High School Musical Comedy Scheduled

Spearman High School will present its musical this year on Saturday and Monday, Oct. 6th and 8th. This year the musical comedy is "The Music Man".

The story is about the salesmanship tactics of Professor Harold Hill (played by Kyle Beedy) in River City, Iowa back in 1912. His efforts to organize the River City Boys Band and become friends with Marian, the librarian (played by Tamara Scroggs) are met with amazing results and situations you wouldn't believe. All this time, the Mayor (played by Mike Kinison) and the School Board

(Jon Garnett, James Pierce, Jay Puck and Jay Comegys) are trying to get his credentials to discredit him but the Board always ends up singing and the Mayor is rushing around trying to keep his wife Eulalie (played by Sherry Greene) and daughter Zaneeta (played by Eadie Clemmons) in line. Then, the "ladies" group (Kathie West, Terry Bynum, Becky Lusby, Lesa Thomas) are always busy with their gossip and Mrs. Paroo (Kelly Shaver) is trying to get her daughter Marian interested in Harold.

Getting confused? Come see

"The Music Man" and see how everything turns out. Listen to the songs like "76 Trombones", "The Wells Fargo", "Wagon", "It's You", "Goodnight My Someone", and "Lida Rose."

It will truly be a night of great enjoyment and fun. This year will see something new which we will talk of later and also introduce the other characters.

Tickets are Adults-\$3.00; Students-\$1.50, and children-\$1.00 and the price will increase at the door.

Buy tickets from students at the high school or Beedy's

Reduces Tax Rate

The board of trustees of the Spearman Independent School District reduced the tax rate from \$1.24 to \$1.21 per hundred dollars valuation for the current years. James Cunningham, superintendent, said that the reason that taxes could be reduced was because of approximately \$12,000,000 in new properties, primarily oil and gas properties.

The board took this action at their regular Monday night meeting, along with conducting routine business.

The Spearman Lynx will travel to Elk City, Oklahoma, Friday night, for a 7:30 football game. Many fans have called us about the best way to get to Elk City. Go to Canadian, and then to Wheeler, where you go East 50 miles to Elk City. The roads are excellent this way, but you are urged to drive with caution, and be sure and use your seat belts!

Little is known about the Elk City Elks, except they are expected to be another top team on the Lynx schedule.

The total value of property on the tax roll for 1979 is \$121,070,330, less new exemptions of \$4,134,005.

The 1979 tax rate is \$1.04 for Local Maintenance and .17 for Interest & Sinking Fund.

The 1978 total value of property was \$108,393,529 and the tax rate was \$1.24 with \$1.06 for Local Maintenance and .18 for Interest & Sinking Fund.

Arthritis Foundation Week Proclaimed

Mayor Blodgett signs proclamation for "Spearman Arthritis Foundation Week", looking on is Mrs. Helen Dry, West Texas Chapter Community chairman and Mrs. Dana Schnell, co-chairman for the bake sale.

Preparing for "Spearman Arthritis Foundation Week": The West Texas Chapter of the Arthritis Foundation receives help from Mayor Blodgett as he signs proclamation declaring the week of September 24, 1979 as "Spearman Arthritis Foundation Week."

In preparing for the upcoming event there will be a bake sale on Wednesday, September 26, 1979 at Gordon's Drug and Thriftway Food beginning at 7:30 a.m. Mrs. Dry said that the bake sale is being held to raise funds for research, to provide services for arthritis patients and their families, and for professional and public education programs, and she urges all concerned citizens to participate.

Wheels For Life Sponsors Sought

Riders for the Sat. Sept. 22 St. Jude Children's Research Hospital Wheels for Life Bike-a-thon are now asking Spearman citizens to back their efforts pledging a contribution for each mile they ride.

"The money our riders earn will help continue St. Jude's live-saving study of childhood cancer that has become so important to children all over the world," said Bike-a-thon chairman Verna Strawn.

"We'll be showing that we care about children by helping this cause," Mrs. Strawn said. "Please support your rider with a generous pledge, and then help them get the funds to us as soon as the ride is over."

"Each rider will be given a lap card when they register at Tennis Courts on Saturday," Strawn said. "Every time they ride through the check point(s), we'll initial the card. At the end of the ride, we'll check it and

sign it to show that the rider earned what the sponsored pledged." Riders will then return to the sponsors to collect the pledge.

"We'll also be giving them a hospital bracelet saying 'I'm riding for Lisa' to wear during the ride. I'm sure most of them will still be wearing them while they make their collections." Lisa is a St. Jude patient who represents all victims of the illnesses under study at St.

