

Lynx Entertain Hornets Here

Outstanding offensive player of the week, is Dayton Edwards, No. 12. Dayton is flanked by two other outstanding Lynx, No. 10 Kyle Beedy, and 88, Kelly Mahanay. Edwards was named as offensive Lynx of the week for his play at Elk City.

Defensive player of the week for the Lynx, is No. 20 Karey Bodey, named for his fine defense in the Elk City game. No. 66 Jimmy Snider and No. 40 Kevin Russell are also two of the fine Lynx who will be ready for the Tulla game here Friday night.

The Spearman Lynx will entertain the Tulla Hornets in the feature game of the week for Hansford County this week. The Gruver Greyhounds travel to Canadian, and will be out of the county Friday night.

In other games the 7th, 8th and JV teams are supposed to play this Thursday but we have no idea whether they will or not. Anyway, here is what is supposed to transpire in Spearman Thursday. The 7th and 8th grades will entertain the Canadian Wildcats here Thursday afternoon starting at 5 p.m. The 9th grade will travel to Perryton for a 5 p.m. game. The Jr. Varsity hope to open their season at Canadian; Thursday at 6:30 p.m. So far, nobody wants to play our JV as both Perryton and Booker didn't show for the Thursday games the last two weeks!

As our readers know by now, the Elk City Elks ran up a 22 point first quarter lead on the Lynx at Elk City Friday night, but the Lynx tightened up the game after that and actually won the last 3 quarters by scoring 8 points to Elk City's 7 points.

Highlight of the game at Elk City, was the 50 yard plus pass touchdown run by Quarterback Dayton Edwards. The Lynx have had several boys with injuries out of the last two games, and maybe some of them will be ready for the Tulla here Friday evening! Make your plans to attend the game and you will not be disappointed. This could be the best game of the year for the Lynx as they have a real good chance against the Tulla team with the game rated as a toss-up!

CLAY GIBNER IS SHOWN HERE AS HE BUYS TICKETS for the big Saturday night, Oct. 6th performance of "The Music Man" from Kelly Shaver. The high school musical will be presented Oct. 6 & 8. Tickets are on sale now.

COMBINATION RUMMAGE SALE AND BAKE SALE, at Old Beedy Building

The Baker and Taylor Womens Association will be having a combination Rummage Sale and Bake Sale, OCTOBER 5th and 6th, at OLD BEEDY Furniture Building, Plains Shopping Center, Spearman, Texas. Proceeds will go for scholarship fund and senior citizens Christmas activities.

Recycle Old Eyeglasses For The Poor

ANYONE FOR OPERA??? New Eyes For The Needy, Inc., a non-profit charity in Short Hills, New Jersey 07078 recycles not only old opera glasses, but other used eyeglasses, old jewelry, gold and silver items, inlays and other bits of precious metal. After refining, New Eyes uses the proceeds to establish eye funds in hospitals across the U.S.A., as well as redistributing reusable glasses to foreign missions. Never asking for a penny, New Eyes has helped over one million people in the past 47 years since it began. Send your old eyeglasses and precious metal scrap to New Eyes for the Needy, Short Hills, N.J. 07078, where they will help some needy person to see.

Recycle old eyeglasses to bring sight to the poor? Why not—recycling may seem like a new conservationist idea, but a group of volunteers in Short Hills, N.J., many of them housewives, have been doing it for years, ever since 1932.

As a non-profit organization called New Eyes For The Needy, Inc., this group of volunteers have helped over one million persons to see.

Last year over one million pairs of old glasses were sent to New Eyes For The Needy, Inc., Short Hills, N.J. 07078, where groups of volunteers over 250 in number, have been taught to sort and classify them.

Simple non-astigmatic lenses go to medical missions abroad since Federal law now prohibits their redistribution in this country. Simple sunglasses are prized in bright, hot countries, even leper colonies where the burning rays of the sun are too much to tolerate.

Metal frames go to a refiner to be melted down, along with other scraps of precious metal, such as gold from dentures and tooth inlays, old watches, broken jewelry, spare cufflinks, earrings and old silver.

The money realized from refining goes to establish special eye funds for hospitals and welfare agencies throughout 48 of the United States, to purchase new prescription glasses for those who can't afford them.

New Eyes holds periodic sales of antique jewelry and silver along with resalable costume jewelry, which adds significantly to these funds.

Since its inception 47 years ago, New Eyes has asked for old eyeglasses and precious metal articles, never for a cent in donations.

Letters of Thanks
Heartwarming stories come from the many people and places where New Eyes has helped:

-10 year old Timmy of Waco, Texas, who loved to play baseball but always struck out because he couldn't see the ball—now is one of the top batters in his class with his glasses from New Eyes...

-A child from Taiwan Free China sees for the first time in his life after cataract surgery and glasses from New Eyes...

-Little 10 year old Kimberly from St. Louis, Missouri, whose "lazy" eye required glasses which her unemployed father couldn't afford...

