## School Board Meeting

Spearman Independent School trustees met Feb. 18, 1980 at the school. Minutes of the last meeting were approved along with the business managers report. The board approved contracts for principals. They accepted insurance on buildings and considered refinishing of the tennis courts. They also prepared and ordered the trustee election for April 5. Terms for Paul Hazelwood, R.C. Porter and Clark Mires expire. The meeting was closed to discuss recommendations of principals and athletic director. Teachers Terry Schneider and Dwayne Mitchell were present for the meeting.

## Consumers Sales Sets Stockholders Meet

Consumers Sales Company of Spearman will hold their 52nd Annual Stockholders Meeting on February 21 at 7:30 p.m. at the County Ag Barn in Spearman. The meal will be catered by Sutphens of Borger with the meeting being held after the meal. All members and their wives are urged to attend. Purpose of the meeting is to hear the report of business to date: and to elect two members

to the Board of Directors for a 3 year term. Terms will expire for Mike Garnett and John Trindle. Present board members are Mike Garnett, Ray Phelps, John Trindle, Larry Holt and C.J. Renner.

## Lynxettes win bi-dist. game 43-38

The Spearman Lynxettes won the bi-district game over Childress at the Amarillo Civic center Tuesday night, 43-38. It was a very tough ball game for the Lynxettes, as the swift Childress cats continually defended the taller Lynxettes. But, it was the size of the Lynxettes that finally won the game for the local girls, who have been to the regional so many times, we can hardly remember when they didn't make the play offs.

Childress came to play, and actually lead the Lynx the entire first half, leading by 2 points at halftime.

The game was in doubt until the final 2 minutes, when it was tied, and Spearman hit 2 of their free throws. The Lynxettes had a miserable time at the free throw line, making only 3 tosses!

Possibly the star of the evening, was Wilson, as she continually hit her floor shots and pulled down rebound after rebound.

The Lynxettes will meet Fabens at 9 p. m. Friday night, in the coliseum, Lubbock, Texas. The complete bracket is in this paper, compliments of Lusby Cats, and many fans plan to go down earlier Friday and take in the two-day tournament.

The Lynxettes will leave for Lubbock Friday morning, and will stay at the LaQuinta Inn in Lubbock.

BULLETIN; Ed Garner, Ray Ingle and Ralph Blodgett have filed for city offices. Mayor Ralph Blodgett is the incumbent Mayor, and the other two are new.

THURSDAY, FEBRUARY 21, 1980

PRE GAME warm up for the Lynxettes was held earlier Tuesday evening at the civic center in Amarillo. The Lynxettes won the game over Childress and will play in the regional Friday night. The Lynxettes only made 3 free shots Tues!

IT WAS HALF TIME at the civic center in Amarillo, and Coach Newton was discussing the game with his bi-district champion Lynxettes.

## Boxing Tourney Friday

The Spearman-Gruver Boxing Club will be having a Boxing Tourney at the YMCA Friday, February 22. Boys from Spearman and Gruver will be competing with teams from other Panhandle communities.

Coaches of the boxing club are D.A. Cator, Mike Babbs, Larry Bradford, Ray Thomas and Eugene Yarbrough.

## Playoff set

The playoff game between the Wildcats of Canadian and the Perryton Rangers will be held at 7:30 p.m. Friday, February 22, at Spearman. To the victor will go the overall district championship and the right to advance into post-season play.

The decision was reached in a meeting held in the school administration building in Perryton Wednesday morning. Joining the head coaches of the two schools were the superintendents, principals and athletic directors. Perryton won the flip of the coin and will be the home team dressed out in white uniforms trimmed in red. Ranger fans will sit on the north side.

With the two-game-a-week limit imposed by the UIL, the Rangers could not possibly have played this week. The Rangers, of course, had the make-up game Monday night with Boys Ranch and then met Spearman Tuesday night in the regular district season finale.

Ranked No. 9 in the state of Texas and currently 23-6 on the season, the Rangers will be hosting Liberal Tuesday night at Ranger gymnasium.

## Eddie Vaughn Rites Held

Graveside services were held at 2 p.m. Monday in Gruver Cemetery for Eddie Vaughn, 62, who died Thursday. The Rev. Tom Fuller, pastor of Gruver United Methodist Church officiated. Arrangements were by Boxwell Brothers Funeral Directors of Spearman.

Mr. Vaughn was a longtime resident of Gruver and moved to Las Cruces, N.M. about a year ago.

Survivors include his wife, Louise; a daughter, Mrs. Edna Beasley of Fairacres, N.M., and a sister, Mrs. Margaret Ross of Dalhart.

LION EVERETT TRACY displays his golden pancake award that the club presented him Tuesday. It was a "do nothing" award, and Tracy was very proud of it!

## City & School Elections Set

The Spearman Independent School Board and the City of Spearman have called elections for April 5.

Members of the school board whose term expire this year are Clark Mires, R.C. Porter and Paul Hazelwood. The terms for school board members are for 3 years.

In the city election, the position of mayor and 2 aldermen Bill Pittman and Brad Beedy expire this year. These are two year terms.

Mayor Blodgett has filed for re-election, and Ed Garner has filed for an alderman position.

Filing deadline is March 5 at 5 p.m. in both elections. Absentee voting in the school election will be conducted at the school business office at the high school March 17 through April 1.

Absentee voting in the city election will be the same time period and is conducted at City Hall.

Voting in both elections on April 5 will be at the Spearman High School.

## 10 Kilometer Race Set

Running enthusiasts will have a chance to compete on March 1 when a 10 kilometer race will be held in Borger.

The race is sponsored by Sports Tally of Spearman and Borger, Borger Coca Cola, Borger Chamber of Commerce and Lone Star Running Club.

There will be a well marked course on paved road. All finishers will receive Tee Shirts. Refreshments will be served after the race.

## Sales Tax Check

The City of Spearman received a check for \$10,248.33 from the State Comptroller's office for the February allocation of the 1% sales tax. This is compared to a check of \$10,746.58 for the same period last year.

1980 payments to date to the city are \$18,502.38 as compared to \$14,941.69 for the same period last year, up 23%.

