

St. Patrick's Day

St. Patrick, patron saint of Ireland, died March 17, 493. The anniversary of his death has been celebrated regularly in recent times by not only Irishmen but those of other races, and not only Catholics but those of other faiths.

The New York organization in memory of St. Patrick, the Friendly Sons of St. Patrick, was organized by both Irish Catholics and Presbyterians, and its first president was a Presbyterian.

The most famous tale about St. Patrick is the one which tells of his banishment of snakes from Ireland. Yet Cardinal Moran, who some years ago wrote an article on St. Patrick for the Catholic Encyclopedia, fails to mention it. He does mention the ordeal of St. Patrick when he was surrounded by demons in the shape of vultures, and tells of the drowning of the demons in answer to his prayers!

Whatever the tale, and there are those who believe several different versions, a great number of people enjoy celebrating the anniversary of the death of St. Patrick, in the middle of this month. Irishmen take pride in the occasion, and on some occasions have even brought pieces of the "ould sod" from Ireland to observe the occasion.

TRACK MEET: The Spearman Lynx and Lynxets will host a track meet here in Spearman this week end. The varsity events will begin Friday at 2:30; The meet will feature boys and girls teams, varsity and Jr. high! Teams are Phillips, Perryton, Canadian, White Deer, Gruver, Stratford and host Spearman! The meet will conclude on Saturday!

Artist Of The Month

To present an art exhibit at the library are L to R -Mrs. David M. Warren, Sr., Panhandle; Stephanie Brock, Spearman; Mrs. David M. Warren Jr.; Keely Herbert; and Janet Herbert. Keely, daughter of the John Herberts uses crayola as her media. Her mother works in several media, as does her Great-grandmother Alvah, grandmother Nan, and Aunt Stephanie. Their work will be on display during March at Hansford County Library.

Shamrock, Texas (Special — The Irish City's "Green and Growing" bubble is set to burst into bloom in time for the 34th running of its famed St. Patrick's Celebration Friday and Saturday, March 14 and 15.

The legend grows with the passing years, and "Shamrock Green and Growing," theme of the 1980 celebration, is calculated to sweeten the kitty!

The "greening-up" pace quickens as the big day approaches and tales once told as blarney have been told so often that many of them have come true. The editor of The Shamrock Texan, the local newspaper, takes pills to turn his beard green. It is said, and the residents hereabouts recall the year when city officials actually donned green underwear to honor the great St. Patrick of blessed memory.

Irish Micks by the score, most sporting Donegal beards, with colleens on their arms, have already begun their annual trek to the Irish City to join the two-day shenanigans featured by the greatest celebration in the Southwest.

James Kingston, assisted by a hundred committees doing the legwork for party details, heads up this year's celebration, the biggest St. Patrick's festival held anywhere outside Ireland itself.

This year's theme has stimulated thinking "green" by local citizens and, as the count-down leading to kick-off of the celebration on Friday night at National Guard Armory with a banquet expected to draw a thousand persons, there is much kissing of the Blarney Stone in Elmore Park to assure the "Luck O' The Irish" on the great day.

In keeping with a long-time tradition, the 60-page special edition of The Shamrock Texan will be printed on green newsprint.

Often described as the red-and-sandy portion of the Eastern Panhandle, Shamrock and its 3,200 residents will be green for shure the weekend of March 15-16 as an expected 30,000 visitors join them to insure a warm and wonderful celebration.

The big dot's actually begin with a World's Championship Domino Tournament at Grand Slam Motor Company showroom on East Highway 66 at 6:00 p. m. Wednesday, March 12, with

finals set Thursday, March 13, at 6:00 o'clock in the evening.

The pre-St. Patrick's banquet will feature Gil A. Stricklin of Dallas whose "Laughter with a Lift" is designed to teach you how to live life so confidently you will laugh when others cry. The Golden Spread Chorus of Amarillo, which so pleased banqueteers last year that it has been booked for a return engagement, will provide the musical entertainment.

The real celebrating begins Saturday, March 15, with an Old Settlers Reunion and the hour-long St. Patrick's Celebration Parade led by the green-clad Shamrock High School Band, followed by Donegal Beard judging, the popular Old Fiddlers' competition, the Miss Irish Rose Contest, free lunch for band members and team-racing rodeo events. The Dale T. Thomas Show will provide a three-day street carnival to please kids and adults alike.

The annual St. Patrick's Celebration dance at National Guard Armory will feature Dug Collins and the "West Texas Express," a country music group that has been pleasing fans for 14 years pickin' and singin' across miles and miles of Texas. Teen-age dancers at Jaycee Gym will enjoy a disco group, "Sounds Incredible."

Shamrock's Ministerial Alliance will host a program at High School Auditorium Saturday night featuring the Royal Heirs, a popular vocal quartette from Amarillo. Also under the alliance's sponsorship will be two films to be shown at 8:00 o'clock at First Baptist Church, "Darby O'Gill and the Little People," and "Finnigan's Rainbow," both of special appeal to high school and junior high students.

It's no matter if your Irish lineage is remote, just add an "O" at the beginning of your name, get in the "greening-up mood and join the fun. Even if you must change your name to O'Kupinski, O'Schmidt, O'Goldberg, or possibly O'Smith, you are invited to Shamrock for the 1980 festival.

The celebration originated in 1938 when the late Glenn Truax talked the Boosters Club into sponsoring the event to capitalize on the Irish name of the town.

SHADES OF BLARNEY!! And, green, and red and all of those pretty colors! Boss Lion Ray Ingle, the "top cat" at the local Lions Club, has called for a district supper at Spearman, Monday night, March 17th, at 7 p. m., to celebrate St. Pat's day in Spearman. Three Lions Clubs will participate in the big event, from Perryton, Morse, and Spearman. The Lions and their ladies will have an evening Shamrock Supper like "never has been" in the history of St. Pats day! The big supper will be at the Jr. hi cafeteria, the site of the big pancake supper last month! So, Lions, plan to bring your ladies out Monday night!

Jerry Taylor, hospital manager, called this week to inform us that the "application for the certificate of need for the senior citizens home for Hansford County had been accepted by the state, with no deficiencies!" This is good news for the project, and means that the hospital board will go with "full steam ahead to get the project started!

