## Ivey Announces For Sheriff

JIM IVEY

Jim Ivey has authorized The Hansford Plainsman, The Spearman Reporter and The Gruver Statesman to announce his candidacy for election to the office of Sheriff of Hansford County, subject to the action of the voters in the Democratic Primary in May.

Jim Ivey, 40 years of age, resides at 720 Gibner Drive, Spearman, with his wife, Kay, and their four children, Kindra 17, Cindy 14, Cole 12, and Nancy 7. Also living in the Ivey home is Josefina Amezcua, a 15 year old exchange student from Culiacan, Mexico. Jim was born at Wheeler, Texas, and graduated from high school at Holly, Colorado. He has attended college at Panhandle State University, Goodwell, Oklahoma, and Adams State College, Alamosa, Colorado. He then changed his major to Police Science and Psychology and attended Phoenix College, Phoenix, Arizona, and Mesa Community College at Mesa, Arizona.

Jim began his career in law enforcement at Chandler, Arizona, a suburb of Phoenix, in 1964, rising to the position of Detective in 1968. He was promoted to Sergeant and Detective Division Commander in 1969, a position he held until March 1973, when he resigned to move to Spearman to raise his family in a smaller community.

Jim has attended the following special schools: Federal Bureau of Investigation - Arizona State University.

General Law Enforcement  
Basic Police Academy  
Narcotics and Dangerous Drugs  
Photography  
Sex Crimes  
Arizona Department of Public Safety:

Traffic Accident Investigation  
Traffic Law Enforcement  
Special Enforcement in Crowd Control  
National District Attorneys Association:

Narcotics and Dangerous Drugs  
U.S. Department of Justice:  
Narcotics and Dangerous Drugs  
Law Enforcement

Jim was nominated to attend the FBI National Academy. He has also periodically served as sheriff's deputy in Hansford County in the last three years during times of need.

Jim also has been a director on the YMCA board since its inception.

I believe that the fundamental duties of the sheriff are to serve the citizens of Hansford County, to protect the innocent against crime and criminals, to

keep safe their lives and property; and to respect the Constitutional rights of all citizens to liberty, equality and justice. He should be constantly mindful of the welfare of all citizens of Hansford County.

The sheriff should never act officiously or permit personal feelings, prejudice, animosities or friendships to influence his decisions. He should enforce the law courteously and appropriately without favor, malice or ill will, never employing unnecessary force or violence.

I recognize the sheriff's badge as a symbol of public faith, and if elected to be Sheriff of Hansford County, I would accept it as a public trust to be held so long as I am true to the citizens of this county. As Sheriff of Hansford County I would strive to achieve these objectives and ideals.

I would appreciate the opportunity to serve the people of Hansford County as their Sheriff.

## Bessie Callaway Services Held

Memorial services were held at 2:30 p.m. Sunday in the First United Methodist Church here for Mrs. Bessie P. Callaway, 95, who died Friday in Amarillo. The Rev. Frank Oglesby, pastor, officiated. Burial was in Hansford Cemetery by Boxwell Brothers Funeral Home.

Mrs. Callaway, born in Iredell, had been a resident of Spearman since 1955. She married E. J. Callaway Sr. in 1903 in Hico. She was a member of Fellowship Baptist Church.

Survivors include three daughters, Mrs. Ruth Thomas of Hedley, Mrs. Ruby Thomas and Mrs. Della Kirkland, both of Amarillo; two sons, E. J. Callaway Jr. and Ted Callaway, both of Spearman; and a brother Jerry Phillips of Gatesville.

## American Ag

### Meet Set

American Agriculture will have an informational and alcohol meeting Thursday, Jan. 17 at 7:30 p.m. in the County Barn.

All interested persons are invited to attend.

## 4-H'ers Attend Amarillo Stock Show

Several Hansford County 4-H'ers have been busy preparing for the Amarillo Stock Show January 15-19. A total of twelve lambs, ten barrows, and ten steers will be shown at the stock show by the 4-H'ers.

The stock show gets underway Tuesday with the arrival of all animals and the weighing and sifting of animals Wednesday. The judging begins Thursday at 8:00 a.m. with the lamb show.

Barrow judging will begin at 5:00 p.m. on Thursday with the Chesters, Yorks, and Crosses being shown. Friday morning the steer show will begin at 9:00 a.m. and the barrow show will resume at 10:00 a.m. with the Durocs, Hamps, and Spots being shown. The show will conclude with the Junior Livestock Sale at 1:00 p.m. Saturday January 19.

Those 4-H'ers attending with steers are: Chad Clawson, Mendy Gammon, Rex Shook, Roy Don Gammon, Todd Williams, Kristi Holt, Ty Williams, Debbie Burton, and Trevor Williams.

Showing lambs will be: Debbie Burton, Scott Henderson, Monty Hawkins, Chris Morris, Christie Burton, Melan-

ie Morris, Dale Red, Mendy Gammon, Roy Don Gammon and Lynette Williams.

Those 4-H'ers showing barrows will include: Trevor Williams, Clay Hobbs, Debbie Burton, Melanie Morris, Deana Turner, Christi Burton, and Chris Morris.

Be sure to attend the show and sale and support these 4-H'ers.

## Z-93 Dance At YMCA Saturday

Ama Chron Two from Z-93 FM will present a Disco Dance at the Hansford County YMCA on Saturday, January 19th. There will be two dances: a junior high school dance from 7 to 9:30 p.m. and a high school dance from 9:30 to 12:30 a.m. Cost is \$3.00 per person. The game room will be open, in addition to the disco dance.

