SPEARMAN, HANSFORD COUNTY, TEXAS THURSDAY, SEPTEMBER 28, 1937

NUMBER

LYNX OPEN HOME SEASON PLAY WHITE DEER FRIDAY

Spearman Goes to the Fair With 47 Car Caravan

Hansford county might as well have closed shop and school and joined the near 300 citizens who "went to town" to attend the Tri-State Fair, Tuesday Spearman Day.

Headed by the Spearman school bus and the 40 piece high school band, the Spearman caravan to the fair made a very satisfactory impression on the native Amarillians and the vast throng of visitors who were at the Fair Tuesday.

The caravan, with 47 cars of

Hansford county citizens paraded down Polk street with the local band playing 4 popular march numbers. The band gave two impromptu concerts in the Merchants building of the fair and appeared on a half hour broadcast in the afternoon at 3 p. m. County Atto. Richard Sewell gave an interesting talk in the afternoon broadcast, extolling the natural resources of Hansford county. His talk received many compliments both of visitors at the fair and citizens in down-town Amarillo.

Spearman's "fighting Lynx" football team play one of the toughest games of their 1937 schedule when they meet the White Deer Bucks at Spearman Friday afternoon Sept. 24. The White Deer team, admittedly the strongest contender for regional honors that White Deer has ever placed in the field, defeated the Flomont team, runner-up, in last year's regional contest, by a score of 7 to 0.

Friday Sept. 17, Spearman held the heavy Dalhart Wolves to a scoreless tie on the same date registering 16 first downs to Dalhart's 3. Last year the Bucks defeated the Lynx 19 to 6.

Coach Wayne Wilkins announces his team free of injuries and in fine fettle for the opening game on the Lynx home schedule for 1937.

Business men of Spearman have signed-up to close their places of business for the opening game.

DON'T NAME IT

By HONEST BILL

Most everyone is in excellent humor this week. Reason. The first home game of the season, when the Lynx team play the powerful White Deer Bucks here Friday afternoon at 3 p. m.

Local fans enter this first home game, largely the same as they did the contest with Dalhart, giving the visitors the advantage. White Deer has perhaps the best team they have ever placed on the field. They were able to defeat Spearman last year, and will enter the contest confident. This may be a kick for the local football squad, those who are watching the district contests will remember that Perryton entered the game with Phillips last Friday sure to win. Perryton team had been led to believe they were easy winners of the region this season, and suffered defeat from the Phillips team 7 to 0.

Spearman PTA Officers Attend School Of Instruction

Monday, Sept. 13 the executive committee of the Spearman PTA met at the high school building, and completed their organization after several vacancies were filled and the chairman appointed the following were listed to serve the local unit:

President, Mrs. F. J. Daily, vice president, Mrs. R. E. Lee, secretary, Mrs. Vesper Hill, treasurer, Mrs. R. B. Archer, Sr.

Committee chairman: Membership, Mrs. Frank Hardin, program, Mrs. W. R. Finley, publicity, Miss Ethel Deakin, art, Mrs. Paul Roach, hospitality, Mrs. J. E. Womble, finance, Mrs. P. A. Lyon, publication, Mrs. Geo. Buzzard, room mothers, Mrs. E. J. Hoskins, study group, Mrs. H. E. Campfield, music, Mrs. J. C. Tuttle, lunch room project, Mrs. L. S. McLaughlin. Mrs. Sid Clark, district vice-president, then gave a very interesting and instructive school of instruction which was appreciated by all.

Delegates were then appointed to attend the County Council to be held in Morse the first Tuesday in October. The first regular meeting of the Spearman unit will be held the second Tuesday in October at 3 p. m. in the school auditorium.

Mr. and Mrs. R. E. Lee were in Amarillo Monday and Tuesday.

Marvin Jones "Appreciation Day" Planned for First Week In October

A letter received by Bill Miller today (Thursday) from Congressman Marvin Jones of Amarillo, states that he will be delighted to meet with Hansford and adjoining county citizens for a discussion of the farm program, and set the date he could come here as Oct. 5.

Congressman Jones will talk with farmers and citizens relative to the future farm program of the present Democratic administration.

Judge A. F. Barkley, C. A. Gibner, Bill Miller and R. V. Converse are on a committee to arrange for the program on Oct. 5.

Since it would be virtually impossible for Congressman Jones to visit all the towns of his district, the Spearman committee plan to invite farmer organizations and service club members of all clubs in a five-county area, to help Spearman and Hansford county on the occasion of Congressman Jones visit.

WARNING

Although nothing official has been received as to whether or not farmers who intend to comply with next year's farm program can seed all of their acreage to wheat this fall, it has been indicated to the County Agents office from the AAA that the entire acreage cannot be seeded this

fall. Farmers are warned, that they seed all of their acreage this season, that they may be out of compliance with the government soil conservation program for next year. Further information regarding this may be gained at the county agent's office.

"Fight em Lynx" Contest Continued This Week

Local business men are continuing the "Fight 'Em Lynx" contest, this week and a \$5.00 prize will be awarded the individual who is able to guess the nearest to the score of the game, and yardage gained by the Lynx team. The contest closes at 2:45 Friday of this week, just 15 minutes before the game starts with the White Deer Bucks.

Last week the prize was won by Mrs. Ben Beck who guessed the score 6 to 0 in favor of Spearman and 276 yards gained by the Lynx

team. The score was 0-0 and the Lynx team gained 320 yards, making 16 first downs. Bill Burman was runner up in the contest guessing the same score 6 to 0, but only giving his home team credit for making 222 yards.