-The Pennsylvania Association for the Blind wrote New Eyes: "We regret that you are unable to share in the joys that result from your magnificent efforts—the joy of an elderly client reading a newspaper for the first time in many, many years...On behalf of all the little ones who have entered school with the best possible vision and for those whose world is made brighter...we thank you."

Another letter from a Methodist foreign mission: "We are delighted to learn that 80 cataract glasses are on

the way. We do surgery every day. These people are farmers who have hardly enough to keep body and soul together...I hope you realize what an important ministry you render to the practical needs of people who long to see."

Project for Service Organizations
Not only individuals, but many church groups and service organizations such as the Lions and Kiwanis have made New Eyes' collections their project.

Collection boxes are placed in banks, shopping centers and libraries where local publicity through newspapers, TV and radio stations soon has them full to overflowing. Upon request, New Eyes will send a pamphlet of background information and helpful ideas to groups interested in starting community projects.

Hundreds of packages arrive each day by mail from all over the country, directed to the white stucco building on Millburn Avenue in Short Hills, N.J. 07078. A huge pair of spectacles emblazoned on a side wall mark the home of New Eyes For The Needy, Inc.

The First Recycler
The original recycler for New Eyes, Mrs. Arthur Terry of Short Hills, got her idea when working as a volunteer during the depression in a Red Cross food depot in New York City. There she processed the food tickets which many recipients couldn't see to sign. Beginning by collecting used glasses from friends, she soon broadened her recycling effort with the help of good publicity.

Through the years, New Eyes was taken over by the Junior Service League of Short Hills, later by the community, outgrowing the cellars and playrooms of private homes, a local church and moving finally to its own building.

money matters

Surprising to some is that the U.S. now imports more than 8,400,000 barrels of oil a day at an annual cost of over \$50 billion—an outflow of American dollars that contributes heavily to inflation.

What can be done to check this flow? Many experts say that if oil companies keep the money they will get from decontrolled oil, they can use it to find more oil. One such company, Pennzoil, has pledged to reserve any additional cash it receives for oil and gas exploration.

Woodhaven Handbell Choir To Appear Here

We have a very special event scheduled at First Christian Church, Spearman, on October 1, 1979. We want to share it with everyone!

The Woodhaven Handbell Choir will be in concert at 7:30 p.m. Perhaps you are familiar with handbell choirs, but we are sure this choir will be a blessing to your life because it not only shows the ability of the handbell ringers to learn this form of music, but it shows their determination to overcome their disabilities, physical and mental.

English Handbell Ringers have been a tradition for many years. However, mentally retarded handbell ringers are newer in concept. Woodhaven Learning Center, a residential school for mentally retarded persons in Columbia, Missouri, has been working with handbell ringers since 1972.

Woodhaven received a set of handbells as a gift from a Christian Church in Florida, and began to experiment with ways to use them with their young people. Several methods were tried, and finally one was adopted.

Their first presentation came after only three rehearsals when they played "Row, Row, Row Your Boat" for the Board. Since then they have increased their concert to a full hour with a variety of modern, religious and inspirational songs. The program includes vocal solos, piano solo, and a number on the musical saw.

The Woodhaven Handbell Ringers, under the direction of the Reverend Stanley Williams, Chaplain, have presented concerts in many towns throughout the country and in Canada. In the summer of 1973, the Choir presented a concert at the White House. In 1977, they played for the General Assembly of the Christian Churches in Kansas City, and in 1978, they played for the Christian Women's Fellowship Quadrennial at Purdue University.

We are so happy to be included in their tour schedule, we want everyone to share in this experience. October 1, 1979, 7:30 p.m., First Christian Church, Spearman.

Honored For Sales

Earl Henderson of Morse, Texas, was honored recently for outstanding sales achievement in 1979 as a dealer for PIONEER brand seeds. And to mark the occasion, he received a specially designed Silver Dollar Award from Pioneer Hi-Bred International, Inc.

"Only 15 to 16 percent of the approximate 800 Pioneer dealers eligible for this award will qualify each year," Jim Lindsey, president of the Plainview, Texas based company, noted in announcing this year's honorees. "And we're particularly proud of Earl Henderson because he has qualified in three of the past four years."

Rotary Club

Superintendent of Schools James Cunningham gave a slide presentation on demographic scholastic population trends to the Spearman Rotary Club on Monday noon at the garden room of the Cattleman's Cafe. It all boiled down to fewer youngsters, more adults, and more senior citizens.

For instance the average family in 1900 had seven children, in 1977 the average family had 1.8 children. There is a declining fertility rate, while the life expectancy rate reaches a new high each year. Average life expectancy in 1900 was 47.3 years, in 1977 it is 76 years. There is an increase of women in the labor force and an increased percentage of women in the child bearing years who are single, and an increased use of contraception. In Washington, D.C. in 1977 there were more abortions than live births. The divorce rate involved over one million families a year. There are now one out of every two marriages ending in divorce.

Visitors included Gilbert Mize of Perryton, James Cunningham, Ron Hoover, and Dari Hergert of Spearman.

