

OFFENSE: Is the key to victory, and these boys proved it Friday night, as they scored 12 points, to Stratford 7, in a real thriller at Stratford! Standing left to right, back row, 85-Doug Steele, 71-Jimmy Vernon, 81-Scott Martin, front row left to right, 55-Jimmy Kenney, 65-Terry Latham, 50-Raul Ortega, 67-John Reneau, 74-Scotty Dewitt!

DEFENSE: These four boys make up the front-four defensive lineup for the Lynx team this year! Standing from left to right, are 80-Twane Friemel, 61-Jed Miesner, 70-Bo DeArmond, 64-Jeff Hohertz. These four Lynxmen were terrific at Stratford Friday night as the Lynx won 12-7!

76 Reunion Marks 3rd Big Affair

Descendants of the R. E. and Sophi Martin family met in Spearman over Labor Day weekend for a two-day reunion. Approximately 128 were on hand to enjoy the weekend but a sad note which dampened spirits was the passing of Mrs. Clarence Martin of Las Animas, Colo. Meda Martin, 83, suffered a heart attack and died in the hospital there early Saturday morning.

Saturday was spent visiting and was climaxed by a dance that evening. Sunday was a big day with a banquet meal at noon, an arts and crafts show in the afternoon and a talent show later.

Mrs. Andy Snowden of Poolville, Texas won the award for being the oldest woman present. The oldest cowboy award was presented to J.H. (Chip) Martin and Mr. and Mrs. Carl Toliver won the prize for traveling the farthest. They live in Buena Park, Calif. All hand made gifts were by Mrs. Bill McGowan of Broken Arrow, Okla.

The small children were entertained for the two days with all sorts of games presented in the Olympic Sports fashion. No one went home without a ribbon! Chairman of the Olympic games was Mrs. Carolyn Jacobs of Golden, Colo.

Family members signing the register included the following: Eddie Gale Martin, Ray & Sylvia Robertson, Jerry & Sue Bowling, Brenda, Shannon, Jolynda & Tanya; James & Oriene Martin, Donna, Diana & Shawn; Hoots & Ina Martin, Charles & Virginia Martin, jTodd & Ty; Ira & Thelma Tindell; Ray & Judy Martin, Scott and MaryAnn; Billy Martin; Gwen Cator McLain, Jill & Mack; Diane McLain & baby; Billy & Sybil Miller; Bob & June Potts; Chip and Will Ella Martin; Jerry & Charollette Ford, Tammy, & Kamala; David Martin, William & Hazel Martin, all of Spearman. Danny & Donna Robertson of Austin, Tex. Bobby & Brenda Mosier, Howie & Jon Mac; Doris Bickerstaff, all of Amarillo; Tommy & Ken Hurley; Tami, Jimmy, and Tabi Hurley; Lela Mae & Jack Ritchie; Jody & Shawn Jackson and Jim; Tom & Bobby Dodge, all of Corey, Colo.; Lois & Dick Allison; Don & Nada Allison; Jim, Pam & Sheila Allison; Phil, Barney & Jan Allison; Donnie, Rebecca & Heather Allison; Paul & Kay Allison, Jeff & Mike, all of Topeka, Kansas; Lola Mae Cator of Gruver, Tex.; Rita & Bill Yates, Teresa & Kim Yates, Trent Brooks, Bill Baker; Harvey & Sheryll

Sharp, Clifton & Shanan and Sharie McCoy; Howard & Vera Martin, all of Las Animas, Colo.; Frank Heskett of Pawhuska, Okla.; Mary Joy McGowan & Scott of Broken Arrow, Okla.; Andy & Alma Snowden of Poolville, Tex.; L.J. & Carmen George, James & Leslie; Rona George Bryson, Vickie George Kromer, Faith Kromer, all of Vinson, Okla.; Ken, Carolyn, Cynthia & Jason of Golden, Colo.; Leon &

Goldie Bowling of Spearman; Donnie & Shirley McCammond & Max of Morse, Tex. Also Carl & Joan Toliver, Jim & Chris Toliver of Buena Park, Calif.; Dennis & Glenda Thompson, Scott & Debbie of Denver, Colo.; Maxine Rook; Mrs. John O'Brien, Joanne & John all of Borger; and Steve & Vikki Carnes of Dallas Texas.

Next year's reunion will be held in Las Animas, Colo on Labor Day weekend.

Jesse Hawkins Rites Held

Funeral services were held Sept. 2 at 10 a.m. in the Holy Spirit Episcopal Church of Graham for Jesse J. Hawkins, 77, well-known Young county rancher. He died at his farm, north of Jean on August 30.

The Rev. Cecil James officiated. Burial was in Oak Grove Cemetery with funeral arrangements under the direction of Morrison Funeral Home.

Mr. Hawkins had been a resident of Graham since 1916, moving here from Sulphur, Okla. He had ranch holdings in Young, near Ranger, Texas and Spearman, Texas. He was

a member of the First Baptist Church and was born Oct. 18, 1898 in Oklahoma, a son of Mr. and Mrs. William Henry Hawkins. He was married June 2, 1952 to Mrs. Doris Haswell in Midland.

Survivors include his wife of the home; four sisters, Mrs. Daisy Matkin, Mrs. Grace Smith, both of Graham, Mrs. Delsa Jennings of Denison, and Mrs. Maude Shegog of Wichita Falls; four nephews and three nieces. One of the nephews is Billy Jeff Hawkins of Spearman.

Help Needed For Flu Innoculation

Mary Hazlewood of Amarillo, Regional Volunteer Coordinator of the First Lady's Volunteer Program, Office of the Governor, announced today that Louise Evans Bruce of Amarillo has been appointed to serve as regional coordinator of volunteer participation during the swine flu inoculation this fall. Assisting Mrs. Bruce in Hansford County will be Mrs. Dickie Allen.

In making the announcement, Mrs. Hazlewood said, "The First Lady's Volunteer Program, a division of the Texas Center for Volunteer Action, is co-sponsoring with the Texas Department of Health Resources the massive effort to protect 10 million Texans from swine flu during a ninety day inoculation period this fall. The First Lady's Volunteer Program will be responsible for all statewide volunteer recruitment and placement during the big health campaign."

"Members of the First Lady's Volunteer Program need many more volunteers to assist during the mass immunization drive against the A/New Jersey strain of influenza. Persons wishing to help

as a volunteer should contact either Mrs. Bruce, who serves as Executive Director of the Amarillo Area Academic Health Center, or Mrs. Dickie Allen at Spearman, Texas," Mrs. Hazlewood concluded.

SICK LIST

Patients in Hansford Hospital are James Brown, Charles Wecker, Janice Riley and daughter, Twila Robinson, Ernestine Gray, Ocie Jenkins, Ruby Lieb, Luella Howerter, Billie Close, Ruth Gumbory, Marshall Walker and John Tucker.

Dismissed were Ruth Knudson, M. C. Guthrie, Charles Hoggatt, Frances Sim, Millard Tucker, Gary Connelly, Velma Riley, Jean Close, Ottis Mason, Ed Doores and Ross Bulls.

A cold front hit the Spearman area at 7 a. m. Wednesday.

VOLUME 67, NO. 43 THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081 THURSDAY, SEPTEMBER 9, 1976

Meda Martin Funeral Held

Mrs. Meda Gore Martin, wife of the late Clarence Martin, died early Saturday morning September 4 in a hospital at Las Animas, Colo. She had suffered a heart attack earlier in the week. Funeral services were held at 2:30 Tuesday, September 7 in the First Baptist Church of that city. She was 83.

This family made their home in Spearman for many years, but for the most part have always made their home in Colorado.

Survivors include 4 sons, Elvin Martin, Spearman; Clifford, Robert and Leroy all of Las Animas, Colo.; one daughter, Yvette McCammond, Spearman, along with many grand children and great grandchildren.

\$5,578.82 Raised For MD Here

Residents of Spearman and the area opened their hearts and their pocketbooks Monday as they participated in the Jerry Lewis Muscular Dystrophy Telethon.

Pledges and contributions amounted to \$5,578.82.

Members of the Rotary Club and other volunteers manned the telephones at Radio Station KBMF-FM during the eighteen hour telethon.

Young people went from door-to-door collecting for this worthy cause, and others telephoned their pledges in. The fish bowl at the radio station had approximately \$1,110.82 in it when the telethon was over, most of this money was collected by the youth of our city as they went from door to door.

Appreciation is expressed to all who worked in the drive and to all those who gave to the Muscular Dystrophy Fund.

The amount donated this year was more than twice that received in 1975. The total of the donation for Spearman last year was \$2,620.70.

WEATHER BULLETIN
Some lite rain fell South of Spearman early Wed. morning. It is overcast as we go to press.

Ronnie Antelec, Tim Woodington, John Hutchison, and Bob Pearson help with Jerry's money raising project. They are members of the Fire dept., - Rotarians.

Parents: Don't Let Your Children Burn (Part 1)

EDITOR'S NOTE: Fire Prevention week is October 3-9. This is the first of a five-part series by Dr. Gary S. Nelson, safety engineer with the Texas Agricultural Extension Service, designed to help parents teach their children and themselves how to survive a house fire.)