No Paid Diversion for 1980 Wheat, Feed Grain Crops

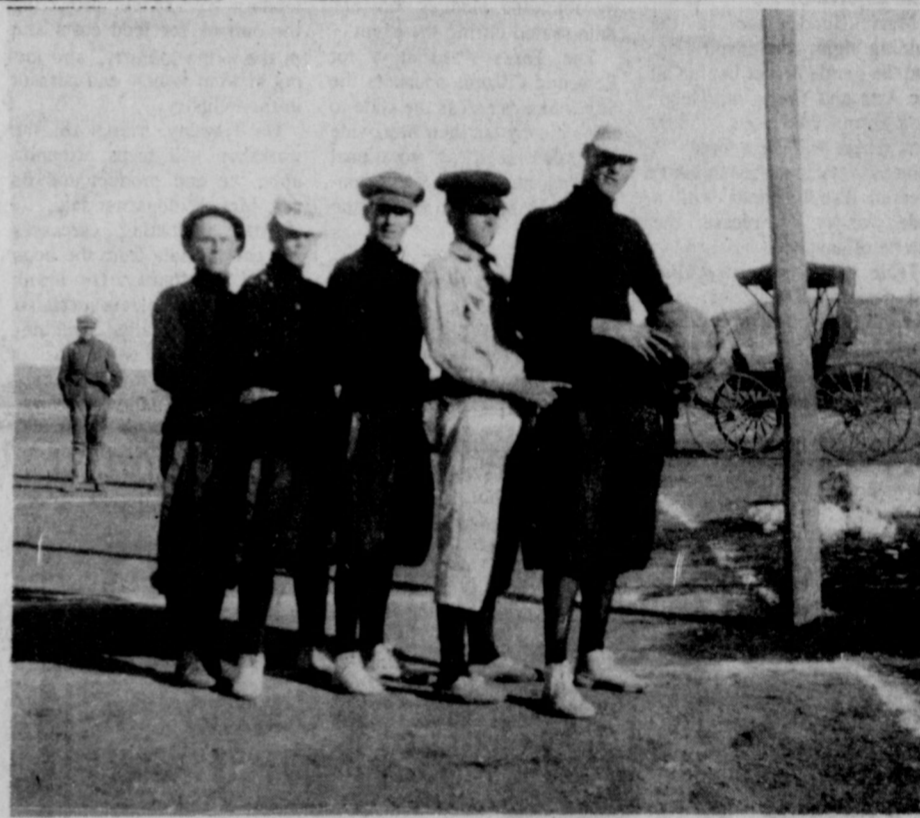

WASHINGTON, Feb. 29.—Secretary of Agriculture Bob Bergland today announced the U.S. Department of Agriculture will not institute a paid land diversion program for the 1980 crops of wheat, corn and other feed grains. He said the decision was based on prospects for continued growth in the world consumption requirement for these crops. "Our grain exports will be at record levels this year and will continue to grow in the future," Bergland said. "While U.S. producers enjoyed record large production in 1979/80, world production of grain actually declined. This has boosted demand for U.S. crops," Bergland said. "According to our estimates, we are expecting U.S. feed grain exports to reach a record 68 million tons in this marketing year and U.S. wheat exports to total 36 million tons—also a record amount."

"Obviously, we cannot make any precise estimates of what 1980 world feed grain production will be but we know world grain demand will continue to

grow. As long as we have adequate supplies, we can expect our exports to continue to increase. World grain stocks are declining this year and prices are higher than a year ago," Bergland said. "Stocks are likely to decline again in 1980/81," he said. "The actions the administration took in January to suspend shipments of agricultural products to the Soviet Union above the 8 million tons allowed under the U.S.-USSR Grains Supply Agreement have not fundamentally altered the long-range supply-demand picture for U.S. agriculture," Bergland said. "We made the commitment and have taken steps to offset the impacts on farm prices associated with the suspension. U.S. producers still have strong domestic and world markets for their farm output and prices are near levels expected before the suspension. "Nonetheless, the administration is still reviewing all programs and considering possible legislative changes which we will pursue in cooperation with alleviate the short-term credit pinch felt by producers."

Lawrence Gruver Services Held

Services were held at 2:30 p.m. Monday in the First Christian Church of Gruver for Lawrence H. Gruver, 93, who died Saturday. The Rev. J.W. Duke, pastor, and the Rev. Tom Fuller, pastor of Gruver United Methodist Church officiated. Burial was in Gruver Cemetery by Boxwell Brothers Funeral Directors of Spearman. Mr. Gruver, a farmer and rancher, was born in Chilhowee, Mo., and came with pioneer parents to Hansford County in 1906. He was a member of Gruver United Methodist Church and Gruver Lions Club. He married Alice McClellan in 1910 in Hansford. She died in 1947. Mr. Gruver then married Gertrude Ogle in 1958 in Gruver. She died in 1974. Survivors include two daughters, Mrs. Helen Shapley and Mrs. Hazel George, both of Gruver; two stepdaughters, Mrs. Ila Jo Hart and Mrs. Lola Reynolds, both of Gruver; nine grandchildren and 25 great-grandchildren. The family requests memorials to the building fund of Gruver United Methodist Church.

Class of '40 Planning Reunion

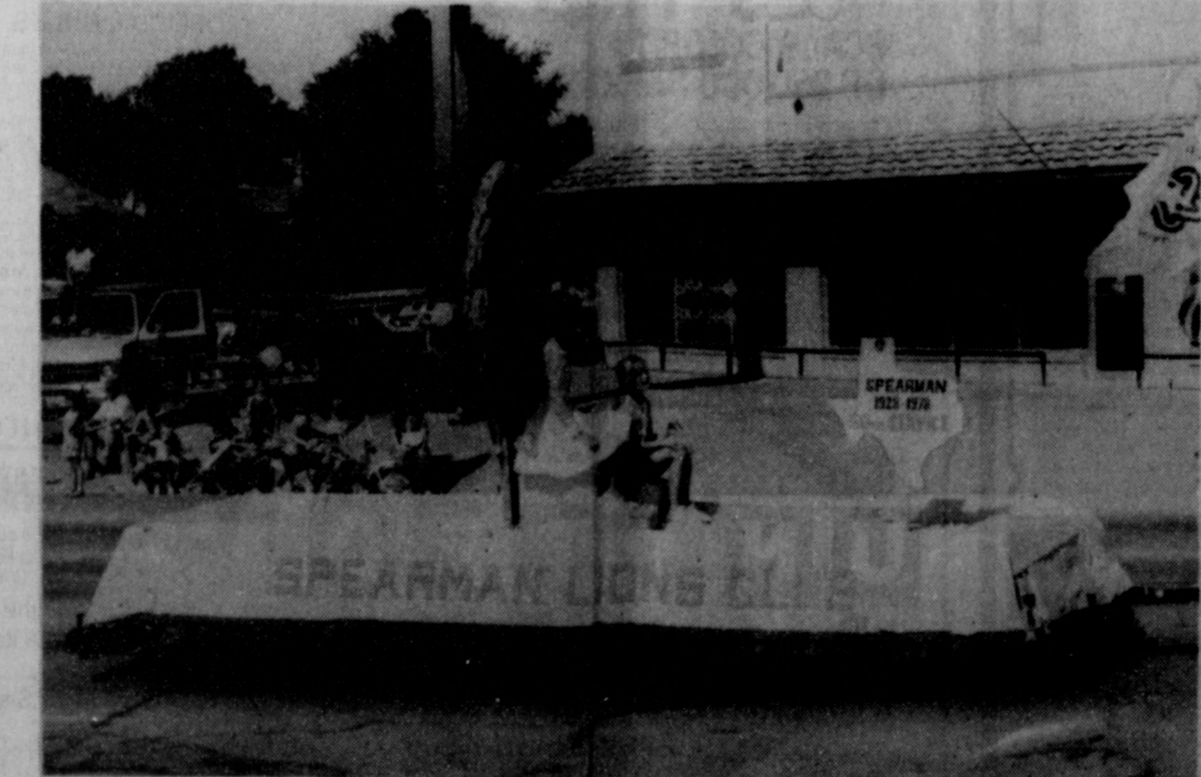

The Class of 1940 of Spearman High School is planning a class reunion on July 12, 1980. Anyone knowing any members of that class and their addresses are asked to contact Verna Gail Keim, 2706; Buena Lyon, 3462, or Virginia Head, 3055.

