Teachers And Hospital Staff Enjoy Fry

The Spearman Loins Club was host to the teachers and hospital staff at the annual chicken fry, Tuesday night. Bob Vaughn introduced the hospital staff, and Mr. Smith and Mr. Carpenter introduced the teachers. Bud King, Virgil, Don, and Jerry Floyd, Alton Ellsworth, Pete Fisher, Roy Jones, Waid Griffin, and Dub Davis, were part of the Lions who helped prepare and serve the fine chicken. A good time was had by all who attended.

Card of Thanks

We wish to express our appreciation and thanks for the many expressions of sympathy for the cards, for the beautiful floral offering and also for the numerous memorials given during our recent bereavement. Ernest Hester family George Buzzard family

City P-TA First Meeting Monday Night September 9

The Rev. J. Waide Griffin, President, called the first meeting of the Parent-Teachers association to order Monday night at 7:30 p. m. in the school auditorium. Reports from the Finance chairman stated only one project was slated for this year; that is serving of Chamber of Commerce banquet. The membership chairman said a drive was scheduled for October. Mrs. Don Knox was elected to the office of Treasurer. Miss Susan Sheets entertained a good crowd with several piano selections. Mrs. Helen Fisher gave the devotional on "Venture in Partnership," and closed the meeting with a prayer.

The meeting adjourned to the classroom where parents met the teachers and visited for a while. At nine o'clock the cafeteria was open to a social hour for refreshments which were served by second grade mothers. Children were entertained with movies shown in the study hall. The PTA will meet the second Monday night in each month.

Teen Town Notes

Teen Town wasn't very well attended last time; but those who did go were pleasantly surprised. The long awaited juke box is finally here. Teen town will next be held Friday 13th, after the Football Game with Gruver. Everyone is invited and urged to come.

Farmers' Favorite

First Miss Rural Electrification of Texas is crowned after selecting during Seventeenth Annual Membership Meeting of Texas Electric Cooperatives, Inc., in San Antonio August 29-30. She's Sydney Slack of Perryton, seventeen-year-old high school senior. State Senator Andy Rogers of Childress places crown on Miss Slack before 525 rural electric leaders at statewide gathering.

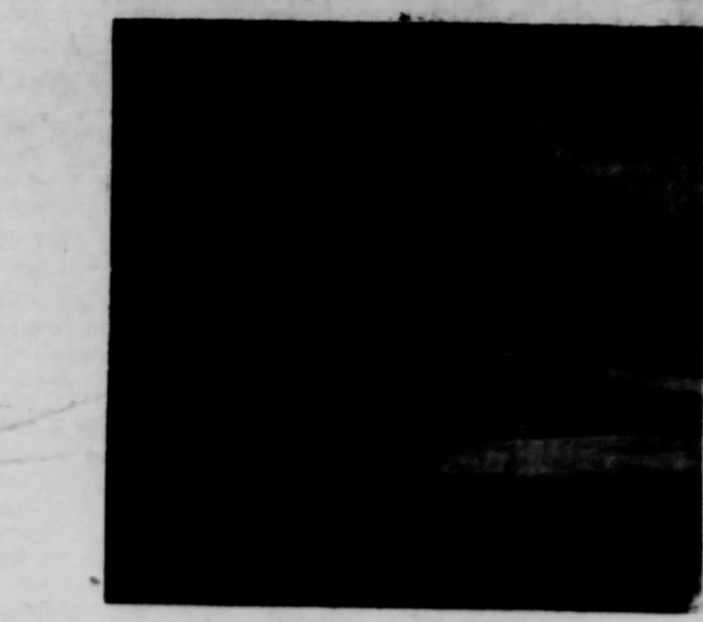

Mrs. Gwenifred Lackey was hostess to Blue Monday Bridge club this week. Mrs. R. W. Morton will be hostess for the next regular session.

Mr. and Mrs. Virgil Hull have vacationed in Arkansas.

Oilboom

The oil activity southeast of Spearman, is continuing at a feverish pitch. New locations are as follows: Foster, Section 4, Blk. 1, near Buzzard well, being drilled by Horizon. Meek-Wilbanks, section 146, Blk. 4-T, 5 miles Southeast of Spearman. Being drilled by Phillips. Yonda section, 5 miles South of Spearman, section 4, blk. 1, W. and N. W. R. R. Being drilled by Horizon. The Garrett Allen and C. N. Ochiltree wells are going to be good wells; these are deep wells, and will have good gas and dis- tillate. The Tom Etter well was in doubt as of Wednesday of this week. Gus Birdwell and Steele wells turned out to be dry holes.

New Church Dedication Service To Be Held Sunday Afternoon, Sept. 15.

Spearman's new church building, pictured above has just finished completion and will hold its dedication service on Sunday afternoon, September 15, at 2:30 p. m. Mrs. E. A. Greever stated, "We will be glad for any of you to attend the regular services thereafter."

Second Annual Spearman Tourney Held Here At Local Golf Links

A field composed of 27 players from Perryton, Borger, Pampa, Phillips, Texhoma, Morse, Rolla, Kansas, Beaver, Oklahoma, Strait, Oklahoma, Booker, and Spearman, vied for trophies at the local golf link Sunday. Don Kaplan, Texas Tech golfer, successfully defended his championship with a record 98 for the 27 holes. Jimmie Linn of Spearman was second, Bill Gray of Perryton was third. A flight winner, Mr. Srygley, from Phillips country club, 2nd, J. E. Gunn of Pampa, 3rd, Buster Brown of Farnsworth. B flight winner, Joe Schollen- barger, Perryton, 2nd place. Bill Bressler, Rolla, Kansas, Consolation winner, Jim Innis, Spearman. C flight winner, Herman Hargrove, 2nd place. Roy Orrill, Perryton, 3rd. H. H. Baldwin, Strait, Oklahoma. D flight winner, Roscoe Sparks, Spearman, 2nd place. Bill Jackson, Spearman.

The enthusiasm for golf in Spearman, and Hansford county, is outstanding. Many new faces appear at the golf links each week, and plans are now under way for the big county tourney, to begin soon. If you are a golf fan, contact the local club.

Hansford Shriners Plan Trip To Borger Ceremonial Today

Hansford county Shriners will join approximately 1000 other members of this area for a York Rite Festival and a Shrine Ceremonial to be held at Borger today (Thursday), Friday and Saturday September 12-14. J. L. Brock and E. C. Copeland of Spearman will be Novices, candidates for the Shrine degrees at the Ceremonial.

The York Rite Festival opens at 9:00 a. m. today. The committee was very fortunate to secure some of the outstanding men of Texas for the programs. This includes Allen J. O'Brien, Grand High Priest of the Grand Chapter of Texas; W. W. Simmonds, Grand Master of the Grand Council, R. S. M. of Texas; H. B. Beard, Grand Commander of the Grand Commandery of Texas.