Pre-registration will be \$4.00, late registration will be \$5.

Plaques will be awarded to the first three finishers in each age group. A trophy will be presented to the overall winner.

Women's age groups are 0-29, and 30 and over. Men's age groups are 0-12, 13-19, 20-29, 30-39, 40-49, and 50 and over.

For more information you may contact Terry Thomas, 1127 Coble, Borger, Tex. 79007, phone 273-5469. There is an entry blank in the Sports Tally ad in this paper.

This may not show that sales were up in the city but more efficient deposit procedures in the agency have resulted in larger rebate checks to cities during the past few months.

The city sales tax is collected by merchants and businesses along with the state's four-percent sales tax and is rebated monthly by the Comptroller's office to cities where it is collected.

## Class of '70

### Plans Reunion

The Class of 1970 is planning a 10 year reunion. It will be August 30-31. Anyone having addresses of the classmates are to contact Marsha Shaver at 659-2780 or Lynna Renner at 659-3587.

Those teachers of the 1970 class that would like to attend the reunion are to contact the same two people.

**Golden Spread Center News**

Golden Spread Center is a beehive of activity every Thursday from 10:00 a.m. to 5:00 p.m. as people come to work on Arts and Crafts for the annual bazaar in connection with Hansford Days. There is a break at noon for a covered dish luncheon.

Table games of all kinds are played on Friday afternoons from 2:00 to 5:00 p.m. at the Golden Spread Center. A great

time is had by all who come.

Progressive Pitch Day is Monday, February 25, from 2:00 to 5:00 p.m. This is for newcomers to the game as well as for veteran pitchers.

There will be an evening of table games on Tuesday, February 26 at 6:30 p.m.

Nina Hendricks will be driving the Golden Spread Center's van-bus on Wednesday, February 27 from 9:00 a.m. to 12:00 noon picking up the sixty plus bunch and taking them shopping, on errands, and to meet appointments. People needing transportation should call the

Golden Spread Center on Tuesday and get your name on the list.

Pearl Pierce is the genial, peppy, full-time director of the Golden Spread Center. She has a wealth of information on all programs of the aging. She is a good counselor.

Edna Hays is Pearl's assistant and the telephone reinsurance worker. If you would like to have someone call you every day and check on you and your needs call 3521 and get your name on the list and Edna will call you every day.

Darla Moyer is the CETA

youth assistant and custodial coordinator lending youth and beauty to the activities of the Golden Spread Center.

Golden Spread Center is located at 14 S. Haney and is a facility provided by the generosity of the good citizens of Spearman and Hansford County. It has games, puzzles, reading material, a color TV, a piano, and a pool table for the use of all people who are fifty-five years of age or older without discrimination as to sex, color, race, ethnic background, national origin, religion, church membership, denominational preference, political party, or handicap.

Golden Spread Center will have its annual Radiothon on Thursday, April 10, to raise the money for its annual payment on its building and for upkeep and repair. You can hear people talk about this every Tuesday at 9:30 a.m. on KRDF.

**Presbyterian Church News**

There is a Sunday Church School class for everyone every Sunday at the First Presbyterian Church with an interesting, well prepared Bible lesson.

"How We Miss The Way" will be the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday, February 24, at 11:00 a.m.

The Session will meet on Wednesday, February 27 at 7:30 p.m.

Presbyterian Men will have their monthly prayer breakfast on Thursday, February 28 at 6:30 a.m.

There is a warm, Christian welcome awaiting you at every service and activity of the First Presbyterian Church.

**James Is Distinguished Student**

William A. James of Spearman has been named a distinguished student at Tarleton State University at Stephenville for the fall semester.

Distinguished students have a GPR of 3.25 to 3.99 with no grade lower than C.

**Our Heritage of Faith... notes from Faith Lutheran Church**

This Wednesday, February 20, is Ash Wednesday. It is the first day of the season of Lent and its name comes from the custom of placing ashes on worshippers' foreheads. The original period of Lent was 40 hours. It was a period of time spent in fasting to commemorate the suffering of Christ. Then it became 30 days, then 36 and finally in the reign of Charlemagne about 800 A. D. it became 40 days, not including Sundays. The term comes from the Old English word for Spring, "lenten". And the practice of wearing sackcloth and ashes is a custom going back to Old Testament times.

These are interesting facts about Lent, but they are not really important. The one important fact in your life is this - that Christ died so that your sins can be forgiven. This is a fact so simple... so familiar... so huge... so wonderful that it is hard to grasp. That is why Christians observe Lent - to set forty days aside to think about Christ's death and what it means in their lives. Lent gives us another chance to think about our sins and what it means that Christ died for them. It gives us another chance to review our lives; another chance to grow in faith and love. Lent is a time to be close to God - closer than you have ever been. It is a time to attend church more regularly, to pray more often, to read the Bible more diligently and to spread the word of God more earnestly.

To help all of us do this we will be having midweek services at 7:30 every Wednesday night for the next few weeks. The theme for these services will be "Up to Jerusalem Where He Must Suffer" and the texts for the sermons will come from the Pilgrim Psalms (Psalms 120-134). The title for this Wednesday's sermon will be "Leaving the Slanderees to God."

In addition to these services we also feel that Lent should be a time of education as it was in the time of the early church. We are therefore offering a class on Sunday evenings at 7:30 on the Lutheran confessions. This class will be led by Jim Berg and it will consist of lecture and discussion.

The Lenten Season is an important time of year especially in the Lutheran Church. We invite you to join as we prepare for the coming of Easter. Our Sunday service is at 9:30 with Sunday School immediately following, and don't forget about our mid-week Lenten services at 7:30 every Wednesday night.

**Girl Scout News**

Girl Scout Troop #42 met Friday, February 15 at the Girl Scout hut. The girls worked on Basket Weaving. Becky Hamilton served refreshments to: Angela Gaither, Shelia Brand, Mary Ann Evans and leader Georgie Gaither.

Their next meeting will be in two weeks on February 29 at the Girl Scout Hut with Shelia Brand serving refreshments.

**Faye's Daze**

I was out of the office Thursday and Friday by the time I got around to writing my column it was too late. The boss says I have to write two this week, to make up for my day off. Well, here goes one anyway.