Hospital Receives Energy Grant

Hansford Hospital was among 43 recipients in Texas receiving grants totaling \$2,993,590 under the U.S. Department of Energy's "Grant Program for Schools and Hospitals". The hospital received \$5,841.00 under the program authorized by Title III of the National Energy Conservation Policy Act of 1977. DOE makes

grants to eligible institutions that have applied in accordance with a state-wide plan developed by the Texas Energy and Natural Resources Advisory Council. The grants are awarded for installation of energy conservation measures in grantee facilities. Normally, funds granted under the program must be matched 50/50 with non-federal funds. However, where severe financial hardship can be demonstrated the federal share may be increased to a maximum of 90 percent.

The Census Bureau will be testing for individuals to work as enumerators for the 1980 census, Thursday, March 20, at 9:30 a.m., at the Chamber of Commerce office in Spearman; 12:30 p.m. at the La Casita Room, Gruver State Bank in Gruver; and at 3:00 p.m. at the Pringle-Morse School Cafeteria in Morse. These jobs will last approximately 3 weeks. Applications must be picked up in advance at the Chamber of Commerce office in Spearman.

The prize winning Spearman Lions Club float was awarded an outstanding prize for their participation in the Homecoming festivities at Panhandle State University this past year. The trophy will be awarded to the Spearman Lions Club.

SCHOOL BOARD AGENDA:

Three school board members finished out their terms with the Spearman school board at the regular meeting last night. Chalmers Porter, Paul Hazelwood and Clark Mires ended their service with the school board for this term, and only Clark Mires chose to run again; Our special thanks to all three of these men for their serving their school in such an excellent manner. In other business, the board recommended hiring the staff, as presented by the Principals and Athletic Director for the coming year. A salary increase was given to all teachers; from 1200.00 per year over state, to 1800.00 per year over state. The enrollment at school at this time, stands at 876 students, down some from a year ago. The Amarillo Chamber of Commerce reported to Spearman, that their share of the bi-district gate for the girls game, was \$500.00!

Pampa Church To Sponsor Weekend Conference

First Baptist Church of Pampa will sponsor a second weekend conference for single adults in the Panhandle area on March 21, 22, 23, 1980. Conference leader will be Dr. Dan Russ of Pine Cove Christian Conference Center, Tyler, Texas. Dr. Russ currently directs "The Carpenter's Workshop", a special ministry for

single adults. The first general session will begin at 7:00 p.m. Friday, March 21, in Fellowship Hall of First Baptist Church. Following registration Dr. Russ will introduce the series topic, "What Am I Afraid Of?" Saturday's activities will begin at 10:00 a.m. with the second general session. Saturday afternoon will feature two specialized sessions, one at 2:00 p.m. and the other at 3:30 p.m. A family style meal is scheduled at 6:30 p.m. and will be followed by the third general session. The conference will conclude Sunday morning with a continental breakfast beginning at 8:30 a.m. and the fourth general session.

Fee for the conference will be \$3.00 and child care will be provided for all scheduled events. Late registration is \$4.00. For more information contact George Warren, First Baptist Church, P.O. Box 621, Pampa, Texas 79065, or call (806) 669-3348.

Golden Spread Club Meets

Twelve Golden Spread Club members traveled to Amarillo on Friday, March 7, to go to the Country Squire Dinner Theater to see "Move Over Mrs. Markham". The bus-van left the Center at 5:00 p.m. after waiting for a few minutes because a team from the Committee on the Aging, PRPC, came to look over the Golden Spread Center unexpectedly.

Harold Howerter was the driver, and his passengers were Ruth Caro, Mildred Chamberlain, Edna Hays, Lu Howerter, Evelyn and Richard Kingsley, Pearl Pierce, Louie Sampson, Joyce Shieldknight, and Jewell and Ned Turner.

Progressive Pitch, Skip-bo, and other games were played by several tables of people on Monday, March 10, from 2:00 to 5:00 p.m.

Frances Rhodes, Bertha Spoonemore, Ed Freeman, Altha Groves, Ellen Hamilton, Mildred Chamberlain, Johnny Lackey, Deta Blodgett, Ruth Reardon, and Dorothy Longley were the March birthday people who were honored at the March birthday party on Tuesday, March 11 at 6:30 p.m. A pleasant evening of table games were enjoyed by all.

Marv Hendrickson is the guiding light, the inspiration, and the gentle helper behind all the Arts and Crafts on Thursdays from 10:00 a.m. to 5:00 p.m. There will be a break at noon for a delicious, bounteous, covered dish luncheon with a wide variety to please the palette of anyone.

Table games of every kind and description, puzzles, and pool will be featured on Friday, March 14 from 2:00 to 5:00 p.m. Progressive Pitch will be played on Monday, March 17 from 2:00 to 5:00 p.m.

Fifteen lucky people will have an evening of fun, food, and fellowship at a real St. Patrick's

Day outing in the Golden Spread Center's van-bus on Monday, March 17 at 5:30 p.m. The green bunch will be going to K-Bobs in Perryton.

Spearman Ministerial Alliance will be hosts for the Covered Dish dinner on Tuesday, March 18 at 6:30 p.m. Club hostesses will be Imogene Pogue and Betty Freeman.

Helen Etter will be driving the Golden Spread Center's van-bus on Wednesday, March 19 from 9:00 a.m. to 12:00 noon, taking the sixty-plus bunch shopping, on errands, and to meet appointments. People needing transportation should call the Golden Spread Center (3521) on Tuesday and get your name on the list.

Super Skate Set For March 22 At Perryton

A Super Skate, sponsored by the Texas Association for Retarded Citizens, will be held March 22 at the Rollera Roller Rink, 121 North Amherst, in Perryton.

Prizes including an AM/FM 8 track stereo, a 10 speed bike and roller skates will be given away at the skating center.

Skaters will qualify for prizes by obtaining pledges for each mile skated during the event.

