Mrs. Homer Cluck Honored With Birthday Party

One of the most beloved citizens of this county was honored recently when her family gathered to celebrate her birthday at the Borger Country Club, January 9th.

Mrs. Homer Cluck can easily be classed as the youngest senior citizen of this area. How she has preserved her youthful vigor and happiness is a recipe all would like to know. She spends much of her time traveling, and the remainder of her time working at various civic duties in her home town of Gruver, and is constantly "doing" for her many children.

The Borger country club was the setting for a birthday dinner in the honor of Mrs. Homer Cluck, Saturday January 9.

Feathered mums in cupid vases with greenery streamers were centerpieces on all the banquet tables except the head table which was centered with a most unusual cake. The cake depicted a scene of the old woman who lived in a shoe, complete with baby hanging on the miniature clothes line, a picket fence and a stork sitting on top of the shoe house. It was a creation by Josephine Gruver.

Dr. Don Hackley was the first to stand and pay tribute to Mamma. Then each son and daughter told of an amusing experience they remembered from their childhood. Cecil Chaney gave an outstanding viewpoint on the influence which Mrs. Cluck has been in the lives of her children. Linda Cluck, daughter of Eldon Cluck of Dumas, gave the teenagers point of view. One daughter, Mae Cluck, gave

an original poem about her mother.
How old is mama
Let Me see
I dare not ask her
Or she might slap me.

She's as ageless as time
In her quest for life
Make-up, high heels and Cadillacs
Are her strife.

She hides her worries
And cares with the best
All she's interested in
Is where to go next.

If I live to be a hundred
I know I shall never see
A woman to equal mama
And her life
That's just been
One great spree.

It was decided that they would make this an annual affair. Some forty-seven represented her family. The only ones not present were Mr. and Mrs. Gene Cluck who were in Alabama on business and Warren Hart who was in Kansas.

CATES & SON

The Lynx journeyed about a hundred miles to the Mobeetie tournament and succeeded in bringing back the first place trophy. Jacobs was awarded a gold basketball for being the most valuable player of the tournament guards.

The Lynettes were defeated in the first game by Shamrock by one point, 30-29. They had had luck however, because they were robbed of the winning goal on account of a new ruling they had not studied. No apology is offered because of the loss.

H. L. Heard, C. V. Main, T. R. Shirley, Floyd Cates and Clyde Windom were elected directors of the Chamber of Commerce to serve during 1964. W. J. Miller was serving as secretary-treasurer.

The Lynx bowling alley opened in Spearman. Postmaster and Mrs. Marvin Chambers are visiting in the Rio Grande Valley at Mercedes, Texas this week.

Judge A. F. Barkley, Superintendent W. R. Finley, Rev. W. A. Swim and Com. E. W. King of Spearman attended the district meeting of the Panhandle Water Conservation Association held at Amarillo Wednesday.

Miss May Love, who has been the home ec. teacher at Gruver school for the past two years resigned to accept a similar position with the FSA at Dimmitt, Texas. Miss Jessie Lee Hensley of Lubbock, has been employed for home ec. teacher at Gruver.

Miss Virginia Buchanan gave an interesting musical program at the Lions club Tuesday noon. Miss Buchanan played several popular numbers on the piano. O. C. Holt, Clyde Windom and Bill McClellan were appointed on a committee to arrange volleyball practice for the Lions club is serving his second term as Representative from the ten northern counties indicated today that he would soon formally announce his candidacy for the state senate from the 31 senatorial district.

Sheriff H. L. Wilbanks urges the payment of poll taxes before Feb. 1st. All citizens should pay their poll taxes and exercise the privilege of the ballot. Poll taxes can be paid without paying other taxes.

Full Time Labor Office In City

The Texas Employment Commission has opened a full time farm labor office here in Spearman, according to an announcement made recently by Charles J. Warner, manager of the Borger office.

