November General Election To Decide 16 Amendments

Texas voters at the General Election on November 8 will decide on 16 proposed amendments to the State's crazy-quilt constitution, 18 State and Federal offices and 6 County offices.

County offices to be filled are: County Judge, District Clerk, County Attorney, County Surveyor, County Treasurer and Justice of the Peace.

November 8 all of our State Senators will be selected—due to redistricting. A spirited U.S. Senate race will end—a race in which your vote must last six years.

Also, voters will determine their county's strength at the 1968 State political conventions. This fact too often is overlooked! As the election law now stands, Hansford county will have one vote at the state political convention for every 300 votes cast in the governor's race. A heavy turnout of voters will give us a stronger voice two years from now.

State and Federal offices to be filled are: Governor, U.S. Senator, U.S. Representative, Attorney General, Commissioner of Agriculture, Commissioner of Gen. Land Office, Comptroller, State Treasurer, Railroad Commissioner, Chief Justice Supreme Court, Associate Justice Supreme Court, State Senator 31st District, State Representative, 83rd Dist.

The fate of 16 Congressional amendments will be determined at the poles. So that you may know what to expect in the amendments, here they are in brief:

AMENDMENT NO. 1
Provides that all land owned by natural persons and designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

NO. 2
Would authorize creation of airport authorities composed of one or more counties.

NO. 3
Would withdraw Arlington State College from participating in the Permanent University Fund.

NO. 4
Increases the permissible term of office for directors of conservation and reclamation districts from 2 to 6 years and validating present statutory terms of office for such officials.

NO. 5
Would authorize the legislature to provide for a system of retirement, disability and death benefits for county officials and employees and others.

NO. 6
Provides for payment of assistance to survivors of law enforcement officers, custodial personnel of the Texas Department of Corrections and full-paid firemen.

NO. 7
Would repeal the Constitution provision requiring a poll tax as a prerequisite to voting & requiring the Legislature to provide for annual registration of all voters.

NO. 8
Would authorize the Legislature to enact laws permitting persons to vote for state officers and for president and vice president of the United States without having fulfilled residence requirements to vote for other officers, as well as laws permitting former presidents of the state, for a certain period, to vote absentee for president and vice president.

NO. 9
Increases to five the number of judges on the Texas Court of Criminal Appeals and lengthens the term of that court.

NO. 10
Provides that taxes on bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy after such change without further election.

NO. 11
Would authorize the issuance of an additional \$200,000,000 in bonds by the Texas Water De-

velopment Board upon two-thirds vote of the Legislature and expanding the uses to which money in the Texas Water Dev. Fund may be put.

NO. 12
Provides the method and manner for dissolution of hospital districts.

NO. 13
Would authorize the Legislature to provide for consolidating the functions of government within a county having 1,200,000 or more inhabitants and to provide for intergovernmental contracts between political subdivisions of the county.

NO. 14
Would allow members of the armed forces to vote in Texas upon satisfying the residence requirements applicable to Texans in general.

NO. 15
Authorizes the channeling of funds from private and federal sources through the state for use by privately owned or local agencies in establishing and equipping facilities to assist the handicapped in becoming gainfully employed.

NO. 16
Establishes the date on which newly-elected members of the Legislature qualify and take office.

Women Golfers Enjoy Play-Day

Thirty six women golfers braved last Thursday's cold, blustery weather to participate in the last of the Tri-State Women's Golf play-day meetings this year.

Spearman women played host to participants from Guymond, Liberal, Stratford, Dalhart, Perryton.

Breakfast at 8 a.m. and a buffet luncheon following the 18 holes were served at the Cattleman's Cafe.

Many very nice gifts were presented to the various winners from each club represented.

Andy Anderson, Pro at the Hansford Golf Club, had set up the tournament and assisted with the presentation of gifts, etc.

D. M. Womble Succumbs

Funeral services for D. M. (Moody) Womble, 66, of Morse were conducted Wednesday October 26 at 2 p.m. in the Stinnett Baptist Church. Burial was in the Lieb Cemetery.

Mr. Womble well known farmer-stockman, passed away at 7:15 p.m. Monday October 24 in North Plains Hospital in Borger after suffering several months with cancer.

