A LOT OF CLOTHES NEVER NEED IRONING WHEN YOU DRY ELECTRIC

You save more than clothesline work and weather worries when you dry clothes electrically. You save ironing time, too.

The gentle tumbling action of an electric dryer removes wrin

COMMUNITY PUBLIC SERVICE 1997

I have final got over the after efects of fixin the windmill, so I decided to fix up the hay loft in the barn, which is a combina tion hay loft and chicken roost. The mane reason that it needed fixen wuz that a hole lot of the boreds had rotted out to the point where a body mite fall through if he wuzn't careful how he walked around up there. To begin with, I clumb up the ladder to the loft and got Mag to hist up some boreds and nales along with the hammer and saw. While I wuz waitin for Mag to git the stuff up to me, I decided to gather up the eggs. Sense I never had no bucket for the eggs, I filled up my pockets and when they got full, I pulled my belt up tite and filled my shirt waste with eggs. When I got to the place where I never had room for no more eggs, it looked as if I had gathered them all up anyhow. I wuz gittin ready to come back down the ladder when Mag hollered up that there wuz a bunch of eggs over in the corner that had been up there too long and that I should bring them down. When I told her that I never had room to hold no more, she said she wood throw up a basket to put them in. I tried to explain that I needed both my hands to git down the ladder but she said I should put the eggs in the basket and then balance the basket on my head until I got down. I figgered I mite as well do what she said so I put all the eggs in the basket and then put the basket on top of my head. I wuz kind of keepin my eyes on the basket while I started back to the ladder. That wuz when I stepped on one of them rotten boreds and before I knowed what wuz goin on I had fell through and wuz hangin by my armpits. The eggs in my shirt waste and pockets had busted and wuz running down my britches legs into my shoes and socks. About that time I felt somethin runnin down my face and I also smelt some-thin. I hollered to Mag that there wuz a skunk loose up there but Mag said it wuzn't no skunk but that the eggs that wuz in the basket wuz a little bit over ripe. Mag hollered up for me to hang loose until she could git a holt of Ned the horse. I figgured she wood lead old Ned up underneath of my feet so I could push my self back up through the hole. Before I knowed whut she aimed to do, she throwed a rope around my ankles and had Ned yank me through the hole. Now my arms is so skint upp that I won't be able to do nothin be able to do nothin much for a few more days. That basket of eggs shore wuz rare. CASTER L. PEABODY ITTERS TO SERVE

The Junior Chamber of Commerce in our town may be few in numbers, but nobody can deny they're strong in spirit. This handful of young men, have formed the core of an organization that will surely grow in membership and enthusiasm. A membership drive is currently underway and the competition is keen, as each member competes to enlist more new members than the next J. C. There is no question that this organization has done a great deal of good for the community in the past and surely there are many worthwhile projects in the future. If you're sort of dated, like myself, how about backing these men all the way? Perhaps you know of a young man who should belong to the Spearman Junior Chamber of Commerce. If you do, persuade him to join the group, Because of the flu bugs things were sort of quiet around town this week. Some of the people and things I saw during the past few days. John Sutherfield trying to sell a car, Garland Head talking basketball, Jimmy Hicks information to Allen Alford, listening, Dorothy Davis shopping in hardware, Cricket Giles having coffee, E.R. Hester shopping in Cates, Robert Adamson talking a break, Lawrence Anthony waiting on a customer, Pete Fisher gone fishing, Freeman Barkley taking a walk, Brad Beedy visiting at Excel, Bill Turner getting a hair cut, Jimmy Hester sorting mail, R. E. Bradford getting better, Jim Morely wielding a wrench, Tommy Gooch on the move, Emmett Sanders talking about the library, Vance Snider hauling cattle, Ted Scroggs fixing a tire, Burton Schubert taking a break, Roy Rus-sell dressing a window, Charley Patton driving along, Gordon Parrish looking worried, Jim Neely looking unconcerned, Don Hendricks welding a pipe, Richard Holton looking for help, Bill Hutton talking fishing, Dr. Hackley out for coffee, Dr. Gregg taking a break.. Science has undoubtedly made great strides in the past decade, but did you ever stop to reason, that no one has ever figured out a way for a man to tell what a woman's thinking, by listening to what she's saying?

