SPEARMAN, HANSFORD COUNTY, TEXAS THURSDAY, OCTOBER 7, 1937

NUMBER 41

SILO DEMONSTRATION WELL ATTENDED SATURDAY OCT. 2

Thirty farmers from the Spearman area attended the silo demonstration held at Bill Deck's farm Saturday Oct. 2. The demonstration in charge of E. R. Eudaly proved of much benefit to those who were present. Deck's silo was of 70 ton capacity, and since he had a stack of dry feed right beside the silo, the contrast of feed was very impressive. Eudaly explained that silos were practical for any number of cows from 1 cow to a herd. The smallest recorded silo is one 2x2 feet, and 20 feet long, and the largest is one at El Paso 30 feet wide at top, 20 feet wide at bottom, 15 feet deep and 700 feet long. The capacity is 6,000 tons. Records show that feed will keep indefinitely, cases showing where feed stored 11 years has come out of silage in perfect condition. One very valuable fact was learned at the demonstration. The ordinary careless weed, when put in silage green has as much protein value as alfalfa. However, the average run of feed to be placed in silage must be covered after maturity, Mr. Eudaly recommending waiting until after a frost if possible. This is a radical change in the procedure, since many farmers formerly placed their feed in silage while green. It was found that the feed formed an acid condition that scoured the cows and made feed less valuable.

HOLT NEWS

H. H. Stephens returned to his home Saturday night from a three day business trip to Leveland, Plainview, and Earth, Texas. Mr. and Mrs. Clyde Thompson and daughters, Georgie Marie and Bonnie Lee attended church in Spearman at the Church of Christ Sunday. D. A. Jackson and son Clyde left Saturday morning for a few days trip to Reed, Okla. after his farm interests there. Mr. and Mrs. Edd Dillow and daughter Syble Faye were shopping in Borger Friday. D. B. Kirk and C. A. Batton made a business trip to Stinnett Oil Field Saturday. Jim Ownbey and M. C. Scott made a business trip to Stinnett and Borger Friday. Mr. and Mrs. J. C. Lee and daughter Ruby Mae were business visitors in Stinnett Friday morning. Edgar Fite and daughter Helen were Spearman visitors Saturday. Mr. and Mrs. Pat Neilson were certain visitors Friday afternoon. Mrs. Feral Lee and beginning and Christine, 2. The demonstration was in charge of E. R. Eudaly from College, leave the s

The Hutchinson county singing convention held at Holt last Sunday afternoon was attended by a very large crowd. Mrs. Charles D. Ross had charge of the program and deserves due praise for a splendid program. Visitors present were: Mr. and Mrs. Burran, Bro. and Mrs. A. F. Loftin, Mr. and Mrs. Smith and children, Rev. Albert Smith, Martha Deln Kirk Louise Linn, Mrs. Leland Close, and daughters, Mr. and Mrs. W. Meek, Fern Gower, Mr. and Mrs. Ed Reed and children, Mr. and Mrs. W. R. Finley all of Spearman and Mr. and Mrs. Sid Powell of the Blodgett community. Mr. and Mrs. Spivey of Gruver, Mr. and Mrs. Rosa Chisum and children Richard Groves of Pringle, Mr. and Mrs. Rice, Lucille and Junior Brannon Bill and Jack Green, John Cochran, Mr. and Mrs. Leon Clements, Mr. and Mrs. Hugh Bletso, Ivan Bolls, Eunice Boteler, J. C. and Martherine Carter, all of Borger, Mrs. Herbert Kirk and A. E. Hoeker of Abbock and Jerry Hurst of Borger.

Many people from Holt attended the football game held in Spearman last Friday. William Dillow Rob. Neilson and Jim Winters played football Friday against the Shattuck Indians. Mrs. R. A. Spurlock former resident of the Turkey Track ranch in the Holt community but now a resident of Phoenix, Ariz., is visiting friends and relatives in Stratford.

SEVEN HUNDRED CITIZENS HEAR CONGRESSMAN JONES IN TALK AT UNION CHURCH TUESDAY AFTERNOON

Approximately 700 North Plains citizens were present Tuesday afternoon Oct. 5, to hear Hon. Marvin Jones review the history of agriculture and outline the improvements made by the present Democratic administration in an address delivered at the Union church.

A word picture of the unbalanced fight agriculture has made since the original signing of the Declaration of Independence was given by the national farm leader. He traced the favorable trade-balance awarded manufacturers of our nation by the tariff, and stated to his audience that the present Democratic administration was the first national government to give agriculture a balanced opportunity in comparison with other national enterprises.

Jones touched the future policy of the present administration regarding agriculture when he suggested the national program would be a continuation of the present soil conservation features with perfections of many items apparently in error at the present time.

Cheered frequently in his speech as he upheld President Roosevelt and his administration, Congressman Jones appealed to the farmers for cooperation in an effort to formulate a program which would put wheat producing Plains on a purchasing level with the industrial North and East.