A member of the Masonic Lodge, he also served as District 1 Farm Bureau director for nine years.

Obituary

Dwight Moody Womble was born July 16, 1900 in Knox County Texas. He came to Hutchinson county with his parents, Mr. and Mrs. Carson Womble, when a child.

He was married to Miss Robbie Dale Gay in March of 1924 and to this union was born three daughters and one son. The son, Jimmy age 36, passed away just last May with a heart attack. He was also preceded in death this year by a brother, Tab Womble, who was killed in an auto accident.

Moody was a faithful member of the Morse Baptist Church, having placed his faith in the Savior and was baptized by the Rev. Herbert Hughes in 1936. He was a long time Mason, and for many years was active in State, County and community affairs. But his greatest and soul-satisfying interest was for his Master. During the long hours of pain and suffering his faith never faltered and his trust was in the One who said "Come unto me all ye that labor and are heavy laden and I will give you rest."

A good husband, a loving father and a faithful friend, has gone to rest. Surviving are: the wife Robbie Dale, daughters: Mrs. Lela Fay Gillispie of Gruver; Mrs. Wilma Johnson of Morse; Mrs. Joan McCulloch of Denver, Colo.; the eleven grand children and two great grand-children; three brothers: Roscoe, Allen and R. E. all of Morse. Four sisters: Mrs. Betty Lackey, Mrs. Ben Foster, both of Stinnett, Mrs. Mae Board of Morse and Mrs. Lee Creester of Dalhart and a host of other relatives and friends.

"Charles Shieldknight gets better with each game. His throwing was very good and I was pleased to see us catch the ball. Charlie really came through for us running the ball too. He gave it all he had and came up with the 'Big Play' several times to keep the team moving. Hal Shufeldt did a fine job at fullback. He blocked better than ever and ran with authority. We were afraid that the injured ankle of Jerry Holton would prove fatal to our power punch and blocking at fullback but Hal demonstrated in fine fashion that our worries were unfounded. Since Jerry Holton is of such value to the defensive nose guard position we let him play mostly defense and rested the bad ankle on offense since Hal was doing well for us. The offensive line of Kunselman, Holton, Grey, Gilbert, Reeves, Benner and Moore fired out good. There was a lot of 'Hard-Nosed' football being fought by the front line troops. They dug in and literally 'Bulldozed' our backs on the long scoring drive."

"Harley Reeves turned in several fine catches of Shieldknight passes. He really fought for that sideline to stop the clock on our last drive. Bobby Smith ran well and Steve Jordan did a real good job too. Steve probably blocked better than he has all season - a rarity for most any 128 lb. halfback. He's a real 'scrapper'."

"Defensively, what can I say except the same as usual -- tremendous -- this is the 3rd straight game in which our opponent has failed to get inside our 35 yd. line. The only time was when we fumbled it to them giving them the ball on our own 28. If our defensive team continues to play like they have been it could be a long time before folks can see defense like that of our 'PURPLE PEOPLE EATERS' again. Those boys just set real UNFRIENDLY on defense."

"Our pass defense did well again - Gary Cates, Hal Shufeldt, Bobby Smith and Mike Davis all turned in very fine game in this department. Mike Davis did a splendid job of breaking up the 2pt try pass - I would tell him to do it exactly the same way again - even though the official

Coach Reviews 8-8 Thriller With Stinnett

STINNETT

"We were very proud of the boys. Stinnett played one of their best games and we stood the test. The boys were a little disappointed as they knew the game should have been ours. I was very proud of our offense on their long scoring drive. It is very hard to control the ball that long. The kept plugging away - a fine example of determination and character."

"Charles Shieldknight gets better with each game. His throwing was very good and I was pleased to see us catch the ball. Charlie really came through for us running the ball too. felt it was pass interference - 9 out of 10 officials would not agree with that close one. Mike did exactly what he should have - anything less would have been a completion for 2 pts."

SHAMROCK

"Tomorrow night we play the Irish here. This is to be our Homecoming game. Shamrock, Panhandle and Dalhart are tied for 2nd in the district with 3-1 records. We have all 3 of these teams to play in that order. Shamrock beat Stinnett 35-7 2 weeks ago, so you can see we have a real chore ahead of us. Shamrock runs a wing - T with some peel sets. They are a fundamental team depending a lot on power - blocking and running. They like the quick power sweep. F. B. off tackle and the dive play. They like the 'Milk-cow' throwback type pass too - but basically they like to play ball control and grind it out. Defensively, they run a version of our type defense. They may stack linebackers and slant the linemen running a backer through sometimes."