The Spearman office is located on the second floor of the Courthouse and is in charge of Mr. Warner. It has been established as a sub-office under the Borger office to better serve the farmers and farm labor of our community. Mr. Warner explained

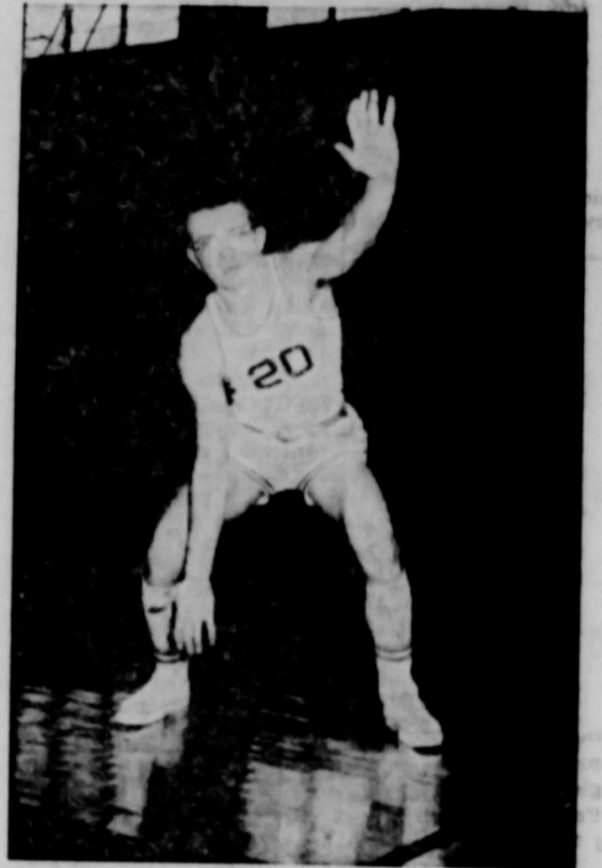

that with the increased irrigation in and about Spearman, and with the loss of the bracero program, and increased need for farm labor, it was their feeling that Spearman should be developed as an agricultural labor center in order that the surrounding

farmers might have a central and convenient point where they could make known their labor requirements, and where labor can ascertain what jobs are available in the area.

It is known that this labor supply cannot be built up overnight, or within a month or two, but in order to accomplish the job, the cooperation of all our farmers will be needed. Farmers should give us their labor requirements as early as possible and thus it may be possible for other labor to be brought into the area to fill their needs. Also, all persons interested in securing work should leave their applications with the local office here

See us. We deliver: a lot of power, not promises.

Even in our lowest-priced Chrysler models, 383 cubic inches of V-8 engine is standard. So is our big size - the factory doesn't build jr. editions. And nearly half our '65 models are priced only a few dollars a month more than some of the most popular small cars, comparably equipped. That figure includes power steering, power brakes, automatic transmission, radio and heater. Mrs. Guy (Blanche) Fuller is pictured above with one of her many paintings now on display at the Perry Memorial Library in Perryton during the month of January.

Mrs. Guy Fuller Is Complimented At Exhibit-Tea at Perryton Jan. 10th

Friends from a wide area attended the exhibit-tea on Sunday afternoon, January 10, honoring Mrs. Guy Fuller of Spearman at Perry Memorial Library. Mrs. Fuller is the artist whose work is on exhibit at the library during January, one of a series that is sponsored by the Sorosis Club. She has given one-man shows in Spearman, Liberal and Perryton and has participated in showings in Amarillo, New York, Pampa and previously at Perryton. Painting seriously since about 1957, Mrs. Fuller has been interested in art all her life, studied at West Texas State University, is now studying with Dord Fitz of Amarillo, and has had work with Charlie Binnell of Colorado Springs. In addition to the oil painting which she is exhibiting, she has

worked with water color and also does china painting. For the tea Sunday afternoon a group of friends from Spearman were hostesses, receiving guests, presenting the artist and composing the houseparty. These were Mrs. C. A. Gibner, Mrs. W. L. Russell, Mrs. Willis Sheets, Mrs. Ray Phelps and Mrs. Bruce Sheets.

Nieces of Mrs. Fuller, Mrs. J. J. Keim of Perryton and Mrs. Buddy Lowe of Gruver, alternated in pouring from the silver service. The table was laid with a lace cloth and ornamented with pink and white flowers, flanked by candles. Coffee and cookies were served. Guests attended from Buffalo and Shattuck, Okla., Arriba Colo., and Gruver, Dumas, Spearman, Farnsworth and Perryton.

