## November 2 Texans Will Vote On Ten Constitutional Amendments

February 15, 1876, Texans adopted a new constitution (their 11th). The Civil War had been 11 years. Gen. Grant was in the South. Since then, the constitution has been amended 159 times. On November 2, next Tuesday, Texans will go to the polls and vote on 10 more.

The constitution of 1876 is 115 pages long, compared to the constitution of 1845 which was 17 pages. Texans are usually able to control their enthusiasm for Constitutional Amendment elections. The biggest job is to get them out to vote at all!

## Ele Precincts 5, 6, Combined

At the regular meeting of the County Commissioners Court held Monday, October 11, 1965, it was voted to combine the voting precincts of 2, 5, and 6 into one precinct, to be numbered 2. The place will be the N. F. Farmer residence with Mrs. J. D. Dondlinger presiding as clerk, and Mrs. Oma Lee Brilley and Mrs. Bill Egdson serving as clerks.

## HANSFORD AGED WANT NO. 3 "YES" VOTE TUESDAY

Governor John Connally warned this week that 45 aged residents of Hansford County would be eligible for the new pension plan if they voted "yes" on the constitutional amendment. No. 3 fails to win passage in November 2 election. During the past year \$14,311 was paid on behalf of these aged in this county. Governor Connally urged all Texans support and vote for this amendment. Governor Connally also endorsed amendment No. 4 which extends the two-year terms of state officials to four years. Texas is one of the few remaining states which has not enacted this far-sighted and efficient legislation," Governor Connally said. Governor Connally emphasized absentee voting had already been used and would continue through 29. He asked all voters to be away from their homes on election day to vote absentee.

## Revival Is Now Progress

Rev. V. E. Blithe, Pastor of Apostolic Faith Church located at 4th and Dresden sts., announced that revival services began in his church Tuesday night. This week, services will continue indefinitely. Evangelist Rev. George Palvado of Hempstead, Texas will be doing the preaching each evening.

## William B. Skinner Receives Promotion

William B. Skinner, Mo. Cadet William Skinner son of Mr. and Mrs. W. V. Skinner of 800 S. Townsend, Spearman, has earned a promotion at Westworth Military Academy, it was announced today.

8 a.m. to 7 p.m. to vote on the following amendments.  
You will vote for or against these propositions on the Ballot:  
1. Providing a method of payment for the acquiring, construction and equipping buildings and other permanent improvements at certain state institutions of higher learning. This proposed amendment would double the amount of money available for colleges by increasing property tax from a nickel to a dime, adding five colleges to the already eligible list: Arlington State, Texas Tech, North Texas, Lamar State College of Arts and Industries, Womans U at Denton, Southern U at Houston, Midwestern U, University of Houston, Pan American, East Texas State, Sam Houston State, Southwest Texas State, West Texas at Canyon, Stephen F. Austin, Sul Ross and Angelo State.

2. Proposition 2 has to do with more bonds for Veterans' land fund, increasing the interest rate and extending the life of the program. This is the same amendment, word for word, as the one which was defeated in 1963, with one exception. The exception is that the amount of the new bonds which would be authorized is larger than was proposed at that time.

Proposition 3 has to do with giving the legislature broad discretion about joint Federal-State welfare programs. More leeway to meet federal aid requirements for assistance and medical help for needy aged, blind, dependent children, etc. In plain language: if we don't do it costs Texas \$25 million in federal grants. The arguments for this proposed amendment develop out of a strong belief that the Kerr-Mills type of medical assistance to needy people is preferable to Medicare.

Proposition 4 stirs up the most excitement of all! This one has the propaganda drums beating loudest now for and against No. 4 proposing four-year terms for Governor and other statewide officers new limited to two years. The greatest handicap to efficient administration is the necessity of spending nearly half of a two-year term "campaigning." On the other hand, some say that a four year term would confirm one-party, big-business control of Texas.

Proposition 5 is on clarifying investment policy for Teacher Retirement System. This amendment has strong support from organized teacher's groups. Its proponents say it would result in a higher average interest rate on investments and they believe its increased income would strengthen Teacher Retirement System and improve benefit payments and terms. If this amendment should be adopted, however, further corrective amendments would probably be needed in the future.

Proposition 6: Authorizing \$85 million bond issue for a student loan fund; to issue general obligation bonds of the State of Texas to create a loan fund for students at colleges, either public or private, and Junior colleges.

Proposition 7: applies only to Herman Hospital, Houston, Texas. This Houston Estate is one of the major charitable organizations giving free hospital and medical care to the poor. Approval of No. 7 would not cost the State anything, it merely exempts the estate from paying local taxes on its properties within Harris County.