"I think the fans can look for another close one and I know our boys will give you your moneys worth."

Ed Dear Is Number One In September

Ed Dear, Spearman representative of the South Coast Life Insurance Company, was number one in his agency for premium placed in force in September. His production for September also placed him among the company's top five representatives for the month. The announcement was made by Mr. Art Lara, manager for the company in the golden spread area.

Ed Dear has been with his company for more than five years. He is one of the company's top twenty producers for the year to date. He recently received notification that he had qualified for the National Quality Award of the National Association of Life Underwriters. This award recognizes outstanding service to the policyholders and is earned by less than 10 per cent of the members of the Association of Life Underwriters.

Tower Appoints Mrs. Bohanan As Campaign Manager

U. S. Senator John Tower announces the appointment of Mrs. Gen (Myrt) Bohanan as Spearman as Hansford County Chairman of Tower's re-election campaign. "I am greatly honored that Mrs. Bohanan will assist me in my Campaign for re-election to the U. S. Senate," said Senator Tower. "I feel confident that we can wage a successful campaign to retain effective representation for Texans in Washington."

Mrs. Bohanan is a member of the First Presbyterian Church of Spearman and is Elder Chairman of the Christian Education Committee. She attended Draughon's Business College in San Antonio.

Mr. and Mrs. Bohanan have two children and two grandchildren. Mr. Bohanan is a well operator with Northern Natural Gas Co. and Mrs. Bohanan is a housewife. Senator Tower is in his sixth year as Senator and is on two major Senate Committees -- Armed Services and Banking and Currency. This year he was named to the important Military Construction Subcommittee.

"I am greatly pleased to have this opportunity to help Senator Tower in his campaign for re-election," said Mrs. Bohanan.

Homecoming Activities Will Honor 1947 Graduating Class

Homecoming activities are being observed this week in Spearman, with a queen coronation scheduled before the game Friday night at Lynx stadium.

Five girls are candidates for the homecoming queen honor, with the selection having already been made, but being kept secret until the moment of coronation.

The senior class will be represented by Jeri Grange and Sheryl Bollinger. Glenda Yancey will be the Junior representative. Sue Sloan the Sophomore class selection and Hazel Leslie the Freshman choice.

Serving as escorts for queen candidates are Jerry Holton, Steve Jordan, Ronnie Gilbert, Randy Moore and Harley Reeves, team captains.

Coronation ceremonies begin at 7:45 Friday night before the game. A big pep rally and bonfire has been scheduled for (tonight) Thursday evening. Students, Band members, and the football boys will all assemble at the Post Office at 8 p.m. and march down to the High School building. The automobile caravan and the marchers will be escorted by Police cars and the Fire truck. Two bon fires will be set off about 8:20 at the high school. The Freshmen and Sophomores have challenged the Juniors and Seniors to see who can pile up the biggest stack of wood for the pep rally fire.

Another pep rally will be held at the high school gym at 3 p.m. Friday afternoon. The Spearman Band will provide plenty of spirited music for both occasions.

At half time, the 1947 graduating class will be recognized at special ceremonies in their honor. It is hoped that a large number from this class will be present.

The Lynx will meet the Shamrock Irish football squad in the homecoming clash which begins promptly at 8 p.m.

Democratic Women Will Meet Tonite

All women in Hansford County who are interested in organizing a league of Democratic Women, are invited to a meeting for this purpose.

The meeting will be held tonight, Thursday Oct. 27 at 7:30 p.m. in the Home demonstration club room in Spearman.

Several out of town dignitaries will be present.

Engineer Will Speak Wed. On Palo Duro Dam

Announcement came out of a Tuesday morning meeting of the water resources committee of the Spearman Chamber of Commerce that R. C. Lord will speak at a noon luncheon here November 2 at Grunewald Restaurant.

Mr. Lord, Regional Engineer for the Projects Development of the Bureau of Reclamation, Department of Interior, will present the department's viewpoint concerning the Palo Duro Dam site 19 miles north of Spearman. He will speak on the importance of impounding all the water possible for this area.