I was visiting with Postmaster Ray Robertson and learned an interesting fact. All mail that comes in to the post office each day is measured, boxes, city route, rural delivery, etc. I can imagine the clerical work that this takes. All I have to do is keep track of the weight of papers that we mail each month, and that is enough for me, believe me. Ray says that they have so many regulations to follow, that the primary purpose of the post office, to move the mail, seems to get bogged down.

Rev. David Nuckels was in last week and called me a "turkey". I can't imagine why a nice gentleman such as he would call a sweet little old lady like me such a name. Must of been something I wrote about him in a column a week or so ago.

State Champion Lynettes of 1972 will be one of the teams honored at the State Tourney in Austin this year, and I understand that many of those on the team will be present. The team consisted of Linda Ricketts, Rhonda Jones, Kim Boone, Teresa Beck, Sharlyn Schell, Peggy Floyd, Cheryl Evans, Khristi Gressett, Lee Ann Shieldknight, Sheila Patterson, Patricia Schnell, Liz Hohertz, managers Mary Lou DeArmond, and Linda Hamilton and of course Coach Dean Weese.

We got out the 1972 papers and were looking at them, and as many of you will remember the championship game was really something, with the Lynettes trailing until the last few seconds of the game and then pulling out a 50-49 win over Waco Robinson to become the state champions.

The 1979 edition of the Lynettes, ably coached by Ralph Newton have won district, will play bi-district in Amarillo against Childress Tuesday night, and hopefully will be in the regional tourney at Lubbock this weekend.

How about another championship, Lynettes, for your old home town?

Gruver boys really have a good team this year also and they are also district champions. They had a long winning streak of about 20 games before they met defeat. Gruver meets Memphis in their bi-district game.

I am looking forward to this weekend. Our clan will be gathering to attend open house at Morse Saturday, honoring Henry Reid on his 80th birthday. My son and his wife are coming from Irving, my aunt from Fort Worth, and many others will show up I am sure to help make this a memorable occasion for Henry.

Henry has been an anchor for our family for many years and for me as well. Whenever I need help in any form I can always count on him.

Be sure and go by and wish him a happy birthday Saturday afternoon.

**BEST C.A.F.E.**

Ford has the best Corporate Average Fuel Economy of any major U.S. car maker. C.A.F.E. is the government's measure of auto companies' progress in gas mileage each year. It is an average using the EPA rating system and projected 1980 total model year car sales mix as submitted to the U.S. government in December, 1979.

Only Ford among the major U.S. companies ranks first on this basis. Remember, C.A.F.E. is an average, so consult EPA ratings for individual car's mileage.

\*1980 EPA ratings for comparison. Your mileage may differ depending on speed, distance and weather. Actual highway mileage will probably be lower.

### Engagement Announced

Mr. and Mrs. George Enck of Mansfield, Ohio are announcing the approaching marriage of their daughter, Cathy Ann to Dwayne L. Booth of Spearman. A March 22nd wedding is being planned at Steam Corners United Methodist Church in Lexington, Ohio.  
 The bride-elect is a graduate of Madison High School of Mansfield, Ohio.  
 The prospective bride-groom is a 1975 graduate of Spearman High School and is employed by Hergert Pontiac of Spearman.

### History Book News

Ms. Judy Cotton of Lubbock, a representative of the Taylor Publishing Company visited with the Field Representative on the Hansford Co. 1876-1979 History Book. She reported that with a lot of hard work, the book may be published this fall. Our main object at this time is to sell books as the only books printed will be the books that are sold. The reason for the pre-sale is to collect in advance to printing, because: 1) The book becomes more valuable to the owner as a limited edition. 2) We are earning as we go. No funds are on hand for this purpose except those we earn by selling the Book.  
 The Books will be sold for a limited time only during the Pre-Sale for \$35.00 plus 1.75 sales tax. Add 2.25 if you wish your copies mailed. Gift/Certificates are available for upcoming special occasions such as graduation, weddings, anniversaries, Mother's Day, Father's Day and birthdays. You may order your book at the museum or by contacting a Field Representative.  
 The Book Committee will accept Family Stories until May 1, 1980. That means 6 more weeks. After May 1, no

stories will be accepted.  
 If you are interested in a special page or business page please call the museum at 3008 or a field representative. The field representative will try to contact the businesses, but if we miss you please give us a call.  
 We need readers at the museum. If you have time or are available, please call the museum or come by when the museum is opened. If you have any questions we will be glad to help in any way we can.  
 The Area representatives are: Clementene Renner - 659-2335, Johnnie Lee - 654-2328, Helen Boyd - 733-2777, Juanita Pierce - 659-3358, Mrs. Tom Dortch - 733-2729, Melba Rasor - 733-2238, Christine Brandvik - 733-2691, Jenny Blankenship - 733-5028, Fred and Marilyn Grover - 659-2247, Ruth Gumfory - 733-2388, Nell Evans - 733-5057, Ruby Saltme - 659-3312, Mrs. Tom Etter - 659-2651, Jack Oaks - 659-2538, Dixie Tracy - 659-3270, John Hutchison - 659-2258, Ruth Shaver - 659-3474, Lois Shield-knight - 659-3460, Francis Kilgore - 659-2351, Joyce Lackey - 659-2348, Idella Randall - 659-2041, Mrs. Bill J hnsen - 339-7738, Lola Reynolds - 733-2322, Nan McCloy - 733-2548 and Sylvia Robertson - 659-2692.

### IMMEDIATE OPENINGS FOR NAVY, AIR FORCE AND MARINE VETS.

Your local Army Reserve unit has openings for someone with your experience. You'll enjoy a comparable rank, plus pay that's increased almost 20% the last two years. If you were a Petty Officer 3rd Class, a Marine Corporal, or a Senior Airman, you could make \$80 a weekend or more, serving part-time with us. Over \$1,200 a year. **Extension Clubs**

The Serendipity Home Extension Club met Friday, February 15 in the home of Linda Sanders. Linda called the meeting to order and Debbie Benton gave the devotional on "Ten Commandments of Children". The call was then answered with "Something Money Can't Buy". Minutes of the previous meeting were read and approved and the treasurer's report was given.