Most guesses last week were out of line with the result of the game, most fans apparently giving Dalhart the advantage in the initial contest. However, a few loyal fans who seemed to be in on the "know" gave Spearman Lynx the edge.

the arine Guard at our led in Peiping. Everal Amer have already been killed wounded, including one er man of the Navy, killed shell while on board one of own naval craft. Doubtless the killing of Americans was intentional and accidental: Japan should carry out its stop or sink foreign ship attempting to land cargo. China, the situation might become serious. Nobody in America wants entry to go to war again. It is easy to imagine an

W. L. McConnell's Mother Dies at the Age of 84

PANHANDLE, Tex., Sept 11—(special)—Mrs. Caroline McConnell, 84, mother of district attorney W. L. McConnell, died at San Saba, Friday night, Sept. 10, after an illness of about two weeks.

Mr. and Mrs. McConnell were called Tuesday and reached there Wednesday of last week.

Funeral services were held Sunday, Sept. 12, at San Saba with burial there.

Mrs. McConnell was the widow of J. W. McConnell, who passed away in January 1932, at the age of 87. Mr. and Mrs. J. W. McConnell were married in San Saba in 1878.

Lion Club Members Visit Amarillo Club Tuesday

Spearman mustered the largest number of Lions, visitors to the Amarillo club, Tuesday noon, on the occasion of a Panhandle Plains Invitational Lion meeting. The Amarillo club invited Lions from over the entire Plains country to the Tuesday luncheon. Spearman's delegation numbering 8 was the largest visiting delegation, with

the Dumas club a close second. Talent from the Vernie Young Review furnished the program at the luncheon.

Those attending from Spearman included: Boss Lion Lloyd Campbell, Ray Platt, Walter Goode, Joe Hatton, Bill Miller, Marion Glover, Richard Sewell & Fred Hoskins.

Converse Wires "R. V. Converse Says" From Chicago, Ill.

R. V. Converse who has been contributing a bit of comments each week in the Reporter for the past year is away at Chicago this week, representing the local Spearman Grain Growers Inc. at the meeting of the stockholders meeting of National Grain Corp. His comments for this week follow:

R. V. CONVERSE SAYS:—

The Cubs did a fine job in their game with the Giants.

From the papers it appears that there are some who would like to question Judge Black about the Klan. Some folks just can not let the dead rest.

We read in the Chicago papers

all about a killing here on the day we arrived, makes one long for the wide open space at home.

The farmers of the U. S. grain areas are all represented here for the stockholders meeting of farmers National Grain Corp., and while they are not busy they are seeing things. They all seem to be in favor of a farm program and will agree on the principal that the program should be built around yours.

Yours,
R. V. Converse.

Mr. and Mrs. Bob Grimes and Mr. and Mrs. Robert Bradshaw of Borger, were Sunday afternoon visitors at the home of W. J. Miller.

Assistant Attorney General Judge J. H. Broadhurst was a visitor in Spearman Wednesday.

Mrs. Lloyd Campbell and Mrs. Bill Hutton were in Perryton Saturday.

Sucker Season

by A. B. CHAPIN

The Mayo Brothers

The Ill-Wind That Wrecked A Town—And May Yet Save The World From Insanity

One of the most startling discoveries in the history of medicine might never have been made if a tornado hadn't wrecked a town in Minnesota a little over a half century ago.

The town the tornado struck was Rochester now world-famous as the home of the Mayo Brothers, two of the greatest living surgeons living. And the discovery, which Dr. C. H. Mayo is still working on, is a drug to cure insanity. This drug is injected into the body of a feeble-minded or insane person and presto! the circulation of the blood is changed and the person is restored to sanity.

What will this discovery mean to humanity? Well, here are some facts. Figure it out for yourself. There are more patients suffering from mental diseases in the hospitals in the United States than from all other diseases combined. One student out of every 16 in our high schools today will spend part of his life in an insane asylum. If you are 15 years of age and residing in New York state, the chances are one out of 20 that you will be confined in an institution for the mentally ill for 7 years of your life. During the last decade, mental diseases have almost doubled in the United States.

If this appalling rate of increase continues for another century, half the entire population of the United States will be in the insane asylums and the other half will be outside trying to support them by taxes.

The Mayo Brothers, who are working on this amazing remedy, are among the most celebrated surgeons in the world. Physicians from Paris, London, Berlin and Rome journey to Rochester, Minn., to sit at their feet and learn, most of them facing great doctors. 60,000 patients a year, most of them facing their last chance against death make pilgrimages to the Mayo clinic as to a Holy Shrine.

Yet, to repeat—if a tornado hadn't twisted and roared through the middle west fifty-two years ago, the world would probably never have heard of the Mayo Brothers of Rochester, Minn., or their cure for insanity.

When Doctor Mayo—the father of the Mayo Brothers—settled there 70 years ago, Rochester had only two thousand people. His first two patients were a sick cow and a sick horse.

When the Indian wars broke out, Dr. Mayo grabbed his musket and made the Redskins bite the dust. When the smoke of battle cleared away, he picked his way over the battle ground laying out the dead and treating the wounded. His regular patients were scattered for 50 miles over the prairies of Minn. Many of them lived in houses made of prairie sod. They couldn't afford to pay a physician, but good old Dr. Mayo sometimes traveled all night to allay their aches and pains. Sometimes he fought his way through snow storms and blizzards so blinding that he couldn't see his hand before him in broad day-

light. He had two sons, William a Charles, now famous through the world as the Mayo Brothers. They worked in a local drug store, learned to fill prescriptions and pound up pills, went to medical college—and then a tragedy occurred, a tragedy destined to affect the history of medicine.