Mr. Lord has already expressed his opinion that the dam site is very important to this area, & would be utilized within the next few years. This is one of the few remaining impoundment areas on the North Plains.

Jim Burks, Chairman, and Johnnie C. Lee, co-chairman of the Water Resources committee of the Chamber of Commerce made the announcement of Mr. Lord's visit here. They have been aided in their work on the committee by Dr. D. E. Hackley, Tommy Gooch and F. W. Thomas.

This is one of the projects the public urged the Chamber to get started on at a recent "request" program staged by the Spearman organization.

Hansford County Blood Drive Is Scheduled For November 18th

Every minute, every day, over 10 units of blood are used in this country to treat the ill and injured. 10 units every minute, over 5 million in a year. Where do they come from? Hospital blood banks, community blood centers, red cross blood programs. The red cross provides more than half of all of the blood used. With the increased war effort in Viet Nam, blood is needed more than ever.

The story of blood is much more than the average person realizes; skilled, devoted, determined people devote their skills to see that blood - a living tissue - is always available when needed, always safe and effective. Removing and preserving a part of the human body and getting it to the physicians who need it for the treatment of their patients is not easy. But, it is essential. To perform this task the American Red Cross organized its present blood program in 1947.

The heart of the red cross blood program, is the donor. He, or she comes to volunteer his or her blood. Here the blood actually goes into the container. Here it is identified, labeled & stored.

Regardless of how hard the people of Hansford County work, their efforts will be in vain, if there are no DONORS! So, the final success of Hansford County's blood drive, will culminate on November 18th, and be successful only if YOU, a donor will make

The Business and Professional Women of Hansford County, will, once again, carry the biggest load of all in the blood drive. They were directly responsible for the 99 pints of blood that was secured during the last blood drive! This newspaper feels that the B&PW women should receive the highest club award ever offered to any organization for their untiring efforts in making blood available to the service men, and the hospitals.

A kick-off breakfast will be held this Friday morning, at 6:30 a.m. in the Cattleman's Cafe. This breakfast will include Doctors, publicity chairmen, heads of clubs and organizations who will help in the red cross drive.

It is emphasized that all who gave blood in the last drive, will be able to give blood again November 18th. Hansford county must have 140 pints to meet its quota.

Your son fighting in Vietnam-- your friend or relative in Hansford Hospital -- might need this blood! Make it a point to GIVE-- so they can LIVE.

R. L. McClellan returned home over the week end from a Lubbock Hospital where he has been the past 3 weeks. He was seriously injured in an auto accident the first week in October.

Mr. Don Denham and her group of GA girls from the First Baptist church called at Pioneer Manor this week and gave a program for the patients. They brought religious literature to pass out.

Mrs. Luella M. Howter and Mrs. Belle Crawford, representing the B&PW club of Spearman, called at the home on Wednesday and brought homemade cookies and ice cream to all the patients.

Mrs. Mittie R. Hardy of Perryton visited with the Rev. J. B. Hardy on Tuesday.

Mrs. Olga Sanders of Oklahoma City and Mrs. A. B. Baze of Snyder, Texas visited the past week with Mrs. Donnie Womack. Mrs. Womack is the mother of Mrs. Baze.

Mr. and Mrs. Gerald Yoder visited with Eob Reynolds Monday afternoon.

Mrs. Ruby Williams, 81, is a new patient at Pioneer Manor. Mrs. Williams came here from Secorro, New Mexico. This brings the patient list to 27 now residing at the Manor.

Spearman Merchants Planning Big Christmas Program, Begins Dec. 3

Mr. Brad Beedy, Chairman of the Retail Merchants Committee of the Chamber of Commerce stated that these present at the October 20, meeting unanimously agreed on a Fair Share assessment of \$15.00 for each merchant to finance the entire Christmas Program. Those in attendance agreed that this was a minimum amount needed from all of the business firms to carry out this year's program. The Fair Share statements will be mailed to each business firm. The Deadline for the return for these assessments is November 10. Beedy stated that this will allow the Chamber of Commerce

office time to compile a list of merchants participating in this year's Christmas program. Advertisements will appear in the local papers on the first of December and the 22 of December listing names of participating merchants and a list of prizes to be given. The Christmas Program will begin on November 25 when the lights and the Christmas decorations will be in place and turned on the evening of November 25. Chairman Beedy stated that his committee is working with the Spearman Volunteer Fire Department for the erection and maintenance of lights and lines.