Proposition 8: Automatic retirement of Judges at 75: setting up process of removing judges for misconduct or disability.

Proposition 9: Legislature to fix salaries of Lieutenant Governor and Speaker (who now get only legislator's pay); increasing Legislature's per diem allowance from \$12 to \$20 while in session. Proposition 10: Increasing terms of State Representatives to four years (the same as State Senators). The terms would be overlapping, with half of the members being elected every two years. Most of the States have two year terms for members of their House, and four year terms for their Senate. Only 4 states, Alabama, Louisiana, Maryland and Mississippi have four year terms for their House at the present time.

## SISTER OF GORDON PARRISH BURIED LAST SUNDAY

Mr. and Mrs. Gordon Parrish were called to Denver Thursday because of the death of his sister, Mrs. L. E. Winans. Funeral Service for Mrs. Winans were conducted Saturday morning. Mr. and Mrs. Parrish returned home Monday.

## Billy Graham Evangelistic Crusade Is Scheduled To Begin Here Nov. 10

Approximately 500 Spearman, Gruver and Waka area residents will have a part in the Christ for All Crusade which opens in the Spearman High School Auditorium Nov. 10, at 7:30 p.m.

This Christian Crusade is being conducted in association with the Billy Graham Evangelistic Association.

Evangelist for the 12 day Crusade will be Roy W. Gustafson, an associate Evangelist of the Billy Graham Association. Gustafson, a strong speaker, is a world traveler, musician and Bible teacher.

Besides conducting Bible schools for the Graham Association and doing evangelistic work, Gustafson conducts several tours each year to the Holy Land. He will have returned from one such tour shortly before beginning the Christ for All Crusade in Spearman.

Music for the 12 evangelistic meetings will be under the direction of Wesley Boyd of Oklahoma City. His wife will be the pianist.

Natives of Ireland, the Boyds have been in the United States only eight years. Before joining the Graham Association, Boyd was a concert artist.

The Rev. Billy Clarke of Austin will be the organizer for the Crusade. Clarke is pastor of the Harris Memorial Baptist Church in Austin. He was organizer for the Baptist World Alliance when it met in Rio de Janeiro, Brazil, in 1963.

Over 200 persons have joined the Crusade Choir to sing for the 12 services. The people are from the churches of Spearman, Gruver, Waka and there have been inquiries from persons even farther away wanting to join this choir.

John Lenning of the Graham Association has more than 100 persons in training in classes once a week for religious counseling with people who make decisions for Christ during the services.

Men and women throughout the area are meeting in early morning prayer meeting. The men are meeting each Monday morning and the women meet twice each week in cottage prayer meetings in homes.

More than 40 teen-agers from the area churches are organized into a Crusade group and are matching the adults in work for the Crusade.

To conduct this Crusade a budget of \$7,800 has been approved. This money will be used for the Crusade. Only the musicians receive a salary from the Crusade; the evangelist is provided by the Graham Association. Only the money given on the final Sunday service will go to the Billy Graham Association.

The two Sunday services will be held at 3:00 p.m. so they will not interfere with regular church services.

## The Hobby Turned Professional

Something which started out as a hobby has turned into a professional business for J. D. Wilbanks.

In 1947 Mr. and Mrs. Wilbanks learned to Square Dance when Spearman organized a club. Shortly after this J. D. became interested in learning to call the dances and began to practice. This became an art with him and in 1959 he turned professional.

His services are in demand all over the Golden Spread area, including New Mexico, Oklahoma and Kansas.

He organized the Calico Capers in Pampa, and he calls the dance in Pampa once a month. He calls once a month in Borger for the Gee Guys and Gals.

He teaches dancing in Pampa, Guymon, Dalhart, Canadian and Liberal, regularly, and calls at these clubs often.

Saturday, October 23 he called a Jamboree in Santa Fe, New Mexico.

This Saturday he will be in Mineral Wells, Texas at the Baker Hotel for a week end institute for Bernie Coffee Square Dance College calling.

He is immediate Past President of Panhandle Callers and Teachers Association, and has served in every office capacity for this organization.

## City Artists Make Area 40 Best Show

The "Barn" painted by Ruth Bryan, and a Semi-abstract still life painted by Nelda Sheets were paintings chosen among 40 Best in competition last week in Amarillo.

These Spearman artists whose works were chosen competed with 83 area artists. The 40 paintings to be exhibited were selected from 177 entries judged by Dr. Delmar M. Kolb director of the Museums of New Mexico.

The forty best is the annual fall art show sponsored by Region 21 of the Texas Fine Arts Association. The chosen paintings will hang at the Coronado Inn in Amarillo through Sunday, Oct. 31.