**FITNESS FANTASIA**  
Cindy Schneider and Beckee Kelp recently returned from Midland, where they attended a YMCA workshop for certification as instructors in the YMCA Fitness Fantasia program.

Fitness Fantasia is a fitness program to the movement of music. It is fun, exciting and can help achieve total fitness for participants. The six week program will help decrease body fat, increase muscle tone, increase stamina and improve flexibility and agility, according to Schneider.

The participants will learn correct exercise movements, the best way to lose fat and stay trim and how to determine ones own individual training zone for fitness.

The program is never boring. It is new, completely choreographed exercise routines set to a variety of music.

All exercises have been carefully selected to offer a total fitness program.

The first classes will begin February 4 and 5, Monday and Wednesday afternoon, from 1:30 - 2:30 p.m. Tuesday and Thursday afternoon from 2:30 - 3:30 for those over 40. Tuesday and Thursday evenings from 7:30 - 8:30 p.m. for the working women.

Cost for the six weeks class (12 sessions) is \$5.00 for Fitness Center Members and \$10.00 for non-YMCA Fitness Center Members. You must have a YMCA membership to participate. Come by the Y and enroll now.

## PROCLAMATION

Whereas, agriculture is a major source of income in Hansford County;

and Whereas, we are engaged in an era of energy-critical agricultural production;

and Whereas, careful tillage operations and wise use of fertilizer offer potential sources for conserving energy;

Therefore, I, R. L. McClellan, Hansford County Judge, declare the week of January 21 through January 28, 1980 as Hansford County Intensified Soil Fertilization Week and encourage Hansford County agricultural producers to soil test their farms in order to make the most efficient use of fertilizer and energy for the 1980 crop year.

R. L. McClellan

## Wheat Producers Association Schedules Meeting Here

The staff and officers of the Texas Wheat Producers Association will be in Hansford County to discuss these issues and to seek the views and support of local producers at a meeting Thursday, January 17 in the Courtroom, Hansford County Courthouse, Spearman, at 10 a.m. Coffee and donuts will be served.

The value of the 1979 wheat crop in Hansford County totaled \$25,859,600. The value of the wheat in this county in 1970 was roughly \$2,839,600. That's an increase worked for by wheat farmers, and an increase worth protecting. Similarly, the 183,000 acres of wheat planted in Hansford County this year is important to farmer's personal income and to that of the County. The point is, there are changes in government policy under active consideration, and programs being proposed to strengthen as well as shatter the market. These programs and policies will affect farmers locally, whether wheat is the major crop, "catch" crop, or used only in grazing operations.

Wheat farmers in the county are urged to attend and participate in this meeting.

## Hospital News

Patients in Hansford Hospital are Cathy Marshall, Darrell Farris, Muri Pearson, Oneita Stewart, Cecelia Randall, Cynthia Peters, Kubah Gandy, Evelyn Schroder, Gus Birdwell, Ann Thom, Dee Jackson, Don Monroe, Dorothy McElroy, Lila Vela, Dessie Jackson, Vernell Byrd, Bertha Nava, Vida Jones, Eva Adkison, Sara Vela, Rosa Rojas.

Dismissed were Shirley Castor, Willie Shields, Ada Deakin, Gid Nobles, Patrick Sheeham, Lydia Spradlin, Joe Bynum, Opal Jones, Donald Burch, Dale Prindle, Kyle Irwin, Lorene Cline, Don Savage, Grace Archer, Blanche Tabor, Steve Hicks and Otis Fwenharger.

## We All Live Off The Farmer

We all eat off the farmer. When his business is good, so is ours...and it matters not whether it is the newspaper business, the dry goods business, the grocer, hardwareman or any other business. Prosperity depends upon the farmer.

