

Roy Harris, Gruver, is among the 47 candidates for graduation at Wayland Baptist College commencement exercises on June 2. Commencement ceremonies start June 1 with the baccalaureate services being held at 10:30 at First Baptist Church. Harris and his wife, Mrs. Alice Sivells Harris, Albuquerque, N. M., will be honored guests at 4 o'clock at the reception given by President and Mrs. A. Hope Owen at their home on the campus.

The following day members of the Class of 1958 will be special guest for the Association of Former Students chapel program and the luncheon at which they will be recognized as members of the Association. Graduation exercises will be held at 7:45 that evening with James C. Cantrell, Dallas, executive secretary of the Baptist Foundation of Texas, as Commencement speaker. Both he and Rev. Neil Record, Tulsa, who will deliver the baccalaureate sermon, will have honorary degrees conferred on them.

Son of Mr. and Mrs. Ben Harris, Gruver, he is majoring in religious education and minoring in music. He is serving as music education director of First Baptist Church, Claude, and is a member of the Wayland International A Cappella Choir.

Harris, who has been a school cheerleader for two years at Wayland, is among 47 students from eight states who will be graduated this spring from Wayland, a four year liberal arts plains of West Texas.

### Appliance Buyers Should Read Direction Booklets

Reading the direction book will help the owner of a new appliance to get more for his money in terms of long time serviceability. The buyer who takes the time to learn what his new appliance is expected to do and how to operate it efficiently is protecting his investment.

The most self-sufficient appliance deserves the few minutes it takes to read directions. Refrigerators, for example, require little

maintenance. People who fail to read the directions, however, do not fully understand what their new refrigerator is supposed to do or is capable of doing. They panic at minor departures from normal operation. Often they could clear up such problems with the push of a button or the flick of a switch. The directions could tell them.

Some appliances require more active supervision. They have been made as simple as possible—and will become more simple as technical advances permit. The customer who gets the most out of them will always be the person who knows their capabilities and how to operate them at a peak level of performance.

Manufacturers have put considerable time and effort into making direction books easy to understand and follow. They believe in their products, and they want their customers to stay sold. Carefully thought-out and clearly phrased directions pave the way to maintaining an appliance's efficiency. A thorough reading can mean more value received for the total investment.

### Gruver WSCS

The Woman's Society of Christian Service met in the Methodist Church with Mrs. W. J. Eddleman presiding over the business, May 21, 1958.

We voted to meet at 3:30 P. M. instead of 2:30 P. M. the rest of the summer. We will not meet next Thursday on account of our vacation Bible school.

We had our pledge Service today. Mrs. A. Bort, our Spiritual Life Secretary, had charge of our meeting, opening with a song, "There's a Light upon the Mountain" and "Take my Life and Let It Be". For her scripture reading she chose Mathew the 28 chapter, by Mrs. Bort and Mrs. Tom Dozier. Then we sang, "Lead on, Oh King Eternal". We had a play, "A March of Mission Dollars" by Mrs. A. Bort, Mrs. Tom Dozier, Mrs. Pat Holt, and Mrs. W. J. Eddleman, which we all enjoyed very much. Those present were Mesdames: A. Bort, W. L. Harris, E. Sluder, D. L. McClellan, L. K. Garrett, M. F. Barkley, Pat Holt, C. Winder, W. J. Eddleman, Ted McClellan, A. Evans, Carrie Neilson and Tom Dozier.

### Susanna Wesley WSCS Circle

Susanna Wesley Circle met in the church parlor May 21st. There were nine present. The morning circle elected to hereafter be

called the "Susanna Wesley Circle." Devotional was by Wasdeen Smith. The Study was given by Freddie Largent and Sara Kelley. Chapters were 5 and 6 of Mark.

The circle adjourned till May 28th at which time we will meet in Freddie Largent's home on 1001 S. Dessen at 9:00 A. M. 10:30 A. M.

## Washington News

**Your Congressmen**

TO THE PEOPLE OF THE  
1ST-DISTRICT.  
TROUBLE TROUBLE TROUBLE!  
It seems that the world has  
more than its share of troubles.  
The Russians are bombarding  
out-space with Sputniks, the  
Algerians are bombarding the  
French, the French are bombard-  
ing the Algerians, and it looks as  
though the French will soon be  
bombarding the French. The  
Lebanese are bombarding the  
Syrians with bombs and charging  
that the Syrians are bombarding  
the Lebanese with massive inter-  
ference. Some of the South American  
are bombarding Nixon  
with eggs, etc. The President is  
bombarding the Vice President  
with promises of himself and gov-  
ernment employees, and it seems  
that everybody seems to be bom-  
barding everybody else with prop-  
aganda, and to top it all off, the  
Attorney General of the United  
States has now started bombard-  
ing the Supreme Court with ar-  
gument that Texas does not owe  
its Federalism even though Cor  
gress passed a bill saying just  
the opposite.