Flays Tariff

Farmers of Hansford and surrounding counties listened intently and heard the Panhandle Congressman, who is recognized as Chairman of the House Agriculture Committee, to be one of the nation's foremost farm authorities flay the high tariff walls as unjust to agriculture.

He stated that the only thing for the farmers of the Panhandle is a subsidy payment for the growing of farm products in order to place them on a parity with the industrial states. He stated that the government will continue to set 30 per cent of the tariff collection on industrial products aside as a special fund for the stabilization of farm prices.

Lauds Panhandle Plains

Panhandle people and West Texas people were lauded by Mr. Jones. "It takes pioneer blood to stand the hardships we have been forced to endure in this section in the past few years," he declared. "I am proud to be a West Texan," he said.

Mr. Jones quoted Alexander Hamilton as saying the tariff was to the disadvantage of the farmer and rancher and that there should be some subsidy to offset the tariff. "I am in favor of a tariff for all, or a tariff for none," Jones shouted.

The farm official told of the fight on the tariff problem which was made for years. But the fight against the tariff was finally

Miss England Resigns School Work Here

Students and patrons of the Spearman School will be sorry to learn that Miss Ruby England has resigned her position with the Spearman high school and will become an instructor in the Abeline school system.

Miss England has made many friends in Spearman during the three years she has taught here. She is a member of the Spearman Music club, active in church organizations and has been the Lion Club sweetheart the past two years.

Presbyterian Pastor "Pounded Unmercifully"

Rev. William Albert Smith pastor of the Presbyterian church was, in his own words "pounded unmercifully" Thursday night Sept. 30. Members of his congregation and friends of the Spearman community were responsible for the affair. After the gifts had been made the group spent an hour in friendly visiting and fellowship. Rev. Loftin and Rev. Todd made talks... songs were sung.

abandoned for a fight for a parity on farm products in the recent farm programs he said.

Program Not Perfect
Congressman Jones stated that the present farm program is not perfect, but that it is much better than no program at all. He compared it to early inventions, such as the early automobile and airplane, saying that the early models were not perfect but that they were a start.

The speaker stated that he favors economy in business and in government, and hinted that the public works program should be curtailed now that business conditions are improving.

He stated that the reason recovery has been so slow is that the country was down with "Hoover Sickness" when the Roosevelt administration began. He upheld Roosevelt as a man of action, averring that the presidents from 1920 to 1932 could not and would not do anything for the people.

New Farm Bill

Congressman Jones stated that a new farm program will be worked out with the present Soil Conservation Program as a basis, and embodying phases of the old AAA farm bill. He said that the new program would be better than any heretofore announced. 25 farm leaders from 24 states have been contacting farmers this summer to see what they want in the way of farm legislation, and the new bill will be as nearly as possible what the farmers want, he said. Everyone is interested in conservation of the soil, it was pointed out, as the soil is the heritage of the future. He cited China as an example of waste of the soil, the telling of the famines and desolation which resulted from denuding the fertile lands.

Scorns Tenant Ousting

Mr. Jones struck at the practice by big landowners of displacing their tenants and employing day laborers to cultivate their farms in order to reap more benefits under the farm program. He stated that the 1938 program would discourage this practice by cutting the benefit payments to the big producers, thus encouraging the family-type farming.

"I am sure this practice is not being done in Hansford County," the speaker smiled, "but it is being done in other counties."

He called on the landowners and tenants to co-operate in seeking a working program for agriculture and one that would put everyone on a basis of equality. County Attorney Sewell, in introducing Mr. Jones to the large crowd of farmers, praised the Congressman as a tireless worker who for two decades has fought the battle of the Panhandle farmer. Grover C. Hill, representative of the cattle division of the AAA and Carl Hinton, secretary of the Amarillo C. of C., accompanied Mr. Jones to Spearman.

CCC Enrollment Set For October 12-13

Enrollment of 450 CCC enrollees in the 35 counties in TRC Districts 16 and 17 is to take place Oct. 12-13. Enrollees from Hansford county will report to C. 2874 Perryton, Texas Oct. 12. The quotas are almost filled, but if others wishing to go to camp will make application immediately an effort will be made to place them. Applications are accepted by County Welfare Workers in each of the various counties.

FOR RENT—2 room house, lights gas and water inside. 1 kitchen cabinet. See Lester McLain.

METHODIST CHURCH

OCTOBER LOYALTY MONTH

To every member we are urging your support of the church in every possible way. Be in the services if at all possible. Next Sunday at the evening services we will have the installation of all the officers and teachers of the Sunday school and the church, this includes the Stewards. The official church family at 11 o'clock communion service following the pastor's message. We extend a cordial invitation to all who desire to worship with us.

Cold Wave Sweeps But Frost Escaped Over Entire Plains

The Plains section has been enjoying very cool nights during the past week, but no rains have fallen. The afternoons have been uniformly warm.

No frost has been reported in the Panhandle although the temperature has been near this mark several times during the past 7 days. Farmers have been very anxious for more rain so that the wheat planting might be continued. All planting was stopped because of lack of moisture in the ground.