Mrs. Ruth Bryan's painting, "Barn" is the picture of an old barn she painted the past yr. in Colorado. Mrs. Sheets' still life is done in dark colors with a strong contrast.

## No Inductions From County During October

No men were inducted for the Armed Service from Hansford County during October. The draft quota for the State for October was 1504.

Don L. Watson, Jerald Hanners, Carlos Guzman, Weslie Eddleman and Garland Nichols were called for physicals during October but none of these men were inducted.

Jerald Hanners, however, enlisted following his physical. He signed up with the Army Reserve, and has been attending the weekly meetings of the reserve in Amarillo. Jerald, the son of Mr. and Mrs. Dub Hanners of Spearman, graduated from College last January and has been employed in Slaton, Texas, at the Radio Station KCAS. He will come home this week and remain here until he leaves for active service sometime in December or January.

Ronald Love, 21 year old son of Mr. and Mrs. Aaron Love, and Gilbert Harnish, 21 year old son of Mr. and Mrs. G. T. Harnish, of Spearman were the two September inductees. They both left September 12 and have been stationed together in Ft. Polk, La. Both boys are with Co. E, Second Training Bde., and have been bunk-mates. The boys took special test for Officers Training and passed with high enough grades.

The Company passed 61 men with these test, but needed only 30. Harnish and Love were numbered 30 and 31, so Harnish made it, and Love didn't receive the opportunity due to the cut-off number. They finish their training at Ft. Polk the 20th of November and will receive a 14 day furlough at that time. Harnish expects to go on to OTS.

The November State quota of 1231 for induction is the Texas share of a national call for 32,450 men, 28,400 for the Army and 4050 for the Marine Corps.

Friday October 22 was the date for notices to be sent to those requested to appear for physicals for the November call.

Draft boards already have been instructed to forward doctors, dentists and veterinarians for examinations preparatory to filling quotas for 62 physicians, 15 dentists and 6 veterinarians to be supplied for January.

## Brother Of City Woman Killed In Accident Sunday

A two-car collision Sunday night 7 miles west of Borger, took the life of an Aztec, N. M. youth who had just moved to Spearman and was to start to school here Monday of this week. The accident also took the life of a Borger man and critically injured his wife.

Darrell Oscar Elliott, 18, was the brother of Mrs. T. J. Taylor Jr. of Spearman. Mr. Taylor is the Pastor of the Assembly of God Church here. Elliott had enrolled in Spearman High School and would have attended his first classes Monday.

The body was taken to Farmington, N. M. for services.

He is survived by his parents, the Rev. and Mrs. Oscar Elliott of Aztec, N. M., a brother, A. J. of Aztec; sisters: Mrs. T. J. Taylor Jr. of Spearman; Mrs. Helen Elliott and Mrs. Dale Hockett, Aztec, N. M.

The drivers of the two vehicles were pronounced dead at the scene. The Elliott vehicle, officers said, overturned several times and when it came to rest it appeared to be less than three feet thick. It took officers 30 minutes to determine the make and model. The front end had been torn away. The motor of the Smith vehicle was crammed into the front seat. A Borger Fire department crew had to pull the cars apart piece by piece to remove the injured woman and the two bodies. The woman, Mrs. Basil H. Smith remained in extremely critical condition at St. Anthony's hospital late Monday of this week. Funeral services for her husband a Borger resident since 1943, were held October 28 at the Buena Vista Baptist Church.

## SCD Heads Attend State Convention

W. L. Johnson, Hansford Soil Conservation District Supervisor, Mrs. W. L. Johnson and Bob Crawford, Work Unit Conservationist, Soil Conservation Service attended the State Convention for SCD Supervisors at Corpus Christi, Texas on October 12 - 14, 1965.

Some of the highlights of the Convention were a review of SCD Progress in the past 25 years, a look ahead to the job before districts in the next 25 years. The role of districts is constantly changing. With the dwindling farm population districts will have to broaden their activities and responsibilities to urban people. This has already started with the use of Cooperative Soil surveys for city planning and supplying information to public schools for resource and conservation study.

## County Officer Urges "Yes" Vote For Amendment No. 2

Mr. Johnny P. Vernon, Veterans' County Service Officer, for Hansford County strongly recommends that the people of this area support and vote for Amendment No. 2 on November 2nd which authorizes the continuation of the Veterans' Land Program.