As for the new Russian Sputnik  
let it be said that this was quite  
an achievement, but it does not  
mean the end of the world at  
more than the launching of the  
first Sputnik did. The crowning  
achievement of this new  
Khrushchev is nothing surprising  
anyone in this country. The sat-  
ellite and missile programs of the  
Soviet Union are on schedule.  
As to the bombardment of  
Algerians, this has been going  
for some time, and probably  
everything from words to bombs  
have been employed. The mat-  
ter is causing deep concern  
in this country is the internal di-  
vide that seems to be plaguing  
the country.

The bombardment between  
Lebanese and Syrians does  
not seem to be a parting of the  
way either. It will be remembered  
that there have been strife  
relations in this section of  
the world for many years in the  
past and from all indications, it  
seems will continue in the fut-  
ure. As for the bombardment  
between Mexico and the United  
States, as can be said  
and Vice President Nixon  
this was deplorable display  
stupidity and bad taste on  
part of those engaging in the  
activities. However, the big c  
line in my mind is that oversha-  
dow all the others is, "Why  
not the Intelligence Service  
of the United States know en-  
ough to prevent this?"

TO THE PEOPLE OF THE MIDDLE WEST. TROUBLE TROUBLE TROUBLE. It seems that the world has more than its share of troubles. The Russians are bombarding outer space with satellites, the Algerians are bombarding the French, the French are bombarding the Algerians, and it looks as though the French will soon be bombarding the French. The Lebanese are bombarding the Syrians with bombs and charging that the Syrians are bombarding the Lebanese with massive inter-continental missiles. Some of the South Americans are bombarding Nixon with eggs, etc. The President is bombarding the Vice President with smiles of himself and government employees, and it seems that everybody seems to be bombarding everybody else with propaganda, and to top it all off, the Attorney General of the United States has now started bombarding the Supreme Court with arguments that Texas does not own its Tidelands even though Congress passed a bill saying just the opposite.

would be allowed to proceed in direct conflict with the words of the President and the action of the Congress. The question seems to be, "Just who is running this country?" Francis Morris Will Make 4-H Trip June 15 Since 1942, 250 outstanding Texas 4-H Club members have been recognized by the Producers Grain Corporation of Amarillo. Their sponsorship, in cooperation with the Texas Agricultural Extension Service, of the Talent Club has made possible this recognition. The total was raised to 266 this week with the announcement of the 1958 winners, a boy and a girl from each of the eight director districts of the Corporation. Among these is Francis Morris, Hansford County. The group will assemble in Amarillo on June 15 and will spend a day and a half studying and visiting cooperatives. Then by chartered bus they will depart for a vacation and study tour to Colorado and New Mexico. They will visit successful cooperatives and scenic and historic spots as they travel to and from South Fork, Colorado. The return trip will be made via Red River, New Mexico. They return to Amarillo on June 21. J. Frank Triplett, general manager of the Corporation, is the originator of the Talent Club. The cooperative which he manages serves the major grain producing area of the State. The long-time purpose of the Club is to recognize outstanding work done by 4-H members and to interest these top ranking youth in cooperative activities. Kenneth Loyd directs the tour for the Cooperative. A hard task is eased by the application of immediate energy. Optimism is more important to business than cash is to the buyers.

### CLUB ROOM

"A new look" for the Home  
Demonstration Club Room in  
Spearman is being enjoyed by all.  
In March, the Home Demon-  
stration Council voted to paint  
the Club Room inside and recast  
it outside, make new drapes, and  
plant a lawn.  
Mrs. Daniel Sheets and Mrs.  
Jack McWhirter served as Chair-  
man of the Painting Committee  
and Home Demonstration Club  
women volunteered for the inside  
paint job and the outside was  
recast by hired labor. The in-  
side is painted a beige tone, with  
white used at the kitchen area  
end.

Drapes were purchased and  
made under the supervision of  
Mrs. B. J. Garnett, Chairman. A  
nubbed surface interest fabric was  
used which blends with the wall  
tones. Home Demonstration  
women met two days and made  
the drapes.