Eastern Star Members Visit Perryton

Nineteen members of the Spearman Eastern Star were among guests from Booker and Spearman at a meeting of the Perryton Eastern Star honoring past Matrons and Past Patrons of the Spearman, Booker and Perryton lodges, held Tuesday evening.

The Spearman Eastern Star organization had as guests at their regular meeting last Friday evening 10 members from Texhoma, 2 members from Amarillo and 2 members from Perryton Eastern Star lodges. Mrs. J. W. Yates and Mrs. E. D. Clements were candidates for initiation.

MORSE HOST TO PTA COUNTY COUNCIL

The Hansford County Council opened the years work with the first meeting at Morse, Tuesday October 5, with Mrs. Clinton Wilson of Gruver presiding. Mrs. W. A. Gillispie had charge of the program which opened with music by the Morse Band followed by readings and other musical numbers.

Supt. F. P. Wilson of the Gruver school was the guest speaker. He gave a very interesting talk on "Health", other speakers on the program were Supts. Finley of Spearman and Gillispie of Morse. Reports were given by each local unit. Mrs. Sid Clark and Mrs. M. A. McCloy, district vice presidents brought messages from the district. Lovely refreshments were served to about forty delegates and visitors.

The next meeting of the County Council will be at Gruver in December.

START CONSTRUCTION WORK ON BRIDGE

Work on constructing the large bridge across Palo Duro creek that will service the Kimball community, was begun Monday of this week. Judge C. W. King, commissioner of this precinct estimates it will take 20 to 30 days to complete construction. The Austin Bridge Company have the contract for the bridge.

Local Baptist Church 1st In Association Report

The Canadian Baptist Association convened in its annual meeting with the First Baptist church of Canadian the 5th and 6th. When the reports were all in it was discovered that the First Baptist Church, Spearman led all the other churches in the association in the number of baptisms during the past year. The fact is that the church made her best report in the past five years.

We feel sure that not only will the Baptist people of Spearman be glad to learn that Rev. A. F. Loftin, pastor of the local Baptist church, was elected moderator of the association for the ensuing year, but that many of his friends outside the Baptist church will rejoice to know that this honor fell on one of our citizens.

The next meeting of this body will convene in the First Baptist Church of Perryton, on Tuesday after the second Sunday in Oct. 1938.

DR. POWELL, Eye, Ear, Nose and Throat specialist will be in Dr. Gower's office Wed. Oct. 20. Glasses fitted tonsils and adenoids removed.

OFFICIALS FAVORABLY IMPRESSED WITH DAM SITES OVER COUNTY

If one can judge by casual comments made by three WPA officials who made an official tour of inspection of Hansford county prospective dam sites for the proposed large lake construction, they were favorably impressed with the Hansford dam sites. The party included the main WPA official from San Antonio, a WPA engineer and WPA geologist. The three spent the day last Friday with Judge A. F. Barkley inspecting dam sites. At one place the WPA visitors stated they had not inspected so favorable a site as the one they were looking at, in their tours over the various counties to date.

1938 WHEAT CROP NEEDS MOISTURE

A check-up on the condition of wheat land and wheat prospects for 1938 in Hansford county reveal a not too healthy condition as to the present time. County Agent Joe Hutton, estimates that more than 90 percent of the land to be planted to wheat in this county has been drilled as of this week. Of the land drilled, approximately 40 percent is up and has some growth. The remaining 40 percent has not had sufficient moisture to start growth.

In sections of the county the entire acreage is up and growing, while other sections have 100 percent non-growth, not having had enough moisture to sprout the grain.

Perhaps Hansford county will enter the fall season normally a time of the year when much wheat pasturage is available, with less pasturage than any year since 1932. While the official moisture as recorded at Spearman by F. W. Brandt only gives the county 3.36 inches of moisture since the 1937 harvest, many sections have enjoyed much more rainfall. Perhaps approximately 15 to 18 percent of the wheat acreage of the county is in real healthy condition at this time and is not suffering for lack of moisture. Remaining wheat land is either classified as land "dusted when sowing" or a meagre growth and badly in need of moisture to insure any pasturage.

Figures at the County Agent's office reveal the fact that there are 337,876 acres of land subject to cultivation that are listed in the government agricultural program. Most wheat producers of the county have left out the 5 percent county cut, and the estimated 20 percent additional cut, that it is rumored will be required under the terms of the 1938 farm program. Where it was possible this so called "allotment" land was left out in the volunteer stand of wheat to eliminate as many hazards of "blowing land" as possible.

Since the land listed in the farm program with the county agent represents approximately 99 percent of the cultivated land of Hansford county, and if the government requirements for "qualification" should call for a 25 percent reduction of wheat land, this count will enter the 1938 wheat production season with perhaps the smallest acreage harvested in many years. The reduction program would take 84,446 acres of Hansford land out of wheat production, leaving 253,407 acres, most of which will be seeded to wheat. Due to the fact that the government has not definitely set an acreage reduction quota for Hansford county, some wheat producers have planted their entire acreage to wheat, believing the cost of planting and plowing will be off set by the advantages derived in not having as large a wind hazard on their land. However, the best information available, will be compelled to plow up the allotment acreage early this fall. If this be the case, very little advantage will be gained in the wind protection... certainly not enough to off-set the cost of planting acreage not allowed in the government program.