Jude Children's Research Hospital.

The ride starts at Tennis Courts at 2:00 and exact route will be given then.

"If you have not been asked to sponsor a rider please call 3374 and we'll get one to call you," Mrs. Strawn said. Riders can still obtain sponsor/registration forms at school office.

TOM BERENGER as Butch Cassidy in 20th Century-Fox's 'BUTCH AND SUNDANCE: THE EARLY DAYS.'

Verna Gail Keim Family

In the fall of 1921, my father, Garrett Allen, left his home in North Carolina, came to Texas where he had rented a farm and planted his next year's crop of wheat. That done, he returned to North Carolina, and the following spring, he married my mother, Annie Agnes King, and they came to Texas-beginning their great adventure. I was born in 1923, and we continued to live in Roberts County until 1929, at which time my parents purchased their farm in Hansford County, which is two miles south of Spearman, and where my mother still lives.

During the next few years, as it is with most families, many unexpected things happened to us. My memories of those years include the dirt storms of the 'dirty thirties', and the birth of two brothers, Donald Garrett and Dee Elliott, and a sister, Barbara Ann.

My school years were all spent in Spearman schools, and when Fred. P. Rattan became the bandmaster, I joined the band as the drum major. One of

the first contests the band entered was in Waco, and we took the school bus, with Lelan Close doing the driving for us. All who were on that trip remember how excited we were trying to pass the drunken driver, who was weaving from side to side on the highway. Lelan was very careful, of course, because he was responsible for all the band, but we urged him to pass! During that time, Spearman had booster trips to advertise our celebration, and the band always went along. We also attended many celebrations—the XIT at Dalhart, Shamrock Day at Shamrock, and Guymon Pioneer Days.

After graduating from Spearman High School, and attending West Texas State, and before my marriage, I worked in the Courthouse as a deputy for Fred J. Hoskins, the late County Clerk.

My son, Glenn Walter, was born in 1946, and also attended Spearman Schools, graduating in 1965. His college life was

spent at Texas A&M University. In 1967, he was married to Kyra Rene Crum, and in 1968, their son, Kyle Clayton, was born. He graduated in 1969, and at the same time was commissioned as a Second Lieutenant in the United States Army. He served in Okinawa, and while he and his family were living there in 1970, a daughter, Kerry Anne, was born. He also served his country in Vietnam.

After returning home, he decided to return to school, and in 1977 he graduated from the School of Veterinary Medicine at Texas A&M. At present, he and his family are living in Clovis, New Mexico.

Clubs I have enjoyed are the Jonquil Flower Club, of which I was a charter member, Twentieth Century Club, and the Hansford County Historical Survey Committee, and my church affiliation is First United Methodist.

At present, I serve Hansford County as the County Treasurer having been elected in 1978.

It's the kids that count

WAYS YOU CAN HELP YOUR CHILD LEARN

Learning doesn't start and stop at the classroom door. As a parent, there are many things you can do at home to spark your child's energy and enthusiasm for learning. Teachers make these suggestions:

Help your child develop a "healthy" attitude toward homework. Explain its importance. Set aside a time and place for homework.

Teach your child to judge his teachers and classmates as people, as individuals, not by race, religion or national origin.

Provide your child with the basic "tools" of learning—a dictionary, almanac, world atlas or globe . . . even a set of encyclopedias, if possible.

Introduce your child to the use of the public library. Your local librarian will be happy to help.

Learn as much as you can from your child's teachers about what's being taught in school—and how it's being taught.

Teachers care about kids. Help them. Get involved in your school.

AVISO PUBLICO Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION ESPECIAL 6 DE NOVIEMBRE DE 1979

PROPOSICION NO. 1 EN LA BOLETA (H.J.R. 108)

La Resolución Conjunta #108 de la Cámara de Representantes propone una enmienda en la constitución de Texas referente al nombramiento y a los plazos de los notarios públicos.

La enmienda propuesta: —Requerirá que el Secretario de Estado nombre a un número conveniente de notarios públicos para el estado; y —autorizará para que los plazos oficiales para notarios públicos sean por no menos de dos años y por no más de cuatro años.

La provisión temporal de la enmienda constitucional propuesta declara que la enmienda entrará en vigor el 1° de enero de 1980; que cada persona que haya sido nombrada como notario público antes del 1° de enero de 1980 continuará ejerciendo como notario público hasta vencer el plazo por el que fue nombrado; y que esta provisión temporal se vencerá el 1° de enero de 1982.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional para el nombramiento de notarios públicos para el estado para un plazo de no menos de dos años ni de más de cuatro años, según lo provisto por la ley."