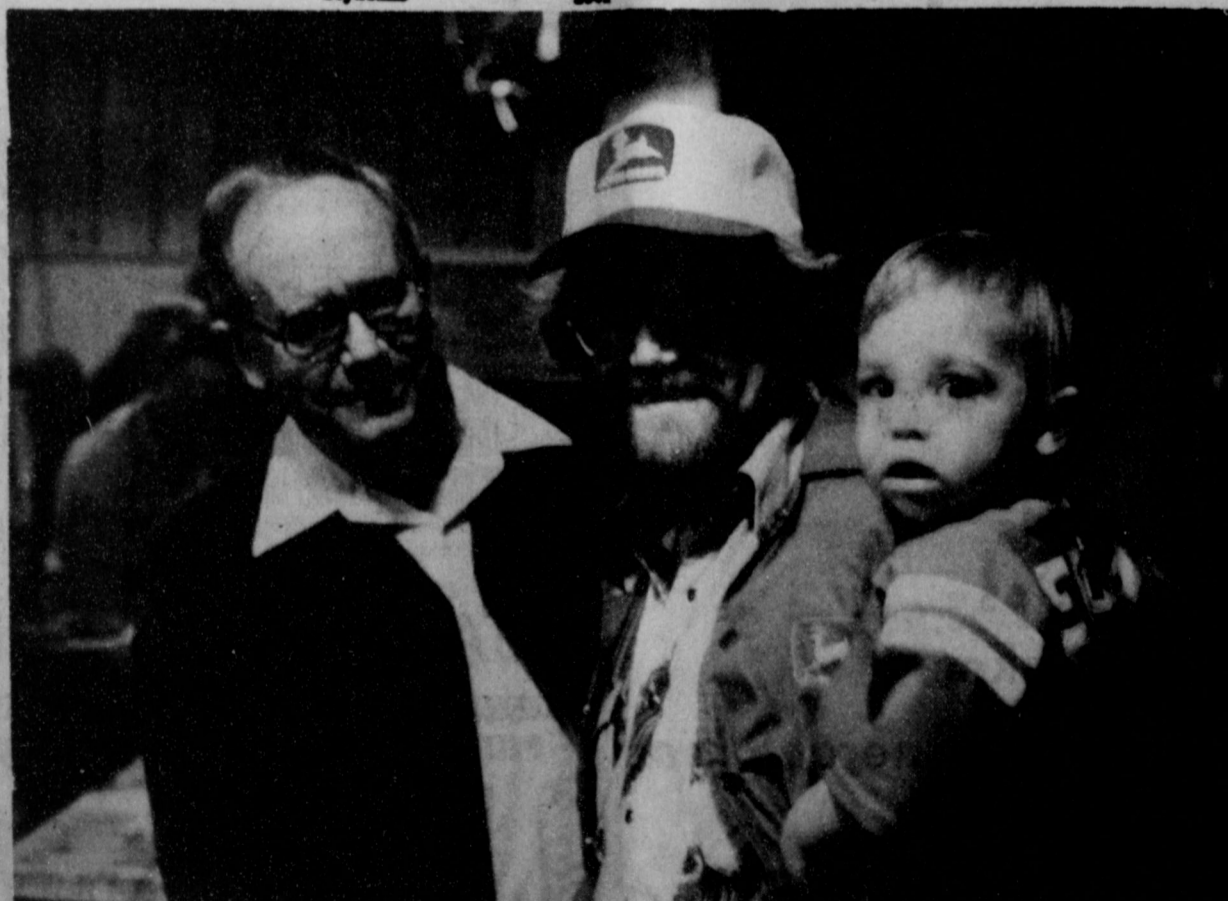

That's the reason why all of us have an important stake in the "Test the Soil" campaign that starts January 21 and runs through January 26 in Hansford County. All of us need to encourage those who work the soil to go after the "prescription" for more profitable production.

The "farmer" in reference means not only the man who actually plants the seeds and harvests the crops, it means the dairyman and livestockman, too, because better soils mean better feed crops and pastures - and greater profits from the livestock and dairy industry.

Whether it is cotton, corn, grains, beef or milk, it all has its origin in the soil. If the soil is poor, the product is poor, the profit is low, the money that goes into circulation is less.

Doing nothing to improve the soil is unwise. Guessing on what to do is hazardous to the profits.

The way of greatest certainty is to test the soil, find what it needs and then give it what it needs. We acknowledge our dependency on the farmer, the rancher, and since we do realize that such prosperity in business as we might enjoy follows only when he is enjoying prosperity, we feel that we are not going beyond the bounds of sound business practice for ourselves and for him in urging that he take samples of his soil and turn them in for testing during the "Test the Soil" campaign January 21 to January 26.

THREE GENERATIONS of John Deere dealers were on hand at the Farming Frontier '80' show here Monday night. On the left is Gene Cudd, Mike Cudd and little Eric! The three hosted farmers at their annual hamburger and free show Monday nite!

Bill Sarpalius has authorized The Hansford Plainsman, The Spearman Reporter and The Gruver Statesman to announce his candidacy for election to the Texas State Senate for the 31st District subject to the Democratic Primary in May.

We are now entering a new decade, the 1980's. We are very fortunate as a country, as a state, as a community, and as individuals to be living in the most prosperous time known to Man. Today we have more luxuries, more opportunities, more challenges, and more to be thankful for than any other time in history. It is my hope and prayer that we continue to grow to make the future even brighter for our children and for their children to come.

The Lord has been very good to me and my family, and I am very thankful for the opportunities that have come my way. I am very grateful to the people of the Texas Panhandle who have helped me and have given me a second chance in life by supporting Cal Farley's Boys Ranch. Boys Ranch provided a home for me and my two brothers. It was there at Cal Farley's Boys Ranch that I first gained the desire to work with people. I learned that it is better to give than to receive.

The Lord has provided me with opportunities to serve people by working for Boys Ranch for five years as a staff member and school teacher, and in working for Speaker of the House, Bill Clayton, for two years. During this time I was involved in trying to help solve many problems affecting each of us.

I would like to serve the people of this area in another capacity, so I am today announcing my candidacy for the Texas State Senate for the 31st District subject to the Democratic Primary.

I am starting this campaign with nothing but a lot of desire and dreams, dreams of a brighter future for our state and for our community, and for each of you as individuals. I believe I can become an effective voice for the people of West Texas because I can relate to the problems we are facing in agriculture due to the two degrees which I hold in agriculture and because I have been involved in farming and ranching most of my life. I realize the importance of agriculture to our economy and to the future of our area. However, I don't intend to be a one issue candidate and there are other areas of concern to me.

I believe I can relate to the problems in education because I have been a school teacher, and I know the importance of a good education and what an important role it plays in the future of our state. I believe I can relate to the problems of business because I know the importance of the word "profit", the struggles that every business person must go through to maintain that profit.

I believe I can be an effective voice for you because of the experience I have gained through working in state government. I understand the Legislative process, how you must work very hard on bills that you will introduce, and at the same time must work to stop any legislation that could hurt West Texas. At the same time, to be an effective Senator, you must be able to work closely with the members of the House

from this area. I believe that team work is missing now. To become an effective Senator one must be willing to serve the people on the grass root level. I don't intend to be a Senator who sits behind a desk and waits for people to come to me, but I intend to go to the people.