The Shrine program will begin with registration at the Borger Hotel at 9:30 a. m. Saturday, immediately after registration.

Quite a number of Hansford Shrine members plan to make the trip this week end.

Hansford Farmers To Attend DeKalb Sorghum Field Day

The second annual Hybrid sorghum Field Day will be held September 17 on the DeKalb Hybrid Sorghum Research farm northeast of Lubbock. This is one of the outstanding farmer field days of the year and is especially designed to furnish the latest information on hybrid sorghum research, new farming techniques and irrigation practices.

Carroll P. Streeter, editor of the Farm Journal, will be the keynote speaker for the event. This is an all day affair starting at ten o'clock Tuesday morning, September 17. The morning program is a guided tour of the farm with Dick Holland, research farm with Dick Holland, DeKalb Sorghum Breeder, in charge. Dick has several thousand and replications of sorghum breeding work under way that will be on display. Farm machinery and irrigation equipment along with insecticides and fertilizers will also be on display for interested farmers. The county extension office of Lubbock and the SCS are cooperating along with several business houses, the Lubbock C. of C. and the Avalanche Journal to make this one of the biggest farm events in the South Plains.

The noon luncheon will be served by the Lubbock county 4-H council at the DeKalb research farm. The afternoon program starts promptly at 1:00 p. m. and includes a talk on irrigation practices, a farmer panel discussion on Hybrid sorghums and the keynote speech by Carroll Streeter on our farm situation as it affects Texas farmers.

This is a public event and free to the public. All farmers are urged and invited to attend.

Cub Scout Meeting

All boys eligible for Cub Scouts be sure and attend the meeting at the high school, Monday night, September 16th, 7:30 P. M. Your parents or parent, must accompany you to the meeting. For further information about the Cub Scouts, contact Buck Robinson.

Mr. and Mrs. R. L. Porter returned the past week end from a trip to Idaho where they visited their daughter, Mr. and Mrs. Frank Haas and daughter.

NOTICE

The scheduled game between Sunray Kittens and Lynx Kittens has been changed. The game was played at Sunray Thursday afternoon. It was scheduled to be played in Spearman Thursday night.

Club Women Plan Tour To Woodward September 19th.

Final plans for the long awaited tour to Woodward by the Home Demonstration Club women of Hansford county has been complete. They will leave the Spearman courthouse by chartered bus at 7:45 a. m. Thursday, September 19, 1957. A most interesting tour has been planned by Mr. Marsh B. Woodruff of the Woodward C. of C.

Places of interest to be visited are: Tesoro's Western Wear Manufacturing of Western Wear and largest manufacturer of fringe leather coats in the U. S. A. They also manufacture squaw dresses and other western wear. U. S. South Plains Experiment Station, Coca Cola Bottling Co., a bakery, florist and municipal rose garden will be visited. The group will take a sack lunch and at noon time they will visit the Boiling Springs State Park.

The group will leave Woodward about 5 p. m. and arrive in Spearman at about 7:30 that evening.

Home Demonstration club women may make their reservations by sending their names and \$5 to Mrs. H. M. Shedeck, Expansion Education chairman by Sept. 14. It is necessary to have the reservations by Saturday in order to charter the size bus to accommodate the group.

All H. D. club members are urged to make plans now for this event that we have all been looking forward to far quite awhile.

Hail Storm Past Week

A hail storm southeast of Spearman did some damage to Maize and Wheat last week. Probably the best wheat in the county, owned by Wright Hale, will have to be planted over. The wheat was literally "pasted" to the ground after the big hail and rain storm. Damage to Marcus Larson, Crooks, and Porter maize was estimated from light to negligible.

Market Report

Wheat	1.85
Milo	1.55
Barley	.73
Oats	.60

and get acquainted with the boys. Also, beginners are welcome, and it is considered one of the outstanding sports in the world.

High Plains Girl Named First Miss Rural Electrification of Texas

She was selected from eight finalists from throughout Texas during the Seventeenth Annual Membership Meeting of Texas Electric Cooperatives, Inc., in San Antonio August 29-30. She will compete early next year for the national beauty title.

On the business side, rural electric leaders attending the conference highlighted the legislative problems of the electric cooperatives of Texas.

They stressed their dissatisfaction with the so-called "REA bill" passed by the Texas Legislature this spring. They also discussed the need for more favorable legislation in the next session.

An all-time record of 525 members attended the meeting in San Antonio. They heard talks by three legislators, and REA special consultant, and a Texas editor who declared that Texas politicians stinks like a rotten egg that has been broken open.

The editor was Ronnie Dugger of the "Texas Observer." He urged support of a lobby control law such as was advocated by Governor Price Daniel during the last session.

One of the legislators was Senator Henry B. Gonzalez of San Antonio. He supported the bill advocated by the electric co-ops in the last session.

"My philosophy has always been to be for that which was the greatest benefit to the greatest number of people," he said in explaining his support of the co-op bill.

Other legislators who spoke were Senator Charles Herring of Austin and Rep. Alton Jamison of Sanger in Denton County.

W. G. Newton of Lubbock was elected president of the TEC board of directors. Other officers elected are Floyd Carter of Van Alstyne, vice-president, and W. C. McWilliams of Fredericksburg, secretary-treasurer.

New members of the board are Troy Mitchell of Kirbyville, Truett W. Ballev of Cleburne, and O. W. Davis of Gonzales. C. L. Newton is the other member of the board.

The other seven finalists in the beauty contest were Miss Deaf Smith County Electric Co-op, Jo Ann Fowlkes; Miss Midwest EC, Nelda Smith; Miss Lone Wolf EC, Virginia Templeton; Miss Wood County EC, Carol Courtney; Miss Waxton County EC, Ramona Barton; Miss Guadalupe Valley EC, Gretche Niebuhr; and Miss Hall County EC, June Ross.

Miss Courtney, Quitman, was named alternate for the national contest.

Panhandle Outdoor Life

by s. v. whitehorn

It would be interesting to know what the total mourning dove population in the United States was. It would be more interesting to know what the annual production was of these birds and to know if the overall population was on the increase or decline. Do we have a million doves in the U. S. or do we have fifteen million? There has been much constructive information gathered and as time goes on there will be much more knowledge learned about the ways of the doves. If the game managers knew what the average yearly kill was how much the reproduction amounted to plus the yearly natural die-off it would be simple enough to set the daily bag limits plus shooting hours and length of season. If the carrying capacity of this country was fifteen times greater than the amount of breeding stock then we would need to let the population build up to the point where there could be fifteen times more reproduction. It would appear that it would be next to impossible to learn all these facts—but as man progresses and as time passes there develops more scientific ways to get at the facts. With increased funds to explore the field there will be much more needed knowledge obtained and the hunter in the field will reap the harvest.