The Texas Association for Retarded Citizens sponsors the Super Skates across the state to raise money for their statewide programs such as vocational training, nursing care and community living facilities for the retarded.

Cooks Offered Taste Of New Ideas For Pork

SPEARMAN--The ultimate test of good pork is the eating, says Hansford County Extension Agent, Peggy Winegarner. And area homemakers will get some new ideas and recipes at the Panhandle Economic Program Swine Workshop in Amarillo, Monday and Tuesday, March 17 and 18, she said.

The workshop is designed for housewives as well as for pork producers, the county home economics agent stressed. It will be held at the Texas A&M University Agricultural Research and Extension Center, 6500 Amarillo Blvd. West, Amarillo. It begins at 8:30 A.M. each day.

The Panhandle Economic Program (PEP) is a regional organization sponsored by the Texas Agricultural Extension Service to promote economic growth and development and improved living counties of the Panhandle.

On the first day, Monday, March 17, the workshop will focus upon swine production. Extension specialists, area producers and agribusiness leaders will conduct sessions evaluating live hogs, presenting three views on the selection of modern type swine, projecting the outlook for feed costs and for the swine industry, and looking at what is new and current in the industry.

On Tuesday, March 18, the workshop will focus attention upon the end product and its use, Mrs. Winegarner said.

After evaluating carcasses and cut-out data from the hogs viewed on Monday, Dr. Frank Orts, Extension meats specialist from College Station, will demonstrate how to cut meat.

Many of the myths, fables and "old wives' tales" surrounding pork and its consumption will be put straight by Ken Horton, executive vice president of the Texas Pork Producers Assn.,

session. Fee for the conference will be \$3.00 and child care will be provided for all scheduled events. Late registration is \$4.00.

For more information contact George Warren, First Baptist Church, P.O. Box 621, Pampa, Texas 79065, or call (806) 669-3348.

Rotary Club News

"Government" in the free enterprise system was a film shown to the Spearman Rotary Club Monday noon, March 10, in the garden room of the Cattleman's Restaurant.

Government in an active partner in our growth. U.S. government has always had as its goal: "The greatest good for the greatest number."

Government dollars had encouraged and helped the private sector. Income until 1960. As the government shrank, with the development of trains, cars, and airplanes, the government grew. Government encouraged the railroads. One-half of the world's railroad tracts are in this country. The railroads linked all sections of the country. The government set minimum standards of safety to protect the customers. The railroads and now getting three billion dollars in subsidies to keep them running.

A mixed economy can be a mixed blessing. Without it, where would we be? Conflict is a part of our growth and leads to changes in laws. The government encourages people and industries to take risks.

The federal government gave us a common currency. The government stands behind public savings.

The government responded to the depression with jobs. The economy recovered and government expanded. Growth was planned. Gross National Product entered the language.

Land Grant Colleges are one of the government's largest expenses.

We declared our independence from England, but we were independent? We borrowed from other countries to fight the Revolutionary War and they wanted to be repaid. To meet the national debt we levied taxes and tariffs and paid off our debts. We were as good as our word. Today we are sixty thousand times as big as when we began. Our national debt is mostly the result of our wars. The government grew in response to the need. Today the Pentagon is the largest employer and spender in our country.

One-fourth of all wage earners in our country work for the government. The government has to guarantee our freedom and protect us from our enemies.

The job has become complex. The biggest problem of big government is to be able to respond to real needs.

Community singing was led by Ed Freeman. Roy Bulls led in the pledge of allegiance to the flag. Ed Garner gave the prayer of invocation.

Guests Monday noon were Don Markham of the South West Amarillo Rotary Club and Dr. Hilton Sutton of Humble, Texas.

Members present were Bill Baker, Jim Benson, Eschol Blankenship, Kim Brock, Roy Bulls, Archie Burrell, Durane Castleberry, John R. Collard, Jr., Robert Elliott, Ed Freeman, Ed Garner, Kerry Henton, Ronnie Hoover, John Hutchison, Edwin Limbocker, Junior Lusby, David McClellan, Jack McWhirter, Jim Murray, Frank Oglesby, Michael Schmell, Lenis Simpson, Gary Sims, Jerry Taylor, Don Wirsdorfer, and Tim Woodington.

Members absent were J. L. Brock, Pete Fisher, Brice Palmer and Jim Shirley. Attendance percentage was 88.67%.

John R. Collard, Jr. and Eschol Blankenship will attend the District 573 Workshop for all newly

Some people get the "crazies" when they shop-- then their budget goes "crazy," too.
Some of those people are me and you.
Experts have "names" for these shoppers -- the "bargain buyers," the depressed shopper, the "spiteful buyer," the "status" buyer and the "wishful" buyer.
These "names" describe several spending personalities. Study their symptoms below, and if any are yours, then fight the "crazies" and save more money than you ever dreamed of:

BARGAIN BUYERS -- get pleasure from imagining they are outwitting the seller. Accumulating bargains becomes a game more important than the products. Not paying the original price is -- for some people -- a way of asserting superiority and independence.
DEPRESSED SHOPPERS -- use buying to compensate for frustration and gloom. It's a way to "boost" the spirits, they think. But, of course, it's also a way to fritter away cash. Once in awhile, a "filling" may be emotionally healthy, but when it becomes

a habit, or the items are expensive, new ways of solving depression would be more economical.
SPITEFUL BUYERS -- they "work so hard and get so little attention" that they just go out and buy something to get back. Unfortunately a buying spree rarely relieves the feeling of neglect for very long, and, worse yet, the purchase is rarely something they feel good about later.
STATUS BUYERS -- will fall for anything that makes them stand out in a crowd. Sellers know people are willing to pay more for a product that reflects luxury. For example, cars feature options that have nothing to do with safety or economy.
These luxury options simply appeal to status buyers.
WISHFUL BUYERS -- spend money on products that promise a "wish come true" -- young, slim, smooth skinned. Did you make a wishful purchase today? or any other "crazy" purchase? We hope not.

Church services are still being held every Sunday--just like they were when you were taught to go regularly.

Golden spread board meets

Golden Spread Center board met on March 10 at 5 p.m. The meeting was called to order by the president Orvil Brummett and was led in prayer by the Rev. Ed Freeman. Members present were Bob Boxwell, Wanda Brown, Orvil Brummett, Rosa Lee Butt, Mildred Chamberlain, Ed Freeman, Frances Loftin, Marsha Murphy, Pearl Pierce, Thelma Scott and Len Simpson.
Minutes of the last meeting were read and approved. The treasurer's report was read and adopted and all bills were ordered paid. Finance chairman Frances Loftin announced the Radiothon on April 10 from 9 a.m. to 5 p.m.
House committee report was given by Marsha Murphy. Len Simpson reported that the little water pressure on Tuesday evenings was because of the one inch line. Hopefully the city will replace all of these sometime in the next few years.
Rosa Lee Butt reported that all activities are proceeding in great shape. Wanda Brown reported that transportation is all being taken care of. Publicity committee chair-

man, Ed Freeman, reported that we still have a few interviews on KRDF leading up to the Radiothon to fill with people to be interviewed. The parking lot problem was discussed. Nominating committee still has to come up with one more name. Many of the Golden Spread Club members are reluctant to vote on the Senior Citizen of the Year. It was reported that the Social Security people will begin working out of the Golden Spread Center twice a month beginning in April. It was reported that the Golden Spread Center badly needs a typewriter. The annual membership meeting was set for Sunday, April 20 at 2 p.m. The meeting adjourned at 5:45 p.m.