It was also unanimously agreed that only those merchants paying their FAIR SHARE assessment, a member of the Chamber of Commerce will be allowed to participate. The \$15.00 covers give away candy downtown and the shopping center, Treasure Hunt tickets, home and store window prizes and the installation of Christmas Decorations.
Santa Clause will arrive by AIRPLANE officially at 3:00 p.m. on December 3rd and distribute candy cans. Open House will be observed by participating merchants on December 3rd from 6:00 to 9:00 p.m. featuring extra Block Buster specials for that one night only.

There will be a Treasure Hunt, instead of a drawing with participating merchants issuing a numbered ticket with each \$1.00 purchase. Each merchant will give away a prize or prizes with the winning numbers for these prizes to be posted in his window or store. Numbers will be posted Friday, December 23 at 5:00 p.m. No prizes will be less than \$10.00 in value.

Chairman Beedy stated that the total value of prizes will amount to over \$10,000. To be a winner all a person is required to do is to match his ticket number with number posted in the window or in the store. Advertising will appear in local papers listing names of participating merchants.

There will also be a Home Decoration Contest sponsored by the Chamber of Commerce prizes will be \$25.00, \$10.00, \$5.00, \$2.50, \$1.00, Third Prize. However, notification must be made to the Chamber of Commerce to be judged. Merchants will have a Window Decoration Contest and the same prizes and rules will apply.

PRICE IS RIGHT FOR U.S. CONGRESS

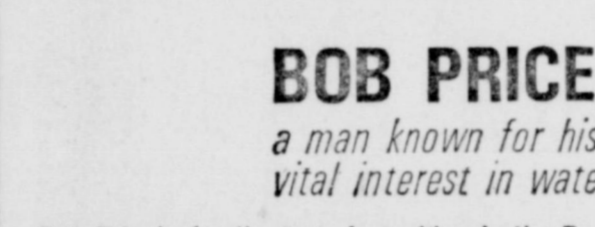

BOB PRICE... the family man

Bob Price is a man whose interests are centered around his family. It's his desire to help create a better America for his children that led Bob Price into seeking the office of Representative to Congress. Bob and his wife Marty, along with their children, Janice, Carl and Grant, are a family we can be proud to send to Washington.

BOB PRICE... wants to stop inflation

Food, clothing and house payments must be paid out of take home pay after taxes. Inflation makes this more and more difficult for every family in the Panhandle. As a man operating his own business, Bob Price knows the effect of inflation on earnings.

BOB PRICE a man known for his vital interest in water

Bob Price's family started ranching in the Panhandle in 1907. Following in his father's footsteps as a businessman and rancher, Bob Price knows that we must use greater water conservation to raise food and to attract new industry to the Panhandle. City and County alike are concerned with this problem. Bob Price has the knowledge and experience to plan ahead for our future water needs.

BOB PRICE... knows about war... he's been there

As a jet pilot, Bob Price experienced first hand the effects of war on the young men of today. This knowledge acts as a guideline to decision in regards to foreign policy. Experience is a valuable teacher.

BOB PRICE... keeps in touch

Over the past 2 years, Bob Price has talked to citizens of every county in this district. He has learned the problems facing us today and has the experience to work toward their solutions. Bob Price owes no debt to any single group and can give all of you representation in our nation's capital.

VOTE FOR BOB PRICE FOR U.S. HOUSE OF REPRESENTATIVES

* Yes, you can vote for BOB PRICE regardless of your choice of other candidates. A split vote-ticket is a legal ballot and will be counted.

PRICE IS RIGHT FOR U.S. CONGRESS

PAID FOR BY THE PRICE IS RIGHT COMMITTEE E. J. MCCARTY, JR. CHAIRMAN

Here's the fast new way to call Long Distance

Give the operator this information and in this order -

1. Area code
2. Called number
3. Called party (if person to person)
4. Then wait until the Operator asks, and give her all seven digits of your telephone number
5. Give your name only if the Operator asks for it

These suggestions speed up your calls because operators are now using a new form of ticket. These "Mark Sense" tickets permit machine interpretation of long distance records, to insure correct billing. Please note: It's no longer necessary to give the operator the name of the town you are calling.