Members present were Jim Benson, Eschol Blankenship, Kim Brock, Roy Bulls, Durane Castleberry, John R. Collard, Jr., Robert Elliott, Pete Fisher, Ed Freeman, Ed Garner, Kerry Henton, John Hutchison, Junior Lusby, Jack McWhirter, Jim Murray, Frank Oglesby, Michael Schnell, Gary Sims, and Jerry Taylor.

Members absent were J.L. Brock, Archie Burress, Eddy Limbocker, Jim McLain, Brice Palmer, Jim Shirley, Lenis Simpson, Vance Snider, Don Wirsdorfer and Tim Woodington.

Liberal Musical Festival Planned

The most unusual music event of the year will be coming to our area on October 1st at 7:30 p.m. The churches of Liberal in cooperation with Singpiration Music and Brier & Hale Music are putting together an unforgettable evening of musical fun and excitement, that promises to be an unique musical involvement for everyone who attends.

The event is called a "Singpiration Musical Festival" and is presented some 40 times a year in selected cities across North America. Churches of all denominations participate in these festivals and have found that they bring renewed interest and fresh excitement to their church music program. Every church's music can occasionally use a "shot in the arm", and this event has been just that for hundreds of musicians around the nation.

Each person who comes receives a large and valuable packet of the latest Singpiration Gospel Music, plus a wealth of new and usable ideas

that will have their church "singing". This evening is not a "dull and boring" session of just reading music, but rather a bright and infectious "musical experience" to which people energetically respond.

Present for these "music events" are some of America's most gifted writers and arrangers. Such talented people as Don Wyrzten, Rick Powell, Joe Parks, David Clydesdale, and others, bring their own special style, insight, and direction to these hours, which excites all those who participate.

Church music directors all over the area are enthused about the value of this special exposure and what it will do for the churches of greater Southwest Kansas. The early interest displayed in this Festival gives reason to expect a large and receptive crowd for this unusual community event.

"Singpiration Music Festival", October 1st at 7:30 P.M. at First Church of God, 8th Street and Pershing, Liberal, Kansas. For further information, call Brier & Hale Music.

"Expanding Horizons" Is 4-H Week Theme

National 4-H Week is the focal point of the annual 4-H calendar, a time when members and leaders can look at the past with pride as well as look to the future with anticipation.

National 4-H Week this year will be observed October 7-13, with the theme being "Expanding Horizons," points out Peggy Winegarner, County 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System. The Extension Service is the parent organization of 4-H.

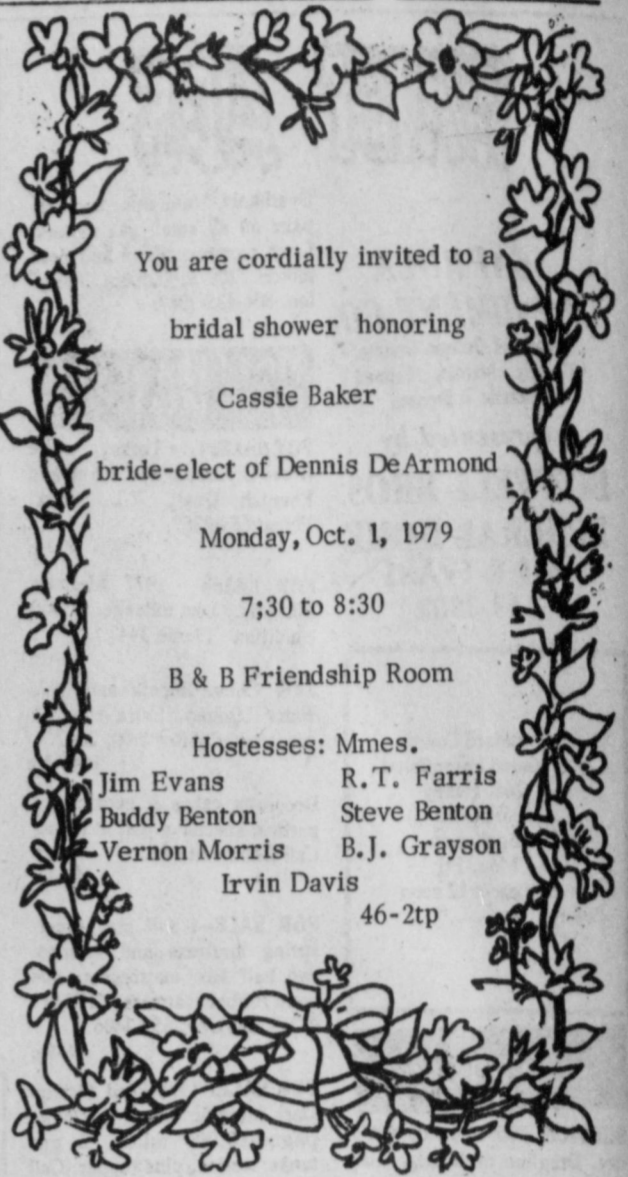

Mrs. Winegarner explains the 4-H week theme this way.