In addition to the adverse growth conditions at this time the North and North West section of Hansford county report the grasshopper hazard as serious in limited areas. Most all the growing

BARGAIN RATES AVAILABLE NOW

Bargain rates are available now on many of the daily newspapers. Amarillo Daily News is \$5.50 a year; Star Telegram, \$7.45. Place your order now. It will pay you to subscribe through the home town paper.

Visitors From Eight Clubs Join Lions At Jones' Banquet

More than 100 members of Lion Clubs, members of Protective Agricultural Associations, and other invited guests were present Tuesday noon at a fellowship banquet held at the Methodist church annex, honoring Congressman Marvin Jones. Jones was delayed at Borger and did not reach Spearman in time to attend the banquet.

Visitors from Dumas, Dalhart, Perryton Canadian, Higgins, Guymon, Follett and Booker were present and took part on an informal program. Boss Lion Lloyd Campbell of the Spearman club was in charge of the program. While the visitors were disappointed in not having the honor guest present, all declared the Tuesday fellowship luncheon was a success, and worth their trip to Spearman.

Emel Knutson Terraces 110 Miles Of Land

One Hansford county wheat producer, Emel Knutson large land owner, and regarded as a "model wheat farmer" by his neighbors, has terraced 110 miles of terrace on his land. Knutson has done this work without the aid of government agencies, having purchased his own equipment, and employed his own labor. Knutson stated Tuesday of this week that the yield from his terraced land the past year averaged 10 bushels per acre, and the yield from land beside it, not terraced, only recorded a 3 bushel average.

Sow 14 Varieties Of Wheat

J. M. Atkins representative of the state sub experiment station of Decatur, Texas sowed 14 varieties of seed wheat on the A. J. Wilbanks farm the past week, as part of a Panhandle wide test for best variety of seed wheat. In all past experiments the tanmarq variety has proven the most productive for the Panhandle Plains land with Black Hull seed wheat producing the next highest average yield.

R. V. CONVERSE SAYS—

Senator Black has been seated as a Supreme Judge regardless of the opposition and it just goes to show that unless there is some evidence that a man does not have the ability to deliver justice he is qualified to be a judge of our higher court.

Congressman Jones was in town today and did the folks enjoy his talk they were so enthralled that they forgot to ask the questions that they are so anxious to have answered about the new farm program it seems that they were all spellbound with the logic and facts that were presented by Mr. Jones on the street after the talk it was commonly heard that Marvin Jones should be the next President and why not, he seems to have all the qualities of a President. Here is to Marvin Jones for the next President of the U. S. It seems that our state Legislature is getting under way and will hold a public hearing in the house to see if we want liquor by the drink or by the present method. With the present speed of the cars, liquor by any method is dangerous.

In the next few weeks the diplomats of Great Britain are going to be put to their best if they succeed in staving off the almost certain war in Europe. Doesn't it seem strange that in this day of enlightenment that a country like Japan can wage a war of aggression in China without the entire world protesting. You don't think any one is trying to make money out of the terrible condition created for the women and children or do you?

R. V. Converse.

MANY SPEARMAN FOLK TO ATTEND DUMAS CHURCH DEDICATION

Many members of the Spearman Christian Church will attend the all-day dedication services at the First Christian Church Dumas Sunday Oct. 10. The local church have changed their entire Sunday program in order that local members may feel free to visit Dumas. Rev. Patrick Hem will be in charge of the Dumas meeting.

Coaches Rebuild Lynx After Indian Victory

Deprived of his running back Jim Winters, sparkplug of the Spearman Lynx offense, who was taken out of the last Friday game with an injured finger, and who cannot play again this season Coach Wayne Wilkins started rebuilding his team Monday of this week with a new series of plays for the first conference game to be staged at Spearman Friday afternoon October 8, when the Lynx squad play Canadian.

Offensive play will be built around a short punt formation instead of the wing-back play the team has been schooled with during the present season. Wilkins will coach his team in an aerial offense, since his power plays have been crippled with Winters out of the game.

Canadian, apparently with a weak team this year, was counted as one of the conference victors for the Spearman squad before the injuries of last week crippled the team.

"Sure Cure For Sleeping Sickness" Says Collard

John R. Collard, prominent Hansford County banker and land owner is responsible for a "sure cure" for sleeping sickness among horses. Mr. Collard had a valuable horse "stricken" with the now prevalent disease, some time back. After veterinarians, neighbors and "hired help" had done everything possible, and the valuable animal would not respond to treatment, Mr. Collard called on his friend Sheriff Hix Wilbanks and asked for a gallon of his strongest and "loudest" confiscated bootleg whiskey. Collard mixed a cup of the whiskey with two raw eggs and a pint of sweet milk and began feeding the horse. In three days the animal was improving and following him around the lot nickered for his "egg-nog". The horse recovered and is in the best of health today.