A reminder— SENATOR TOWER has done a lot in Washington for the LIVESTOCK BUSINESS

Senator Tower was among the first in the Senate to point out the depressing effect upon the domestic livestock industry of excessive importation of beef, mutton, lamb, and veal. He has sponsored legislation limiting these imports.

He sponsored eventually passed legislation permitting the United States to enter into new and more effective screwworm eradication efforts with the Republic of Mexico.

He supported soil and water conservation projects so necessary to the future of agriculture in Texas.

He sponsored six key bills on water resources, conversion of brackish water, desalination, and rural water systems. Five of these already have become law and are benefitting Texas agriculture.

He took action against suspension of the investment tax credit which would amount to a \$100 million tax increase on American agriculture.

He flatly rejected the contentions of some federal bureaucrats that farmers and ranchers are somehow responsible for the inflation which is really basically caused by federal deficit spending. He has fought hard too against restricting or freezing prices.

He has supported the REA's position in working to maintain status independent of Federal Power Commission control. He also cooperated with the REA's efforts in supporting federal loans for rural community water systems.

He has paid attention to such localized problems as Golden Eagle depredations of flocks and urged effective control methods.

YOU COME FIRST WITH SENATOR JOHN TOWER

Senator Tower serves you as a STRONG FRIEND OF THE LAW AND OF CIVIL ORDER.

Senator Tower serves you as an effective FIGHTER AGAINST INFLATION AND SKYROCKETING PRICES.

Senator Tower serves you as a LEADER IN THE PURSUIT OF VICTORY IN VIET NAM.

YOU CAN COUNT ON THINGS GETTING DONE WITH SENATOR JOHN TOWER ON THE JOB.

He has earned National Congressional seniority and gained experience no new Senator could replace. With John Tower in the Senate, Texas has the distinct advantage of having its voice heard in the highest leadership councils of both parties.

Coach Dean Weese Will Talk On Defense At Basketball Clinic

Darrouzett High School will be host to the first Golden Spread Coaches and Officials Clinic, Saturday, November 5. Teams from the Panhandle and Oklahoma are invited to attend.

Registration for the clinic will begin at 8:30. After the official welcome, coaches, officials, and trainers from the Panhandle area will speak on various phases of girls' basketball.

Roy Koger, now a counselor in Irving, Texas will speak on "Girls' Basketball from Beginning to End". Mr. Koger is qualified to speak on this topic because he has had teams in State meet six times, has won fourteen district championships, has coached defense in the 1959 All-Star game, and helped direct the AAU tournament in Duncanville the years that he coached there.

Mr. Koger will be followed by Dean Weese, Spearman, coach of the Class AA State Champions and offensive coach for North All Stars 1966. Mr. Weese will discuss Spearman's defense. The Spearman team's defense was outstanding during the 1966 season; therefore Mr. Weese is a good choice for this topic.

After Mr. Weese comes the "Dean" of Panhandle basketball, Bud Roberts of Tulia. Mr. Roberts coached the Class AAA Champions last year and has had an outstanding coaching career. He is past Director of the State Coaches Association and coached the defense for the North All Stars in 1966. Mr. Roberts' topic will be "Special Situation Play."

Glyn Brawley, Okeene, Oklahoma, coach of regional winners in Class A, will then discuss "Pattern Offense." Mr. Brawley has coached seventeen years and has reached the State Play-Coffs each year since 1963.

Where there are athletic events, injuries occur; so Bobby Band trainer for Tascosa High School, Amarillo, will speak on "Treatment of Athletic Injuries." Mr. Band's talk will conclude the morning session.

After lunch the Borger Chapter of S. B. O. A. will discuss "Rules and Rule Changes." This discussion will conclude the Clinic topics.