The tragedy was this: a cyclone a tornado swept over the prairie of Minn., like an angry god, blasted, it demolished, it smashed to smithereens everything in its path of its fury. It struck Rochester and knocked it into a cock hat. Hundreds of people were wounded and 23 were killed. For days the Mayo Brothers and I Mayo their father, worked among the ruins, bandaging wounds, setting broken bones, performing operations. Sister Fred, mother superior of the convent sisters of St. Francis, was impressed with their work that she offered to build a hospital the Mayos would take charge of. They agreed, and when Mayo clinic was opened in 1889 old Doctor Mayo was a man 70 and his two sons had never even served as hospital interne.

"We were the greenest of green crew"—that is the way they describe themselves. Yet today William Mayo, the older brother is considered the world's great authority on cancer. Each brother believes the other is the greatest man—and both are famous for the cleanest work that surgery has ever known. They work sure and swiftly—work with a swiftness that astounds most surgeons. Arriving at the clinic in the morning, they operate constantly for four hours every day. They have been performing 150 operations a day for years. A yet they both continue to study.

Trench Silo Specialist Here For Demonstration Sat. Oct. 2nd

County Agent Joe Hatton announced Thursday that E. R. Bailey, nationally known trench silo specialist from College station would be in Hansford county Oct. 2 for a demonstration and lecture. Place for the demonstration not been selected, but will be announced in next week's Spearman Reporter.

Hattons Back Home After Tenn. Trip

Mr. and Mrs. Joe Hatton turned home Friday after nearly three weeks visit. The couple attended the County Extension short course at College station from Aug. 20 to 27th. Following the school they visit Mrs. Hatton's parents at Memphis, Tenn., for two weeks, return to Spearman Friday of last week. They left Saturday for Amarillo where Mr. Hatton prepared Hansford county exhibit at Tri-State Fair, returning to Spearman Wednesday of this week.

get News

F. Sim and Mrs. S. J. re afternoon guests in at home Wednesday.

Ada Marie Easley teacher Couch Creek school spent week end at her home near Arman.

H. Brainard spent the week at his home in Canadian.

Mr. and Mrs. E. S. F. Brainard maid and children were inadian over the week end.

Among the Spearman shoppers turday were:

Mr. and Mrs. S. J. Powell, Mr. Mrs. J. F. Sim Mrs. W. Y. Williams, O. J. Williams and family, Mrs. Verna Kenney and child, Mrs. Don Bennett and daughter, Mrs. W. M. Deck and family, and Mrs. O. D. Gowen, R. D. M. Kenney and Mrs. J. M. Blodgett.

The Blodgett home demonstration club met in the home of Mrs. rl Church Monday afternoon, pt. 20, with Miss Tartar, coun-

ty agent present who gave a very interesting talk on bedroom improvement, arrangement of flowers and pictures suitable for the bedroom.

Refreshments were served to Mesdames: Red, Powell, Sims, Miss Tartar and the hostess.

The next meeting will be in the home of Mrs. W. M. Deck, Oct. 4.

BABY POWDER GUARDS SKIN AGAINST GERMS

Don't be satisfied with ordinary baby powders that are not antiseptic. Without paying a cent more you can get Mennen Antiseptic Powder—which not only does everything that other baby powders do, but also sets up an antiseptic condition that fights off germs and skin infections. It stops chafing and rawness, too. Buy it at your druggist's today.

MENNEN Antiseptic POWDER

I'M A NEW WOMAN THANKS TO PURSANG

Yes, Pursang contains elements of proven value, such as Organic Copper and Iron, which quickly aid nature in building rich, red corpuscles. When this happens, the appetite improves. Nervousness disappears. Energy and strength usually return. You feel like a new person. Get Pursang from your druggist.

MAKE YOUR TEETH shine like the stars!

CLEAN AND WHITEN TEETH with Calox, the Oxygen tooth powder which penetrates to the hidden crevices between the teeth. Pleasant, Refreshing. Protects the gums and is economical to use.

TRY CALOX AT OUR EXPENSE What Calox will do for your teeth is easily demonstrated by you in your own home at our expense. Simply fill in the coupon with name and address and mail it to us. You will receive absolutely free a test can of CALOX TOOTH POWDER, the powder more and more people are using every day.

PLATT PHARMACY

is invited to participate in this
\$40,000 PRIZE CONTEST
ON THE
Electrical Standard of Living

How would you like to win a \$12,000 New American Home planned to fit your needs—and equipped with electrical servants that reduce housework to a minimum?

How would you like to win \$200 worth of electrical appliances that lighten housework and save your strength—a dishwasher, range, clothes washer, ironer, refrigerator or a combination of smaller appliances, whose retail prices total not more than \$200?

You have every chance to win 1st or 2nd prize—or one of the 10 valuable weekly awards.

All you have to do is write 100 words on why the electrical way of living appeals to you. And that should be easy to every man and woman who knows the fun of letting electricity do the work—to everybody who knows the ease and comfort that electrical servants bring into the home, the grand sense of freedom they give, the fun they are to use.