The lawn has been plowed by  
Mr. Frank Davis and Home  
Demonstration Club women plant-  
ed the lawn.

The entire community can be  
proud of this completed project,  
as the Club Room is used by  
many different clubs and in-  
dividuals.

Co-operation has been splendid  
on all of these projects and a  
special "thank you" is given to  
all who contributed to the fund  
that made it possible and those  
who contributed their services.

Each week we get a variety of  
new informative bulletins that will  
be helpful to the people of the  
County. Recent publications that  
you may receive on request are:

"Why Make A Will"  
"Interface It"—Describes types  
and uses of interfacing in cloth-  
ing construction.

"Good Grooming, Here's How"  
KILL INSECTS ON ORNAMENTAL  
PLANTS

Springtime brings an assort-  
ment of hungry insects to attack  
ornamental plants. . . . Deter-  
mining kind and amount of insect-  
icide to use on the different  
insects becomes a problem.

To answer these and other  
questions, extension entomologists  
have prepared a leaflet entitled,  
"Texas Guide for Controlling In-  
sects on Ornamental Plants."

The leaflet defines the most  
common insect pests, describes the  
type of damage and gives direc-  
tions for treatment, complete with  
dilution chart for mixing sprays.  
Copies are available from your  
county extension agent's office.

## Don't Name It

Recon the activities down the  
school way are terminated for a  
time—and bet the teachers are as  
glad to get a vacation as the stu-  
dents. We believe we have a  
mighty fine school—and are rap-  
idly building up the school plant  
to be second to none in our clas-  
sification.

Just wonder if the older child-  
ren get a big kick out of finish-  
ing their school work and then  
attending vacation Bible school.  
Apparently they do—as the at-  
tendance at both the Baptist and  
at The First Christian church is  
outstanding—and the kids all  
seem to be having lots of fun.

Recon they (the older ones)  
want to get all school activities  
behind them so they can enjoy  
their vacation uninterrupted. Of  
course some of the young men  
will be tied up in harvest work  
pretty soon—fact is that some of  
them are plowing this week—and  
it will be mighty hard to hold  
a vacation bible school for any  
other social activity this harvest  
season. All indications are that  
every one able to work will be  
pretty busy from June 20th un-  
til after the harvest.

From comments heard on the  
streets we learn that the rank  
wheat is still needing moisture to  
grow into a REAL FILL and to  
harvest the bumper crop we hope  
to harvest this year. Also learn  
there is some wheat falling down  
and this means a reduction in  
the yield. But if we live up to a  
19 bushel average over the Golden  
Spread, there will be more  
wheat in Hansford county than  
storage—or than facilities to ship  
the wheat that cannot be stored.  
Am mighty afraid that we will  
see a lot of wheat piled up on the  
ground around the various eleva-  
tors of this county.

We learn with a great deal of  
regret that ole John Santa Fe  
is planning to take off our Doodle  
Bug train in the near future. It  
seems the company lost nearly  
thirty eight thousand dollars the  
last year the train has been op-  
erated. While we can see that it  
will b difficult to continue the ole  
Bug with such losses, we just  
wonder if the traffic of freight  
and express might not bring the  
operation cost out of the red. We  
all know that Perryton and Spear-  
man and Morse will continue to  
grow—and it looks reasonable to  
expect an increase in the class of  
frt. and express and mail carried  
by the Bug. Anyway, the Santa  
Fe received quite a bit of land

as a bonus for building the R. R.  
through this area. We understand  
that they still have a lot of min-  
erals under some of this land—and  
it seems reasonable that they  
should operate the Bug at a loss  
for a year or so until time could  
prove that it would not have a  
chance to become a profitable  
train again. Ole John Santa Fe  
has always been a friend to this  
area and I believe that some of us  
should organize a movement to  
persuade John not to abandon  
the Bug for a while yet. Would  
like for the C. of C. to look into  
the matter and see what we can  
do. Understand that John has not  
yet appeared before the R. R.  
Commission asking for the right  
to discontinue this train.

