HARVEST - 1966

Garland Head would have finished cutting this field of irrigated wheat Monday afternoon, but clouds dumped .60 inches of rain about noon at his farm 10 miles south of Spearman.

These heavy rain clouds seemed to congregate over Old Hansford Monday and when they had cleared away, 3.25 inches of water was recorded in gauges there, the heaviest amounts recorded anywhere.

Archa Morse had to put on his over-boots, locate his shovel and open drain ditches to keep water cascading from Hansford hills from making his home into a lake. The 3.25 inch rain made irrigated fields at Old Hansford look like miniature lake Meredith.

Check For \$330. To Be Used For Second Isolette

Members of the Business and Professional Women's club of this city, are working toward the purchase of the second Isolette for the nursery at Hansford Hospital. Saturday afternoon Mr. Pete Fisher presented a check for \$330.00 to the club in exchange for one hundred and ten Buckmaster stamp books. Mable Jamieson, Finance chairman, accepted the check from Mr. Fisher. The women began collecting stamps about a year ago, to be redeemed for money toward the purchase of an Isolette. During the Christmas holidays, they sold tickets on a play house and made enough money to pay for the incubator, so the stamps were held over. They lack about two hundred dollars having the needed amount to purchase another incubator to place in the Nursery out at the Hospital. Hospital authorities said the Isolette presented by the club last year, had been used on all sections

and premature infants, and was in fact used so much they would be very happy to receive another one.

Club Will Send Girls To Camp

Mrs. Barbara Bell was hostess June 7 for the Town and Country Home Demonstration Club. Mary Lovett gave the devotional Nedra Hays opened the business meeting with roll call answered by what I have done for 4H this year." The council report was given by Nelva White. The club will take their husbands to dinner July 15 at Supphens for bar-b-que. Plans were made for the group to sponsor two 4H girls to go to an electric camp this summer. Valarie Uptergrove, a 4H girl, presented the program. She gave a demonstration on how to make a broiled weiner sandwich and gave out samples. The surprise package went to Nedra Hays. Attending were Nelva White, Nedra Hays, Donnetta Greene, Nellie Buchanan, Jan Riner, Louise Hawkins, Mary Lovett, Linda Bodey, the hostess and guest.

Visiting in the home of Mr. and Mrs. Vester Hill are their daughter and granddaughters, Mrs. Tommie Gwinn, Jennifer, Stephanie and Cindy from Dallas.

Rural Traffic Accident Report

The Texas Highway Patrol investigated two accidents in Hansford County during the month of May according to Sergeant W. J. McLean, Highway Patrol Supervisor of this area. The crashes resulted in three persons injured and an estimated property damage \$3,550.00. The rural traffic accident summary for this county during the first five months of 1966 shows a total of six accidents resulting in one persons killed, six persons injured, and an estimated property damage of \$5,875.00. The number of traffic deaths in Texas has risen steadily since 1960 with 2254 deaths to 3028 deaths in 1965. "For the first five months of 1966, 1137 persons have died in traffic compared to 1032 deaths for the same period of 1965," the Sergeant stated. This 10 per cent increase is very alarming, and when you realize our heavy volume traffic months are still ahead, we must anticipate increasing problems in the accident picture. The Sergeant appealed to the motoring public to assist in the reduction of this trend, otherwise,

the death count at the end of the year will far exceed the record number of 3028 deaths in Texas during 1965.

Recent Marriage Is Announced

The recent marriage of Miss Delon Kirk Allison to Charles Ray West is being announced by the parents of the bride Mr. and Mrs. John R. Allison of Gruver and Spearman. The bridegroom is the son of Mr. and Mrs. C. T. West of rural Spearman. The wedding took place May 31 in the Baptist Parsonage at Guyton, Oklahoma. The couple was attended by Mr. and Mrs. Fred Cullum. Mr. and Mrs. West are at home at the Wamble apartments in Spearman where he is associated with his father in farming.

SOCIAL SECURITY SERVICE MAN HERE

The social Security service schedule for Spearman is Tuesday from 10-12 a.m. on July 5, August 2 and September 6. The Social Security agent will be available in the County Judges office in the court house on the above dates.