What has happened to all the doves we usually have this time of the year here in the Panhandle? From my observations we have very few doves here in the Panhandle at this time by comparison.

Some have said that the nature of any game species becoming extinct is similar to pond drying up. In the center of the pond there is as much water as ever but the shoreline receded at first. Soon the shoreline will be near the center of the pond and finally the pond will be dry. So it is with the game birds. In the certain areas, dove areas, there will or could be a heavy population which

fringes of the range will be unpopulated. What is the situation pertaining to doves in the United States?

There are certain interesting facts that have been compiled. We do know that mourning doves will nest eleven months out of the year in Texas. We also know that in the peak of the nesting season young doves will fly from the nest in about eleven days and in a few more days the parent doves will start a new nest with two or more eggs will be laid, usually. It is difficult to make a correct concrete statement about any kind of wildlife mainly because wildlife doesn't always do the usual thing. As a general rule doves lay two white eggs in their nest but sometimes there are three eggs in the nest and sometimes there are three young doves in the nest instead of two. Jack Wodford stated that he has found as many as five eggs in one nest. Doves hit their peak in July and early August in the nesting activities but a few years back A. S. Jackson, Wildlife Biologist of Canadian, banded a dozen young birds on the nest at the Ochiltree County cemetery on Sept. 10.

The above information wasn't stated because I think the dove season should be closed or that I think the population is on the decline. It was mentioned because hunters are interested in the trend of game birds and animals. I don't know if the population is growing or falling-off.

CANADA HERE WE COME

Jim Bell, Carl Duffield plus a few other Texas bird dog men have been in Canada this summer training their dogs on wild prairie chickens. The Canadian prairies, with the cool damp days, affords the best place on the North American continent to train dogs in the summer time. The young chickens will hold for the dogs and they will fly short distances when flushed instead of flying 'out of the country'. There will be field trials for the dogs starting September 1st. These Texas dog men will compete with handlers from all over the States plus Canadian trainers.

All this sport was too much for Myron Blackburn and Pleas Harrison of Stinnett. These avid field-trailers are setting sail Sept.

ist and will spend a week visiting the kennels and training grounds of the top bird dog men. They will also attend the Canadian Field trials.

ANTELOPE PERMITS

Deadline for mailing in an application for an antelope permit is August 31. If you are interested in hunting the pronghorn then write the Texas Game and Fish Commission at Austin and request an application blank and get in the mail before the 31st. The hunting will be in the north west part of the Panhandle and there will be about 200 permits issued. There will also be antelope hunting in the Trans-Pecos area.

New Hunting and Fishing License

New license will be available at sporting good stores this week. Your old license will expire the 31st of this month. Play safe and get your license now. They will be good for one year or until Aug. 31, 1958.

Turkey Crop in Panhandle

There hasn't been as many young broods of turkeys observed this summer as in some summers but that is a small wonder considering the tall weeds in the turkey ranges. In some areas sunflowers are ten feet high. One quick dart and the huge game birds would be out of sight and they are very adept at making themselves inconspicuous. The dense cover will also aid the bowhunter quail rather than the hunter. With the large amounts of food and cover in the Panhandle the carry-over of game species should be excellent and thereby getting the stage set for a good send-off for the 58 hunting season.

Panhandle Outdoor Life

By S. V. Whitehorn

According to information received from the Colorado Game and Fish department a non resident can buy a non resident hunting license for \$40.00 and then be allowed to purchase a resident or second license for about \$8.00 and will be given the privilege of killing 4 deer in many parts of Colorado. At first when this information was received from some of the hunters in this part it sounded like a wild rumor but never-the-less it turned out to be the plain truth. For further information write the "Game Department" in Denver.

Know Your New License Requirements

If you study the new hunting and fishing regulations you will be in a position to give information instead of ask for the information. The following is straight from the Texas Game and Fish Commission in Austin.

Section 1. Resident Hunting License:

No citizen of this state shall hunt any wild bird or wild animal outside the county of his residence without first having procured from the Game and Fish Commission, or one of its authorized agents, a license to hunt, for which he shall pay the sum of three dollars and fifteen cents (\$3.15).

Section 2.— It shall be unlawful for any citizen of this state to hunt take or kill any deer or wild turkey in this state without first having procured from the Game and Fish Commission, or one of its authorized agents, or any county clerk, a hunting license.

Section 3.— No citizen of this state who is under seventeen (17) years of age or sixty-five (65) years of age or over shall be required to pay the fee prescribed for the license provided for in this act; nor shall any citizen be required to pay said fee before taking, killing or hunting on the land on which he is residing. Provided, however, that any person exempted by this section before hunting deer or wild turkey shall first register with the state game and fish commission, and receive from said commission a hunting license which shall be in the form and signed by such exempted licensee as prescribed herein for license for which a fee is charged; but in addition thereto, such exempted licensee shall clearly show in its face that it is an exempted license.

Fishing License Law.— It shall be unlawful for any person to fish in any of the waters of this state without first having procured from the game and fish commission or one of its authorized employees, or a county clerk or an authorized agent, a fishing license, the fee for which shall be two dollars and fifteen cents (\$2.15).

Section 2. Exemptions.— No person under seventeen (17) years of age and no person over sixty-five (65) years of age shall be required to possess the license provided for in this act.

No person, or members of the person's immediate family, shall be required to hold the license provided for in this act when fishing upon the property he owns or upon which he resides. No license will be required of persons fishing with trotlines, throw line, or ordinary pole and line having no reel or other winding device attached when fishing in the county of his residence. No other fishing license shall be required of a person who holds commercial fishing license issued in this state.

The above was taken from the Texas Game and Fish, a monthly magazine which is yours for two dollars a year if you wish to subscribe. The Texas Game and Fish will keep you completely posted on all hunting requirements plus current wildlife news over the entire state. It could be that much fiction comes from some hunting and fishing magazines, but the articles and stories are written by authorities on wildlife and fresh and salt water fish that are printed in the Texas Game and Fish. If you wish to know the pure truth about Texas

wildlife then send two dollars to the Game department at Austin and request your subscription. (P. S. That is where I get much of the information that goes in this column.)

This fine outdoor publication was not designed to make dollars for the department but to keep the readers informed plus a word of reading pleasure for you was why the Texas Game and Fish was originally started.

Where To Purchase Hunting and Fishing License
Your sporting goods store or hardware stores and county clerk will have a supply of 1957-58 hunting license in the next few days.

Listed below are a few authorized agents: Gruver - R. A. McMillians - Spearman - Spearman Hardware

The human heart rests about eight-tenths of a second between each contraction.

However, it should be rated as gold and the carry over will be rated as excellent. There isn't much sign of quail at this time but as wildlife biologists have stated: "The game has no need to travel" in that they can fill their craw with food without having to move ten feet.