In the time it takes to read the next few paragraphs, several homes in this country will catch fire. A residence burns every 45 seconds, adding up to 1,900 a day and almost 700,000 a year. Nearly 7,000 persons die in these fires and at least one-fourth of the victims are children under 14.

Most children are pathetically helpless to save themselves in a fire. Through lack of knowledge and practice, they make deadly mistakes, such as rushing into smoke-filled hallways or down burning stairways when they could go safely out a window. Some don't even try to escape. They wander in bewilderment or panic. Many hide in closets or under beds and firemen find them dead, waiting in vain for parents to rescue them.

The tragedy is that youngsters could get out alive if parents would take a few minutes to show them how. Parents would be appalled to

discover that their child's school did not hold fire drills. Yet, have you ever held a home fire drill with your child? He is about 200 times more likely to be caught in fire at home than at school.

A child who has practiced what to do in a fire is much less susceptible to panic and has a better chance of surviving, fire authorities unanimously agree. This has been proved by thousands of pupils who, fire-drill trained, have calmly escaped from burning schools.

A home fire drill could be done "straight" like a classroom exercise. On the other hand, there is value in capitalizing on a child's imagination. Drills conducted as a "let's pretend to be firemen" game may stimulate more interest and impress the information more firmly in the child's mind.

Below is the first of several home fire drills to be offered in this series, designed to teach children how to survive a fire. In the fifth part of this series, a final "rookie" examination will be presented to determine whether your children qualify as "firemen."

The first drill is "Meet the Fire Chief." In this drill, the entire family, called the "fire

This is a picture of the Martin Clan, made in 1974 at the Spearman Reunion... Many of them were on hand for the reunion held in Spearman Labor Day Week-end. The next reunion will be held in Los Animas, Colo., next Labor Day.

department staff", gets together to make escape plans. A "fire chief" is elected to draw a rough diagram of the house. He asks the other "firemen" to help map out two separate escape routes from every room in the house. There must be a main route, and in case that is blocked, an alternate. Pay special attention to escapes from bedrooms where fire is most likely to trap you. Don't depend much on stairways as these are often flooded with heat and deadly

smoke, making passage impossible.

Your best escape route is through a window, perhaps one that opens onto a garage deck or porch roof. Even if you can't get to the ground from there, you can usually wait safely in the fresh air for rescue. Or, you could use a sturdy trellis or commercially available fire-escape ladder either portable or permanently installed. A knotted rope might be all right for athletic youngsters if they go down hand over hand

instead of sliding.

Decide on who will help very young children or the elderly in the family and where you will meet after the escape, so no one risks going back in for someone who is already safe.

A youngster may want to draw his own copy of the fire-escape plans and regulations to put on a bulletin board in his room.

Part 2 of this series deals with two of six drills designed to teach children how to survive a fire.

groups at the homes of Mr. and Mrs. David Boyd, Mrs. Dora Womble, and Mr. and Mrs. Dale Packard. The youths will have a coke party at the parsonage.

At 12:00 noon, there will be a Ladies Luncheon at Sue McCloy's home. A Men's Hamburger Fry will be at the park. The Youth will have a sack lunch at the parsonage, and the children will have a sack lunch at the church. At 6:30 P.M., there will be a Covered Dish Supper, catered by Sutphens, at the Community Building. We will then join together for a General Session at Church at 7:30. Sunday Classes will begin at 9:45 A.M. and will be led by the visiting laymen. Worship service will begin at 10:55 and will also be led by our visiting laymen. Then at 12:00 noon, there will be a Sandwich Luncheon for everyone at the Community Building.

Weekend Birthday Celebration Held

A large group of Mrs. H. M. Shedeck's family met with her Saturday night at Martin's Steak Gardens and had dinner together. This dinner was the beginning of the celebration of her 80th birthday which lasted over the weekend.

Sunday morning the family attended services at the First United Methodist Church together.

Mr. and Mrs. J. T. McWhirter served lunch Sunday to the honoree and other members of the family.

Sunday afternoon an open house was held in Mrs. Shedeck's home hosted by her children and grandchildren.

Mrs. Shedeck came to Spearman in 1929 and is an active member of the First United Methodist Church, a charter member of the Home Demonstration Clubs of Hansford County, a booster for the 4-H Clubs, and a member of the Dahlia Flower Club.

Mrs. Shedeck enjoyed visiting with each one who came by during the weekend celebration and appreciated all the beautiful flowers and cards sent to her.

Members of her family present were, Mike and Connie Shedeck and Michelle of Pampa; Billy and Vicki Wilson and Carmen of Liberal; Noble, Leona, Bob, Jim and Belinda Sikes of Portales, N. M.; Charles and Marla Booth and Dana of Canyon and Lloyd McWhirter of Atlanta, Ga.; Richard and Colleen Shedeck, Kurt and Phyllis Shedeck and Patricia, Jack and Dolly McWhirter, David and Cynthia Floyd and Meli, all of Spearman.

Birthday greetings were sent by Lenna and Lloyd Rolan of Lubbock and Sheri and Kellie McWhirter of Atlanta who were unable to attend.

Morse Lay Renewal Week

The Morse Baptist Church would like to welcome the "Fellow Christians" to our Lay Renewal Weekend starting September 10, 11, 12. The schedule of events will occur as the following: Friday, starting at 6:30 P.M. there will be a Covered Dish Supper at the Community Building. At 7:30, there will be a General Session at the Baptist Church.

Saturday, starting at 10:00 A.M., there will be coffee

Social Security News

Students 18-22 getting social security checks should report changes in their earnings, school enrollment, and marital status to social security, according to Howard L. Weatherly, social security branch manager in Pampa.

Over 774,000 students 18 and over get monthly social security payments because a parent gets disability or retirement benefits or has died. Students can continue to get payments to age 22--or slightly beyond for undergraduates--as long as they remain full-time students and unmarried.

Students getting checks should notify social security immediately if they marry, leave school, or start attending school on a part-time basis so we can stop their monthly payments as required by law," Weatherly said.

Changes in total yearly earnings from part-time or temporary jobs can also affect social security payments to students.

payments and expect your earnings for 1976 will be over \$2,760, you should report to social security," Weatherly said. "Otherwise, you might get benefits you'll have to pay back later."

Social security payments are reduced by \$1 for every \$2 earned over \$2,760 for the year. But no matter how much they earn for the year, people can get their full social security payment for any month in which they neither earn \$230 nor do substantial work in their own business.

Students getting social security payments should also report transfers from one school to another, according to Weatherly.

"If you have questions about social security payments to students 18 and over, you can get answers by calling, writing, or visiting any social security office," he said.

The Pampa social security office is at 1541 North Hobart Street. The phone number is 669-3381.

The Spearman Lynx are pictured above as they defeated a great Stratford team 12-7 at Stratford Friday night. They will entertain the Phillips Blackhawks here Friday night at 8 p. m.

HELP WANTED
Baker and Taylor Drilling Company needs a Truck
Service Man immediately. Only experienced peo-
ple need apply for this job which offers excellent
starting pay and good benefits. Apply in person at
Baker and Taylor's office on the Gruver highway.
An Equal Opportunity Employer

**Halfway
Field Day
Set**
Cotton, corn, sorghum and
sunflower research are fea-
tured attractions for this year's
field day of the Texas Agricul-
tural Experiment Station at
Halfway. The premier event
begins at 1:00 p.m., Sept. 14,
at the research site 14 miles
west of Plainview on Hwy. 70.
According to County Exten-
sion Agent Jim Kuykendall,
field tours will be conducted
throughout the afternoon with
special presentations planned
on irrigation, variety evalua-
tions, weed control and insect
pest management.
The Texas Agricultural Ex-
periment Station at Lubbock is
co-hosting the event, says
Kuykendall. In past years, the
Lubbock and Halfway stations
held separate field days but
will begin this year alternating
as hosts. This means the field
day this year will be at

Halfway and next year (1977)
it will be in Lubbock.
Cooperators are the Texas
Agricultural Extension Ser-
vice, High Plains Research
Foundation, Agricultural Re-
search Service - USDA and the
National Weather Service.
A large machinery display
featuring latest farm imple-
ments available will be a part
of the field day activities, says
Kuykendall. Guests will be
able to take tractor-drawn
trailer tours of the 320-acre
research site to closely pre-
view latest developments in
crop production. During the
six featured stops of the tours,
Experiment Station scientists
and Extension Service special-
ists will present brief summa-
ries of research highlights and
will answer questions.
The six tour stops include a
comprehensive review of cot-
ton variety studies, soil ferti-
lity, corn irrigation, modified
pivot irrigation systems, insect
pest management in sorghum
and corn, weed control and
other research highlights of
particular interest to High
Plains agriculturists.
Jim Kuykendall says that an
irrigation well capable of

pumping 1300 gallons of water
per minute of clear sand-free
water will be of particular
interest to field day-goers. The
well, recently completed, tri-
ples the output of two other
irrigation wells at the same
location and features new in-
novations in well drilling.
The field day marks the 67th
consecutive year for the Texas
Agricultural Experiment Sta-
tion on the South Plains.

**EXTRA MONEY
IS JUST PART OF IT.**
You get part-time job training,
fringe benefits, and a sense that
you're doing something worthwhile
in the Army Reserve. But after all
that, the extra money's still a big
part of it. And with every promo-
tion, it gets bigger. Your local unit
will pay you about \$3.00 an hour
to start.

