has remained satur moisture laden air and with temperatures over 100 mark, citizens have been nning their brows in front of conditioners.

Water use in Spearman (for period July 1 through 11) was an all-time peak on July 5th 6th. Tuesday, July 6th when nometers reached an offic-105, consumption of 2,545,300 lons was recorded by City men. But the peak day was 6 when 2,627,500 gallons was and in a 24 hour period by nan residents.

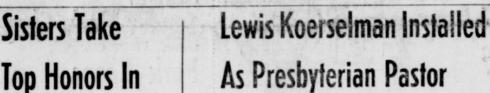

During the 24 hour period the 's 6 water wells pumped al--head, and 2 underground age tanks at their full capa which is 925,000 gallons. City er wells and pumping system ated at 4,896,000 gallons in hour period.

1964 the peak day for the 12 days in July came on the when 2,406,800 gallons were umed. In 1965 the peak was 12 when just a little over million gallons were used in hours.

to show how the drouth has ed citizens to "make their own every day this month (but 2) tents have consumed over 2 on gallons of water. During same period in 1964 there just 2 days when over 2 were used. In 1965 there

TOP PLACE WINNERS IN the 4-H Dress Revue were Rebecca Hutchison (L) and Cindy Hutchison (R). They are sisters. Rebecca made and modeled a coat and dress ensemble of light wool in pimento red. Her accessories were pimento bag, shoes & gloves, and a brown beaver felt hat with pimento band. Cindy made and modeled a pastel pink wool crepe blouse and skirt with a white and pink polka-dot scarf. Rebecca won the Senior division and Cindy won the Junior division.

How's the weather at your house?

COOL & COMFORTABLE IF YOU HAVE ELECTRIC AIR CONDITIONING!

An electrically air conditioned home makes summer fiving a breeze. Electric air conditioning not only cools the air it filters and dehumidifies it, too. Cool and comfortable, you'll sleep better and feel better. Appetites won't sag at mealtime. And electric air conditioning has the reserve power to keep the inside temperature at mountain resort level when the weather outside is scorching hot. With the cost of the equipment lower today than ever before there's no reason to swelter through another summer. To find out how easy it is to own, visit your electric air conditioning dealer or contractor soon