PROPOSICION NO. 2 EN LA BOLETA (H.J.R. 133)

La Resolución Conjunta #133 de la Cámara de Representantes propone una enmienda en la constitución de Texas para proveer una revisión del proceso reglamentario en las agencias del departamento ejecutivo. Esta enmienda propuesta permitirá a la Legislatura el decretar leyes:

- Para proveer una revisión legislativa del proceso reglamentario en las agencias del departamento ejecutivo;
—Para prescribir condiciones para que las leyes sean puestas en vigor;
—Para suspender, revocar o expirar las reglas;
—Para prescribir procedimientos; y
—Para delegar autoridad a cualquiera o a ambas cámaras, o a los comités de cualquiera o de ambas cámaras.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional para proveer una revisión legislativa del

proceso reglamentario en las agencias del departamento ejecutivo."

PROPOSICION NO. 3 EN LA BOLETA (S.J.R. 13)

La Resolución Conjunta Senatorial #13 propone una enmienda en la constitución de Texas para autorizar a la Legislatura para que provea una garantía de préstamos, a las personas calificadas, para la compra de bienes raíces agrícolas y ganaderas. De esta manera, la enmienda propuesta podría permitir a la Legislatura el proveer, emitir y vender bonos de obligación general llamados "Farm and Ranch Loan Security Bonds" (Bonos de Seguridad Para Préstamos Agrícolas y Ganaderos) del Estado de Texas, sin exceder la cantidad de \$10 millones de dólares. Todo dinero recibido de la venta de estos bonos sería depositado en un fondo diferente en la Tesorería Estatal y sería administrado por el comisionado de agricultura, sin más apropiaciones. Estos fondos garantizarían préstamos para la compra de bienes raíces agrícolas y ganaderas. El comisionado de agricultura usaría estos fondos bajo las provisiones prescritas por la Legislatura, con el propósito de garantizar préstamos para la compra de bienes raíces agrícolas y ganaderas; para adquirir hipotecas de bienes raíces o escrituras de bienes raíces compradas con préstamos garantizados. Estos fondos serían usados también para adelantar un porcentaje del principal y del interés debido en esos préstamos, a la persona que califique para el préstamo. La Legislatura también podría autorizar al comisionado de agricultura para que venda cualquier terreno adquirido mediante esta enmienda. El comisionado de agricultura requeriría al menos un 6 por ciento de interés en dichos préstamos. La enmienda propuesta apropiaría la cantidad suficiente para pagar el principal y el interés de los bonos que vayan adquiriendo más valor, o que se venzan durante el año fiscal, menos la cantidad del fondo de interés y amortización al final del año anterior.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional para autorizar a la Legislatura para que por medio de la venta de bonos de obligación general del Estado de Texas, provea una garantía para que las personas calificadas puedan obtener préstamos para la compra de bienes raíces agrícolas y ganaderas."

Graciousness is misunderstood by brutes as weakness.

If there is nothing to talk about, try not saying anything.

It's funny how people think you are interested in their troubles.

You can still make many friends by speaking nicely about people.

One of the pleasant episodes of life is making plans to spend money that you never get.

Every man and woman has to settle the problems of life--no one else can do it for him.

The man who believes everything that he hears has a lot of useless information in his mind.

The fear of competition explains much that happens in business, politics and life in general.

It's all right to wait until the last minute to do something that you can do at the last minute.

Politics being what they are, you can expect government to be what it is.

There's a vast and fundamental difference between promise and performance.

No community will grow and develop when its people are envious of each other.

What this country needs is good people, and you can do your part along this line.

There's a difference between the appearance of fairness and the intent to be fair.

The lack of morals among the youngsters, if it exists, is a reflection of a lack of morals among their elders.

When politicians forget principles of government in order to gain votes, representative government inevitably loses ground.

Cyrus Vance, Secretary of State:
"This Force has been in Cuba since at least the mid-1970s."

CPS Updates Community Data Surveys

Maxie Davis, Vice President-Public Affairs, Community Public Service Company, recently presented copies of updated community data surveys on communities in his company's service area to Gerald R. Brown, Executive Director of the Texas Industrial Commission.

Electric utility companies such as Community Public Service Company are active in the field of area development. Electric and gas utilities, banks, railroad companies, and local chambers of commerce work closely with the Texas Industrial

Commission toward the common goal of attracting industry to Texas.

The updated surveys will be used by the Texas Industrial Commission as back-up data for their own information-gathering system. They are in the process of working up complete, concise surveys of the 546 communities in Texas.