Quail hunting will be much more difficult this winter since a pointing dog will be concealed a few feet from the hunter by the lush cover. Dogs will be necessary to retrieve the dead birds. With any sort of favorable weather, 1958 hunting should be the best in years.

A. S. Jackson, Game Department biologist from Canadian, reported that there were many Spanish Redlegs in the Childress area. This is the site of Redleg release for the last few years. Jackson stated that while no birds were observed in a recent survey, there were ample tracks of both adult birds and young.

The smaller tracks could have been tracks of blue quail but it would be natural to assume that they were of young Redlegs. Cover and weeds are so thick that it would be difficult to accurately determine the exact situation or status of the birds.

Another report from north of Canadian is to the effect that a farmer noted two large birds that appeared like quail but which were as large as prairie chickens. These two birds had a brood of some dozen or more young with them. The area was near the release site of the Lipscomb County area. From the description furnished, Jackson assumed the birds were probably Spanish Redlegs.

The Ted TeBeest family visited in the Henry Moen home in Guyon on Friday night.

Mrs. Clifford Stedje and children spent Friday visiting with Mrs. Jodie Knudson and children while Clifford and Jodie went fishing. They said that fishnaig was good.

From Thursday to Saturday Joe Walker made a business trip to Wichita Falls and Clifton, Tex. Mr. and Mrs. Henry Moen and Gary and Mr. and Mrs. Dwayne TeBeest and Steven were Sunday dinner guests in the Reuben TeBeest home.

Our Church Council met in the parsonage on Sunday night. Next Sunday afternoon our congregation expects to enjoy a picnic in the Stedje Park together.

Marsh elders, another top notch quail food, are 30 feet high in some of the creek and river low places. The ground will be black with the seeds sifting from the tops of this weed this winter.

In other words, they provide a "self feeder" for the quail that frequent these elder patches in that they dribble out seed as the wind waves them in the breeze. When snow comes, the weeds sprinkle the snow with seeds for the birds.

Probably there will not be a high quail population in many parts of the Panhandle this fall.

with the St. Paul Lutheran Church of Texoma.

We had only a sprinkle of rain here all last week. Most of the farmers here are busy sowing wheat.

Our next Teen Town will be held September 6, at 8 o'clock. Everyone be sure and come and bring someone.

Those attending Teen Town were: Ada Ann Cooper, Hester Leanne Ooley, Winnie C. Boyd, Anna Mitts, Wesley Watson, Frank Sutherland, Sue Ellis, Anna Taylor, Mickey Davis, Hubert Taylor, Brenda Pool, Donald Taylor, Roger Davis, Charles Dixon, Jack Tucker, Sandra Latham, James Novak, Monet Washington, Melton, Mike Melton, Steve Galt, Jim McLain, Jerry Parrish, Roger Mott, Sam Cornelius, Jerry Mitts, Tommy Dugan, Linda Taylor, Harold Gene Bangs, Charles Madden, Ted Scroggs, James Patterson, Lynn Cook, Bob Zack Fisher, Robert Spowens, Carroll Ladd, Richard Ooley, Dana Joyner, Toni Chavelier, Carolyn Collard Wesley Gates, Mary K. Jones, Glenda Bart, Hazel Holt, Martha Sansing, Ann Greene, Connie Anthony, LaMa McCullough, Ann Die, Willie Seitz, C. M. Sampson, Larry King.

Oslo News

The Ted TeBeest family visited in the Henry Moen home in Guyon on Friday night.

Mrs. Clifford Stedje and children spent Friday visiting with Mrs. Jodie Knudson and children while Clifford and Jodie went fishing. They said that fishnaig was good.

From Thursday to Saturday Joe Walker made a business trip to Wichita Falls and Clifton, Tex. Mr. and Mrs. Henry Moen and Gary and Mr. and Mrs. Dwayne TeBeest and Steven were Sunday dinner guests in the Reuben TeBeest home.

Our Church Council met in the parsonage on Sunday night. Next Sunday afternoon our congregation expects to enjoy a picnic in the Stedje Park together.

Marsh elders, another top notch quail food, are 30 feet high in some of the creek and river low places. The ground will be black with the seeds sifting from the tops of this weed this winter.

In other words, they provide a "self feeder" for the quail that frequent these elder patches in that they dribble out seed as the wind waves them in the breeze. When snow comes, the weeds sprinkle the snow with seeds for the birds.