Plainview Ceremony Unites Couple

Wedding plans were exchanged by Kathryn Lee Lusk and Daniel Lee Knox in the First Baptist Church Chapel in Plainview on August 21, 1976 at 7:30 p.m. Dr. Carlos McLeod, pastor, officiated.

The bride's parents are Mr. and Mrs. B. T. Lusk of Plainview, and the groom's parents are Mr. and Mrs. Don R. Knox of Spearman.

The altar was centered with a 14 candle candelabra and memory candle, flanked by spiral candelabra, all holding candlelight tapers and decorated with English Ivy.

Mrs. Gene Owen of Plainview was the organist and Mr. Carey Lloyd of Plainview was the soloist. Edgar Womble of Spearman played the guitar.

Lillian Lusk of Plainview, sister of the bride was the maid of honor. Bridesmaids were Mrs. Tony Hester of Lubbock and Mrs. Joe Flood of Hereford. Flower girls were Cindy and Shelly Knox, nieces of the groom from Hart. Candelighters were Tommy and Claude Lusk of Plainview, brothers of the bride, and the ringbearer was Carry Gunter of Plainview.

David Knox, brother of the groom from Hart, served as best man and groomsmen were Tony Hester of Lubbock, and Danny Womble of Spearman. Ushers were the bride's brothers, Tommy and Claude Lusk of Plainview, Carroll Day of Beaumont, Mark Guest of Vail, Colo. and Dock Gary of Schlater, Mis., cousin of the bride.

The bride given in marriage by her father, wore a formal length bridal gown and picture hat which were designed and made by her mother. The gown featured a fitted bodice with scoop neck and sleeves of re-embroidered candlelight French Alencon lace. The skirt was fashioned of candlelight satin back organza falling from the waist in a full circle ending in a chapel train. The large picture hat was of scalloped French Alencon Lace with satin back organza roses and band with seed pearls at the crown. The silk bridal illusion veil fell from the crown into a full chapel train. The bridal bouquet was a cascade of gardenias and stephanotis.

The bride attendants wore gowns of copper penny velvet featuring a high waist and scoop sleeves with flared skirt and cape sleeves of matching angle wing polyester. The attendants carried cascades of spider and cushion chrysanthemums with dainty flower clusters attached to velvet streamers. The flower girls carried baskets of identical flowers.

The mother of the bride chose for her daughter's wedding a cardinal blue chiffon floor length gown. Mrs. Knox, mother of the groom, wore a salmon pink Italian knit gown with a fringed stole. Their corsages were of white gardenias.

The reception was held in the church parlor. Music was by Mrs. Steve Garms.

Guests were registered by Miss Beverly Baker of Waco. The bride's table was covered with a linen and lace cloth and was centered with a five branch candelabra that held candlelight tapers and bronze mums.

Serving at the receptions were Mrs. Tim Janeczich, Mrs. Monte Lee, Miss Donna Hoggatt, cousin of the groom from Amarillo, Patty Pior of Lubbock, Mrs. David Knox of Hart, sister-in-law of the bride, Mrs. George Moore, Miss Baynetta McCurry, Mrs. Scott Brown and Miss Baker.

The couple are at home in Dimmitt after a wedding trip to Ouray, Colo.

The bride is a 1973 graduate of Plainview High School and will graduate from Texas Tech in December with a BS in Home Economics. The groom is a graduate of Spearman High School and received a BS in Chemical Engineering from Texas Tech. He is process engineer for Amstar Corp. in Dimmitt, where he is a member of the Kiwanis.

The rehearsal supper was given by the groom's parents at the Bridal House in Plainview.

Mrs. Joe Flood of Hereford was hostess for the bridesmaid's luncheon at the Country Cupboard in Hale Center.

"Time is the best medicine." Ovid

United Presbyterian Church

Lay Renewal Prayer Group meets Thursday, September 9 at 8:00 p.m. at the home of Mr. and Mrs. J.B. Buchanan.

Roger Knapp will lead an intensive Bible seminar at the First Presbyterian Church on Friday, Saturday, and Sunday, September 10-11-12. Friday will be from 6:30 to 11:00 p.m. Saturday is from 9:00 a.m. to 8:00 p.m. and Sunday is from 1:30 to 6:00 p.m. Saturday morning's session will be at the home of Mr. and Mrs. Tom Etter, 711 Gibner Drive.

Following the football game on Friday evening, there will be an inter-denominational Youth Fellowship at the First United Methodist Church.

"A New Mission for a New World" will be the subject of Pastor Ed Freeman's sermon at the service for the public worship of God on Sunday, September 12 at 11:00 a.m. This will be preceded by the Sunday Church School at 9:45 a.m. with a class for everyone.

Harvey and Karen Faltisek

Our Heritage of Faith...

notes from Faith Lutheran Church

Members of Faith Lutheran and Oslo Lutheran Churches are in the process of welcoming and getting acquainted with the new intern couple, Harvey and Karen Faltisek. They arrived in Spearman on August 31st. The members of Faith will have an "official" welcome for them with a Potluck Supper on September 12th at 6:30 p.m. at the church.

The Senior Luther League met on Sept. 5th and made plans for the coming months. Saturday, October 16th, has been set for an outing with pizza and either bowling or a movie. November 14th is the date tentatively scheduled for a talent show. Plans for this have not yet been finalized.

The schedules for Confirmation Classes have not yet been completed.

"Those who seek the Lord lack no good thing," the Psalms tell us. This is not only a hope for the future but also a fact we have experienced. The person who reaches out to God and his love begins to find blessing even in the midst of problems. The problems may not go away but we

Arts & Crafts Guild News

The Arts & Crafts Guild met Friday, September 3rd in the home of Mrs. Kiff White, Sr. Delicious refreshments were served by Mrs. White to members. Mesdames: Joe Trayler, Clay Gibner, Peyton Gibner, Bruce Sheets, F. J. Hoskins, W. L. Russell, P. A. Lyon, Nolan Holt, Ned Turner and Bill Gandy.

Next meeting will be September 10th in the home of Mrs. Guy Fuller.

Bridge Club

The Short Bridge Club met Thursday, August 31st in the home of Mrs. Roy L. McClellan.

High Score was won by Mrs. Richard Holton, second high was won by Mrs. McClellan and the traveling prize was won by Mrs. Elsie Mathews.

Delicious refreshments were served by Mrs. McClellan to members. Mesdames: Richard Holton, Elsie Mathews, Bob Skinner, Tom Etter, Garland Head, Don McLain and Henry Cornelius.

Next meeting will be September 14th in the home of Mrs. Don McLain.

find our true source of life. Jesus Christ. He is the bread of life and in Him our day to day lives find satisfaction and our hungers for eternal life are satisfied.

If you have no church home or would care to visit, we most heartily invite and welcome you to worship with us at Faith. Morning worship is at 9:30 a.m. with the Sunday School hour beginning at 10:30 a.m.

You are cordially invited

Oil Painting Classes College Students Set For Sept. 13

Dord Fitz will be starting classes in oil painting Monday September 13th at 7:00 p.m. at the Hansford County Library. Anyone interested in beginner, intermediate or advanced instructions or just visiting is invited.

Names Needed

Again this year we would like to have names of our young people of our community who are attending college. To report your college college students call 3526 or 3434.

We will run all of their names after we have compiled the list of their names and the colleges they are attending.

List all students, not only those who are going to college for the first time this year.

A hen will lay 12 eggs for every four pounds of food it consumes—more than 200 eggs a year on the average.

Girl Scout

Leaders Needed

The time has come for the Girl Scouts to begin their regular weekly meetings. At present, there is a need for one leader and one assistant leader to work with the girls. Anyone interested in helping is asked to contact Celestine Thompson at 2231 or 3527.

The first Girl Scout Leader's

Neighborhood Meeting will be held Tuesday, September 14th at the Girl Scout House.

The world's heaviest "canoe" is the Fe or stone discs from the Yap Islands in the Pacific, which can be as large as 12 feet in diameter—and a medium-sized one used to be worth one wife or an 18-foot canoe.

THIS IS A TRIBUTE TO A WONDERFUL WESTERN FAMILY - who held their reunion last week-end in Spearman....

EDITORS NOTE: This is the history of the Martin family as written by the late Mrs. Lillie Martin Bowling. We think our readers will enjoy the style in which it is written.

Robert Eli Martin was born March 11, 1869 the son of Mr. and Mrs. Eli Martin from Mississippi. He was raised in and around Joplin, Tex. near Jacksboro in Jack County. His mother died when he was a little boy. His father remarried & her name was Martha. She was the only grandmother Martin we ever knew. She is buried at Elk City. Eli Martin, R. E.'s father, was born March 4, 1818 and died Nov. 30, 1901. He is buried at Grandview Cemetery about 5 miles northwest of Elk City, Okla. Father had one full brother named Pete, his wife's name was Maggie. He had a half brother Lee whose wife's name was Susan.

Sophi Snowden was born March 17, 1870 the daughter of Levi McCloud Snowden and Malinda Jane Snowden. Levi Snowden was born June 18, 1838 and died May 29, 1914. Malinda was born Sept. 28, 1841 and died Nov. 23, 1911. They are both buried at Grandview Cemetery. All the stones are standing and in good shape. Sophi had a twin brother Theophilus and a brother Ransom, sisters Betty, Fannie, Lula, Isabel and Ollie & Allie twin sisters.