These surveys help interested industries compare areas when they are looking for a beneficial site in which to locate a new company, relocated an already established company, or establish a branch of an

existing company.

Interested parties may obtain copies of specific community data surveys by directing their request to either Community Public Service Company or the Texas Industrial Commission.

Chamber of Commerce Membership Drive Friday

The Chamber of Commerce will have a one-day membership drive blitz, Friday, September 21. There will be a breakfast at the Cliffhangers Restaurant, at 7:30 a.m. to kick-off the drive.

Your Chamber of Commerce is a voluntary organization of citizens who are investing their time and money in a Community Development Program—working together to improve the economics, civic and cultural well-being of the area.

Your Chamber of Commerce is a service institution and an action organization. It provides a medium through which people can take effective action for the progress of the community. It is serving as a department—a partner—of every business and every professional in the area.

The Chamber of Commerce functions through working committees of the organization. Money, planning, inspiration, and guidance are useless unless the members work vigorously on the committees of their choice—Every member has a voice in determining the policies and projects and every member is needed to work on active committees to get the job done.

The goal of your Chamber of Commerce is to promote the commercial, industrial, civic, cultural and general interest of your city and region. To accomplish this, action committees explore every avenue and possibility. These committees usually include those working in the areas of industrial development, publicity, highways, urban development, civic affairs, retail promotion, and water resources.

Every individual, firm and profession derives direct benefits in a growing, stable economy. Such an economy is the result of your Chamber's efforts.

YMCA NEWS

The Women's Volleyball Leagues are underway. Excellent ball playing can be seen each Monday night, beginning at 7:30 p.m. in the Junior High School gym with the A League. Standings through September 17: First State Bank 4-1, Buster's Dusters 3-2, Thriftway 2-3 and JG's 1-4. On Tuesday evenings, beginning at 7:00 six teams compete in the B League. Standings for this league are: John Deere Does 2-2, Odds & Ends 2-0, Junior Lusby Cats 2-1, North Plains International 1-2, Bottoms Up 0-2 and Greyhounds 0-2.

Men's Basketball began last Thursday at the Junior High School Gym, with four teams

competing. The games were exciting and good competition will be seen by those who come by at 7:00 or 8:30 for either game. Scores Thursday were Sports Tally 49-House Team 30; Agco 41-Gruber 39.

Five or six teams will begin competition Tuesday, September 25 at Old Lynx Stadium in Men's Flag Football. This will be seven-man flag football, using rules colleges use in intramural competition. We would like to have an even number of teams and so if anyone has a team they would like to enter into the league, call the Y office by Friday, September 21 because the league schedules will be drawn up on

Friday afternoon.

The YMCA is still looking for more boys interested in boxing to enroll in the program. There are some from Gruver enrolled and some interest expressed by a few in Spearman, but we need several more to get it under way. Do call the Y and join in this competition.

Below is a summary presented to the Board of Directors of the YMCA on summer enrollment and attendance for the YMCA's first programming session. There were 89 teams or classes, 1,237 enrolled in the 89 teams/classes, with a total attendance of 34,293 from the middle of May through Labor Day.

Extension Clubs

The Spearman Home Extension Club met Friday, Sept. 14 in the home of Mrs. B.J. Garnett with the President Mrs. Garnett calling the meeting to order. The club members recited the THDA prayer. The devotional, The Lord's Prayer, was given by Mrs. Garnett. The minutes of the last meeting were read and approved. Roll call was answered with "My Favorite Restaurant".

Those present were Mmes. A.D. Reed, Ed Hutton, W.H. Tarbox, Coleen Shedeck, Vaughn and Altha Groves and hostess Mrs. B.J. Garnett.

The program, given by Mrs. Ethel Byers was on "Family Living" and was a comparison on how children were raised in the past and how they are raised now. The "grandmotherly" club felt that they had much food for thought with this topic.

After the meeting adjourned the hostess served delicious white cake, nuts, mints, tea and coffee and was enjoyed by all.

Bullock Says \$900,000 Loans Repaid

AUSTIN--State Comptroller Bob Bullock Friday said 82 ex-teachers are the latest targets in his efforts to collect overdue college loans.

Bullock said he has expanded his collection efforts to include everyone receiving money from the state.

He said the school teachers who quit teaching and requested refunds of their contributions in the teacher retirement program will not receive them until they settle up their education debts.

"These loans aren't scholarships and must be repaid to keep the program going," Bullock said.