The exhibit will remain on display during the remainder of the month and may be seen during the hours the library is open, beginning at noon and continuing until 5 p. m. daily on weekdays.

VEHICLE INSPECTION TIME AGAIN

AUSTIN-Col. Homer Garrison, director of the Department of Public Safety today encouraged Texas motorists to "start the new year with a safe vehicle insuring the 1965 vehicle inspection sticker without further delay.

The Public Safety Director said that approximately one-half of the inspection period has expired and only about one-fourth of the vehicles in the state have been inspected. He added that unless the inspection pace is stepped up, motorists may expect to find the usual waiting lines at the inspection stations when the April 15 deadline approaches.

"The inspection stickers for 1965 have been available since September 1," Garrison said, "allowing ample time for all vehicles to be inspected without delay prior to the deadline. There can be no extension of the deadline and vehicles not displaying the new sticker will be in violation of the law after April 15."

Texas now has more than 5,200 authorized inspection stations over the state. According to Garrison, these stations are ready and capable of handling the remaining uninspected vehicles without delay provided owners do not wait until just a few days before the deadline.

He pointed out that the basic function of vehicle inspection is to detect and correct vehicle defects that might cause an accident. He said that last year vehicle defects contributed to fewer traffic accidents than ever before in Texas.

HEALTH AND SAFETY TIPS

With winter's bitter cold and biting wind back again, it's time to beware of frostbite.

Ordinarily a health problem only in the northern states, frostbite can also hit well down into the south when blizzards sweep in, and those less accustomed to severe cold may be less aware of its dangers.

True frostbite means that the tissues are frozen, says Today's Health, the magazine of the American Medical Association. Crystals of ice form between the cells. Nerves, muscles and blood vessel tissues are most susceptible.

The wind plays an important part in frostbite. The chilling effect of air at 20 degrees moving at 45 miles an hour is the same as 40-below-zero air on a still day.

One of the dangers of frostbite is that you often don't feel it. First thing you know is that you know is that someone else notices that your nose or ear is turning white. The frozen part becomes hard of touch and loses feeling. Many sports leaders advocate a buddy system for outdoor winter sports: two persons are paired off, each watching the other for signs of frostbite.

To prevent frostbite, first be certain that you are properly dressed for the temperature. Avoid overexertion and excessive

perspiration. Avoid contact of bare flesh with cold metal. Don't smoke or drink alcohol.

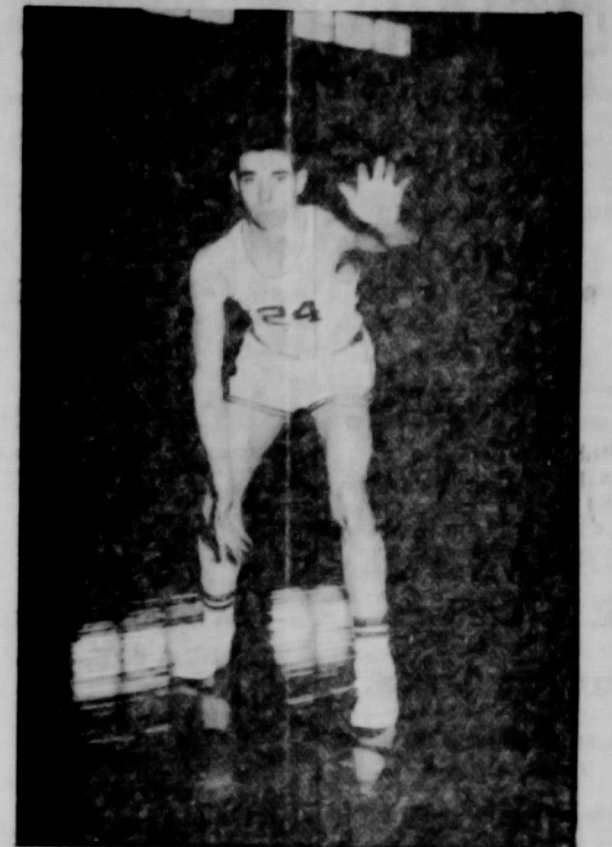

In first aid for frostbite, forget the old saw about rubbing the affected part with snow, and also forget the completely invalid caution against rapid thawing.