Blodgett News

Mr. Olin Williams, wife and baby left Thursday morning for a week at the Dallas Exposition. S. J. Powell and wife, A. D. Reed and family and Mrs. Ralph and J. M. Blodgett attended the sale at Perryton Tuesday. Mrs. E. S. F. Brainard, and family and Ada Marie Easley went to Canadian Thursday to spend a few days.

Quite a crowd attended the fun night at the Christian Church in Spearman Friday night. Mr. and Mrs. C. C. Beck of Gruver spent Saturday night and Sunday with their daughter, Mrs. A. D. Reed. Mr. and Mrs. S. J. Powell, Mr. Mearl Beck, Mrs. Gowen, and baby Mrs. Ralph and J. M. Blodgett attended the singing at Ho. Sunday evening. Mr. and Mrs. A. D. Reed, Margaret Alline and Mr. and Mrs. C. Beck were guests with Ho. Gossett Sunday evening. Mearl Beck went to Spearman Tuesday morning to have so. dental work done.

The Blodgett Home Demonstration Club met in the Home of Mrs. W. M. Deck Monday. Big Tartar our agent met with us. gave a demonstration on cooling vegetables and making salsa. She especially stressed the value of over cooking Mrs. Church on a brief talk on her trip to convention at San Antonio was very interesting. Those present were: Meade M. Sims, Powell, Reed, Church, Tartar and sister, Mrs. J. Blodgett and hostess.

THE REST OF THE RECORD

BY JAMES V. ALLRED
GOVERNOR OF TEXAS

One of the ablest groups of newspapermen in America is reporting the present legislative session from the capitol pressrooms. Keen and intelligent, they do a good job of covering and reporting the daily happenings of the Legislature.

It is no criticism of their fine work to say that often the average newspaper reader loses sight of the real issues in the mass of conflicting statements and reports which must be carried by the press. An example occurred this week when a good farmer friend wrote me that the farmers of his section "strongly opposed any increase in taxes, especially on farm real estate and taxes that affect farmers as a whole."

Now I have never had my desire for the legislature to pass that kind of a tax program nor have I ever sponsored such a plan. The record shows that I cast my vote with the state comptroller to lower the state ad valorem tax to 7c which is the lowest in over 20 years.

As I told my farmer friend, I am urging a tax program to raise money from only a small, under taxed and over-privileged group—interests able to pay the cost of financing old age assistance, aid to needy blind, dependent children, and teachers' retirement. An example of such a group is that of five major pipe line companies who in one year reported a total net profit of 41 million dollars but paid altogether to the state the "tremendous" sum of \$5,647.99 in franchise taxes. These are the kind of folks I want to see taxed—not to penalize them, but so that they will bear their portion of our state government cost.

The only group that I know who want to levy taxes that "affect agriculture as a whole" are the "salestaxers." A sales tax would fall squarely on the shoulders of the farmers and the working people. Lobbyists for all the big pipe line companies and other special interests watching the Legislature favor a general sales tax. Spokesmen for this group are saying no new taxes are needed. Such statements are simply a smoke-

screen to defeat the people's program. Everyone of that group would vote tomorrow for a general sales tax if I would agree to it. Their strategy is to stave off any taxes as long as possible until our state is in such a terrible shape that some future governor out of desperation may turn to a general sales tax. To carry out their plan, this group has organized a campaign of propaganda to frighten the farmers and little business men into thinking that my tax program is going to hurt them.

They raise the hollow charge that I want to levy more tax burdens on the people. The taxes I propose would fall on the shoulders of the over-privileged groups which are able to pay.

A certain senator and his associates in the "sit-down" strike against adequate revenues for the needy charge that I have increased the cost of state government. They point to increased appropriations during the past ten years as

though I were responsible for all of them. I wonder why they are not fair enough to let the people know that represented in their figures is the money that is collected for unemployment insurance and for relief bonds which the people voted. Practically everything I have had anything to do with was voted by the people. The increased appropriations for ordinary purposes of government were voted by the Legislature against my recommendations.

Texas cannot have progressive government by launching destructive economies and institution-wrecking politics in order to save a few privileged interests from just taxation.

The people do not want to economize by cutting out unemployment insurance or old age assistance. The votes in every senatorial district registered overwhelming approval for aid to the blind, dependent children and the needy.

I believe that the majority of the legislators have the political

courage and the patriotic purpose to provide for the state's unfortunates and to balance the budget.

DEATH?

Death! Well I know, what is before thee. Beyond thee, I would explore, And find adventure. This side of death, I have no awakening.

I would soar aloft, as a bird, span the unknown— Sweep past the barriers, Into Celestial space, as a cloud.

I would be free from fetters; I would tread the unknown path, Into the abyss of future life. Call it Death? No!

It is an awakening from the Dream call life— Into a greater life.