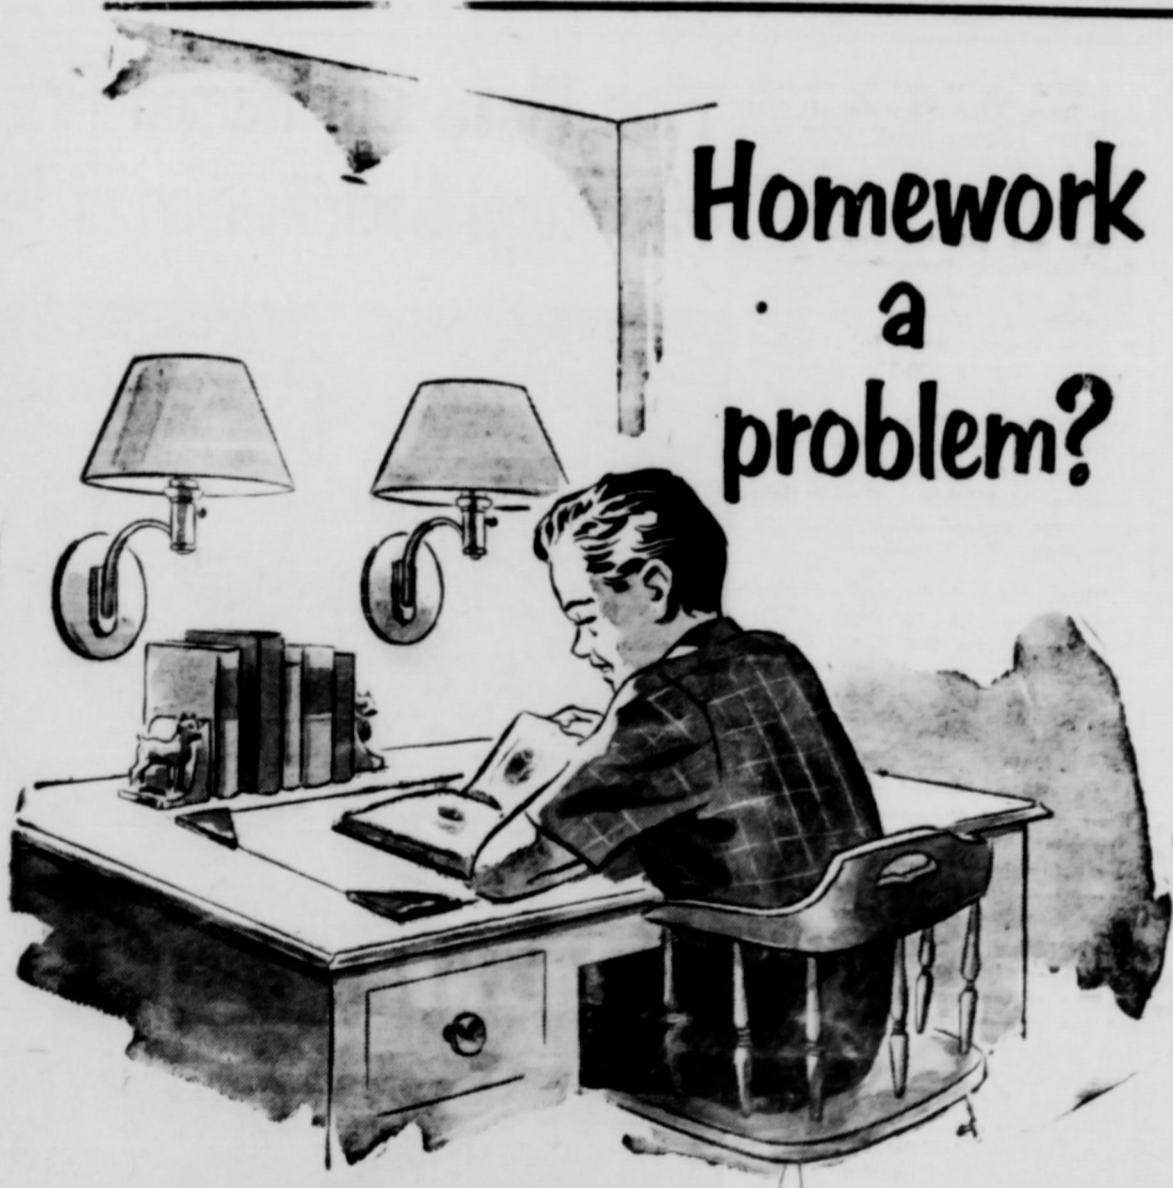

Probably there will not be a high quail population in many parts of the Panhandle this fall.

TEENAGE COLUMNIST—One of our 16-year-old Sunday columnists is an engraved, copper plate by the Winkler County News. She is 16 years of age. Since that time she has

ADVISE ADMEN—A research specialist, a public relations man, and a color in newspaper ads, are among the outstanding speakers who will attend Sept. 7. Occasion is the 7th Annual Advertising Convention of the Texas Admen Association. Speakers, left to right, are Horace Busby, president of the association, D. C. and Austin; Frank R. Fereaux, regional manager, department store, Dallas; and Bob Maddox, manager of Walgreen Drug, Midland, Texas. Attendance of 150 admen is expected.

Homework a problem?

BETTER STUDY LIGHT may be the answer

If your child rebels at doing his homework, the cause may be tired eyes, due to poor lighting. Give him proper light at the study table and watch how his grades improve. Two wall lamps equipped with 100-watt bulbs and placed against a light-colored wall or tackboard will provide plenty of good light for home study. Or use a 150-watt bulb in a well-shaded table lamp, equipped with a diffusing bowl. Better light means better grades!

See your dealer or our office for the correct lamps and bulbs for home study

CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY ...OFF THE ROAD!

An off-the-road run up Pikes Peak was called impossible by people who know the mountain well. But a production Chevrolet pickup actually did it ... to prove its pulling power and ruggedness!

Sleepy grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.

Miles of loose boulders and thinning air offer extreme challenges. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!

Final effort achieved... shows why Pikes Peak... famous for staying and carrying trucks with your Chevrolet!

MYSTERY HOME IS THAT OF MRS. CHARLES D. ROSSON OF HOLT COMMUNITY

Every home pictured above is the lovely (3 bed room) home of Mrs. Charles D. Holt area.

History of this home is the old story of a couple of folk marrying and working out their lives in the same area they had spent much of their lives. Charles Rosson came to Hansford county with cattle and farming from that area. He died in 1956 at the age of 60.

Glenda Sue is the daughter of Mr. and Mrs. J. R. Rosson. Her mother lives only a short distance from the home.

Glenda will remember Charles as an aggressive, hard working farmer and cattleman, who took a pride in his farm and cattle. Both Mr. and Mrs. Rosson had singing as their hobby, and they were responsible for many a fine program in this area during the lifetime of Mr. Rosson.

Two children were born to Mr. and Mrs. Rosson, both preceded Mr. Rosson in death. A 12 year old daughter Glenda Sue died in 1952, and their other daughter, LaVerna Ann was born in March of 1944 and died in 1945. The small house in the picture above is the play house of their daughter Glenda Sue.

The Rossons settled on their home place in 1939 and did all the improving during the years they lived there. It is truly a modern comfortable farm and ranch home with every modern convenience.

home with every modern convenience.

Mrs. Rosson, in addition to her mother has her brother, Cecil Kirk and sister Mrs. O. K. Pendergraft as neighbors. Another brother, R. Daryl Kirk lives at Houston, Texas.

Charles Rosson has one brother, Vernie Rosson living in Spearman, and a brother Tom Rosson formerly lived in the Holt area. There are 4 other brothers who live in the Erick, Oklahoma area.

Washington News Letter From Your Congressman Walter Rogers

TO THE PEOPLE OF THE 18TH DISTRICT: EXAMINING BUREAUCRACY

A special subcommittee of the House Committee on Interstate and Foreign Commerce has been set up during this session of Congress for the purpose of investigating six regulatory commissions. These commissions are as follows:

1. Interstate Commerce Commission, created in 1887
2. Federal Trade Commission, created in 1914
3. Federal Power Commission, created in 1930
4. Federal Communications Commission, created in 1934
5. Securities and Exchange Commission, created in 1934
6. Civil Aeronautics Board, created in 1938.

These were originally authorized by the Congress as independent regulatory agencies, and although they may appear unrelated in name and in specific purpose, it is pointed out they are very closely related under the common theme of regulatory authority. Two have jurisdiction over carriers (railroad, busses, trucks, water carriers, pipelines) and are under the Interstate Commerce Commission; air carriers are under the Civil Aeronautics Board.

upon which they were created. Whether or not such suspicions are true is a question to be answered by the Committee on Legislative Oversight. What the people want is the truth, the whole truth and nothing but the truth on the subject.

A BRIDGE OR TUNNEL

Recently Congress spent one entire day arguing whether or not a tunnel or a bridge should be built across the Potomac River in order to relieve the increasing traffic problem in this area. Some Members were for the tunnel, while others wanted a fixed span bridge, while others wanted a draw bridge. One Member suggested the only solution to the problem would be to build a tunnel high enough so that ship could pass under it—in other words, a high bridge tunnel. Although he was trying to be facetious, many of the Members apparently took him seriously, because at the end of the day much fanfare, trumpet blowing and oratory, the House of Representatives refused to approve any of the proposals. It turned out to be much ado about nothing, because the authority already exists for the Commissioners of the District of Columbia to build another bridge across the Potomac River.