Also don't massage or rub the frozen part. Don't touch it at all. Begin rapid rewarming as soon as possible. A hot bath is excellent, but avoid scalding. Hot wet towels will help, changed frequently and applied gently. If no fire or hot water is at hand, place the patient in a sleeping bag, or cover with coats and blankets. Hot liquids will help raise body temperature.

For any frostbite, even a mild case, prompt medical attention is important. The depth and degree of the frozen tissue cannot be readily ascertained, and the treatment will vary with the severity of the injury.

Dress properly and use common sense about exposure in severe cold, and most cases of frostbite can be avoided.

Larry J. Archer In Flood Relief Work

Machinist's Mate Fireman Larry J. Archer, USN, son of Mr. and Mrs. Earl G. Archer of Spearman, Tex., participated in flood relief operations off the coast of Eureka, California aboard the anti-submarine aircraft carrier USS Bennington.

Helicopter squadrons from the Bennington flew 162 missions over the flood ravaged area. They delivered 161,000 tons of supplies, evacuated 167 people and accumulated 213 hours of flight time.

Lynxettes Win From Tulia Hornets Friday

Spearman's Austin bound Lynxettes managed to score a 55-46 victory over the strong Tulia Hornets, at a meeting played at the Boys Ranch Gym Friday night. This victory represents the second victory over the strong Tulia Hornets, since Spearman won from Tulia in the Consolation finals at the AAU Duncanville tournament.

Outstanding work in guarding by Owenby, Hutchison and Bethany Donnell was an outstanding feature of the contest. These excellent guards played interception most of the game, and fed the ball to forwards. Patterson scored 24 points and Wilde scored 23 points.

His father's '65 Ford rides quieter than his father's Rolls-Royce

We know it's hard to believe a Ford could ride quieter than the famed Rolls-Royce. But it's a fact. Leading acoustical consultants conducted tests in which three V-8 powered Fords (Galaxie 500 Sedan, new Galaxie 500/XL and LTD Hardtops) with automatic transmissions rode quieter than a new Rolls-Royce. The tests were certified by the U.S. Auto Club. Of course, the best test of all is to get behind the wheel yourself... and listen to a '65 Ford in action. That's what Chuck's father did. Ford's quietness really impressed him. But it wasn't the quietness alone that sold him. He shopped around and found that Ford offers features and models and quality that simply aren't matched by other cars in its class. For example:

- 100% new body—strongest Ford body ever.
- New frame "tunes out" vibration.
- Decorator-appointed interiors in LTD's, thick nylon carpeting.
- More luggage space than in most competing cars—trunk holds four 2-suiters standing upright with room left over.

- Thrifty, quiet new Big Six—the biggest Six offered by any car in Ford's class... 289-cu. in. V-8 in XL's and LTD's.
 - All automatic transmissions have three speeds, not two as in some competing cars—smoother shifting, more economy.
 - Silent-Flo ventilation (in 4-door hardtops) provides fresh air in car with all windows shut.
 - Handy reversible key works either side up.
- There's more... much more in a Ford than you'd expect for the money. Visit your Ford Dealer and take a test drive soon.

H. & H. WATER WELL SERVICE

County Agent's Report

By ROBERT ADAMSON

Men work at it but finally reach the conclusion it's impossible to be healthy, wealthy and wise all in one lifetime.

WINDBREAK TREES AVAILABLE The deadline for ordering trees for windbreaks from the Texas Forest Service is Friday, February 12.

RODENT CONTROL DEMONSTRATION Farmers and ranchers having trouble with prairie dogs, gophers and coyotes should keep in mind the date of Wednesday, February 17, 1965.

RECREATION LEADERS' LABORATORY May 3 thru 8 of 1965 will be important days.

Any adult will receive invaluable help in all phases of recreation, especially as a leader in Campfire Girls, Boy Scouts, Girl Scouts, Parks and Recreation Groups, 4-H, Church Groups, Summer Camp Staff, or Community Center Work, and "Y's."

The Laboratory will be held at Arrowhead Lodge Assembly, Gloria, New Mexico, approximately 25 miles from Santa Fe on paved road.

lodging, insurance, all instructions, as well as a Notebook containing materials on all activities during the Sessions and instructions for all the crafts and the dances.