There was no council report given because the alternate delegate was absent.

The Luncheon for the public was discussed. Kay Loomis reported on the luncheon and the club decided to have it on May 1 at the Home Extension Clubroom from 11:30-1:30. The tickets will sell for \$3.00 for adults, \$1.00 for children 6-12 and children under 6 free. Menu will be decided on later.

Linda Sanders and Gail Smith volunteered to be delegates to the TEHA meeting.

Meeting adjourned.

Mary Baker and Debbie Benton brought everyone's Hawaiian names and the members tried to guess theirs.

Mary and Debbie had just returned from a very exciting and warm trip to Hawaii.

Aloha mainlanders attending were: hostess Linda Sanders, Malia Baker, Kepi Benton, Lei Loomis, Laila Smith, Lanaka Winegarner, and those absent Kalena Archer, Kaki Gafford, Kukana Poole.

The next meeting will be March 7 in the home of Debbie Benton.

**Bridge Clubs**

The Blue Monday Bridge Club met Monday, February 18 in the home of Mrs. Bill Seitz. Those present were Mmes: Pope Gibner, Gwenfred Lackey, F.J. Daily, Sam Graves, Deta Blodgett, Vester Hill and guest, Mrs. Leonard Jameson.

High was won by Mrs. Jameson and second high by Mrs. Lackey.

The next meeting will be Monday, March 3 in the home of Mrs. Deta Blodgett.

During the Ice Age, the Sahara Desert was a rich grassland and hunting ground for prehistoric men.

**Quilting Classes Planned**

Beginning quilting classes are scheduled to begin at Kaleidoscope Feb. 26. This will be once a week for 4 weeks and classes will be held from 9:30 to 11:30 a.m. and from 7 to 9 p.m. Cost of the course will be \$30.00 which will include materials to make a pillow top.

Marilyn Cline will be teaching the class. Anyone wishing more information may call her or the Kaleidoscope at 2080 or drop by the Kaleidoscope to register.

**Artist Of The Month**

The Hansford County Library Artist of the Month for February is Bob Lile of Booker. Bob works in acrylics, has studied art under Dord Fitz for 12 years, and considers himself a "colorist". The paintings on display at the library range from realistic to abstract. They are all very interesting, unique, and original works of art.

Bob and his father have the Jesse Lile Ford dealership in Booker.

**Historical Committee Meet Held**

The Hansford County Historical Committee, Inc. met at the Library, Thursday, February 14. Special guest at the meeting was Mrs. Judy Cotton. She gave a complete review on the forthcoming Hansford History Book which will be appearing in the paper in another article.

After Mrs. Cotton's report, the regular meeting was opened by President Fred Groves. Minutes of the previous meeting were read by Juanita Pierce. Clementene Renner gave the treasurer's report. Both of these were approved as read.

With the Spearman Celebration already being planned, the Commission will again sponsor the Old Timers Reunion. The Reunion had a very good turnout last year with approximately 60-70 Old Timers registering.

Plans were made for having the old cars back for the celebration again this year. There were about 32 persons coming with 13 old cars last year. An even bigger turnout is expected this year. Mrs. Boyd who is a member of an Antique Car Association will mail out the invitations soon.

There will be a Historical marker placed at the Oslo Community. Fred Groves gave a report on the research done on Oslo. The Norwegian Society of Texas is helping also to obtain the marker. Historical markers are very expensive and the community would welcome any donations. If you would like to contribute to the Historical marker, send donations to the Norwegian Society of Texas c/o W. A. Sorenson, 837/Evergreen Hillon Kesser Canyon, Dallas, Texas, 75209 or Mrs. Bill Johnson, Gruver, Texas 79040.

The Texas Historical Foundation is having their Silver Anniversary. They are soliciting memberships. Any interested person may get forms for membership at the Station Masters House Museum at 30 Townsend.

A short discussion was held on landscaping, but it was tabled until the next meeting.

Meeting adjourned.

Those attending were: Melba Rasor, Dixie Tracy, Clementene Renner, Ruby Saltness, Fred Groves, Roy L. McClellan, Helen Boyd, Helen Etter, Juanita Pierce, Johnny Lee and special guest Judy Cotton.

**Library Board Meets**

The Hansford County Library Board met Monday afternoon, February 11 in regular session at 3:30 p.m., with the following members present: James Cunningham, J. L. Brock and Mmes: Mary Alice Gibner, J.R. Stump, R. E. Lee, John Trindle, Marsha Murphy, G.R. Kilgore, and librarian Mrs. Terry Curtis.

Minutes of the previous meeting were read and approved and the treasurer's report was presented and discussed.

The librarian reported a circulation of 2,584 books for the month of January with 1938 of these being adult books and 646 children books. Sixteen new cards were issued and 97 new books were processed.

The following officers were elected for the 1980-81 year by acclamation: Chairman-James Cunningham, Vice Chairman-Mary Alice Gibner, Treasurer-J. L. Brock and Secretary-Mrs. Kilgore.

The meeting adjourned.

### Peggy's Pointers

Cut credit-card costs and maximize spending power by managing credit-card use in three specific ways. Efficient credit-card use depends on payment methods, date of purchases and number of different cards used.

**PAYMENT METHODS**

When possible, always pay the full amount due rather than the minimum -- this will mean no finance charges added to the bill.

Also, extend credit by waiting to pay a bill until just before the due date -- but be sure to allow enough time for the post office to deliver the payment and for the company to process it.

Generally, consumers have 20-30 days after the closing date to pay a bill.

#### DATE OF PURCHASES

Plan purchases according to the closing date on an account.

Make purchases just after the closing date to extend the time between purchases and payment.

Also, if it will be a "must" to pay a finance charge computed under the average-daily-balance method, try to plan purchases to lessen the number of days any purchase is on account.

#### NUMBER OF CARDS

Lumping purchases onto one card can save money on postage and make record keeping easier.

Also, if a card holder has a higher credit limit on one account -- for example, \$800 -- it is more economical to charge all purchases on that account.

Since most credit cards have a breakpoint of \$500 at which interest become lower, any amount over the \$500 would be charged a lower rate of interest than if a total \$800 worth of purchases were spread among several cards.