Hopper Control Meeting

Plans for control of a range grasshopper infestation in Hansford county were formulated at a meeting Tuesday night at the County Agent's office. The US Department of Agriculture has a program on grasshopper control, aiding with a program when there is sufficient infestation in a large area. There must be at least 10,000 acres of grass land infested with hoppers in the county before the program can be available to Hansford farmers and ranchers. These areas must be in a one-block area. Robert Adamson, County Agent, says the north east part of the county is reporting the heaviest hopper infestation. In the program, the government pays one-third of the approximate cost of 75 cents per acre, with the land owner or operator paying the remaining two-thirds, (50c to 25c). A representative from the Plant Pest Control Division of the

USDA's Agriculture Research Service, Mr. A. L. Bromin of Vernon, met with the group Tuesday night. He went over the program with land owners and left forms to be filled out. The control material is Malathion, a short-acting chemical which does not stay a long period and has no restriction on grazing. Neither cattle nor wildlife--animals, fish or birds--are injured by the chemical. The plant pest control suggests consideration of control measures when there is infestation of at least eight range grasshoppers per square yard. Anyone in this NE area of the County interested in this program is asked to contact the County Agent.

Persons Qualified For "Medicare" Urged To Study Book "With Care"

July 1, the beginning date for the nationwide medicare program, is almost here, Virgil Holloway, officer-in-charge, Pampa Special Security Office pointed out today, all of the hospitals in the Pampa area have met the requirements to participate in the medicare program, according to Mr. Holloway, these hospitals will be ready to receive patients after June 30, 1966.

Holloway explained that all persons, age 65 and over, who are qualified for medicare benefits, have received a medicare handbook by this time. He urged these persons to study carefully the information in the handbook and to keep the handbook in a safe place. The book explains in detail just what services are covered under the medicare program as well as the services that are not covered under the program.

Mr. Holloway suggested that a qualified person for medicare benefits who is unable to study and understand the information in the handbook should ask a relative or a friend to help him with the study of the handbook.

"A patient definitely should know that no hospital or doctor bills incurred before July 1, 1966 can be paid under the medicare program. No part of these bills for medical services received before July 1, 1966 will be paid by the medicare program," he emphasized. Mr. Holloway further pointed out that each qualified person should know the meaning of the term, "spell of illness." "A spell of illness" he said, "begins on the first day a qualified patient enters the hospital after June 20, 1966. The patient must pay the first \$40 of his hospital bill. After the patient has paid the first \$40, the patient's

hospital insurance will pay the remainder of the hospital bill through the 60th day of illness. If the patient is still in the hospital after the 60th day, he must pay \$10 daily of his hospital bill beginning with the 61st day and continuing through the 90th day."

He explained that a patient ordinarily does not spend 90 consecutive days in a hospital. If a patient should require hospitalization for more than 90 consecutive days, hospital benefits would terminate at the end of 90 days.

"As a usual thing," Holloway said, "a patient will be in the hospital no longer than 7-10 days. In some cases the patient may have to return to the hospital two or three times over a period of months. This person will be in the same 'spell of illness' as long as he is not out of the hospital 60 consecutive days."

Virgil Holloway reminded again that the patient pays the first \$40 of his hospital bill only once during a "spell of illness." He concluded by reminding qualified persons for medicare benefits to keep their health insurance cards with them. "The cards will be necessary," he said, "if and when you need medicare benefits."

LELAN WOOD IS NEW CITY POLICE CHIEF

In a Regularly scheduled meeting of the City Council held Monday evening of this week, councilmen hired Leland Wood as Chief of City Police.

Wood has been in Spearman about 14 months where he has worked with the Sheriff's office in the position of County Deputy. He will take over his duties with the City Police department as soon as he can be relieved of his present duties.

Wood replaces Wayne Pierce who resigned several weeks ago and was to have worked until the last of July. However, his resignation terminated earlier than had been anticipated because of a dispute which arose between the Chief and City officials. They disagreed about his checking out-of-state wheat trucks for permits to operate in Texas.

There is a state law that out-of-state trucks must have a permit to operate in Texas, and Pierce had issued some citations to trucks

who did not have such a permit. City officials did not feel it was the job of the local police to check for these permits.

John Fisher City Patrolman here for the past few years also resigned his position on the force last Friday. His resignation was effective immediately. He gave no reason for resigning.

City Manager Darce Foosee said applications are being taken to replace Fisher.

BLUE MONDAY BRIDGE
Mrs. DeLone Kirk was hostess June 20 for the Blue Monday bridge club.

High score went to Mrs. Dailey. Attending were Mesdames Deta Blodgett, Mildred Dailey, Margaret Gibner, Viola Graves, Ada McLain, Gwenfred Lackey, Lula Womble and Carrie Clement.

Mr. and Mrs. Doyle Dorch and family visited Mrs. Mack Dorch of Morse recently.