4-H is expanding youths' horizons as they seek new

knowledge, acquire life skills and build on personal strengths. 4-H inspires youth to stretch the limits of self, to reach out, share and learn with others. 4-H challenges youth to set high goals and to achieve them. And 4-H strengthens citizenship and leadership abilities and encourages youth and their leaders to assume positive roles in a free democratic society.

By broadening opportunities for greater understanding and service to community, nation and world, 4-H is expanding horizons, contends Mrs. Winegarner.

Tilden Christofferson History

got a job in the steel mills in Gary, Indiana and Jack and his cousin, Julian Amundson, hoboed it to the Panhandle, Hansford County, on a freight train where they had a job on the Emil Knutson farm and ranch. In 1931 Julian was later killed while sorting cattle.

In the fall of 1938 Mrs. Emil Knutson and children visited relatives in Northern Iowa and on their return brought her cousin, Agnes Bredeson, back with them on the train.

Agnes Bredeson was born in Lake Mills, Iowa April 22, 1919. A tiny baby less than 3 pounds and so small that her Grandmothers wedding ring fit for a bracelet.

The first that she remembers seeing Jack he was on crutches, however, later whenever he wanted to get better acquainted he would bring his horse to the back door and come in for a cup of coffee and an extra piece of pie.

We were married in the old Oslo Parsonage November 23, 1941 with Rev. H.C. Hjortholm officiating. He stood on a squeaky loose board that seemed to sing a solo every time he rocked back and forth during the ceremony.

Jack farmed in the Oslo Community for many years but now retired and living in Guymon, Okla. We have many cherished and happy memories of our days in Hansford County.

Agnes Christofferson

Tilden S. Christofferson was born in Bosque County near Meridian in Central Texas May 10, 1904. The youngest of three boys born to Jens and Tori Seljos Christofferson. The parents had immigrated to America from Norway with their respective families in 1872 and 1881.

Before Jens married he and several young men and families traveled by covered wagon and filed on land claims where the town of Floyada, Texas is now located. But after drought, hard times and homesickness several returned to Bosque County. This is where he married Tori Seljos, purchased farm land from the man Ole Nystel, (who had been captured by Indians when he was a young man) and settled down.

Mother Tori died when Tilden was about 2 1/2 years old, therefore, the boys grew up without a mother as Jens never remarried.

He attended the Harmony Country School which was quite a distance from where they lived. Since rattlesnakes were real thick Dad purchased a donkey for Tilden to ride on over the mountain. Two other boys in this school had the name of Tilden so a distinction had to be made between them, therefore, Tilden became "Jack" and still is to this day.

A favorite pastime was hunting and fishing. Squirrels were sold for as much as 25 cents apiece. Chopping wood and hauling it into Clifton by mule team during the winter months. During the summer it was cotton chopping and fighting Johnson Grass and later in the fall it was cotton picking with sore fingers and stiff backs.

During the depression hard times separated the brothers. The middle brother stayed on the farm and Elif, the oldest,

Local Firefighters Attend School

On September 12th and 13th of this year, the Canyon Vol. Fire Department held their annual firefighter's training school. Officers from all over the state of Texas are involved in the instructing of these classes and training field operations. Some of the training includes actual firefield operations and classroom training in fireground tactics, ladders and electrical instruction, arson detection, and many others.

The firefield operations include two log fires, two house fires, a smoke house operation, and an extensive gas and oil pit fire. Members of the Spearman Volunteer Firefighters attending the firefield operations included Ron Antalek, Dan Hendricks, John Trimmel, Rich Bennett, Robbie Schaeffer, Ken Schaeffer, Keith Martin, and Jim Murray.

The Spearman Department chose to attend fireground tactics class the second night. This classroom training included all phases of fire attack as well as extensive training in house fire operations. The class included two good films and was instructed by Chief Richards of the Amarillo Fire Department. Men from Spearman attending this class were Ron Antalek, Ronnie Bullard, Ed Williamson, Steve Slater, Dan Hendricks, John

Trimmel, Jim Murray, and Scott Bullard.

It is training schools such as this and the A&M school which offer excellent training in both classroom and field to firefighters all over the state of Texas. We feel very fortunate to be able to attend these schools. After all every single firefighter goes through this extensive training for their own community or city.

ABOUT YOUR HOME

By April Rhodes

In many areas it is time to bring hanging baskets inside. First decide which ones are suitable as house plants and secondly, unless you have unlimited space, save only one of each plant variety.

For company beef stew, prepare as usual. Add 1/2 cup dry red wine and 1/2 pound sliced mushrooms during the last half hour of cooking.

More and more homemakers are saving and using store coupons from magazines and newspapers. Make a concentrated effort for one month to determine how much you can save on groceries.

To make the most of your pantry space, the space between shelves should vary to the needs of short and tall supplies. A work surface to hold electric mixers, blenders and other appliances of this type eliminates counter clutter.

Our word "aroma" was the ancient Greek word for "spices."

Courthouse Repair Bids Sought

Hansford County Commissioners Court met in regular session Monday, Sept. 24, 1979 at the courthouse. Routine matters were dealt with and plans made to let bids for repairs to the courthouse building.

