NIPAK 45 gives you 1/3 more nitrogen per pound than any other torm of solid nitrogen fertilizer

Get better wheat crops and earn bigger profits. Topdress your wheat with NIPAK 45 right now - for greater yield and higher protein. NIPAK 45 gives you one third more nitrogen per pound than any other form of solid nitrogen fertilizer which enables you to handle less fertilizer and cover more ground in less time. NIPAK 45 is uniformly prilled, too. It flows easily, won't

cake, clog -- or corrode your equipment. NIPAK also dissolves in the soil moisture and moves quickly to the root zone where is stays put until your crops need it. So for more grow power ask your local NIPAK dealer about NIPAK 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service. This is when you need an insurance agent on your side

If Lady Luck threw a monkey wrench into your plans like this could you count on your insurance man to go right to work to you? You could, if he's an independent insurance agent. An independent agent is on your side when you need him most. He can serve you first because he's free to pick and choose amon several fine insurance companies. He owes allegiance to no one company. To be sure you have an insurance man who represents your interests first, make sure he displays this Big "I" se As independent agents, we're ready to give

you continuing, personal attention-The Big Difference in car, home, and business insurance. Let us prove what service beyond the call of duty can mean to you.