News From The Pioneer Manor

Many guests visit residents at Pioneer Manor Nursing Home each week, and many fail to sign the visitors register, so these names are not available much of the time. A few of the out-of-town callers visiting the Manor the past few days include:

Mrs. J. D. Norton of Stinnett visited with her mother, Mrs. Eunice Marr.

The Betty Morris Circle of the WMU from the Baptist church brought a Kate Smith recording for the patients at the Manor to enjoy. Leonard Jameson and Mr. and Mrs. Bill Jones visited with their father, Mr. H. P. Jameson.

Mrs. John Hart from Gruver brought over several books for patients at the home.

Mrs. Mary Cone had several visitors, the past week. Some of these were Mrs. Jimmy Davis of Spearman, Mrs. Emma Gores of Stinnett, Mrs. Orveda Chissum of Gruver. These people also called on Bill Cappock and John Jasper while at the Manor. Mrs. Bobby Bass of Gruver also visited with Mrs. Mary Cone.

Mr. and Mrs. Roy Phebus of Borger visited with Mrs. Estelle Phebus.

Mrs. J. D. Norton and grandson Randy visited with her mother, Mrs. Eunice Marr.

Several members of the W. A. Latham family of Spearman and Perryton visited with Mrs. Lillie Latham over the week end.

So many others were unable to be there on account of school activities and other commitments.

Car and Truck Demolished In Sat. Crash

Three young Spearman men escaped serious injury in a crash Saturday evening which totally demolished their truck. The truck was one of the service rig trucks belonging to H and H Water Well Service.

The accident happened Saturday evening near Sam's Corner on the highway from Canadian.

The vehicle, driven by Clifton Longley with Steve Holton and Mike Schrode as passengers, was northbound. A car travelling south pulled out from behind a grain truck to pass, and the two vehicles practically head-on. Both the late model Dodge car, with two women passengers, and the H and H truck were totaled.

Holton and Schrode were thrown from the truck.

All five of the wreck victims were rushed to Sanford Hospital in Perryton where all were treated for cuts and bruises and released with the exception of Schrode who was kept overnight for observation. He was released Tuesday noon.

Mrs. Barkley Host To Guild Meeting
Mrs. Freeman Barkley was hostess June 17 for the Arts and Crafts Guild. Members and guests enjoyed an afternoon of china painting and refreshments.

Miss Helen Lee Greever Becomes Bride Of James David Batson

The marriage of Miss Helen Lee Greever and James David Batson was solemnized at the Apostolic Faith Church in Spearman on Monday, June 20.

was organist. She played a prelude of wedding selections and accompanied Rev. Jimmy Wallis of Liberal, Kansas who sang "Almost There", "Because", and "One Hand One Heart." The traditional wedding marches were used.

Miss Susie Hughes of White Deer, Miss Jo Anne Thomason of Seminole and Miss Jo Williams of Estelline Morris Campbell served as Best Man. Groomsmen were Joe Mark Close, Keith Meddock and Ted Scroggs.

Guests were registered in the foyer of the church by Mrs. Fred Groves.

The couple was married before a prayer altar which was placed beneath an arch adorned with pink & white gladioli and crystal white wedding bells.

The bride, given in marriage by her father, wore a formal floor-length dress. The stately sheath style was designed of imported chantilly lace over taffeta, with long fitted lace sleeves terminating in petal points over the hands.

Her attendants wore floor length strapless gowns, fashioned from pink satin, featuring pink lace jackets. The empire jackets were designed with long sleeves. The scallops around the necklines were repeated in borders around the bottom of each jacket.

Each girl wore a pink satin and lace-trimmed pill box headdress. Pink shoes completed their ensembles. Bridesmaids carried cascade bouquets of white fugii mums and pink asters.

Tammy Scroggs, flower girl wore a dress identical to the bridesmaids. She had a large pink bow in her hair and a wristlet of pink carnations, and carried a basket filled with pink rose petals.

Brent Blythe, ring bearer, carried the rings on a heart-shaped pillow made from satin overlaid with lace.

The bride's mother wore a champagne dress and jacket ensemble with shoes and gloves to match. Her hat was of multicolored shades of pink flower petals and she carried a pink handkerchief.

The groom's mother wore a navy and white ensemble, with matching

accessories. Both ladies wore corsages of cymbidium orchids. Immediately after the wedding a reception was held in the Home Demonstration building. Miss Noreen Sutton Miss Lynda Batson and Mr. Jerry Taylor presided at the serving table. The reception table was covered with a lace cloth over pink and held a lovely tiered wedding cake topped with the traditional bridal couple. Completing the table arrangements was a crystal punch service, groom's cake and an arrangement of pink gladioli, roses and asters atop a silver candelabra. During the reception music was furnished by Mrs. Fred Groves.