Shower Honors Bride-Elect

Denise Benton, bride-elect of Roy Harbour, was honored with a bridal shower in the home of Mrs. R. L. Uptergrove Saturday, March 8. The table covered with an open work white linen cloth underlaid with mauve held a Dumb Cane plant in a wicker basket adorned with a pink ribbon for a centerpiece. The guests were served assorted cookies and raspberry punch. The registry table was covered with embroidered cloth and held a bud vase of various shades of pink silk flowers along with the bride's book.

Bride-Elect Is Honored

LaVon Kunselman, bride-elect of Randy Reid, was honored with a bridal shower March 8 in the Fellowship Hall of the First Christian Church. The table was covered with an ecru cloth and was centered with pink silk flowers in a wicker basket. Elaine Reimer served guests assorted cookies and strawberry punch. Guests were registered by Pam Edwards at the registry table in the bride's book. Also on the table was a vase of pink silk flowers. LaVon's corsage was of pink carnations and the hostesses presented her with a set of cookware. She was assisted in opening her gifts by Karen Clawson. Special guests were her stepmother Lorene Kunselman, Randy's mother, Mrs. Robble Reid of Morse, her sister, Karen Clawson of Buena, her sister-in-laws, Verla Kunselman of Plainview and Janie Kunselman. Other out of town guests were from Buena, Plainview, Borger, Amarillo, Hereford, Vega, Gruver, Dumas and Perryton. Hostesses for the shower were Mrs. Irvin Davis, Ed Haner, B. J. Grayson, Don Smith, J. L. Brock, Jimmy Hester, Doyle Jackson, Garland Head, Bill Jackson, Johnny Waggoner, Paul Reimer, Billy Baker and Alton Ellsworth.

Historical Committee Meets

The Hansford County Historical Committee, Inc. met in early session March 7 at the library. The meeting was called to order by President Fred Groves. Ruby Saltnes read the minutes of the previous meeting and they were approved as read. The treasurer's report was given by Clementine Renner and it was accepted as read. The marker to be placed at Oslo was discussed with plans to send the research papers to Austin for the Texas Historical Committee to approve. Ruby Saltnes informed the committee that she was one of 18 persons to be chosen to go to Winedale for Museum study. Winedale is under the direction of the University of Texas as a Museum of Cultural History and at one time was a stage coach inn. She was invited to stay 10 days all expenses paid except transport-

tion. For the next two weeks, the museum will be kept open by volunteers. We are in need of readers for the history book. Anyone interested may go to the museum between 1 to 5 p.m. Tuesday thru Saturday. The next meeting will be March 28 at the library to work on the History Book. Those attending were Fred Groves, Dixie Tracy, Lois Shieldknight, Clementine Renner, Grace Lyon, Christine Brandvick, Jenny Blankenship, Frances Kilgore, Ruby Saltnes, Juanita Pierce and R. L. McClellan.

Champions Picked At Houston

TRACY VERNON, has good reason for the big smile. He is shown here with his Reserve Champion Angus Steer at the Houston Livestock Market Steer Show last week. Tracy is a Spearman FFA student and the son of Mr. and Mrs. J. P. Vernon of Spearman.

Young Texas Angus exhibitors spent two busy days in the showing at the Houston Junior Livestock Show, vying for championship honors in steer, heifer and scramble heifer competition.

Heifer Show
In the February 29 Angus heifer show, featuring 147 entries judged by Bob Kropp,

Oklahoma State University, Stillwater, Gregg Scherer of Cypress led out the grand champion entry. She was UF Lady Roulette 128, winner of the late senior calf class.

Tommy David, Pilot Point, stepped into the reserve spot with the early summer yearling class winner, Star Emulous Eileen.

Other exhibitors of class winners were: Stewart Corbin, Winona; Cindy Kelm, Houston; Anne Gleason, Duncanville; Rhonda Brown, Cedar Hill; Tina McKinnon, Bedford; Kent Hicks, Hereford; Le Ann Thomas, Corsicana nad Scott Drake, Willis Point.

Steer Show
Blaine Todd of Lamesa moved into the winner's circle in the steer show, exhibiting his 1,172 pound entry to be champion Angus steer placing.

A 1,212-pound steer exhibited by Tracy Vernon of Spearman was named reserve champion in the Angus show.

Tony Terry, Roby, exhibited the first place middle-weight steer, and Lynda Henderson of Roby owned the winner in the light weight division.

The steer show was judged by Roger Hunsley, Purdue University, West Lafayette, Indiana.

Scramble Heifers
Winners of last year's Calf Scramble and Livestock Judging Contest, who each received \$400 donated by several Houston industries toward purchase of a heifer, brought in 23 Angus heifers to be lined up February 28 by Jim Theeck of Brenham, Texas.

Kent Hicks of Hereford showed the champion heifer, Vale Queen 29 of A Bar. His entry was sponsored by Allied Metals.

Johnny Holder, Weatherford, exhibited reserve champion L O R Erica 158, sponsored by Coca Cola Company.

Skirts & Kites

March is traditionally the windy month, with flying skirts and kites, which old and young notice in their respective leagues.

Kite flying has been a popular sport in many countries longer than flying skirts. Youngsters should be cautioned to avoid electric power lines, especially against using wire or cord with tinsel wound into it; each year accidents occur because of

carelessness on this score. Oldsters ought, by now, to know the dangers of flying skirts.

Nature's World

The world of nature, coming to life around us now, a beauty beyond the capacity of mortal man, is here to be appreciated.

Spring is a time of hope, baseball, summer dreams, pretty girls in pretty dresses and exhilaration over the warming weather and the end of winter.

A close observation of the many miracles on all sides of us in every field and forest, and on every hillside can restore one's strength and peace of mind. It can bring tranquility and humbleness to every thinking individual.

Staying Young

We all grow older, inevitably; the process cannot be arrested.

Yet, in a sense, we can stay young. It takes will power and positive thinking and perhaps luck, as far as health is concerned. But most of us can do it. We CAN stay young.

There's a secret. There are rules. They include watching one's diet.

Another is to exercise regularly. We must keep muscles in tone, keep our bodies and body movement graceful and attractive. Too many of us fail to heed the rule for exercise, which can be fun, and is all-important.