All you need, to enter this contest, is a copy of the FREE folder, "Invitation to Participate." It gives the facts. It tells the story. It contains the official entry blank on which you write your letter. And it places you under no obligation. You can obtain a copy at our office or by asking any employee of our company. This \$40,000 PRIZE CONTEST is open to all. So get started today.

Friday, September 24,

Will Thrill to its Graceful Beauty:

Day in and day out the beautiful design of a Quaker Heater enhances the interior of your home . . . adding to its charm and comfort.

You'll Revel in its Luxurious Warmth:

Escape from shivery rooms, to the discomfort that winter days used to bring. A Quaker Heater provides heat quickly, and makes rooms snug and warm.

You'll Appreciate its Surprising Economy:

A Quaker in your home doesn't put a strain on your pocketbook, either. Its original cost is low, and operating cost is far less than you'd expect for comfort and convenience.

Enjoy it in Carefree Comfort:

Beyond the Quaker whenever you need heat, there's no other. A Quaker Heater needs no attention, and its trouble free operation makes it a joy to use.

YOUR home deserves all the protection you can give it! Take advantage of the opportunity offered you during Fire Prevention Week, Oct. 3, by learning the simple rules for fire prevention.

BEST of all, take out a fire insurance policy. A few cents spent in this way may save you a great deal of money later. Fire strikes without warning; unless you are properly prepared with a policy, financial loss may be great. LET us explain to you how inexpensive and prudent it is to insure your property.

PAPER WADS

Going to school is not just a patch of sweet roses, it's like one of Mr. Finley's last year jokes. (It gets old).

Lots of students noticed the Lynx page last week and asked "Why didn't you have enough news to fill up the page and not run any ads on the Lynx page."

The school really gave the football team a send off, Friday; they had the band pep-squad and rest of the school in front of the school house and made an awful racket that pepped the team up a good bit.

I guess I shouldn't say this, no one will believe it. There are a number of good singers playing football this year, however, many of them can not sing a note at this writing because of strained lungs.

And don't forget folks, come back next week and I may have a fresh supply of paper wads for you if I live and do well till then.

Seniors Send Off Final Ring Orders The Seniors sent off the final order for their rings Friday of last week. They expect the rings in

Student Body Have Pep Rally; Band Plays

The student body assembled in the auditorium for a short pep rally and a few announcements Monday morning. The football game with White Deer was announced. The price of admission to this game will be 10c, 20c and 35c.

Band Goes To Tri-State Fair At Amarillo Tuesday

Tuesday morning at 8: o'clock the Spearman high school band left Spearman and journeyed to Amarillo to attend and play at the Tri-State Fair which is in progress there.

LYNX STAFF HAVE NEW HOME

Members of the Lynx staff are very pleased that they have an office to work in this year. They have moved some old desks and an old table into the music room.

SEVENTH B

The seventh B home room is doing some decorating. Pupils are bringing cuttings of plants with the purpose of having the windows full of blooming flowers throughout the winter.

LYNX GROWLS

Oh boy, oh boy, did our boys play a swell game with Dalhart? Yes sir! After that game I wasn't growling at all, I was purring.

Snooper

It seems that I can't get any gossip or low-down on anyone this week except that the Dalhart team is a bunch of sissies.

About The Ex's

After looking around us and investigating every little detail I have compiled the following facts about last year's Seniors.

The CORNER Poetry Edited by Elsie Parker

My Soul Is restless-like. Weird shifting desert sands Harassed by vagrant winds Flash spectacular images Upon the mental canvas of my soul.

IF THERE BE NOT GOD

Tell me if there be not God, From whence came Love? Tell me, if there be not Hell From whence came Hate,

LOVE CAME LATE

Love came As summer fled. Veils glittered.

SENIORS... LUTHER ARCHER

Luther Archer was born on July 28, 1920 at Jeffery, Texas. He came from Holt schools to Spearman Hi school in his sophomore year. His favorite college is Texas Tech and he wants to be a lawyer.

Someone is organizing a Date Agency for lonely hearts in Spearman Hi and in my honest opinion it is a lot of "hokey".

It is not unusual for Seniors to do extraordinary things or to be a little different and better than others, but when a Senior writes poetry, it is indeed a rare happening.

Seniors are sweet, Juniors are mean, Sophomores are neat, And Freshmen are green.

It is very inspiring to know that we have such poets in our midst, especially ones who write such lines as:

Now isn't that clever? But, listen to these: (Dedicated to Ernest Wilmetth and Billye Hitchcock):

The skies are blue, Give me a dove, And I'll be true.

Seniors are sweet, Juniors are mean, Sophomores are neat, And Freshmen are green.

Charles Allmon has been wearing flashy red, white and blue socks to school. Admiring them in Civics class seems to be the pastime of several senior girls.

Truett Brannon is a hustler when it comes to entertaining girls on Sunday night.

ATAVISM My Grand sire sailed the bounding main Through wind and wave and drenching rain— While thunders rolled and lightning cracked He crossed with joy the ways untracked.

My father was a quiet man, For whom adventure only ran To songs of birds in quiet nooks And childhood friends and tattered books.

Now—I am, Their female child,

LYNX FIGHT DALHART TO A SCORELESS TIE

The Lynx out-played Dalhart Friday in a game that resulted in a scoreless tie. The Lynx made 16 first downs to Dalhart's 3 and gained around 300 yards to Dalhart's 60 yards.

PEP SQUAD TO GET NEW UNIFORMS

The Pep Squad is progressing nicely. They have been using the Physical Education period to practice, and without a doubt it is going to be a worthwhile organization.