Out-of-town guests here for the wedding included Mr. and Mrs. V. Lee Matney, Mr. and Mrs. Jerry Taylor of Amarillo; Mrs. Jimmy Weatherly and daughter of Panhandle; Mr. and Mrs. H. E. Campbell of Canyon; Dr. and Mrs. H. M. Loveless, Dr. and Mrs. H.S. Loveless of Colorado Springs, Colo.; Mrs. Josie Batson, Mrs. Lloyd Clark and daughter, Celia, Mrs. George Mulligan of Berger; Rev. and Mrs. Jimmy Wallis of Liberal, Kansas; Rev. and Mrs. Robert Girouard of Pampa; Mrs. Tommy Davis of Gruver and Mrs. Johnny Floyd of Sayre, Okla.

For traveling the bride wore a beige linen dress with a sleeveless three-quarter length topper of white and brown. She wore the white orchid from her bridal bouquet.

The young couple will honeymoon enroute to Ft. Monmouth, New Jersey where the groom is an instructor in Electronics in the US Army.

The wedding party was honored with a rehearsal luncheon Monday at noon, June 20, in the home of Mr. and Mrs. Joe Mack Close. Co-hostesses were Mrs. Johnny Close, and Mrs. Jack Batson.

Area Rains Continue To Delay Harvest

Scattered showers ranging from half-an-inch to an inch continued to have a delaying effect on wheat harvest in Hansford County the past several days. Cutting has moved past the half-way mark and is estimated to be about 70 percent complete.

Showers fell on Wednesday, Thursday and again on Saturday of last week and the US Weather gauge in Spearman recorded an

even one inch from these three rains. Sunday's 90 degree temperatures dried out fields and elevators had their heaviest run of wheat Monday of this week as combines got an early start. Because of early morning dampness and high humidity, most of the cutting has been an afternoon affair.

Tuesday June 21, thunderstorms again developed over the county early in the day and stopped cutting completely. Rains from Tuesday's showers dumped one-tenth of an inch of moisture in Spearman, with some farmers reporting as much as 56 So. of town. North and east of Spearman 2 1/2 inches fell and out at Old Hansford 3 25 was recorded.

Most of the dry-land crop has been cut and the higher producing irrigated wheat is pouring into elevators. The major amount began to make its way into storage Monday, with yields pushing upward 50 bushels per acre.

Another pleasing surprise from this 1966 harvest, came by way of a price increase Monday when wheat went to \$1.77 per bushel, a 9 cent jump.

This was brought about from Monday's White House conference with the President who stated that the US no longer has a wheat surplus and that reserve stocks were down to the point that an increase in the national wheat acreage-allotment for next year would be needed. Another factor bringing about the price jump was Russia's purchase of 800 million bushels of wheat from Canada Monday of this week, which cuts down the entire North American wheat reserve.

The storage situation remains unchanged, with local elevators expecting to be pretty full when the crop is in. They anticipate no ground storage however. With cutting slowed down because of weather, grain men have been able to keep the wheat moving out.

Rehearsing Role For "Texas" Show

BILL DEVERS

Rehearsals for the production of "TEXAS" were underway Wednesday evening, June 1st, with two-a-day sessions scheduled. Mr. Paul Green, the playwright, met with the company and gave an insight into the history of the Outdoor symphonic drama, his study and research into the methods employed around the world in all types of theatrical presentations, and of the techniques involved in the "son et lumiere" productions of Europe, which Mr. Green has adapted to his dramas. The distinguished playwright then gave the cast a brief synopsis of the story of "TEXAS" as a dramatization of Texas life in the era of the 1880's. The production opens July 1st and plays through September 5th, nightly except Tuesdays.

It will be produced in the new Pioneer Amphitheatre, in the Palo Duro Canyon State Park. The theatre had its first season last summer and played to 35,000 people. Directors for the spectacular are William Angus Moore and Margaret Echols Moore, musical directors Foyal Brantley and Linda Adams, Choreographer Neil Hess, and technical director and designer Erin Wertemberger.

A cast of 50 members has been selected from the more than 300 auditionees. Among those selected for the cast of players was Bill Devers, son of Mr. and Mrs. Ray Devers of Spearman.

Bill will play the part of Archie Dyer, one of the cowboys who work on Uncle Henry's Ranch. Uncle Henry, a wealthy rancher, will be played by Jerome Pallew of Houston.