I feel we've got to put the government back into the hands of the people. As your Senator, I'll know what your opinions are and what your concerns are and what your suggestions are because I'm going to ask you all the time. I won't be a Senator who asks for your help every four years only when election time rolls around, because I want to represent you all the time, not just at election time. If you're having trouble with a state agency or if you think the Legislature ought to be handling some matter differently, I'll carry your message back to Austin. It's your government, but I know that there is a feeling by people everywhere that it's gotten too big, too out of touch. That's one reason I want to be your Senator--to put the government back in your hands.

One important way I intend to put the government back into your hands is by employing a full time traveling van--a "mobile office"--in this District to visit every town and community on a regular basis. I have witnessed the value of such a "mobile office" for the citizens and I pledge to implement this idea if I am elected.

As I mentioned earlier, I am starting this race with nothing but a lot of desire and a lot of dreams, but I feel very confident that if we work together as a team we can make the next decade, the 1980's, the most prosperous ten years the Texas Panhandle has ever known.

## Tax Appraisal Board Meet

The newly elected County Tax Appraisal Board held their first meeting Jan. 10 in the commissioners court room at the courthouse.

Members of the board, Kenneth Irwin, Thane McCloy, Jimmy Shieldknight, Everett Tracy, and Joel Lee Lackey took their oath of office from Judge Roy Lee McClellan.

This was an organizational meeting and election was held. Jimmy Shieldknight was named chairman, Kenneth Irwin, vice-chairman, and Joel Lee Lackey, secretary.

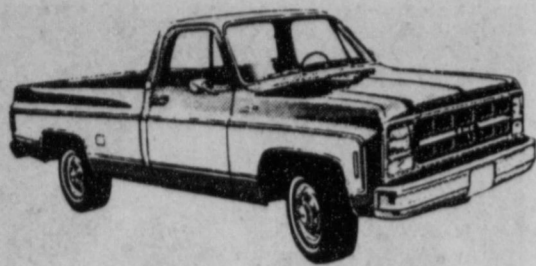

Members discussed going to a workshop on April 18 in Amarillo, to better qualify them for the job for which they were elected.

The next scheduled meeting of the board is April 24.

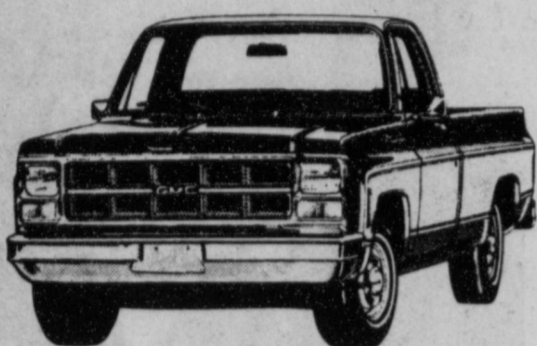

The Spearman Chamber of Commerce Annual Banquet will be held Saturday, January 26, at 7:30 p.m., in the high school cafeteria. The Guest Speaker this year will be Edward O. Daniel. Mr. Daniel spoke here last year and by popular demand was asked to return. Russell Pogue, Pastor of the First Baptist Church, will be the Master of Ceremonies.

Tickets will go on sale Monday, January 14, for \$8.00 each. There will be delicious steaks served with baked potatoes, green beans and a salad. The cafeteria ladies will help prepare the food and the steaks will be cooked by volunteers.

## FB Delegates Adopt Emergency Policy For 1980

PHOENIX -- Farm Bureau delegates adopted an emergency policy for 1980 to deal with the problems caused by President Carter's partial embargo of grain to Russia.

Delegates to the 61st annual meeting of the American Farm Bureau Federation also elected Robert B. Delano of Warsaw, Virginia, to succeed Allan Grant of Visalia, California, who retired at this convention after serving four years as president of the three-million-member farm organization.

Delano, who has served three years as vice president of the AFBF, operates a 400-acre diversified farm in Richmond County, Virginia.

Texas' 18-member delegation voted for the emergency measure which states, in part: "That because of the immediacy of the President's actions, some segments of our nation's economy will suffer severe economic hardship through no fault of their own, and therefore, steps must be taken by the government to provide compensation for those losses."

Agricultural trade should not be sacrificed unless the national security demands a total suspension of all non-diplomatic relations with USSR, the delegates said.

They recommended that the Administration and Congress immediately implement the following:

(1) Immediately increase Commodity Credit Corporation export credit budget from \$800 million to \$2 billion for the next two fiscal years.

(2) Offer the wheat and feed grains loan and target price programs to all producers whether they participated in the 1979 program or not.

(3) Place the 17 million metric tons of embargoed grains and oilseeds in isolation with staggered release beginning at a point 10 percent above the "call levels" through the 1980-81 marketing season.

- (4) Announce revised 1980 farm program lease and call levels by Feb. 1, 1980.
- (5) Establish acreage diversion for feed grains and wheat for 1980 to reduce the 1980 crop size by 17 million metric tons.
- (6) Legislative requirements for gradual addition of alcohol to fuels and provide long-term

The Spearman boys and girls blasted River Road there last night, to put the Spearman girls in a tie for first place in the district 1-AA race, and put the boys at 1-1 in district play.

The Spearman girls won by a big 57-35 score, with Connie Shields hitting 22 points, Tammie Mazie and Mary Ann Martin hitting 8 points each. In the boys game, the "Ladds from Spearman were just "great" as they won their first district game, with Ladd hitting a season record 29 points, followed by Steve Shields with 12 points! The Lynx were behind as much as 9 points in the second quarter, and fans were running "scared!" but Larry's Ladd's came through for the big win! Remember the Lynx and Lynxettes host Dalhart here Friday night, in a real BIGGIE!