Let Me See ... by Sysil

Now with the last big foot-ball game of the season over our TV airways are now open to something I too, can njoy! Golf tournaments and I thoroughly enjoyed the exciting climax to the Pebble Beach tourney Sunday. I was pulling for Johnny Pott anyway and when he lucked out that chip-in I pulled one of Billy's football antics.... stood up and yelled real id! Also it proved what ve always thought about the ne of golf...a large part it is skill...but about half it is sheer LUCK! Speaking of golf ... now

that the Spearman course is en to the public until April it is the perfect time for ervone who has wanted to EARN to play to get out ere and get after it! Nonbers are welcomed IN URGED to take advanof the opportunity and the Spearman golf links ry. You'll enjoy it enough ome a member (we e) for we could certainly few more! You can ake arrangements at the nk to pay for your member-& dues if you like, and 'll never regret the money The greens are beauti-... the caretaker has been lanting trees right and left, ere are plenty of carts! Prepare NOW for lots of fun this nmer. By summer we won't ow the golf course ... Serndo has planted 50 trees nd knowing his green thumb ney'll probably all live!

In a news release announcthe annual convention of Texas Driver & Traffic fety Education association, ound this penciled note at te bottom: "I used to live at Cactus and ran the North Plains Athletic Association. If ny of the fellows who played asketball on the town team are still around, please give m my regards. We used to have some terrific games beween Cactus & Spearman in the late 40s and early 50s. This note was from James Standifer and basketball players such as Al Tucker and Garland Head will remember ig fat coach real well. is now Dr. James W. Staner, T.C.U. professor and President of the above named assocation. He will preside at the convention in April.

All of us have trouble reembering names. We meet meone and immediately nake a mental comparison of e name to some likeness or qual, or associate it with ne story, etc. Even in ing THIS we are often triped-up and the name doesn't me out OINTE right. This eek in the tax office Rev. esley Daniel was filling out s voter application and reinded the clerk there was no n his last name. "Rememer Daniel in the Lions den" e said. Then, laughing, he told of the time he was to preach a funeral service for a panish American man. His assistant (a Spanish Ministerould NOT remember Wesey's name. So Wes gave him e idea of remembering Daniel in the Lion's Den. The Spanish preacher thought this an excellent comparison and was at once put at ease. But when the funeral was underway and he had finished his part of the service, he then called for "Rev. Lion to say the prayer." Wesley said this was the hardest prayer he ever said in his life!

I met a friend of Mrs. A.W. Mobley recently. Her name is Mrs. Rector. I asked her to spell it for me and she laughed and said she answered to Mrs. Bishop, Mrs. Preacher, Mrs. Minister, etc. A worthy imparison anyway!

Annabell Simmons of Pampa has a friend by the name of Mrs. Small... Annabell calls her Mrs. Little most of the time!

Back to Rev. Daniel...his church had quite a hectic Sunday following our recent ice storm. The congregation umped out of the seats (alost) when the ice and snow kept sliding off the slate roof. Each time it sounded like mbs going off. As Karen ountiss began her solo the one in the business office started an incessant ringing. About this time Verna Lee's

nusic fell off the organ and aren continued her solo un-

accompanied while Verna Lee fished for it. Seeing the man walking down the aisle toward the pulpit, Karen thought he was going to deliv er some important message.. so she quit singing. The messenger spoke to Rev. Daniel who walked over to the pulpit and turned on the radio switch. (KBMF broadcasts Methodist services each Sunday & someone had forgotten to turn this on.) Karen finished her song. About this time, Mrs. Bob Hohertz fainted and was helped from her pew out of the church, Then Rev. Daniel took his stand at the pulpit and knocked off the microphone...it hit the floor with a loud bang..... which was ALMOST muffled by the sound of snow and ice that continued to cascade from the roof. He hastened to explain (for the benefit of many visitors) that Sunday morning services weren't always this disorganized.

Catherine Lyon Named Winner

Because she finished first in a written knowledge and attitude examination for senior girls December 5, Catherine Lyon has been named 1968 Betty Crocker Home maker of Tomorrow for Spearman High School. She is the daughter of Mr. and Mrs. P.A. Lyon, Jr.

Catherine's achievement has made her eligible for state and national scholarship awards and also has earned her a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow program.