Robert Eli Martin and Sophi Snowden were married April 4th, 1888. To this union was born 10 children, Clarence

1890, Lillie 1892, Mack 1894, all at Joplin, Millard 1896 in Oklahoma, Homer 1898 and Mattie 1900 both at Elk City, Roy 1902 and Robert 1904 in Ochiltree Co., Minnie Ochiltree 1906 and William 1908 at Hansford.

Bob and Sophi lived at Joplin until October 1896 when the family moved to Okla. Father always wanted to have something to live on when they were old. We settled near Hammon, Okla. We were 30 days on the road. We brought our cows with us from Jack County. There were ten wagons on the trip. Fathers and mothers kin came along. The only ones I remember that came were, father and mother, grandma and grandpa Snowden, Theophilus and family, Betty, Lula, Isabel and Ransom. There may have been others of the family, but we were the only Martins. Andy's daddy, Theophilus, had been running a grocery and dry goods store at Joplin before we left. We could only bring our clothes & bedding. We had tents to sleep in for the ones that could not sleep in the wagons. We cooked over camp fires. The men walked and drove the cows and the women drove the horses to the wagons. We had a team of big grey mules. They pulled on the bits all day. They were hobbled at night, that is their front feet were tied close together and they had to hop to get around so they didn't go far at night. One thing that happened on the way to Oklahoma was, one of our cows died on the road one night. When we pulled out next morning we didn't go far until we met 2 Indian men in a spring wagon. The old cow had sore head from being dehorned. Soon we came up to where the Indians lived. They had her strung up and were butchering her. She was so poor.

We crossed the Red River on flat boats. You drive horses and wagons onto the boat and across you go. We took what they called a squatters claim on land at Hammon. This kind of claim you could later file on if you wanted the place. We lived on it two years and sold the improvements.

When we came to Oklahoma Indian country, the government was then building nice little 4 room houses for the Indians to live in. They wouldn't live in them, they just pitched their tents by them and lived in the tents. The government was also giving them clothes to wear. They sold them, a pair of long underwear they sold for 10¢.

When father sold the improvements on the squatters claim, he filed on a place 4 miles northeast of Elk City on Elk Creek. There was no town at Elk City at that time and father helped build the first building in the town. He also helped build

other buildings there. The first one built was a barn to keep the tools in for the building of houses. The house father built for us to live in on the Elk Creek place, cost father 2 1/2¢ for the hinges on the door. It was built out of logs with a brush and sod roof, and the windows were the crooked places in the logs. One day mother caught her skirt on fire from a spark from the cook fire and she started to run out the door. Clarence and I caught here and tore the skirt off of her. We knew if she got outside she would catch the whole country on fire for the grass was tall and dry. It came right up to our house. Homer was born in this house. When he was born they put a quilt up above mother to keep a snake that was on the roof from falling in on the bed. Mattie was also born there.

Grandpa Martin was in Chickasaw Nation when we moved to Oklahoma. He came to Elk City and father built him and his wife a house on the same place we lived on. He died there.

In November after we moved to the place near Elk City, Uncle Theophilus and his family lived in a tent. Their little 2 year old girl got into the medicine and drank laudnum and died. That was the first tragedy for us in Oklahoma. She was Andy's little sister. Later Harry, Andy's oldest brother drowned in a cattle tank in a ravine. They later lived in a two story house, where Andy was born. The house is still standing and you pass it on the way out from Elk City to the Grandview Cemetery.

In February 1902 we moved to Ochiltree County Texas. Father bought 4 sections of land for \$800.00. The place had a small shack, 8x10. We lived in it until father hauled lumber from Canadian to build a large 2 room house. He bought two Clydesdale horses because they were large and had big feet and could cross the Canadian River better. Roy was born in May after we moved to Ochiltree and while mother was still in bed with him, Mattie ate dried apples and got sick and died. The nearest doctor was at Old Hansford. He was hired by the county and couldn't cross the line. He never did take another job where he couldn't minister to the sick anywhere. Mattie was buried at Black Cemetery.

When we came to the plains of Ochiltree county there were buffalo hides and bones scattered all over the place.

The next year, 1903, we went back to Oklahoma after our cows. I don't remember how long it took us to come back. We picked cotton to help pay expenses and mother canned peaches in one gallon syrup buckets, and sealed them with sealing wax. They really helped us out. The next year we went back to Okla., mother and we kids. Father couldn't go he was working for Mr. Parcell who lived down close to Canadian. He had cattle all over the plains which was free range. Father made a \$1.00 a day taking care of the cattle. We picked cotton again to pay expenses and mother canned peaches again. The reason for the trip was mother's mother was real sick.

Father sold one of the 4 sections in Ochiltree to have a well dug and a windmill put up. Tom Brown drilled the well. He gave one section of the land for cows, he paid \$10.00 for a cow and a calf by her side. I don't remember how many he got. We farmed out there and sure raised anything we planted, corn, maize, cane and all kinds of vegetables. Mr. Abemathy made syrup for the people out of their cane. I went and watched him make it one time. They would grind the cane, catch the juice and boil it down to syrup, put it in gallon syrup buckets and it was ready to take home.

We had had snow storms every winter, 3 feet deep and cold. We went to school at the Black school house. Walked in the fall, 5 miles, went in a buggy in the winter and walked again in the spring. We had church at the school house once a month. A preacher would come from Plemons on horse back. One Sunday the house was full, a young man Roscoe Kirby, came, he had measles. Everyone there that hadn't had measles did and the school closed for a while. Mrs. Yates was the teacher.

We lived on that place 4 years, father sold another section of the land and bought one section close to Hansford. Roy & Hoots were both born while we lived in Ochiltree County.

We moved to Hansford in 1906. Father put in a livery stable and bought buggies. Men from the north would come to Guymon on the train and from there to Hansford on the mail hack. Father would rent them a buggy and team and they would have John Collard go with them to show them the places for sale. This is the way this country was settled up. John sold a lot of land in Hansford County and the adjoining counties.

Then we had 2 grocery stores, 1 Hays, 1 Mode Maize, he also had a dry goods, 1 drug store run by the Hales and Mr. and Mrs. Caldwell had a dry goods store. There was a court house, bank, I think Bob Tom was in the bank, 1908 I believe. The Doyle family ran the Palo Duro Hotel which was built by everyone putting up money to have someplace for the men to stay then they came to buy land. The Frank Dacus family ran it just before and after it was moved to Spearman. It is still here.

Father sold the livery and built a 2 story house on our place. The old barn was still standing on the place till a few years ago. I don't know what went with the house. Now there is a race horse training track there. A fter father sold the livery he ran horses and mules. According to old records at the court house, he also took care of prisoners when Bert Cator was sheriff of Hansford County, so he must have worked some as a deputy. Following Bert Cator he was elected Sheriff of Hansford County in 1909. He served as sheriff for two years. Mother would cook for the prisoners. The jail was holes dug in the wall of the basement of the court house. Father would not put the prisoners in there so he slept chained to them. He slept with the man that killed him I don't know how many times. Father went to arrest P. P. (Phill) Fifer accompanied by Deputy U. S. Marshal L. J. Bolton from Amarillo, concerning the boundary line between Fifer's place and the Norton Place, northwest of Hansford. The decision in Federal Court in Amarillo had gone against Fifer in the suit on the boundary and they went to tell him of this. When they got there he ran to the barn and went in a calf shed. Father called to him to come out instead Phill shot father in the stomach. The Marshal ran to the neighbors. According to Phill's statement, father said "Phill you have killed me, please stay and take care of me". He laid there from 8 at night till 8 in the morning. Fifer was arrested and taken to Lipscomb County jail by the sheriff of Ochiltree, Sid Talley. Father died on January 26, 1911, leaving mother with 7 unmarried children at home. He was buried at Black Cemetery with Mattie.

In their years at Hansford the boys chased down jack rabbits and sold the scalps for bounty money. Sometimes they would get as much as 13¢ a pair for rabbit ears. They would sell coyote pelts for as much as \$3.00 a pelt. Looking at old records in the court house you will find most of their names listed and what they were paid for the rabbit ears and pelts. Mack broke broncs for money and Homer hazed for him.

Between the years 1915 and the 1930's all of the Martin families lived in Colorado at one time or another. A few years after father died mother took Millard, Homer, Roy, Hoots, Minnie and William up there to homestead a piece of land 40 miles northwest of Springfield. They took their cattle and horses with them. The trip took about 3 weeks to get there. Mack and his family was already in Colorado. Theophilus Snowden and family lived in Colorado during the time mother lived there and he is buried there.

The place mother homesteaded was on Rural Creek. They ran cattle, sold cedar posts and trapped while there for a living. Roy, Homer and Hoots dug a well on this place. It was about 60 feet deep. Homer was the littlest of the three and they would let him down into the hole on ropes and he set the dynamite and they would haul him out real fast and run. After the blast went off they would haul the dirt out in buckets. The family did prove out the claim on the homestead.

Between 1920 and 1923 sometime, mother traded her land at Hansford for a hotel at Cherokee, Oklahoma. Roy went there and opened up the hotel and then Homer took mother, Minnie and William down there. They didn't stay there very long before they moved back to Spearman. Mother lived in two different houses in Spearman before moving to the one we all remember best, 2 blocks east of downtown.