For further information, check with Mrs. Jackie McLeroy, 611 W. Andrews, Dimmitt, Texas.

American Legion Shocked At News

The Veterans Administration's disclosure Monday that it will close two regional offices and one hospital in Texas, comes as a shock to The American Legion, according to Department Commander Lewis W. Emerich of Houston.

Under the plan the VA offices in Lubbock and San Antonio and the McKinney Hospital will be closed, effective June 30. "The American Legion is in favor of economy in Government," said Emerich.

At its State Convention in San Antonio last year, the Legion adopted a resolution asking for additional beds in the McKinney Hospital due to the long waiting lists. More beds are needed, not less.

The American Legion fails to see how money can be saved in consolidating the San Antonio VA Office with Houston and the Lubbock office with Waco, Emerich added.

Tole Painting Was Demonstrated For Sorority Members

Members of Xi Zeta Upsilon, Eta Sigma Phi, met Monday, January 18 in the Farm Bureau Building at 9:30 a.m. for a quail luncheon.

Elsie Mathews, president, conducted the business meeting during which time plans were made to conduct the Mother's March of Dimes on Sunday, January 24.

Following the business meeting, a program on tole painting was presented by Elsie Mathews and Ruth Bryan.

DINNER BRIDGE CLUB HAD RECENT MEETING The Saturday night, six tablinner bridge club met recently in the HD club rooms.

Couples attending included Messers and Mesdames: Bob Skinner, Jimmy Linn, Garland Head, Jimmy Hicks, Sid Evans, Winfred Lewis, Ed Dear, Sam Watson, Willis Sheets and Roy Bulls.

The Way I C It!

ROBERT COPDES, PASTOR FAITH & OSLO LUTHERAN Here's a riddle: What is beautiful and ugly, happy and sad, angry and calm, friendly and hateful, kind and selfish? Give up? It's a mirror.

get what we look like when we are angry or cross. But how much more foolish it is to forget that we are God's children and need to live according to God's commandments.

One of the purposes of God's commandments is to act as a mirror for us. We often forget what we look like to God.

When that happens, we start being "doers of the Word." We begin to live lives that really look like the lives of God's children.

Bible Club Meeting Held Fri. Jan. 15

Both Spearman Good News Bible Clubs met Friday 15th in Pioneer Manor with 21 children, 6 teachers and hostesses, and 11 senior citizens present.

Mrs. Winene Nimmo of Alaska conducted the singing service. Mrs. Lavenia Thompson of Morse reviewed the children with visualized Bible verses.

Mr. and Mrs. Fred Nimmo, missionaries in Alaska, are visiting her parents, Rev. and Mrs. W. S. Herring 907 Dresden.

HOMEMAKING NOTES

by Linda Webb Home Demonstration Agent As 1965 rushes in and meets us head on, there are several activities in which homemakers of the area will be interested.

Miss Wright will present 17 complete costumes in newest spring styles, explaining sewing techniques used on new fabrics, and styling techniques.

Local homemakers will serve as models for the fashion show. This program will be presented for your enjoyment and information, free of charge, Tuesday, January 19th.

Rebecca Hutchison, daughter of Mr. and Mrs. Dwight Hutchison returned this week from San Marcos, Texas where she competed in the State "Make-It-With-Wool" contest.

To continue my subject from last week on duties and responsibilities of Club officers, I would like to talk about secretary-treasurers.

Your job consists of the following things, and perhaps other your club expects of you. 1. Keep records of the club. 2. Keep roll and record of a attendance.

4. Write letters for the club and compile club reports; Correct procedure says that the secretary may remain seated when calling the roll, but should stand while reading the minutes.

Complete records should show about each transaction; the date to whom paid or from whom received; for what; and, how much.

Next week, hints for club reporters.

A THOUGHT: The post effort to speed the mail certainly gets results. Bills are being faster all the time.

Mr. and Mrs. H. M. and Mr. and Mrs. Jack M. attended the funeral of Emma Sikes of Fortale, Mexico last week.

Luncheon Bridge At Lair Home

The regular meeting of Luncheon Bridge club was at the home of Mrs. Ray Tuesday of last week.