Some oak trees are 1,000 years old!

### TWENTIETH CENTURY CLUB

Met February 14, 1980 at 2:30 p.m. in the home of Mrs. Tommy Russell with Mrs. C.U. Pope serving as hostess.

The meeting was opened by the President, Mrs. Tommy Russell and the Collect was led by Mrs. O.C. Holt. Mrs. Coy Palmer presented a program entitled "Take a Journey of Love" which offered suggestions for expressing love during the six weeks of Lent.

Mrs. Ed Freeman gave each member a Sunbonnet-Apron pattern and explained how each step in construction is part of a pattern for living.

The minutes were read and the Treasurer's report given. Mrs. Woodville Jarvis stated that all reports had come in and were sent to the appropriate department heads. Mrs. John Trindle and Mrs. J.R. Stump gave the Library report. The Artist of the Month is Bob Lyle of Booker.

Members were reminded of our club responsibilities for the Texas Federation of Women's Clubs to be held April 24-26, 1980 at the Hilton Inn in Amarillo. The Top of Texas District Convention will be held March 21-22, 1980 at the Villa Inn in Amarillo.

Refreshments were served to members present. Mmes: C.U. Pope, Coy Palmer, Woodville Jarvis, Harold Shaver, P.A. Lyon, John Trindle, C.A. Kleeberger, Ed Freeman, O.C. Holt, J.R. Stump, Russell Pogue, K.C. Loftin, Tommy Russell and Cecil Biggers.

The next meeting will be February 28, 1980, 2:30 p.m. in the home of Mrs. Russell Pogue. Special guest will be Nelle Patterson.

### Arts & Crafts Guild News

The Arts and Craft Guild met Friday, February 15 in the home of Mrs. Fred Hoskins. Those attending were Mmes: P.A. Lyon, St., Guy Fuller, C.A. Gibner, Pope Gibner, and Ned Turner.

The next meeting will be Friday, February 22 in the home of Mrs. C.A. Gibner.

### Rotary Club News

"People", the second in a series of films on the Free Enterprise System, was shown to the Spearman Rotary club on Monday noon, February 18 in the Garden Room of the Cattleman's Restaurant. The film depicted the people who came and populated this country from colonial days to the present. Immigrants who started with a dream that they brought from the old country and by hard work achieved because they were doers. They also brought skills learned in the old country. Many made it in this country. More just worked.

The one room schoolhouses are symbols of our belief in education.

In modern times we have become more and more dependent upon services. Sixty percent of people in the United States today are employed in service industries.

We are a fast-loving, novelty-loving people. 215 million people in the United States have 350 million credit cards.

Work used to be done by backs and arms. Today most of it is done by machines. People now are employed in using their brains, one-third are employed in white collar jobs. We are a nation of compulsive workers. Speed reading is a symbol of our age and nation. We are restless. We job hop. One-third of us move every year.

There are ten million kids in college today. This is still an unfinished country and we continue to move on.

Community singing was led

by Jack McWhirter. Ronnie Hoover led the club in the salute to the United States flag. Robert Elliott offered the blessing on the food.

Guests were Mike Heading of Dalhart, a guest of Durane Castleberry, and James Madison of Amarillo, a guest of David McClellan.

Members present were Jim Benson, Eschol Blankenship, Kim Brock, Durane Castleberry, John R. Collard, Jr., Robert Elliott, Pete Fisher, Ed Freeman, Kerry Henton, Ronnie Hoover, John Hutchison, Junior Lusby, David McClellan, Jack McWhirter, Jim Murray, Frank Oglesby, Michael Schnell, Len Simpson, Jerry Taylor and Don Wirsdorfer, for a 66.67 percentage.

Members absent were Bill Baker, J.L. Brock, Roy Bulls, Archie Burress, Ed Garner,

Edwin Limbocker, Brice Palmer, Jim Shirley, Gary Sims and Tim Woodington.

TO: District Winners  
 FROM: James Teague, Tournament Director  
 RE: Region I, Class A and AA Girls Basketball Tournament  
 DATE: February 1, 1980

AS ANNOUNCED FROM STATE HEADQUARTER, THE REGION I BASKETBALL TOURNAMENT FOR GIRLS, BOTH CONFERENCE A AND AA, WILL BE HELD IN THE LUBBOCK MUNICIPAL COLISEUM ON FRIDAY AND SATURDAY, FEBRUARY 22 and 23, 1980.

The respective winners of the bi-district playoffs must be certified to the Region Headquarters for the tournament. This means there will be four (4) teams from each of the conferences eligible for the tournament.

A committee appointed by the tournament co-chairmen has drawn pairings (copy of the bracket enclosed). THIS BRACKET STATES THE DAY AND THE STARTING TIME FOR EACH GAME. Officials for the tournament, referee, umpire, timekeeper, scorer will be appointed by our committee from the best available. The official game ball to be used is the MacGreger X10L.

Prices for each session of the tournament will be \$1.00 (one dollar) for all school students and those identified as employees of the schools, and \$2.00 (two dollars) for all others. There will be no complimentary tickets and all money remaining after expenses will be pro-rated to schools as per interscholastic league rules.

Please make your own arrangements for hotel or motel accommodations.

PLEASE ARRANGE FOR YOUR BI-DISTRICT WINNER TO NOTIFY US IMMEDIATELY FOLLOWING THE GAME. DEADLINE IS FEBRUARY 19, 1980. Telephone (806) 794-3593 or 742-3351 for JAMES TEAGUE, DIRECTOR.

### Public Schools Week March 3-7

AUSTIN-The Texas State Teachers Association is joining with other education-related organizations and local Masonic bodies throughout the state in urging teachers, students, and the general public to participate together in the 30th annual observance of Texas Public Schools Week, March 3 through 7.

TSTA President Cecile Russell of Amarillo is calling on local associations and members to participate in the statewide observance in this 126th year of free public school education in Texas. TSTA is approaching its own 100th birthday anniversary, having been established at Mexia on June 29, 1880.