—Mrs. Novotny Edinburg.

87 SPEED RECORDS BROKEN TO MAKE TIRES SAFER FOR YOU

Never Before Have Tires Been Put to Such Gruelling Torture

Ab Jenkins, World's Safest Driver, Establishes 87 New Records for Safety, Speed, Mileage and Endurance. He Drove 3,774 Miles in 24 Hours on the Sharp Granite-like Surface of the Bonneville Salt Beds at Average Speed of 157.27 Miles an Hour

AT SPEEDS as high as 180 miles an hour—with the hot, coarse, abrasive salt grinding, tearing, scorching his tires—Ab Jenkins' special racer, weighing nearly three tons, pounded over the Bonneville Salt Beds last week at such terrific speed that it caused the surface to break up. Before the end of the run the track was so pitted and rough that it was almost impossible to hold the car on its course. Yet Jenkins set 87 new World, International and American speed records on Firestone Tires.

Building tires capable of establishing such records is made possible only because of patented Firestone manufacturing processes. These exclusive features enable Firestone to provide car owners with tires that are extra safe.

For the greatest protection of yourself and your family equip your car with Firestone TRIPLE-SAFE Tires. By TRIPLE-SAFE we mean—

- 1 PROTECTION AGAINST SKIDDING**—The scientific tread design gives longer non-skid mileage and stops your car up to 25% quicker.
- 2 PROTECTION AGAINST BLOWOUTS**—Firestone Tires run up to 28 degrees cooler because every fiber of every cord in every ply is saturated with liquid rubber by the Firestone patented Gum-Dipping process. This counteracts the internal friction and heat that ordinarily cause blowouts.
- 3 PROTECTION AGAINST PUNCTURES**—Two extra layers of Gum-Dipped cords under the tread add strength to the tire and give extra protection against punctures.

Now is the time to make your car tire-safe for fall and winter driving. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new FIRESTONE TRIPLE-SAFE Tires—the safest tires that money can buy!

SOCIETY

Elizabeth Ann Miller—Call 10

NEWCOMB - ANDREWS

A marriage of sincere interest, the friends of the couple was that of Miss Lola Andrews, daughter of Mr. and Mrs. L. G. Andrews and Mr. Charles Newcomb, son of Mr. and Mrs. G. C. Newcomb. The vows were pledged Saturday afternoon at 2:30 at the home of the bride's parents, before an improvised altar of potted plants and ferns. The home throughout was decorated with seasonal flowers. Rev. T. R. Lillie, minister of the Church of Christ officiated, using the impressive ceremony, in the presence of close friends and relatives.

Mrs. Lafe DeArmond sister of the bride, was the maid of honor and John W. Van Cleave served best man. Miss Marcella Newcomb served as the bride's maid. The young bride presented a picture of youthful loveliness in her wedding gown of brown tulle and lace with brown accessories. She carried an arm bouquet of varied colored fall flowers. The maid of honor wore a becoming dress of wool with brown accessories. The bride's maid was dressed in a black sheer crepe dress with black accessories. The bride was a member of the class of '37 at Spearman High. The groom was a member of the class of '35 at Spearman High and at present employed by Mr. Lester McLain.

Mr. and Mrs. Newcomb left immediately after the ceremony for their brief wedding trip. At present they are making their home in the McLain Apts.

BIRTHDAY DINNER

The friends and neighbors of Mrs. C. L. Schell met in her home Wednesday Oct. 6 for a surprise birthday dinner. A large feast of delicious eats were enjoyed and furnished by the following: Mrs. Olin Womble, Mrs. A. L. Jacobs, Mrs. Chester Catts and son Calvin, Mrs. Floyd Cates and daughter, Sherry Lou, Mrs. H. Davis, Mrs. Earl Carpenter, and children Miss Eula Fay Carpenter, Mrs. J. C. Yates, Mrs. Edd Close, Mr. and Mrs. Lelan Close and daughters and Mr. and Mrs. C. L. Schell and children.

Many lovely gifts were presented to Mrs. Schell.

RAINBOW RALLY

Elsie Ruth Porter was hostess to the Rainbow order and their guests last Saturday night. An enjoyable evening was spent playing table games and being entertained by those musically inclined. Delicious refreshments were served to Misses: Elizabeth Ann Miller, Frances Hoskins, Helen Richardson, Buena Vernon, Verna Gail Allen, Vera Beth Hoskins, Janelle Womble, Colleen Kelly, Estella Garnett, Fran Schubert, Doris Jean Russell, Patricia Snider, Ruby Ruth Kelly, and Elsie Ruth Porter and Messrs. F. A. Shapley, Perren Lyon R. E. Sanders, Bill Russell, Ledru Jacobs, R. L. McClellan, Wayne Hutchison, A. F. Jackson, C. P. Archer and J. R. Klem.

CATHOLIC CHURCH

Catholic services will be held at the District court room at Spearman each third Sunday of the month. Father Andrews from Borger will officiate. Services begin at 10:30 a. m.