The country editor bought one  
of the Arthritis books that were  
distributed by Cooper and Malin  
out of Amarillo recently. We list-  
ened to the writer of the book  
who appeared on TV at Amarillo  
a couple of Sundays ago. So far we  
have not started the diet that is  
suggested—or rather the outline  
for eating and drinking. The man  
who wrote the book allowed as  
how our joints needed oiling, and  
seemed to think we had the ne-

cessary chemicals to produce the  
oil in our body. He allowed as how  
we could manufacture our own  
cartazone (that aint the way to  
spell it but arthritis suffers know  
what i mean). I will give the book  
a fair trial and if get results i  
aim to buy the books wholesale  
and let my friends have em at  
cost.

## Gruver Music Club

The Gruver Music Club closed  
its club year with a "Music in  
the Home" program May 14, 1958.  
Mrs. Harley Alexander the re-  
tiring president, presided. Mrs.  
W. L. Maupin gave the musical  
note. The opening number was a  
vocal trio, "On the Good Ship  
Lollipop", by Debby, John, and  
Mark Irwin.  
Darlene Cooper and Merrilee,  
Wesley and Shirley Maupin  
gave the pledge to the flag  
and led the group in singing  
"America".

Kurt Eiling accompanied by  
Van Eiling, sang "Goodby Old  
Paint". Ronnie McClellan, accom-  
panied by Mrs. Sluder, sang  
"Sugartime". Little Tom Walder  
sang "Catch a Falling Star."

accompanied by Carlita Knight.  
Walter Murrell concluded the  
program singing "Goodby Old  
Paint" while accompanying him  
self on the uke.

Mrs. A. C. Bort gave the history  
of the hymns of the month, "Jesus,  
Still Lead On", then along with a  
chorus composed of Marilyn  
Alexander, Philis Mathis, Vireta  
Knight, and Agatha Rafferty led  
the group in singing this hymn.

The group adjourned to the  
fellowship hall where the host-  
esses, Mesdames Glenn Truax,  
David Alexander, and Bobby  
Alexander had lovely refresh-  
ments waiting. During the social  
hour Mindy Murrell and Kurt  
Eiling presented a tap routine,  
"Dancers on Parade". Members  
in attendance were Mesdames:  
Harley Alexander, A. C. Bort, A.

### Brand New Brood

A. S. Jackson, Canadian, reported observing a turkey hen with a brood of young last week. Mr. Jackson said that he didn't get near enough to the young turkeys to count them but they appeared to be about three or four days of age. The brood was observed on the Gene Howe Wildlife Management Area north-east of Canadian.

A dry spring is always better for a good turkey hatch; however, even though it has been wet this spring, there were no washing rains to disturb or wash out the nests. Probably we will have a good hatch this year and the birds should grow at a fast pace, considering the large amounts of weeds and insects.

Turkeys hatched in May and killed in November will be six months of age. That seems a little young but these early hatched birds will weigh over twelve pounds this fall. Some turkeys will be hatched in June and perhaps some in July. These will be smaller but should be of sufficient age to determine the gobblers from the hens.

### Conchas Overflows

Millions of gallons of precious water will make its way from New Mexico through the Texas Panhandle into the Gulf as a result of Lake Conchas being more than full. It has been nearly ten years since the lake began to dry up. For the last few years the river above the Borger bridge has become dry for miles in places. There should be a steady stream flowing all summer.

### Canadian River Dam For Free

If there were some way to trim ten percent from all foreign aid with the funds earmarked for the Canadian River dam we could, in my opinion, have us a huge lake in less than two years. Guessing at the future as from the past — my guess is that the dam will be constructed in, say, about 1999 or later (I'd be willing to settle for a 40-foot dam for flood control instead of the proposed one, if we could get the 40-foot one started this year.)

If there were a series of dams

constructed from the New Mexico line to the Oklahoma State line we could have lakes for hundreds of miles in this so-called desert.

### Attention, Turnip Green Connoisseurs!

Thousands of acres of wild "Lamb's quarter" decorated many of the bar-ditches all through the Panhandle. Lamb's quarter is simply a weed, but it is delicious food when prepared correctly, especially for those who relish spinach, turnip greens or other green vegetables. In a few more days the weed will probably be too well matured to be suitable for the table. Of all the green vegetables, including poke salad, this one is far more tasty.

Proper way to prepare the weed is about the same as for spinach. Wash thoroughly, boil a few minutes, then wash or rather, pour off the water, and add more, then cook until done, add bacon grease and salt and fry or cook until practically all the water is cooked away.