Greener And Greener

- Growing wiser and wiser—The Senior class. Growing greener and greener—Della Beth. Growing sillier and sillier—Virginia Buchanan. Growing younger and younger—R. E. Sanders. Growing older and older—R. L. McClellan. Growing easier and easier—beating Perryton. Growing worse and worse—typing music. Growing harder and harder—Miss Hawkins. Growing sweeter and sweeter—Eula Faye. Growing louder and louder—Colleen Kelly. Growing more and more argumentative—Perren Lyon. Growing more and more musical—J. E. Gerber. Growing harder and harder to get along with—Earnest Wilmetth, (says Billye).

WOMEN WHO HOLD THEIR MEN NEVER LET THEM KNOW

No matter how much your back aches and your nerves scream, your husband, because he is only a man, can never understand why you are so hard to live with one week in every month.

SIXTH GRADE

The sixth grade and seventh grade home room have three new bulletin boards made by the Manual Arts Department under the direction of Mr. Brannon.

Band Gives Concert On Main Street

The band walked to town and played several numbers on Main street for the benefit of the business men and to help remind the people of Spearman that the Lynx team was playing Dalhart that afternoon at Dalhart.

High School Students Start Date Agency

For the convenience of bashful boys and by special request of several well-known students we have decided to start a Date Agency.

HOME EC. II

The Home Ec. 2 class has been studying the arts of good canning as this is canning season. They have canned different kinds of fruits and have made juices, butter, and marmalades.

MANUAL ARTS CLASS

The manual arts class have spent the past two weeks making broom holders, tie racks, and wall-shelves. The boys are all working hard, trying to make their project the best looking one in the class.

LOVE CAME LATE

Love came As summer fled. Veils glittered.

WE MAY YET GO TO WAR

The possibility that this country may be drawn into the war in the Far East is not as remote as it seemed to most people a few weeks ago. To American eyes, the ruthless invasion of China by the Japanese, the wanton destruction of the heart of China's largest city, Shanghai, by bombs dropped from the skies and the callous disregard for the lives of non-combatant civilians seem to carry evidence that Japan intends to let no considerations of mercy or of international law stand in her way. That the horror of Shanghai occurred in a region in which foreigners of all nations were supposed to be safe, make the matter so much the worse.

This country has a considerable naval force in Chinese waters and a detachment of the United States soldiers, besides the marine Guard at our legation in Peking. Several Americans have already been killed or wounded, including one enlisted man of the Navy, killed by a shell while on board one of our own naval craft. Doubtless this killing of Americans was unintentional and accidental; but if Japan should carry out its threat to stop or sink foreign ships attempting to land cargoes in China, the situation might easily become serious.

Nobody in America wants this country to go to war again. But it is easy to imagine an "incident" which would fire the whole nation's indignation and make war inevitable.

REAL SOCIAL SECURITY

With all the talk about "security" which is finding expression in new laws and in the efforts of the trade unions to obtain for their members the exclusive right to work in many industries, we hear very little about the only way in which a man can insure his own security in his employment and for old age. So-called security which rests upon the changing vagaries of politics, or for which its beneficiary has to pay by surrendering his personal liberty and freedom of choice to labor leaders or others, is pretty sure to turn out to be insecurity in the long run.

The one way in which any young man can insure his own future is to master some trade craft or profession so completely that his services will always be in demand. The highly skilled worker is seldom out of a job except by his own choice. In the very depths of the depression few first-rate men were unemployed. It was the second-raters, the ones who had never developed their skills to the utmost of their ability, who were dropped from the payrolls.

Too much attention and effort has been directed toward getting more pay for less work for the less competent, and not enough to training young men in the arts and crafts to become really skilled workers. As a result the nation's industries are complaining that there are not enough skilled workers available to fill the jobs which are waiting for them.

WHY WORRY

How many people we all know who spend their lives in worrying about things that never happen. Worrying is the most fruitless of all human occupations.

which has already occurred causes nothing. Worrying about a thing which has not yet happened will not avert it, and 9 out of the 10 things we are worrying about never come off.

Worrying has its roots in fear. Really, courageous people do not give way to worry. Most worrying is due to too lively an imagination. Those who indulge in worrying are usually soft-hearted, sentimental folk who do not have a realistic outlook on life.

Most worries have an overly strong sense of personal responsibility for other people. Their high sense of duty leads them to fear that they have in some way been remiss in their obligations to others.

Most chronic worries are concerned about their personal health. Many worried themselves into premature graves. Whatever is wrong with the bodily machine is made worse by worrying about it.

There are very few things which can happen to anyone that are worth worrying about. To advise people to stop worrying is not to advise them to take no precautions against the future. Careful, foresighted people are seldom worriers. They face the present with a stout heart and the future with the calm assurance that all the world expects of anyone is to do the best he can. And let the dead past bury its dead.

GREAT LOSS TO OUR WORK IN CHINA

Charles E. Maddry, Executive Secretary, Foreign Mission Board.

We are grieved beyond words to express over the unspeakable tragedy that has come to China by Japan. We do not, as yet, have definite information as to the destruction of our property, but we fear the losses are going to be terrific. We know that our Ming Jong Schools and missionary homes in Shanghai have been bombed and, according to the press dispatches, badly damaged. In Shanghai, counting the University which is owned jointly by Northern and Southern Baptists, together with all of our schools, churches and publishing houses there is at least two million dollars worth of property. We fear that most of this has been destroyed.