At 3:30 the scrimmage games will begin with Tulia, coached by Bud Roberts, and Stratford, Class A Regional Runner-ups, coached by P. D. Fletcher. Tulia Class AAA State Champs return two starters from a team that had a 30-5 record

last year, while Stratford returns four starters from a team that posted a 27-5 record. Spearman, Class AA State Champs, coached by Dean Weese, will play Okeene, coached by Glyn Brawley at 5:00. Spearman returns with three starters from the state tournament team that posted a record of 38-4. Okeene will return four starters from a regional championship team that had a 22-5 record. Panhandle, coached by Ann Meicalif, will play Darrouzett at 6:30. Panhandle returns four starters from a club that had a 22-9 record. Darrouzett, coached by Robert Taylor, returns with five starters that posted a 21-9 record last year.

Paul Gumfory Recognized By Co. Magazine

Paul Gumfory, representative of the South Coast Life Insurance Company since 1957, was recognized by his company's magazine, "The Beacon", by having an article published in its last issue.

His feature article of a "how to" nature came as a result of his outstanding production during 1966. Through September Mr. Gumfory had already produced substantially over one million dollars of life insurance for the year.

Paul Gumfory has consistently been amongst his company's leading representatives. Starting in 1960, South Coast Life Insurance Company has honored its top twelve agents, members of its President's Cabinet. Paul Gumfory has been a member of this elite group every year. He recently received notification of his qualification for the 1966 National Quality Award which recognizes outstanding quality of service to his policyholders. The award is made by the National Association of Life Underwriters and is earned by less than 10 per cent of all agents.

Mr and Mrs. Don Denham, Randy and Robin visited in Skelleytown during the week-end with her parents.

Mrs. Pat Denham, Mrs. Audine Beck and Mrs. Vicki Addison were in Ferrington on Monday attending a G. A. Leadership course. The course was held at the First Baptist Church from 9:30 to 2:30 with a salad luncheon at noon.

LOCALS

Mrs. L. S. McLain visited her daughter over the week-end in San Angelo. Mr and Mrs Don L. May and family.

Visiting in the home of Mr. and Mrs. E. D. Clement last week was her mother, Mrs. C. M. Gattlin. Mrs. Clement took Mrs. Gattlin to Marlow, Oklahoma where the visiting with relatives for five days.

Mr. and Mrs. Robert Owenbey and Mrs. Lena Stephenson were recently in El Paso over the week-end to see their new grandson and great grandson, respectively.

The young son, born to Mr. and Mrs. Jim Archer on Oct. 9 was named Ron Allen. He weighed 8 lbs. 3 ozs.

Sunday visitors in the G. I. Brown home were Dudes brother Mr. and Mrs. Sam Brown and Judy of Mullinville, Kansas, also their son and daughter Jimmy and Betty Brown from West Texas University.

ELECTION OF OFFICERS HELD IN BAND

By Danny Robertson
Last week the band elected officers in a short session before band class. Larry Campbell was elected president; Jim Crawford, vice-president; and Janice Trindle, secretary-treasurer.

Later the band will elect their King and Queen, and that will complete the band elections for the year.

The band has finally finished its VIL - contest routine and is working vigorously to perfect the show.

SPANISH CLUB ORGANIZED

By Randy Watson
A Spanish Club was recently organized at a meeting held in the library.

Members are students in the Spanish classes here in Spearman High School this year.

Officers elected were: Steve Baggerly - President; Carla Archer - Vice-president; Debbie Hazelwood - secretary; Chris Lobo - Treasurer; and Susan Uptergrove - reporter.

A committee of Barbara Wilde, Rebecca Hutchison, James Lemons and Bobbie Nell Grayson was appointed to draw up a constitution for the club.

CHOIR PROGRAM PRESENTED OCT. 18

By Kay Huse
The choir program, which was presented October 18 was felt to be an acceptable program by choir director Howk. His feelings were that the choir has a long way to go, but felt the choir did a satisfac-

factory job for this early in the year. Mr. Howk said that there would be another program of this sort next semester.

To help with the theme of the choir program, various items were used. Mr. Lee Edge furnished the hay, several choir members furnished saddles, Robert Adamson

called for the square dancers who were Kathy Reynolds, Virgil Reynolds, Gary Ellsworth, Gayle Ellsworth, Penny Gaither, Buddy Gaither, Ronnie Gilbert and Janice Gilbert. Linda Hand painted the scenery. Jane Allen was the technical assistant and Randy Collard was in charge of the lighting.