A state Homemaker of Tomorrow and runner-up will be selected from the winners of the schools in the state. The state winner will receive a \$1,500 college scholarship. and her school will be award ed a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The runner -up will earn

a \$500 educational grant. The Betty Crocker Homemaker of Tomorrow from this state, together with those from all other states and the District of Columbia, each accompanied by a school advisor, will join in an expense paid educational tour of Colonial Williamsburg, Va., and Washington, D.C., next spring.
The national winner--the

1968 All-American Homemaker of Tomorrow -- will be announced at a dinner in Minneapolis, Minn., home of General Mills, Inc. She will be chosen from state Homemakers of Tomorrow on the basis of her original test score plus personal observation and interviews during the tour, and her scholarship will be increased to \$5,000. Second, third, and fourth ranking national winners will have their original scholarship grants increased to \$4,000, \$3,000 and \$2,000, respectively.

This is the 14th year of the Betty Crocker Search, initiated in 1954-55 by General Mills to emphasize the importance of homemaking as a career. Approximately six million senior girls have par-ticipated in the Search program since its inception, and 1,358 winners will have earned scholarships totaling \$1,481,500 at the conclusion of the current program.

The 603, 798 girls from 15,079 schools registering for the 1968 Search established a new record for the program.

Waka P-TA To Meet Jan. 22

Boy And Girl Of The Month

CATHY MACKIE

The Spearman Study Club has named Carrol Day and Cathy Mackie to reign as boy and girl for the month of January. Both are seniors in

Spearman High School. Cathy, daughter of Mr. and Mrs. Glen Mackie, has participated in basketball and been a member of the band ever since she was a freshman. She was a member of the Pep club during freshman and sophomore years, and a member of Future Nurses Associa tion while a freshman.

She was a member of FTA her sophomore year and of the Spanish Club when a junior. This year Miss Mackie is class treasurer, a member of the annual staff and was selected by SHS students as "Miss Friendly."

Courtesy Held For Mrs. Weston

Mrs. Doris Weston was complimented with a bridal shower Jan. 11 in the home of Mrs. J.L. Brock. The honoree is the bride to be of David Frye of Amarillo. Mrs. Weston, who has been a resident of Spearman for 18 years, will make her new nome in Amarillo after the wedding.

Hostesses presented the honoree with a white orchid corsage. As guests arrived, they were greeted by Mrs. Brock and Mrs. Chalmers Porter. Mrs. Howard Keyser assisted the honoree with her gifts, after which they were displayed in the living room of the home.

The serving table was highlighted with a tall arrangement of pale yellow carna tions and green pom poms.

CARROL DAY

Carrol Day, son of Mr. and Mrs. Glenn Day, is a very serious student and an outstanding basketball player. participating in this sport all 4 years. He played football his first 3 years in high school. Carrol was a member of the debate team his sophomore, junior and senior years, and a member of the national forensic league.

Day was chosen as a delegate to Boy's State last summer. He has served his class as president for the past three years. Very active in the Future Teacher Association, he was named "Mr. FTA" this year. Another honor bestowed upon Carrol this year was his selection as 'Mr. Sincerity.'

The table was laid with a green lace cloth. Coffee was served from a silver service and pumpkin spice cake was served from hand painted,

Assisting with hostess duties were Mmes. Keyser, Johnnie White, Orville Fullbright, C. Porter, Vyneta Haynes, Orville Brummett, Junior Lus-by and J.L. Brock.

FRESHMEN WIN Robert Archer was the big gun with 24 points as the freshman won over Pampa in a double overtime in Lynx gym Tuesday evening. Edgar Womble scored 11 points, and Ronnie Lusby scored 4 points.

Ronnie Lusby shot 3 shots with 10 seconds left and made the last shot to win the game for the Lynx, 51-49.

GIRLS WIN The B-team Lynxettes has a cold first quarter with only 8 points scored in the game against Stinnett. The second quarter picked up a little with 9 points scored by the team. The Lynxettes trailed by 2 points at half time. The half time score was 17-19.

With 3:02 left in the 3rd period the Lynxettes took the lead 25-24. At the close of the 3rd quarter the Lynxettes maintained the lead. With 1:24 seconds left, the Lynxettes started to stall but lost the ball on a walk with 26 seconds left. The final score was 39-35 in favor of the Lynxettes.

Wanda Sue Green was high scorer with 21 points, Anita Smith had 16 points, and Judy Craig had 2 points.

STINNETT WINS

The first quarter was not very good for the Lynx B-team in their game against Stinnett, as they scored only 6 points. Randy Weston did this scoring.