Gov. Bill Clements on February 1 signed a proclamation designating March 3-7 as Texas Public Schools Week and urging citizens to participate in local observances of the special week. The State Board of Education recently issued a similar resolution. The board has cooperated with Texas Masons in

tions who make some effort to promote beef and protect the interests of cattlemen as best they can. But no single group now in existence has enough money to do the job that needs to be done. The Beef Board, created by passage of the Beeferendum, will have enough money to expand foreign markets, promote the nutritional value of beef, combat beef substitutes, fight anti-beef propaganda and counter the extreme highs and lows in the cattle cycle. The Beef Board will be made up of cattlemen, and they'll have the kind of power it takes to meet the opposition head-on.

Whether you think the Beeferendum is government or not doesn't really matter. The important thing is to recognize that cattlemen don't have enough force now to influence factors that affect them. It's important that they take advantage of this opportunity to put some power behind their punch. If the Beeferendum fails, cattlemen will have to admit that they were too scared of power to grab hold of some when it was offered to them.

classroom displays, and special exhibits of student work.

Mrs. Russell said she hopes that parents and other school patrons will take this special opportunity to see first-hand the accomplishments of Texas schools, students, and teachers.

schools. Theme of the special week is "Texas Public Schools: Democracy in Action." Many school buildings will participate with open houses,

### 1972 Lynxettes To Be Honored At State Tourney

The 1972 state champion Lynxettes will be honored at the state tourney in Austin Feb. 28, 29 and March 1 this year.

Members of the team that year were Linda Ricketts, Rhonda Jones, Kim Boone, Teresa Beck, Sharalyn Schell, Peggy Floyd, Cheryl Evans, Khristi Gressett, Lee Ann Shieldknight, Sheila Patterson, Patricia Schnell, Liz Hohertz and manager Mary Lou DeArmond and Linda Hamilton.

Coach of the team was Dean Weese. Spearman Lynxettes were state champions in AA in 1966, 71, 72 and 77.

### Passage of Beeferendum To Help Cattlemen

There's been a lot of talk about the Beeferendum being a government program that cattlemen should turn down. Fact is, cattlemen had better recognize the realities of government and its involvement with agriculture and quite being naive.

Like it or not, the U.S. Federal Government now sets meat import quotas, inspects your product, regularates the use of animal pharmaceuticals and even taxes you for income you

make on the cattle you produce. Cattlemen and the beef industry are already caught up in the government tangle.

Passage of the Beeferendum would at least give cattlemen some clout as they bump heads with government-funded consumer groups, government-funded anti-beef nutrition groups, and others who threaten our industry.

Yes, there are some individual farm and ranch organiza-

# National FFA Week

THE SPEARMAN AND GRUVER

FFA Chapter join with nearly 495,000 other FFA members in the United States in celebrating National FFA WEEK WHICH STARTS February 16. The theme for FFA WEEK is Preparing for Progress.

The traditions of FFA have held strong and produced a mighty work force for food and fiber to meet the needs of our nation and the world. Successful agricultural leaders of today are the testimony. Vocation agricultural education is an American success story of Learning By Doing.

National FFA WEEK always includes George Washington's birthday in observance of his leadership in promoting scientific farming practices. Washington is considered the patron saint of the FFA and has come to symbolize the FFA Treasurer and The National FFA Center is located near historic Mount Vernon, in Virginia, on 37 acres which once was part of Washington's estate.

Organized in 1928, the FFA promotes leadership, cooperation and citizenship among high school vocational agriculture students. Vocational agriculture education in high school prepares students for careers in agricultural production, marketing, processing and service.

## Applications accepted for art festival

Applications are now being accepted for the 1980 Running Water Draw Arts and Crafts Festival. The show is set for October 17-19. Jointly sponsored by the Plainview Rotary Club and Llano Estacado Museum, the juried festival is in its sixth year. All proceeds benefit these two organizations.

Any artist or craftsman interested in applying for a booth may contact Rob Strong, Wayland College, Plainview, Texas 79072 for application forms and requirements.

Although regularly scheduled airmail service officially started in the United States on May 15, 1918, the first letter to travel by air in this country was one written by President George Washington. A Frenchman, Jean-Pierre Blanchard, carried it in a balloon from Philadelphia to a small clearing in the New Jersey woods 15 miles away. The date: Jan. 9, 1783. Most First-Class Mail goes by jet today -- so jet your letters during National Letter Writing Week, Feb. 24-Mar. 1.

Some of the world's first letters were not written; they were committed to memory by the runners of King Sargon of Chaldea 3,000 years B.C. Herodotus immortalized these runners in the fifth century B.C. with these words: "Neither snow, nor rain, nor heat nor gloom of night stays these couriers from the swift completion of their appointed rounds." Don't commit your words to memory; put them into a letter. It endures. National Letter Writing Week, Feb. 24-Mar. 1.

Kaliedoscope, the new fabric store for Spearman, held its grand opening last Friday and Saturday. The grand opening was well attended despite the bad weather. Prize winners on Friday were O.A. Scroggs winning a \$50.00 gift certificate; Mrs. Clay Gibner, a blanket; and Mrs. Glen

Hiller, a Spin-'n'-sew. Saturday's winners were Maxine Little, \$50.00 gift certificate; Frances Hudson, marks scissors; and Martha Latham, a Spin-'n'-sew. Mrs. John Allen and Mrs. Harvey Whitefield won thread beds.

## plant 'em both

### 3184

This hybrid's record for consistency has made it one of the most popular hybrids on the High Plains. In 77 comparisons over the last four years against competitive hybrids, 3184 has shown an average yield of 183.7 bu./A. with a yield advantage of 14.3 bu./A. over competitors. Bred with outstanding drought tolerance, 3184 can adjust ear size and kernel depth to match growing conditions. And strong stalks keep 3184 standing straight for speedy harvest. It's just what High Plains farmers need in a dependable, high-yielding corn hybrid. And its maturity makes it a good companion for 3183.