The great need for such a span is evidenced by the terrible traffic jams which occur each day. I agree that a bridge should be built, but I vigorously disagree with many of the proponents of the new span as to who should pay for it. For some reason which seems to be of long standing, it appears that whenever the District of Columbia needs anything, a large and apparently very effective group in the District feel

the entire cost should be borne by the federal government. This is so, whether or not it is for the building of a bridge across the Potomac River or for the restoration of an old stone house in Georgetown, the history of which has never yet been determined. It was this Old Stone House that I fought so hard two years ago, because the investment of federal funds would approximate 250 thousand dollars. To date, I have asked 126 taxi drivers, about 250 Members of Congress, at least 400 citizens of the District of Columbia, as well as numerous strangers, where I could find the Old Stone House. The score, to date, is 4 taxi drivers, about 10 Members of Congress, about 15 citizens of the District, and no strangers who knew of its existence. It is my opinion that the federal government is no more obligated to build a bridge across the Potomac between the District of Columbia and Virginia, or to restore an old stone house, simply because it is located in Georgetown, than it is obligated to build a bridge across the Canadian River or to

visitors. There were several people from the Panhandle in Washington last week, and it was certainly good to visit with them. They included Mr. and Mrs. Frank Hinkson, Carolyn, Barbara, Frank and Michael Hinkson from Lazbuddie; Mr. and Mrs. C. O. Pryor, Frank, Martha and Lynell Pryor of Pampa; Honorable W. S. Healy, State Representative from Paducah, with Mrs. Healy and their sons, Gene Bill and Stan; and Miss Susan Kirk of Amarillo visiting her brother, Sheriff Kirk, who is on our staff this summer. Randall County Sheriff L. S. (Slim) Johnson and Mrs. Johnson are in the Nation's Capital where Sheriff Johnson is attending the National Academy of the F. B. I.

Intention To Lease

WHEREAS, the Town of Gruver, a municipal corporation, situated in Hansford County, Texas, has determined that it is advisable to make an oil and gas lease covering the following described lands belonging to said municipal corporation, notice is hereby given that the governing body of the Town of Gruver will receive and consider bids for an oil and gas lease covering

the following described thirty (30) acre tract of land out of the acre tract of land owned by the Ethan Stroud Survey, Patent No. 572, Vol. 43, patented by Ethan Stroud, and described by metes and bounds as follows:

BEGINNING at a mound, the Northwest corner of said Ethan Stroud Survey; THENCE South with the West line of said Survey a distance of 411.535 varas to a mound (or the Southwest corner of this tract); THENCE East 411.535 varas to a mound for this tract; THENCE North 411.535 varas to a point in the North line of said Ethan Stroud Survey, amount for the Northeast corner of this tract;

THENCE West with the North line of the said Ethan Stroud Survey a distance of 411.535 varas to the PLACE of BEGINNING.

All such bids as may be received will be opened and considered on Monday, September 16, 1957, and no bids will be considered which do not provide for at least a one-eighth (1/8) royalty or which provide for a primary term for more than five (5) years from the date of execution and approval. All bids made on leases which are to contain special provisions, such as consolidation, etc. should so stipulate in the bid filed with the governing body.

P. H. Westerfield, Mayor
Town of Gruver.

CONGRATULATIONS

to RUSSELL'S

Having a part in the creation of your beautiful modern store has been a great pleasure.

E. D. Mundy

THANKS

TO THE FINE PEOPLE OF HANSFORD COUNTY AND OUR TRADE AREA

Even after 27 years of merchandising in Hansford County we were agreeably surprised at the great number of friends and Customers who visited our store during our formal opening last Friday and Saturday September 6th and 7th.

Naturally we are proud of our store and our new modern fixtures, but we are even prouder of the great number of friends who evidenced their interest in this store by visiting the store during the two days formal opening.

More than 600 visitors were present Saturday Sept. 7th during our Opening Party. This, we believe is a record for this area, and we do greatly appreciate your visit and your interest in the new RUSSELL STORE.

We want to express our public thanks to Don Floyd, Manager of the Spearman Chamber of Commerce for the assistance he gave us in awarding the many prizes that were gifts from the store and the Wholesale Dealers we do business with.

COME VISIT OUR STORE AT ANY TIME. We are glad to have you and will endeavor to earn the loyalty you have given us.

Tears

Oh, the power of tears! At times they are more lovely than her smiles. The damaged finger is a major catastrophe in this child's life. *Trust is radiant in her eyes.* A mother was near to lessen the pain from the misfortune. Perhaps you too have been hurt and deep in the heart.

Did you shed a tear? Try it sometime. It might get some stories told which you could tell in no other way. You may not have a mother, but one thing sure... *you do have a God.*

Tears move people. They tell stories of deep meaning. Maybe the world should cry more. *It would offer more opportunity for God to "come in."* Then soften up and let your lacrymal glands work more freely.

Someone is waiting to kiss away every tear.

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen-to-be declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the church and the church in you" form a combination for good. Be a regular CHURCHGOER and a daily BIBLE READER.

PRESS ASSOCIATION
1957

Spearman Reporter
Daily Headlight, Published Thursday of each week for Hansford County, at Spearman, Texas.
Editor and Publisher
Established Nov. 21, 1919 at the Post Office as Second-Class Matter under the Act of March 3, 1879.
Subscription Rates: Single copies, 5c. Annual subscription, \$2.50. Advertising: Classified advertising, \$3.00 per line per week. Display advertising, 2c a word for every issue thereafter. Any erroneous reflection upon the person or property of any individual, firm or corporation that appears in the Spearman Reporter will be the responsibility of the advertiser.

Mr. and Mrs. Robert Alexander, Sr., Mr. and Mrs. Robert Alexander Jr., Mrs. Coy Holt, Nick Holt, Mr. and Mrs. Pat Holt, and Coy Miles Holt have left here for the annual hunting trip in Wyoming. They will meet Gen. Van Fleet in Rock Springs, Wyo., and will hunt together.

Leo Morrison read us a very interesting letter this morning. It was from his daughter Mary Nell. She and her husband and children are in Costa Rica at a missionary language school. After they have completed their studies they will go on to Colombia as Southern Baptist Missionaries. It is interesting to hear about them and their activities.

We are glad to report that Mrs. Darrell Cooper is making a good recovery. She writes that she will be coming home soon.

Jimmy Harvey, son of Mr. and Mrs. T. C. Harvey Jr. has been in a Perryton hospital. But we understand that he is doing just fine.

The young son of Mr. and Mrs. Jack Dempsey has also been in the hospital, but is also coming along just fine.