The second quarter the Lynx scored 11 points to make the half-time score 17-30. The third quarter the Lynx scored 19 points, but still trailed 36-49.

The fourth quarter was a bad quarter also for the Lynx as they only scored 11 points. The final score was 47-55 in favor of the Stinnett team.

REV. WM. HILL **GUEST SOLOIST**

The Spearman Music club, member of the State and Na tional Federation, met January 9 in the HD Clubrooms with hostesses Mrs. Dan Desi-

mone and Mrs. Don Knox. Mrs. Russell Townsend, president, conducted the business meeting and called for the committee to present the slate of officers for next year. Nominated to head the local organization were Mrs. Don Knox, president, and Mrs. Raford Clark, vice president.

Mrs. Jack Oakes, program director, introduced the study program on the composer Cole Porter, and called for Mrs. Desimone to give the story of his life.

Mrs. Rue Sanders and Mrs. Tom Sutton played two of Cole Porter's piano duets: 'Melody of Love" and "Clayton's Grand March.

Guest soloist for the evening was William Hill, pastor of Faith Lutheran Church. Rev. Hill sang "Don't Fence Me In" and "True Love", by Porter. He was accompanied at the piano by Mrs. Kenneth McKay.

Following the story of the hymn "God of Grace", the club members joined in sing. ing this beautiful old hymn.

The next meeting will be January 23. This will be a sacred music program featuring local composers Mrs. E.A. Greever, and Mrs. J. H. Martin. Hymns these women have written will be presented by special soloists.

Present at Tuesday's meeting were members Mmes. Bernard Barnes, Raford Clark, Dan Desimone, Don Knox, Kenneth McKay, Jack Oakes, Rue Sanders, Harold Schaef-

er, Tom Sutton, Russell Townsend, J.D. Wilbanks and the guest, Rev. Hill.

Club Makes Year Plans

The Town and Country Home Demonstration Club met January 9 in the clubroom to fill in their new yearbooks and make plans for the next year. Mrs. Lenzie An-

derson was hostess. Mrs. Tommy Lovett, president, opened the meeting with roll "Why I Attend Club." Each member recited the club prayer for the devotional. The business session was then carried out with

various reports. The surprise package was won by Mrs. Larry Hays.

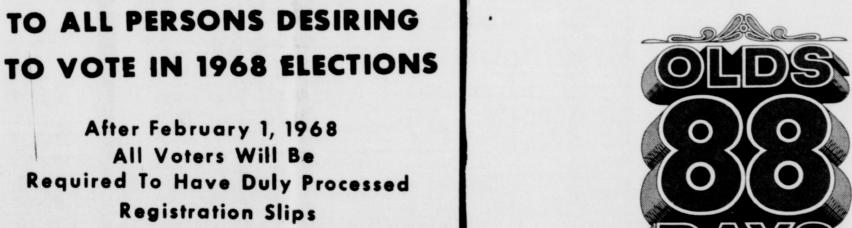

The hostess served refreshments to Mmes. Bryce Waugh, Jerry Sheets, Tommy Lovett,

Local People Attend ORU Seminar

Rev. and Mrs. George Bollinger, Mr. and Mrs. Orville fullbright and Mrs. Myrtle Fullbright, representing the Spearman Union Church, recently attended a five day ministers' seminar at Oral Roberts University in Tulsa,

The seminar featured internationally known Rev. Oral Roberts, Rev. R. F. DeWeese, Rev. Tommy Tyson, Dr.J. D. Messick, Dr. R.O. Corvin and others. Topics of discussion included: Charismatic Communication, Evangelism in the Church, Science and the Scriptures, Contemporary Issues Facing the Pastor, New Tools for Religious Education, and other vital subjects concerning the minister today. ORU choral groups and the university brass band provided seminar music.

All classes were held on ORU's \$21.5 million campus, The Christian liberal arts university opened in 1965 with a freshman class of 300 and grew to over 500 in 1966. The fall class enrollment for 1967 was nearly 800. Dedication of the ORU campus took place April 2, 196 The dedicatory address was delivered by Dr. Billy Graham. Co-educational and nonsectarian, ORU students come from 46 states, 12 foreign countries, the Canal Zone and Washington, D.C. Thirty-one denominations are represented.

The ORU campus is half completed and plans are under way to expand the campus to accommodate 3,000 students. An additional \$10 million will be spent in this expansion.