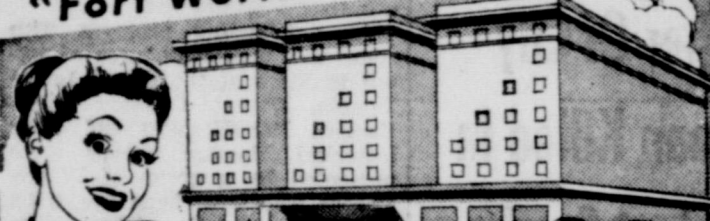

says that the program has not only benefited the State of Texas but it has greatly helped the economy of our local area.

There have been 21 veterans who have purchased 2,491 acres of land in Hansford County for \$144,123.00. This program has been highly successful and has given Texas veterans a chance to own a tract of land that they fought to protect. It is a program that is not only self-supporting but is making a profit for the taxpayers and people of Texas of over \$2.1 million a year. While making this profit for the taxpayers and people of Texas and helping Texas veterans, it is boosting the economy of the state, something that we all want. Counting the rotating money there has been \$230 million invested in land and to date there has been 34,800 tracts

of land bought for veterans in the State of Texas, 6,100 of these veterans have paid their tracts off in full. 8,200 veterans have transferred their contracts after three years. 6,000 have executed oil and gas leases and approximately 500 tracts have producing oil and gas wells on them.

Every individual in the State of Texas is benefited and affected by the Veterans' Land Program. If the vote on Amendment No. 2 on November 2nd is favorable, then the Veterans' Land Program will continue to purchase land. Land Commissioner Jerry Sadler says that a new program will operate on a current basis so that veterans will not have to wait to receive their contracts and necessary papers to purchase land through the program. A veteran will be permitted to purchase \$10,000 worth of land compared to \$7,500 under the present program. Vernon strongly urges that the people of this area go to the polls on November 2nd and support Amendment No. 2, the continuation of the Veterans' Land Program.

## REX SANDERS BRINGS BACK ANTELOPE BACON

Rex Sanders returned home last week from a successful antelope hunt. The hunt was staged by owners of the famous White's ranch near Roswell, N. M.

It seems Mr. Sanders arrived one day late and 24 friends had been shooting for a day at the elusive critters. They were as wild as antelopes, so says Rex, and he seems to think he deserves much credit for bagging one of them the last minute of the last day of the hunt.

## The Way I 'C' It!

by Rev. Cordes, Minister for Oslo And Faith Lutheran  
The way I see it - etain hrdaloi THE RECOVERY OF THE SCRIPTURES

More than 400 years ago Martin Luther and other reformers led the Church out of an age when tradition and custom had largely replaced the Scriptures. Loyalty to "The Word Alone" has been the heritage of our beloved

Church since that time.

We, of all faiths need to confess that we have not always used the Scriptures as if they were our only sure guide in all matters of faith and life. We have sometimes developed our own traditions or confessions, and have allowed them to overshadow the Scriptures. Or, we have simply allowed our Bibles to gather dust on the shelves or on some end table. We do not let the Bible speak but often bring in our own thoughts and try to defend them with the Bible. Scripture must speak its message.

The Twentieth Century has been a bad one in many ways. Gigantic wars brought untold suffering. The threat of new disasters hover over us. But there is a bright ray. The entire family of Christian churches, including the Roman Catholic Church, has turned to the Bible again with new zeal.

Scholars of the Bible, working with skill and devotion to find fresh insights in God's great revelation of Himself, continue to be drawn by the Spirit of God. We do not want the Bible to be a closed book. But it must not be just scholars, but lay people who

also open it. Here we all fail.

The Reformers had great confidence that if Christian people in search of the truth would center on the Scriptures, they could not go far wrong. These may be varieties of interpretation, some of the inadequate, but in the long run people would not stray from the significant saving message of the Bible. The Holy Spirit, moving within the book, will be the guarantee of the search. He will capture the minds and the hearts of the seekers. The question then is - are you with the Spirits help searching the Scriptures? Here is man's great need - yours too!

## Return From Tour Through East

Mrs. Gwenfred Lackey and Mrs. Alice Johnson returned the past week end from a three weeks chartered bus tour of the New England and Eastern seaboard states. They visited the world's Fair, Niagara Falls; the little village which Henry Ford has built by buying up old buildings and homes, placing them all in this one village and furnishing the homes and re-fitting the businesses with authentic replicas; and most every historical site you have ever heard of. In fact, the only disappointment of their trip was when they did not get to tour the White House. Lady Bird was re-decorating while Pres. Johnson was in the hospital and they could not go through.

They experienced some very cold weather in Maine (it has already snowed there several times) and the day they visited the Fair, it was cold and rainy. The ladies report a grand time, and the scenic beauty was beyond description, especially through the New England states where all the maple trees were so colorful.