Attending were guests: Linn and Elaine Floyd, Barbara Schnell, Putts, Margaret Womble, Dawson, Mona Beth Verna Gail Keim, Eloise Betty Porter, Betty Davis, Smith, Kathleen Sutton, and the hostesses.

4-H members of Hansford County are busy feeding and grooming their animals for the Hansford County Stock Show which will be held in Gruver, March 12, 1965. The following 4-H members are feeding calves: Spearman 4-H Clubs - Jerry and Roy Hawkins, Bonnie and Scott Vernon, Bailey Lee Patterson, Glen Mackie, Roy Clay Jackson, Jo Linda Lee; Morse 4-H Club - The McCloy's - Mark, Doug, Bill, Allen, Monte, Delbert and Cheryl, Alva Henderson, Wade Parks, Gerald Ray, Roy and Johnny Scribner. Gruver 4-H Club - Dwight Gillispie, Genna G. Sen, Davy Barkley, Mike and Alfred Raiston, Angie Cator, Ginger Hart Wes Maupin and Joe Dondlinger.
Lamb feeders are Beverly and Gary Heath and Andy Hoel from Gruver.
Swine feeders - Ben and John Wheeler, Kelly Rosenbaum and Bailey Lee Patterson from Spearman.

Sheltered mineral feeders offer protection from wind and rain and thereby lessen waste. The weathervane type is satisfactory if kept level and treated with a rust preventive, explains Thompson. Having the feeding trough 12-18 inches above the ground will permit calves free access to the minerals. The feeding box

should be divided so that only half may be supplied in one compartment and additional minerals in the other.
A mixture of one part salt and two parts steamed bonemeal by weight is recommended for self-feeding where phosphorus is highly deficient. Half and half mixes are best under borderline conditions whereas bonemeal without salt is recommended in saline areas, as in sections of the Gulf Coast. Where salt is fed in mixtures to control protein supplement intake, bonemeal should be fed alone.
Additional information on phosphorus and other minerals needed

by beef cattle is available at the county Extension office.

Home-Making Notes

January 21, LINDA WEBB

The County Home Demonstration Council meets Tuesday, Jan. 26, for its first meeting of 1965. The meeting will be in the Home Demonstration Club Room at 2:00 p. m. Visitors are always welcome to the council meetings.

What is Home Demonstration Council? The council is made up of representatives of each Home Demonstration Club in the county, who bring their ideas for furthering and coordinating Home Demonstration work in the county.

The H. D. Council acts as a means of communication between the six Home Demonstration Clubs in Hansford County; between the clubs and the agent, & between the clubs and various other groups and individuals interested in the objectives of the Extension Service. Council is an advisory committee to the clubs on matters concerning the Home Demonstration clubs.

Officers for the 1965 County Home Demonstration Council are Mrs. Claude Jackson, chairman; Mrs. L. W. Rosenbaum, Secretary; and Mrs. W. B. Barnes, Treasurer. Advisor for the county council is the Home Demonstration Agent, who is responsible for technical training relating to all areas of homemaking for all interested homemakers in the county.

Of course the invitation is always out to anyone who is interested in joining a home demonstration club to contact the agent or any member of the H. D. clubs.

We have been discussing the duties and responsibilities of the club officers this month. This week, I will talk to club report.

Reporting is work; but, it will pass if the reporter will be sure to get in the MUST - the 5 "W's" Who, What, Where, When, Why

The local newspaper editor wants to print items about local people, what they are doing and planning to do. He depends on you for news about your club.

Every meeting of your club material for a news story, but not everything done at the meeting is news. Pick out the things that were different about the particular meeting: Who were the speakers? What did they say? Has anything important happened since the last meeting? What important things did the club decide to do? Who were new officers elected? New members?

Don't confine your stories to meetings. If any member of your club has done something out of the ordinary, interesting or unusual, write a story about that. Variety is the spice needed for new stories.

Here are some points to keep in mind in writing up your story: Write in the third person. Don't express personal opinion. Local names add interest, life & reality to the story. Write simple.

ly - don't ramble. Many times extra words can be left out, or one word used in place of several. For example, use only the word January instead of "In the month of -". Another example: the following phrases mean as much, have more force when the words in the parentheses are omitted: all the (different), first (of all), in (the year) 1949, for (a period of), (in the) meantime.