The girls quartet which consisted of Carla Archer, Marc Scroggs, Melinda Pearson, Clita Fullbright presented two numbers. It was estimated that there about forty parents at the assembly. Mr. Howk was very happy about this.

Must Register For 1967 Vote

poll tax requirement for was held invalid in Feb. of this year by a three federal court. It based its on the due process clause

of the Federal Constitution. The court said this requirement was equivalent to a charge or penalty imposed on the exercise of a fundamental right, & it indicated that any charge for registration would be illegal. The United States Supreme Court affirmed the decision. Immediately following the three

judge decision the State Legislature was called into special session and it adopted a new registration act. The major change in the law was that registration with the County Tax Collector should be without charge.

Under the law passed in February voters will register annually, as they have previously done, during the period of October 1 through January 31. A temporary registration was allowed in March 1966, but this was a one-time provision only.

You do not have to pay a poll tax now, but you must register. The time to do this is now. To be eligible to vote in 1967 elections, you must go by the County Tax Office and register. Deadline date is January 31.

Everyone from the age of 21 years through 60 must register in order to vote. If you are over 60, you are exempt.

Although no State or National elections of importance are on the agenda now, there will be constitutional amendments, local bond elections, school board, city aldermen etc. coming up in 1967, so it is of utmost importance that you register before January 31.

Youth To Solicit For CROP Saturday

Governor John Connally has designated October 24-31 as Texas CROP week. There are twenty denominations in our state that work through this program. The churches that are sponsoring CROP in Spearman are the Presbyterian, the Christian, the Lutheran, and the Methodist, but any denomination may receive help from CROP for their overseas work. CROP helps to alleviate the suffering and hunger throughout the world. For example: \$1.00 will provide a class of milk for three children for a month, or \$1.00 will provide 30 pounds of aid for hungry people. \$5.00 will provide a meal a day for a hungry child for a year or a purchase of 350 packages of vegetable seed to help people grow their own food.

The youth of the community is invited to meet at the First Christian Church on Saturday, October 29, at 5:30 P.M. to go Trick or Treating for CROP. When they knock on your door, we hope you will remember the hungry people of the world and share with them. Last year the people of Spearman gave \$349.49 to CROP. That is very good, but let's do even better this year. Remember, every gift to CROP becomes Christ's love in action to those who need it the most.

FFA BOYS SHOW STOCK AT DALLAS

Spearman Future Farmers who took livestock to the State Fair of Texas, held in Dallas October 8-23, made a good showing. Clay Schnell won second place in class one of the Junior steer show. This show includes steers weighing 850-1050 lbs and his Angus showed real good.

Census Facts On County Farms Shows Over-All Value Increase

A total of 332 farms was counted in Hansford county during the 1964 Census of Agriculture, the U. S. Department of Commerce's Bureau of the Census reports.

In the last previous Census of Agriculture (1959), the total counted in the county was 333 farms. The total is published in a preliminary report on the county just issued. The report also shows that average farm size in the county was 2,228.4 acres and that the average value of the county's farms (land and buildings) in 1964 was \$340,759.

Other important county statistics in the report are:

1. Value of all farm products sold by farms in the county in 1964, \$16,138,125; in 1959, \$10,359,266.

2. Value of all crops sold by county farms in 1964, \$8,165,702; in 1959, \$5,060,395.

3. Value of all livestock and livestock products sold by county farms in 1964, \$7,971,948; in 1959, \$5,298,871.

A Census of Agriculture is taken every 5 years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. The data are needed to make decisions affecting many segments of the U. S. economy. The 1964 farm census was the 18th in a series that began in 1840.

The preliminary report for the county contains more than 500 facts about agriculture in Hansford county. Among additional facts it contains are the number of farms size, type, and economic class; the number of farm operators by method of tenure, age, color, off-farm work, and number of school years completed; land in farms by use and by land-use practices; data on equip-

ment and facilities; farm expenditures; number of hired workers; and number of farms reporting poultry and livestock production and those reporting crop production by acres and quantities as well as sales.

NOTE: Single copies are available for 10 cents from the Bureau of the Census, Washington, D.C. 20233 or from any field of the Department of Commerce. These are located in major cities.