After her daughter Minnie died in 1934, she took care of her three children until they were grown.

I'm sure everyone here remembers the many times her children and grandchildren were there on Sundays and holidays for dinner and to visit. There was always some of her Snowdens kin coming to see her in that house. Mother lived to be 82 years old and died in her home May 30, 1963. She raised 9 children to be grown, had 35 grandchildren, 26 of them still living, and 4 children are left, Lillie, Homer, Hoots, and William.

In 1974 Robert Eli and Mattie's graves were moved to Old Hansford from Black Cemetery.

Mr. Ralph Blodgett of B & B Farm Industries Inc., Spearman Texas was recognized for his contribution to a nationwide fertilizer retailer advisory council. Mr. Blodgett (left) one of twelve retailers honored, receives his award from Henry McCarley, Agrico Chemical Company at a meeting of the council in Colorado Springs, Colorado.

taurants (it is about three centuries old) where the speciality of the house is roast suckling pig, and visiting the Prado museum, one of Europe's finest, and the Royal Palace, which is still used for state occasions. Others enjoyed going to the restaurant on the twenty-sixth floor of the Plaza Hotel for a magnificent overview of one of Europe's most beautiful cities. Our visit to Spain and to Europe culminated in a farewell party with refreshments and skits put on by the tour participants. As we boarded the flight to come home, most of us thought of the things we had seen and experienced. But there were a few who also wondered how much import tax they would pay on the gifts and souvenirs they were bringing to friends and relatives. But, mostly there were the memories.

Teachers Workshop Set

Hundreds of area teachers and administrators are planning to attend the Texas State Teachers Association District XVI fall workshop Tuesday evening, Sept. 14, at Amarillo High School.

The workshop will run from 5 p.m. registration until adjournment at 8:15 p.m., and will include a dinner meeting.

Teachers are expected from the 33 TSTA local associations in District XVI, which includes the counties of Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, and Wheeler.

State, district, and local leaders of TSTA will attend and provide input for the association's program for 1976-77. They also will receive information and materials for use throughout the year.

Gene Brock, vocational adjustment coordinator in the Hereford schools and president of TSTA District XVI will be in charge. Assisting him will be Jack Sharp of Tulsa, president elect, and Mrs. Bobbie Willoughby of Amarillo, immediate past president.

District leaders who will direct discussion groups will be Pat Hughes of Hereford, legislative; Wayne Johnson of Shamrock, faculty representatives; Mary Haraden of Canyon, public relations; Pat Stuart of Boys Ranch, teacher education; Cecile Russell of Amarillo, professional rights and responsibilities; Shirley McKnight of Lefors, member services; Marion Simpson of Dalhart, human relations; Helen Warner of Pampa, political education; and Ruth Holladay of Canyon, instructional services.

Mrs. Grace Grimes of Austin, state president of TSTA, will speak. A report from the National Education Association will be made by Mrs. Edna Stephenson of Borger, a member of the NEA board of Directors.

TSTA staff members who will provide information will be John Donaldson, Joe Tjerina, Leon Douglas, Preston Clark, Roger de los Santos, Selby Peter, Art Coltharp, Curtis Nixon, Earl Cantrell, Margaret Janssen, all of Austin; and Bill Potts of the Plainview regional office.

News For Veterans

The Veterans Administration leads the federal government in the number and level of employment of women. VA Administrator Richard L. Roudebush announced today.

As of June 30, 1976, VA women in full time so-called "white collar" jobs numbered 89,198, the equivalent of 56.8 percent of the total VA work force.

"I have stressed continued efforts to employ and upgrade the role of women in the Veterans Administration and these new figures are a reflection of our genuine concern," Roudebush said.

He said the most recent available figures comparing VA and government-wide employment of women show that in October 1975 women accounted for 56.5 percent of total VA employment while in the government as a whole they were only 35.3 percent.

40 percent of the total federal government increase in female employment during that period.

"This is a remarkable record and we are extremely proud of it," he said.

During this same period, he said, VA women employed at the GS 9-12 level were 58.4 percent of total VA employment, while in the government as a whole only 20 percent of the GS 9-12 employees were women.

In the top levels of GS 13-18, women accounted for 10.8 percent of VA employees while among government executives in general at those levels, women were only 5.1 percent of the total.

Art Center Opens 6th Season

The Amarillo Art Center opened its 6th season Sept. 8th with exhibitions of the works of sculptor Gaston Lachaise

and photographer Dorothea Lange. The two shows are a continuation of the Art Center's Bicentennial series honoring American artists.

Although Parisian born and educated, Gaston Lachaise (1882-1935) followed the woman he loved to the U.S. and became a naturalized citizen in 1917. Isabel Dutaud, a young Boston matron, became his inspiration and model, and later, his wife. Lachaise's work is characterized by the nude female form in extravagant proportion and unorthodox pose. Considered an outrage to decency and good taste in sculpture in his early career, Lachaise's dynamic style eventually succeeded in bridging the gap between classical and modern American sculpture, and Lachaise became the celebrated champion of the human form. A contemporary, artist Marsden Hartly, eulogized Lachaise as "the indomitable pagan who saw the entire universe in the form of a woman."

The exhibition of 37 sculptures and 19 drawings was organized by the Lachaise

Foundation and includes examples of portrait heads, figures of acrobats and dancers, larger female figures, and drawings of faces and male and female figures. Life-sized photographs of two of Lachaise's more monumental works, Elevation (1912-1927) and Standing Woman (1930-1933) are also on display.

Dorothea Lange Looks at the American Country Woman is a series of 29 photographs on loan from the Amon Carter Museum of Western Art in Ft. Worth. Dorothea Lange (1885-1965), once a portrait photographer, became a pioneer experimenter in the esthetic use of photographic characteristics. As an employee of the Farm Security Administration Documentary Project, she had the opportunity to travel through the U.S. during the 1930's observing and photographing the rural woman in her greatest trial. This group of photographs, collected over a period of thirty years, she considered her finest work, for it deals compassionately and respectfully with the dignity

and fortitude of the American Rural woman.

The two exhibits will be on view until October 10th. The Amarillo Art Center, located at 2200 S. Van Buren, is open free of charge to the public from 10:00-5:00, Tuesday through Friday, and from 1:00-5:00 on Saturday and Sunday. It is also open on Wednesday evening from 7:00-9:00 p.m.

WOMEN WITH SKILLS START HIGH

A lot of part-time jobs are available now in the Army Reserve. And if you have a skill we need, you can start off making more money than most new recruits. 38 training days a year give you a good extra income, with fringe benefits and a future. Call your local Army Reserve unit.

Travel Study Tour Report

EDITOR'S NOTE:

This is the conclusion of articles about the tour of 67 area students and sponsors. Miss Dorothy Roden of Spearman was one of the sponsors and students from Spearman enjoying the trip were Rajan Martin and Crystal Carson.

Switzerland-Travel Study Tour

After the fast pace of Paris, the cool climate and natural beauty has charmed us. Here we have time to rest.

Two groups have toured the Chateau of Chillon where Bonivard of Lord Byron's "Prisoner of Chillon" was incarcerated. Except for necessary maintenance the lake side castle has been neither reconstructed nor commercialized. The furnishings date to the Thirteenth and Fourteenth Century and are original. Most were impressed by its dank and musty dungeons and its torture chamber.

A mountain walk meandered through a lumber camp. The lumberjacks had stripped the logs of their bark. Crystal Carson and Donna Rizicka ran their fingers over the logs and discovered their fingers were sticky with sap. Hiking to a view higher on the mountain, we saw the mountains of Leysin and Montreaux and walked through the clouds. Terry Shafer had his camera and he made everyone crawl out on a log so he could take their picture. Jose Mimosa and Steve Bomgardner played "King of the Mountain". After climbing to the top a few tried their skill at scaling a steep, muddy cliff. It wasn't so bad going up, but there were those who had the job of getting mud off their jeans and out of their hair when they got back to the hotel.

Roady Spoonemore lagged behind to look and moved a

rock in the stream to change the stream's course.

A full days trip to Geneva gave us time to sightsee and shop in the reknown international city. We saw lake Geneva and the surrounding countryside - vineyards struggling up steep slopes, a cement plant, a thermocleudic plant, the home of Nestle's chocolate and many lake-side parks.

We saw many points of interest in Geneva including the Rousseau Monument, Geneva Buch, Waterspout, Flower Clock, a Russian Orthodox Church (architecturally interesting). Perhaps the highlight was a tour of the United Nations Building of the continent. Originally the League of Nations and now the site of all the political conferences which require da neutral country's services for arbitration. The General Assembly Hall from which the recent Arabic Conference was telecast. During our tour the delegates to an international economic conference were assembling. To those who have a calvanistic heritage, the visit to St. Peter's Cathedral was most meaningful.

The morning of July 29, several students experienced their first cable car ride. It took them to the top of a beautiful Swiss Alp, where they had a lesson on Switzerland. On the way up Terri Harkradu, Tracy Rice, Carol Sparkman and Roady Spoonemore discussed which place would be the softest to fall.