## Engagement Announced

Mr. and Mrs. Odell Fanning of Spearman announce the engagement and approaching marriage of their daughter, Brenda Kaye, to Peter J. Wall of Spearman, son of Mr. & Mrs. I. D. Wall of Stratford. Brenda is employed by J.G.'s and Pete is employed by General Telephone Co. of the Southwest. A March 15th wedding is set. Friends of the couple are invited.

## Presbyterian Extension Clubs Church News

There is a Sunday Church School class for everyone every Sunday at 9:45 a.m. with an interested, concerned, loving teacher with an interesting, practical, well prepared Bible lesson.

"Stewards of Spiritual Gifts" will be the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday, January 20 at 11:00 a.m.

The annual congregational meeting to hear and consider the annual reports of church officers, committees, and organizations will follow the morning church worship service on Sunday, January 20. There will also be an election of a nominating committee.

There will be a family covered-dish dinner following the annual congregational meeting. The Session will have its organizing meeting on Wednesday, January 23 at 7:30 p.m. Presbyterian Men will have their monthly prayer breakfast on Thursday, January 24 at 6:30 a.m.

Palo Duro Union Presbytery will meet on Friday and Saturday, January 25-26 at Snyder. There will be a Pre-Presbytery Prayer Experience on Friday from 1:00 to 5:00 p.m. Ed Hart, who has just recently returned from a study trip to Lebanon will report at the dinner meeting on Friday at 6:00 p.m. Business sessions began on Friday at 7:30 p.m. and continue until about 3:30 p.m. on Saturday.

There is a warm, Christian welcome awaiting you at all services and activities of the First Presbyterian Church.

## Arts & Crafts Guild News

The Arts and Craft Guild met Friday, January 11 in the home of Mrs. Ned Turner. Those attending were Mmes: Garrett Allen, Fred Hoskins, Pope Gibner, Deta Blodgett, P. A. Lyon, Sr., Joe Traylor and Bill Russell.

The next meeting will be January 18 in the home of Mrs. Garrett Allen.

## Spearman Music Club Meets

Spearman Music Club will meet Tuesday, January 22 at 7:30 p.m. at the First Christian Church to observe Founders Day. A history of the founding of the national, state, and local music clubs will be given. Several compositions by Texas composers will be played and sung. The Club Chorus will sing numbers composed by Texans. Each member is asked to make a special financial contribution for the National Federation of Music Clubs Founder's Day projects. Hostesses will be Mrs. Wilma Clark and Misses Marites Anolin and Rosemarie Rivers.

## Shower Honors Mrs. Cook

Mrs. Terry Cook, nee Debra Owens, was honored with a wedding shower Sunday, January 13 in the home of Mrs. Jim Fowler.

The table, covered with a gold cloth, had a white floral centerpiece. Also included on the table was hot punch, coffee and assorted cookies which were served to the guests along with nuts and mints. Debra was presented a yellow carnation corsage by the hostesses.

The hostesses were: Phyllis Shedeck, Pat Sparks, Avo Tope, Pamela Causey, Barbara Rossier, Rita Reed, Evelyn Kingsley and Virginia Fowler.

## Peggy's Pointers

Peggy Winegarner  
Co. Extension Agent (H.E.)

Don't let outrageous claims about vitamins mislead you -- a well-balanced diet is still the best and most enjoyable way to get the vitamins needed.

Few nutrients needed by man are as shrouded by myth as vitamins.

Claimed to cure just about anything from baldness to infertility, vitamins are given powers they simply do not possess.

One such myth maintains that modern farming methods have depleted the soil so that the foods grown in these soils are not nutritionally adequate.

However, the plant's genetic structure, not the soil, controls the protein, carbohydrate, fat,

fiber and vitamin content of the food. The soil may slightly influence mineral content of foods -- but only slightly.

Self-proclaimed experts claim that substances such as paraaminobenzoic acid (PABA), citrus bioflavonoid complex, hesperidin and rutin are vitamins.

However, they are not vitamins, although they do occur naturally in foods, and their absence from the diet does not cause a disease or any form of illness.

Many consumers believe that vitamins provide extra energy.

Although B vitamins do assist in the conversion of foods to usable energy, amounts greater than United States Recommended Dietary Allowances are of no additional benefit.

The basic function of vitamins is to regulate body processes through enzyme action.

Remember, a balanced diet will generally meet the body's needs for vitamins A, B, B12, C and D and other vitamins.

**CUT MAIN DISH COSTS** -- and the entire food budget gets stronger.

Main-dish foods generally take the largest party of any food dollar, so cutting their costs can mean a major step toward economy.

Here are some ideas:  
--Buy less-tender cuts of meat.

To make them more tender, cook them slowly with moisture--pot roast, braise, simmer or stew them.

Also grind, cube, pound or score them--or use a commercial tenderizer.

Another tenderizing idea is the marinade. Marinade less-tender meats in tomatoes, vinegar, wine or lemon juice.

--Instead of serving big pieces of meat at every meal, use small pieces of meat sometimes--in casseroles, salads or sandwiches.

--Use meat bones to flavor soups, stews or vegetables. Or use them to make broth, and then use it in sauces, soups, stews and gravies.

--Extend meat, poultry or fish dishes with pastes, dried legumes or starchy vegetables. Tomato or other sauces can add flavor to these combination dishes.

--Make meat stuffings using breads or cereals.

--Use meat alternates for some meals.

These include dry beans, peas or lentils, peanut butter, eggs and cheeses, especially cottage cheese.