Bullock, who last month refused to pay state workers who have defaulted on student loans, said a computer cross-check identified at least 150 more persons who owe the state more than \$200,000 in delinquent student loans.

He said payments to five business operators who have sold goods to the state are being held until \$7,207 in student loan liabilities are settled.

State law prohibits anyone owing the state a debt from receiving state payments.

Bullock also identified 50 persons who are receiving welfare benefits as loan defaulters. He said more than 500 state

employees have cleared up about \$900,000 in debts to the Texas College and University Coordinating Board after being notified they owed debts and wouldn't be paid until they made good on the delinquent loans.

In August, the Texas College and Coordinating Board held loan defaults worth more than \$39.9 million under the Hinson-Hazelwood program from loans to 24,685 former students.

Revival Services Set At Assembly Of God

Rev. R.L. Stuart will be in special revival services at First Assembly of God Church for Sept. 23 through Sept. 30. Pastor Nuckels invites everyone to feel welcome to come and enjoy the blessings of God from night to night. Services will be at 11:00 a.m. and 7:00 p.m. Sundays and 7:30 p.m. Monday through Friday.

Rev. Stuart is President of Word to Live By Ministries, Inc. in Mustang, Oklahoma. Rev. Stuart has had a daily live radio program for over two and a half years, ministering the message of the Gospel and how to use The Word in everyday situations.

He joined the Army at age 17 and was saved in 1961 while stationed in Fairbanks, Alaska.

On his second and third tours of duty in Alaska, he pastored the Assembly of God Church in Delta Junction. While stationed in Germany, he served as Fellowship leader for several Pentecostal Fellowship groups.

After retiring from the service in 1973, Rev. Stuart pastored the Mustang, Oklahoma Assembly of God Church for over five years. Since then he has been ministering in the downtown Oklahoma City area and holding revivals across the country.

CYO Has First Meeting

By Dolores Vela

The CYO of the Sacred Heart Catholic Church of Spearman had their first meeting Monday the 16th. The meeting began with an opening prayer given by Ray Ortega. Father Ray Crosier, priest of the church, told the duties and responsibilities of each officer. Then the elections were held by secret ballot voting. The President is Ray Ortega, Vice President is Julie Farr, Secretary is Michelle Augustine, Treasurer is Dorothy Theile, Reporter is Dolores Vela and Parliamentarian is Greg Farr. Other members include: Bernarda Vela, Ciria Vela, Janett Sandoval, Felix Sandoval and Greg Theile. The sponsors of CYO are Mr. and Mrs. Bob Farr and Mr. Bill Theile.

games. The refreshments were brought by Julie Farr.

After a little fun we had the Devotional which was given by Ray Ortega. We closed with a closing prayer which was given by Father Ray Crosier.

Our meetings will be held on Sundays at 6:30 p.m. if permissible. We will meet twice a month.

At our next meeting the opening prayer will be given by Dolores Vela, the closing prayer will be given by Janett Sandoval, the Devotional will be given by Dorothy Theile, and refreshments will be brought by Greg Theile.

"I have only one window, but I can open it twice."

September

September, according to the calendar, is the last summer month. The days, until the 23rd, are still longer than nights; warm weather usually predominates.

But one detects a change in the sun's light, in the air, in the trees and fields--a change which is summer's good-bye. The first cool nights and clear, northern-air skies are autumn's first greeting.

For those in school, free summer is over. Fall lies ahead--with football, hunting, studies and cold weather. When it ends in late December, three months hence, Christmas and the end of 1979 will be at hand.

Electricity: More than a flip of the switch.

Having electrical energy at your fingertips is no big deal any more. And we're working hard to keep it that way. Behind every electric switch in your home there are expensive transmission lines, generators, transformers and service equipment. And as in any business, production costs affect the price of the product, meaning a bigger utility bill for you. But even though the cost of supplying energy to your home is increasing, you can depend on us to meet your energy needs, today and tomorrow.

Cities Receive Sales Tax Checks

The City of Spearman received a check for \$17,854.51 in September for the city's share of one-percent sales tax. This compares to \$16,834.70 for the same period last year. Total payments the city has received to date in 1979 are \$85,706.67, compared to \$84,418.60 for the same period of 1978, up 1 percent.

The City of Gruver received \$4,249.47 for the same period, compared to \$3,863.74 for 1978. Total 1979 payments to date are \$17,775.89 compared to \$15,450.62 for the same period of 1978, up 15 percent.

State Comptroller Bob Bullock Friday said rebates to Texas cities of the local option one-percent sales tax set a record in the tax's 11-year history.