Judge McClellan said some masonry repair is needed to the nearly 40 year old building as well as other general repairs.

Poster Contest Underway

All youth age 9-19 may compete in the 1979 Health Poster Contest. Cash awards will be given. Posters may be constructed in any medium (water color, chalk, crayon, etc.) other than three dimensional on size 22"x14" poster board. Posters should describe or promote any form of good health.

Entries must be turned in to Peggy Winegarner at the County Extension office in the Courthouse basement by 5 p.m. October 1st.

These posters will be judged and on exhibit at the Health Fair October 3 in the Y.M.C.A. building. Cash awards will be given for the top three entries: 1st - \$15, 2nd - \$10 and 3rd - \$5.

Educational programs conducted by the Texas Agricultural Extension Service serve all people regardless of race, color, national origin, sex, or religion. Questions should be directed to Peggy Winegarner, County Extension Agent, 659-2030 or 733-2901.

Fire Prevention Week Events Planned

Fire safety and prevention is the key to saving lives. Fire Prevention Week is October 7 through October 13. Members of the Spearman Volunteer Fire Fighters would like to help make everyone aware of fire prevention methods and fire safety.

The department will be having a poster contest for all children in kindergarten through the third grade. The idea is to let these children present their ideas in art on fire prevention. These posters will be judged by firefighters and prizes will be awarded to the best poster from each grade level. Also there will be a grand prize for the best overall poster which will be a firefighters helmet and smoke detector. Captain Steve Slater will be coordinating this event with the children and teachers. On Friday the 12th, he and the men of unit #52 will be at the school to demonstrate and talk with the children.

Smoke alarms save lives and provide valuable time in case of fire. The department has ordered fifty smoke alarms and will be offering these to the public at a most reasonable \$10.00 apiece. These can be purchased through Ron Antalek or Ronnie Bullard anytime now through October 13th. We will be having a door to door presentation by

members of the department on October 9th and 11th for those interested and to personally invite the public to our open house.

Our open house will be from 1:00 p.m. to 5:00 p.m. on Saturday, the 13th of October. Everyone is invited to attend. From 1:00 to 1:30 p.m., there will be a certificate presentations on recent training schools by chief Ron Antalek. There will be films from 1:30 to 4:00 and plenty of refreshments. Mostly there will be firefighters wanting to share ideas and show you Spearman's Fire Department. We will have fire truck rides for the kids from 4:00 to 5:00 p.m. There will be plenty of action, excitement, and enjoyment for one and for all. Fire destroys homes and takes lives and prevention is the key. Please come and let us show you that our concern is you!

Answers Call

The Spearman Volunteer Fire Department answered a call at 12:53 p.m. Monday at the First State Bank parking lot.

Ronnie Antalek, fire chief, stated Tuesday that wire had caught fire on Mrs. Reyes car and did approximately \$150 damage.

Mr. Farmer

Due to the largest wheat crop ever, along with the latest completion date ever and a transportation situation that was unbelievably bad; there has been a great deal of concern on the part of the farmer as well as the Equity as to our ability to handle the milo and corn crop.

We are pleased to report that at this time our situation has improved immensely, and if it continues to improve as we believe it will, we will be able to handle most of your fall crops in a reasonably efficient manner.

We especially want to express our appreciation to those who took the time to report to us the number of bushels they expected to deliver to us this fall.

Sincerely,

Kenneth J. Allen

A Way of Life!

When one has always been thin - fat is hard to accept! After 10 years of trying everything except drugs, I started to work for Pat Walker's, (really not believing), and started losing!

Now this "Susie Homemaker, Grandmother, and Sunday School Teacher" is working at a job that isn't a job, but a way of life with a purpose in mind.

My husband always told me he liked me just the way I was. - Until I lost. I asked him why he never told me I was fat. He said there was no reason for him to beat me when I was already beating myself.

Now, 35 lbs., and 60 inches later, (from size 12 to 5), my life has changed totally!

Autograph Party Planned HS&WD Directors To Attend Meet

DONALD E. GREEN

University of Oklahoma Press will have an autograph party for Donald E. Green, author of "Panhandle Pioneer" on Sunday, October 7 from 2:00 to 5:00 p.m. at the Golden Spread Center. A percentage of all books sold that day will go to the Golden Spread Center.

Donald E. Green, who grew up on a Texas Panhandle ranch and received the Ph.D. from the University of Oklahoma, is professor of History and Director of the Southwestern Studies Program in Central State University, Edmond, Oklahoma. He is the author of several books and articles on the Panhandle-Plains region of Texas and Oklahoma.

"Panhandle Pioneer" is the story of Henry C. Hitch, his ranch and his family. In the history of the tristate Panhandle region—the three corners of Oklahoma, Texas and Kansas—the saga of Henry C. Hitch and his ranch is also the story of the social, cultural and economic

fortunes of the region.

Late in the nineteenth century young James Kerrick Hitch left his home in Tennessee for the High Plains and a hoped-for fortune. After ten years spent working and learning as a cowboy, he rode into the Coldwater Creek region of No Man's Land, the fertile subirrigated valley that was to be his Promised Land.