Couple Honored

Mr. and Mrs. L. G. Andrews entertained with a beautiful luncheon Sunday in honor of Mr. and Mrs. Charles Newcomb, whose marriage was a recent event. The table was beautifully decorated with varied colored fall flowers, and a color note of pink and white as carried out in the decorations for the reception and dining room. Covers were laid for 24 guests for the serving of the delicious course menu. An interesting feature was the cutting of the beautiful cake by the bride.

Those present for the delightful occasion were Elder and Mrs. R. Lillie, Mr. and Mrs. Lafe DeArmond, Mr. and Mrs. G. C. Newcomb and family, Miss Marcella Newcomb, Miss Hazel Jenkins, Miss Josie Bell Andrews, Mr. Buck Behave, Mr. and Mrs. Charlie Riley, Mrs. Earl Riley and family, Mr. and Mrs. J. C. Yates and family, Mr. and Mrs. Roscoe Womble and J. D. Andrews.

ELLE BENNETT SOCIETY

Twenty three members of the Elle Bennett Missionary society are present at the home of Mrs. Walter Wilmet, Wednesday afternoon for the lesson "A Preface to Racial Understanding", led by Mrs. H. E. Campfield.

Following the lesson a social hour was spent celebrating the large attendance. Lovely refreshments were served: Mesdames, G. H. P. Bailey, A. F. Barkley, John Bishop, Sid Clark, W. R. Inley, G. P. Gibner, J. D. Hesse, W. A. Hitchcock, Virgil Hull, A. Lyon, D. B. Keim, H. H. Jones, F. W. Maize, L. S. McClellan, R. L. McClellan, Levi Wilson, E. C. Womble, J. L. Redus, E. E. Campfield and W. W. Wilmet. The next meeting is with Mrs. J. L. Redus.

SPEARMAN MUSIC CLUB

Quite an interesting program as that of the Spearman music club Tuesday noon Oct. 5, held at the home of Mrs. H. P. Bailey. Mrs. R. E. Lee was leader, announcing the following program: "Catering to American Musicians," by the leader, "Soldiers' chorus", duet, Miss Gantt and Miss England, "The Chicago symphony Orchestra", Mrs. W. P. Patton.

Present: Mesdames, J. Clifton, Douglas, Hoskins Hutton, Jarvis, Meers, Misses England, Gantt and one new member Miss Margaret Douglas.

ALIAH FLOWER CLUB

Members of the Daliah Flower club were guests at the home of Mrs. Paul Roach for the last Monday Oct. 4th meeting. Mrs. Little was leader of the lesson "Cleaning up the Garden for Next Years Flowers."

Guests included Mesdames, W. Finley, W. A. Hitchcock, J. C. Little, G. P. Gibner, F. W. Maize, J. Hoskins, Paul Roach and Mrs. A. E. Roach.

HAPPY HOUR CLUB

The first meeting of the season of the Happy Hour Club was held Sept. 23 at the home of Mrs. R. C. Bennett. Those present for a pleasant afternoon meeting were as follows:

Mesdames, Don Bennett, Cecil Crawford, Archa Morse, H. M. Shedeck, Lizzie Benningfield, J. Lamb, Johnnie Close, Joe Novak, Marie Close, and the hostess. Refreshments were served at the conclusion of the meeting.

20TH CENTURY STUDY CLUB MEETS

The home Science Dept. of the 20th Century Study Club met at the home of Mrs. A. F. Barkley Sept. 30th.

Mrs. Lester McLain gave a very interesting report on "Texas Culture". Members present were, Mesdames, H. L. Wilbanks, L. S. McLain, G. P. Gibner, Rex Sanders, D. B. Keim, R. B. Archer, Jr., Ray Platt, Raymond Kirk, Gene Richardson, Butch Hale, R. W. Morton, and two guests, Mrs. P. A. Lyon and Mrs. Freeman Barkley.

The hostess Mrs. Barkley served lovely refreshments. Next meeting will be with Mrs. D. B. Kiem, Oct. 14.

BAPTIST SOCIETIES HAVE JOINT MEETING

The three W. M. S. circles of the Baptist church met Wednesday afternoon at the church for a Royal Service lesson. The topic studied was Chinese people, their costumes and religions.

The lesson was led by Mrs. Fred Brandt.

The following were present: Mesdames, Fred Brandt, Ed Clements, C. E. Hutchison, P. M. Maize, W. L. Meek, Dan Gill, O. J. Williams, Mrs. Roach, Mrs. Jones, Rex Sanders, R. L. Baley, W. M. Glover, Dennis Jones, Fred Hoskins, J. L. Edwards, Mrs. Cooke, J. P. Richards and Miss Altha Groves.

MARY MARTHA'S MEET

The Mary Martha's met Wed. Oct. 6 with Mrs. Gene Richardson. Mrs. Lee led the lesson on the book "Out Of Africa". Members present were, Mesdames, Lee, W. P. Hutton, Steed, Freeman Barkley, R. B. Archer Jr., Lloyd Campbell, Ben Beck, Roy Russell, John Allen, C. A. Gibner and the hostess.