Bullock said more than 900

cities shared in \$124.2 million during July, August and September—passing the state's previous high three-month allocation in the final quarter of 1978 by more than \$6 million.

Bullock also announced that his office was sending September sales tax rebate checks totaling \$73.4 million.

"This month's allocations are just under the record payments of \$74.9 million made in December of 1978," Bullock said.

"I think the state's strong economy and our ability to rapidly process tax returns helped to produce these peak rebates," he said.

Dallas will receive a check for \$8.7 million, bringing that city's total for the year to \$40.4 million, an increase of 12 percent over last year's total to

date. The city of Houston will get a check for \$15.1 million, raising its yearly total to \$71.7 million, up 11 percent.

Fort Worth's check will be \$2.9 million, making total payments this year \$13.7 million, compared to payments of \$12.8 million thru September of last year.

San Antonio will get \$3.9 million, raising its total for the year to \$18.9 million. This is a 6 percent increase over last year.

Bullock also announced that payments to the Houston and San Antonio Metropolitan Transit Authorities would exceed \$17 million. San Antonio will get \$2 million and Houston will receive \$15 million.

Hardesty Plans Larry Jones Crusade

"Royalheirs" Will Perform

Larry Jones, well known evangelist from Oklahoma City will be preaching September 23 through September 30, 7:30 each evening in the Hardesty School Auditorium. Larry comes to Hardesty at the invitation of pastors and congregations of the Hitchland Community Church of Hitchland, Texas, the Bethel Baptist, Apostolic Faith, First Baptist and the United Methodist of Hardesty. His preaching will focus on the redemptive message of the Gospel. Larry has preached hundreds of crusades over the past fourteen years and as a result thousands have come to Christ and Christians have had their lives renewed and changed. A free nursery will be provided at the Apostolic Church for children through age four. The "Royalheirs" will be blessing each night with their inspirational music. Special events are scheduled throughout the week. Larry Jones ministry has touched the hearts and lives of many people in this area. His ministry is non-denominational. It is the feeling of the supporting churches that few ministers have stood more firmly for Bible-based principles that our nation was founded upon than has Larry Jones. Attend this Crusade and believe for great things for our area.

Larry Jones, evangelist from Oklahoma City, is widely known throughout the Midwest and Southwest as both a powerful and inspired preacher of the Word. He is a graduate of Oklahoma City University, Phillips University, Moody Bible Institute, and Southwestern Baptist Seminary. He is in the 15th year as an evangelist and as such, he preaches to thousands each year in areawide crusades. Larry is also seen weekly on his television series and heard by many on weekly radio broadcasts.

ers and the account of his crusade against this blight is recorded in his book, "Hustler for the Lord". He has helped "clean up" many towns that have been invaded by this silent disease.

Larry Jones has been recognized by local pastors wherever, he has held a crusade as a reliable, honest, forthright preacher of the Gospel. His fervent style and energetic approach to the Great Commission is felt by all. This is evidenced not only by changed lives in the community but by the number of return invitations from pastors and laymen to return as soon as possible for another

crusade.

The "Royalheirs," well known Gospel singing group will be performing each evening at 7:30 September 23 through September 30 in the Hardesty School Auditorium. They will be performing in conjunction with the Larry Jones Crusade.

The "Royalheir" have become one of the top T.V., radio and recording artists in the field of Gospel music. Traveling full time as a professional non-profit religious organization, the priority of their purpose is to artistically, through music, communicate the living

CHRIST. The depth of sound is not totally music. One experiences a feeling of warmth, love, vitality, and sincerity in a living, working relationship with the Savior. This is evidenced in their music. Theirs is a smooth blend of favorite hymns, as well as the traditional and contemporary gospel songs of today. Experience the blessing of hearing the Word preached by Larry Jones and sung by the "Royalheirs."

Included in the schedule of events of a Larry Jones Crusade is a night loaded with fun and humor. Each Tuesday night roll back the carpet, put away the chairs, and let "our hair down for the Crusade Basketball Games."

The Special Events committee organizes area high school students to take on pastors and out-of-shape laymen in a rip-roaring four quarters of linament and firstaid-filled action. Coaches selected for the two teams usually know less about the game than the players, which makes for a most interesting contest. The coaches keep the game free from plays, strategy and confusing tactical maneuvers.

The men's team, commonly called "The Over-The-Hill Gang", is led by former Oklahoma City University All-American guard Larry Jones. Larry has even been known to score a few points! The game is played AFTER the crusade Tuesday night and all are invited to remain for the festivities. There never fails to be a "standing room only" crowd and more than enough laughs and good-natured fun to last for a long, long time.