We are deeply grateful that thus far none of our missionaries have been injured. So far as we can ascertain, all of our missionaries have been moved to places of safety. For the preservation of these devoted missionaries, we are profoundly grateful to Almighty God. We sincerely hope and pray that they all may be kept in the power of God.

The Foreign Mission Board within the next few weeks will be faced with very serious financial difficulties because of the terrible and devastating war now raging in China. Apart from the heavy losses incurred in the destruction of our property by bombers, there will be the heavy expenses incurred in moving our missionaries to places of safety. In addition there will be extra house rent for living quarters for two hundred missionaries forced to pay high prices in port cities. All together our Board will be compelled to find large sums of money for these wholly unexpected expenditures. No one could have anticipated these extra expenses when the budget was made last October.

NO SIT DOWN FOR THE FARMERS

From, Kimberly Idaho Advertiser

Like oil and water, it is apparent that Western farmers and ranchers and the CIO labor agitators will "not mix" . . . Just this week a group of Oregon wheat farmers banded together in Jackson County, started a membership campaign and elected a president who issued a proclamation that "the primary purpose of the organization is to guarantee the orderly harvesting of agricultural products without the damaging interference of outside, professional agitators."

Western growers are usually fair in dealing with permanent and transitional labor. They pay the highest wages that they can afford in relation to the current crop price, and they don't want any interference from the outsider who knows nothing of the local situation and cares nothing except to breed discontent and gain new "honors" and adherents for his particular brand of unionism.

The action of the Oregon farmers was based on the terrible labor trouble in the agricultural districts of California, where for months men fought and blood flowed while the crop rotted in

The Rest of the Record

BY JAMES V. ALLRED GOVERNOR OF TEXAS

The newspapers during the past week have quoted members of the Senate Committee as predicting that the Legislature would block my program for new taxes unless the subjects of appropriations and reorganization are submitted. Such statements by the senators are calculated to put me in the false position of being opposed to economy in state government when just the opposite is true and my record bears it out.

At the beginning of the regular session, I submitted the subject of appropriations and recommended the reorganization of certain state departments in the interest of economy. Not a single thing was done about it. In written message to the Legislature, I stated definitely that while the Board of Control had recommended increases, and certain bills for salary increases were pending, I did not join in these recommendations; nor could I approve salary, or other, increases until and unless the Legislature provided additional taxes to pay them. My recommendations were ignored and appropriations substantially increased even to the point as these senators now admit, of being "top heavy". They would not have been "top heavy" if my recommendations had been followed.

"You were a member of the conference committee which recommended the passage of the educational appropriation bill—and admittedly top-heavy appropriation"—and you voted for the passage of this bill on May 22nd as shown at page 2308 of the Senate Journal.

"You voted for the passage of the eleemosynary appropriation bill on May 19th, as shown at page 1905 of the Senate Journal. But that's not all: There is a further contrasting record for 'economy':

"You voted for Senate Bill 14, which donated \$350,000.00 State taxes to Harris County each year for ten years, a total of \$3,500,000.00. I vetoed this bill, and you voted to override my veto and give this money to Harris county notwithstanding. Senate Journal, page 910.

record straight, I wrote a friendly letter to Senator Albert Stone, which was not intended to criticize him or to rebuke him, but merely to point out some of the facts in the controversy that has been started in the newspapers. There are no personal differences between us. In order that the record may be kept straight and the people of Texas may have the facts in this "Rest of the Record" I am quoting the following excerpts from my letter to Senator Stone:

"In the first place I recommended no increases (in appropriations) except a little more than a million dollars for our insane. You voted for all increases, either as a member of a conference committee or a member of the Senate; one of the biggest increases was in the departmental appropriation bill, for which you voted on May 22nd as shown at page 2288 of the Senate Journal. Only four senators voted against this bill, and this was the biggest vote cast against any general appropriation bill in the Senate.

"You were a member of the conference committee which recommended the passage of the educational appropriation bill—and admittedly top-heavy appropriation"—and you voted for the passage of this bill on May 22nd as shown at page 2308 of the Senate Journal.

"You voted for the passage of the eleemosynary appropriation bill on May 19th, as shown at page 1905 of the Senate Journal. But that's not all: There is a further contrasting record for 'economy':

"You voted for Senate Bill 14, which donated \$350,000.00 State taxes to Harris County each year for ten years, a total of \$3,500,000.00. I vetoed this bill, and you voted to override my veto and give this money to Harris county notwithstanding. Senate Journal, page 910.

appropriation for an insane asylum in East Texas. Senate Journal, page 1592, I vetoed this and saved \$821,000.00.

"You voted for House Bill 24, which appropriated and diverted approximately \$1,500,000.00 each year for soil conservation work—and the Legislature did not provide other taxes to take the place of the diversion for which you voted. Senate Journal, pages 1588 and 2134, I vetoed it and saved the taxpayers \$1,500,000.00 per year.

"You voted for the departmental appropriation bill (S. J. 2228) which carried an appropriation of \$750,000.00 for a Big Bend park, and \$250,000.00 for a cotton research laboratory. The legislature provided no funds to take care of this appropriation, and I saved the taxpayers one million dollars by vetoing it.

"Thus, it will be seen that in addition to the admittedly top-heavy appropriations, which you now wish to correct you voted for a total of almost seven million dollars, which I vetoed. I am wondering if you can point to any such saving that you made for the taxpayers during the regular session? Or to any vote to save the taxpayers that much money? Had it not been for my vetoes, the State would now be about seven million dollars more 'in the hole' as a result of the measures for which you voted.