ORU offers a B. A. degree and a B. S. degree in 24 major areas as well as degrees in music. Courses in premedical, pre-veterinary, preengineering, pre-dentistry and pre-nursing are offered. The Graduate School of Theology offers a B.D. degree, schools are in the planning stages. The university, while yet in its third semester of operation, was accredited by the Oklahoma State Board of Regents after a review of ORU's outstanding academic program.

Yearly seminars are held on the ORU campus with ministere from most denomina tions participating. Youth seminars and laymens conferences are also held freq-

President on January 2nd.) One of the changes in the social security law signed by President Johnson January 2 will mean a benefit increase of at least 13 per cent in the social security checks of about 484 men, women and children in Hansford County, according to Travis C. Briggs, district manager of the Amarillo so-

cial security office. Beneficiaries need not take any action to get the increase. It will be sent them automatically.

Area residents can expect the first increased check on Saturday, March 2nd.

Some social security beneficiaries will receive more than a 13 percent increase. The minimum benefit for workers retiring at 65 is increased from \$44 to \$55.

The average benefit payable to a retired worker, about \$86, will be raised to \$98. The average couple's benefit, now \$145, will go up to \$165. The last increase in social

security benefits amounted to 7 percent and was effective January 1965. About 3 out of every 10 beneficiaries receiving the increased check will be some-

Three Accidents Occur In County In December

The Texas Highway Patrol investigated 3 accidents on rural highways in Hansford County during the month of December according to Sergeant Ben A. Neel, Highway Patrol Supervisor of this area.

These crashes resulted in an estimated property dam age of \$1,355.00.

The rural traffic accident summary for this county during the calendar year of 1967 shows a total of 19 crashes resulting in no persons killed. 18 persons injured and an estimated property damage of When the final fatal traffic

accident reports are tabulated for 1967 it is estimated that the death count for Texas is expected to be 3, 340 or about two per cent less than the all time high of 3, 406 traffic deaths in 1966. If this proves true, then, it will be the first reduction in traffic deaths since 1960. This decrease should be a challenge for every driver to put forth his best defensive know-how and efforts to reduce accidents in 1968.

The Sergeant cautions all motorists to keep windshield, windows, outside rear-view mirrors, and all lights clear of ice, snow, sleet, dirt and mud. The driver's vision is obstructed in one out of five fatal accidents.

Helpful Hints From Me To Thee

You have heard of "royal purple", the color only kings and queens could afford to wear. But today the United States produces about 207 million pounds of dye-stuffs. That is a cost of about \$1550 a person.

A new finish for cotton fabrics that makes them repel such substances as salad dressing, but not water, has been developed by U.S. Depart-ment of Agriculture researchers. Usually, when a fabric is treated to repel oily dirt, it also repels water and is impossible to wash properly.

Now scientists have found a new chemical treatment. Cottons treated with this finish resists oily soil, such as that on men's shirts collars and stains by meat fats and vegetable oils. But the fabric will allow penetration during washing by water and detergent to remove soil and any stains that do get into the fabric.

In their present state of development, the finishes can be used only on colored fabrics. The new finishes have great promise, and the scientists hope to combine these chemicals with those used in permanent press cotton, which tend to stain easier than untreated cottons. TIPS ON SEWING!

Individuals who sew always are looking for ways to make their job easier. Here are some tips about thread to make your sewing easier.

1. Use mercerized thread for most of your sewing; it is smoother and stronger than other types.

2. Select a color slightly darker than the fabric. Thread looks lighter when stitched in the fabric.

3. When sewing with a multi-colored or two colored check or plaid, use two colors of thread, one on top and

one on the bobbin. 4. Check yardage on spools before you buy. You will need two spools of 125 yards each for a dress. Buy enough! 5. When sewing by hand, use about 20 inches of thread

use a double thread. 6. To completely conceal knot in hand sewing, pull the first stitch inside a fold.

to prevent tangling. Don't

7. For ease in threading, place a piece of white paper behind the eye of the needle

8. Fasten loose ends of thread to the spool with a small piece of cellophane tape. This saves wasted min utes untangling the thread

9. If machine stitches puck er, adjust the tesnion. Use to 18 stitches per inch for

average sewing jobs.