To add to the excitement, each game comes complete with local adults that have been "railroaded" to serve each team as costumed cheerleaders. It is quite sight to behold.

The most amazing of all is that in spite of the broken down physical condition of the men, the seemingly unbearable shortage of oxygen, and the inability of most of these pulpits to stay in the game for more than 30 seconds, they have still won 16 of the last 17 outings! What a record!

If you have a hankering for some fast paced nonsense,

come and see blindfolded free-throwers shoot from the center court line and watch participants chosen from the stands shoot free-throws for fictitious prizes. See new rules made up for the occasion and get to know the local answer to Howard Cosell. For more laughs than you have had in a long time, catch the Larry Jones Crusade Basketball Game, Tuesday, September 25th following the evening services at the Hardesty High School Gym.

Former Dentist To Uganda

Kenneth Chapman, 29, of Borger has completed 14 weeks of training in preparation for a two-year assignment in Kampala, Uganda.

Chapman is the son of Mr. and Mrs. W.G. Chapman of Borger. A member of Wesley United Methodist Church, he attended Borger High School and Frank Phillips College. He graduated from the Houston Dental School of the University of Texas.

Before joining the staff of Campus Crusade for Christ, he practiced dentistry here with Dr. Earl Novak.

He recently returned from Liberia, West Africa, where he spent seven months working with the Missionary Dentist, Inc.

As a staff member of The Agape Movement, a specialized vocational ministry of Campus Crusade for Christ International, Chapman will work as a dentist at the Mengo Anglican Hospital in Kampala.

Ray Ortega, Mike Asbill and Donna Ball work on props for the musical "The Music Man" which will be presented by high school students for the public Oct. 6th and 8th.

O.D. Spears Services Held

Memorial services for O.D. Spears, 73, of Spearman and formerly of Levelland were held at 2 p.m. Thursday, Sept. 13 in the George C. Price Funeral Chapel in Levelland with the Rev. Russell Pogue, pastor of the First Baptist Church of Spearman, officiating.

Burial was in Levelland Cemetery under the direction of George Price Funeral Home.

Spears died about 2:30 p.m. Tuesday, Sept. 11 in High Plains Baptist Hospital in Amarillo after a long illness.

The Oklahoma native moved to Levelland from Matador in 1932 and moved to Spearman in April. He was a Baptist, and a retired farmer and gardener.

Survivors include his wife, Opal; two sons, J.F. of Midland and Troy Lee of Rancho Palos Verdes, Calif.; a daughter, Ellen Graham of Spearman; a brother, four sisters, and 11 grandchildren.

Postal Service Card Program Available

The Postal Service's Consumer Service Card program offers prompt response to customer mail problems, according to Postmaster T. Ray Robertson.

"We've received several Consumer Service Cards since the program began in September, 1975," the postmaster said, "and we've been able to resolve most complaints to the satisfaction of our customers. The program has made a significant contribution," he said, "to our efforts to improve the quality of mail service to Spearman residents."

The postmaster's program is part of the Postal Service's nationwide Consumer Service Program reflecting Postmaster General William F. Bolger's

determination that mail service should be courteous, efficient, and reliable.

The cards are designed to help customers bring their problems about mail service directly to postal management so everything possible will be done to resolve them. Postal employees are required to use the cards to record customer telephone and correspondence inquiries and complaints. They are available from letter carriers and in post office lobbies.

The Consumer Service card consists of two postal cards with carbon paper in between. One copy is sent to the local postmaster for action. The other goes to the Consumer Advocate at Postal Service Headquarters in Washington, D.C.—a high

postal official charged with responsibility to cause necessary postal changes to meet customer needs—for analysis to help spot problem areas and trends, as well as to assist individual customers. No postage is required on the cards.

Postmaster Robertson said not everyone used the card to register a complaint. "Many customers used a Consumer Service Card to offer suggestions to improve mail service in the Spearman area, or to compliment a postal employee."

"We need to hear from people when they have mail problems," he said, "so we can resolve them. Taking the minute or two needed to fill one out is time well spent for the customer and us."

Public Continues To Lose Millions To Mail Fraud

American consumers lost more than \$489 million to mail fraud and misrepresentation by mail over each of the last five years, Postmaster T. Ray Robertson said today.

September 24 - 29 has been designated the fourth annual Postal Consumer Protection Week by Postmaster General William F. Bolger to heighten public awareness of the problem.