### 3183

Push this one for highest yields! In 43 comparisons on the High Plains in 1979, this hybrid averaged 192.1 bu./A. A sampling of yields from 1979 includes 216 bu./A. for Sheldon Rapp at Hooker, Oklahoma... 210.4 bu./A. for Larry Kemp of Muleshoe... and 196.7 bu./A. for Doyle Underwood at Dimmitt, Texas. 3183 has demonstrated very good standability and ear retention in this area. Excellent drought tolerance helps 3183 maintain outstanding consistency year after year. And it has been especially impressive on gray soils. Plant 3183 along with 3184. Spread genetic risks and get top performance, too.

### LIFESAVER.

"Whether you're lost in a strange neighborhood, or just going to be late for dinner, a telephone booth is a welcome sight. That's why it's important that we keep them in working order. In my job, I do more than collect the change from the coin box. I also make sure that the instrument is working correctly. If it needs minor repairs I do them on the spot. That way, we make sure that you get a working phone when you need it. That's one reason I'm proud to be one of the people General Telephone is talking about when they say 'We keep you talking.'"

## Spearman ISD Receives Energy Grant

Grants totaling \$1,086,574 have been awarded to 41 recipients in Texas under the U.S. Department of Energy's "Grant Program for Schools and Hospitals" it was announced Feb. 15 by G. Dan Rambo of Dallas, Regional Representative for DOE.

Under the program authorized by Title III of the National Energy Conservation Policy Act of 1977, DOE is making grants to eligible institutions that have applied in accordance with a state-wide plan developed by the Texas Energy and Natural Resources Advisory Council.

The grants are awarded for technical assistance in identifying and analyzing the effectiveness and payback periods of various measures to reduce energy consumption in each grantee's facilities.

In each grant the DOE provides 50 percent of the total project cost and the recipient provides the other 50 percent as matching funds.

Spearman High School received a grant in the amount of \$3,231.00 and Spearman Elementary grant is \$3,971.00.

## Beware of "Buying" Brucellosis

Cattlemen rebuilding their herds should be careful not to "buy" brucellosis or Bang's disease, cautions Layton Barton, County Agent with the Texas Agricultural Extension Service, Texas A & M University System. This contagious reproductive disease is most often spread when newly purchased cattle are added to a breeding herd.

Brucellosis reduces calf crops and milk yields and causes breeding problems.

While the overall infection rate of U.S. cattle is quite low, the economic importance to individual cattlemen and market area restrictions are significant, notes Barton. The disease is most prevalent in Florida, Louisiana, Texas, Mississippi, Arkansas, Alabama, Oklahoma, Kentucky and Tennessee.

When cattle are sold in higher risk areas, the law requires that they be tested for brucellosis. Reactor cattle must be branded with the letter "B" and sent directly to slaughter. The owner receives the slaughter price and also may qualify for an indemnity payment. However, these compensations can amount to something far less than market value before the herd became infected.

According to Barton, government control efforts include periodic testing of milk samples from dairy herds and testing of blood samples from certain animals sold or in marketing channels. Reactors are traced to herd or origin, and all animals in these herds are tested. If brucellosis is confirmed, the herd is quarantined and periodically retested until disease-free. For the owner of a herd under prolonged quarantine, marketing restrictions and repeated gathering of cattle for testing can be quite expensive.

Barton advises buyers to double check health records to be sure the animals they are purchasing have actually been tested. Most importantly, buyers should be aware that ONE NEGATIVE TEST IS NOT ENOUGH TO PROVE AN ANIMAL IS BRUCELLOSIS FREE. It takes three weeks to three months, sometimes longer, for an exposed animal to develop a positive blood test reaction. Longer incubation periods occur when a cow is exposed to infection just before or shortly after breeding.

Barton suggests a few rules for cattlemen buying replacement animals: buy cattle from low-infection areas; buy from sellers who have a reputation for selling brucellosis-free cattle; buy only animals that were calfhood vaccinated as shown by ear tags, tattoos and health records; buy from herds that haven't added animals within the past 12 months; and isolate newly purchased animals for 45 to 120 days for observation and retest for brucellosis before mixing them with the rest of the breeding herd.

## Rotary Club Holds Sweetheart Dinner

Spearman Rotary Club entertained their Rotary Anns in a Sweetheart Dinner and a celebration of Rotary's diamond jubilee on Friday, February 15 at 7:00 p.m. in the Fellowship Hall of the First United Methodist Church. The dinner was served by the United Methodist Women. Decorations were made by Eschol and Eulala Blankenship.

John R. Collard, Jr. presided. Community singing was led by Ed Freeman, accompanied by Carrie Marie Berry. The salute to the United States flag was led by Ed Garner. Michael Schnell offered the blessing on the food.

Rotarians and their Rotary Anns in attendance were Eschol and Eulala Blankenship, Roy and Charlene Bulls, John R. and Marjorie Collard, Robert and Cleanene Elliott, Ed and Betty Freeman, Ed and Alva Garner, John and Jo Linda Hutchison, David and Ginger McClellan, Frank and Helen Oglesby, Michael and Dana Schnell, Jim and Verna Lee Shirley, Gary and Ramona Sims, Jerry and Dee Taylor, and Don and Faye Wirsdorfer. District governor-elect Wayne and Anne Sturdivant of Amarillo. Mr. J.R. Collard, Sr., Mrs. Townsend, and Mrs. Carolyn Long.

Special music was furnished by the New Dawn Singers of Frank Phillips College in Borger including Randy Rodriguez, Phillips; Mark McClellan, Phillips; Joe and Lynne Wyatt of Borger; Mikeal W. Long, Bartlesville, Ok.; Brett R. DeMoss, Borger; Lynda Proctor, Beaver, Ok.; Cheryl Moberly, Beaver, Ok.; Jeri Albright, Tyrone, Ok.; Day Cabenz, Lefours, Tx.; Gane Shepherd, Channing, Tx.

Their numbers included "I'm Going to Rise Up Singing", "Happy Heart" in which the girls all made love to John R. Collard, Jr., a solo by Lynda Proctor, "Through the Eyes of Love", the theme of "Ice Castles", a medley from the fifties, "Golden Age of Rock and Roll", "The Old Soft Shoe", and for an encore Randy Root sang, "Because You Take

My Breath Away".

Wayne Sturdivant announced that the theme for his year as Rotary Governor, which begins July 1, will be "The Rotary High Way". He said that it was his desire to assist Rotarians on the Rotary High Way. He felt that Rotarians should be proud of what they have accomplished.