10. If thread breaks when seing by machine, the need. le point may be rough. Put in a new needle.

A quote from a Texas newspaper: "Home economists will never stop saying, 'If you find the printed weigh on the label and divide the price of the item by the number of ounces, you can tell how much per ounce you are paying." Oh, really? I thought I might get my January horoscope!"

the Reporter's PERSONALITY OF THE WEEK

Our personality of the week could not truthfully be referred to as one of the original settlers of Spearman, but you'll look high and low before you find any one with more civic pride and inerest, in the community than Everett Tracy. He has been well dentified as the man at the helm of Horizon Oil and Gas of pearman. In fact he has become so thoroughly known as Mr. lorizon that when he recently purchased the R. E. Lee Oil company, many people thought the purchase was made by Hor-zon Oil and Gas, rather than by our personality of the week... then he purchased the R.E. Lee Oil Company, the only change e made was in the name of the firm. It is now known as the Golden Spread Sales Company. Usually, when a company changes hands, a lot of new faces appear on the scene, but this was not true with Golden Spread. Everett is a man who recognizes and appreciates competent employees and that's why he retained the entire personnel after the purchase. He is a man who feels that he and each of his employees is an integral part of Spearman. He takes great pride in the individual activities of his employees toward any and all civic enterprises. Prior to the days of the Gold Spread Sales Company, Everett Tracy as head of Horizon Oil and Gas, had nothing to advertise in the way of direct sales to anyone in Spearman, but he was always one of the first to promote any good civic activity by any media. He has been an outstanding booster of school activities in Spearman and has a profound confidence in the prosperous future of our area. As an individual, he is the sort of person one just naturally gets to know. He is a man who can make and stand by a decision. He is respected by both friends and employees alike and he is an interesting conversationalist. When you visit Horizon Oil and Gas, you may find him in conferecen or too busy to see you at the moment, but you can rest assured he'll eventually get around to you and whether you stop by for a friendly visit or on business, he'll put you at ease and you'll enjoy the visit. His new enterprise, the Golden Spread Sales Company, will put him more in the local swim of activity. However it could in no way boost his public spirit, because Everett Tracy has been and will continue to be a true Spearman booster, from the word go. He's a man you should know and a man you'll

Coffee Honors Mrs. Arlie West

A coffee was held Tuesday morning, Jan. 16 to honor Mrs. Arlie West who is moving to Camas, Washington. Mr. and Mrs. West and their two children, Mike and Sherry, are moving this week after residing in Spearman for nine

The coffee was held in the home of Mrs. Don Denham. Assisting with hostess duties were Mmes. Jerry Floyd, J.D. Helms, Charles Eaton and Bill Douglas.

A red carnation corsage was presented the honoree along with a going away gift. Guests were served an assortment of cookies with tea and coffee from a table laid with a lace cloth and centered with winter arrangement.

Attending were Mmes. Ted Widener, Jerry Chisum, Robert Wolfe, Toye Renfroe, Billy Rhea, Eldon Smith, Lloyd Gilley, Carl Galbreath and the hostesses.

Mrs. West, who has been a member of the First Baptist Church choir, was also honored with a social last week after weekly choir practice.

Mrs. Hiller Gives Review

Mrs. Abbye Ownbey was hostess January 11 for the Round Table reading organiza tion of the First Baptist Church. The book review of "The Ashyate of Ghana" was given

by Mrs. Glen Hiller. The hostess served refreshments to Mmes. Ray Devers, Woodville Jarvis, Toye Ren-froe, R.H. Gray, Eddie Gates, Roscoe Nelson, J.D. Helms, Jim Burks and Glen Hiller.

A VIEW ON TAX SHARING "Our present answer to the ills of our society is to throw money at them from the federal level, or the so-called grant-in-aid program... Tax sharing is intended to have the state and local governments share in the federal tax revenue, and use these funds for the problem solving that needs to be done at the local level. It is my feeling that this would be a much more equitable arrangement ... " -- Rep. William A. Steiger (R. Wis.)

Girl's Town Help Needed

house Stanley products party January 19 to raise proceeds for the Girl's Town in Borger. The benefit will be in the

HD Club rooms Friday from 9:30 to 11:00 a.m. Any donations or orders will be greatly appreciated. There are six girls now living at the Borger home, which is a sub-sidiary of the Whiteface Girls Town. Without public help it is thought the Borger home will have to be closed.

For further information call 3453, 2727 or 2735.