"I do not personally condemn you for these votes—I simply take the position that it is now the Legislature's duty to raise money to pay the increased appropriations they themselves made.

The Legislature has submitted several constitutional amendments. The people have voted these amendments. No one can deny but what it is my duty as Governor to recommend a revenue program to finance the people's program. Is it reasonable to expect that the Legislature who so

by overwhelming votes, would now reverse themselves and substantially reduce the appropriations? I point to the fact that only four senators voted against the general departmental appropriation bill in the regular session. This vote is typical of all other votes on appropriation bills.

THE TAX SYSTEM

A most vital domestic problem before the next Congress will be taxation, and a special session of our own Texas Legislature has been called this month for the purpose of raising more money through increased taxes.

The last Congress did nothing to reduce the tax burden or lower the national debt. The public has heard too much political bunk promising economy in government. It has listened to too many lies by candidates running on economy and tax reduction programs, who once elected, vote for every spending measure proposed. It is tired of pledges that mean nothing; it wants a definite plan for putting our disordered fiscal house in order.

In recent congressional sessions, bills have been introduced which, among other things would broaden the tax base—that is make more persons pay direct taxes to the Federal government. Such plans have the approval of almost every economist and tax expert. Yet, when brought to a vote, they have always been decisively beaten. Politicians fear an equitable tax system which would bring home to the maximum proportion of the population the tax burden it bears. Officeholders hope that our citizens won't learn that 20 to 25 per cent of the cost of everything they buy is represented by taxation. But they are finding it out.

Our own county officials realize the unfairness of the present tax system and declare that some-

day. Why not let's start now reverse themselves and substantially reduce the appropriations? I point to the fact that only four senators voted against the general departmental appropriation bill in the regular session. This vote is typical of all other votes on appropriation bills.

400 Visitors Expected Annual Meeting Of No Man's Land Society

GOODWELL, Okla., Sept. 23—(special)—Over 400 visitors are expected on the campus of Panhandle A. & M. college on Oct. 4, for the 3rd annual meeting of the No Man's Land Historical Society.

Prominent speakers have been secured for the day among these: Hon. Joe C. Scott, Okla. City president State Board of Agriculture; John L. McCarty, editor News-Globe, Amarillo (tentatively engaged); George Rainey, Eric prominent historian; and a number of old timers. The program will begin at 10 a. m. and continue into the afternoon. At noon a basket lunch will be spread in the college cafeteria.

Organized in 1934 from the four groups—Pioneer's of No Man's Land, Old Settlers of Texas county, the Cimarron county Old Timers, and the Panhandle Museum Club, the Historical Society was established to perpetuate and preserve the relics and strive for regaining all stories of the early days of the Neutral Strip.

Growing from a mere 3,000 in 1934 to its 20,000 specimens it now contains the Panhandle Museum, official depository of the Society assets to the growth and attitude of the society and the spirit of cooperation prevailing in the Panhandle for the Museum work.

3 tables of players included Mr. and Mrs. L. B. Campbell, Mr. and Mrs. Bill Hutton, Mr. and Mrs. Bruce Sheets, Mr. and Mrs. Bill Miller, host and hostess and Mrs. Max Lackey. High score for men was given Lloyd Campbell. High score for women was given to Mrs. Lloyd Campbell.

LOTTIE MOON CIRCLE

Mrs. A. F. Loftin was hostess to social meeting of the Lottie Moon circle at her home Wednesday afternoon. The afternoon was spent sewing. Members present were: Mesdames, Rex Sanders, D. Tice, Fred Brandt and Mrs. Nes.

TEACHERS RECEPTION WEDNESDAY SEPT. 28

The annual reception and program of the Spearman P.T.A. honoring the Spearman school faculty will be held at the high school auditorium Tuesday evening Sept. 28. The social was planned for Sept. 21 but was postponed on account of Spearman the Tri-State Fair.

FORMER SPEARMAN TEACHER WEDS

A wedding of interest to Spearman citizens was held at the home of Mr. and Mrs. D. B. Pearson at Norman, Okla., Saturday Sept. 5, when their daughter Wilma Pearson became the bride of Nelson J. Mikeska. The ceremony was read by Dr. Norman J. Evans pastor of the McFarland Methodist church of Norman.

Wilma Pearson daughter of Mr. and Mrs. D. B. Pearson, long time residents of Ochiltree county graduate of Perryton high school received her Master's degree in June 1935 from the University of Okla. She was a popular member of the Spearman school staff for 5 years. For the past two years she has been teaching in the Texas City schools.

Nelson J. Mikeska, Jr., son of N. J. Mikeska, merchant and long time resident of Brenham, Texas is a graduate of Southwestern U., Georgetown. He is now an accountant in the Pan-American Refinery at Texas City.

Mr. and Mrs. Mikeska, Jr., will make their home in Galveston.

Mr. and Mrs. Roy Wilmeth and Mrs. Agnes Windom were in Lubbock, last week end.

J. E. Gunn, Hugh Snodgrass, Wayne Wilkins and Bill Miller attended the Amarillo - Clovis football game Saturday in Amarillo.