Write the story legibly or type it, using double spacing & plenty of margin room. Give full names of people, & get to your item as soon as possible. Keep it news, don't make it history. Good reporting takes practice, but it can get to be a habit if practiced correctly.

One last thought: The successful housewife is one who makes no mistakes she can't either pour mushroom soup on or slipcover.

Training Circle In January 14 Meeting

Mrs. Loretta Steele and Mrs. Ernestine Gray presented the

program for the Nell Giles Training Circle of the Baptist church last Wednesday, January 14. Mrs. Steele spoke on the Sunbeam work in the church, and Mrs. Gray spoke on the Girls Auxiliary work.

Attending were Eleanor Douglas, Dora Lee Burrell, Doris Holdeman, Wanda Melver, Omega Chisum, Linda McAlester, Donna Helms, Betty Faneber, Loretta Steele, Ernestine Gray and the hosts.

Time With Its Change

Especially dedicated to the residents of "Pioneer Manor" and those they cherish. Time has brought with it a change.

Responsibility and care have made lives weary. Hands that once were busy from morning until night are weak and can no longer make loved ones merry.

It has not wrinkles on faces that once shone so bright

and eyes have grown dim they no longer can see The beauty of God's great handiwork all about them Nor the need of others as it used to be.

Bodies have bent with the toll and care of the day And the voices of dear children they can hardly hear Feet no longer swift for the duties about them But they long for the hand clasp of them so dear.

The years have so rapidly slipped away But seeds of love and kindness have been sown In the lives of children or of neighbors so dear And surely they shall reap what they have sown.

Soon breath God has given will be taken The Spirit returning to Him from whence it came Bodies laid to rest - unto the judgment On a day appointed by God for man.

These lives are as a flower that has withered Or as a shadow so soon declined Yes as a vapour that very soon will vanish They are only as a breath let us keep in mind.

In the written pages of God's holy word We read "Blessed be the hoary head If it be found in the way of righteousness So we trust they took heed and by God's word were led.

A question is asked in this Holy Word If a man die shall he live again? The answer is given by Christ Jesus the Lord The Redeemer and Saviour of men.

His word declares I am the way the truth and life So the ones who have the Son have life For the wages of sin or unrighteousness is death But the gift of God is eternal life.

So if a life has been lived for Christ On the glorious resurrection morn They shall come forth and immortal stand For of the Spirit they at one time were born.

Now let us compare life with the seasons In the springtime we scatter the seed In the summer or mid age seed is watered And in the autumn the fruit garnered in.

During the winter the soil where seed was sown Lies dormant in a quiet resting place But the new day or time that is to follow Is a reign with Jesus on that glad tomorrow.

HIGHWAY 15 ASSOCIATION Members of the Oklahoma-Texas Highway 15 Association will make formal application for the re-routing of Texas Highway 15 on January 25th, 1965, at a

Meeting scheduled with Highway Commission. The request will be re-routing of Highway 15 from Spearman, Texas to Dalhart. This proposal max more than two years on the part of the representatives from Stratford, Gruver and Dalhart. Perryton, Booker, Darr, Follet will compose a delegation. Representatives Woodward and Enid, have also invited to ing.

A group representing for a new north-south Highway designation will be present at this meeting, headed by representative from Borger and near by.

will ask for a new name to replace Highway 15 through Big Springs.

Hansford County representatives will include John Don Floyd, and Charles

Little League Meeting Soon

Anyone interested in the Little League for Spearman should attend the organizational meeting to be held in the city room of the First Bank, beginning at 7:30 p.m. Monday, February 1st.

John Jennings, president of the Little League, will be in charge. A banner will be presented, and will be a most interesting and enjoyable evening. The assistance of parents and sponsors is most appreciated. Outstanding members of the Little League are: Tommie Jennings, John Jennings, and Charles Jennings. The organization has a record of \$500.00 at this time.

Proceedings are especially being organized to coach members at the Feb. 1st meeting. If you are a business or professional man and can spare some time, be prepared to organize the coaching staff. If you cannot attend, please send word that you will personally serve as a coach.