It was Henry Charles Hitch, James' son, who was to turn the valley and its adjoining uplands into an empire. Henry and the rest of the Hitches were a hardy, long-lived family who eked out a subsistence, raising cattle, borrowing money, going broke several times, flourishing at other times, lending money to neighbors. Always optimistic about the future of the Panhandle, the Hitches were willing to take risks, willing to borrow large sums of money, willing to experiment and change. Henry's genius and hard work paid off. In time the family owned 30,000 acres of land in three states.

After building their cattle empire, the Hitches moved into farming. By 1930 they had become the largest wheat producer in the state of Oklahoma. After World War II they drilled irrigation wells to raise feedstuffs and by the 1950's had one of the first large feedlots in the region. Always innovative and willing to adopt new technology, the Henry C. Hitch Ranch became an agribusiness empire with interest ranging from thousands of acres of irrigated corn to a commodities brokerage concern.

But the book is more than an economic history of how one family-owned ranch made the transition from the open range of the 1880's to the last quarter of the twentieth century. It is

also the absorbing story of a pioneer family, led unforgettably by Henry, who ate a breakfast of steak, biscuits, and gravy every morning and went forth to conquer his world. Today the Hitches are represented by Ladd Hitch and by his son, Paul, the fourth generation of a family that made indelible tracks across the Panhandle.

"Panhandle Pioneer" is Volume 7 in the Oklahoma Heritage Association Trackmaker Series of the University of Oklahoma Press. It was published in August.

Aftergame Fellowship Planned

All junior high and senior high young people are encouraged to attend the After-the-Game Fellowship on Friday, September 28 following the Spearman-Tulsa game at the Union Church.

Al Ullman, Congressman (D-Ore), on value added tax:

"We don't want one dollar of new taxes for the American people under today's conditions."

Charles Brillhart, Elmo Dahl, Willard McCloy, Robert Novak directors from the Hansford Soil and Water Conservation District will be in El Paso October 2-4 to attend the Thirty-Ninth Annual State Meeting of Texas Soil and Water Conservation District Directors.

Others attending from the Hansford Soil and Water Conservation District are Warren Proctor, District Conservationist.

The theme of this year's meeting is "Challenge of the 80's." Approximately 900 are expected to attend.

The purpose of the meeting is to review developments affecting Texas conservation programs and to plan future conservation district programs and activities.

Speakers scheduled for Wednesday and Thursday include: Neil Sampson, executive vice president, National Association of Conservation Districts, Washington, D.C.; State Senator Grant Jones of Abilene and John Henry Faulk, humorist, historian and philosopher.

Other dignitaries to address the group include Congressman Richard C. White of El Paso and Charles Stenholm of Stamford, Kenneth Kuykendall, president, Association of Texas Soil and Water Conservation Districts and David Fior, southern regional representative, National Association of Conservation Districts, Athens, Georgia, will also address the group.

State Representative Pete Laney of Hale Center is also expected to participate in a portion of the meeting.

Congressman Richard C. White will welcome Texas Soil and Water Conservation District Directors to El Paso at the Wednesday morning General Session. Wynn Hamilton, president, Far West Texas Association of Soil and Water Conservation Districts will also welcome the group.

Congressman White is a member of the House Armed Services Committee. He serves as chairman of the Military Personnel Subcommittee and is a member of the key Military Installations and Facilities Subcommittee. He is also a member of the House Science and Technology Committee and serves on its subcommittees on Energy Development and Applications and Energy Research and Production.

Sampson, a native of Idaho, has spent the majority of his professional career with the USDA's Soil Conservation Service where he worked at the local, state and national levels. As executive vice president of NACD, he represents a non-profit organization dedicated to assisting the nation's 3,000 conservation districts with conservation, orderly development and judicious use of natural resources through the maximum use of local initiative, decision making and self government.

As a member of the Texas Senate and particularly as chairman of the Senate Finance Committee, Grant Jones has sponsored the General Appropriations Bill, Property Tax Code and the reclassification of the Parks and Wildlife Code. He

also sponsored in the Senate H.B. 1060 which dealt with the implementation of Constitutional changes adopted in November, 1978. Jones also sponsored the bill which revised the state's coal and lignite strip mining regulatory processes.

An Abilene businessman and civic leader, Jones also served four terms in the Texas House of Representatives. Featured speaker at the Wednesday evening banquet will be John Henry Faulk, a regular personality on the Hee Haw show. Faulk, of Madisonville, Texas, is considered to be one of America's foremost political and social commentators. He is an author, columnist, humorist and historian.

Speaking on the Thursday morning General Session program will be Congressman Charles Stenholm. Stenholm, a farmer, serves on the U.S. House of Representative's Committee on Agriculture with subcommittee assignments to Cotton, Dairy and Poultry, Livestock and Grains, Oilseeds and Rice.

He also serves on the Committee on Post Office and Civil Service with subcommittee assignments to Investigations.