## Historical Committee Meets

The Hansford County Historical Commission, Inc. met in regular session at the library Friday, January 11. In the absence of the president Fred Groves, Vice President Grace Lyon presided over the meeting. Juanita Pierce read the minutes of the last meeting which were approved as read. The treasurer's report was given by Treasurer Clementene Renner, and accepted as read.

Plans were made by the commission to have an enclosure built to house the 1917 wedding dress of Mrs. Gid Nobles. Plans also included enclosure of the closet in the back room of the museum for display.

Landscaping was discussed with a committee of Jenni Blankenship and Helen Etter appointed to investigate various landscapings and draw up landscapings plans.

A book report was given by Ruby Saltness. She stated that anyone who has not entered their story to please get it in as publishing time draws near. Memorial pages and business pages are being worked on now.

Anyone wanting to contribute to General History may bring it to the museum. All the history will be put together and will be used as space permits. Meeting adjourned.

Those attending were: Clementene Renner, Jenni Blankenship, Christine Brandvik, Juanita Pierce, Ruby Saltness, Grace Lyon, Helen Etter, Joyce Johnson and Joyce Lackey.

## Rho Rho Sorority Meeting Held

On Thursday, January 10th, Rho Rho sorority met in the home of Linda Sanders. Karen Blodgett opened the meeting by leading the opening ritual. We then had a short business meeting. We voted to donate to the Beta Sigma Phi International Endowment Fund. Lisa Pipkin, our social chairman, then told of plans for the annual Valentine Ball. It will be held on Sat., Feb. 9th and will be at the Berger Country Club this year. More information on this will be given at a later date. Candy Boxwell, our service chairman, told of the CPR class at the Library on 21st and 22nd from 6:30 till 9:30 on those two

nites. Almost everyone plans to attend.

Our program was given by Lisa Pipkin on Personal Beauty; examining the qualities of a truly beautiful person. She and Karen Schnell gave a delightful skit acting as "Ms. Patty Perfect & Mrs. Mary Mandane." We got to eavesdrop on a mid-morning coffee conversation and saw a little bit of ourselves in each of these women!

Refreshments were served after the passing of two boxes of candy this meeting! Those present were: Linda Sanders, Karen Blodgett, Marilyn Cline, Sherry Moore, Lisa Pipkin, Karen Schnell, Janie Henton, Brenda Shieldknight, Candy Boxwell, Kim Vanderburg, Shelly Beedy, Linda Brown, Joan Brown, Susan Pearson, Jody Rex, Gayle Smith, Shere McWhirter, Gaye Woolley, Gina Davis, JoLinda Hutchison, Stephanie Brock, and Judy Hutchison.

Our next meeting is Feb. 24th.

## Xi Zeta Sorority Met

Xi Zeta Sorority met Thursday, January 10 in the home of Carolyn Gressett.

The meeting opened with the program given by Sybil Miller on the history of Tin Painting and demonstration of this art.

A short business meeting followed. A discussion of the upcoming Valentine Ball was held. It will be February 9 at the Berger Country Club with entertainment provided by Day-

ton Todd and "His Magical Music Machine."

Those attending were: Mary Dixon, Donita Lusby, Linda Butt, Sheryl Meek, Sharon Cook, Cynthia DeArmond, Carolyn Gressett, Mary Ann Lassater, Linda Latta, Judy Nelson, Marsha Pipkin, Lynna Renner, Hazel Shieldknight, Verna Strawn and Jackie Pearson. The next meeting will be Thursday, January 24 in the home of Charlotte Pearson.

On a cold day why does one not hear the buzz of insects, so common in warmer weather?

Practically all insects die or become dormant when the temperature drops below a certain point. The experts have figured out the exact temperatures at which bees, bugs and other creatures cease all movement.

Bees, for example, will cease their activities at about 50 degrees. If the temperature is less than 50 degrees you will not hear or see a bee. The exact degree at which other insects and bugs become inactive has been a subject of careful study, which seems to prove that the behavior pattern seldom, if ever, varies.

Nature's laws, then, are better obeyed than most of man's.

Reagan's absence in Iowa criticized.

### Golden Spread Board Met

Golden Spread Center board met at the Center on Monday, January 14, at 5:00 p.m. The meeting was called to order by the president, Orvil Brummett and led in prayer by the Rev. Edward D. Freeman.

Those present were Bob Boxwell, Colene and Orvil Brummett, Rosa Lee Butt, Mildred Chamberlain, Pete Fisher, Ed Freeman, Frances Loftin, Marsha Murphy, Addie Novak, Pearl Pierce, and Thelma Scott. Minutes of the December 10, 1979 meeting were read and approved. The treasurer's report was accepted.

It was decided to have another Radiothon in April. It was pointed out to the budget committee that a budget needed to be prepared for the annual meeting in April.

It was decided to hold the annual meeting separate from the radiothon. The house committee was instructed to investigate why the monthly electric bills are so high.

The activity committee reported that Golden Spread Club members were already at work on making things for the annual bazaar in connection with Hansford Days.

Current bills were read and approved. The transportation committee reported that a trip to the French McCormick Dinner Theater in Amarillo is scheduled for Friday, January 18.

It was reported that CETA had cut Edna Hays working to four hours, and Darla Moyer to two hours.

Insurance coverage was discussed and it was decided to increase the coverage on the building and contents.

The nominating committee was instructed to come up with a slate of nominees by next month's board meeting. It was moved to increase Pearl Pierce's salary by 15% in 1980.

The meeting adjourned at 6:04 p.m.

### Golden Spread Center News

Arts and Crafts people will be working on saleable items for the Golden Spread Center's annual bazaar in connection with Hansford Days, Thursday, January 17, from 10:00 a.m. until you have to go home. There will be a break at noon for a covered-dish luncheon.