Hope you are enjoying the cool weather as much as we are.

Mrs. Shapley In Hospital

In a card from W. A. Shapley, Sr., this week he stated his wife had been in the hospital for 16 days. She had fallen and broken both arms just above the wrist.

Mr. Shapley said he went to the hospital and fed her three times a day. The card was written on the 6th and he thought she was doing just fine.

The Shapleys live in Gruver, but spend the winter in McAllen, Texas, where they are at this time.

Darrouzette Edges Greyhounds In Terrific Opener Friday, 12-0

The Darrouzette Longhorns edged the Gruber Greyhounds 12-0, in the season opener for both teams Friday night at Gruber. The Greyhounds looked good the first part of the game, but penalties early in the game cost them a quick touchdown, and the heavier Longhorns, with their terrific backfield, finally "wore down" the Greyhounds. The Greyhounds will be in almost top shape for the tussle with the Spearman Lynx, at Lynx Stadium Friday night. Kick off time will be at 8:00 P. M. Spearman fans, and school officials think that an all-time high in attendance will be set at Lynx Stadium Friday night. Don't miss this big game.

Dale, Rachel Harris At Wayland Soon

Plainview, Sept. 12 (Spl.) Two Gruber citizens, Dale and Rachel Harris, arrive tomorrow at Wayland Baptist College with other members of the International Choir for 40 hours of intensive practice before registration day, September 16. The extra week of practice will be utilized in preparation for the choral group's performance at Wayland Convocation, September 18, and the Baptist General Convention of Texas, November 7. The choir will rehearse from seven to eight hours a day during the week before registration begins, according to W. E. Steward, choir director. Dale and Rachel are the children of Mr. and Mrs. Ben Harris. Dale, a sophomore, sings in the bass section, Rachel, a freshman, will sing with the alto section.

Lt. Bob Fletcher At Tyndall A. F. B.

Tyndall Air Force Base, Fla.—Lt. Robert N. Fletcher is attending the eight-week radar course of the USAF Aircraft Controllers School at Tyndall Air Force Base, near Panama City, Florida. The 23-year-old Air Force Officer is the son of Mr. and Mrs. Gay H. Fletcher of Gruber, Texas, and husband of Judy Vernon Fletcher of Gruber, Texas. Lt. Fletcher is being taught to direct, through the use of ground radar and radio, our jet fighter planes within firing range of enemy aircraft. His primary duty during peace time is to control rocket-toting jets in practice intercepts—simulating conditions of an actual air attack. He is also learning to use his radar equipment to assist aircraft that become lost and to navigate aircraft around storms. Upon being graduated from the school 23 OCT. 57 he will be assigned to an Air Defense unit somewhere in the United States or overseas to help fortify the radar net work guarding this country and the free world.

GREAT GRANDSON FOR MRS. BUCHANAN
Gregory Allen Wilson son of Mr. and Mrs. Dave Wilson of Pampa, and great grand son of Mrs. J. H. Buchanan was born in Highland General Hospital in Pampa last week. This is the John Allen's first grand child, and Mrs. Buchanan's first great grand child.

Hansford Schools Guests At Tri-State Fair September 16th.

Special Amarillo, Sept. 12: All pupils of the Spearman, Gruber and Morse Schools will be guests of the Tri-State Fair which opens September 16 for six days and nights of fun and competition in livestock, farm and home departments. This year's fair, featuring the glamorous production of Holiday on Ice of 1957, free acts twice daily and the largest railroad show in the south, is expected to set new attendance records. Fair officials say there are two reasons for this prediction—the best year for Golden Spread agriculture since 1950, and the most attractive entertainment program in these exposition's 34-year-old history. Among the unusual attractions at this year's fair will be the appearance on the two last days of the U. S. Air Force Thunderbirds, the world-famous jet acrobatic team, stationed at Nellis Air Force Base in Nevada. This will make the first performance by the Thunderbirds in this part of the nation. Holiday on Ice performances will be staged each night Monday through Saturday, September 16-21, and Saturday afternoon, closing day of the fair. Night performances begin at 8 o'clock. The matinee will begin at 2:30 p. m.

Thirty-thousand free tickets to the fairgrounds were mailed recently to those school superintendents who accepted the invitation of fair officials to participate in this year's exposition. The invitations were mailed last April. A total of 58 schools in the area are to take part in the new program. The free tickets may be used on all except the last day. The 1957 fair will open with a gigantic parade at 11 o'clock Monday morning, September 16, featuring 26 bands, including the nationally acclaimed U. S. Army unit from Fort Sill, Oklahoma. Ice show stars, floats, and many dignitaries.

Gruber WSCS Met Thursday, Sept. 5
The Woman's Society of Christian Service of Gruber, met in the Church Parlor Sept. 5, with Mrs. W. J. Edleman opening the meeting. Mrs. Ed Rafferty gave an interesting lesson with Mrs. R. Campbell helping on the discussion part of the program which was about the Ratification of Treaties in the United Nations and the Covenant of Human Rights. Those present were Mesdames: F. Fleck, C. Winde r. W. L. Harris, A. Evans, T. Dorier, W. J. Edleman, R. Murrell, Carrie Neilsen, F. O. Gibson, A. Bort, Ed Rafferty, R. Campbell, D. L. McClellan, M. F. Barkley, W. A. Shapley, E. Sluder and Ted McClellan. Rev. and Mrs. Calvin Springer and Miss Lillie Bowling visited in Ulysses Kansas Monday and Tuesday with the R. P. Allison.

Busy Bee 4-H

The Busy Bee 4-H club met Sept. 3, to elect new officers. They are: President, Susan Hutchinson, Vice president, Phyllis Davis, Secretary and treasury, Paula Mackie, Reporter, Patsy Kingsley. Club members besides officers are: Shirley Ayers, Deania Leflet, Norma Stowe, Sherry Bonds, Shery Jo Weant, Sandra Kitchens, and Kathy Pattison. The next meeting is Sept. 17, with our new agent, Barbara Fain.

Owens-Pendly Vows Read Recently

Marriage vows united Miss Joyce Marie Owens, daughter of Mr. and Mrs. L. C. Owens of this city, to William Lon Pendley, son of Mr. and Mrs. Gilbert Pendley, also of Spearman, on August 24. The couple reside in Roswell, New Mexico, where he is employed with C. R. Anthony Company.