Paul Harris, a lonely businessman in Chicago, got the idea and established the first Rotary Club on February 23, 1905. The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First, The development of acquaintance as an opportunity for service;
- Second, High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;
- Third, The application of the ideal of service by every Rotarian to his personal, business, and community life;
- Fourth, The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.

Rotary is an organization of business and professional men who build. It has been organized world wide for humanitarian purposes. In our own district we have Camp RTLA (Rotary Youth Leadership Award) to train young men from each of our communities in the district for Free Enterprise and for Leadership in our communities. We have Rotary Foundation which does a lot of good as it reaches out and trains young people in an educational exchange program. Rotary has its 3-H program (Health, Humanity, and Hunger); which initiates programs of alleviation of these needs world-wide. Rotary is building good will and peace throughout the free world.

## Lynxettes chill Childress, 43-38

By TOM KLEIN  
Globe-News Sports Writer

As expected, Childress spent much of the evening looking up last night in the Amarillo Civic Center Coliseum.

The Bobcat girls faced an intimidating front line throughout, and Spearman's girls used the height advantage to score big on the boards en route to a 43-38 Class AA bi-district basketball win before a crowd that swelled to more than 1,500.

The win sends Spearman, now 17-9, into Friday's regional tournament at Lubbock's Municipal Coliseum, where the Lynxettes will face Fabens, a 64-45 winner over Sonora last night in another bi-district clash. That first-round contest will begin at 9 p.m. Friday.

Childress, the District 2-AA champion in just its fourth varsity season of girls' basketball, bowed out with a 21-7 record, the first winning record in school history.

The game preceded a cage double-header in which District 2-A champion Panhandle met District 1-A winner Sanford-Fritch for a regional-tournament berth.

Spearman had a whopping 35-16 bulge on the boards, paving the way to last night's victory.

And no wonder. The Lynxettes had a front line that featured the likes of 5-10 Nancy Wilson, 5-8 Connie Shields and 5-9 Kenda Burke. Mary Ann Martin, 5-8, also saw considerable action.

Childress' tallest starter, meanwhile, stood only 5-6.

"There's no question the difference was our height," said Spearman mentor Ralph Newton, whose club now is 17-9, including an earlier victory over Childress (44-38) in the Canadian tourney.

"The only way we've beaten anyone all year is rebounding them."

Still, Childress used its quickness to break Spearman's full-court press enough to take a 22-20 halftime lead.

But Spearman's size asserted itself in the decisive third period in which the Lynxettes took a 14-4 rebound edge, which helped Spearman hit 6 of 16 field-goal tries.

Miss Wilson canned four buckets during the third quarter, and Miss Shields added another two as Spearman took the lead for good in the third period.

The Lynxettes took a 33-28 lead with one period to go and nursed it through much of the final period.

Childress made one abbreviated run in the final period, closing to as few as one point (38-38) on a long jumper and a pair of free throws by Quanna Anglin with 3:57 left.

But Miss Wilson ripped off Spearman's last four points in the final minutes. She sandwiched a pair of free throws around a rebound bucket with 1:41 left to make the score final.

Childress, whose previous best won-loss record was last year's 14-14, had its opportunities.

But the Bobcat girls hit only 7 of 28 field-goal tries in the final half, and gained few second or third tries because of Spearman's rebounding dominance.

Miss Wilson and Miss Shields canned 14 points each for Spearman, while Miss Anglin tallied 11 for the losers.

"Anglin didn't get as many shots as she usually does," said Newton. "I felt like our 1-3-1 (zone defense) did the job."

"I told our girls at half they needed to make their defensive moves quicker and quit watching before they moved. I told them to spread out on offense."

"I think our bench was a factor. We played nine girls, and they played seven."

Childress coach James Anglin agreed with Newton on the game's differences.

"Their depth was a factor," he said. "But the main thing was their

size. They controlled the boards. When they have three or four people out there taller than your tallest girl, they're hard to beat.

"And it's the first time in the playoffs for us, while they've been there a lot of times before."

"We had our opportunities, but the shots wouldn't fall in the second half. They hit a very high percentage of their shots early in the first half and in the third quarter."

### Assessment of basic skills test set

test set

All fifth and ninth grade students from the Spearman Independent School District will participate in the first Texas Assessment of Basic Skills test program scheduled for Feb. 26-27, March 6 and 7, 1980.

The assessment plan, first of its kind in this state, will be scheduled once each year under requirements set by the Texas Legislature during its 1979 regular session.

The Spearman ISD students will be among 500,000 expected to take the reading, writing composition, and mathematics tests during the February 25-March 12 statewide testing period. Each of the tests will require a maximum of 40 to 60

minutes to complete.

The Spearman ISD will report its district and campus aggregate scores to the public at a May or June meeting of the board of trustees, according to James Cunningham, district superintendent. However, individual student scores will be reported only to the student, parents or guardian, and the school personnel directly involved.

"This testing program is designed to help the student and the school improve achievement. For this reason, results will be reported in a manner that will help everyone become more effective."

Third grade students will be added to the annual sequence during the 1980-81 school year, according to plans announced by the Texas Education Agency. The three tests will make up an annual assessment effort designed to help both state and local school officials improve their services.

Overall student performance, both by campus and by district, will be reported each year to the public by the local board of trustees.

Westinghouse Data Score Systems of Iowa City, La., will both help administer the 1980 test program and develop and field test new items for the 1980-81 series under contract to the State Board of Education. The Iowa firm will also operate a computerized inventory of all test booklets to assure strict security at all times.

Each test question will relate to a specific objective or skill students are expected to learn by the time they complete the particular grade.

"We use the term 'criterion-referenced' simply because it is a short way of saying the answer to each question must lead back to a specific objective," Mr. Cunningham explains.

Ninth grade students who do not make a satisfactory score may re-take the test each year they remain in high school. However, they will not be required to take it more than once. Later attempts to improve their scores and evaluate any remedial programs will be voluntary.

The annual test program will be administered by specially-trained personnel in each school district under the guidelines and supervision of the Texas Education Agency.