As the group left the cable car to begin exploring the mountain, they heard tinkling noises-the ringing of cow bells. Pete Kline, our RAP, explained that the Swiss farmers relied on the bells to help them find their herds easily. It was a breathtaking mo-

ment to look off a Swiss Alp and see little villages nestled in the mountains. Everyone was busy taking pictures especially Rajan Martin who must have taken at least twenty pictures. One of the sights was hang gliders practicing their skill.

The cold mountain climate surprised all the kids especially Mat Thompson who wore cut-offs, tennis shoes and a tank top. He was the only one in a hurry to leave.

In the Swiss lecture that followed, several questions were asked by Terry Shafer who was interested in the possibility of going to college in Switzerland.

After dinner that evening a big group decided to go ice skating. As the first few struggled into the rink, they found skate sizes ranging from 32 to 46 and only a few pair left. The ones lucky enough to get a pair near his size either crammed their toes in or had wiggling room. Others had no choice but to use hockey skates-no toe grips. Peter Hill, having never been on skates before, spent most of his time just trying to stand up. Mark Wherly and Carol Sparkman had trouble with dull skates. Matt Thompson proved to be the best figure skater present - without skates. On the bus the next day we compared knots and bruises.

We enjoyed family service at Hotel L' Aigon where the meals were prepared by Henry Corboz, proprietor. On our last evening, we were served cheese fondue and a native white wine. David Chambliss celebrated his nineteenth birthday that evening with a cake prepared by Mr. Corboz. Mrs. Corboz sang Swiss folk songs. Carol Sparkman, Tracy Rice and Crystal Carson blew up balloons and strung them up in the dining room. Matt Thompson kept David busy playing chess during the activity.

Our next stop will be Florence. This means a breakfast at 4:30 am.

Spain and wrap-up European Tour:

Twenty-eight days of exploration and discovery in six countries and seven major cities of Western Europe came to an end in Madrid at 4:00 p.m., August 10, 1976 as sixty-seven (67) Texas Panhandle, Colorado and Kansas students boarded a Capital Airlines charter flight bound for Denver, Colorado. The end came only after four days in Spain, one of the most exciting and informative visits of the entire trip. Among the highlights of our stay in Spain were an all day bus trip to Avila and segovia, and another bus trip to Toledo. In Avila, we saw one of the two walled cities of Europe whose walls are intact. In Segovia, we toured the Fortress, one of the favorite castles of Queen Isabella, visited one of the oldest Romanesque churches in Spain, and saw the magnificent remains of an aqueduct built by the Romans. Toledo, beginning with a panoramic overview and concluding with a visit to a workshop where the famous Toledo Steel products are made, was a favorite of many of the students. For several, the bullfight in the Madrid Arena on Sunday evening was a first. Other activities which many of us will remember was dining out at Casa Botin, one of Madrid's most famous res-

by terry schneider

GAME NO. 2

Five point victory,
Under the Stratford lights;
Mighty sweet it was,
It was a beautiful sight
Game number two,
And the Hawks come to town,
This time for no marbles
Even so, put 'em down.

Put back in class A,
Hope they do well;
It's our week though, so
Let's ring the victory bell.
Labor Day is over,
It's back to the grind;
Purple Pride marches on,
Spearman Lynx unwind.

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that by an Order entered upon the minutes of the Commissioner's Court of Hansford County, Texas, on the 23rd day of August, 1976, the election precincts of Hansford County, Texas, were set and are generally described as follows:

Voting Precinct # 1: A portion of the City of Spearman, Hansford County, Texas, generally bounded by South Townsend Street, West Kenneth Avenue, Collard (State Highway 15), North Bernice Street, East Avenue D, North Hoskins Street, East 5th Street, South Hazelwood Street, East 7th Street, a portion of the alley between South Endicott and South Bernice Streets, and East and West 9th Streets

AND that portion of Hansford County, Texas, lying generally in the Southeast Quarter of the County EXCEPT those portions of the City of Spearman not covered in the general description above.

Voting Precinct # 2: That portion of Hansford County, lying generally in the Northeast Quarter of the County.

Voting Precinct # 3: That portion of Hansford County, Texas, lying generally in the Northeast Quarter and the South Half of the Northwest Quarter of the County,

AND That portion of the City of Gruver generally bounded by Womble Street, State Highway # 15, State F-M Highway # 287, the East City Limit line of the City of Gruver, and 4th Street.

Voting Precinct # 4: That portion of Hansford County lying generally in the North Half of the Southwest Quarter of the County EXCEPT that portion of the City of Gruver generally described in and included in Voting Precinct # 3.

Voting Precinct # 5: That portion of the City of Spearman generally bounded by East 11th Street (as extended), the center line of the alley between Linn Drive and South Bernice Streets, East 7th Street, South Hazelwood Street, East 5th Street, South and North Hoskins Street, East Avenue D, North Bernice Street, Collard (State Highway 15), the North City Limits of Spearman, the North-South County Road, and State Farm-Market Road 760.

Voting Precinct # 6: That portion of the City of Spearman generally bounded by West Kenneth Street, Highway 207, West 7th Street, South Roland Street, the County Road also known as West 13th Street, State Farm-Market Road 760, East 11th Street (as extended), the alley (as extended) between Linn Drive and South Bernice Streets, and East and West 9th Streets.

Voting Precinct # 7: That portion of Hansford County lying generally in the Northwest Quarter of the Northwest Quarter of the County.

Voting Precinct # 9: That portion of Hansford County lying generally in the South Half of the Southwest Quarter of the County.

A detailed description of the voting precincts is given in the Order of the Commissioner's Court of Hansford County, Texas, dated August 23, 1976. This detailed description is available in the Office of the County Clerk of Hansford County, Texas

Peggy's Pointers

"Without concentrated effort to bring about change, life is only an accumulation of habits."

September marks a time of new beginnings as school bells summon, 4-H clubs reorganize, and Home Demonstration activities set pace for a new year. Perhaps this is the opportune time for you to revitalize your routine and perk up your methods of organization.

Calendars aren't just for people behind desks; they're a necessity for the busy homemaker as well. When planning priorities and trying to get the most from time available remember that for most people, work expands to fit time allowed. If house work is expected to require eight hours everyday, it probably will. Mark important dates on your calendar and instead of merely wishing you had time for certain activity--such as time to read or time to write old friends--set up a specific time and do it. That's the only way you'll ever "find" the time.

Getting in step with September.

- 2 - Happy Homes HDC

- 21 - Town & Country HDC
- 21-23 - State THDA Meeting
- 23 - Happy Hearts HDC
- 28 - County Home Demonstration Council

H.D. HAPPENINGS

Want to improve your homemaking? Stay up to date on the latest and share ideas with those who feel the same way? Home Demonstration clubs can be the answer -- there are now eight clubs in Hansford County from which to choose and one is sure to meet at a time and date convenient for you. Every club is looking for members so call the Extension Office for more information and watch the paper for times and dates. Encourage your friends to get in the groove with Extension.

Extension programs are open to all homemakers wishing to join, without regard to race, color, ethnic background, economic circumstances, sex or age.

Happy Blending

Speaking of new programs -- blender tricks are on the H.D. agenda for this month. Here's one quick and easy recipe to try out on your youngster's after-school appetites and all of us waist-waters' too.

Pink Lassies - Put 1 cup cranberry juice, 1/4 cup orange juice, and 1 cup vanilla ice cream into blender container, cover and process at STIR until smooth. Serve in Glasses with straws.

Picking up Little People?

Waiting on children after school; running into the store for just a minute? According to figures from a major car manufacturer, it is better to turn off your car's engine while waiting for someone, even if you expect the wait to be short. A V-8 burns 1.6 ounces of gas idling for a short wait, but only .5 ounces is needed to restart.

Consumer watchwords

Cents-off coupons are great for items that the family normally buys or has been wanting to try. But think -- do you really need it? If not, it's no bargain, even with a coupon.

When cheese is already grated, shredded or sliced you pay extra for handling and packaging. Buy whole pieces and save.

Food facts

Without food additives, cottage cheese would separate, cookies would dry out in two days, foods with fat or oil would become rancid and marshmallows would get hard. Sour half and half may be used in place of sour cream in many recipes. Even in making cakes and cookies that contain fat in addition to sour cream.

Men's wear mania

A new idea in sizing for men's shirts has hit the ready-to-wear market. Average-sleeve length (ASL) shirts are sized to fit a greater span of sleeve lengths in one size. While a traditional shirt is sized 14-32, the ASL is sized 14-32/33.

For fall, try textured, tailored hose with pinstripes or diamonds in fashionable brown, mushroom, taupe, wine, rust, gray and black tints.

For the young set.

Knee-high socks are popular. Favorites are bright space dye patterns, ethnic embroidered looks and heat-transferred prints.

Recipe Corner

This month's recipe is from the kitchen of Mrs. Lisa Pipkin, member of Town & Country H.D. Club and top winner in the pie division of the 1976 Hansford County Bake-Off.

FRESH APPLE PIE - Preheat

oven to 425 F. degrees.

Prepare pastry following basic procedures on any pastry recipe using these ingredients for a two-crust pie: 2 cups flour, 1 t. salt, 2/3 c. plus 2 T shortening and 4-5 T. cold water. (After cutting in shortening, remember to sprinkle in water 1 T at a time.)

