County Texas

Monthly old-age, survivors, and disability insurance benefits in County, wherin petitioners assert Hal Geldon, District Manager of that they desire the Court to social security in Amarillo, said order an election to be held in today on releasing his annual

The new monthly figure rep-

"This increase can be attributed to the changes in the law in recents years, as well as to the growth of our aged population, Glendon said, "This money stimulates county business; most of it is spent for food, clothing, and shelter."

"There is no longer any doubt social security benefits are helping to stabilize the income and spending power of many residents in Hansford County.

Monthly benefits first become payable in January 1940, and they have continued without interruption for years, accompan ied by a steady growth in the number of beneficiaries. Geldon also noted that as of January 1 1965, some 382 Hansford Coun tians were collecting about \$286, 296.00 annually from social sec urity, an increase of \$15,552 annsame

January 1965, As nation at large, more than 19 million beneficiaries were rec eiving paymnts at the rate of over \$1.3 billion per month.

The average monthly old-age retiremnt benfit in January was AND FURTHER TAKE NOTICE, \$77.57 for all states, while in the that said petition has been set State of Texas the average was

The following table shows the County, Texas, on the 6th day of number and amount of each type July, 1965, at 10:00 o'clock a.m., of monthly benefit paid in Hanthe place of such hearing being sord County, as of December 31