### Strictly Professional Bird Dog Trainers

The American Field, the number one dog magazine in my opinion, has listed a score or more topnotch trainers of bird dogs. Many of these trainers will go to Canada and work dogs on native wild prairie chicken on the Canadian prairies this summer. The usual fee, if I'm not mistaken, is \$200.00 for the Canadian summer training. Such noted trainers as Jack Harper, Benton, Mississippi, the trainers of last year's National Champion, Delmar Smith Edmond, Oklahoma, plus many others are still looking for a few dogs to take to Canada. About four months will be the length of the training period, which will add up to \$50.00 per month.

There have been many Panhandle dogs that have made the Canadian trip, including those owned by D. T. Fuller, Borger, Sibley Jines, Perryton, and Jim Bell of Amarillo.

Last year Pleas Harrison, deceased, and Myron Blackburn, two Pansandale boys, went to Canada and observed some of the

TOP ENTERTAINMENT—The Desk Show Chevy Show—Sunday—NBC-TV and the Pat Boone Chevy Showroom—weekly on ABC-TV

The Biocyte Two-Door Sedan with Body by Fisher. Every window of every Chevrolet is Safety Plate Glass.

## NOTHING SO NEW—NOTHING SO NICE—NEAR THE PRICE!

THE '58 CHEVROLET is the one honest-to-goodness new car in the low-price field—the only one with beautiful new gull-wing styling. And you'll find it offers the year's most rewarding advances in ride and performance.

It stands out like a newly minted coin. Its clean-cut beauty—its flashing reflexes—give it a new look... a new feel.

Yet, with all its exclusive advances in styling and engineering, this new Chevrolet is priced surprisingly low. In the models most people buy it's actually the lowest priced of the low-priced three. \* So any way you look at this new Chevy, you just can't make a more beautiful buy.

Every model gives you a choice of two all-new rides that are as smooth as cornsilk, an all-new Body by Fisher that's lower, longer and wider, an all-new Safety-Girder frame that's X-built for extra rigidity.

If you haven't yet driven a new Chevy, don't put off the pleasure any longer.

The only all-new car in the low-price field.

Ladies Aid every last Thursday afternoon of each month  
Luther League on Sunday evening every three weeks.

There are several different churches in the town of Spearman and I am very happy that it is so. Each church group has its own personality and it is the appeal made in its own right that makes it possible to have an alive and meaningful religious experience. Jesus referred to the Church as His bride. You well know that there are "more pretty girls than one." The same is true in the attractions to be found in the faithful and reverent expression of faith as expressed in and through our churches. No one person would claim to be perfect. But there is one who is perfect, even Christ. So, as a diamond reflects the rays of light which strike it in many ways, there are many aspects of what faithful men have come to believe reflected by the various groups, all honestly studying the Word and endeavoring to follow the leadership of the scriptures. You surely can find a church here that will meet your needs.

We are proud of our town and the aliveness we see. Many of us are old settlers in this community, while there are many more who are new comers. That does not mean that the old settler is all good nor that the new comer is the villain. Together we can work to make this community what it ought to be, a place where we can live in the assurance that we are among friends, where we can rear our children in safety, where we can work and make a living honestly. This means that we will give ourselves to our civic responsibility by voting in elections, supporting our officials and encouraging them in their work. It means that we will work for and support our schools. It also means that we will want to support the churches of the town. We would not want to live in any community where there was not a church. So, as guest writer this week, let me invite you to attend the church of your choice. Be loyal and support it with your prayers, presence, services, and talents. Give to its support. Don't be a parasite, drawing off the good which comes from the influence of the church in the community and giving nothing back in return, but be a helper. If, for any reason which you may have, you have not given your loyalty to Christ nor become identified with any church group, we invite you to worship with us in the Methodist Church located on the corner of 4th ave., and S. Haney. If you are a Methodist we give you this special invitation, come worship with us. See, you in Church!

**Thomas Rites Held in Spearman**  
Appropriate rites for Albert B. Thomas were conducted Tuesday afternoon in Hansford cemetery by Rev. O. L. ... of the First Baptist Church.

Everyone was under the direction of the Howell Brothers Funeral Home.

Mr. Thomas, a retired laborer, was visiting out of W. L. Lawson's home at the time of his death. Mrs. Lawson said she had been wondering why she had not seen him around so she sent her husband over to see about Mr. Thomas lying in his bed at first he thought he was only sleeping and his wife thought he had been lashed out. Mr. Lawson then called Sheriff J. B. Cooke who found Mr. Thomas was dead.

Everyone include two daughters, Mrs. Viola Reherson of California, and a son Howard of Amarillo.