Pie Filling: Stir together 3/3 c. sugar, 1/4 c. flour, 1/2 t. nutmeg, 1/2 t. cinnamon and 1/8 t. salt. (Lisa likes to add a pinch of apple pie spice!) Mix with 6 cups thinly sliced tart apples. Turn into pastry lined pan. Dot with 2 T butter. (Lisa adds about 2 extra Tablespoons) Cover with top crust

which has slits in the middle, permitting steam to escape. After fluting edge, Lisa places a 2-3" strip of foil around the edge of the crust to prevent overbrowning. Remove the foil the last 15 minutes for even browning of crust.

Bake 40-50 minutes or until crust is brown and juice begins to bubble through slits in crust.

Treat your time like money and you're sure to spend it well!

Square Dance Lessons Set

Square dance lessons will begin September 15. For more information contact Jerry Holton at 3573 or Jerry Hayes at 3643.

Artist Workshop Scheduled FB Prexy Speaks Out On Declining Prices

Rulon Hacking, a California artist, will be in Borger Oct. 4-9 to conduct a workshop for artists during the 9th annual Borger Fine Arts Festival.

Hacking, whose works are in the collection of actor James Cagney and baseball player Johnny Bench, is recognized as one of the nation's finest artists and teachers. During the past three years, the 26 year old artist has been a student and master teaching assistant of the master Russian artist, Sergei Bongart of Santa Monica, California. He has conducted artist's workshops throughout the western states, most recently in Los Angeles.

His paintings have been

exhibited at Frye Museum in Seattle, Wash., at Challis Galleries in Laguna Beach, Calif., and the Ambassador Hotel in Los Angeles.

Mrs. Bill Raab, chairman of arrangements, said Hacking's classes will be conducted from 9 a.m. to 5 p.m. daily. Tuition for a single class is \$8.50, Monday through Friday, and \$10 for Saturday. The entire six-day course is \$45.

The classes will meet at the Borger Boat and Ski Club. Reservations may be made and brochures are available at the Borger Chamber of Commerce, P.O. Box 911, Borger, Texas, 79007.

"This country's food factory is in serious trouble," the president of the Texas Farm Bureau says.

Carrol Chaloupka, Dalhart grain and cattle producer, said farmers and ranchers have responded to the call for more production, but have been penalized by lower prices.

"We have produced in such abundance that we have a big surplus, and this year's grain crops may set another record," he said. "Our production costs are rising with inflation just like everybody else's but prices paid to grain

producers and cattlemen have dropped."

The Farm Bureau leader said that at the end of the third week in August wheat prices were down 27 percent from a year ago, sorghum was 18 percent lower, corn down 10 percent, and that cattle prices had dropped 25 percent below last August--"which has a bad time for cattlemen."

Chaloupka said farmers are going to demand that no restrictions be placed on their markets, especially export markets. "Another embargo would be disastrous," he said.

You Name It!

I am so proud of our Lynx, and also the Stratford team. They put on a great show, and I am so very sorry that we did such a bum job with our news coverage in the Sunday paper. I had already jumped "all over" my photo dept. for not coming up with some great pictures, and we had just installed our new computer type setter to do a better job on the news. Well, sure enough we had the opening game jitters as we got the pictures and their cut-lines backwards, finally had to move the stats of the football game to the regular ad page because the computer went out; and then finally got the stats backwards. So, we sure must brag on both the Elks and Lynx for doing so well in their opening game, as we made so many mistakes at the office. But, the pictures were absolutely perfect, and the stats other than being wrong looked real sharp in the new computer type.

Back to the Lynx, weren't they just great. Some of the boys in the offensive line said

they had never tried to block such terrific players as Stratford had. Also, to you Gruver fans, one of my scouts reports that the Hounds should beat Panhandle Friday, and the Lynx will have another toughie against Phillips. Our super sophs. are coming along however, and I can hardly wait form on Thursday to another. Remember our Thursday games start this week, and the 7th and 8th graders have been working real hard. Come out and back them.

One of the best stories I have heard, had been on lawyer, Hutchison, the president of our C. of C. He was having an awful time with the tires on his new car, and just kept taking them in and they would be low on air, and were wearing out awfully quick. Last week he took his car back to the dealer once again, and sure enough the tires were nearly flat. They checked them and were perplexed as to what had happened. Lawyer Hutchison brought his car home once again, parked it in the drive-way, and began expounding (as only a lawyer could) on the problems we have with new cars. In a minute, he noticed his young

son circling his car. And, low and behold, he was letting out so much air from each tire, almost as if he knew just when to quit. Of course his father "went into shock" and immediately told his young son not to bother with checking his tires anymore. By the way, lawyer Hutchison, I understand that Baker & Taylor, and Permian are looking for some tire men.

I can hardly wait to see the pictures from the brunch, that was held in honor of Gina and Jerry Pat Davis. The brunch was just terrific, and we hope to have pictures and stories as soon as possible.

I enjoyed the Martin reunion held this past week-end at the county barn. And right off, I want to thank the commissioners court for installing the air conditioners at the barn. It was 94 degrees at 4:07 Saturday afternoon in Spearman. It was nice and cool at the reunion, thanks to the commissioners.

We have an exciting football menu this week-end. The varsity will entertain Phillips at Spearman, in what promises to be a real

thriller. Phillips lost to Canadian by a couple of touchdowns, but the game was 0 - 0 at halftime, and it looked like Phillips played the tough Canadian team real well. Spearman varsity will get a fine test at home Friday night. I can't imagine playing Phillips, and being favored to win. We have defeated Phillips one time at Spearman, in the history of our school, I think. I am not sure, but think Sherwood is the only Coach to defeat Phillips in the schools history, except for one other time. Anyway, come out Friday night, and see the game, you will be real pleased with both teams performances we think.

The 7th and 8th grade teams will play Dalhart here Thursday afternoon. We are almost sure that the games will start at 5 p.m. Thursday. We will give these games complete coverage, including pictures, etc. Hope to

have the starting line up for the Sunday paper. Due to the Monday holiday, we were unable to accomplish much on our sports dept. The 9th grade and B teams will travel to Dalhart Thursday, and I hope to be able to watch these games, cause I think they will also be dandies. It is still hard for me to realize that we will have both a B team schedule and a freshman team this year, plus our Junior High and varsity teams. Must give the credit to Coach Sherwood and his fine dept. for such an organization.

Be sure and attend the game Friday night, and try and catch one of the small souvenir footballs that the pep squad will be throwing to the fans during the game [probably at half-time]. They are small white footballs, trimmed in purple and are real game souvenirs.

Basansky Speaker

Bill Basansky will be the speaker for a three night service Sept. 16, 17, and 18 at the Hansford County Ag Barn on East "D" Ave. Services will be at 8 p.m. each evening sponsored by Full Gospel Business Men's Fellowship International.

Basansky, born in the Soviet Union, was taught early in life that "God does not exist--Lenin is our God." When the Germans invaded Russia, he and his entire family were deported to prison camps from which they were released only at the end of World War II. After the war, Bill came to American and served in the U.S. Air Force four years. He then spent six years as a police officer in California.

In 1969, because of a back ailment which had caused paralysis in his legs, Bill contemplated suicide. As a minister prayed for him, God healed him and delivered him from eight years of drug and alcohol addiction. At the time, Bill did not understand what was happening to him; but deep within, he knew God was alive and he accepted Jesus Christ as his Lord and Savior. There soon followed the baptism in the Holy Spirit.

The Lord provided Bill a full-time position on the faculty of Oral Roberts University in Tulsa, Okla. God has performed many miracles of healing through him there as he teaches. Now he is in full time ministry.

Bill and his wife Bea, have two sons, Eric and Jerry.

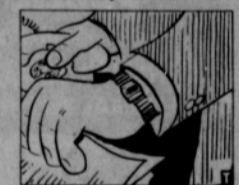

He has a new book "Babun-in" now out. Get a copy to read and then share.

Everyone is invited to come and hear his dynamic testimony.

Bill will be in Beaver, Okla. Sept. 20-23 and Guymon 24 & 25 for the Full Gospel Business Men's Fellowship International.

Perfect Timing

Did you know that a watch that's 99 percent accurate actually is "off" 15 minutes a day?

Today companies like Sears, Roebuck and Co. produce solid state digital watches that are accurate to 99.9999981.

This new watch has a mechanism of quartz crystal that vibrates many thousands of times per second to keep the digits slipping away at precisely the right speed. Available in many styles, it's called the quartz solid state digital electronic watch.

Where accuracy is concerned, those thousands of vibes are right!

JURY SELECTED

A new record was set in selecting a jury for the Maude M. Bryan estate trial. Five of the jurors are welders, and two of the jurors are welders wives! The Judge for the case, is Judge Davison. Judge Comtiss dis-qualified himself on the trial. Jurors include; Nora Delozier, George Yancey, Frances Lof-tin, Glenn R. Kilgore, Michael Lynn Cook, Robert C. Potts, Michael Lee Byrd, Mrs. Joe Reiswig, Dal Chuck, Robert F. Graham, Mrs. Ada McLain, and Mrs. C. A. Davis, Jr.

Help Needed For Crosswalk Patrol

Last year the Jaycee Wives began a project of Crosswalk Patrol. This project was for the purpose of insuring the safety of small children at the elementary crosswalk. We feel that it was a real success and we are striving to establish it again this year. We have sent notes home to parents with students asking for volunteers in the program, but unfortunately, the response has not been good. We would like to urge everyone to reconsider volunteering and call 3319, 3653, or Mr. Allen Alford at the Elementary School. The more people that volunteer, the less work there will be for everyone.