Table games will be played on Friday, January 18 from 2:00 until 5:00 p.m.

Fifteen lucky people will be leaving the Golden Spread Center on Friday, January 18 at 4:00 p.m. to go to Amarillo to the dinner theatre.

There is a covered dish dinner and an evening of table games on Tuesday, January 22 at 6:30 p.m. The Women's Division of the Chamber of Commerce are the hosts club. Member hostesses are Susan Delk, Ollie Ryan, and Ruth Shaver.

Nina Hendricks will be driving the Golden Spread Center's van-bus on Wednesday, January 23, from 9:00 a.m. to 12:00

noon picking up the sixty plus bunch to go shopping, on errands, and to meet appointments. People needing transportation should call the Golden Spread Center (3521) on Tuesday, January 22 and get your name on the list.

Through the years, the Golden Spread Center has produced a philosophy that has become its basic foundation, an atmosphere that recognizes the value of human life. No junk has gone into the Golden Spread Center but only that which is beautiful, of quality, and practical. It affirms the older adult with dignity and self-worth as continuing to make a valuable contribution to the social process of the Spearman community. Such an atmosphere demands the reaffirmation of creative potential, power of decision making, the skills of coping and defending, and the warmth of caring, sharing, giving, and supporting not only the individual but also to the broader community.

Golden Spread Center is located at 14 S. Haney and is open Monday through Friday from 8:00 a.m. to 6:00 p.m. It is open to everyone fifty-five years of age or older without discrimination as to sex, color, race, ethnic background, national origin, religion, church membership, denominational preference, political party, or handicap.

### Dictionary. Please

By the way, can you place your hand on your sternum? The odds are 50 to 1 you're wrong. Look it up.

-Tribune, Chicago.

### Rotary Club News

Girls' basket ball coach, Ralph Newton, spoke to the Spearman Rotary Club Monday noon in the Garden Room of the Cattleman's Restaurant, on the subject of "Motivation."

Mr. Newton said that there are four hurdles we all face in life. It is important to recognize them each day. In Spearman high school the faculty have to motivate students to seek happiness in life. It is important to know what success is and what failure is. They try to teach students that they can all be great—not just great basketball players—but great people.

He went on to point out that all great movements and all great revolutions in history started with about a dozen people.

In the race of life, each must try to reach the top. The Rev. Richards, decathlon champion in the Rome Olympics, said that we should reach for the top because there is a lot more room at the top.

The first hurdle we must face is "I can't." This needs to be conquered at the very beginning.

The second hurdle is being afraid to fail. Success comes after failure.

The third hurdle is our handicaps.

The fourth hurdle is self. Why is it that people only use about fourteen per cent of what we have?

In an experiment, before a race, one group of athletes relaxed with music. The other group during the same time

said, "I am not tired" over and over again. In the race, this second group used up twice as much blood sugar as the other group.

In World War II, it took a top notch German officer to guard forty American prisoners. There were many successful prison escapes.

In the Korean conflict, one guard was all that was needed for 200 prisoners and not one successful escape. There were many deaths among prisoners. The difference between the World War II prisoners and the Korean conflict prisoners was motivation. World War II prisoners believed they could stay alive and even escape. Korean conflict prisoners didn't believe they could live through it.

Success comes after failure. Babe Ruth was the worst batter and had more strikeouts than anyone else, but he went on through his failure to become a batting champion and to hold the homerun crown longer than any other baseball player.

Coach Newton said that he grew up as no. 7 in a family of eight children of a tenant farmer. Someone early in his life was planted the idea, "I can't afford to fail in life." Things work together. We have to go on. We need to refuse to fail.

All of us have handicaps. Excuses are like eyeballs, we have two of them. We are all retarded to some extent. But we can always find someone who has it much worse than we have.

Tommy Wilson was only 5'4" but he was the only person in New Jersey to win twelve letters in athletic competition in high school.

Dicky Byran was blinded by an accident at age 11. At age 17, he became the state wrestling champion in his weight class.

Ludwig Beethoven, early in his career, became totally deaf and could never hear his compositions performed, but he became the greatest composer of music that the world has ever known.

Kay Vandever bowled a 300 game in a championship final. On the way she was in a car accident that resulted in the amputation of her right hand, her bowling hand. She was in a coma for seven months. Two years later she won the national championship in Minneapolis and bowled a 295 with her left hand.

Self-knowledge is important. Shakespeare throughout his writings says, "Know thyself." On a stadium in Rome is inscribed the words of the philosopher Socrates, "Know Thyself." It is sometimes hard to tell when we really know ourselves.

Charles Schwab was the president of U.S. Steel. He died a pauper at state expense.

Getting the gold medal is not winning the race of life. One Olympic gold medal winner committed suicide by slashing his wrists six months later.

There are both good people and bad people running the game of life. The good have to win. We can't allow people like Adolf Hitler to win. Paul, the apostle, said in I Corinthians 9:24, "Do you not know that those who run in a race all run, but only one receives the prize? Run in such a way that you may win."

The goals of peace, love, and

happiness can only be achieved if we have conquered these four hurdles.

Guests at Rotary were Dr. Bill Baker of Spearman and Dr. Bill McClellan of Port Lavaca.

Community singing was led by Ed Freeman. The pledge of allegiance to the U. S. flag was led by Roy Bulls. The prayer of invocation was given by Robert Elliott.

Board of directors meeting was set for Tuesday, January 22 at 7:30 p.m. at the office of president John R. Collard, Jr.