The secret is state of mind. We must constantly seek to remain young in spirit.

The human race, for all its boasting and puffing, is merely standing on the threshold of knowledge.

All-Star game adds four more girls

Three East All-Stars and one West All-Star have been added to the cast of the annual Golden Spread East-West High School All-Star game.

Representing the West is Della Riggins of Plainview. Groom's Betsy Krizan, Follett's Susan Corcoran and

Connie Shields of Spearman will play for the East All-Stars.

The annual all-star event will serve as the preliminary to the championship of the 12th National Women's Invitational Basketball Tournament on March 22 in the Amarillo Civic Center.

Miss Riggins, a 5-8 forward, averaged 10 points per game for Plainview this season, shooting 50 percent from the field. At the free throw line, Miss Riggins connected on 56 percent of her opportunities. She also pulled down 12 rebounds per outing.

The four-year letter-winner was named to the all-tournament teams at the West Texas Girls' Invitational and the Brownfield Invitational this season.

Groom's Miss Krizan averaged 14 points and 10 rebounds per outing this season, along with five steals. The 5-10 forward-guard was named to the All-District 3-B team for three of her four years as a Tigrette letter-winner.

Miss Corcoran, a 5-5 Follett forward-guard, averaged 10 points per game this season, and three steals.

A four-year letter-winner at Follett, she was named to the All-District 2-B team this season, and was honorable mention in 1979.

Miss Shields, an All-District 1-AA selection this year, averaged 12 points and 7.7 rebounds per outing for Spearman this season.

The 5-8 three-year letter-winner also was named to the all-tournament teams at Sunray and Canadiar

BEST C.A.F.E.

Ford has the best Corporate Average Fuel Economy of any major U.S. car maker. C.A.F.E. is the government's measure of auto companies' progress in gas mileage each year. It is an average using the EPA rating system and projected 1980 total model year car sales mix as submitted to the U.S. government in December, 1979.

Only Ford among the major U.S. companies ranks first on this basis.

Remember, C.A.F.E. is an average, so consult EPA ratings for individual car's mileage.

*1980 EPA ratings for comparison. Your mileage may differ depending on speed, distance and weather. Actual highway mileage will probably be lower.

The District Pinewood Derby was held at the Spearman County Barn on March 1.

Scouts from Gruver, White Deer, Panhandle, Borger and Spearman entered their cars in the derby.

Wayne Groves was 1st place in appearance, Alan Beeson, 2nd place, Ray Dunaway, 3; Darren Waddell of Gruver 4th, and Charles Fite, Borger, was 5th.

In Speed, Craig Waddell of Gruver was first; Mark McKay, White Deer, 2nd; Shawn Ellis, Panhandle, 3rd; Darrel Waddell, Gruver, 4th and Shawn Cook, Spearman 5th.

How To Get Her Back

Flem: My wife has been at her mother's three weeks now and keeps prolonging her visit. I need her at home, but she pays no attention when I suggest she return.

Flem: Get one of the neighbors to suggest she'd better do it, my boy.

ABOUT YOUR HOME

By April Rhodes

If you're a beginner in sewing, remember to always buy a little extra yardage for matching plaids and diagonal stripes.

It's time to set out boxwood when the ground thaws enough for digging. Keep watered until well established.

If your grocery budget keeps increasing--remember that you pay extra for convenience foods and ready-for-the-table foods.

One of the most important spring cleaning chores is to clean out your medicine cabinet. Throw away all outdated or unlabeled drugs. Flush liquids, pills and capsules down the toilet and rinse containers before discarding.

A MAN TWICE-BLESSED — Dudley Moore, happily flanked by Julie Andrews, left, and Bo Derek, stars as a man in search of the perfect beauty in "10," the new Blake Edwards film, opening on 3/12 at the Lyric Theatre. The romantic comedy is an Orion Pictures release through Warner Bros. It was written and directed by Edwards, with music by Henry Mancini. Tony Adams and Edwards are the co-producers. Mat 2-A

ON CUTTING BUDGET

Senate Democratic leader Robert C. Byrd has predicted that soaring inflation will spur his colleagues to balance the federal budget for the first time in a dozen years. Byrd told reporters cutting programs to wipe out a projected \$16 billion deficit for fiscal 1981 "will be like pulling teeth."

APPROVES AWARD

The Senate passed and sent to the House a bill to award \$1 million to an ex-soldier who was given LSD without his knowledge as part of an Army experiment. The award to James R. Thornwell of Spartanburg, S.C., was approved by voice vote.

Liz Faulkner (left), manager of the Allsup's Store at 305 West Kenneth in Spearman is greeted by the company's president, Lonnie Allsup, prior to the start of a shortage control seminar in Clovis, New Mexico. Over 200 Allsup's employees attended the seminar which dealt with merchandise shortage and effective methods to control it. Jack Henry, a nationally known expert in convenience store security, was the featured speaker. According to Mr. Allsup, "This seminar is part of our commitment to our customers. Country-wide surveys show that over 8 billion dollars a year is lost due to theft and is reflected in the price of all products. Ultimately these losses are borne by the customer. We at Allsup's are doing our best to prevent these unnecessary cost increases by making our people aware of available solutions."

These boys are the winners in appearance with their entries in the District Pinewood Derby held at the County Barn March 1. They are left to right, Wayne Groves, Alan Beeson, Ray Dunaway, all of Spearman's pack 578; Darren Waddell of Gruver's pack 550 and Charles Fite, Borger, pack 507.

Here are the cars entered in the District Pinewood Derby held here at the County Barn March 1. Entries were from Gruver, White Deer, Panhandle, Borger and Spearman.

Stan Hudson spoke at Men's Prayer Breakfast

Stan Hudson, mud engineer and active United Methodist layman, spoke to the interdenominational men's prayer breakfast on Tuesday, March 5, at 6:30 a.m. in the Garden Room of the Cattleman's Restaurant, on the subject of Christian witness.

Basing his remarks on John 15:1-8, "I am the true vine, and my Father is the vinedresser. Every branch of mine that bears no fruit, He takes away, and every branch that does bear fruit He prunes, that it may bear more fruit. You are already made clean by the Word which I have spoken to you. Abide in Me, and I in you. As the branch cannot bear fruit by itself, unless it abides in the vine, neither can you, unless you abide in Me. I am the vine, you (in Spearman) are the branches. He who abides in Me and I in Him, he it is that bears much fruit, for apart from Me you can do nothing. If a man does not abide in Me, he is cast forth as a branch and withers; and the

branches are gathered thrown into the fire and burned. If you abide in Me (Spearman), and My words abide in you, ask whatever you will, and it shall be done for you. By this My Father is glorified, that you bear much fruit, and so prove to be My disciples."