We would also like to take this opportunity to express our thanks to the mothers that gave so unselfishly of their time last year.

To remove grease and grime from your hands, mix a few grains of sugar with soap lather.

Products Needed For County Booth

Once again Hansford County has been allotted a booth to prepare an agricultural display at the 1976 Tri-State Fair. Plans are presently in progress to prepare the booth in a manner as to depict the wide variety of field and vegetable crops grown throughout this county. Therefore, if you would like to help us in our endeavors, by providing us with any field or

vegetable crop grown in this county, please bring it by the County Extension Office no later than Friday, Sept. 17, 1976 on or before 5:00p.m.

Any of the following items will be greatly appreciated: Ears of corn, Sorghum (includes complete stalk), watermelons, canteloupe, squash, okra, tomatoes, onions, peppers, green beans, cucumbers,

lettuce cabbage, potatoes, etc. Additionally, if there is anybody that has canned any products that they would like to display simply label them and we will make sure that you get them back if you should desire. Your efforts and contributions in helping us accumulate these necessary items will be greatly appreciated.

PUBLIC NOTICE

SUMMARY OF PROPOSED

CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution."

NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

CORNER CATCHER
The only center pivot in the world that hits the corners.

1st we introduced center pivot

Since 1953 Valmont has pioneered the center pivot irrigation industry, and over 10,000 center pivots are now in operation. It's the fastest growing part of irrigation.

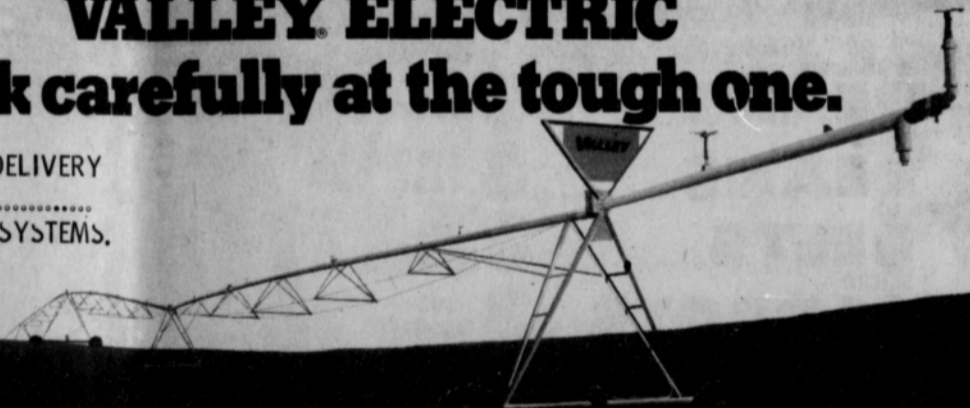

2nd we made circles square

The Valley® Corner System is a revolutionary new center pivot that irrigates the corners. In a typical square quarter it means you can now get yields from 150 acres instead of 132. You can also irrigate any one corner or all corners.

VALLEY ELECTRIC

Look carefully at the tough one.

WE CAN GIVE PROMPT DELIVERY ON ELECTRIC SYSTEMS.....
2 to 4 WEEKS ON OTHER SYSTEMS.

"Every service man we send to work on your system will be factory trained."

There'll also be a tremendous parts inventory to back him up.

Our service trucks are radio controlled for around-the-clock trouble shooting. No more waiting. Valmont is the largest manufacturer of center pivots in the world.

It only makes sense that we'd have the best service organization too.

Next time you have a problem—big or small—contact the Center Pivot Center. We can help right now.

Junior Class Work Order

Football concessions, Game No. 1, Sept. 10, 1976. There will be a \$5.00 fine for not doing assigned duty. If you cannot do your assigned duty, get someone to take your place, and both of you must see Mrs. Mitchell so that the change can be made.

Concession Stand Workers
 The following students are to set up the part of the stand indicated, work in the stand, and clean up the stand after it is closed.

All workers must be in their places by 6:00 p.m.
 Alan Shields and David

Ochoa will be the coordinators. They will pick up the ice, ice down the cokes, and coordinate the work in both stands. Once we get the stands going, Alan is to be at the south stand and David at the North stand to do whatever is needed.

north side: Coffee-Terri Bowen; Coffee, cokes, hot chocolate-Crystal Carson; Hot Dogs-Kathy Volden and Barbara Vela. **South side:** Coffee-Tracey Bulls; Coffee, cokes, hot chocolate-Donna Goff; Hot Dogs-Donna Schmehr; **Popcorn machine-** Annette Littlejohn and Elaine Reimer.

The following people need to meet in the kitchen of the Homemaking Dept. at 3:30 to fix hot dogs for night's game: Cindy Gressett, Margaret Hill, Deborah Jones and LaVon Kunselman.

Before 6:30 p.m. the following juniors should bring these items and give them to Crystal Carson on the north side and Donna Goff on the south side: 2 big pkgs. napkins-Twane Frimel; Brownies-2 doz. (2 in. x 2 in., individually wrapped) **North side:** LeAnn Biles, Don Brogdon, Pete Garcia, David Cummings, Ronda Collins and

Eric Brown; **South side:** Richard Burress, Pam Grayson, Robin Denham, and Ricky Alexander. **Sandwiches:** **North side:** Tuna, 1 doz.; Jed Meisner; Chicken, 1 doz.; Connie Moore, Ham, 1 doz.; Tammy Robertson and Kenneth Rosser. **South side:** Tuna, 1 doz.; Kyle Nollner; Chicken, 1 doz.; Randy Reid; Ham, 1 doz.; Robert Reed.

The following students should bring these items to Mrs. Mitchell or Mrs. McMullan before 3:30 Friday, 5 pt. 10. 2 big forks-Cris McClellan; 3 lbs. coffee (regular)-Linda Lewis, Gerri Maize, Kandy Montgomery, Denise Ware; 5 pkgs. hot dog buns-Donna Brogdon, Carrie Clark, Karen Dennis, Stephanie Floyd, Dalene Godfrey, Ramona Moss; 3 pkgs. weiners-Jim Jones, David Evans, Lori McAdams, Louisa Ochoa, Mike Bodey, Brad Chisum, Brent Connelly.

Jr. High Council Representatives Named

The Spearman Junior High Student Council met September 3rd and elected officers for this year.

Officers are: President-Jamie Bulls, eighth grade; Vice President-Eadie Clemmons, eighth grade; Secretary-Stan Sherwood, seventh grade; and Reporter-Karey Bodey, eighth grade.

Student Council representatives are: 5th grade-Nita Blackburn, Stan Sherwood; 6th grade-Tammi Welch, Shelly Frimel, Mary McIntyre; and 8th grade-Jamie Bulls, Kenneth Brown, Karey Bodey, and Eadie Clemmons.

Scholastic Aptitude Tests Scheduled

Claude Newell, guidance director at Spearman High School announced that Juniors will be able to join over one million other students around the world in taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall. The test, cosponsored by the College Board and National Merit Scholarship Corporation, is an important step in making college plans.

Scheduled for October 19, 1976, the PSAT/NMSQT measures verbal and mathematical aptitude—two abilities important in doing college work.

The test can also lead to other opportunities for high school students:

- ...they can enter the competition for scholarships administered by the National Merit Scholarship Corporation;
- ...they can participate in the College Board's Student Search Service and have their name sent to colleges interested in students like them;
- ...they can get a good idea of what the Scholastic Aptitude Test (SAT) is like.

Greetings To All Cattle Producers

FRIDAY SEPT. 3rd was the regular day for our Cattle Auction in Guymon. The numbers were down some from the previous week but all classes found a ready outlet once the market was established. The "Action" began at 11 A.M. and was completed at 4:00 P.M. 1049 Cattle and Calves were sold thru the Arena

NOTICE-FRIDAY OCT. 1st will be our first "Special Calf and Yearling Sale" for the fall. We want to arrange "Special sales" for all classes thru the fall to be to the best advantage for the Producers. With this special in mind for OCT. 1st-SEND YOUR COWS AND MIXED CATTLE in for the FRIDAY SEPT. 24th sale or for FRIDAY OCT. 8th sale.

Timely Tips
 How can you make a gift really special? Give something that's both useful and excitingly new. A digital watch is popular among innovative young people who want a quality gift that's "up to the second." Sears, in the watch business for generations, suggests a gift of solid state digital—its best are warranted to be accurate to within three minutes a year for a period of three years from date of purchase.

Help get your budget-balancing act back in shape...

with the Equal Payment Plan!

If you feel like your budget balancing is a three-ring circus each month, Community Public Service Company offers the Equal Payment Plan... a convenient method of equalizing your monthly utility payments. Under this plan, your yearly electric consumption is estimated and divided into twelve equal monthly payments... and when you know in advance what your electric bill will be, it can sure help when you're working out the family budget! Periodically, your account will be reviewed and if your usage is not in keeping with the original estimate, you will be contacted and an adjustment will be worked out. If you're interested in the convenience of the Equal Payment Plan, give us a call! The Equal Payment Plan... another service from your friends at Community Public Service Company.