DAVIS BROS.
Service Station

PRESBYTERIAN CHURCH

Sunday school, 10; morning worship, 11; Young people, 6:30 p. m., evening worship, 7:30 p. m. Every one cordially invited.

Mrs. Ruth S. Parks director, religious education, Dallas, will meet with the congregation and friends at the manse, Wednesday Oct. 7 at 7:30 to discuss the problems of our local church. Thursday Oct. 14 7:30 Mrs. Parks will meet with the young people to discuss their organization etc.

All Spearman is invited to share in extending a welcome to this talented lady as well as to bring her your religious problems.

CHRISTIAN CHURCH

On account of the sending of as large a delegation as possible from the local congregation here to Dumas for all day dedicatory services of the Christian Church building the opening of Bible School will be at 9:30 instead of 10:00 o'clock next Sunday morning, and the morning discourse on questions concerning life after death will be postponed to the next week, and the minister will preach at 10:30 on the subject "Inter-Church Relationships".

At 2:30 in Dumas the Rev. Powell Smith, minister of the West Amarillo Christian Church will preach and the orchestra and choir of that church will present a musical program, and at 7:30 Patrick Henry, state secretary of the Christian Churches, will preach and dedicate the building. Rev. Smith held an evangelistic meeting in Spearman a few years ago and made a large circle of friends both in the church and in the community who will be glad to hear him in the afternoon, and Rev. Henry is known throughout the state and should have a large hearing on the part of members of the Panhandle Christian churches.

All members and friends of the Christian Church are urged to attend both afternoon and evening services at Dumas.

JAMES TODD, minister.

HOUSE GUEST AT CAMPBELL HOME

Little Bill, Jack Wright, 3 month old son of Mr. and Mrs. L. T. Wright of Perryton is a house guest at the home of his aunt and uncle Mr. and Mrs. L. B. Campbell.

CHURCH OF CHRIST

Bible study Sunday morning at 10 o'clock. Preaching Sunday morning at 11 o'clock at which time the subject will be "The Relation of Christians to Each Other." Young People's Meeting Sunday evening at 7 o'clock. We are giving a series of Bible drills and urge all young people to attend.

Preaching services Sunday eve at 8 o'clock. The subject will be "Righteousness, Self-Control and the Judgment to Come." The Junior Ladies Bible Class will meet Wednesday afternoon at 4 o'clock at the church building. Prayer meeting Wednesday evening at 8 o'clock. At that time a lesson will be given on Paul's first letter to the church at Corinth.

Come, a cordial welcome awaits you.

T. R. LILLIE, minister.

CARD OF THANK

Our sincere appreciation to all the community for their splendid benevolent "pounding" last week especially to those members of the other churches who brought or sent a present.

Thanks so much,
Wm. Albert Smith and folk.

BAPTIST CHURCH

GOD'S CALL TO MEN
"Unto You, O Men I Call."
No man ever did a greater thing than to respond with all his heart, mind and strength to the call of God. The most manly man in this world is the man who lives closest to God. Just any body can live for the devil, but to live for God one must have the power of God with him. Our church had all other churches in the number of baptisms in the Association this year. "To God be the glory."

Sunday School 10 a. m.
Church 11 a. m.
B. T. U. 7 p. m.
Preaching 8 p. m.
Prayer meeting each Wednesday evening at 7:30.

Announcement has been made of the wedding of Billie Jenkins of Holt to Bobby Tevebaugh also of the Holt community. The couple were married Oct. 2 in Guymon, Oklahoma.

Before her marriage, Miss Jenkins, daughter of Mr. and Mrs. Ben Jenkins, pioneer residents of Hutchison county, graduated from the Spearman school and attended Amarillo Business college one year. The groom is the son of Mr. Robert Tevebaugh of Edmond, Oklahoma.

EYESTRAIN GOES OUT
when Good Lighting comes in

EYESTRAIN season is here. Check your reading lamps for the long winter nights ahead. Fill empty sockets and replace blackened bulbs with the proper size Mazda bulbs. Use 100-watt size in single socket lamps; 60-watt size in two socket lamps; 40-watt size in three socket lamps.

While you're at it, improve your present lighting by adding an I. E. S. Better Sight Lamp or two. I. E. S. Lamps are scientifically designed for safe seeing. They give several times as much light as the ordinary lamp using the same amount of current. What's more the light is properly shaded, free from glare, kind to the eyes. See the new I. E. S. Lamps at your dealer's or at our office. They are a revelation in eye comfort.

FREE LIGHT METER CHECK

This scientific Light Meter will tell whether your lighting measures up to standards of safe seeing. Ask for free lighting check-up TODAY.

I. E. S. BETTER SIGHT LAMPS

Scientifically Designed for Safe Seeing

- (1) Opening at top throws light to ceiling for general room illumination;
- (2) Glass diffusing bowl softens light; prevents glare.
- (3) Wide shade with white lining spreads light over large area.