Then he turned to James 1:2-3, 22-27, "Count it all joy, my brethren, when you meet various trials, for you know that the testing of your faith produces steadfastness . . . But he does of the Word, and not hearers only, deceiving yourselves. For if anyone is a hearer of the Word and not a doer, he is like a man who observes his natural face in a mirror; for he observes himself and goes away and at once forgets what he was like. But he who looks into the perfect law, the law of liberty, and perseveres, being no hearer that forgets but a doer that acts, he shall be blessed in his doing."

"If anyone thinks he is religious, and does not bridle his

tongue but deceives his heart, this man's religion is vain. Religion that is pure and undefiled before God and the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world."

Then turning to James 5:13-20, he read: "Is anyone among you suffering? Let him pray. Is any cheerful? Let him sing praise. Is any among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord; and the prayer of faith will save the sick man, and the Lord will raise him up; and if he has committed sins, he will be forgiven."

"Therefore confess your sins to one another, and pray for one another, that you may be healed. The prayer of a righteous man has great power in its effects. Elijah was a man of like nature with ourselves and he prayed fervently that it might not rain, and for three years and six months it did not rain on the

earth. Then he prayed again and the heaven gave rain, and the earth brought forth its fruit. "My brethren, if anyone among you wanders from the truth and someone brings him back, let him know that whoever brings back a sinner from the error of his way will save his soul from death and will cover a multitude of sins."

I thought we would talk about being in the Vine, and being the branches. Did you watch Brother Andrew on the 700 Club last night? Brother Andrew is the Bible smuggler. He was talking about his ministry being an open door ministry. There are no closed doors. He takes 30,000 Bibles a week into red China. If he can do that anybody ought to be able to do anything. There are no closed doors. What would it be like to be perfectly in the will of God?

"My Father is glorified if you bear much fruit." Pat Robertson asked Brother Andrew if he wasn't afraid to be seen on national TV. Brother Andrew

replied that the only time in his life that he was in danger, was when I was on furlough here in the United States, and the plane crashed and I broke my back and had a car wreck and broke my knee. When I'm in the midst of distributing Bibles behind the Iron Curtain, I'm safe and feel at home, because I am doing God's will. To be in the will of God is to be out of danger. Danger for him is to be out of the will of God.

It's strange we can claim to have a belief in Jesus Christ and believe that all things were made by Him, and that all things are made new, and the first time something rises up against us, we seem to falter, we seem to fall. There's a scripture that really hit me the other day, I Corinthians 10:30-31, "If I partake with thankfulness, why am I denounced because of that for which I give thanks? So, whether you eat or drink, or whatever you do, do all to the glory of God." If you have something in your life that God can't give glory to, if you are getting ready to say something and you don't think that God will get glory from it, just remember you are in His sight.

That may be hard on friendship but if they are true friends they will be back.

We go all over the world preaching the gospel and yet there are people right here in Spearman who have never really heard the Word. It is not because it was not put forth. People hear the Word and yet they miss it because of the example of others they are associating with. It is sad that we can be so close and yet be so far away from one another. We can be surrounded by people and be lonely. We put our hearts in the same attitude as athletics, be strong and never falter. You're suppose to have faults. But God says, "Confess your faults to one another and pray for one another that you may be healed." In America, we feel that if we are weak we are admitting that there's something wrong with us.

God wants us to come before Him just as we are. If we have a need, it is no problem for God. That is what God is there for. We are not saved to go to heaven and we are not saved from hell. You accept Jesus Christ as your Saviour, to meet the needs of humankind on earth, and heaven is just one of the fringe benefits for being a born again child of the King. We are supposed to abide in Him and let His Word abide in us, for one reason only, that we may be His disciples, and bear fruit. We are the only Bible some people read.

Bob Boxwell, local mortician and active layman in the First Christian Church, will be the speaker at next month's men's prayer breakfast on Wednesday, April 2, at 6:30 a.m. in the garden room of the Cattleman's Restaurant, and all men are invited.

Spearman rifleman takes first place trophy

The first high-power rifle silhouette shoot of the year at Perryton Rifle Club Lake Fryer gave Tom Reed a chance to show off his hawk-eye.

Tom was one of two Spearman competitors to try for one of several trophies awarded Sunday afternoon at the Lake Fryer range. Shooting in "B" class, Tom used a 30-06 Ruger that he had used the previous fall for deer hunting, to take the first place award. The wind was gusting ten to twenty miles per hour most of the afternoon with occasional periods of calm occurring when the shooters were between matches. Tom darted on the pigs that were approximately 325 yards (300 meters) and knocked over one after getting his scope adjusted. Standing off-hand resting against the wind has some advantages, but they all help the pig. And then everyone knows how Mother Nature acts. About the time a fellow gets comfortable laying against the wind it either stops and starts up another direction or it blows harder. The second round Tom got a chance to hit a scrawny metal turkey that was perched on a metal stand about 415 yards (385 meters) away. A nine power scope gives a fellow a pretty good chance to look those birds right in the eye. Several men from Amarillo were swearing up and down that they saw a turkey wink at them and one fellow from Guymon was sure turkey shook out his tail feathers, after being shot at and missed. Now no alcohol is allowed at the shoot and the fellow from Guymon appeared to be a true Oklahoma hunter, so everyone just kind of smiled and tried to pacify him, but the two from Amarillo were notched over for signs of alcohol. Mirage does funny things to some people.

Way up on top of the hill with only a caliche dirt pile behind them to keep the wind from blowing them off their feet, the rams looked more like young jackrabbits with the naked eye. At 550 yards (500 meters) away it really takes about a second for a bullet to hit the ram silhouette, but it appears to be longer. The noise of the shot dies and the bang of the bullet hitting the metal is audible even with ear plugs. By this time Tom was getting used to the wind and knocked over two rams which is better than most can do with a bench rest. The last relay for Tom was the chickens. They may only be 200 meters away (211 yd.)

but the top of a ball point pen held at arms length will cover one of the critters, Tom got two of them for a total of six points. This was high score in "B" class.

The high score in "A" class (which means fancier equipment and more time spent in practice) went to Ken Donahue, highway patrolman from Perryton. There was a shootoff between Ken and Paul Mc Faddin from Amarillo for first place because both men scored 11 hits. Ken got first place after he knocked over a Ram and Paul missed his shot. There was a three way shootoff for third place in "A" class with Chuck Waller from Perryton taking the shootoff and third place trophy. The high match winner was from Amarillo and a competition who has taken more than few trophies from around the state and surrounding areas, Don Standish has competed in this fast growing sport for several years which is only a few less than the sport has been in America.

Tom Reed is a good example of the kind of men it takes to handle the competition. In this day and age most men don't shoot a heavy rifle like a 30-06 sporter weight rifle 40 times in ten years much less in a period of two and a half hours.

