#### Spearman Study Club Is Among **Texas** Entries

The Spearman Study Club has entered the General Federation of Women's Clubs - - Shell Education Program.

Texas Federation of Women's Clubs submitted more entries 107-than any other state in the US in the 1967 General Federation's Shell Oil Company Education program. This is also the largest number of entries ever submitted by the Texas group. Now in its fifth year, the GFWC/Shell program rewards local clubs for outstanding work tion program. This is also the local clubs for outstanding work in assisting young people from Heights church of Perryton, Booktheir community in fur-thering er and Spearman. their education.

Judging the Texas entries were Morris S. Strong of Falfurrias, Supt. of Schools Brooks, County; Col. (Ret) Gaillard Peck, USAF, now VP of the Laredo Chamber Commerce; and Donald E.

# Chevrolet's steering stops you smoother

We re-designed the steering linkage and what do you suppose happened? The car stops smoother. The front wheels are less likely to "toe out" during braking and cause the tires to scrub. And on curves, the car grips like glue. Of course the improved steering linkage makes the car easier to turn. About 10% easier. Your dealer has a shiny new Chevrolet just itching to be tried out by you.