Postmaster Robertson emphasized that the majority of companies who are a part of the \$60-billion mail order industry are honest and dedicated to customer satisfaction. But a few operators are out to bilk the public, as in many other industries.

"The nation's best defense against unscrupulous con artists using mailing is an informed public," the Postmaster said. "Everyone should be constantly

on guard against what are really unbelievable claims get-rich-quick schemes."

The Postal Inspection Service actively investigates mail fraud and false representation by mail, and assists with mail-order and service problems.

"Swindles aimed at consumers are limited only by the imagination of the con-artist," the Postmaster said, "because they've learned that many people are willing to invest their hard-earned money on offers which sound too good to be true."

Typical examples of mail frauds and false representations by mail include a variety of investment offers, phony franchises, miraculous "cures" for a variety of illnesses, weight reducing plans with no proven value, and work-at-home-schemes.

"The elderly are quite often

prime targets for these schemes," the Postmaster said, "because they are trying to protect their savings from the effects of inflation."

Postmaster Robertson urged consumers to ask companies to back up their claims if an offer sounds unbelievable and too good to be true. "That's the best way to protect yourself," he said. "But if you feel you've lost money to a fraud, or haven't received the merchandise you ordered, contact my office or a postal inspector."

The Postmaster reminded customers that whenever they have a problem with their mail service, to fill-out a postal Consumer Service Card, available at post offices and from letter carriers.

"We need as much information as possible to help someone with a mail problem and the easy-to-complete card assures prompt action on our part."

Public Meetings On Structure Of Agriculture Announced

Washington—Secretary of Agriculture Bob Bergland today announced specific locations for 10 public meetings he will hold in November and December to get comments and suggestions on the economic and social issues affecting the structure of American agriculture and rural life.

Locations are:

- Montpelier, Vt., Nov. 27; Tavern Motor Inn, 100 State St.
- Fayetteville, N.C., Nov. 28; Bordeaux Motor Inn, 1707 Owen Dr.
- Huntsville, Ala., Nov. 29; Huntsville Hilton Inn, 401 Williams St.
- South Sioux City, Neb. (across the river from Sioux City, Iowa), Dec. 4; Marina Inn, 4th and B Streets.
- Sedalia, Mo., Dec. 5; Liberty Park Convention Hall.
- Wichita Falls, Texas, Dec. 6; Wichita Falls Activities Center, 10th and Indiana Streets.
- Denver, Colo., Dec. 11; Regency Inn, 3900 Elati St.
- Spokane, Wash., Dec. 12; Ridpath Motor Inn, 515 W. First St.
- Fresno, Calif., Dec. 13; Sheraton Inn, 1-99 at West Clinton.
- Lafayette, Ind., Dec. 18; Howard Johnson's East, 4343 State Rd. 26 East.

Department officials said the public meeting in Colorado was moved from Boulder to Denver to make it easier for

people using public transportation to attend.

Bergland will preside at each meeting, which will begin at 9 a.m., and adjourn at 5 p.m. local time.

The agenda for each meeting will include statements by pre-scheduled speakers, as well as time for impromptu comments or questions from the audience. Every effort will be made to select pre-scheduled speakers so that a wide range of interests will be represented.

Each scheduled speaker will be limited to five minutes. Longer written statements may be submitted also.

Requests to speak at the meetings should be sent to: Project Coordinator, Structure of Agriculture, USDA, Washington, D.C., 20250. Include your name, mailing address, phone number, organization represented (if any), and a brief identification of the issues you will address. Scheduled speakers will be notified of the time they will appear on the program. Persons unable to attend one of the meetings should send their comments to the project coordinator. These comments will be made part of the public record.

"We are living in a period when strong and conflicting demands are being made on our agriculture system and the rural communities in which it operates," Bergland said. "This

system has been formed by many forces over the years. The time has come for a reexamination of our basic policies and institutions that make up our food and agriculture system or influence how it operates."

Bergland listed 12 broad areas of concern: land ownership, control and tenancy; barriers to entering and leaving farming; production efficiency, size of farms and the role of technology; government programs; tax and credit policies; farm input supply system; farm product marketing system; present and future energy supplies; environmental concerns, including conservation and use of soil and water; returns to farmers; costs to consumer; and quality, of life in rural areas.

Bergland said he wants to know how these 12 concerns have affected local farms and communities and what changes in public policy might be needed in the future.

"Our immediate goal is to collect and evaluate all the information we can about the current structure of agriculture and the forces that affect it," Bergland said. "It's important that we get as much public input as possible, so we can eventually establish national policies and programs that will best promote the kind of agriculture and rural life Americans want for the future."