W. T. To Have Major Increase

CANYON, Sept. 12. (Special)—Another major increase in enrollment is expected at West Texas State College when fall semester activities get underway Sept. 16. At least 2,000 students will begin moving to the campus Sept. 15, when dormitories open. An enlarged cafeteria, two new dormitories, and a major addition to a third dormitory will be ready to receive the record enrollment. The cafeteria addition doubles feeding capacity, and with new housing facilities, nearly 1,200 students may live on the campus. A total of 36 new instructional faculty members have been added to the staff, of whom only 14 are replacements for teachers who have retired or have been granted leaves of absence for additional graduate study. First college event is a faculty breakfast and business session at 8 a. m. Sept. 14 in the cafeteria. Students will begin moving into dormitories Sunday, September 15. Beginning freshmen, who include those students without previous college experience, will meet Monday, Sept. 16, at 8:30 a. m. for an orientation period in the Administration Building auditorium. Faculty meetings will be held at 10:30 a. m. and 1:30 p. m. Monday.

Registration and Advisement Program for Freshmen is slated during the morning of Sept. 17, and registration of freshmen and sophomores will start in the afternoon and continue Wednesday morning. Juniors, seniors and graduates will register Wednesday afternoon and Thursday morning, Sept. 18-19, and classes start at 1 p. m. on Sept. 19. Registration of students will be by alphabetical order, with those whose names begin with "E" through "G" enrolling first. Registration will be in the college library. Students who have not yet mailed in transcripts of high school or college work, are urged to request these records and have them sent at the earliest possible time to Registrar Frank Morgan. First all-college assembly is slated at 11 a. m. Sept. 19, and organization of student activities is slated Sept. 24.

Hansford HD Club

Mrs. Dub Davis was hostess to the Hansford Home Demonstration club Sept. 9. Roll call was answered with "My most enjoyable experience of the summer." Officers of the year were elected as follows: President, Mrs. Daniel Sheets, Vice president, Mrs. F. S. Ayers, Secretary-Treasurer, Mrs. J. C. Hoover, Council Delegate Mrs. H. H. Chevalier. Miss Barbara Fain gave a demonstration on selection and care of fabrics, and emphasized always know what kind of material you are buying. Delicious refreshments were served to Sheets, Hoover, Chevalier, McWhirter, Fisher, Traylor, Parker, Floyd, Ayres and hostess and Miss Rain.

School Bus Safety Laws

Thousands of school children will soon be tromping back to school throughout Texas. Many of them will be transported by school buses. Most people are careful when approaching a school bus which may be standing beside the road or school to pick up school children or allow them to alight. However, we have already had some very bad accidents this year because a child or a motorist, or both, were careless at that very time. Most Texans are aware of the laws which require a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed which is prudent, not exceeding ten (10) miles per hour and with due caution for the safety of such children.

What many persons do not realize is that the very same rule applies when MEETING a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule probably outnumber those who comply. Failure to follow the law in this case can lead to a fine up to \$200.00 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally much more serious. Although the above rule does not always apply when passing a stopped bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious. When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance when passing a car it is only common sense to proceed on past it to a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn or upon a one-way street with two or more lanes, or upon a four-lane highway. However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway. Familiar to all are the restrictions against crossing the center line when approaching within 100 feet of or when traversing any intersection or railroad grade crossing. A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic. Generally speaking when not engaged in passing another vehicle, one should not drive to the left of the center of the roadway.

This column, prepared by the State Bar of Texas, is written to inform not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved. Because a slight variance in facts may change the application of the law. Mrs. Helen Fisher visited her sister Mrs. J. D. Bassel at Brenham the past week. Mr. and Mrs. Don Knox and family visited her parents at Spring Lake over the week end.

DON'T NAME IT

Before we know it, it will be cold weather... dove hunting time... and Elk hunting time. Can you realize that we have the County Championship football game here in Spearman tomorrow (Friday) night. Course the schedule has been moved up a bit... and both teams will enter the contest short on experience. This will be a good time for the Lynx team to record a win. Right now we are in Class B and the Gruber Greyhounds are in Class A. But it is my guess that we will jump to class AA here one year after we play the teams will do their dead level best in the Friday contest. It is my opinion that the breaks and the errors will decide the victory. And I guess that almost everyone else feels the same way. Jonesy Jones of Gruber asked me Monday if I would bet a coke on the game—and I told him yep if he would pick the team to win—and he backed out.

I may not be right, but I was over at Gruber last week a checking up on the football situation and Ralph Edens, the Principal of the school looked up the requirements for classifications in football. In the book we checked, which was the 1955-1956 record book, the rules stated that any high school that had an enrollment of 210 students would be classified as Class AA for football the next year. That would put us up in the bracket with much larger schools including Perryton, Wellington and a lot of other large schools. Do not worry yet. Ralph said he believed the rules had been changed to read that Class AA came when enrollment was 225. Anyway we don't have an enrollment of but 204 so far. But the enrollment is based on the enrollment year, and personally I am expecting a great many more high school students to be transferred to our school this year. I'm expecting 75 new families to be playing class AAA football before I retire or kick the bucket.

Don't have any idea how the Lynx will do this year, but I believe we have a contingent playing that were plenty good in grade school football, and it may be that this will be our year to win—hope so.

You Spearman fans—don't be fooled about the first game that Gruber played last Friday. They met a team that was plenty good last year, and all of the key players are back again this year. The team is reported to be one of the best coached teams in the Panhandle. I am zette who defeated Gruber one touchdown last Friday evening. Understand that the Hounds were a bit unfortunate in getting their quota of penalties, and most of them were on the wrong side of the 20 yard line—fact is they drew penalties within the 10 yard line—but they will be a lot steadier this week after their first game of the season. Hope we can beat the Hounds, but if the Lynx have to lose I had rather it would be to the Hounds than any other team—they are both my teams.

Wonder what happened to the folk regarding the proposal to drill within the city limits. Fred Brandt is the only man in Spearman who talked to this writer—and he said the income would be so small that it would not attract anyone to go to the trouble of preparing their papers to drill just I well in our city. However, he did like the idea of turning over mineral rights to the city of Spearman so the city could derive a bit of revenue from any prospective well or wells that might be drilled in Spearman. Don C. Floyd, C. of C. Manager said that our Borger man was planning to come over and outline in detail his proposal for drilling. When he gets this additional information we citizens may get a little more interested.

I may be jumping the gun, but I can't resist telling you folk that the Baptist are preparing to build a new educational building at our church. We have an enrollment of more than 525 in our Sunday school and at times we do not have enough space to properly train the young students. Attendance is getting much better, now that school has opened. Supt. Vanderburg has an excellent staff of teachers and officers—so the only thing lacking is com-

Social

Members of the Spearman Social Club met at the home of Mrs. J. D. Bassel for a social gathering. The club members present were: Mrs. J. D. Bassel, Mrs. H. H. Chevalier, Mrs. Daniel Sheets, Mrs. F. S. Ayers, Mrs. J. C. Hoover, Mrs. H. H. Chevalier, Mrs. Barbara Fain, Mrs. Daniel Sheets, Mrs. F. S. Ayers, Mrs. J. C. Hoover, Mrs. H. H. Chevalier.