David Fior, of Athens, Georgia, is the southern representative for NACD. He works with conservation districts, state associations of conservation districts, and state conservation agencies in the thirteen southeastern and south central states, Puerto Rico and Virgin Islands.

Bechthold-Sheets Vows Exchanged

Wedding vows uniting Linda Charmaine Bechthold and John Lowell Sheets were exchanged in a candlelight ceremony at 6 p.m. Sunday, Sept. 9 at the Booker United Methodist Church. Rev. Lewis C. Holland of Canadian performed the double-ring ceremony. The bride is the daughter of Mr. and Mrs. Clyde Bechthold of Booker and the groom is the son of Mr. and Mrs. Lowell C. Sheets of Booker.

Mrs. Ruth Howard, organist, played a prelude of wedding

States Navy, brother of the groom.

As they arrived, Sheri Sheets, sister of the groom, registered the guests. The table was laid with a white lace cloth with a pink feather pen and pink rice bags. Keri Brown presided at the gift table that was covered with a white cloth and held pink silk flowers.

After the chimes rang six times the bride was escorted to the altar by her father. The bride wore her mother's wedding dress of delicate chantilly lace and nylon tulle over white satin. The fitted lace bodice was fashioned with long sleeves terminated in petal point and a small collar massed with iridescent paillettes. A deep overskirt of lace fell over the bouffant tulle skirt with short train. Her chapel length tulle veil had a rolled edge with a small head band covered in lace and iridescent paillettes and seed pearls.

The bride's bouquet was made of pink rose buds with white and pink baby carnations and streamers. This was arranged on a white pearl Bible that had been carried by her mother and sister. The bride wore a diamond necklace that the groom gave her.

The bride carried out the tradition of "something old" in her wedding gown; "something borrowed", diamond earrings; "something new", her veil; and "something blue", the garter.

Miss Dinah Wilson, friend of the bride, served as her maid of honor. Her sister, Mrs. Clydeene Harper, was the bridesmatron. They wore floor-length gowns of pale pink

dacron polyester under sheer mira mist with long sleeves. They carried nosegays with white and pink baby carnations.

The flower girl, Amy Bryant of Kress, friend of the bride, carried a white wicker basket with white and pink baby carnations. She wore a dress similar to the other attendants.

The ring bearer, Jody Neal Holland of Canadian, friend of the bride, carried a white satin pillow with two lace hearts.

Blaine Meyer was the best man and Bill Merydith served as groomsman. They are both friends of the groom.

The bride's mother wore a deep burgundy street length dress of velour with matching accessories. The mother of the groom wore a beige and burgundy chiffon dress. Their corsages were pink roses with baby carnations.

Honored guests were grandparents, Mr. and Mrs. Dan Sell of Booker, Mr. and Mrs. Conrad Bechthold of Darrouzett, Mr. and Mrs. George Margrave of Perryton and Mr. and Mrs. Freeman Barkley of Spearman.

The bride chose for her going away a V-neck burgundy dress of velour with a side split with buttons and matching accessories. Her pink rose corsage was lifted from the bridal bouquet.

The groom wore a light blue embroidered western shirt that the bride made him with dark blue corduroy pants.

The couple took a short wedding trip to Amarillo before the groom returns to Camp Pendleton Marine Corps Base in California. The bride hopes to follow soon. They are both 1979 graduates of Booker High School.

A reception was held im-

mediately following the ceremony. The serving table was covered with a floor length lace cloth with pink roses and streamers on each corner of the table.

The four-tiered wedding cake was baked and decorated by Clydeene Harper, sister of the bride, in shades of pink and burgundy roses. It had a miniature rose bouquet in icing and topped with a bride and groom. Fruit punch and coffee were served by Karla Evers, Liberal, Kan., friend of the bride, Donette Travis, Amarillo, cousin of the bride, and Cindy Hendrix, Randolph, Ohio, friend of the bride. They were assisted by Bonnie Shearer, Ruthanna Hocking, Patricia Doerrie, Helen Herbel and Judy Hughes.

REHEARSAL DINNER
The groom's parents were hosts to a rehearsal dinner on Saturday evening at the Forgan Depot Steak House with the wedding party as guests.

OUT OF TOWN GUESTS ATTENDING WERE:
Rev. and Mrs. Don Travis, Post, Mr. and Mrs. Jerry Lobley and family of Texline, Mr. and Mrs. R.R. Sheets of Okla. City, Okla.; Mr. and Mrs. Warren Sturgeon, Connie L. Miller and Mr. and Mrs. Carl Horton and Lynda of Tulsa, Okla.; Mr. and Mrs. Jerry J. Norton and Kelley of Caney, Okla.; and Mr. and Mrs. Bob Bryant and family of Kress.