Members present Monday noon were Jim Benson, Eschol Blankenship, J. L. Brock, Kim Brock, Roy Bulls, Durane Castleberry, John R. Collard, Jr., Robert Elliott, Pete Fisher, Ed Freeman, Ed Garner, Kerry Henton, Ronnie Hoover, John Hutchison, Eddy Limbocker, Junior Lusby, Jack McWhirter, David McClellan, Jim Murray, Frank Oglesby, Brice Palmer, Michael Schnell, Jim Shirley, Gary Sims, Jerry Taylor, and Don Wirsdorfer for an attendance percentage of 86.67%.

Members absent were Archie Burress, Len Simpson, Vance Snider and Tim Woodington.

### Keep Your Top Soil

Would you rather keep your top soil 36 years of 2,000 years? This may sound like a foolish question, but many acres of farm land have been destroyed in less than 36 years according to Warren Proctor, District Conservationist for the Soil Conservation Service in Spearman.

Continuous cultivation up and down the hill with row crops and no ground cover can remove up to an inch of top soil every 5 years. At the life span of one farmer, but what will you leave for the next person who will be farming that land?

Anytime soil is disturbed there is soil loss, but with good conservation methods only a few tons of soil will be lost per year.

Conservationists can take known conditions such as soil type, rainfall, steepness of slope, length of slope, cropping system etc. and by use of a Universal Soil Loss Equation figure the approximate soil loss per year on any given farm. This Equation is based on information gathered over the past fifty years by researchers of the United States Department of Agriculture.

Terraces if needed, contour farming if land is terraced, proper management of crop residues to maintain ground cover, and minimum or no tillage farming are all conservation farming methods. These conservation operations can help add humus to soil, reduce erosion by wind and water, add plant food to the soil, and increase bacterial action, add to the water holding capacity of the soil, make the land easier to farm and more highly productive.

When soil erodes the soil that blows or washes away pollutes the air or streams below so when you create erosion by poor farming methods you are causing pollution of air and water.

We can help you figure the soil losses on your farm and if they are too great we may be able to suggest alternative treatments to improve your operations.

If you need assistance come and visit us in the Soil Conservation Office in the Pittman-Shieldknight Building or call 659-2330.

FBI prepares for Olympic terrorism.

### WHO KNOWS?

1. Who was Clara Barton?
2. When was Hawaii discovered?
3. What was Hawaii's original name?
4. Is snow considered precipitation?
5. How many inches of snow equals one inch of rain?
6. Name the first President of all 50 U.S. states.
7. When did North Korea seize the U.S. Pueblo?
8. Where is Pike's Peak located?
9. Where is Dartmouth College located?
10. Where was President Woodrow Wilson born?

### Answers To Who Knows

1. U.S. Civil War nurse.
2. Jan. 15, 1778.
3. Sandwich Islands.
4. Yes, precipitation includes all forms of water.
5. Approximately 10.6 inches.
6. Dwight Eisenhower.
7. January 23, 1968.
8. Colorado.
9. Hanover, N.H.
10. Staunton, Virginia.

### SMILES

**A "Human" Bird**  
The hunter's bird dog came to a point looking straight at a stranger. The hunter looked all around, but couldn't see a single bird. Finally, he said to the stranger: "That's odd. My dog never did that before."  
"Perhaps I can explain," said the stranger. "My name is Partridge."

**Lacking**  
"Any physical defects?" asked the draft doctor.  
"Yes," replied the inductee. "no guts!"  
**Discretion**  
"Whatcha running so fast for?"  
"To stop a flight!"  
"Who's fightn'?"  
"Me and another guy!"

THE SIGN OF YOUR SPECIALIST IN SPORTS

A large crowd was on hand to enjoy a fine evening of entertainment and good eating at the county barn Monday night, compliments of the local John Deere dealer. A 40 minute movie, prizes, and excellent charcoaled hamburgers were all on the evenings entertainment menu!

3 towns were represented at the big John Deere hamburger feed here last night! On the left, W. L. Maupin of Gruver won a John Deere Welder as first prize at the John Deere drawing, D. W. Duniho of Waka won a ski sweater, and Mike Schnell won a tool box!

**Census Manager Named**

Mr. William E. Soule has been named Manager of the temporary 1980 census district office in Amarillo. The announcement of Mr. Soule's appointment was made today by Mr. Percy R. Millard, Director of the U.S. Bureau of the Census Regional Office in Dallas.

The Amarillo census office, to be located in Bldg. 7205, T.S.T. I. Campus, 7205 Avenue B, will employ approximately 400 temporary workers at the peak of census operations next spring. Hiring for most of these jobs will begin early in 1980. The temporary Amarillo office will remain open until census operations are completed, expected to be sometime during the summer of 1980.

The 1980 census will be taken largely by the mail-out, mail-back method. On Friday, March 28, 1980, the Postal Service will deliver a census questionnaire to each U.S. Household. Residents will be asked to complete the questionnaire and return it four days later, on Tuesday, April 1--Census Day--in a postage free envelope. The questionnaires will be returned to the temporary census office where they will be checked and processed by census workers. If questionnaires are not mailed back, census takers will make household visits to get the required information.

Mr. Soule is one of 21 census district office managers to be named in Texas and one of 409 to be selected throughout the nation.

The Amarillo census district office will be responsible for counting all persons and housing units in the following counties:

Armstrong	Hartley
Briscoe	Hemphill
Carson	Hutchinson
Castro	Lipscomb
Childress	Moore
Collingsworth	Ochiltree
Dallam	Oldham
Deaf Smith	Parmer
Donley	Potter
Gray	Randall
Hall	Roberts
Hansford	Sherman
Herdman	Swisher
	Wheeler