This kind of shooting requires a person to have control of his or her body because flinching and jerking is common when approximately 25 foot pounds of energy slams against your shoulder. Not many people can handle the steady recoil. The sport is made for persons confined to wheelchairs and can be adapted to other handicaps that may keep a person from stalking game in the mountains or plains. It is without doubt the fastest growing shooting sport and the second fastest is pistol silhouette shooting. This can be seen by the number of ranges which have opened recently and in this area. Perryton Rifle Club has a long range pistol range at Lake Fryer, Dumas has recently opened a short range (100 meter) pistol range as has Pampa and Amarillo. Guymon is working on a short range pistol range also. Time has come to sharpen up your eyes, get away from the idiot making TV and join a growing number of people who are relearning the pleasure of spending an afternoon competing and growing proficient in the use of rifles and pistols. Fathers and sons once again have a common interest, and several wives have proven that the woman is not the weaker sex.

NOTICE

The deadline for filing applications for residential homestead exemptions in the Spearman Independent School District is March 31, 1980. These exemptions are available to all resident home owners. An additional exemption is available to those home owners who were 65 years of age or over on January 1, 1980.

Applications must be filed before April 1 of each year with the school tax office. Forms are available at the tax office at 403 East 11th Street, or call 659-2116.

Before you get ready to do something, before you have a business transaction, before you gossip about somebody, think, "Will I hurt my brother?" "Now, Father, I'm going to do this to your glory." A man did this before everything he did. When he tried to put a cigarette in his mouth and prayed that, he couldn't and he quit. And we need to do that. This applies to all our conversation. If someone is about to say something that we know may be a little off-color, we ought to either tell him not to say it or have the sense to get up and walk out.

Blankenship Chairman of Gift Of Life Campaign

Eschol Blankenship has been appointed to serve as Chairman of the 1980 Gift of Life Campaign, the fund drive beginning March 16 through March 31, 1980 for the Kidney Foundation of the Texas Panhandle. The announcement was made today by Jack B. Weinberger, president of the health organization.

Eschol Blankenship, will head the appeal to raise funds to support the agency's work in the prevention, treatment and cure of kidney diseases.

Eschol Blankenship announced that volunteers will be recruited to assist the Kidney Foundation in the fund drive by distributing educational material, organ donor cards information and receive contributions from business and industry, civic, professional, community organizations, and individuals throughout their neighborhood.

SBA Farm Disas'er Program Gets Toll-Free Number

Texas farmers and ranchers who want information about the Small Business Administration disaster recovery loan program now have a toll-free number they may call, the U.S. Small Business Administration (SBA) announced today.

"SBA has already assisted more than 10,000 agricultural producers in Texas," said Mercurio Martinez, SBA Regional Administrator. "This toll-free number will make it easier for farmers throughout the state to receive information about the SBA program."

Martinez explained how the telephone line will be operated by SBA. He said that persons having questions about the disaster loans may receive a brief explanation of the recovery program by calling, toll-free, 1-800-692-4296 from anywhere within the state. If a farmer already has applied to SBA for assistance, he may leave his name, address and phone number with the receptionist and a loan officer familiar with his application will call him back at once.

Small Business Administration physical disaster loans are available in counties recommended by the Governor and subsequently designated by the Administrator of SBA. The loans are made only for crop losses not already covered by insurance or other disaster or deficiency payments.

For additional information about the SBA farm disaster loan program, producers may call, toll-free, 1-800-692-4296.

Speed Limit

Everyone has an opinion on the 55-MPH law. On the highways you can observe that a good number of vehicle operators are exceeding the 55-MPH limit. (It is interesting to note that of 1,500 licensed drivers, by a telephone inquiry, 77 percent favored the 55-MPH speed limit. I wonder if it is the cliché "Don't do as I do, do as I say" or the law is for everyone else.)

The federal government has indicated that a certain portion of the funds made available to the state could be withheld if compliance to the 55-MPH speed limit is not reached. This could mean millions of dollars withheld that could be used for road repair and construction in the State of Texas. Funding would have to come from the State of Texas or the work on the highways delayed if this funding is withheld.

As citizens we have a choice: comply with the law (and save gasoline as well as lives) or lose money (and, in many cases, lives).

OLYMPICS * * *

By Pete Fritchie

WASHINGTON, D. C. -- The biggest upset of the recent winter Olympics was unquestionably the U.S. team's 4-3 defeat of Russia's entry. Russia's hockey team was so heavily favored the pre-Olympic Games question was whether any team could make the score close.

A few weeks before the games, in an exhibition, the Russians ran over the American team, 10-3. How could so much change in a period of a few weeks? The beginning of the great turnaround came when the U.S. team tied Sweden and then beat Czechoslovakia, considered among the stronger entrants.

On the last Friday of the games, the U.S. team faced the same Russians who had run all over them in Madison Square Garden in January. And they won with two stunning goals in the third period, within minutes of each other.

That and Eric Heiden's five gold medals in speed skating were most of what the U.S. team had to crow about. The Russians and East Germans--the really amazing East Germans--dominated the medal totals. East Germany had 23 medals, Russia 22, the U.S. 12. Had the U.S. team been stronger overall, with Heiden's five gold medals, the Americans could have been right up there in the totals.

Yet the hockey team's win made 1980 a memorable year.

Girl Scout Week

March 9-16 is Girl Scout Week--

Do you ever wonder what the Spearman Girl Scouts do?

We have 3 Brownie Troops 1 Jr. Troop and 1 Cadette Troop. They have been very busy this year. Each week the troop meets at the Girl Scout House after school. At these meetings each girl takes turn serving refreshments. They learn the Girl Scout Promise, Girl Scout Laws, Songs play games, visit the museum, radio station and other interesting places.

They learn to tie knots build fires, put up camp, sew, draw, and many other useful things. In crafts they learn to weave baskets, paint ceramics, decoupage, make key rings, charcoal drawings, and indian drums, dolls, doll furniture and many other things.

During the year they make extra money for their troop & council by selling nuts & cookies.

Spearman has had 2 Service projects - making favors to take to the hospital and sending socks & hose to Girlstown at Xmas.

Brownie Rallies and camping for all ages will be in May & June.

We have a display in the window at Cummings Ref. & invite you to come and see a few of the items.

We would like to also invite you to come by the Girl Scout House 22 S. Endicott after school Mon., Tues., Wed., or Fri., and visit us--

HERBISHIELD seed. The world's first safened sorghum.

Herbshield seed is safened so you can get really effective grassy weed control without harming your sorghum yields.

Because sorghum itself is a grass, controlling grassy weeds in sorghum has always been a problem. Do a job on the weeds, and you do a job on ordinary sorghum, too.

But with Herbshield seed, you can apply Milocep® herbicide for effective, long-lasting control of grassy weeds. And because Herbshield seed is safened by Funk's, your sorghum will flourish.

Herbshield seed. The world's first safened sorghum. In a choice of hybrids right for this area. Ask us about it.