NUMBER 1

Continued from page one—some shoes up town at the shoe shop to be dyed" and "Popie, Bill left his snare drum at the Merchants building, and you go get it" and "Bill, Sister wants to stay all night with a friend in Amarillo and you will have to find her and make-out like you wouldn't hear of such a thing." There you are Lady, this writer, one of the REALLY important men of the Spearman delegation, having to run errands for a brow-beating wife all day long. Didn't have time to look in on any of the interesting activities of the fair, so I could write up what my people here in Spearman expect to read. AND LADY, let me tell you something else, I did make the front page of the Amarillo paper, and most every one around here in my little home town of Spearman were bragging what a good picture I took. and I carried the paper home at noon, and sorta casually folded it so my picture would smile out at the "OW" and she gave it a look and said "Well I'll be darned, I had to send Ernest Wilmeth out of the car to stuff Bill Jr's shirt tail in while he was parading with the band on Polk street, and here you flag the whole Panhandle country with your shirt tail waving in that picture." AND LADY my shirt tail was not waving, it was right where a dignified man should keep his shirt tail, and just because one of the banners on the car happened to be in the wrong place when the photographer took the picture I say, is no reason why a leading citizen should have to submit to such severe criticism from his wife and I furthermore say that just such trips is what drove the menfolk to Conventions.

Not for one minute do I agree with you and Old Tack that conventions are a sort of a dignified

drunk. (If there is such a thing as dignified drunk). Lady, you and Tack are looking for the BAD. If you should happen to write up a dust storm, you would make Collier's Davenport look like a first grade student. Conventions are worth-while affairs, and it gives a man an opportunity to kick up their heels and have a good time without fear of criticism, rebuke or setting an unwholesome example for the off spring.

An interesting letter received Thursday (today) from O. E. Enfield of Arnett, Okla., is to long to publish in this issue of the paper. The letter is one of the best criticisms of Mr. Davenport and the Collier weekly article this writer has read. It will be published in next weeks paper. Mr. Enfield ends his letter with the following poem.

When the soap weeds all die
And the cactus turn dry
And prairie dogs starve for a drink
When the rattlesnake's dead
And the screech owl has fled
It might be time then, I think
To begin leaving the plains
And to go where off times it rains
Where you wallow around in the mud
Where you pay doctor bills
For the treatment of chills
And mosquitos drill after your blood.

But I'm willing to stay
Through the heat of the day
Where we have such wonderful nights:
You shall not hear me rant
Nor e'er say that I can't
Enjoy all my God given rights:
I would rather stay here
Through out the whole year
With my health and my friends
On the plains
Than to pull up and go
Where there's plenty of dough
And your carcass is pestered with pains
So Mr. Davenport, don't expect us to buy the Collier's until you right this wrong, which you did by your writing.

THE STATE OF TEXAS

To the sheriff or any constable of Hansford county, greetings— You are hereby commanded to summon Charles W. Latta, Ruth A. Latta, Chester A. Latta, of King County, Washington and any and all unknown heirs and any and all legal representatives of V. C. Latta, deceased, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Hansford County, to be holden at the Court House thereof, in Spearman, on the 1st Monday in November, A. D., 1937, the same being the 1st day of November, A. D., 1937 then and there to answer a petition filed in said Court on the 18th day of September, A. D., 1937, in a suit, numbered on the docket of said Court No. 308, wherein W. T. Coble is plaintiff, and Charles W. Latta, Ruth A. Latta, Chester A. Latta, of King County, Washington, and any and all unknown heirs and any and all legal representatives of V. C. Latta, deceased, are defendants, and a brief statement of plaintiff's cause of action being as follows: A suit in trespass to try title by plaintiff to the East One-half (E 1-2) of the Northwest One-fourth (NW 1-4) of Section 124, Block 2, GH&H Ry. Co., Hansford County, Texas; and an action to establish the known and unknown heirs of V. C. Latta, deceased.

Herein fail not but have before said court, at its next regular term this writ with your return thereon, showing how you have executed same.

Given under my hand and seal of said court, at office in Spearman, Texas, on this 22nd day of September, A. D., 1937.

Fred J. Hoskins, Clerk District Court, Hansford County, Tex. 61-4tc

REV. A. F. LOFTIN QUIETLY CELEBRATES 40TH ANNIVERSARY AS PASTOR; STARTED IN SOUTH

You've heard that old saying about the grocerymen's children starving, the cobbler's youngsters going without shoes, and ect.

Here in our town we have Rev. A. F. Loftin, father of the shop foreman of the Reporter, and supposedly one of the best friends of the editor, and he celebrates his 40th anniversary in the pulpit, without so much as letting the cub reporter know about it. Fact is that Rev. Loftin casually mentioned the fact in his sermon, but perhaps for the first time in years, no member of the Reporter staff was at church that day. Anyway this publication of Rev. Loftin's congratulatory Rev. Loftin on serving in so great and good a cause for 40 years and wish him 40 more years of successful service in his chosen vocation. Sept. 12 was the 40th anniversary.

Mrs. Gene Richardson is visiting her sister and attending the fair in Amarillo this week.

Rev. and Mrs. Hitchcock and family were in Amarillo Monday Tuesday and Wednesday of this week.

A news story from Elmonte Calif. tells of the Lion club of that Calif. town serving 600 pounds of barbecued lion meat at the sixth annual invitation banquet, celebrating the sixth anniversary of the club. The report stated 600 lions from over the state were present. . . and those who did not care for lion meat were served barbecued chicken.

Bring your Quilts and Blankets and wash them the Helpy Selvy way, along with your regular washing.

Our charges are reasonable, Plenty of Hot Water at all times.