Rev. Jim Teeter of Chillicothe; Mr. and Mrs. Merle Evers and Karla, Mr. and Mrs. Kent Evers of Liberal, Kan.; Mr. and Mrs. Albert Littau of Balco, Okla.; Mr. and Mrs. Ivan McKeever of Elmwood, Okla.; Mrs. C. Holland and sons of Canadian; Mr. and Mrs. Wiley

Sheets, Sharon Sheets, and Mrs. Danny Howell and Bruce of Spearman, Mr. and Mrs. Ray Griffin and family; Mr. and Mrs. Donald Sell; Mr. and Mrs. Robert Slaughter, Mrs. Francis Riggs, Linda Wagner and Jaylene, Helen Reiswig and Olga Littau of Perryton.

Mr. and Mrs. Fred Sween, Mrs. Irene Gensman, Mrs. Jean Lewis, Mrs. Judy Hudson and Ginger, Mrs. Lori Potter, and Mr. and Mrs. Jimmy Boston of Darrouzett.

Golden Spread Center News

Arts and crafts are featured today, Thursday, September 27 from 10:00 a.m. until closing time or as long as you want to stay at the Golden Spread Center. There will be a break at noon for a covered-dish luncheon.

Table games, including pool, will be the bill-of-fare Friday afternoon from 2:00 to 5:00 p.m.

There will be a covered-dish dinner and evening of table games on Tuesday, October 2 at 6:30 p.m.

Rubyjo Wilbanks will drive the Golden Spread Center's van-bus on Wednesday, October 3 to take the sixty plus bunch shopping, on errands, to the court house, the city hall, the doctor, the lawyer, the beauty parlor, and whatever the need. People needing transportation should call the Golden Spread Center (3521) on Tuesday and get their names on the list. The van will be picking up and delivering people from 9:00 a.m. to 12:00 noon.

If you have not been to the Golden Spread Center, you should stop and see the beautiful carpeting, the beautiful lavatories, the two new stoves, and the new refrigerator. Something new going on all the time in improving our surroundings.

Golden Spread Center is for all people fifty-five years of age or older and is open Monday through Friday from 8:30 a.m. to 5:00 p.m. There is a full-time director, Pearl Pierce, who is a good conversationalist, a good listener, and an excellent counselor in all areas concerning the aging. At the heart of the Center is the Golden Spread Club, who have an elected board, who supervise Pearl and other part-time employees and the activities of the Center. The Center is open to all senior citizens without discrimination as to sex, race, national origin, ethnic background, religion, denominational preference, political party, or handicap.

Golden Spread Center will have their annual sustaining membership drive during the month of October. Frances Loftin is the chairperson and her committee are Wanda Brown, Dorothy Lusby, and Alva Garner.

classic collars, and pocket detail.

To accessorize, add ribbon ties, narrow neckties or decorative pins.

Shapely shirt dresses make headlines with a structured look. Shoulders are well-shaped, skirts slim and waists cinched. Watch for asymmetrical closings, front wraps, and soft, silky fabrics.

Pants continue a slimmed-down or tapered look. Newest length is at the anklebone showing off an ankle strap pump or low boot. Pleats, gathers, and tucks give fullness at the waist.

'Western Wear'
Great news for Texans is frontier fashion—the western look. Styles include shirt yokes trimmed with piping, side buttoned narrow pants, and denim skirts.

Accessorize with authentic western boots with pointed toe and slanted low heel.

Cold-Weather Wear
To layer for warmth, add a classy sweater or vest. Choose from shaker knits, twin sets, jacquards or argyles. Wear sweaters over a coordinated blouse and accent with a belt at the waist.

For those colder days, coats draw attention. Coats are narrow with wider shoulders tapered to the hem line. Wear them belted or loose.

Small collars, often shawl or band, add interest at the neck. The newest length is three-quarter to seven-eighths, revealing a skirt or pants underneath.

Colors, Fabrics
Colors and fabrics add excitement to fall fashions.

Black accented with white or brights heads the list. Other popular colors include teal, egg plant, pearl gray, wine and plum.

Soft and plush describes the fabrics with jerseys, velours, silk, chenille, velvet, and crepe de chine leading the show.

State 4-H Revue
Karen Kenney represented Hansford County and District I exceptionally well at the State 4-H Fashion Revue in Waco. She placed in the top 20 in very stiff competition. Our congratulations to her for her 4-H accomplishments.

Spearman High School will present its musical this year on Saturday and Monday, Oct. 6th and 8th. This year the musical comedy is "The Music Man".

The story is about the salesmanship tactics of Professor Harold Hill (played by Kyle Beedy) in River City, Iowa back in 1912. His efforts to organize the River City Boys Band and become friends with Marian, the librarian (played by Tamara Scroggs) are met with amazing results and situations you wouldn't believe. All this time, the Mayor (played by Mike Brinson) and the School Board

(Jon Garnett, James Pierce, Jay Pack and Jay Comegys) are trying to get his credentials to discredit him but the Board always ends up singing and the Mayor is rushing around trying to keep his wife Eulalie (played by Sherry Greene) and daughter Zanecta (played by Eadie Clemmons) in line. Then, the "ladies" group (Kathie West, Terry Bynum, Becky Lusby, Lessa Thomas) are always busy with their gossip and Mrs. Paroo (Kelly Shaver) is trying to get her daughter Marian interested in Harold.
